

**Proceedings of 192<sup>nd</sup> meeting of State Expert Appraisal Committee (SEAC)  
held on 01.09.2020 at 10:30 AM in the Conference Hall No. 2, 1st Floor,  
MGSIPA Complex, Sector-26, Chandigarh.**

**Item No. 01: Confirmation of the proceedings of 191<sup>st</sup> meetings of State Level  
Expert Appraisal Committee held on 24.07.2020.**

SEAC was apprised that the proceedings of the 191<sup>st</sup> meeting of State Level Expert Appraisal meeting held on 24.07.2020 were circulated to all the members vide email dated 04.08.2020. After taking approval from the competent authority, the proceedings have been uploaded on the web portal of the SEAC.

Sh. A.K. Bhatia vide email dated 03.08.2020 informed that he has gone through the clarifications for the query raised by him and in the opinion that:

- 1) We should not stop TOR by issuing conditions to provide details of water requirement for various uses like domestic, dust suppression, and plantation as per MOEF norms. water balance diagram. They are also required to provide recharge proposal for quantity utilized by them from ground water even if purchased through tanker at the time of submission of EIA report. The order for recharge is attached.
- 2) For other cases for EC, they are also required to provide these mandatory items as per the check list. Simply giving an affidavit cannot be accepted as it will give a wrong precedence of giving affidavit for any clarification. Affidavit is usually taken to comply any condition imposed by SEAC.

The observations raised by Sh. A.K. Bhatia were thoroughly deliberated. After deliberations, SEAC decided that no modification in the minutes of 191<sup>st</sup> meeting of SEAC held on 24.07.2020 is required. However, the above said suggestions of Sh. A.K. Bhatia shall be taken care of in future. As such, SEAC confirmed the minutes of 191<sup>st</sup> meeting of SEAC held on 24.07.2020.

**Item No. 02: Suggestion of the Members SEAC to improve the working of SEAC**

SEAC was apprised that some suggestions were received through email from the various members of the SEAC to improve the working of the SEAC with details as under:

<b>Sr. No.</b>	<b>Name of the Member</b>	<b>Comments</b>
1.	Sh. A.K. Bhatia	<p>Vide email dated 08.08.2020, for last few meetings,</p> <p>I am feeling that we are not following the guidelines of MOEF and can improve our appraisal of EC cases by making some changes so as to appraise the ceases for EC more effectively by utilizing our experience in our field to contribute in improving the environment of the state for which we have been nominated by the MOEF GOI.</p> <p>I would like to highlight the following points based on my previous experience as member of EAC MOEF and member SEAC Haryana –</p> <ol style="list-style-type: none"><li>1. We are taking more number of cases which hinders members to properly appraise the each case and some important points of checklists are not attended or given due consideration.</li><li>2. I suggest that we should not take more than 12 cases in one meeting</li><li>3. We have been nominated by the MOEF to work on behalf of MOEF to appraise cases on guidelines of MOEF.</li><li>4. I have noticed that sometimes stress is given to Punjab state norms especially by non-members. As per guidelines only members are to appraise the case and assistance of non-members may be taken if required. The advise/suggestion from non-members can not be forced or binding on SEAC.</li><li>5. Observations made by the expert members of SEAC for any case is not resolved to their satisfaction and it is cleared in the minutes which is against the working spirit/norms of SEAC working and EC is issued in haste.</li></ol>

		<p>6. WE give more stress to the CSR/ CSER activities, I think more stress is to be given to environment issues like green areas, water issues etc.</p> <p>7. I request all the members of SEAC to give their views to improve the working of SEAC so that we all members can perform our best to our ability.</p>
2.	Sh. Parminder Bhogal	Vide email dated 09.08.2020, suggestions of Mr. Bhatia are good and may be considered for improving appraisal of cases.
3.	Sh. Deepak Sethi	Vide email dated 09.08.2020, issues raised by Respectable Member may be addressed in the coming meeting.
4.	Sh. K.L. Malhotra	<p>Vide email dated 10.08.2020, I agree with Mr. Bhatia that the number of cases to be considered in a meeting should be restricted to around 12 in order to ensure that the cases are properly appraised.</p> <p>It is also correct to say that the observations and advice of the members of SEAC should be given due and proper weightage while appraising the cases.</p> <p>As suggested by Mr Sethi, we should discuss these issues in the next meeting of SEAC.</p>
5.	Sh. A. K Bhatia	<p>Vide email dated 20.08.2020, it is requested that not more than 12 cases may be taken in the meeting so that appraisal of projects can be done in justified manner.</p> <p>In the last meeting, 21 cases were taken up and the meeting was finished by lunch time and the time on each case was not sufficient to appraise each case properly.</p>
6	Sh. A. K Bhatia	<p>Further, Sh. A.K. Bhatia vide email dated 20.08.2020 informed that he has the following general observations w.r. t proceedings of 191 meeting which were not taken into consideration despite his persuasion as member, water expert:-</p> <p>1. We may approve the <b>TOR cases</b> with additional points in the TOR</p> <p>a) PP will have to apply for NOC from CGWA and will have to submit the RWH plan as per CGWA norms. The condition of prior permission may be relaxed due to stay on NOC by NGT. The</p>

		<p>application and recharge plan should be submitted to the satisfaction of SEAC/expert member.</p> <p>b) For water requirement in notified areas precondition to get approval from DAC must be required at the time of submission of EIA. The PP should submit the concrete proposal to use recycled water for dust suppression and irrigation of green area.</p> <p>2. For TOR of steel industry, in house rain water harvesting should be mandatory with proposal to utilize for industry(notification of CGWA for polluting industry is attached). Recharge proposal at alternate site as per CGWA specification be submitted to the satisfaction of SEAC.</p> <p>3. For EC cases of mining following conditions are required-</p> <p>a) Permission to use ground water for domestic purpose from DAC should be mandatory in notified areas as after issue of EC no applicant get the permission and which will be against the judgement of NGT.</p> <p>b) The PP should submit the concrete proposal to use recycled water for dust suppression and irrigation of green area for notified areas.</p> <p>c) Detail Recharge proposal at alternate site be submitted to the satisfaction of SEAC so that compliance may be checked afterwards</p> <p>d) In few cases PP have submitted detail water requirement which are not as per norms. Approval of revised requirement from SEAC or from the member expert who raised the observations have not been taken.</p> <p>Notifications from CGWA for RWH and water conservation measure from MOEF was attached for kind consideration of members so that the committee does not commit any lapses which may question the working of committee in future. Views of Hon'ble members are also solicited.</p>
--	--	---

All the above said suggestions made by the members were discussed in detail. After deliberations, following decisions were taken:

1. Number of cases to be considered in each meeting of SEAC should be limited to 10-15 depending upon the nature of the case.
2. All the mining cases falling in notified areas, the project proponent shall apply to District Advisory Committee (DAC) for domestic water (drinking) requirement which shall be considered sufficient for grant of Environmental Clearance.
3. In all the steel industry cases (induction furnaces, rolling mills etc), the project proponent shall submit the rain water recharging scheme outside the premises of the industry and the recharging proposal within the premises shall not be allowed.
4. In future, draft minutes of all the SEAC meetings shall be circulated to all the members of the Committee through email to submit their comments, if any within 48 hours otherwise the minutes are considered to be deemed approved and uploaded on the portal after approval of the Chairman.
5. All other suggestions made by the members were noted by the Committee.

**Item No. 03: Action taken on the proceedings of the 190<sup>th</sup> and 191<sup>st</sup> meeting of the State Level Expert Appraisal Committee held on 27.06.2020 and 24.07.2020 respectively.**

SEAC was apprised that the action taken on the proceedings of 190<sup>th</sup> and 191<sup>st</sup> meeting of State Level Expert Appraisal Committee held on 27.06.2020 was taken as per the action taken report given as under:-

**Action taken report on the proceedings of 190<sup>th</sup> meeting of SEAC held on 27.06.2020**

Item No.	Description	Decision of 190 <sup>th</sup> meeting of SEAC held on 27.06.2020	Action Taken
Item No.1	Confirmation of the proceedings of the 189 <sup>th</sup> meetings of State Level Expert Appraisal Committee held on 28.05.2020.	SEAC confirmed the proceedings of said meetings with the certain ratification.	No further action is required to be taken
Item No.2	Action taken on the proceedings of the 189 <sup>th</sup> meeting of the State Level Expert Appraisal Committee held on 28.05.2020.	It was noted by SEAC	No further action is required to be taken
190.01	Application for issuance of ToRs for carrying out EIA study for obtaining environmental clearance under EIA notification dated 14.09.2006 for expansion of Group Housing Project namely "Orchard County" located in the revenue estate of village Sante Majra, Kharar - Landran Road, Kharar, District SAS Nagar, Punjab by M/s Ansal Lotus Melange Projects Pvt. Ltd. (SIA/PB/NCP/22975/2018)	a) SEIAA be requested to issue a direction under Section 5 of the Environment (Protection) Act, 1986 to the Project Proponent.  b) SEIAA be requested to ask PPCB to provide the details of the legal action taken against the responsible persons of the project as per the Clause 3 of MoEF & CC Notification dated 14.03.2017(as amended on 08.03.2018) in response to SEIAA letter no 354 dated 02.04.2019 along with construction status of	a) & b) The case file has been sent to SEIAA for taking further necessary action

