The Authority after detailed discussion and deliberation decided the following:

1. **Serial No. 1:** Proposal was deferred in 5.78 meeting of SEIAA for “wrong Khasra number 712 instead of 3989 and 859, is mentioned in DCF certificate. Also, area given in production certificate does not match with that given in the proposal”. Now, PP has submitted correct DCF certificate dated 23/05/2022 and production certificate dated 14/06/2023. Hence, the Authority accepted the recommendations of SEAC & additional conditions of SEAC and grant EC to this proposal.
2. **Serial No. 2:** Proposal was deferred in 5.81 meeting of SEIAA for “*LOI was expired*”. Now, PP has submitted the lease sanction order vide letter dated 30/05/2023. Hence, the Authority accepted the recommendations & additional conditions of SEAC and decided to **approve EIA/ EMP and grant EC** to this proposal and PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.
3. **Serial No. 3, 4, 5, 8, 10, 11, 12, 13, 16, 17, 18, 19, 20, 21, 22, 23, 24, 26, 27, 28, 29, 31, 32, 33, 36:** The Authority accepted the recommendations & additional conditions of SEAC and decided to **grant EC** to these proposals.
4. **Serial No. 6, 7, 34, 43, 44:** The Authority accepted the recommendations of SEAC and decided to **close and delist** these proposals.
5. **Serial No. 9:** In this proposal, Khasra number 438/276 is not mentioned in Aravalli and Cluster Certificate. Hence, the Authority decided to **defer** this proposal for additional information i.e., submission of revised Aravalli and Cluster certificate within 45 days.
6. **Serial No. 14 & 15:** In these proposals it has come into the notice of the Authority that following details/documents have been interchanged with each other (Proposal No. 423479 and 423477)
 - Proposal Number on Note sheet is different from Uploaded CAF.
 - Revised Cluster Certificate
 - Revised Annexure G
 - Revised DCF Certificate
 - Table in Abstract

Hence, the Authority decided to **refer back** these proposals to SEAC, pointing out the above mistakes in the documentation and to correct the filing of the documents as well as the details in the note-sheet & abstract. The Authority directed SEAC to re-send the proposals back after reviewing along with duly authenticated DSR by the competent authority (not self-attested).

7. **Serial No. 25:** In this proposal, a road is passing along the pillar line DE. Keeping the same in view, the Authority accepted the recommendation of SEAC and decided to **grant EC** to this proposal **with the condition that Mining Department shall reconfirm the pillar locations with the coordinates on KML in order to ensure that no portion of the village road is part of the mining lease area.**
8. **Serial No. 30:** In this proposal, authenticated DSR is not submitted. Hence, the Authority decided to **defer** this proposal for additional information i.e., seeking for authentication of DSR by Mining Department.
9. **Serial 35:** The Authority accepted the recommendations of SEAC and decided to **grant TOR** to this proposal subject to condition of submission of valid LOI and cluster certificate at the time of submission of TOR compliance.
10. **Serial No. 37:** The Authority accepted the recommendations & additional conditions of SEAC and decided to **grant TOR under violation** to this proposal subject to condition of submission of authenticated past production certificate for year 2022-2023, conservation plan and ATR for non-compliance of general conditions no. 10 and 15 of earlier EC, as mentioned in submitted Certified Compliance Report at the time of submission of TOR compliance.
11. **Serial No. 38:** The Authority accepted the recommendations & additional conditions of SEAC and decided to **grant TOR** to this proposal subject to condition of submission of legible copy of LOI at the time of submission of TOR compliance.
12. **Serial No. 39:** The Authority accepted the recommendations of SEAC and decided to **grant TOR** to this proposal.
13. **Serial No. 40:** The Authority decided to refer back this proposal to SEAC for seeking details on the following points:
 - Action taken by the Mining Department and RSPCB in respect of illegal mining in the case.

- Legible copy of order by Directorate of Mines and Geology Department Udaipur, Government of Rajasthan dated 19/03/2021 be obtained and examined by SEAC.

- Correction of actual Khasra numbers in all the relevant documents.

14. **Serial No. 41:** In this proposal, as per DCF Karauli certificate, Kaila Devi WLS and Ranthambore Tiger Reserve is at a distance of 5.1 km and forest boundary is at 0.04 km as mentioned in submitted Form I. Hence, the Authority decided to **reject** this proposal in view of the lease area being less than 50 m and point no. 8 of circular dated 14/03/2023 issued by Forest Department, Government of Rajasthan.

15. **Serial No. 42:** The Authority accepted the recommendations & additional conditions of SEAC and decided to **approve EIA/ EMP and grant EC** to this proposal and PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.

Meeting ended with vote of thanks to the chair.
