Risk Management Committee

The Risk Management Committee of the Group is responsible for the implementation of the Group's risk management framework.

Risk Management Framework

- The Group's risk management framework is established to identify, analyse and manage the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits.
- The Group's risk management framework is established to identify, analyse and manage the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.