		<p>the project</p> <p>c) the SEAC may ask the project proponent to submit the reply to ADS raised on 05.05.2020 , within 15 days and to attend the meeting as and when the case is placed before SEAC. In case, the project proponent fails to submit the reply &amp; appear in the meeting of SEAC, it will be presumed that the project proponent is not taking the matter seriously and the case will be delisted without any further communication.</p> <p>4) The case be placed again before SEAC after getting the reply to ADS from the project proponent and prosecution status from the PPCB.</p>	<p>c) Project proponent was asked vide letter no 1904 dated 30.07.2020 to submit the information.</p> <p>The reply has not yet received.</p>
190.02	<p>Application for issuance of ToRs for carrying out EIA study for obtaining environmental clearance under EIA notification dated 14.09.2006 for the establishment of a Group Housing Project namely " OMEGA CITY" located at Kharar- Ludhiana Road, Tehsil Kharar, District SAS Nagar, Punjab by M/s Omega Infra Estates Pvt. LTD. (SIA/PB/NCP/22977/2018)</p>	<p>a) SEIAA be requested to issue a direction under Section 5 of the Environment (Protection) Act, 1986 to the project proponent</p> <p>b) SEIAA be requested to ask the PPCB to provide the details of the legal action taken against the responsible persons of the project as per the Clause 3 of MoEF &amp; CC Notification dated 14.03.2017 (as</p>	<p>a) &amp; b) The case file has been sent to SEIAA for taking further necessary action</p>

		<p>amended on 08.03.2018) and as amended on 08.03.2018 in response to SEIAA letter no 354 dated 02.04.2019 along with construction status of the project</p> <p>(c) The SEAC may ask the project proponent to submit the reply to aforesaid observations (Sr No. 1 to 4) of SEAC, within 15 days and appear in the meeting as and when the case is placed before SEAC. In case, the project proponent fails to submit the reply &amp; appears in the meeting of SEAC, it will be presumed that the project proponent is not taking the matter seriously and the case will be delisted without any further communication.</p> <p>The case be placed again before SEAC after getting the reply from the project proponent and prosecution status from the PPCB</p>	<p>c) Project proponent was asked vide letter no 1906 dated 30.07.2020 to submit the information.</p> <p>d) The reply has not yet received.</p>
--	--	--	---

190.03	Application for obtaining Environmental clearance under EIA notification dated 14.09.2006 for the establishment of a new unit for manufacturing of Steel ingots/billets by installing induction furnaces at Village Ambey Majra, Sirhind Side, Mandi Gobindgarh, Distt. Fatehgarh Sahib, Punjab M/s Kanha Concast (Proposal No. SIA/PB/IND/30310/2018).	The SEAC decided that case be forwarded to the SEIAA with the recommendation to grant environmental clearance to the project proponent.	The case file has been sent to SEIAA for taking further necessary action.
190.04	Application for issuance of TOR for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for the establishment of Mega Residential Project "The Palm" located at Villages Mullanpur Garibdas, Dhanauran & Mastgarh, New Chandigarh, Mohali, S.A.S Nagar, Punjab by M/s Manohar Infrastructure & Constructions Pvt. Ltd. (Proposal No. SIA/PB/NCP/34917/2019).	After detailed deliberations, SEAC decided to defer the case and ask the project proponent to submit the reply to the observations	The decision of SEAC has been conveyed to the project proponent through online ADS (additional detail sought) facility available on the web portal. The project proponent has submitted the reply and same is placed in the instant agenda at item no 192.07
190.05	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for the expansion of group housing project namely "Hero Homes" located at Sector 88, SAS Nagar, Mohali (Punjab) by M/s Hero Realty Pvt. Ltd. (Proposal No. SIA/PB/NCP/42719/2018).	After detailed deliberations, SEAC decided that the case may be forwarded to SEIAA with the same recommendations as proposed earlier in its 187 <sup>th</sup> meeting held on 26.02.2020	The case file has been sent to SEIAA for taking further necessary action.

190.06	Application for obtaining Environmental Clearance (EC) under EIA notification dated 14.09.2006 for Expansion of existing water-based paints, powder coating paints and emulsion manufacturing facilities in its Integrated Paint Manufacturing Facility at Phase II, Goindwal Industrial Complex, Village - Goindwal Sahib, Tehsil-Khadur Sahib, District-Tarn Taran, Punjab by M/s Kansai Nerolac Paints Limited (Proposal no SIA/PB/IND2/ 21582/2018).	SEAC decided to award 'Silver Grading' to the project proposal and forward the application to SEIAA with the recommendations to grant Environmental Clearance for expansion of existing water-based paints, powder coating paints and emulsion manufacturing facility in its integrated paint manufacturing facility located at Phase II, Goindwal Industrial Complex, Village - Goindwal Sahib, Tehsil-Khadur Sahib, District-Tarn Taran, Punjab with certain conditions	The case file has been sent to SEIAA for taking further necessary action.
190.7	Application for obtaining Environmental clearance under EIA notification dated 14.09.2006 for expansion of steel manufacturing unit by replacement/addition of induction furnaces Village-Nasrali, Grain Market, Mandi Gobindgarh, District- Fatehgarh Sahib, Punjab by M/s Gian Castings (Proposal no SIA/PB/IND/45770/2018)	SEAC decided to award 'Silver Grading' to the project proposal and forward the application to SEIAA with the recommendations to grant Environmental Clearance for expansion of its existing unit for the proposed capacity of induction furnaces (1x10 TPH, 1X15TPH) & a rolling mill located at Village- Nasrali, Grain Market, Mandi Gobindgarh, District-Fatehgarh Sahib, Punjab	The case file has been sent to SEIAA for taking further necessary action.

190.0 8	Application for obtaining Environmental clearance under EIA notification dated 14.09.2006 for expansion in existing steel manufacturing unit having existing capacity of 36,000 TPA of Steel ingots/billets to 1,68,000 TPA by replacing existing induction furnace located at G.T. Road, Sirhind Side, Tehsil- Amlah, Mandi Gobindgarh, District- Fatehgarh Sahib, Punjab by M/s. Bansal Alloys & Metals Pvt. Ltd (Unit-1) (Proposal No. SIA/PB/IND/47266/2018)	SEAC decided to award 'Silver Grading' to the project proposal and forward the application to SEIAA with the recommendations to grant Environmental Clearance for expansion of its existing unit located at G.T. Road, Sirhind Side, Tehsil- Amlah, Mandi Gobindgarh, District- Fatehgarh Sahib, Punjab	The case file has been sent to SEIAA for taking further necessary action.
190.0 9	Application for obtaining Environmental clearance under EIA notification dated 14.09.2006 for expansion of Steel Manufacturing Unit namely "M/s Punjab Steels" at Village Tooran, Amlah Road, Tehsil Amlah, Distt. Fatehgarh Sahib, Punjab (Proposal no SIA/PB/IND/22215/2018)	SEAC decided to award 'Silver Grading' to the project proposal and forward to SEIAA with the recommendations to grant Environmental Clearance for expansion of its existing unit located at village Tooran, Amlah Road, Mandi Gobindgarh, District- Fatehgarh Sahib, Punjab	The case file has been sent to SEIAA for taking further necessary action.

**Action taken report on the proceedings of 191<sup>st</sup> meeting of SEAC held on 24.07.2020**

Item No.	Description	Decision of 191 <sup>st</sup> meeting of SEAC held on 24.07.2020	Action Taken
Item No. 01	Confirmation of the proceedings of 190 <sup>th</sup> meetings of State Level Expert Appraisal Committee held on 27.06.2020.	SEAC decided to ratify the proceedings of 190 <sup>th</sup> meeting of SEAC with regard to the condition of planting trees before forwarding the same to SEIAA as under:	No further action is required to be taken

		Total 'X' no. trees shall be planted, protected, maintained, and established without accounting any shrubs. As such, SEAC confirmed the proceedings of said meetings with the above said ratification.	
Item No. 2	Action taken on the proceedings of the 190th meeting of the State Level Expert Appraisal Committee held on 27.06.2020.	SEAC was apprised that the action taken on the proceedings of the 190th meeting of the State Level Expert Appraisal Committee held on 27.06.2020 was being taken and action taken report would be placed in the next meeting. SEAC noted the same and decided that action taken report to be placed in the next meeting of SEAC without any further delay.	Action taken report is placed in the instant agenda (192 <sup>nd</sup> meeting) at item no 02
191.01	Application for obtaining Terms of Reference under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Chabba, Tehsil Zira, District Ferozepur, Punjab submitted by Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN /52223 /2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.

191.02	Application for obtaining Terms of Reference under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Chugate Wala-1&2, Tehsil Ferozepur, District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited.(Proposal No. SIA/PB/MIN/52385/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.
191.03	Application for obtaining Terms of Reference under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Bulla, Tehsil Zira District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/ 52432/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.
191.04	Application for obtaining Terms of Reference under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Mamdot Uttar-I, Tehsil Ferozepur, District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/ 52767/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.

191.05	Application for obtaining Terms of Reference under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Beri Qadrabad, Tehsil Zira District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/54425/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.
191.06	Application for obtaining TOR under EIA notification dated 14.09.2006 for mining of minor minerals on river bed in the Village Kaniyan Husaini, Tehsil – Jagraon, District Ludhiana, Punjab submitted by M/s Mahadev Enclave Private Limited. (Proposal No. SIA/PB/MIN/50893/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.
191.07	Application for obtaining TOR under EIA notification dated 14.09.2006 for mining of minor minerals on river bed in the village Talwandi Kalan, Tehsil – Ludhiana West, District Ludhiana, Punjab submitted by M/s Mahadev Enclave Private Limited. (Proposal No. SIA/PB/MIN/50897/2020)	After detailed deliberations, SEAC decided to reject the application submitted by the project proponent.	The case file has been sent to SEIAA for taking further necessary action.

191.08	Application for obtaining TOR under EIA notification dated 14.09.2006 for mining of minor minerals an agricultural land (off-channel site) in the village Kumb Kalan, Tehsil Ludhiana East, District Ludhiana, Punjab submitted by M/s Mahadev Enclave Private Limited. Proposal No. SIA/PB/MIN/50931/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.
191.09	Application for obtaining TOR under EIA notification dated 14.09.2006 for mining of minor minerals on river bed in the village Parjian Biharipur, Tehsil – Jagron, District Ludhiana, Punjab submitted by M/s Mahadev Enclave Private Limited. (Proposal No. SIA/PB/MIN/53311/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.
191.10	Application for issuance of TORs for setting up of new steel Ingots/Billets manufacturing unit with capacity 1,78,200 TPA & Round, Coil, Flats, Wire rod, TMT Bars with capacity of 1,70,000 TPA by installing three Induction Furnaces of capacity 3×15 TPH, a concast machine & a rolling mill at Village-Wajirabad, Sirhind side, Tehsil & District-Fatehgarh Sahib, Punjab by M/s Pawanputra Steels (P) Ltd (Old Proposal No. SIA/PB/IND/51066/2020 and New Proposal No. SIA/PB/IND/55021/2020 ).	After detailed deliberations, it was decided to recommend to SEIAA as under: The request of project proponent regarding withdrawal of old application having proposal no SIA/PB/IND/51066/2020 dated 23.07.2020, be accepted. Terms of Reference for preparing Environmental Impact Assessment (EIA) report in reference to the new application having proposal no SIA/PB/IND/55021 /2020 be issued to the project proponent	The case file has been sent to SEIAA for taking further necessary action.

191.11	Application for issuance of TORs for manufacturing of 1,05, 000 TPA of Alloys/Non Alloys Steel Billets/Ingots and 1,00,000 TPA of Structural Steel (Round, Coil, Flats, Wire Rod, TMT Bars) by upgrading existing furnace to 10TPH, addition of one no. IF of capacity 15TPH, a Concast and a Rolling Mill having capacity 15TPH respectively at Village- Bhagwanpura, Dehlon Road, Tehsil-Ludhiana East, District-Ludhiana, Punjab by M/s J.N. Tayal Steels Pvt. Ltd. (Proposal No. SIA/PB/IND/46655/2019)	The SEAC decided to recommend the case to SEIAA with the recommendations to issue ToRs.	The case file has been sent to SEIAA for taking further necessary action.
191.12	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Awan Vsau, Tehsil Ajnala & District Amritsar, Punjab submitted by Friends and Co. (Proposal No. SIA/PB/MIN/143673/2020).	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.
191.13	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Manochahl, Tehsil Zira District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/ 148050/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.

191.14	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Dastul Sahib Wala, Tehsil Ferozepur District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/ 148404/2020).	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.
191.15	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Gatti Harike, Tehsil Zira District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/ 148442/2020).	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.
191.16	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Sfaderpur, Tehsil Sultanpur Lodhi District Kapurthala Punjab submitted by M/s Friends & Co. (Proposal No. SIA/PB/MIN/ 149298/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.

191.17	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Nidhana, Tehsil Guru Har Sahai District Ferozpur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/ 150543/2020).	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.
191.18	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Baggi Patni urf Mohkam Wala , Tehsil Zira District- Ferozpur, Punjab submitted by Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/150571/2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.
191.19	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Mallanwala Junabi, Tehsil Zira District Ferozpur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/150576/2020).	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.

191.20	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Behak Pachharian, Tehsil Zira District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/ 150641/ 2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.
191.21	Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Kohala, Tehsil Zira District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB /MIN/ 150650/ 2020)	The SEAC decided to recommend the case to SEIAA with the recommendations to grant environmental clearance.	The case file has been sent to SEIAA for taking further necessary action.

The Committee noted the same.

**Item No: 192.01 Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Jama Rakhaiya Uttar, Tehsil Firozpur District Firozpur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/149047/2020)**

SEAC observed as under:

M/s Prime Vision Industries Private Limited has applied for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals (Sand) from Agricultural land in the revenue estate of village Jama Rakhaiya Uttar, Tehsil Firozpur District Firozpur on 15.03.2020. The project is covered under category 1 (a) of the Schedule appended to the said notification.

Further, on the basis of scrutiny of application, EDS was raised on 24.03.2020 by SEIAA to which the project proponent replied on 15.06.2020. After considering the reply, updated status of the documents attached with application is as under: -

**1.0 Status of documents attached with application**

**(A) General**

i)	Name of Applicant & Correspondence address:  Mobile No: Email ID:	M/s Prime Vision Industries Pvt Ltd <b>312, Vishal Chamber P-1, Sector-18, Noida, Uttar Pradesh.</b> 9646210786 Primevision.pb.ec@gmail.com
ii)	Name of Environmental Consultant Mobile No. Email ID	P and M solution 9910037943 <a href="mailto:Manasvyas23@gmail.com">Manasvyas23@gmail.com</a>

**(B) Detail of the Documents**

The project proponent submitted all the requisite documents as per the check list of mining case along with Form-02. The project proponent submitted a hard copy of the same, which was taken on record.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020. The meeting was attended by the following through Video Conference on behalf of the project proponent:

- (i) Sh. Harkesh Singh, Authorised signatory, on behalf of the project proponent.
- (ii) Sh. Subhash Kumar, EIA Coordinator and Sh. Manas Vyas, FAE, M/s P & M Solutions, Noida, Environment Consultant of the promoter company.

SEAC allowed the project proponent to present the salient features of the project and the Environment Consultant of the promoter company presented the same as under:

<b>S.No.</b>	<b>Item</b>	<b>Details</b>		
1.	Online Proposal No.	SIA/PB/MIN/149047/2020

SEAC asked the project proponent and his Environmental Consultant to clarify the following observations to which he replied as under: -

Sr. No.	Observations	Reply submitted by the project proponent and his Environmental Consultant
1.	The site falls in the notified area and the project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.	The project proponent agreed to the same.
2.	The project proponent is required to plant trees of natives species having plant height more than 3 ft along with tree guard.	The project proponent agreed to the same.
3.	The project proponent is required to submit an undertaking to the effect that the mining shall be carried out as per the approved Mining Plan and	The project proponent agreed to the same.

	comply with the terms and conditions of Department of Mines & Geology, Govt. of Punjab as issued from time to time.	
4.	As per the condition no. 21 mentioned in the standard Environmental Conditions for sand mining as given in the Sustainable Sand Mining Management Guidelines, 2016, mining should begin only after pucca pillar, marking the boundary of lease area, is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee and a condition to the same shall be imposed in the Environmental Clearance issued to the project proponent.	The project proponent agreed to the same.
5.	The project proponent could not justify as to why the semi-mechanized mining is better for environment as compared to manual mining. The Committee decided that the project proponent shall carryout mining only by manual method.	The project proponent agreed to the same.

SEAC was satisfied from the presentation and reply given to the observation. SEAC took a copy of presentation along with reply on record.

After deliberations, SEAC decided to award silver grading to the project and forward the application of the project proponent to SEIAA with the recommendations to grant Environmental Clearance for mining of minor minerals (Sand) on Agricultural Land located in the revenue estate of village Jama Rakhaiya Uttar, Tehsil & District Ferozepur, Punjab submitted by M/s Prime Vision Industries Pvt. Ltd. as per Annexure-I along with the following additional conditions:

1. The project proponent shall carry out mining only by the manual method.
2. The project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.
3. The project proponent shall begin mining only after pucca pillar marking, the boundary of lease area is erected at the cost of the lease holder after certification

by the mining official and its geo coordinates are made available to the District Level Committee.

4. The proponent shall plant 543 number of plants of native species of not less than 3 ft in size at the identified location and protect the same with tree guards. The proponent shall make adequate provision of funds and ensure maintenance of the plants for a further period of three years.
5. The project proponent shall construct rain water harvesting pits along with desilting chambers in the Govt. Primary School of the village Jama Rakhaiya Uttar, Tehsil & District Ferozepur. The project proponent shall follow the CGWA guidelines for constructing the rainwater recharging pits.
6. The project proponent shall comply with the provisions contained in this Ministry's OM vide F.No. 22-65/2017-IA.III dated 1st May 2018, as applicable, regarding Corporate Environment Responsibility. The project proponent shall adhere to the commitments made in the proposal for CER activities for spending at least minimum amount of Rs. 25,000/- towards following activities:

<b>Sr. No.</b>	<b>Particulars</b>	<b>Amount (in Rs)</b>
1	PP will install solar water pump for villagers for use in irrigation	25,000/-
<b>Total</b>		<b>25,000/</b>

**Item No: 192.02 Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals on Agricultural Land in the village Mandiwala, Tehsil Guru Har Sahai, District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited. (Proposal No. SIA/PB/MIN/150559/2020)**

SEAC observed as under:-

**M/s Prime Vision Industries Private Limited** has applied for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals (Sand) from Agricultural land in the revenue estate of **village Mandiwala, Tehsil Guru Har Sahai & District Ferozepur** on 27.03.2020. The project is covered under category 1 (a) of the Schedule appended to the said notification.

Further, on the basis of scrutiny of application, EDS was raised on 18.04.2020 by SEIAA to which the project proponent replied on 15.06.2020 respectively. After considering the reply, updated status of the documents attached with application is as under: -

**1.0 Status of documents attached with application**

SEAC observed as under:-

**M/s Prime Vision Industries Private Limited** has applied for obtaining TOR under EIA notification dated 14.09.2006 for mining of minor minerals (Sand) from Agricultural land in the revenue estate of **village Chak Badhai, Tehsil & District Muktsar, Punjab** on 16.03.2020. The project is covered under category 1 (a) of the Schedule appended to the said notification.

Further, on the basis of scrutiny of application, EDS was raised on 24.03. 2020 by SEIAA to which the project proponent replied on 20.06.2020 respectively. After considering the reply, updated status of the documents attached with application is as under: -

**1.0 Status of documents attached with application**

**(A) General**

iii)	Name of Applicant & Correspondence address:  Mobile No: Email ID:	M/s Prime Vision Industries Pvt Ltd <b>312, Vishal Chamber P-1, Sector-18, Noida, Uttar Pradesh.</b> 9646210786 <a href="mailto:Primevision.pb.ec@gmail.com">Primevision.pb.ec@gmail.com</a>
iv)	Name of Environmental Consultant Mobile No. Email ID	P and M solution 9910037943 <a href="mailto:Manasvyas23@gmail.com">Manasvyas23@gmail.com</a>

**(B) Detail of the Documents**

The project proponent submitted all the requisite documents as per the check list of mining case along with Form-02. The project proponent submitted a hard copy of the of the same, which was taken on record.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020. The meeting was attended by the following through Video Conference on behalf of the project proponent:

- (i) Sh. Harkesh Singh, Authorised signatory, on behalf of the project proponent.
- (ii) Sh. Subhash Kumar, EIA Coordinator and Sh. Manas Vyas, FAE, M/s P & M Solutions, Noida, Environment Consultant of the promoter company.

SEAC allowed the project proponent to present the salient features of the project and the Environment Consultant of the promoter company presented the same as under:

S.No.		Item	Details		
1.	Online Proposal No.		SIA/PB/MIN/149058/2020		
2.	Project Name & Location		<b>CHAK BADHAI SAND MINING PROJECT AT HADBAST NO-113 VILLAGE– CHAK BADHAI, TEHSIL- MUKTSAR, DISTRICT- MUKTSAR, PUNJAB.</b>		
3	Project/activity covered under item of scheduled to the EIA Notification,14.09.2006		1(a) mining of mineral		
4	Details of Mining Lease				
	i)	Mineral (s) to be mined	Sand		
	ii)	Capacity of Mine	24905.17 TPA		
	iii)	Mining Lease Area	Total area is 3.24 Ha		
	iv)	Details Letter of Intent (LOI)/E-Auction issued by the State Govt. Directors of M/s. Prime Vision Industries Pvt Ltd will be responsible for implementation of Corporate Environmental Responsibility (CER). As the project cost is Rs 1,34,40,593/- and Rs 45,000/- have been reserved for CER activities as per Office Memorandum of CER dated 01.05.2018 and will be spent on the followings: -		
<b>Sr. No.</b>	<b>Particulars</b>	<b>Amount (in Rs)</b>
1	PP will install water solar pumps for villagers for use in irrigation.	Rs 25,000/-
2	PP will install solar lights at the location of villagers choice.	Rs 20,000/-
	<b>Total</b>	<b>Rs 45,000/-</b>

SEAC asked the project proponent and his Environmental Consultant to clarify the following observations to which he replied as under: -

<b>Sr. No.</b>	<b>Observations</b>	<b>Reply submitted by the project proponent and his Environmental Consultant</b>
1.	The site falls in the notified area and the project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.	The project proponent agreed to the same.
2.	The project proponent is required to plant trees of natives species having plant height more than 3 ft along with tree guard.	The project proponent agreed to the same.
3.	The project proponent is required to submit an undertaking to the effect that the mining shall be carried out as per the approved Mining Plan and comply with the terms and conditions of Department of Mines & Geology, Govt. of Punjab as issued from time to time.	The project proponent agreed to the same.
4.	As per the condition no. 21 mentioned in the standard Environmental Conditions for sand mining as given in the Sustainable	The project proponent agreed to the same.

	Sand Mining Management Guidelines, 2016, mining should begin only after pucca pillar, marking the boundary of lease area, is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee and a condition to the same shall be imposed in the Environmental Clearance issued to the project proponent.	
5.	The project proponent could not justify as to why the semi-mechanized mining is better for environment as compared to manual mining. The Committee decided that the project proponent shall carryout mining only by manual method.	The project proponent agreed to the same.
6.	The project proponent is required to submit the revised proposal for 25 labours instead of 15 labours as mentioned in the proposal. The recharging proposal shall also be revised accordingly.	The project proponent agreed to the same.

SEAC was satisfied from the presentation and reply given to the observation. SEAC took a copy of presentation along with reply on record.

After deliberations, SEAC decided to award silver grading to the project and forward the application of the project proponent to SEIAA with the recommendations to grant Environmental Clearance for mining of minor minerals (Sand) on Agricultural Land located in the revenue estate of village Chak Badhai, Tehsil & District Muktsar, Punjab submitted by M/s Prime Vision Industries Pvt. Ltd. as per Annexure-I along with the following additional conditions:

1. The project proponent shall carry out mining only by the manual method.
2. The project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.
3. The project proponent shall begin mining only after pucca pillar marking, the boundary of lease area is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee.

4. The proponent shall plant 1068 number of plants of native species of not less than 3 ft in size at the identified location and protect the same with tree guards. The proponent shall make adequate provision of funds and ensure maintenance of the plants for a further period of three years.
5. The project proponent shall construct rain water harvesting pits along with desilting chambers in the Govt. Primary School of the village Chak Badhai, Tehsil & Distt- Muktsar. The project proponent shall follow the CGWA guidelines for constructing the rainwater recharging pits.
6. The project proponent shall comply with the provisions contained in this Ministry's OM vide F.No. 22-65/2017-IA.III dated 1st May 2018, as applicable, regarding Corporate Environment Responsibility. The project proponent shall adhere to the commitments made in the proposal for CER activities for spending at least minimum amount of Rs. 45,000/- towards following activities:

<b>Sr. No.</b>	<b>Particulars</b>	<b>Amount (in Rs)</b>
1	PP will install water solar pumps for villagers for use in irrigation.	Rs 25,000/-
2	PP will install solar lights at the location of villagers choice.	Rs 20,000/-
	<b>Total</b>	<b>Rs 45,000/-</b>

**Item No: 192.04 Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Talli Saida Sahu, Tehsil & District Ferozepur, Punjab submitted by M/s Prime Vision Industries Private Limited (Proposal No. SIA/PB/MIN/149028/2020)**

SEAC observed as under:

**M/s Prime Vision Industries Private Limited** has applied for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for mining of minor minerals (Sand) from Agricultural land in the revenue estate of **village Talli Saida Sahu, Tehsil & District Ferozepur, Punjab** on 15.03.2020. The project is covered under category 1 (a) of the Schedule appended to the said notification.

Further, on the basis of scrutiny of application, EDS was raised on 25.03.2020,07.06.2020 & 14.06.2020 by SEIAA to which the project proponent replied on 06.06.2020 ,11.06.2020 & 21.06.2020 respectively. After considering the reply, updated status of the documents attached with application is as under: -

**(B) Details of the Documents**

The project proponent submitted all the requisite documents as per the checklist of the mining case along with Form-02. The project proponent submitted a hard copy of the same, which was taken on record.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020. The meeting was attended by the following on behalf of the project proponent:

- i) Sh. Manoj Kumar, Authorized Signatory, through Video Conference.
- ii) Ms. Simranjit Kaur Nagi, EIA Coordinator, M/s Eco Laboratories & Consultants Pvt. Ltd., Mohali, Environmental Consultant of the Project Proponent.

SEAC allowed the project proponent to present the salient features of the project and the Environment Consultant of the promoter company presented the same as under:

S.No.		Item	Details			
1.	Online Proposal No.		SIA/PB/MIN/ 50945 /2020			
2.	Project Name & Location		Sand Mining Project Village- Bagiyan Tehsil- Sidhwan Bet, District- Ludhiana, Punjab by M/s Mahadev Enclave Private Limited			
3.	Project/activity covered under item of scheduled to the EIANotification,14.09.2006		1(a) Mining of Minor Minerals			
4.	Details of Mining Lease

After deliberations, SEAC decided to forward the application of the project proponent to SEIAA with the recommendations to issue Terms of Reference for mining of minor minerals (Sand) on river bed, located in the village Bagiyan, Tehsil- Sidhwan Bet, District Ludhiana, Punjab submitted by M/s Mahadev Enclave Private Limited, as per Annexure-II along with the following additional ToRs:

1. The project proponent is required to get the hydrogeological survey of the existing water level done and to submit the impact on water level regime due to the project. This report is required to be submitted at the time of submission of EIA report.
2. The project proponent is required to submit report regarding preservation of top soil excavated during the mining process at the time of submission of EIA report.
3. The project proponent shall submit topographical contour map along with water table map of the area at the time of submission of EIA report.
4. The project proponent shall submit specific plantation plan along with maintenance plan at the time of submission of EIA report.
5. The project proponent shall submit site specific rain water harvesting details at the time of submission of EIA report.

**Item No 192.06: Application for obtaining TOR under EIA notification dated 14.09.2006 for mining of minor minerals from river bed in the village Parjian Biharipur, Tehsil – Jagron, District Ludhiana, Punjab submitted by M/s Mahadev Enclave Private Limited. (Proposal No. SIA/PB/MIN/53311/2020)**

SEAC observed as under:-

M/s Mahadev Enclave Private Limited has applied for obtaining TOR under EIA notification dated 14.09.2006 for mining of minor minerals (Sand) from river bed in the revenue estate of village Parjian Biharipur, Tehsil – Jagron, District Ludhiana, Punjab on 23.05.2020. The project is covered under S.No. 1(a) of the Schedule appended to the said Notification.

Further, the said case was forwarded by SEIAA to SEAC on 14/07/2020 after scrutiny of the application and the updated status of the documents attached with the application is as under

**1.0 Status of documents attached with the application**

**(A) General**

i)	Name of Applicant & Correspondence address: Mobile No: Email ID:	M/s Mahadev Enclave Private Limited B-37 Ayodhaya Marg, Hanuman Nagar, Jaipur, Rajasthan +91 9780625432 <a href="mailto:avnit.kaushal@gmail.com">avnit.kaushal@gmail.com</a>
ii)	Name of Environmental Consultant Mobile No. Email ID	Eco Laboratories & Consultants Pvt. Ltd. 9814003103, 0172461622 <a href="mailto:consulteco@yahoo.com">consulteco@yahoo.com</a>

**(B) Details of the Documents**

The project proponent submitted all the requisite documents as per the checklist of the mining case along with Form-02. The hard copy submitted by the project proponent was taken on record.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020. The meeting was attended by the following on behalf of the project proponent:

- i) Sh. Manoj Kumar, Authorized Signatory, through Video Conference.
- ii) Ms. Simranjit Kaur Nagi, EIA Coordinator, M/s Eco Laboratories & Consultants Pvt. Ltd., Mohali, Environmental Consultant of the Project Proponent.

SEAC observed that SEIAA has remanded back the case subject to certain queries which are given as under:

- i) Case be remanded to SEAC for re-examination w.r.t ownership of the land, consent of the owners of the land, the area falling in the instream of the river and calculation of the production capacity of Mine.
- ii) Environmental consultant be asked to upload the KML file of the mining site on the web portal and explain his position why the same has not been uploaded earlier.

SEAC observed that the project needs to be examined thoroughly and due to paucity of time, SEAC decided to defer the matter and decided that the matter shall be placed in the next meeting of the Committee.

**Item No 192.07 Application for issuance of TOR for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for the establishment of Mega Residential Project "The Palm" located at Villages Mullanpur Garibdas, Dhanauran & Mastgarh, New Chandigarh, Mohali, S.A.S Nagar, Punjab by M/s Manohar Infrastructure & Constructions Pvt. Ltd. (Proposal No. SIA/PB/NCP/34917/2019).**

SEAC observed as under:-

**1.0 Background**

The project proponent has applied for issuance of TORs for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for establishment of Mega Residential Project "The Palm" located at Villages Mullanpur Garibdas, Dhanauran & Mastgarh, New Chandigarh, Mohali, S.A.S Nagar, Punjab.

Environmental Engineer, PPCB, Nodal Office, Mohali was requested vide email dated 14.10.2019 and again on 16.02.2020 to send the construction status of the project site. However, the report is yet awaited. SEAC was apprised that the Environmental Engineer, PPCB, Nodal Office, Mohali vide letter no. 1235 dated 19.02.2020 has sent the latest status report and the contents of the letter are reproduced as under:

"In reference to your e-mail under reference, it is intimated that the site of the subject cited project was visited by AEE of this office on 12.02.2020 and Mr. Pawan Sharma, Architect of the project site was contacted and it was observed as under:

1. That the project is adjoining to the already existing project Curo North Square, Village Mullanpur, Garibdas by M/s Curo India Pvt., Limited at the front side of the project.
2. The project proponent had earlier obtained NOC for the project vide no. CTE/Exp/SAS/2018/7069127 dated 23.05.2018 valid upto 31.03.2020 for an area of 192.459 acres (net planned area 118.04 acre) having 862 residential plots, 11 public building, EWS flats in an area of 6.84 acre and commercial area of 2.04 acre with the conditions that:-

- (a) *The promoter shall ensure the compliance of provisions (including providing of 15 meter green belt towards air pollution industries) contained in notification no. 3/6/07-STE(4)2274 dated 25.07.2008 notified by the Government regarding siting policy/guidelines for the establishment of residential colonies, commercial establishments like shopping malls, multiplexes in the State of Punjab, before starting any development/construction activities at the site.*

- (b) *The promoter shall immediately stop construction activities in the township and restart only after obtaining environmental clearance under the provision of the EIA Notification dated 14.09.2006.*
- (c) *The promoter shall submit the approved layout plan for the total area before starting any construction/development activities in the additional area of 74.4 acres.*
3. About 50 plots owned by individuals are either under construction or have been constructed. Further, 34 plots having G+2 configuration are being constructed by the promoter company. However, all of this construction has taken place in the land for which the earlier layout plan was approved. In the land added by the promoter company, no construction activity has been started and only the boundary wall has been constructed in few plots.

As per the boundary limits site shown by the representative of the promoter company during the visit, there is no MAH industry within a radius of 250 m from the boundary of the proposed site of the project. There is no rice sheller/ saila plan/stone crushing/ screening cum washing unit/ hot mix plant within a radius of 100m from the boundary of the project. There is a brick kiln namely M/s Dilbagh Singh brick kiln, village Mullanpur, the boundary of which is located at a distance of about 60m from the boundary of the residential project, as such, the promoter company is required to provide 15m green belt of the broadleaf trees towards the said brick kiln, to comply with the stipulations of the order dated 25.07.2008 as amended on 30.10.2009. Further, the Board while sending comments to the Department of Housing and Urban Development vide letter no. 1409 dated 10.03.2016, had also imposed a condition that the promoter company shall develop 15 m green belt of broadleaf trees towards the brick kiln namely M/s Dilbagh Singh brick kiln, village Mullanpur, to attenuate the air pollution being generated from this brick kiln.

This is for information and further necessary action please."

### **1.1 Deliberation during 187<sup>th</sup> meeting held on 26.02.2020**

The case was considered by SEAC in its 187<sup>th</sup> meeting held on 26.02.2020. The meeting was attended by the following on behalf of the project proponent:

- i) Sh.Surinder Talwar, Manager, on behalf of the promoter company.
- ii) Ms. Priyanka Madan, M/s Eco Laboratories and Consultants Pvt. Ltd.

SEAC was apprised that as per the visit report sent by EE, Mohali, no construction has been started by the project proponent for the proposal for which expansion has been sought. Thereafter, SEAC allowed the Project proponent to present the salient features of the project and the Environmental Consultant of the same presented as under:

S.No.	Item	Details
1.	Online Proposal No.	SIA/PB/NCP/34917/2019
2.	Name and Location of the project	Mega Residential Project "The Palm" Villages Mullanpur Garibdas, Dhanauran & Mastgarh, New Chandigarh, Mohali, S.A.S Nagar, Punjab developed by M/s Manohar Infrastructure & Constructions Pvt. Ltd.
3.	Latitude & Longitude	Corners coordinates A: 30.464307 N & 76.435618 E B: 30.470816 N & 76.435250 E C: 30.474981 N & 76.447546 E D: 30.475319 N & 76.445784 E E: 30.470424 N & 76.452656 E
4.	Project/activity covered under item of scheduled to the EIA Notification, 14.09.2006	S.No. 8(b); 'Township and Area Development'
5.	Whether the project is in critical polluted area or not.	No
6.	Does the project involve the diversion of forest land?	No. Project does not involve any diversion of forest land.
7.	Does the project covered under PLPA, 1900, if No but located near to the PLPA area then the project proponent is required to submit NOC from the concerned DFO to the effect that project area does not fall under the provision of PLPA Act,1900.	The project is not covered under PLPA 1900. However, NOC has also been obtained from DFO, S.A.S Nagar for the complete project.
8.	If the project falls within 10 km of eco-sensitive area/ National park/Wild Life Sanctuary. If yes, a. Name of eco-sensitive area/ National park/Wild Life Sanctuary and distance from the project site. b. Status of clearance from the National Board for Wild Life (NBWL).	Sukhna Wildlife Sanctuary and City Bird Sanctuary are located at a distance of 5.6 km and 6.8 km respectively from the project location and application has been submitted for NBWL clearance.
9.	Classification / Land use pattern as per Master Plan	Residential zone as per the Master plan of Mullanpur.

		CLU was obtained for 131.55 acres of land and later on, additional CLU of 60.909 acres has been obtained						
10.	Cost of the project	Rs. 914.20 Crores						
11.	Total Plot Area, Built-up Area, and Green area	The details of the project are as under:						
		Sr. No.	Description	Area				
		1.	Plot area (Total scheme area)	6,11,439.536 m <sup>2</sup> (or 151.09 acres)				
		2.	Built-up area	8,53,320.49 m <sup>2</sup>				
		3.	Green area	34,034.0625 m <sup>2</sup>				
12.	EC fee details	Rs 213330/- Vide R. No 4365 dated 03.10.2019 submitted through DD No 040438 dated 07.09.2019						
13.	Population (when fully operational)	Estimated population:21,200 Persons.						
14.	Water Requirements&source in Construction Phase	20KLD of water will be required during the construction phase which will be met by Private water tankers.						
15.	Breakup of Water Requirements &source in Operation Phase (Summer, Rainy, Winter):							
	S. No	Season	Freshwater		Reuse water		Total (KLD)	
			Domestic (KLD)	Others (KLD)	Flushing (KLD)	Green area (KLD)	HVAC (KLD)	
	1.	Summer	1,847	-	924	187	-	2,958
	2.	Winter	1,847	-	924	61	-	2,832
	3.	Rainy	1,847	-	924	17	-	2,788
	S.No.	Description		Source of water				
	1.	Domestic		Groundwater				
	2.	Flushing purposes		Treated wastewater				
	3.	Green area		Treated wastewater				
16.	Treatment & Disposal arrangements of wastewater in Construction Phase	Mobile STP of capacity of 10 KLD Treated water from mobile STP will be 8 KLD out of which 3 KLD will be used for dust suppression and 5 KLD will be used for the green area of 506 sqm						
17.	Disposal Arrangement of Wastewater in Operation Phase	Total wastewater generation will be 2,598 KLD which will be treated in proposed STP of 3 MLD based on MBBR technology to be installed						

		<p>within project premises. The details of the breakup of the utilization of wastewater is as under:-</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th>Season</th> <th>Flushing (KLD)</th> <th>Green area (KLD)</th> <th>MC Sewer (KLD)</th> </tr> </thead> <tbody> <tr> <td>Summer</td> <td>924</td> <td>187</td> <td>1,243</td> </tr> <tr> <td>Winter</td> <td>924</td> <td>61</td> <td>1,369</td> </tr> <tr> <td>Monsoon</td> <td>924</td> <td>17</td> <td>1,137</td> </tr> </tbody> </table>	Season	Flushing (KLD)	Green area (KLD)	MC Sewer (KLD)	Summer	924	187	1,243	Winter	924	61	1,369	Monsoon	924	17	1,137
Season	Flushing (KLD)	Green area (KLD)	MC Sewer (KLD)															
Summer	924	187	1,243															
Winter	924	61	1,369															
Monsoon	924	17	1,137															
18.	Rainwater recharging detail	16,467 m <sup>3</sup> /hr of rainwater will be collected in 132 no. of recharging pits with 172 overall bores which will be provided.																
19.	Solid waste generation and its disposal	<p>a) 8,279 kg/day</p> <p>b) Solid waste will be duly segregated (at source by providing bins) into recyclable, Bio-degradable Components and non-bio-degradable.</p> <p>c) 3,725 kg/day of Bio-degradable will be processed by 4 Mechanical composters of size 1000 kg each.</p> <p>d) 4,387 kg/day recyclable waste will be sold to authorized recyclers.</p> <p>e) Inert waste will be dumped to a designated dumping site</p>																
20.	Hazardous Waste&E- Waste	<p>Used oil from DG sets will be sold to registered recyclers.</p> <p>E-waste will be disposed of as per the E-waste(Management) Amendment Rules 2018.</p>																
21.	Energy Requirements & Saving	<p>a) 11,888 KW from PSPCL.</p> <p>b) 2 x 62.5 KVA capacity each (silent DG sets)</p> <p><u>Energy-saving measures:</u></p> <p>a) LEDs will be used in place of CFL</p> <p>b) Solar lights will be used for lighting the streets</p>																
21.	CER activities along with budgetary break-up and responsibility to implement																	
<p>Mr. Tarinder Singh will be responsible for the implementation of the CSR activities. The estimated cost of the project is Rs. 914.20 Crores; out of which; Rs. 514.29 Crores have been incurred till 31.03.2019. Thus, Rs. 2 Crores (@ 0.50% of remaining cost i.e. Rs. 399.91) is required for C.E.R activities as per Office Memorandum vide F. No. 22-65/ 2017-IA.III dated 01.05.2018. However, Rs. 1 Crore has been spent on CSR. The following</p>																		

activities have been proposed to be covered under CER				
S.No.	CER Activities	Fund allocated (Lakhs)	Time schedule	
			Start	Completed
1.	Maintenance of School Building, Construction of Toilets, and Installation of RO system at Govt. Senior Secondary School, Mullanpur Garibdass.	85	After Grant of EC	7 Years
2.	Adoption of pond in Village Mastgarh	30	After Grant of EC	7 Years
3.	Installation of solar lights in Villages of Mastgarh and Mullanpur Garibdass	15	After Grant of EC	7 Years
4.	Health Facilities like provision of ambulance, wheelchairs and health checkup camps in nearby villages	50	After Grant of EC	7 Years
5.	Promoting tree plantation & maintenance in nearby surrounding areas	20	After Grant of EC	7 Years
	<b>Total</b>	<b>200</b>		

SEAC raised following queries to the project proponent and the project proponent replied as under:

<b>Sr. No.</b>	<b>Observations</b>	<b>Reply submitted by the project proponent</b>
1.	What is the present construction status?	Construction work on about 50 plots is undergoing. The said plots are part of the project for which previous Environmental Clearance was obtained.
2.	Whether any proposal has been made regarding the Environmental Management Plan?	The same will be submitted at the time of application for obtaining Environmental Clearance.

SEAC took a copy of the presentation given by the project proponent and his environmental consultant on record.

### **3.0 Recommendations of SEAC**

After detailed deliberations, SEAC decided to recommend SEIAA as under:

- 1) To issue Terms of References (ToRs) for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for the establishment of Mega Residential Project "The Palm" located at Villages Mullanpur Garibdas, Dhanauran & Mastgarh, New Chandigarh, Mohali, S.A.S Nagar, Punjab as per the Annexure-II of the proceedings

of SEAC and additional TORs as under:-

- 28) Submit the layout plan of the project after making the provision of 15m green belt of the broadleaf trees towards the brick kiln (M/s Dilbagh Brick kiln), in compliance with Govt. Notification dated 25.07.2008 as amended on 30.10.2009.
- 2) Northern Regional Office, MoEF Chandigarh be requested to send compliance report of the conditions of Environmental Clearance granted to the project proponent earlier in compliance to the OM dated 07.09.2017

#### **4.0 Deliberations during 163<sup>rd</sup> meeting of SEIAA held on 29.05.2020**

The meeting was attended by the following through online video conference:

- i) Sh. S.K Talwar, Manager of the promotor company.
- ii) Dr. Sandeep Garg, EIA Coordinator, M/s ECO Laboratories & Consultants Pvt. Ltd.

SEIAA perused the report sent by Environmental Engineer vide letter no. 1235 dated 19.02.2020 and observed that as per the said report 50 plots owned by individuals were either under construction or had been constructed. Also, 34 plots having G+2 configuration were being constructed by the promoter company. As per the report, all of this construction had taken place in the land for which the earlier layout plan was approved. In the land added by the promoter company, no construction activity was started and only the boundary wall was constructed in a few plots.

SEIAA observed that project was never accorded Environmental Clearance in the past and the construction had already been carried out at various location within the existing project site and MoEF&CC, New Delhi vide letter dated 25.03.2019 had clarified that as on date, projects with a land area less than 50 ha but built-up area more than 20,000 sqm may be appraised as per the provisions of schedule 8(a) of the EIA notification, 2006 as amended from time to time. As such, why the project is not to be considered a violation case.

In reply, the project proponent submitted as under: -

- i) Initially, CLU was obtained vide memo no 1151 CTP (Pb) SP-432 (M) dated 25.03.2015 for an area of 112.04 acres and vide Memo No. 1142 CTP (PB) SP-432(M) dated 25.03.2015 for an area of 19.51 acres i.e total area 131.55 acres of land; out of which, the net planned area was 118.04 acres (or 47.77 Ha), which was less than 50 Ha for which EC is not applicable. Subsequently, Consent to Establish was obtained from PPCB for net planned area of 118.04 acres comprising of 11 nos. of Public Buildings, Plots @ 862 nos., Commercial area 2.04 acres and EWS 6.84 acres vide application No. 2971554 dated 30.11.2015. CTE extension was granted for the project vide Certificate no. CTE/Ext/SAS/2017/5075196 valid till 29.11.2017

- ii) Later on, CLU was obtained vide Memo No. 1027 CTP(PB) SP-432(M) dated 15.03.2017 for additional 60.909 acres of land. Also, CTE for expansion was obtained for a total area of 192.459 acres for development work including construction of 34 Residential plots having a built-up area of 17,301.84 sqm vide Certificate No. CTE/Exp/SAS/2018/7069127 dated 23.05.2018 valid up to 31.03.2020 and further extended up to 30.6.2020.
- iii) He submitted a letter no 2515 dated 03.06.2016 issued by SEIAA and informed that SEIAA had already accepted their request regarding the withdrawal of Environmental Clearance application for the Area Development Project "The Palms" (Proposal No. SIA/PB/NCP/3715/2015) subject to the special condition that the project shall apply afresh for obtaining environmental clearance under EIA Notification 14.09.2006 If, the plot area is though less than 50 hectares but the total built-up area of individual houses/projects combined together based on permissible ground coverage and FAR exceeds the threshold limit of 1.5 lacs sqm on the project site. A copy of the said letter submitted by the project proponent was taken on record.
- iv) Now, the overall project has a net planned area of 139.20 acres (or 56.33 Ha) which is more than 50 ha, thus, the project falls under Schedule 8(b) Category 'B1' and requires EIA study as per EIA Notification, 2006 and its amendments

SEIAA was not satisfied with the reply of the project proponent. NOC granted by the PPCB is subject to the condition that the promoter shall immediately stop construction activities in the township and restart only after obtaining environmental clearance under the provision of the EIA Notification dated 14.09.2006.

SEIAA observed that the issue of the violation of the existing project is required to be properly examined by the SEAC in light of the report sent by the PPCB, latest clarification given by the MOEF&CC on 25.03.2019 and reply submitted by the Project proponent.

After deliberations, SEIAA decided to remand the case to SEAC for examining in light of the aforesaid observation.

### **5.0 Deliberations during 190<sup>th</sup> meeting of SEIAA held on 27.06.2020**

The case was considered by SEAC in its 190<sup>th</sup> meeting held on 27.06.2020 through video conference and was attended by the following:

1. Sh. S.K Talwar, Manager of the promoter company.
2. Sh. Sandeep Garg, EIA Co-ordinator, M/s Eco Laboratories & Consultants Pvt. Ltd.

SEAC was apprised that earlier the project proponent had applied for obtaining environmental clearance for its project vide proposal no. SIA/PB/NCP/3715/2015. However, at that time the project proponent requested the SEIAA for withdrawal of the said application.

The contention of the project proponent at the time of withdrawal of the older application was that the total plot area of the project was less than 50 hectares and built-up area less than 150000 sqm. Therefore, the project does not fall in the category of 8(b) i.e. Township & Area Development Project and thus, the project did not require Environmental Clearance.

SEIAA in its 107<sup>th</sup> meeting held on 27.05.2016 observed that earlier SEIAA and SEAC in its 10<sup>th</sup> combined meeting had decided that all such projects whose plot area may be less than 50 hectares but the total built-up area of individual houses/projects though less than 20,000 sqm for a single project but the total built-up area based on permissible ground coverage and FAR exceeds the threshold limit of 1,50,000 sqm on the area development project site, then the said area development project is also covered under provisions of EIA Notification, 2006.

In light of the said fact, after deliberations, SEIAA decided to allow the project proponent to withdraw his application for obtaining environmental clearance under EIA notification, 2006 for area development project namely "The Palms" in the revenue estate of Village Mullanpur Garibdas, Dhanauran & Mastgarh, Distt. SAS Nagar subject to a special condition that the project proponent shall apply afresh for obtaining environmental clearance under EIA notification, 2006 if, the plot area is though less than 50 hectares but the total built-up area of individual houses/projects combined together based on permissible ground coverage and FAR exceeds the threshold limit of 1,50,000 sqm on the project site.

Accordingly, the said application submitted by the project proponent was treated as withdrawn vide letter no. 2515 dated 03.06.2016.

SEAC was apprised that a clarification was received from the MoEF&CC vide letter no.22-8/2019-IA-III dated 25.03.2019, wherein it was clarified that as on date, projects with a land area less than 50 ha but built-up area more than 20,000 sqm may be appraised as per the provisions of schedule 8(a) of the EIA notification,2006 as amended from time to time.

SEAC was further apprised that the Environmental Engineer, Punjab Pollution Control Board, Regional Office, Mohali vide letter no. 1235 dated 19.02.2020 had submitted the latest construction status of the project as under:

1. PPCB had granted NOC to the project proponent vide letter no. CTE/Exp/SAS/2018/7069127 dated 23.05.2018 valid up to 31.03.2020 for an area of 192.459 acres (net planned area 118.04 acre) having 862 residential plots, 11 public building, EWS flats in an area of 6.84 acre and commercial area of 2.04 acre subject to one of the conditions that the promoter shall immediately stop construction activities in the township and restart only after obtaining environmental clearance under the provision of the EIA Notification dated 14.09.2006.
2. About 50 plots owned by individuals were either under construction or had been constructed. Further, 34 plots having G+2 configurations were being constructed by the promoter company. However, all of this construction had taken place in the land for which the earlier layout plan was approved. In the land added by the

promoter company, no construction activity had been started and only the boundary wall had been constructed in few plots.

SEAC observed the following observations: -

- i) As per MoEF Clarification dated 25.03.2019, projects with land area less than 50 ha but the built-up area and more than 20,000 sqm may be appraised as per the provisions of schedule 8(a) of the EIA notification,2006 as amended from time to time.
- ii) The promoter company was granted NOC by the PPCB subject to the condition that he will stop the construction and restart only after obtaining environmental clearance under the provision of the EIA Notification dated 14.09.2006.
- iii) As per NOC granted by the Board, the promoter company was required to obtain Environmental Clearance for the project. Further, it was also clear that the project proponent was carrying out construction activities at the time of the grant of NOC by the PPCB.
- iv) The project proponent had carried out a significant amount of construction at the site without obtaining prior Environmental Clearance.

In view of the above facts, SEAC observed that the case falls in the category of a violation case. However, before arriving at the conclusion, SEAC felt that the project proponent be asked to submit the following information within 15 days: -

- i) Details of the application submitted for obtaining the Environmental Clearance having proposal no. SIA/PB/NCP/3715/2015 mentioning total land area & built-up area of all the proposed units considering the FAR allowed to the project.
- ii) Details of the application submitted for the Environmental Clearance having proposal no. SIA/PB/NCP/34917/2019 mentioning the total land area & built-up area of all the proposed units considering the FAR allowed to the project.
- iii) Submit the comparison between the aforesaid projects.
- iv) Explain why the project proponent had not applied for obtaining Environmental Clearance after withdrawal of proposal no. SIA/PB/NCP/3715/2015.
- v) Clarify that how the existing project as well as proposed expansion project is not in violation of the EIA Notification14.09.2006 considering the FAR allowed to the project, in view of the clarification received from MoEF vide their letter dated 25.03.2019 stating that projects with a land area less than 50 ha but built-up area more than 20,000 sqm may be appraised as per the provisions of schedule 8(a) of the EIA notification,2006 as amended from time to time.

## **6.0 Recommendation of SEAC**

After detailed deliberations, SEAC decided to defer the case and ask the project proponent to submit the reply to the aforesaid observations.

Accordingly, the decision of SEAC was conveyed to the project proponent through online ADS (additional detail sought) facility available on the web portal. The project proponent has submitted the reply to the ADS and same was annexed as Annexure-A.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020. The meeting was attended by the following on behalf of the project proponent:

- i) Sh. Manoj Kumar, Authorized Signatory, through Video Conference.
- ii) Dr. Sandeep Garg, EIA Coordinator, M/s Eco Laboratories & Consultants Pvt. Ltd., Mohali, Environmental Consultant of the Project Proponent.

SEAC went through the reply of the project proponent submitted to the observations raised earlier by it. SEAC observed as under:-

- i) The project proponent has not submitted the built-up area of the project for the earlier applied EC which was allowed to be withdrawn by SEIAA on 03.06.2016.
- ii) The project proponent submitted that the Environmental Clearance was not required as the net planned area was less than 50 ha. However, the project proponent did not submit the revised application for the Environmental Clearance on the basis of total built-up area, if, the built-up area of the individual houses/projects combined together based on permissible ground coverage and FAR exceeds the threshold limit of 1,50,000 sqm, as per the special condition of the withdrawal letter issued by SEIAA on 03.06.2016.
- iii) Also, from the clarification of MoEF&CC dated 25.03.2019, the projects with land area less than 50 ha but the built-up area more than 20,000 sqm may be appraised as per the provisions of schedule 8(a) of the EIA notification, 2006 as amended from the time to time.

SEAC felt that at this stage, it was important to first ascertain as to whether the project proponent was in violation of the EIA Notification 14.09.2006 at the time of grant of NOC from PPCB after considering the MoEF Clarification dated 25.03.2019, which requires detailed examination regarding FAR based calculation to be considered or not in the 8(b) projects as a policy matter.

After detailed deliberations, SEAC decided to defer the case as it requires in-depth study and be placed in the next meeting of SEAC.

**Item No: 192.08 Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Bajrawar, Tehsil Hoshiarpur & District Hoshiarpur, Punjab submitted by M/S Prime Vision Industries Private Limited (Proposal No. SIA/PB/MIN/148523/2020)**

SEAC observed as under:

**M/S Prime Vision Industries Private Limited** has applied for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for mining of minor minerals (Sand) from Agricultural land in the revenue estate of **village Bajrawar,**

**Tehsil & District Hoshiarpur, Punjab** on 12.03.2020. The project is covered under category B2 of the Schedule appended to the said Notification.

Further, on the basis of scrutiny of application, EDS was raised by SEIAA on 25.03.2020, 11.08.2020 & 31.08.2020 to which the project proponent replied. After considering the reply, updated status of the documents attached with application is as under: -

### 1.0 Status of documents attached with application

#### (A) General

i)	Name of Applicant & Correspondence address:  Mobile No: Email ID:	<b>M/S Prime Vision Industries Private Limited</b> 312 Third Floor, Vishal Chamber P-1, Sector-18, Noida, Distt. Gautam Budh Nagar, Uttar Pradesh , 9460228410
ii)	Name of Environmental Consultant Mobile No. Email ID	Overseas Min Tech Consultants) 9460221084 arun.omtc@gmail.com

#### B) Detail of the Documents

The project proponent submitted all the requisite documents as per the check list of mining case along with Form-02. The project proponent submitted a hard copy of the same, which was taken on record.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020. The meeting was attended by the following through Video Conference on behalf of the project proponent:

- i) Sh. Harkesh Singh, Authorised signatory, on behalf of the project proponent.
- ii) Sh. Sameer Kumar Singh, EIA Coordinator, Overseas Mintech Consultant, Jaipur, Rajasthan, Environment Consultant of the promoter company.

SEAC allowed the project proponent to present the salient features of the project and the Environment Consultant of the promoter company presented the same as under:

S.No.	Item	Details
1.	Online Proposal No.	SIA/PB/MIN/148523/2020
2.	Project Name & Location	Bajrawar Sand Mining Project At Hadbast No-305, Village- Bajrawar, District- Hoshiarpur, State- Punjab.
3	Project/activity covered under item of scheduled to the EIA	1(a) mining of minor mineral

As the project cost is Rs 50 lakh- and Rs 1 lakh/- have been reserved for CER activities as per Office Memorandum of CER dated 01.05.2018. It was proposed to spent on the followings: -			
		<b>Sr. No.</b>	<b>Particulars</b>	<b>Amount (in Rs)</b>
		1	Providing Furniture nearby govt. school Bjarwar	Rs 20,000/-
		2	Distribution of Sanitary napkins in nearby village & School	Rs 15,000
		3	Drinking water facility providing for nearby village	Rs 25,000
			Education (distribution of books and school uniforms to girl child) 50 student per year.)	Rs 40,000
			<b>Total</b>	<b>Rs 1.0 lakh/Annum</b>

SEAC asked the project proponent and his Environmental Consultant to clarify the following observations to which he replied as under: -

Sr. No.	Observations	Reply submitted by the project proponent and his Environmental Consultant

1.	The site falls in the notified area and the project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.	The project proponent agreed to the same.
2.	The project proponent is required to plant trees of natives species having plant height more than 3 ft along with tree guard.	The project proponent agreed to the same.
3.	The project proponent is required to submit an undertaking to the effect that the mining shall be carried out as per the approved Mining Plan and comply with the terms and conditions of Department of Mines & Geology, Govt. of Punjab as issued from time to time.	The project proponent agreed to the same.
4.	As per the condition no. 21 mentioned in the standard Environmental Conditions for sand mining as given in the Sustainable Sand Mining Management Guidelines, 2016, mining should begin only after pucca pillar, marking the boundary of lease area, is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee and a condition to the same shall be imposed in the Environmental Clearance issued to the project proponent.	The project proponent agreed to the same.
5.	The project proponent could not justify as to why the semi-mechanized mining is better for environment as compared to manual mining. The Committee decided that the project proponent shall carryout mining only by manual method.	The project proponent agreed to the same.

SEAC was satisfied from the presentation and reply given to the observation. SEAC took a copy of presentation along with reply on record.

After deliberations, SEAC decided to award silver grading to the project and forward the application of the project proponent to SEIAA with the recommendations to grant Environmental Clearance for mining of minor minerals (Sand) on Agricultural Land located in the revenue estate of village Bajrawar, Tehsil & District Hoshiarpur, Punjab submitted by M/s Prime Vision Industries Pvt. Ltd. as per Annexure-I along with the following additional conditions:

1. The project proponent shall carry out mining only by the manual method.
2. The project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.
3. The project proponent shall begin mining only after pucca pillar marking, the boundary of lease area is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee.
4. The proponent shall plant 627 number of plants of native species of not less than 3 ft in size at the identified location and protect the same with tree guards. The proponent shall make adequate provision of funds and ensure maintenance of the plants for a further period of three years.
5. The project proponent shall construct rain water harvesting pits along with desilting chambers in the Govt. Primary School of the village Bajrawar, Tehsil & Distt- Hoshiarpur. The project proponent shall follow the CGWA guidelines for constructing the rainwater recharging pits.
6. The project proponent shall comply with the provisions contained in this Ministry's OM vide F.No. 22-65/2017-IA.III dated 1st May 2018, as applicable, regarding Corporate Environment Responsibility. The project proponent shall adhere to the commitments made in the proposal for CER activities for spending at least minimum amount of Rs. 1,00,000/-per annum towards following activities:

<b>Sr. No.</b>	<b>Particulars</b>	<b>Amount (in Rs)</b>
1	Providing Furniture nearby govt. school Bjrawar	Rs 20,000/-
2	Distribution of Sanitary napkins in nearby village & School	Rs 15,000
3	Drinking water facility providing for nearby village	Rs 25,000
4	Education (distribution of books and school uniforms to girl child 50 student per year).	Rs 40,000
	<b>Total</b>	<b>Rs 1.0 lakh/Annum</b>

**Item No: 192.09 Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Jevanwal, Tehsil Hoshiarpur & District Hoshiarpur, Punjab submitted by M/S Prime Vision Industries Private Limited (Proposal No. SIA/PB/MIN/148557/2020)**

SEAC observed as under:

**M/S Prime Vision Industries Private Limited** has applied for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for mining of minor minerals Gravel Sand from Agricultural land in the revenue estate of **village Jevanwal, Tehsil Hoshiarpur & District Hoshiarpur, Punjab** on 13.03.2020. The project is covered under category B2 of the Schedule appended to the said Notification.

Further, on the basis of scrutiny of application, EDS was raised by SEIAA on 27.03.2020, 19.08.2020 & 31.08.2020 to which project proponent replied. After considering the reply, updated status of the documents attached with application is as under: -

**1.0 Status of documents attached with application**

**(A) General**

i)	Name of Applicant & Correspondence address:  Mobile No: Email ID:	<b>M/S Prime Vision Industries Private Limited</b> 312 Third Floor, Vishal Chamber P-1, Sector-18, Noida, Distt. Gautam Budh Nagar, Uttar Pradesh , 9460228410
ii)	Name of Environmental Consultant Mobile No. Email ID	Overseas Min Tech Consultants) 9460221084 arun.omtc@gmail.com

**B) Detail of the Documents**

The project proponent submitted all the requisite documents as per the check list of mining case along with Form-02. The project proponent submitted a hard copy of the same, which was taken on record.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020. The meeting was attended by the following through Video Conference on behalf of the project proponent:

- i) Sh. Harkesh Singh, Authorised signatory, on behalf of the project proponent.
- ii) Sh. Sameer Kumar Singh, EIA Coordinator, Overseas Mintech Consultant, Jaipur, Rajasthan, Environment Consultant of the promoter company.

SEAC allowed the project proponent to present the salient features of the project and the Environment Consultant of the promoter company presented the same as under:

As the project cost is Rs 50 lakh- and Rs 1.50 lakh per annum have been reserved for CER activities as per Office																			

Memorandum of CER dated 01.05.2018. It was proposed to spent on the followings: -		
Sr. No.	Particulars	Amount (in Rs)
1	Education (distribution of books and school uniforms to girl child) 80 student per year.) nearby govt.school Jevanwal	Rs 20,000
2	Distribution of Sanitary napkins in nearby village Jevanwal	Rs 10,000
3	Drinking water facility providing for nearby village	Rs 20,000
4	Installing Solar Panel and proposed rain water harvesting structure nearby Govt. School.	Rs 1,00,000
<b>Total</b>		<b>Rs 1.50 lakh/Annum</b>

SEAC asked the project proponent and his Environmental Consultant to clarify the following observations to which he replied as under: -

Sr. No.	Observations	Reply submitted by the project proponent and his Environmental Consultant
1.	The site falls in the notified area and the project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.	The project proponent agreed to the same.
2.	The project proponent is required to plant trees of natives species having plant height more than 3 ft along with tree guard.	The project proponent agreed to the same.
3.	The project proponent is required to submit an undertaking to the effect that the mining shall be carried out as per the approved Mining Plan and comply with the terms and conditions of Department of Mines &	The project proponent agreed to the same.

	Geology, Govt. of Punjab as issued from time to time.	
4.	As per the condition no. 21 mentioned in the standard Environmental Conditions for sand mining as given in the Sustainable Sand Mining Management Guidelines, 2016, mining should begin only after pucca pillar, marking the boundary of lease area, is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee and a condition to the same shall be imposed in the Environmental Clearance issued to the project proponent.	The project proponent agreed to the same.
5.	The project proponent could not justify as to why the semi-mechanized mining is better for environment as compared to manual mining. The Committee decided that the project proponent shall carryout mining only by manual method.	The project proponent agreed to the same.

SEAC was satisfied from the presentation and reply given to the observation. SEAC took a copy of presentation along with reply on record.

After deliberations, SEAC decided to award silver grading to the project and forward the application of the project proponent to SEIAA with the recommendations to grant Environmental Clearance for mining of minor minerals (Sand) on Agricultural Land located in the revenue estate of village Jevanwal, Tehsil & District Hoshiarpur, Punjab submitted by M/s Prime Vision Industries Pvt. Ltd. as per Annexure-I along with the following additional conditions:

1. The project proponent shall carry out mining only by the manual method.
2. The project proponent is required to earmark two tubewells/ borewells/ wells as observation wells in the adjoining area within a radius of 500m of the project site. Also, monthly monitoring of the water level in the wells is required to be carried out and reported to District Mining Officer on monthly basis.
3. The project proponent shall begin mining only after pucca pillar marking, the boundary of lease area is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee.

4. The proponent shall plant 1380 number of plants of native species of not less than 3 ft in size at the identified location and protect the same with tree guards. The proponent shall make adequate provision of funds and ensure maintenance of the plants for a further period of three years.
5. The project proponent shall construct rain water harvesting pits along with desilting chambers in the Govt. Primary School of the village Jevanwal, Tehsil & Distt- Hoshiarpur. The project proponent shall follow the CGWA guidelines for constructing the rainwater recharging pits.
6. The project proponent shall comply with the provisions contained in this Ministry's OM vide F.No. 22-65/2017-IA.III dated 1st May 2018, as applicable, regarding Corporate Environment Responsibility. The project proponent shall adhere to the commitments made in the proposal for CER activities for spending at least minimum amount of Rs. 1,50,000/- per annum towards following activities:

<b>Sr. No.</b>	<b>Particulars</b>	<b>Amount (in Rs)</b>
1	Education (distribution of books and school uniforms to girl child) 80 student per year.) nearby govt.school Jevanwal	Rs 20,000
2	Distribution of Sanitary napkins in nearby village Jevanwal	Rs 10,000
3	Drinking water facility providing for nearby village	Rs 20,000
4	Installing Solar Panel and proposed rain water harvesting structure nearby Govt. School.	Rs 1,00,000
	<b>Total</b>	<b>Rs 1.50 lakh/Annum</b>

**Item No: 192.10 Application for obtaining environmental clearance under EIA notification dated 14.09.2006 for mining of minor minerals On Agricultural Land in the village Sandwal, Tehsil Hoshiarpur & District Hoshiarpur, Punjab submitted by M/S Prime Vision Industries Private Limited (Proposal No. SIA/PB/MIN/148725/2020)**

SEAC observed as under:

**M/S Prime Vision Industries Private Limited** has applied for obtaining Environmental Clearance under EIA notification dated 14.09.2006 for mining of minor minerals Gravel from Agricultural land in the revenue estate of **village Sandwal, Tehsil Hoshiarpur & District Hoshiarpur, Punjab** on 13.03.2020. The project is covered under category B2 of the Schedule appended to the said Notification.

Further, on the basis of scrutiny of application, EDS were raised by SEIAA on 25.03.2020, 18.08.2020 & 31.08.2020 to which project proponent replied. After considering the reply, updated status of the documents attached with application is as under: -

**1.0 Status of documents attached with application**

**(A) General**

i)	Name of Applicant & Correspondence address:  Mobile No: Email ID:	<b>M/S Prime Vision Industries Private Limited</b> 312 Third Floor, Vishal Chamber P-1, Sector-18, Noida, Distt. Gautam Budh Nagar, Uttar Pradesh , 9460228410
ii)	Name of Environmental Consultant Mobile No. Email ID	Overseas Min Tech Consultants) 9460221084 arun.omtc@gmail.com

**B) Detail of the Documents**

The project proponent submitted all the requisite documents as per the check list of mining case along with Form-02. The project proponent submitted a hard copy of the same, which was taken on record.

The case was considered by SEAC in its 192<sup>nd</sup> meeting held on 01.09.2020 and the meeting was attended by the following through Video Conference on behalf of the project proponent:

- i) Sh. Harkesh Singh, Authorised signatory, on behalf of the project proponent.
- ii) Sh. Sameer Kumar Singh, EIA Coordinator, Overseas Mintech Consultant, Jaipur, Rajasthan, Environment Consultant of the promoter company.

SEAC allowed the project proponent to present the salient features of the project and the Environment Consultant of the promoter company presented the same as under:
