Minutes of the 4.55th VC Meetings of the State Level Expert Appraisal Committee (SEAC), (Raj.), held on 20, 21 and 22 October, 2020

The **4.55th VC** Meeting of the members of State Level Expert Appraisal Committee (SEAC), Rajasthan constituted for considering environmental clearance projects (B-category) under GoI Notification 18.12.19 was held on 20, 21 and 22 October, 2020 at **10:30 AM** through video conferencing under the Chairmanship of **Sh. Manoj Kumar Agrawal**. The names of the members who attended the meeting are as follows:-

S. No.	Name	Designation	20.10.2020	21.10.2020	22.10.2020
1	Sh. Manoj Kumar Agrawal	Chairman	Attended	Attended	Attended
2	Dr. Suja George	Vice Chairman	Attended	Attended	Attended
3	Sh. Pushakar Singh Shekhawat	Member	-	Attended	Attended
4	Sh. Mukesh Behari Sharma	Member	Attended	Attended	Attended
5	Sh. Laxmi Kant Dashora	Member	Attended	Attended	Attended
6	Sh. Buddhi Prakash Pareek	Member	Attended	Attended	Attended
7	Sh. Vikram Singh Chauhan	Member	Attended	Attended	Attended
8	Sh. Nand Kumar Khare	Co-opted Member, SEAC	Attended	-	Attended

The Secretary welcomed the members.

The SEAC considered the following 59 projects. With the permission of Chairman, SEAC.

S.No	File No	Subject	Project Proponent Name & Consultant Name
1.	15727	E C for "Kekri & Mevda Kalan Granite Cluster Mining Project" M.L No. – 18/2018, Production Capacity 2,00,000 TPA (RoM), Cluster No. 08, & Cluster Area 12. 2974 Hac. & Area – 1.0006 Ha., Khasra No. 3, 12, 13, 14 Near Vill.– Kekri & Mevda Kalan, Tehsil – Kekri, Distt.- Ajmer, (Raj.) Shri Pyarelal Regar, **(Proposal No. 52498)**	**Name of Proponant :-** Shri Pyare Lal Regar, Add.- Bheruget, Regar Mohalla, Kekri, Tehsil – Kekri, Distt.- Ajmer, (Raj.) Email. nsnaruka@gmail.com **Name of Consultant:-** . N.S. Envro- Tech Laboratories & Consultant, Corpo OFFICE Add Plot No. 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar, Jaipur (Raj.). Email nsnaruka@gmail.com
2.	15728	E C for "Kekri & Mevda Kalan Granite Cluster Mining Project"	**Name of Proponant :-** M/s Dhanvarsha Granite, Add.- Mandi Gate Ke Samne

		M.L No. – 27/2018, Production Capacity 2,40,000 TPA (RoM), Cluster No. 11, & Cluster Area 12. 5215 Hac. & Area – 1. 2247 Ha., Khasra No. 5537, 5538, Near Vill.– Kekri & Mevda Kalan, Tehsil – Kekri, Distt.- Ajmer, (Raj.) M/s Dhanvarsha Granite **(Proposal No. 52434)**	Kekri, Tehsil – Kekri, Distt.- Ajmer, (Raj.) Email. nsnaruka@gmail.com **Name of Consultant:-** . N.S. After examining the documents, information provided and deliberations, the committee decided to

1. Recommend to SEIAA for grant of EC to proposals listed at serial no. 22, 27, 28, 29, 30, 31, 32, 33, 34, 42, 44, 45, 49, 51, 52, 53, 55, 56, with appropriate conditions as recommended in the detailed minutes of the respective agenda items.
2. Recommend to SEIAA to close & delist the proposals listed at serial no. 54, 57.
3. Recommend to SEIAA for amendment in EC/ToR granted/change in name for proposals listed at serial no. Nil. with appropriate conditions as recommended in the detailed minutes of the respective agenda items.
4. Recommend to SEIAA for grant of ToR to the proposals listed at serial no. Nil, as recommended in the detailed minutes of the respective agenda items.
5. Defer the proposals listed at Serial no. 35, 36, 39, 43, 47, 48, 59 to be consider in subsequently proposed meetings after receipt of the request from Project Proponent /Consultant
6. Issue query/seek additional information with respect to the proposals listed at serial no. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 23, 24, 25, 26, 37, 38, 40, 41, 50, to be reexamined in the forthcoming meetings of the SEAC upon receipt of the reply from PP/consultant.
7. Issue the warning letter to Project Proponent/ Consultant of the proposals listed at Serial no. Nil.
8. Issue the ToR letter to Project Proponent/ Consultant of the proposals listed at Serial no. 46,58

The detailed minutes with respect to the agenda items are as annexed. The meeting ended with thanks to the Chair.

Agenda no. 01. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15727)/ 2019-20

Project Name- Application for obtaining EC for cluster No. 08 for Mevda Kalan Granite Cluster Mining Project, M.L No. – 18/2018, Area– 1.0006 ha., Cluster Area- 12.2974 ha., Production Capacity- 2,00,000 TPA (ROM) at Khasra No. 3, 12, 13 & 14 Near Vill.– Mevda Kalan, Tehsil – Kekri, Distt.- Ajmer, (Raj.) **(Proposal No.- 52498).**

Project Proponent Name- Shri Pyare Lal Regar, Add.- Bheruget, Regar Mohalla, Kekri, Tehsil – Kekri, Distt.- Ajmer, (Raj.) Email: nsnaruka@gmail.com.

Consultant Name- N.S. Enviro- Tech Laboratories & Consultant, Corpo OFFICE Add Plot No. 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar, Jaipur (Raj.). Email nsnaruka@gmail.com.

The particulars of the project, in brief, as submitted by the PP are as follows:

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

Background Note: Proceeding of 4.20th meeting of SEAC held on **27th & 28th** August, 2019 at agenda item no. **35**.

The PP had applied for ToR Mevdakalan Granite Mining Project, ML No.– 18/2018, area- 1.0006, ha, Production capacity 2,00,000 TPA (ROM) (Salable 1,00,000 TPA and waste 1,00,000), Khasra no- 03, 12, 13, 14 at Vill.- Mevdakalan, Tehsil- Kekri, Distt.- Ajmer, (Raj.). The project is covered under B1 category. The SME, Ajmer has granted LOI on 27.09.2018. The mining plan has been approved by the SME, Ajmer vide letter dated 15.10.2018. AME, Sanwar in his certificate dated 01.10.18 has stated that the mining lease does not fall in Aravalli hills. DCF, Ajmer in his certificate dated 24.06.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. As per cluster certificate issued by AME, Sawar on 10.05.2019, the total area of all the mining leases in the cluster is 12.2974 ha. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **28th** August, 2019, inter alia, prescribed the following ToR vide letter dated **09.09.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity

of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project, notice for public hearing was published in the Rashtradoot Ajmer and Indian Express editions dated 29.01.2020.

The notice informed that public hearing would be conducted on 28.02.2020 at Rajiv Seva Kendra Lasadia, Tehsil Kekri, District Ajmer with respect to mining project of Sh. Pyare Lal Regar (Cluster no.8) and M/s Dhanvarsha Granite (Cluster no.11) pertaining to the Granite mining leases having area of 2.2253 ha., with production capacity of 4,40,000 TPA (ROM) for the above two mining leases. The notice of public hearing does not speak about other six mining leases in cluster no. 8 and other six mining leases in cluster no. 11. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 28.02.2020 show that the public hearing was conducted only with respect to the said two mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 8 having mining leases with total lease area of 12.2974 ha. The details of cluster are as follows-

S.No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No	Production Capacity in TPA	Lease EC/Status
1.	Sh. Pyare Lal Regar	Near Village-MevdaKal	1.0006	Granite	18/2018	2,00,000	This is a fresh LoI mining Project falls in Cluster No-8

		n, Tehsil-Kekri, District-Ajmer, Rajasthan					The LoI has been issued in favour of Pyarelal Regar, S/o Sh. Kalyan Regar, R/o- Bherugate, Regar Mohalla, Kekri, District-Ajmer, Rajasthan vide order No-SME/Ajmer/Sawar/ ML No. – 18/2018/3938 on date27.09.2018. After that expiring the LoI validity the PP has been extend the LoI vide letter no-SME/AJ/Sawar/M.L no-18/2018/3724 on dated 27/08/2020 by superintendent Mining Engineer, Department of Mines & Geology, Ajmer Rajasthan for 3 months (26.11.2020)
2.	Muni Pungav Mines & Minerals	N/v-Mevda kalan, Tehsil, kekri, District-Ajmer (Raj)	1.6336	Granite Minor Mineral	20/2018	2,40,000 TPA	Environmental Clearance (EC) Granted vide letter No-DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
3.	A.B Granite	N/v-Mevda kalan, Tehsil, kekri, District-Ajmer (Raj)	1.9949	Granite Minor Mineral	37/2018	1,20,000 TPA	Environmental Clearance (EC) Granted vide letter No-DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
4.	Ghanshyam Ji Saini	N/v-Nayki, Tehsil, kekri, District-Ajmer	1.5495	Granite Minor Mineral	19/2018	1,89,216 TPA	Environmental Clearance (EC) Granted vide letter No-DEIAA/AJM/M-Sectt/2018-19/245

		(Raj)					on dated 26.11.2018
5.	Rathore Brothers	N/v-Nayki, Tehsil, kekri, District-Ajmer (Raj)	2.8341	Granite Minor Mineral	21/2018	2,03,000 TPA	Environmental Clearance (EC) Granted vide letter No-DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
6.	Shankara	N/v-Nayki, Tehsil, kekri, District-Ajmer (Raj)	2.2847	Granite Minor Mineral	55/2018	2,79,450 TPA	Environmental Clearance (EC) Granted vide letter No-DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
7.	Nathu Lal Choudhary	N/v-Nayki, Tehsil, kekri, District-Ajmer (Raj)	1.000	Granite & Masonry Stone Minor Mineral	12 A/2013	77,000 TPA	EC Granted

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Pyare Lal Regar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 02. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15728)/ 2019-20

Project Name:- Application for obtaining EC for Cluster no. 11, Kekri Granite Mining Project, M.L No.- 27/2018, Area- 1. 2247 ha., Production Capacity- 2,40,000 TPA (ROM), Area- 12.5215 ha. at Khasra No. 5537 & 5538, Near Vill.– Kekri, Tehsil – Kekri, Distt.- Ajmer, (Raj.) **(Proposal No.52434)**

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.20th of SEAC held on **27th & 28th** August, 2019 by agenda item no. **36**.

The PP had applied for ToR Kekri Granite Mining Project ML- 27/2018, Production- 2,40,000 TPA (ROM), Khasra 5537, 5538, at Near village – kekri, Tehsil- Kekri, Distt.- Ajmer, (Raj.). The project is covered under B1 category. The SME, Ajmer has granted LOI on 25.09.2018. The mining plan has been approved by the SME, Ajmer vide letter dated 15.10.2018. AME, Sanwar in his certificate dated 10.05.19 has stated that the mining lease does not fall in Aravalli hills. DFO, Ajmer in his certificated dated 03.07.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. As per cluster certificate issued by AME, Sawar on 10.06.2019, the total area of all the mining leases in the cluster is 11.2968 ha. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **28th** August, 2019, inter alia, asked the PP vide letter no. **10137** dated: **09.09.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Indian Express Edition dated 29.01.2020.

The notice informed that public hearing would be conducted on 28.02.2020 at Rajiv Seva Kendra Lasadia, Tehsil Kekri, District Ajmer with respect to mining project of Sh. Pyare Lal Regar (Cluster no.8) and M/s Dhanvarsha Granite (Cluster no.11) pertaining to Granite mining lease having area of 2.2253 ha., with production capacity of 4,40,000 TPA (ROM). The notice of public hearing does not speak about other six mining leases in cluster no. 8 and other six mining leases in cluster no. 11. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 28.02.2020 show that the public hearing was conducted only with respect to the said two mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 11 having mining leases with total lease area of 12.5215 ha. The details of cluster are as follows-

S.No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No	Production Capacity in TPA	Lease EC/Status
1.	M/s Dhanvarsha Granite	Near Village-Kekri, Tehsil-Kekri, District-Ajmer, Rajasthan	1.2247	Granite	27/2018	2,40,000	This is a fresh LoI mining Project falls in Cluster No-11 The LoI has been issued in favour of M/S Dhanvarsha Granite, R/o Mandi Gate Ke Samne Kekri, Tehsil- Kekri, District- Ajmer (Raj.) Observations and Resloution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note :

Proceeding of the meeting 4.23rd of SEAC held on **23rd, 24th , 25th and 26th September, 2019** by agenda item no**. 39.**

The PP had proposed to carry out mining of 2,82,498 TPA(ROM), of Granite at M.L.No- 47/2018, Area-1.0255 hect, and Khasra no. 3906/20 and 3907/19, Near Village- Mevda Kalan, Tehsil- Kekri, Ditt.- Ajmer (Raj). The SME, Ajmer has granted LOI of mineral

on 25.09.18. The mining plan has been approved by the SME, Ajmer vide letter dated 05.10.2018. It is a new project having capital cost of Rs. 90 Lakh. The AME, Sanwar has issued cluster certificated dated 10.05.2019 wherein it is stated that the total area of all the mines in the cluster is 12.3223 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. The project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **25th September, 2019**, inter alia, asked the PP vide letter no.**10382** dated **04.10.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Indian Express Edition dated 29.01.2020.

The notice informed that public hearing would be conducted on 28.02.2020 at Rajiv Seva Kendra Lasadia, Tehsil Kekri, District Ajmer with respect to mining project of M/s Gordhan Lal, M/s S.D. Mineral, Sh. Sunil Kumar and M/s BRG Granite pertaining to Granite mining lease having area of 6.0683 ha., with production capacity of 10,53,760 TPA (ROM). The notice of public hearing does not speak about other mining leases in the cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 28.02.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 27 having mining leases with total lease area of 12.3223 ha. The details of cluster are as follows-

S.No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No	Production Capacity in TPA	Lease EC/Status
1.	Shree Sunil Kumar Sahu	N/v-Naiki & Mevda kalan, Tehsil, kekri, District-Ajmer (Raj)	1.0255 Hectare	Granite minor Mineral	47/2018	2,82,498 TPA (ROM)	This is a fresh LoI mining Project falls in Cluster No-27 The LoI has been issued vide letter no-SME/AJ/Sawar/M.L/47/2018/5076 on dated 25/09/2018 valid from 25-09-2018 to 24-03-2020 for 18 months. After that due to expire of Validity of LoI the PP has been extend our LoI vide letter no-SME/AJ/Sawar/M.L/47/2018/4985 on dated 15/10/2020 by superintendent Mining Engineer, Department of Mines & Geology Ajmer. Validity of LoI from 15/10/2020 to 24.11.2020 for 8 months.
2.	Muni Pungav Mines & Minerals	N/v-Mevda kalan, Tehsil, kekri, District-Ajmer (Raj)	1.6336	Granite Minor Mineral	20/2018	2,40,000 TPA	Environmental Clearance (EC) Granted vide letter No- DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
3.	A.B Granite	N/v-Mevda kalan, Tehsil, kekri, Distri	1.9949	Granite Minor Mineral	37/2018	1,20,000 TPA	Environmental Clearance (EC) Granted vide letter No- DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018

		ct-Ajmer (Raj)					
4.	Ghanshyam Ji Saini	N/v-Nayki, Tehsil, kekri, District-Ajmer (Raj)	1.5495	Granite Minor Mineral	19/2018	1,89,216 TPA	Environmental Clearance (EC) Granted vide letter No- DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
5.	Rathore Brothers	N/v-Nayki, Tehsil, kekri, District-Ajmer (Raj)	2.8341	Granite Minor Mineral	21/2018	2,03,000 TPA	Environmental Clearance (EC) Granted vide letter No- DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
6.	Shankara	N/v-Nayki, Tehsil, kekri, District-Ajmer (Raj)	2.2847	Granite Minor Mineral	55/2018	2,79,450 TPA	Environmental Clearance (EC) Granted vide letter No- DEIAA/AJM/M-Sectt/2018-19/245 on dated 26.11.2018
7.	Nathu Lal Choudhary	N/v-Nayki, Tehsil, kekri, District-Ajmer (Raj)	1.000	Granite & Masonry Stone Minor Mineral	12 A/2013	77,000 TPA	EC Granted

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Sunil Kumar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in

accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.23rd of SEAC held on **23rd , 24th , 25th and 26th September, 2019** by agenda item no. **33**.

The PP had proposed to carry out mining of 2,40,000 TPA(ROM) of Granite at M.L. No. 112/2018, Area 1.5714 Ha, and Khasra no. 1261. The SME, Ajmer has granted LOI of mineral on 16.01.2019. The mining plan has been approved by the SME, Ajmer vide letter dated 07.02.2019. It is a new project having capital cost of Rs.30 Lakh. The LOI of the PP is a part of cluster having area of 12.8682 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **25th September, 2019**, inter alia, asked the PP vide letter no. **10384** dated **04.10.2019.**

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity

of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Indian Express Edition dated 29.01.2020.

The notice informed that public hearing would be conducted on 28.02.2020 at Rajiv Seva Kendra Lasadia, Tehsil Kekri, District Ajmer with respect to mining project of M/s Gordhan Lal, M/s S.D. Mineral, Sh. Sunil Kumar and M/s BRG Granite pertaining to Granite mining lease having area of 6.0683 ha., with production capacity of 10,53,760 TPA (ROM). The notice of public hearing does not speak about other mining leases in the cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 28.02.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 12 having mining leases with total lease area of 12.8682 ha. The details of cluster are as follows-

S. No	Name of PP	M.L no	Area In Ha	Arravali Certificate Details	Cluster Certificate Details	DCF Details	Mining Plan Approval Details	Fresh/Expansion & EC granted Project Details
1.	Shree Gordhan lal Meena	112 /20 18	1.5741 Hectare	Arravali certificate has been issued vide letter no-AME/Sawar/Map/M.L(L.O.I)-112/2018/370 on dated 25.01.2019	Cluster certificate has been issued vide letter no-AME/Sawar/Map/M.L(L.O.I)-112/2018/417 on dated 14.05.2019	The DCF Certificate has been approved vide letter no-F10/SEIAA/DFO/2019-20/4794 on dated 18.06.2019	The Mining Plan with PMCP for Granite over an area of 1.5741Hect.near village Nayki, Tehsil-Kekri, District–Ajmer, (Raj.) approved vide letter no. SME/AJ/M.P./F-S-31/2019/1883 on	This is a fresh LoI mining Project falls in Cluster No-12 The LoI has been issued in favour of shree Gordhan Lal meena R/o-narwali, tehsil- Arnood, District-Pratapgarh, rajasthan vide order No- SME/Aj/Sawar/M.L 112/2018/722 on dated 16/01/2019. After that expiring the LoI validity the PP has been extend our LoI vide letter no-SME/AJ/Sawar/M.L no-

							date 07/02/2019.	112/2018/4573 on dated 13/10/2020 by superintendent Mining Engineer, Department of Mines & Geology, Ajmer rajasthan for for 3 months (15.01.2021)

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Sunil Kumar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 05. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15721)/ 2019-20

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.23rd of SEAC held on **23rd , 24th , 25th and 26th September, 2019** by agenda item no. **40**.

The PP had proposed to carry out mining of 2,71,262 TPA(ROM), of Granite at M.L.No-103/2018, Area-2.1262 ha, and Khasra no. 1286 and 1287 Near village- Nayaki, Tehsil- Kekri, District- Ajmer (Raj). The SME, Ajmer has granted LOI of mineral on 19.12.18. The mining plan has been approved by the SME, Ajmer vide letter dated 15.01.2019. It is a new project having capital cost of Rs.94 Lakh. The AME, Sanwar has issued cluster certificated dated 15.05.2019 wherein it is stated that the total area of all the mines in the cluster is 13.4230 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **25th September, 2019**, inter alia, asked the PP vide letter no. **10387** dated **04.10.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Indian Express Edition dated 29.01.2020.

The notice informed that public hearing would be conducted on 28.02.2020 at Rajiv Seva Kendra Lasadia, Tehsil Kekri, District Ajmer with respect to mining project of M/s Gordhan Lal, M/s S.D. Mineral, Sh. Sunil Kumar and M/s BRG Granite pertaining to Granite mining lease having area of 6.0683 ha., with production capacity of 10,53,760 TPA (ROM). The notice of public hearing does not speak about other mining leases in the cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 28.02.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge

issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 16 having mining leases with total lease area of 13.423 ha. The details of cluster are as follows-

S. No	Name of PP	Lease Address	Area (Hect)	M.L No	Minerals	Production TPA (ROM)	Lease EC/Status

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.23rd of SEAC held on **23rd , 24th , 25th and 26th September, 2019** by agenda item no. **38**.

The PP had proposed to carry out mining of 2,60,000 TPA(ROM), of Granite at M.L. No. 56/2018, Area- 1.3452 Hect., Khasra no. 3905/20 Near Vill.- Mevda Kalan, Tehsil- Kekri, Distt.- Ajmer (Raj.). The SME, Ajmer has granted LOI of mineral on 25.09.18. The mining plan has been approved by the SME, Ajmer vide letter dated 05.10.2018. It is a new

project having capital cost of Rs.91 Lakh. The LOI of the PP is a part of cluster having area of 12.6420 hectare. The PP during presentation has submitted a corrigendum dated 23.09.2019 issued by SME, Ajmer. The corrigendum says that 1.00ha. lease area be read as 1.3452 ha. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **25th September, 2019**, inter alia, asked the PP vide letter no. **10380** dated **04.10.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Indian Express Edition dated 29.01.2020.

The notice informed that public hearing would be conducted on 28.02.2020 at Rajiv Seva Kendra Lasadia, Tehsil Kekri, District Ajmer with respect to mining project of M/s Gordhan Lal, M/s S.D. Mineral, Sh. Sunil Kumar and M/s BRG Granite pertaining to Granite mining lease having area of 6.0683 ha., with production capacity of 10,53,760 TPA (ROM). The notice of public hearing does not speak about other mining leases in the cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 28.02.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 28 having mining leases with total lease area of 12.6420 ha. The details of cluster are as follows-

.No	Name of PP	Lease Address	rea (Hect)	.L No	Minerals	Production TPA (ROM)	Lease EC/Status

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely M/s S. D. Minerals and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.14th of SEAC held on **18th, 19th, 20th, June, 2019** by agenda item no. **18.**

The PP has proposed to carry out mining of 1,06,600 TPA (ROM) of masonry stone (minor mineral) at plot no. 10 having LOI dated 12.09.2018. Mining plan with respect

to the LOI has been approved on 08.02.2019. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. The project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on 19th June,2019, inter alia, prescribed the following ToR vide letter dated 02.07.2019.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of

the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

S.No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No/Plot No.	Production Capacity in TPA (RoM)	Lease EC/Status

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Yogesh Rajpurohit and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 08. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15685)/ 2019-20

Project Name:- Application for obtaining Environmental Clearance for Cluster no. 6, Daruda Masonry Stone Mining Project, Plot No.- 15, Plot Area- 1.00 ha., Production Capacity- 1,57,300 TPA(ROM), Cluster Area- 32.9394 ha., Near Vill.- Daruda, Tehsil-Barmer, Distt.- Barmer (Raj.).**(Proposal No.- 52152).**

Final minutes of 4.55th meeting held on 20 ,21 and 22 October, 2020

Project Proponent Name:- Smt. Jadha Kanwar W/o Shri Heer Singh, Add.- Near Vill.- & Post- Marudi, Tehsil- Barmer, Distt.- Barmer (Raj.)Email- jadhakanwar15@gmail.com

Consultant Name:- :- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office- P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.)Email- nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.14th of SEAC held on **18th, 19th, 20th, June, 2019** by **Agenda item no. 20.**

The PP had proposed to carry out mining of 1,57,300 TPA (ROM) of masonry stone (minor mineral) at plot no. 15 having LOI dated 18.07.2018. Mining plan with respect to the LOI has been approved on 04.10.2018. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **19th June, 2019**, inter alia, asked the PP vide letter no. **9521** dated **02.07.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K.

Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

S.No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No/Plot No.	Production Capacity in TPA (RoM)	Lease EC/Status

Total			32.9394 Hac.				

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Smt. Jadha Kanwar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in

accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 09. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15680)/ 2019-20

Project Name:- Application for obtaining EC for Cluster no. 6, Daruda Masonry Stone Mining Project, Plot No.-14, Plot Area- 1.00 ha., Production Capacity-1,61,850 TPA(ROM), Cluster Area- 32.9394 ha. at Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.).**(Proposal No.- 52111).**

Project Proponent Name:- Smt. Jadha Kanwar W/o Shri Heer Singh, Add.- Near Vill.- & Post- Marudi, Tehsil- Barmer, Distt.- Barmer (Raj.)

Email.- jadhakanwar14@gmail.com

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office- P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.) Email- nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.14th of SEAC held on **18th, 19th, 20th, June, 2019** by **Agenda item no. 19** observations of SEAC during the meeting held on **19th June, 2019.**

The PP had proposed to carry out mining of 161850 TPA of masonry stone (minor mineral) at plot no. 14 having LOI dated 18.07.2018. Mining plan with respect to the LOI has been approved on 04.10.2018. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. The project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **19th June, 2019**, inter alia, asked the PP vide letter no. **9528** dated **02.07.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the

possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Smt. Jadha Kanwar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 10. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15688)/ 2019-20

Project Name:- Application for obtaining EC for Cluster no.6, Daruda Masonry Stone Mining Project, Plot Not- 13, Plot Area- 1.00 ha., Cluster Area- 32.9394 ha., Production Capacity- 1,65,750 TPA(ROM) at Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.) **(Proposal No.- 51772).**

Project Proponent Name:- Shri Arjun Singh S/o Shri Padam Singh, Add.- Near Vill.- & Post- Marudi, Tehsil- Barmer, Distt.- Barmer (Raj.)Email-arjunmasonary13@gmail.com

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office-P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.) Email-nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note: Proceeding of the meeting 4.19[h] of SEAC held on **19th, 20th,21st & 22nd August, 2019** by **Agenda item no. 16.**

The PP has proposed to carry out mining of 1,65,750 TPA (ROM) of Masonry Stone, Area- 1.00 Hectare at Plot No. 13, Khasra No-399/299, having LOI dated 18.07.2018. Mining plan with respect to the LOI has been approved on 04.10.2018. It is a new project having capital cost of Rs.30 Lacs. According to the cluster map dated 28.05.2019 prepared by ME, Barmer the total area of the mine is 32.9394 hectare. ME, Barmer in his certificate dated 28.05.19 has stated that the mining lease does not fall in Aravalli hills. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. Since the area of all the mines in the cluster is more than 5.0 ha. The project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **19th August, 2019**, inter alia, asked the PP vide letter no. 10034 dated 03.09.2019.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite

mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.17th of SEAC held on 29-31 July 2019 by agenda item no 33.

The PP had applied for EC for mining of 1,45,000 TPA (ROM) of Masonary Stone, Plot. no. 16, Area- 1.00 Ha., Khasra No-399/299, Near Village- Daruda, Tehsil-Barmer, District- Barmer (Raj.). The project is covered under B1 category. The SME, Jodhpur has granted LOI on 18.07.2018. The mining plan has been approved by the SME, Jodhpur vide letter dated 10.09.2018. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the cluster map dated 24.05.2019 issued by ME, Barmer. ME, Barmer in his certificate has stated that the total area of the mining leases situated in the

cluster, as per the MoEF & CC notification, dated 01.07.2016, is 32.9394 hactare. The project therefore needs to be dealt with as a case of cluster situation and requires common EIA and public hearing for the entire cluster.

The SEAC in pursuance to the decision taken on 31.07.2019, inter alia, prescribed the following ToR vide letter no 9938 dated 26.08.2019:

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge

issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

Tot al			32.9394H ac.				

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely M/s R.K. Service, Shri Rajesh Karwasra (Proprietor) and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 12. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15779)/2019-20

Project Name:- Application for obtaining EC for Cluster no. 6, Daruda Masonry Stone Cluster Area-32.9394 ha. Plot Not-07, Plot Area- 1.00 ha., Production Capacity-1573000 TPA, Khasra No.-399/299, Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.).**(Proposal No.- 52009).**

Project Proponent Name:- Shri Arjun Singh S/o Shri Padam Singh, Add.- Near Vill.- & Post- Marudi, Tehsil- Barmer, Distt.- Barmer (Raj.)Email-arjunmasonary13@gmail.com

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office-P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.)Email-nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting 4.19th of SEAC held on **19-22 August 2019** by agenda item no **17**.

The PP had proposed to carry out mining of 1,57,300 TPA (ROM) of Masonry Stone, Area – 1.00 Hectare, Khasra no. 399/299 at Plot No. 7 having LOI dated 05.10.2018. Mining plan with respect to the LOI has been approved on 23.01.2019. It is a new project having capital cost of Rs.30 Lacs. According to the cluster map dated 28.05.2019 prepared by ME, Barmer the total area of the mine is 32.9394 hectare.

The SEAC in pursuance to the decision taken on **19th August 2019**., inter alia, prescribed the following ToR vide letter dated 03.09.2019

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

Total			32.9394Hac.				

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Arjun Singh and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 13. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15815)/ 2019-20

Project Name:- Application for obtaining Environmental Clearance for cluster no. 6, Daruda Masonry Stone Cluster Area -32.9394 ha, Plot No.- 01, (Plot Area-1.0 hect), Production Capacity 102500 TPA, Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.).**(Proposal No.- 52148).**

Project Proponent Name:- Smt. Mohan Kanwar W/o Sh. Tan Singh, Vill. & Post- Rathoram, Tehsil- Ramsar, Distt.- Barmer (Raj)Email-mohanmasonary01@gmail.com

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office- P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.) Email- nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting **4.14th** of SEAC held on **18th-20th June 2019** by agenda item no **23**.

The PP had proposed to carry out mining of 1,02,500 TPA (ROM) of masonry stone (minor mineral) at plot no. 01 having LOI dated 18.07.2018. Mining plan with respect to the LOI has been approved on 04.10.2018. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare.

The SEAC in pursuance to the decision taken on **19th June 2019**, inter alia, prescribed the following ToR vide letter dated **02.07.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Smt. Mohan Kanwar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 14. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15684)/ 2019-20

Project Name:- Application for obtaining Environmental Clearance for cluster no.6, Daruda Masonry Stone Cluster Area-32.9394 ha. Plot Not-12, Plot Area- 1.00 ha., Production Capacity-124800 TPA, Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.).**(Proposal No.- 52094).**

Project Proponent Name:- Smt. Poonam Kanwar W/o Shri Kamal Singh, Add.- Near Vill.- & Post- Marudi, Tehsil- Barmer, Distt.- Barmer (Raj.), Email- poonammasonary12@gmail.com

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office-P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.) Email-nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting **4.14th** of SEAC held on **18th-20th June 2019** by agenda item no **17**.

The PP had proposed to carry out mining of 102500 TPA (ROM) of masonry stone (minor mineral) at plot no. 01 having LOI dated 18.07.2018. Mining plan with respect to the LOI has been approved on 04.10.2018. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare.

The SEAC in pursuance to the decision taken on **19th June 2019**, inter alia, prescribed the following ToR vide letter dated **02.07.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public

hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting **4.13th** of SEAC held on **27th-30th May 2019** by agenda item no **27.**

The PP had proposed to carry out mining of 165750 TPA of sand stone (minor mineral) at plot no. 03 having LOI dated 18.07.2018. Mining plan with respect to the LOI has been approved on 12.11.2018. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare.

The SEAC in pursuance to the decision taken on 29.05.2019, inter alia, prescribed the following ToR vide letter dated **19.09.2020**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

S.No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No/Plot No.	Production Capacity in TPA (RoM)	Lease EC/Status

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Madan Lal and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 16. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15687)/ 2019-20

Project Name:- Application for obtaining Environmental Clearance for cluster no. 6, Daruda Masonry Stone Cluster Area-32.9394 ha. Plot Not-11, Plot Area- 1.00 ha., Production Capacity-161200 TPA, Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.) **(Proposal No.- 52056).**

Project Proponent Name:- Shri Teel Singh, S/o Padam Singh, Add.- Near Vill.- Marudi, Tehsil- Barmer, Distt.- Barmer (Raj.)Email- Teelsinghbarmer11@gmail.com

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office-P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.) Email-nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting **4.14th** of SEAC held on **18th-20th June 2019** by agenda item no **16.**

The PP had proposed to carry out mining of 161200 TPA (ROM) of masonry stone (minor mineral) at plot no. 11 having LOI dated 18.07.2018. Mining plan with respect to the LOI has been approved on 04.10.2018. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare.

The SEAC in pursuance to the decision taken on 19.06.2019, inter alia, prescribed the following ToR vide letter dated **02.07.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases

which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

Tot al			32.9394H ac.				

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Teel Singh and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 17. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15683)/ 2019-20

Project Name:- Application for obtaining Environmental Clearance for cluster no. 6, Daruda Masonry Stone Cluster Area-32.9394 ha. Plot Not-18, Plot Area- 1.00 ha. , Production Capacity-159375 TPA, Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.) in favor of M/s. Shri Girdhar Singh S/o Shri Khim Singh.**(Proposal No.- 51966).**

Project Proponent Name:- Shri Girdhar Singh S/o Shri Khim Singh, Add.- Vill. & Post- Jaisindhar, Tehsil- Gadra Road, Distt.- Barmer (Raj.)Email- girdharsin18@gmail.com

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office- P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.)Email- nsenvirotech@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note : Proceeding of the meeting **4.17th** of SEAC held on **29th-31st July 2019** by agenda item no **34**.

The PP had applied for EC for mining of 1,59,375 TPA (ROM) of Masonary Stone, Plot. no. 18 (Area- 1.00 Hect.), Khasra No-399/299, Near Village- Daruda, Tehsil- Barmer, District- Barmer (Raj.). The project is covered under B1 category. The SME, Jodhpur has granted LOI on 16.07.2018. The mining plan has been approved by the SME, Jodhpur vide letter dated 10.09.2018. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the cluster map dated 24.05.2019 issued by ME, Barmer. ME, Barmer in his certificate has stated that the total area of the mining leases situated in the cluster, as per the MoEF & CC notification, dated 01.07.2016, is 32.9394 ha. The project therefore needs to be dealt with as a case of cluster situation and requires common EIA and public hearing for the entire cluster.

The SEAC in pursuance to the decision taken on **31stJuly.2019**, inter alia, prescribed the following ToR vide letter dated **26.08.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Girdhar Singh and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 18. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15682)/ 2019-20

Project Name:- Application for obtaining Environmental Clearance for cluster no.6, Daruda Masonry Stone Cluster Area- 32.9394 ha. Plot Not-17, Plot Area- 1.00 ha., Production Capacity-150800 TPA, Khasra No.-399/299, Near Vill.- Daruda, Tehsil- Barmer, Distt.- Barmer (Raj.) **(Proposal No.- 51973).**

Project Proponent Name- Smt. Vilat Kanwar W/o Shri Teel Singh, Add.- Near Vill.- & Post- Marudi, Tehsil- Barmer, Distt.- Barmer (Raj.)Email- vilatkanwar17@gmail.com.

Consultant Name:- M/s. N.S. Enviro-Tech Laboratories & Consultant, Add.- Corpo Office-P No 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar Jaipur, (Raj.)Email-nsenvirotech@gmail.com.

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note: Proceeding of the meeting **4.14th** of SEAC held on **18th-20th June 2019** by agenda item no **22**.

The PP had proposed to carry out mining of 150800 TPA (ROM) of masonry stone (minor mineral) at plot no. 17 having LOI dated 18.07.2018. Mining plan with respect to the

LOI has been approved on 04.10.2018. It is a new project having capital cost of Rs.30 lac. The LOI of the PP is a part of cluster having area of 34.94 hectare.

The SEAC in pursuance to the decision taken on **19th June2019**, inter alia, prescribed the following ToR vide letter dated **02.07.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar and Rajasthan Patrika edition dated 25.11.2019.

The notice informed that public hearing would be conducted on 26.12.2019 at Village Daruda Tehsil and District Barmer with respect to mining project of Sh. Teel Singh, Smt. Poonam Kanwar, Sh. Arjun Singh, Smt. Jadha Kanwar, Smt. Jadha Kanwar, M/s R.K. Services Prop.Sh. Rajesh Karwasra, Smt. Vilat Kanwar, Sh. Girdhar Singh, Smt. Mohan Kanwar, Sh. Madan Lal, Sh. Arjun Singh, Sh. Yogesh Rajpurohit pertaining to Granite mining lease having area of 32.9394 ha., with production capacity of 9,76,374 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 26.12.2019 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

During presentation the PP informed that there are 33 no. of mining leases in the cluster in which the proposed mining project is also located.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 6 having mining leases with total lease area of 32.9394 ha. The details of cluster are as follows-

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Smt. Vilat Kanwar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 19. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15726)/ 2019-20

Project Name:- Application for Environment Clearance for cluster no. 18 of Ekalsingha Granite Mining Project, M.L. No. – 87/2018, Cluster Area- 9.7758 ha & Applied Area- 1.1405 ha, Production capacity -2,60,980 TPA (RoM), Khasra no- 1209/516, 1210/520, 1211/521 & 522, Near Village- Ekalsingha, Tehsil-Kekri & Dist-Ajmer, Rajasthan, **(Praposal No-56664).**

Project Proponent Name:- SHRI RAM PRASAD GURJAR, Vill.- Ekalsingha, Tehsil- Kekri, Distt. Ajmer(Raj.), Email- gurjarram556@gmail.com.

Consultant Name:- N.S. Envro- Tech Laboratories & Consultant, Corpo OFFICE Add Plot No. 69/318, V.T. Road Chouraha, Madhyam Marg, Mansarovar, Jaipur (Raj.), Email nsnaruka@gmail.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note :

Proceeding of the meeting **4.23th** of SEAC held on **23rd-26th Sept 2019** by agenda item no **53** observations of SEAC during the meeting held on **26th Sept2019**.

The PP had proposed to carry out mining of 2,60,980 TPA (ROM) (Saleable-1,10,191 TPA+ Waste-1,50,789 TPA) of granite at M.L.No-87/2018, Area-1.1405 Ha, Khasra no. 1209/516,1210/520,1211/521 and 522. The SME, Ajmer has granted LOI of mineral on 01.10.18. The mining plan has been approved by the SME, Ajmer vide letter dated 05.10.2018. It is a new project having capital cost of Rs.1 crore. AME, Sanwar has issued cluster certificate wherein it is stated that the total area of all the mining leases in the cluster 9.7756 hectare. DCF, Ajmer in his certificated dated 03.07.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC in pursuance to the decision taken on **26th Sept2019**, inter alia, prescribed the following ToR vide letter dated 04.10.2019.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from Oct 2019 to Dec 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Hukmnama Samachar edition dated 21.07.2020.

The notice informed that public hearing would be conducted on 24.08.2020 at Rajiv Seva Kendra Lasadiya Tehsil Kekri District Ajmer with respect to mining project of Sh. Ram Prashad Gurjar having lease area 1.1405 ha., and Sh. Gopal Lal Gurjar having lease area 2.6346 ha., pertaining to Granite mining, with production capacity of 2,60,980 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 24.08.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. 18 having mining leases with total lease area of 9.7756 ha. The details of cluster are as follows-

S.No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No	Production Capacity in TPA (RoM)	Lease EC/Status
1.	Shri Ram Prasad Gurjar	Village-Ekalsingha. 9.	M/s Ganpati Mines & Minerals	Village-Ekalsingha. Tehsil-Kekri, District-Ajemr	1.0	Granite & Masonry Stone	237A/2009	2,00,273	Environmental Clearance (EC) Granted vide letter No-DEIAA/AJM/M-Sectt/2018-19/4329-38 (936) on dated 26.11.2018
Total			9.7756				

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Ram Prasad Gurjar and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports

pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 20. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15729)/ 2019-20

Project Name:- Application for Environment Clearance for cluster no. 19 of Chabariya Granite Mining Project, M.L. No. – 50/2018, Cluster Area-11.2697 hect, & Applied Area-2.6346 ha., Production capacity- 2,83,301 TPA (ROM), Khasra No. 601, 602, 603, Near Village-Chabariya, Tehsil-Kekri & Dist-Ajmer, Rajasthan, **(Proposal No-56668).**

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 21. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(16456)/ 2019-20

Project Name- Application for obtaining EC for Bala Granite Mining Project, Ref. No. 2018100002109, M.L. No.- 58/2018, Production Capacity- 2,50,320 TPA (ROM), Cluster Area-7.5203 ha. & lease Area- 2.2003 ha., Khasra No. 484, Village - Bala, Teshil - Pali, District Pali, (Rajasthan) **(Proposal No. 55783).**

Project Proponent Name- Sh. Ashok Kumar Meena, Add. - Kundalpur Post Antri, Istrict Sikar, (Raj, Email – ashokkumarmeenaapali7@gmail.com

Consultant Name- N.S. ENVIRO-TECH LABORATORIES & CONSULTANTS, Reg Office: A-8 Neha Midical Building, Opp. ESI Hospital Hasuliya Road, Sodala, Jaipur (Raj.) Email: - nsnaruka@nsenvirotech.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note: Proceeding of the meeting **4.35th** of SEAC held on **3rd ,4th ,5th ,6th ,10th, 11th and 12th February 2020** at Agenda no**. 52**.

The PP had applied ToR for "Bala Granite Mining Project, (Ref. No. 2018100002109), Area 2.2003 ha., Production Capacity 2,50,320 TPA (ROM), Khasra No. 484, Village - Bala, Tehsil - Pali, District Pali, (Rajasthan) **(Proposal No. 40137).** The SME, Jodhpur has granted LOI of mineral on 16.01.19. The mining plan has been approved by the SME, Jodhpur vide letter dated 22.02.19. ME, Sojat city in his certificate dated 14.02.19 has stated that the mining lease does not fall in Aravalli hills. It is a project having capital cost of Rs. 50 Lacs. As per cluster certificate dated 01.07.2019 issued by ME, Sojat city the total area of all the mining leases in the cluster is 7.5203 ha. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **05th February 2020**, inter alia, prescribed the following ToR vide letter dated **27.02.2020**.

3. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
4. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from Oct, 2019 to Dec, 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Bhaskar, Navjyoti and Rajasthan Patrika edition dated 01.07.2020.

The notice informed that public hearing would be conducted on 05.08.2020 at Office of Patwar ghar Village Bala Tehsil and District Pali with respect to mining project of Sh. Ashok Kumar Meena pertaining to Granite mining lease having area of 2.2003 ha., with production capacity of 2,50,320 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 05.08.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge

issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no Nil having mining leases with total lease area of 7.5203 ha. The details of cluster are as follows-

S. No	Name of PP	Lease Address	Area in Ha.	Minerals	M.L No	Production Capacity in TPA (RoM)	Lease EC/Status
1.	Shri Ashok Kumar Meena	Village- Bala Tehsil & District- Pali, Rajasthan	2.2003	Granite	58/2018	2,50,320	LOI was granted in favor of of Shri.Ashok kumar meena S/o Shri Bhola RamR/o –Village Kundalpur Post Antri, Tehsil & District. Sikar Rajasthan,Videorder,No.SME/JO/CC/SOJAT/KHATEDARI/MM.REF.NO.2018100002109/9162, DATE. 16/01//19.. After that expiring the LoI validity the PP has been extend our LoI vide letter no-SME/JO/CC/SOJAT/KHATEDARI/MM.REF.NO.2018100002109/6860 on dated 20.10.2020 by superintendent Mining Engineer, Department of Mines & Geology, Ajmer rajasthan for 4 months)
2.	Sh. Babu Lal	Village- Bala Tehsil & District- Pali, Rajasthan	2.32	Granite	30/2018	-	EC Granted
3.	Sh. Dana Ram	Village- Bala Tehsil & District- Pali, Rajasthan	3.0	Granite	18/2013	-	EC Granted
Total			7.5203				

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Ashok Kumar Meena and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports

pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing Silica Sand mining project. The lease was sanctioned in favour of Sh. Ashok Kumar Bansal, vide order dated 19.12.1986. The lease deed was executed and registered on 27.03.1987 and 04.05.1987, respectively, for 20 years. The first renewal of mining lease was cancelled vide Directorate order dated 17.10.2013. The lease holder preferred revision against this order before the Ministry of Mines, Govt. of India. The revision was dismissed by the ministry on 14.03.2018. The order of dismissal of revision was challenged before the Hon'ble Rajasthan High Court. The Hon'ble Court quashed the order of Ministry of Mines and directed the competent authority for renewal of mining lease. The mining lease came to be renewed for 50 years from 04.05.1987 and rider agreement in this regard was executed on 05.09.2019. The lease area of the mining lease is 32 ha. The Silica sand mining project being a major mineral before 10.02.2015 covering an area of more than 5.0 ha., came under the purview of the EIA Notification dated 27.01.1994 and was dealt with accordingly.

The lease was transferred in favour of M/s Jai Shiv Sankar Minerals vide order dated 14.10.2019. According to the certificate dated 02.12.2019 of ME, Karauli the production of mineral in the base year i.e. 1993-94 was 23 Tonnes. Production of mineral in the subsequent years i.e. 1994-95, 1995-96, 1996-97, 1997-98, 1999-2000, 2000-2001 and 2001-2002 was 25 Tonnes, 29 Tonnes, 45 Tonnes, 204 Tonnes, 185 Tonnes, 282 Tonnes and 540 Tonnes, respectively. The letter dated 02.12.2019 ME, Karauli shows that the mining activity has been in violation of the EIA Notification as there has been an increased in production in comparison to the production carried in the base year i.e. 1993-94. The PP and the consultant have submitted affidavits stating that mining activity have been carried out in violation of MMDR Act, 1957, Water Act, 1974, Air Act, 1981 and EP Act, 1986. According to letter dated 02.12.2019 of ME, Karauli there has been no mining since 2002-03 to 2018-2019.

The SEAC considered the project in terms of the Notification dated 14.03.2017 read with Notification dated 08.03.2018 of the MoEF & CC, providing for consideration/appraisal

of projects relating to violation of the EIA Notification. The SEAC in its 4.32nd meeting held on 06-15.01.2020 issued ToR to the PP vide letter dated 28.01.2020. The ToR was issued in terms of Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC, as the activity of mining was carried out violation of the EIA Notification and other related laws as mentioned above in the observations.

The PP following issue of ToR collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from December 2019 to February 2020 and got public hearing conducted on 26.06.2020 at Govt. Secondary School, Village- Asthal, Tehsil & District Karauli, (Rajasthan).

The proceedings of Public Hearing dated 26.06.2020 shows that public hearing was conducted only for & w.r.t. to mining lease(s) of the project proponent(s) namely M/s Jai Shiv Sankar Minerals and not for all the mines of the entire cluster as contemplated under the EIA notification, 2006 as amended to date. During public hearing the local people expressed their concerns regarding the proposed project and the impact it would have on the environment and gave suggestions for development of the area. The local villagers gave suggestion that since the area is financially weak and has problem of unemployment, the project proponent should provide employment to them. The PP agreed to their suggestions. On the suggestions of villagers the PP agreed to undertake plantation on the road sides and to undertake regular health checkups of mining workers, PP also agreed to spend Rs. 1.6 lakhs for RO purifier, fans, chairs and other facilities in Govt. Secondary Schools in Asthal. He undertook to plant 5000 trees within 5 years.

The PP, has now submitted final EIA report for Silica Sand Mining Project, M.L. No.- 09/1985, Area- 32.00 ha., Production Capacity- 9,00,000 TPA (ROM) {Mineral- 8,10,000 TPA & Waste- 90,000 TPA} at Khasra No. 4 to 9, 21, 22, 26 to 45, 55 to 58 & 121 to 126, n/v- Pator, Tehsil- Karauli, Distt.- Karauli, (Raj.) **(Proposal No.- 54484)**. Mining plan for the proposed project has been approved by the SME, Bharatpur vide letter dated 28.11.2019. The PP has further submitted that ME, Karauli in his certificate dated 24.02.2020 has stated that the mining lease does not fall in Aravalli hills. The DCF, Ranthambhore Tiger Project, Karauli in his certificate dated 02.12.2019 has said that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wildlife Protection Act, 1972 as no forest land is involved and neither there is any Wildlife Sanctuary/ National Park within 10 Km from the project site.

The PP in the report regarding damage assessment and Remediation Plan stated that the total budget for Remediation Plan, Natural Resource Augmentation Plan, Community Resource Augmentation Plan and Economic benefit derived due to violation is Rs **11,41,000/**.

The SEAC also noted the provisions of para 13(3) of the EIA Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC which provide that in cases of violation, action will be taken against the PP by respective State or State Pollution Control Board under the provisions of section 19 of the Environment (Protection), Act, 1986 and further no consent to operate or occupancy certificate will be issued till the project is granted EC.

Resolution:

The SEAC after thorough appraisal of the project and having regard to information contained in Form-1, Form-2 and other documents & additional documents submitted by the PP, outcome of public hearing, final EIA/EMP reports, reports of Remediation Plan - Natural Resource Augmentation Plan - Community Resource Augmentation Plan - Economic Benefit derived due to violation, clarification by the PP during presentation, resolved to recommend to SEIAA for grant of EC to M/s Jai Shiv Sankar Minerals for Pator Silica Sand Mining Project, M.L. No.- 09/1985, Area- 32.00 ha., Production Capacity- 9,00,000 TPA (ROM) {Mineral- 8,10,000 TPA & Waste- 90,000 TPA} at Khasra No. 4 to 9, 21, 22, 26 to 45, 55 to 58 & 121 to 126, n/v- Pator, Tehsil- Karauli, Distt.- Karauli, (Raj.), **after having finalized the quantum of amount, specified in the observations, for remediation plan and natural & community resource augmentation plan, by SEIAA and after ensuring deposition of bank guarantee of the finalized amount with the RSPCB, as per the provisions of the Notification dated 14.03.2017 and 08.03.2018 by the PP, subject to the conditions mentioned hereinbelow:**

The SEAC further resolved to recommend to SEIAA to endorse copy of EC to the RSPCB and the Department of Mines & Geology for taking action against the PP in terms of the Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC, in accordance with the provisions of section 19 of the Environment (Protection), Act, 1986 and for ensuring that mining operations do not commence till the entire compensation is deposited by the PP as per the conditions mentioned in the EC.

Specific conditions in terms of Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC:

1. The PP shall allocate and spend an amount of Rs. **11,41,000**/- towards Remediation Plan and Natural & Community Resource Augmentation plan within a span of three years, as per the details given below:

Remediation Plan and Budgetary Provision:

S.No.	Parameters	Activity	Budget (Rs.)
1.	**Water Environment**	1. Rain water harvesting structures will develop. 2. Water sprinkling to arrest dust generation. 3. Most of the mine water will be used for green belt, dust suppression, etc. 4. Mining will be carried out beyond the level of water table.	1.50 Lakh
2.	**Ecological Environment**	1. Creation of green belt in all possible vacant places within the lease area. 2. Local species in consultation with the state forest department can be chosen for this purpose.	1.0 Lakh

3.	**Air Environment**	1. Provision of dust filters / mask to workers working at highly dust prone and affected areas. 2. Usage of sharp drill bits for drilling of holes. 3. Proper maintenance of machineries which avoids excessive noise and vibration	0.60 Lakh
4.	**Land Environment**	1. Fencing of lease will be done. 2. Mining pit will be converted into water reservoir. 3. The top soil will be used for afforestation & Reclamation purpose.	0.60 Lakh
5.	**Noise Environment**	1. Providing earplugs/earmuffs to workers 2. Proper and regular maintenance of equipment. 3. Planting of trees where ever possible to act as acoustic barriers. 4. Conducting regular health checkup of workers. 5. Including audiometric test for the workers engaged in noise prone area.	0.45 Lakh
6.	**Socio Economic Environment**	1. Construction of sanitation facilities (toilet) in schools nearby villages. 2. Periodic medical check-up camp	0.60 Lakh
	Total Fund Allocated for Remediation Measures	**4,50,000**	

Year wise implementation of remediation plan with budgetary provisions

S.no.	Parameters	First	Second	Third	Total
1.	**Water Environment**	0.50	0.50	0.50	1.5 Lakh
2.	**Ecological Environment**	0.40	0.40	0.20	1.0 Lakh

3.	**Air Environment**	0.20	0.20	0.20	0.60 Lakh
4.	**Land Environment**	0.20	0.20	0.20	0.60 Lakh
5.	**Noise Environment**	0.15	0.15	0.15	0.45 Lakh
6.	**Socio Economic Environment**	0.20	0.20	0.20	0.60 Lakh
	Annual Total	1.65	1.65	1.45	4.75 Lakh

Year wise implementation of Natural Resources Augmentation Plan with Budgetary Provision:

S.no.	**Activities proposed**	**First year**	**Second year**	**Third year**	**Total**
1.	Avenue Plantation (500 m) – 30 plants on each side of the road.	12,000	12,000	12,000	36,000
2.	Maintenance of Avenue Plantation.	15,000	15,000	15,000	45,000
3.	Installation of Rain Water harvesting at 2 nearby Govt School, Karauli	1,50,000	1,50,000	--	3,00,000
	Annual Total	**1,77,000**	**1,77,000**	**27,000**	**3,81,000**

Year wise implementation of Community Resource Augmentation Plan with Budgetary Provision:

S.no.	**Activities proposed**	**First year**	**Second year**	**Third year**	**Total**
1.	Construction of sanitation facilities (toilet) in schools nearby villages	25,000	25,000	25,000	75,000
2.	Periodic medical check-up camp by appointing specialist doctor	15,000	15,000	15,000	45,000

	for eyes, skin, heart and dental twice in a year				
3.	Assistance in providing study materials, uniform, books to the poor students located nearby area	15,000	15,000	15,000	45,000
	Annual Total	55,000	55,000	55,000	1,65,000

Year wise implementation of the activities for upgradation of Environment against the amount of Economic benefit derived out of violation with budgetary provision:

S. No.	**Activities proposed**	**First year**	**Second year**	**Third year**	**Total**
1.	Greenbelt development with local plants in the nearby area, Govt schools, offices, road side and etc.	**15,000**	**15,000**	**15,000**	**45,000**
2.	Construction of village roads and maintenance	**10,000**	**10,000**	**10,000**	**30,000**
3.	Construction of storm water drainages in the nearby	**15,000**	**15,000**	**15,000**	**45,000**

	areas				

Summary of year wise expenditure to be incurred against :

Environmental Damage Assessment, Natural Resource Augment Plan, Community Resource Augmentation Plan and the economic benefit derived due to violation.

S.No.	Activities	First year	Second year	Third year
1.	Remediation Plan	1,65,000	1,65,000	1,45,000
2	Natural resource augmentation Plan Cost	1,77,000	1,77,000	27,000
3.	Community Augmentation Plan	55,000	55,000	**55,000**
4	Economic Benefit derived due to violation	40,000	40,000	40,000
TOTAL		**4,37,000**	**4,37,000**	**2,67,000**
Total in three years		**11,41,000**		

2. The Remediation plan shall be completed in three years whereas the Bank Guarantee shall be for five years.
3. The Bank Guarantee of Rs **11,41,000**/- is to be deposited by the PP towards Remediation plan, Natural & Community Resources Augmentation Plan and the amount of economic benefit derived due to violation of EIA Notification with the RSPCB before the EC is granted by SEIAA. The Bank Guarantee shall be released by the RSPCB after successful implementation of the Remediation plan and Community Resources Augmentation Plan and after recommendation by the Regional Office of the Ministry, Expert Appraisal Committee or State Level Expert Appraisal Committee and approval of the regulatory authority.
4. The PP shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others before grant of ToR/EC. The undertaking shall inter-alia include commitment of the PP not to be repeat any such violation in future.
5. In case of violation of the above undertaking/ affidavit, the ToR/EC shall be liable to be terminated forthwith.
6. The environmental clearance will not be operational, till such time the project proponent complies with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.
7. The department of Mines & Geology shall ensure that the mining operations shall not commence till the entire compensation for illegal mining, is paid, by the project proponent through the Department of Mines and Geology, in strict compliance of the judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.

SPECIFIC CONDITIONS

Final minutes of 4.55th meeting held on 20 ,21 and 22 October, 2020

1. **In case the project falls within a distance of 10 Km from the boundary of National Park/ Wildlife Sanctuary, wherein final ESZ Notification has not been notified so far, the EC shall come into effect only after the PP obtains clearance from the Standing Committee of National Board for Wildlife (SCNBWL) as per OM dated 08.08.2019 of MoEF & CC.**
2. This EC is granted for mining of the mineral with production mentioned in the above table subject to the stipulation that the PP shall abide by the annual/ permitted production schedule specified in the mining plan and that any deviation theirin will render the PP liable for legal action in accordance with Environment and Mining Laws.
3. The PP shall obtain Consent to Establish and Operate from the Rajasthan State Pollution Control Board under the provisions of the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981, before carrying out mining activity.
4. The PP shall comply with the provisions of the Mines and Minerals (Development and Regulation) Act, 1957 and the rules made thereunder.
5. As stated by the PP, the total water requirement for the project shall be limited as mentioned above. Necessary permission for withdrawal of ground water, if required, shall be taken from CGWA.
6. The PP shall invest the amount mentioned above towards annual cost for implementing the Environment Management Plan.
7. The amount of CER as mentioned above shall be spent for socio economic up-liftment activities of the area particularly in the field of education, health, sanitation and other need based social activities in the nearby areas of the mining lease, such as improvement of the infrastructure of government schools etc. and as per the OM dated 01.05.2018 MoEF & CC. This amount should be effectively utilized and reflected in the books of accounts. Relevant report of the same should be made a part of social monitoring and six monthly compliance reports should be submitted to RSPCB, SEIAA and Regional Office of the MoEF & CC.
8. The mining operations shall not intersect groundwater table. In cases of mining of other than river sand mining, below ground water table, prior approval of the Central Ground Water Authority shall be obtained.
9. The PP shall construct Rain Water Harvesting Structure and Artificial Recharge Structure in the lease area as also implement other/suitable conservation measures to augment ground water resources in the area in consultation with the Regional Director, CGWB.
10. Occupational health and safety of mine labour shall be given the highest priority.
11. Budgetary provision, as mentioned above for the laborers working in the Mine, for all necessary infrastructure facilities such as health facility, sanitation facility, fuel for cooking, along with safe drinking water, medical camps, and toilets for women, crèche for infants; should be made and submitted to RPCB, Jaipur at the time of CTE/CTO. The housing facilities and Group Insurance should be provided for mining labours.
12. Topsoil shall be stacked temporarily at the earmarked sites only and it should not be kept unutilized for a period more than three years; it should be used for land reclamation and plantation in mined out areas.

13. The project **Proponent** shall ensure that no natural water course / water body is obstructed due to any mining operations.
14. The waste should be dumped at the designated site as per approved Mining Plan on non-mineralized land within lease area or outside lease area, at the land provided by district authority or occupied by the lessee/STP/Quarry license holder. The height of the dump shall be as per the approved mining plan and toe of the dump should have retaining wall.
15. The bench height, width and slope shall be maintained as per the MMR 1960 or the DGMS approval.
16. Garland drains; settling tanks and check dams of appropriate size, gradient and length shall be constructed both around the mine pit and over burden dumps and sump capacity should be designed keeping 50 % safety margin over and above peak sudden rainfall (based on 50 years data) and maximum discharge in the area adjoining the mine site. Sump capacity should also provide adequate pits, which should be constructed at the corners of the garland drains and de-silted.
17. Drills shall either be operated with dust extractors or equipped with water injections system.
18. As envisaged, plantation shall be raised in an area of 33% of total area including green belt in the safety zone around the mining lease by planting the native species around ML area, OB dumps, backfilled and reclaimed around water body, roads etc. or outside lease area in consultation with the Gram Panchayat or Forests Department in the coming rainy season.
19. Regular water sprinkling should be carried out in critical areas prone to air pollution and having high levels of SPM and RSPM such as haul roads, loading and unloading points and transfer points. It should be ensured that the Ambient Air Quality parameters conform to the standards prescribed by the MoEF & CC.
20. Data on ambient air quality and stack emissions should be submitted to Rajasthan State Pollution Control Board once in six months, carried out by MOEF/ NABL/ CPCB/ RSPCB/ Government approved lab.
21. Blasting operation should be carried out only during the daytime with safe blasting parameters.
22. The Project Proponent shall take all due care to protect the existing flora and fauna. Utmost precaution shall be taken to conserve wildlife.
23. The PP shall carry out mining activities with open cast method.
24. In the project related to Bajri mining the PP shall follow the Sustainable Sand Mining Guidelines 2016 laid down by the MoEF & CC, GOI. The Bajri sand mining activity is restricted to three meters from ground level or water level whichever is less and the PP shall carry out river sand (Bajri) mining activity manually/ semi mechanized as provided under the Sustainable Sand Mining Management Guidelines, 2016.
25. The PP shall comply with the guidelines issued by the MoEF & CC/ CPCB/ RSPCB, from time to time, with respect to stone crushing units if installed in the lease area.

Additional conditions recommended in view of OM dated 08.08.2019 of the MoEF & CC (applicable where the project falls within a distance of 10 Km from the boundary of National Park/ Wildlife Sanctuary and outside notified ESZ):

1. The mining activity should be carried out in a manner so that the water regime/system of the sanctuary is not disturbed. The mining activity should not adversely affect any existing water course, water body, catchment etc. The PP shall while carrying out mining activity ensure compliance of the provisions of Air (Prevention and Control of Pollution) Act 1981, Water (Prevention and Control of Pollution) Act 1974 and the Environment (Protection) Act, 1986 so that the wildlife in the area is not adversely affected.

2. The processes like blasting, drilling, excavation, transport and haulage resulting into noise, should be carried out in such an manner so that such activities do not disturb wild animals and birds particularly during sunset to sunrise. The level of noise should be kept within the permissible limits.

3. The mining activity should not create any obstacle in the way of free movement of wildlife and adversely affect wildlife corridors.

4. The mineral waste/ slurry should be dumped only at the designated places only and such waste dumps should be reclaimed in accordance with the conditions of the mining plan/ consent issued by the RSPCB under the Water and Air act.

5. The PP shall cooperate with the concerned DCF, Wildlife in their efforts towards protection and conservation of wildlife in the Sanctuary/ Park.

6. The PP shall ensure that the transporter and labor employed by him should not damage flora and fauna in the ESZ and the Wildlife Sanctuary/ National Park.

Specific Conditions applicable, in the cases of violation in terms of the Notification dated 14.3.2017 and 8.3.2018 and OMs dated 30.5.2018, 4.7.2018 of the MoEF&CC :

1. The PP shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others before grant of ToR/EC. The undertaking inter-alia include commitment of the PP not to be repeat any such violation in future.
2. In case of violation of above undertaking/ affidavit, the ToR/EC shall be liable to be terminated forthwith.
3. The environmental clearance will not be operational, till such time the Project Proponent complies with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.
4. The department of Mines & Geology shall ensure that the mining operations shall not commence till the entire compensation levied, if any, for illegal mining, is paid, by the Project Proponent through the Department of Mines and Geology, in strict compliance of the judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.

GENERAL CONDITIONS

1. That the grant of this E.C. is issued from the environmental angle only, and does not absolve the project **Proponent** from the other statutory obligations prescribed under any other law or any other instrument in force. The sole and complete responsibility, to comply with the conditions laid down in all other laws for the time-being in force, rests with the industry / unit / project **Proponent**. Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under section 16 of the National Green Tribunal Act, 2010.
2. No further expansion or modifications in the project shall be carried out without prior approval of the SEIAA/Ministry of Environment and Forests as the case may be. In case of deviations or alterations in the project proposal from those submitted to this Authority for clearance, a fresh reference shall be made to the Authority to assess the adequacy of conditions imposed and to add additional environmental protection measures required, if any.
3. The implementation of the project vis-à-vis environmental action plans shall be monitored by MoEF Regional Office at Lucknow / RSPCB / CPCB / SEIAA, Department of Environment, Government of Rajasthan, Jaipur and this office. A six monthly compliance status report shall be submitted to monitoring agencies.
4. The EC is liable to be rejected, in case it is found that the PP has deliberately concealed and furnished false and misleading information or data which is material to screening or scoping or appraisal or decision on the application for EC.
5. The project authorities shall inform the MoEF Regional Office at Lucknow / RSPCB / CPCB / SEIAA, Department of Environment, Government of Rajasthan, Jaipur and the date of financial closure and final approval of the project by the concerned authorities and the date of start of the project.
6. Officials from the Department of Environment, Government of Rajasthan, Jaipur/ Regional Office of MoEF, Lucknow, RSPCB who would be monitoring the implementation of Environmental safeguards should be given full cooperation, facilities and documents/data by the project **Proponent**s during their inspection. A complete set of all the documents submitted to SEIAA should be forwarded to the CCF, Regional Office of MoEF, Lucknow / SEIAA, Department of Environment, Government of Rajasthan, Jaipur / RSPCB.
7. The Authority reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provision of the Environment (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.
8. The project **Proponent** should advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded environmental Clearance and copies of clearance letters are available with the Rajasthan State Pollution Control Board and may also be seen on the website of the RSPCB. The advertisement should be made within 7 days from the day of issue of the clearance letter and a copy of the same should be forwarded to the Regional

Office of MoEF at Lucknow/Department of Ecology and Environment, Government of Rajasthan, Jaipur.

9. The above condition shall be enforced among others under the provisions of water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991 and EIA Notification, 2006, along with their amendments and rules.
10. The PP shall obtain prior clearance form forestry and wild Life angle including clearance from standing committee of National Board of Wild Life (if applicable). It is further categorically stated that grant of EC does not necessary imply that Forestry and Wild Life clearance shall be granted to the project and that proposals for forestry and wild Life clearance will be considered by the respective authorities on their merits and decision taken. The investment made in the project, if any based on EC so granted, in anticipation of clearance form Forestry and Wild Life angle shall be entirely at the cost risk of the PP and MOEF/SEIAA shall not be responsible in this regard in any manner.
11. The SEIAA, Rajasthan may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
12. Main haulage road should be provided with permanent water sprinklers and other roads should be regularly wetted with water tankers fitted with sprinklers. The material transfer points should invariably be provided with Bag filters and or dry fogging system. In case of Belt- conveyors facilities the system should be fully covered to avoid air borne dust; Use of effective sprinkler system to suppress fugitive dust on haul roads and other transport roads shall be ensured.
13. Periodic monitoring of ambient air quality shall be carried out for PM10, PM2.5, SPM, SO2 and NOx monitoring. Location of the stations (minimum 6) shall be decided based on the meteorological data, topographical features and environmentally and ecologically sensitive targets and frequency of monitoring shall be decided in consultation with the Rajasthan State pollution Control Board (RPCB). Six monthly reports of the data so collected shall be regularly submitted to the RPCB/CPCB including the MoEF, Regional office, Lucknow.
14. Personnel working in dusty areas shall wear protective respiratory devices they shall also be provided with adequate training and information on safety and health aspects.
15. The ambient noise level should confirm to the standards prescribed under E (P) A Rules, 1986 viz 75 dB (A) during day time and 70 dB (A) during night time.
16. The PP shall submit an environmental statement for the financial year ending 31st March in Form-V as prescribed under the environment (Protection) Rules, 1986, as amended subsequently on or before the 30th day of September every year, to the Rajasthan State Pollution Control Board/SEIAA and shall also be put on the website of the company along with the status of compliance of environmental clearance conditions and shall also be sent to the Lucknow Regional offices of MoEF/SEIAA by e-mail as well as hard copy duly signed by competent person of company.
17. Mining Department will ensure that while executing the mining lease, if the mine falls in a cluster, then lease will be executed after EIA/EMP study as well as grant of revised EC for the cluster as applicable.

18. The Mining lease holder shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to his mining activities and restored the land to a condition which is fit for growth of fodder, flora, fauna etc.

Agenda no. 23. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15760)/ 2019-20

Project Name:- Application for obtaining EC for Ekalsingha Granite Mining project, M. L No.-109/2018, Area. 1.3221 Ha., Plot no.- 17, Production capacity- 1,14,701 TPA(ROM) located at village- Ekalsingha, Tehsil-Kekri, District-Ajmer, Rajasthan**,(Proposal No-56856).**

Project Proponent Name- Shri Sanjay Bharadwaj, Add- Flat No-301, Star Hitawala Complex, New Puliya pulla, Udaipur (Raj.), Email- drsanjayudaipur@gmail.com.

Consultant Name- Fulgro Environmental & Engineering Services India Pvt. Ltd., Add- 27,Ashok Vatika, Khatipura Road, Jhotwara, Jaipur, Email-info@fulgro.in,

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note: Proceeding of the meeting **4.25th** of SEAC held on **21st, 22nd, 23rd & 24th Octomber 2019** at Agenda no**. 48**.

The PP had proposed to carry out mining of 1,14,701 TPA (ROM) of Granite at M L Area. 1.3221 Ha., M.L. No. 109/2018 and Khasra no. 407. The SME, Ajmer has granted LOI of mineral on 14.12.18. The mining plan has been approved by the SME, Ajmer vide letter dated 15.01.2019. AME, Sawar in his certificate dated 15.01.19 has stated that the mining lease does not fall in Aravalli hills. DCF, Ajmer in his certificated dated 22.10.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. It is a new project having capital cost of Rs.80 Lakh. The LOI of the PP is a part of cluster having area of 9.9572 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **23rd Octomber 2019**, inter alia, prescribed the following ToR vide letter dated **06.11.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from Oct, 2019 to Dec, 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Hukmnama News paper edition dated 21.07.2020.

The notice informed that public hearing would be conducted on 24.08.2020 at Rajiv seva Kendra, Village- Lasadiya, Tehsil-Kekri, District- Ajmer,(Raj.) with respect to mining project of Sh. Sanjay Bhardwaj pertaining to Granite mining lease having area of 1.3221 ha., with production capacity of 1,14,701 TPA (ROM). The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 24.08.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. Nil having mining leases with total lease area of 9.9572 ha. The details of cluster are as follows-

Sr. No.	Lease Address	Name of Project Proponent	M.L Area in ha	Mineral	M.L No.	Lease/EC Status
1	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	LOI Sh.SanjayBhardwaj	1.3221	Granite	Plot No. 17 (M.L no. 109/2018)	LOI
2	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	RamsawroopJat	1.00	Granite	M.L 194 A/2009	Operational Lease
3	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Ganpati Mines & Minerals	1.00	Granite	M.L 237A/2009	Operational Lease
4	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Deepak Tahlani	1.00	Granite	M.L 13/2018	Operational Lease
5	Near Village-	Rakesh Kumar	1.0636	Granite	M.L 14/2018	Operational

	Ekalsingha, Tehsil Kekri, District Ajmer	Lodha				Lease
6	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	NehaChaudhary	1.00	Granite	M.L 15/2018	Operational Lease
7	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Deepak Gujar	1.0052	Granite	M.L 17/2018	Operational Lease
8	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Sh. Sunil Kumar Jamar Now transferred to Marudhar Granites	1.4086	Granite	M.L 26/2018	Operational Lease
9	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Ramavtar	1.1577	Granite	M.L 29/2018	Operational Lease
		Total	**9.9572**			

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Sanjay Bharadwaj and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 24. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15707)/ 2019-20

Project Name: - Application for obtaining EC of Ekalsingha Granite Mining project, (M.L No.- 76/2018, Area- 1.5722 ha., with Production capacity- 2,10,276 TPA(ROM) located at village-Ekalsingha, Tehsil-Kekri, district-Ajmer, State-Rajasthan**,(Proposal No-56674).**

Project Proponent Name- Shri Papuram S/o Bhanwar Lal, C/o-Mamdoli, Distt.Nagaur, Email-papuram1997@gmail.com

Consultant Name- Fulgro Environmental & Engineering Services India Pvt. Ltd., Add-27,Ashok Vatika, Khatipura Road, Jhotwara, Jaipur, Email-info@fulgro.in,

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note: Proceeding of the meeting **4.18th** of SEAC held on **5th, 6th & 7th August 2019** at Agenda no**. 33**.

The PP has proposed to carry out mining of 2,10,276 TPA of ROM (1,89,250 TPA + Reject/waste 21,026) of Granite at M.L. No. 76/2018, Area 1.5722 ha, Khasra no. 411, 415, 416, 417, 407/1073, 407/997 having LOI dated 28.09.2018. Mining plan with respect to the LOI has been approved on 19.11.2018. AME, Sawar in his certificate dated 16.10.18 has certified that the mining lease does not fall in Aravalli hills. DFO, Ajmer in his certificated dated 18.06.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine.The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. It is a project having capital cost of Rs.1.00 Cr. The LOI of the PP is a part of cluster having area of 10.2073 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **6th August 2019**, inter alia, prescribed the following ToR vide letter dated **27.08.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from Oct, 2019 to Dec, 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Hukmnama News paper edition dated 21.07.2020.

The notice informed that public hearing would be conducted on 24.08.2020 at Rajiv seva Kendra, Village- Lasadiya, Tehsil-Kekri, District-Ajmer,(Raj.) with respect to mining project of Sh. Bhanwar Lal pertaining to Granite mining lease having area of 1.5722 ha., with production capacity of 210276 Ton. The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and

production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 24.08.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. Nil having mining leases with total lease area of 10.2073 ha. The details of cluster are as follows-

Sr. No.	Lease Address	Name of Project Proponent	M.L Area in ha	Mineral	M.L No.	Lease/EC Status
1	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	LOI Sh.Pappu Ram	1.5722	Granite	M.L no. 76/2018	LOI
2	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	RamsawroopJat	1.00	Granite	M.L 194 A/2009	Operational Lease
3	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Ganpati Mines & Minerals	1.00	Granite	M.L 237A/2009	Operational Lease
4	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Deepak Tahlani	1.00	Granite	M.L 13/2018	Operational Lease
5	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Rakesh Kumar Lodha	1.0636	Granite	M.L 14/2018	Operational Lease
6	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	NehaChaudhary	1.00	Granite	M.L 15/2018	Operational Lease
7	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Deepak Gujar	1.0052	Granite	M.L 17/2018	Operational Lease
8	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Marudhar Granites	1.4086	Granite	M.L 26/2018	Operational Lease
9	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Ramavtar	1.1577	Granite	M.L 29/2018	Operational Lease
		Total	**10.2073**			

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Shri Papuram and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

		Total	**14.2913**			

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely M/s Shree Mining Stone and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 26. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(16068)/ 2019-20

Project Name: - Final cluster EIA report for EC of Ekalsingha Granite Mining project, M.L No.- 09/2019, Area- 1.4469 ha., Production capacity- 2,16,517 TPA(ROM) located at village-Ekalsinga, Tehsil-Kekri, District-Ajmer, Rajasthan**,(Proposal No-56786).**

Project Proponent Name: - M/s Himalaya Granite, Add.- B- 24, Talwandi, Distt.-Kota (Raj.) Email – anuragbhatnagar57@gmail.com

Consultant Name:- Fulgro Environmental & Engineering Services India Pvt. Ltd., add: 27, Ashok Vatika, Khatipura Road, Jhotwara, Jaipur (Raj.), Email:- info@fulgro.in

Final minutes of 4.55th meeting held on 20 ,21 and 22 October, 2020

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note: Proceeding of the meeting **4.24th** of SEAC held on **14th, 15th ,16th & 17th Octomber 2019** at Agenda no**. 04**.

The PP has proposed to carry out mining of 2,16,517 TPA (ROM) of Granite at M L Area. 1.4469 Ha., M.L. No. 09/2019 and Khasra no412, 413, 425, 426, 427, 428 & 431 Near Village- Ekalsingha, Teshil- Kekri District Ajmer (Rajasthan). The SME, Ajmer has granted LOI of mineral on 27.02.19. The mining plan has been approved by the SME, Ajmer vide letter dated 23.04.2019. AME, Sawar in his certificate dated 19.06.19 has stated that the mining lease does not fall in Aravalli hills. It is a new project having capital cost of Rs.80 Lakh. The LOI of the PP is a part of cluster having area of 10.0820 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **14th Octomber 2019**, inter alia, prescribed the following ToR vide letter dated **24.10.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from Oct, 2019 to Dec, 2019.

Following issue of ToR with respect to the said project notice for public hearing was published in the Rastradoot Ajmer and Hukmnama News paper edition dated 21.07.2020.

The notice informed that public hearing would be conducted on 24.08.2020 at Rajiv seva Kendra, Village- Lasadiya, Tehsil-Kekri, District-Ajmer,(Raj.) with respect to mining project of M/s Himalaya Granite pertaining to Granite mining lease having area of 1.4469 ha., with production capacity of 2,16,517 Ton. The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public

hearing dated 24.08.2020 show that the public hearing was conducted only with respect to the said mining leases and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. Nil having mining leases with total lease area of 10.0820 ha. The details of cluster are as follows-

Sr. No.	Lease Address	Name of Project Proponent	M.L Area in ha	Mineral	M.L No.	Lease/EC Status
1	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	M/s Himalaya Granite	1.4469	Granite	M.L No. 9/2019	LOI
2	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	RamsawroopJat	1.00	Granite	M.L 194 A/2009	Operational Lease
3	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Ganpati Mines & Minerals	1.00	Granite	M.L 237A/2009	Operational Lease
4	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Deepak Tahlani	1.00	Granite	M.L 13/2018	Operational Lease
5	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Rakesh Kumar Lodha	1.0636	Granite	M.L 14/2018	Operational Lease
6	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	NehaChaudhary	1.00	Granite	M.L 15/2018	Operational Lease
7	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Deepak Gujar	1.0052	Granite	M.L 17/2018	Operational Lease
8	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Marudhar Granites	1.4086	Granite	M.L 26/2018	Operational Lease
9	Near Village-Ekalsingha, Tehsil Kekri, District Ajmer	Ramavtar	1.1577	Granite	M.L 29/2018	Operational Lease
		Total	**10.0820**			

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely M/s Himalaya Granite and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Agenda no. 27. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B1(15547)/ 2019-20

Project Name:- EC for Iron ore Mining Project, M.L. No. 06/2005, mine lease Area 4.20 Hect., with Production Capacity- 1,21,750 TPA (ROM), Khasra No.- 520, 532, 533, 534, 535, 540, 541, 542, 543, 531, 564, 565, 529, 530, 521, 522, 523 and 990/522, Add.- Village- Papra, Tehsil- Udaipurwati, Distt.- Jhunjunu, (Raj.) **(Proposal No. - 51222).**

Project Proponent Name:- Shri Deepak Singh, Add.- Tatera, Tehsil- Shri Madhopur, District- Sikar, (Raj.), Email- deepaksingh062005@gmail.com.

Consultant Name:- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.), Email-mkguptarqp@gmail.com,rme. envirotech@gmail.com.

The particulars of the project, in brief, as submitted by the PP are as follows:

1.	Category / Item no.(in Schedule):	B-1
2.	Location of Project	Near Villages- Papra, Tehsil - Udaipurwati, District – Jhunjhunu Rajasthan, falls within the Survey of India Toposheet No. 45M/10.
3.	Project Details M.L. No. /Production capacity	ML. No. 06/05 Area- 4.20 Ha. Khasra No. - 520, 532, 533, 534, 535, 540, 541, 542, 543, 531, 564, 565, 529, 530, 521, 522, 523 and 990/522 Proposed production capacity 1, 21,750 TPA ROM
4.	Project Cost:	50.00 Lakh
5.	Water Requirement & Source	5.0 KLD from nearby village (Papra) through tankers.
6.	Fuel & Energy:-	400 LPD
7.	Application No. & Date & documents submitted :-	Submission of TOR application- 07.12.2018 Submission of EC application-SIA/RJ/MIN/51222/2018 Dated- 26.05.2020

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. Initially the mining lease no. 6/2005, for Iron Ore, comprising area of 4.20 ha. was granted in favour of Sh. Girdhari Singh vide letter dated 26.08.2008. The lease deed was executed and registered on 22.10.2008 for 30 years. On the death of Sh. Girdhari Singh the lease was muted in favour of Sh. Deepak Singh S/o Sh. Girdhari Singh vide letter dated 16.01.2018. Agreement to this affect was executed on 02.02.2018. Further lease period was auto extended for 50 years i.e. up to 21.10.2058.

The SEAC in pursuance to the decision taken by it in its 4.7th meeting held on 28 Dec-3rd January, 2019 issue the ToR vide letter dated 07.03.2019 for undertaking Environment Impact Assessment and preparation of Environment Management Plan as also for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan with respect to the proposed project.

The PP, following issue of ToR, collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from March 2019 to May 2019 and also got public hearing conducted on 24.12.2019 at, Tehsil-Udaipurwati, District- Jhunjhunu, (Raj.). The PP, during public hearing, undertook to plant 554 trees and assigned budget of Rs. 2.77 lakh for this purpose. The PP committed to spend Rs. 2.00 lakh on water harvesting system and assigned Rs. 2 lakh as capital expenditure and Rs. 50 lakh per annum as recurring expenditure for the same. The PP also committed to spend Rs. 0.8 lakh annually for control of Air, Water and Noise pollution. Besides these activities PP also undertook that he will provide employment to the local people.

The PP vide letter dated 26.06.2020 has submitted report on Environment Impact Assessment Study and Environment Management Plan etc. in pursuance to compliance of ToR along with application for obtaining EC for Iron ore Mining Project, M.L. No. 06/2005, mine lease Area 4.20 Hect. , Production Capacity- 1,21,750 TPA (ROM), Khasra No.- 520, 532, 533, 534, 535, 540, 541, 542, 543, 531, 564, 565, 529, 530, 521, 522, 523 and 990/522, Add.- Village- Papra, Tehsil- Udaipurwati, Distt.- Jhunjhunu, (Raj.) **(Proposal No.- 51222).** The review mining plan with respect to the project has been approved by the Regional controller of Mines (IBM), Ajmer vide letter dated 21/28.08.2018. ME, Jhunjhunu in his certificate dated 20.10.2020 has stated that the mining lease does not fall in Aravalli hills. The DCF, Jhunjhunu in his certificate dated 13.02.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and

Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

It is stated that the project does not involve clearance under the Wildlife (Protection) Act, 1972 and Forest Conservation Act, 1980. No National Park, Wildlife Sanctuary exist within 10 Km of the boundary of the project site. There is no National or State boundary within 10 Km radius of the project site. No litigation is pending against the project and/ or land in which the project is proposed to be setup. The PP and the consultant have submitted affidavits, stating that the no activity relating to the proposed project has been undertaken at the site in violation of the EIA Notification dated 14.09.2006 and amendments made thereafter.

Sh. Anil Kumar Chetani vide letter dated 19.10.2020 has submitted a representation to the SEAC regarding grant of EC to the said project. In the representation it is stated that Sh. Anil Kumar Chetani is the owner/ khatedari of the land falling in Khasra no. 520, 529, 530, 540, 541 and 542 and requested for withholding the grant of EC to the said project. With the representation the PP has also submitted copy of jamabandi reports in support of his representation. The SEAC considered the representation and documents submitted with it and observed that there is no substance in the representation. The certificate dated 22.10.2020 of ME, Jhunjhunu clearly states that M.L. No. 6/05, for mining of Iron Ore, comprising Khasra no. 520, 532, 533, 534, 535, 540, 541, 542, 543, 531, 564, 565, 529, 530, 521, 522, 523 and 990/522, was granted to Sh. Girdhari Singh vide order dated 26.08.2008/ 06.10.2008 for 30 years. The lease deed in this regard was executed and registered on 13.10.2008 and 22.10.2008, respectively. The lease is valid for 30 years from 13.10.2008. The certificate further says that after the death of Sh. Girdhari Singh the lease deed was transferred in favour of Sh. Deepak Singh S/o Sh. Girdhari Singh. The rider agreement in this regard was executed on 02.02.2018 for the remaining period. The certificate also says that the validity of lease came to be extended up to 21.10.2058 by virtue of the provisions of the MMDR Act 2015.

The PP in the report regarding damage assessment and Remediation Plan stated that the total budget for Remediation Plan, Natural Resource Augmentation Plan, Community Resource Augmentation Plan and Economic benefit derived due to violation is Rs 4,17,000/.

The SEAC also noted the provisions of para 13(3) of the EIA Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC which provide that in cases of violation, action will be taken against the PP by respective State or State Pollution Control Board under the provisions of section 19 of the Environment (Protection), Act, 1986 and further no consent to operate or occupancy certificate will be issued till the project is granted EC.

Resolution:

The SEAC after thorough appraisal of the project and having regard to information contained in Form-1, Form-2 and other documents & additional documents submitted by the PP, outcome of public hearing, final EIA/EMP reports, reports of Remediation Plan - Natural Resource Augmentation Plan - Community Resource Augmentation Plan - Economic Benefit derived due to violation, clarification by the PP during presentation, resolved to recommend

to SEIAA for grant of EC to Shri Deepak Singh for Iron or Mining Project, M.L. No. 06/2005, mine lease Area, 4.20 Hect., with Production Capacity 1,21,750 TPA (ROM), Khasra No. 520, 532, 533, 534, 535, 540, 541, 542, 543, 531, 564, 565, 529, 530, 521, 522, 523 and 990/522, Add.- Village- Papra, Tehsil- Udaipurwati, Distt.- Jhunjunu, (Raj.), **after having finalized the quantum of amount, specified in the observations, for remediation plan and natural & community resource augmentation plan, by SEIAA and after ensuring deposition of bank guarantee of the finalized amount with the RSPCB, as per the provisions of the Notification dated 14.03.2017 and 08.03.2018 by the PP, subject to the conditions mentioned hereinbelow:**

The SEAC further resolved to recommend to SEIAA to endorse copy of EC to the RSPCB and the Department of Mines & Geology for taking action against the PP in terms of the Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC, in accordance with the provisions of section 19 of the Environment (Protection), Act, 1986 and for ensuring that mining operations do not commence till the entire compensation is deposited by the PP as per the conditions mentioned in the EC.

Specific conditions in terms of Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC:

1. The PP shall allocate and spend an amount of Rs. 4,17,000/- towards Remediation Plan and Natural & Community Resource Augmentation plan within a span of three years, as per the details given below:

Remediation Plan & Budgetary Provisions:

S. No.	Particulars	Remediation Budget (INR)
1.	Air Environment	1. Regular watering of transport road using water tanker = Rs.25,000/- 2. Covering of loaded tippers with tarpaulins = Rs. 5,000 /- 3. Plantation around periphery= Rs.10,000/-
2.	Soil Environment	Plantation and stabilization of top soil= Rs. 12,000/-
3.	Noise Environment	Earplugs for labour= Rs. 5,000/-
4.	Socio-Economic Environment	Organizing health check-up camps in village Bagholi - Rs. 30,000/-
5.	Water Environment	Construction of septic tank & soak pit = Rs. 10,000/-
6.	Biological Environment	Plantation and green belt development within premises= Rs.10,000/-

Total	Rs. 1,07,000/-

Total Budget for Remediation Plan- Year Wise:

S. No.	Activity	Year – Wise Implementation Budget (INR)			Total Budget (INR)
		1st year	2nd year	3rd year	
1.	Air Environment	36,000	2000	2000	40,000
2.	Soil Environment	9,000	15,00	15,00	12,000
3.	Noise Environment	3000	1000	1000	5,000
4.	Socio-Economic Environment	10,000	10,000	10,000	30,000
5.	Water environment	9000/-	1000/-	1000/-	10,000
6.	Biological Environment	3,334	3,333	3,333	10,000
	Total				**1,07,000**

Natural Resource Augmentation Plan- Year Wise:

S. No.	Activity	Year – Wise Implementation Budget (INR)			Total Budget (INR)
		1st year	2nd year	3rd year	
1.	Avenue Plantation (500 m) – 30 plants on each side of the road.	10,000	10,000	10,000	30,000
2.	Maintenance of Avenue Plantation.	3,334	3,333	3,333	10,000
3.	One rain water harvesting in the Govt. Sr. Sec. School Bagholi. along with maintenance.	30,000	2,500	2,500	35,000
	Total				**75,000**

Community Resource Augmentation Plan- Year Wise:

S. No.	Activity	Year – Wise Implementation Budget (INR)			Total Budget (INR)
		1st year	2nd year	3rd year	
1.	Construction One Room with Baramda in Govt. Sr. Sec. School Bagholi.	50,000	50,000	50,000	1,50,000

2.	Toilet facilities in Govt. Sr. Sec. School Bagholi.	25,000	5,000	5,000	35,000
	Total				**1,85,000**

Economic Benefit derived due to violation:

Cost of environment protection measures and other activities is approximately **Rs 50,000 to be spent** for Furniture (100 set), inverter double battery, fan-10 sets, in Govt. Sr. Sec. School in Bagholi. i.e. Govt. school / building in village Bagholi.

Total budget for Remediation, Natural & Community Resource Augmentation Plan and Economic Benefit.

S. No.	Particulars	Proposed Budget (INR)
1.	Remediation Plan	1,07,000/-
2.	Natural Resource Augmentation Plan	75,000/-
3.	Community Resource Augmentation Plan	1,85,000/-
4.	Economic Benefit Derived due to violation	50,000/-
Total		**INR 4,17,000/-**

2. The Remediation plan shall be completed in three years whereas the Bank Guarantee shall be for five years.
3. The Bank Guarantee of Rs 4,17,000/- is to be deposited by the PP towards Remediation plan, Natural & Community Resources Augmentation Plan and the amount of economic benefit derived due to violation of EIA Notification with the RSPCB before the EC is granted by SEIAA. The Bank Guarantee shall be released by the RSPCB after successful implementation of the Remediation plan and Community Resources Augmentation Plan and after recommendation by the Regional Office of the Ministry, Expert Appraisal Committee or State Level Expert Appraisal Committee and approval of the regulatory authority.
4. The PP shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others before grant of ToR/EC. The undertaking shall inter-alia include commitment of the PP not to be repeat any such violation in future.
5. In case of violation of the above undertaking/ affidavit, the ToR/EC shall be liable to be terminated forthwith.
6. The environmental clearance will not be operational, till such time the project proponent complies with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.
7. The department of Mines & Geology shall ensure that the mining operations shall not commence till the entire compensation for illegal mining, is paid, by the project proponent through the Department of Mines and Geology, in strict compliance of the

judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.

SPECIFIC CONDITIONS

1. This EC is granted for mining of the mineral with production mentioned in the above table subject to the stipulation that the PP shall abide by the annual/ permitted production schedule specified in the mining plan and that any deviation theirin will render the PP liable for legal action in accordance with Environment and Mining Laws.
2. The PP shall obtain Consent to Establish and Operate from the Rajasthan State Pollution Control Board under the provisions of the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981, before carrying out mining activity.
3. The PP shall comply with the provisions of the Mines and Minerals (Development and Regulation) Act, 1957 and the rules made thereunder.
4. As stated by the PP, the total water requirement for the project shall be limited as mentioned above. Necessary permission for withdrawal of ground water, if required, shall be taken from CGWA.
5. The PP shall invest the amount mentioned above towards annual cost for implementing the Environment Management Plan.
6. The amount of CER as mentioned above shall be spent for socio economic up-liftment activities of the area particularly in the field of education, health, sanitation and other need based social activities in the nearby areas of the mining lease, such as improvement of the infrastructure of government schools etc. and as per the OM dated 01.05.2018 MoEF & CC. This amount should be effectively utilized and reflected in the books of accounts. Relevant report of the same should be made a part of social monitoring and six monthly compliance reports should be submitted to RSPCB, SEIAA and Regional Office of the MoEF & CC.
7. The mining operations shall not intersect groundwater table. In cases of mining of other than river sand mining, below ground water table, prior approval of the Central Ground Water Authority shall be obtained.
8. The PP shall construct Rain Water Harvesting Structure and Artificial Recharge Structure in the lease area as also implement other/suitable conservation measures to augment ground water resources in the area in consultation with the Regional Director, CGWB.
9. Occupational health and safety of mine labour shall be given the highest priority.
10. Budgetary provision, as mentioned above for the laborers working in the Mine, for all necessary infrastructure facilities such as health facility, sanitation facility, fuel for cooking, along with safe drinking water, medical camps, and toilets for women, crèche for infants; should be made and submitted to RPCB, Jaipur at the time of CTE/CTO. The housing facilities and Group Insurance should be provided for mining labours.
11. Topsoil shall be stacked temporarily at the earmarked sites only and it should not be kept unutilized for a period more than three years; it should be used for land reclamation and plantation in mined out areas.
12. The project proponent shall ensure that no natural water course / water body is obstructed due to any mining operations.
13. The waste should be dumped at the designated site as per approved Mining Plan on non-mineralized land within lease area or outside lease area, at the land provided by district authority or occupied by the lessee/STP/Quarry license holder. The height of the dump shall be as per the approved mining plan and toe of the dump should have retaining wall.

14. The bench height, width and slope shall be maintained as per the MMR 1960 or the DGMS approval.
15. Garland drains; settling tanks and check dams of appropriate size, gradient and length shall be constructed both around the mine pit and over burden dumps and sump capacity should be designed keeping 50 % safety margin over and above peak sudden rainfall (based on 50 years data) and maximum discharge in the area adjoining the mine site. Sump capacity should also provide adequate pits, which should be constructed at the corners of the garland drains and de-silted.
16. Drills shall either be operated with dust extractors or equipped with water injections system.
17. As envisaged, plantation shall be raised in an area of 33% of total area including green belt in the safety zone around the mining lease by planting the native species around ML area, OB dumps, backfilled and reclaimed around water body, roads etc. or outside lease area in consultation with the Gram Panchayat or Forests Department in the coming rainy season.
18. Regular water sprinkling should be carried out in critical areas prone to air pollution and having high levels of SPM and RSPM such as haul roads, loading and unloading points and transfer points. It should be ensured that the Ambient Air Quality parameters conform to the standards prescribed by the MoEF & CC.
19. Data on ambient air quality and stack emissions should be submitted to Rajasthan State Pollution Control Board once in six months, carried out by MOEF/ NABL/ CPCB/ RSPCB/ Government approved lab.
20. Blasting operation should be carried out only during the daytime with safe blasting parameters.
21. The project proponent shall take all due care to protect the existing flora and fauna. Utmost precaution shall be taken to conserve wildlife.
22. The PP shall carry out mining activities with open cast method.
23. In the project related to Bajri mining the PP shall follow the Sustainable Sand Mining Guidelines 2016 laid down by the MoEF & CC, GOI. The Bajri sand mining activity is restricted to three meters from ground level or water level whichever is less and the PP shall carry out river sand (Bajri) mining activity manually/ semi mechanized as provided under the Sustainable Sand Mining Management Guidelines, 2016.
24. The PP shall comply with the guidelines issued by the MoEF & CC/ CPCB/ RSPCB, from time to time, with respect to stone crushing units if installed in the lease area.

Specific Conditions applicable, in the cases of violation in terms of the Notification dated 14.3.2017 and 8.3.2018 and OMs dated 30.5.2018, 4.7.2018 of the MoEF&CC :

1. The PP shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others before grant of ToR/EC. The undertaking inter-alia include commitment of the PP not to be repeat any such violation in future.
2. In case of violation of above undertaking/ affidavit, the ToR/EC shall be liable to be terminated forthwith.
3. The environmental clearance will not be operational, till such time the project proponent complies with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.

4. The department of Mines & Geology shall ensure that the mining operations shall not commence till the entire compensation levied, if any, for illegal mining, is paid, by the project proponent through the Department of Mines and Geology, in strict compliance of the judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.

GENERAL CONDITIONS

1. That the grant of this E.C. is issued from the environmental angle only, and does not absolve the project proponent from the other statutory obligations prescribed under any other law or any other instrument in force. The sole and complete responsibility, to comply with the conditions laid down in all other laws for the time-being in force, rests with the industry / unit / project proponent. Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under section 16 of the National Green Tribunal Act, 2010.
2. No further expansion or modifications in the project shall be carried out without prior approval of the SEIAA/Ministry of Environment and Forests as the case may be. In case of deviations or alterations in the project proposal from those submitted to this Authority for clearance, a fresh reference shall be made to the Authority to assess the adequacy of conditions imposed and to add additional environmental protection measures required, if any.
3. The implementation of the project vis-à-vis environmental action plans shall be monitored by MoEF Regional Office at Lucknow / RSPCB / CPCB / SEIAA, Department of Environment, Government of Rajasthan, Jaipur and this office. A six monthly compliance status report shall be submitted to monitoring agencies.
4. The EC is liable to be rejected, in case it is found that the PP has deliberately concealed and furnished false and misleading information or data which is material to screening or scoping or appraisal or decision on the application for EC.
5. The project authorities shall inform the MoEF Regional Office at Lucknow / RSPCB / CPCB / SEIAA, Department of Environment, Government of Rajasthan, Jaipur and the date of financial closure and final approval of the project by the concerned authorities and the date of start of the project.
6. Officials from the Department of Environment, Government of Rajasthan, Jaipur/ Regional Office of MoEF, Lucknow, RSPCB who would be monitoring the implementation of Environmental safeguards should be given full cooperation, facilities and documents/data by the project proponents during their inspection. A complete set of all the documents submitted to SEIAA should be forwarded to the CCF, Regional Office of MoEF, Lucknow / SEIAA, Department of Environment, Government of Rajasthan, Jaipur / RSPCB.
7. The Authority reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provision of the Environment (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.
8. The project proponent should advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded environmental Clearance and copies of clearance letters are available with the Rajasthan State Pollution Control Board and may also be seen on the website of the RSPCB. The advertisement should be made within 7 days from the day of issue of the clearance letter and a copy of the same should be forwarded to the Regional Office of

MoEF at Lucknow/Department of Ecology and Environment, Government of Rajasthan, Jaipur.

9. The above condition shall be enforced among others under the provisions of water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991 and EIA Notification, 2006, along with their amendments and rules.
10. The PP shall obtain prior clearance form forestry and wild Life angle including clearance from standing committee of National Board of Wild Life (if applicable). It is further categorically stated that grant of EC does not necessary imply that Forestry and Wild Life clearance shall be granted to the project and that proposals for forestry and wild Life clearance will be considered by the respective authorities on their merits and decision taken. The investment made in the project, if any based on EC so granted, in anticipation of clearance form Forestry and Wild Life angle shall be entirely at the cost risk of the PP and MOEF/SEIAA shall not be responsible in this regard in any manner.
11. The SEIAA, Rajasthan may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
12. Main haulage road should be provided with permanent water sprinklers and other roads should be regularly wetted with water tankers fitted with sprinklers. The material transfer points should invariably be provided with Bag filters and or dry fogging system. In case of Belt- conveyors facilities the system should be fully covered to avoid air borne dust; Use of effective sprinkler system to suppress fugitive dust on haul roads and other transport roads shall be ensured.
13. Periodic monitoring of ambient air quality shall be carried out for PM10, PM2.5, SPM, SO2 and NOx monitoring. Location of the stations (minimum 6) shall be decided based on the meteorological data, topographical features and environmentally and ecologically sensitive targets and frequency of monitoring shall be decided in consultation with the Rajasthan State pollution Control Board (RPCB). Six monthly reports of the data so collected shall be regularly submitted to the RPCB/CPCB including the MoEF, Regional office, Lucknow.
14. Personnel working in dusty areas shall wear protective respiratory devices they shall also be provided with adequate training and information on safety and health aspects.
15. The ambient noise level should confirm to the standards prescribed under E (P) A Rules, 1986 viz 75 dB (A) during day time and 70 dB (A) during night time.
16. The PP shall submit an environmental statement for the financial year ending 31st March in Form-V as prescribed under the environment (Protection) Rules, 1986, as amended subsequently on or before the 30th day of September every year, to the Rajasthan State Pollution Control Board/SEIAA and shall also be put on the website of the company along with the status of compliance of environmental clearance conditions and shall also be sent to the Lucknow Regional offices of MoEF/SEIAA by e-mail as well as hard copy duly signed by competent person of company.
17. Mining Department will ensure that while executing the mining lease, if the mine falls in a cluster, then lease will be executed after EIA/EMP study as well as grant of revised EC for the cluster as applicable.
18. The Mining lease holder shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to his mining

activities and restored the land to a condition which is fit for growth of fodder, flora, fauna etc.

Agenda no. 28. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(18259)/ 2019-20

Project Name:- Environmental Clearance for Granite Mining Project (M.L. No.- 79/18, Area 2.6797 Ha., proposed production 2,81,601 TPA (ROM) (Saleable Mineral- 1,68,961 & Waste -1,12,640)., Khasra No.- 358, 359, 360, 361, 362, 363, 364, 366, Village- Raghunathpura, Tehsil –Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster **(Proposal No.- 53816).**

Project Proponent Name:- M/s Geetanjali Granite, Shri Lakha Ram Gurjar (Partner), Add.- N/v- Raghunathpura, Tehsil- Kareda, Distt.- Bhilwara (Raj.), Email-geetanjaligranite@gmail.com

	Total	**6200**	**15.5**	**7,50,000**		

17 Budgetary Breakup for Labour

S. No.	Labour Welfare Amenities For Workers	Amount (in Rupees)
1.	Rest Shelter	8,000
2.	Health Facility	10,000
3.	Drinking water	8,000
4.	Sanitation Facility	7,000
5.	Fuel for cooking	7,000
6.	Education for Children	10,000
Total		**50,000**

18 Present Status

This is a fresh LOI of Granite Mining Project.

The LOI has been extended vide letter mo. SME/Bhil- Circle /C.C.2 /Bhil /ML. 79/2018/1361 dated 12.10.2020 valid up to 02.12.2020

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP namely Sh. Lakha Ram Gurjar, Partner has submitted application for obtaining EC for Granite Mining Project (M.L. No.- 79/18, Area 2.6797 Ha., proposed production 2,81,601 TPA (ROM) (Saleable Mineral- 1,68,961 & Waste -1,12,640)., Khasra No.- 358, 359, 360, 361, 362, 363, 364, 366, Village- Raghunathpura, Tehsil – Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster.

The background of the proposal is that the PP, vide letter dated 26.09.2019, submitted application for obtaining ToR for conducting Environment Impact Assessment and preparing Environment Management Plan, with respect to the proposed project. The proposed project is a part of Cluster no. 21 A, Add- Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, having area of 341.25 ha., comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha., with total production capacity of 53,95,701 TPA (ROM). The SEAC in its 4.17th meeting held on 29th to 31st July, 2019 and 4.23rd meeting held on 23 Sept, 2019, considered the proposal submitted by the PP and accordingly determined the ToR. ToR was issued to the PP vide letter dated 19.08.2019 and 26.09.2019. The baseline data for the project had been collected by the PP during Dec, 2018 to Feb, 2019 (winter season) for the entire cluster of which the proposed project is one of the constituent part. The Public hearing was conducted on 11.03.2020 at Rajiv Gandhi Seva Kendra, Gram Panchayat Chitamba, Tehsil Kareda, District Bhilwara for the entire cluster of which the proposed project is one of the constituent part. During public hearing inhabitants of the nearby areas raised concerned about control of pollution due to mining activity and development of the local area and other facilities for local villagers such as health check up camps in the villages, development of drinking water facility in the nearby Govt. and Private Schools, vocational training centre for improving working efficiency of mine workers etc. During public hearing the PP committed to spend 24.80 lakhs as capital budget for green belt development and Rs. 4.50 lakhs as recurring cost for the same. The PP also committed to provide 6 lakhs capital budget and 15.17 lakhs recurring (annual budget) on social welfare activities for the benefit of local people. The PP, vide letter dated 22.07.2020, has submitted final EIA/EMP report prepared for the entire cluster, along with proceedings of the public hearing. The SME, Bhilwara has vide letter dated 23.06.2020 approved mining plan for the entire Granite mining project of cluster no. 21 A, having area of 341.25 ha., Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha. with total production capacity of 53,95,701 TPA of Granite.

The SME, Bhilwara vide letter dated 12.10.2018 has granted LOI to the proposed project. The LOI is valid up to 02.12.2020. The SME, Bhilwara vide letter dated 22.11.2018 has approved mining plan pertaining to the proposed project. ME, Bhilwara in his certificate dated 20.11.2018 has stated that the mining lease does not fall in Aravalli hills. DCF,

Bhilwara and Rajsamand in their certificates dated 17.07.2020 and 23.07.2020, respectively have stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. The PP has stated that no litigation is pending against the project and or land in which the project is proposed to be set up. He has further stated that the project does not involve approval or clearance under the Forest (Conservation) Act, 1980 and Wildlife (Protection) Act, 1972.

Resolution:

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC to M/s Geetanjali Granite, Shri Lakha Ram Gurjar (Partner), Add.- N/v- Raghunathpura, Tehsil- Kareda, Distt.- Bhilwara (Raj.) for Granite Mining Project (M.L. No.- 79/18, Area 2.6797 Ha., proposed production 2,81,601 TPA (ROM) (Saleable Mineral- 1,68,961 & Waste -1,12,640)., Khasra No.- 358, 359, 360, 361, 362, 363, 364, 366, Village- Raghunathpura, Tehsil –Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster **(Proposal No.- 53816)**, with the stipulation that the PP shall abide by the annual production schedule specified in the mining plan for the proposed project and that any deviation therein will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Project Proponent Name:**- M/s Geetanjali Granite, Shri Lakha Ram Gurjar (Partner), Add.- N/v- Raghunathpura, Tehsil- Kareda, Distt.- Bhilwara (Raj.), Email- geetanjaligranite@gmail.com, **Consultant Name:**- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.), Email- mkguptarqp@gmail.com, rme.envirotech@gmail.com}.

Agenda no. 29. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(18260)/ 2019-20

Project Name:- Environmental Clearance for Granite Mining Project, Plot No.- 29, Area 1.9936 Ha., Production Capacity-1,76,333 TPA (ROM) (Saleable Mineral- 1,05,800 TPA & Waste Mineral is 70,533 TPA) ,Khasra No. 182/1, 183, 184, 185, 186, Village- Raghunathpura, Tehsil –Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster **(Proposal No.- 53934).**

18 Present Status

This is a fresh LOI of Granite Mining Project.
The LOI has been extended vide letter mo. SME/Bhil- Circle /C.C.2 /Bhil /ML. 29/2018/1359 dated 12.10.2020 and valid up to 28.12.2020.

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP namely Sh. Vinod Agarwal, Partner has submitted application for obtaining EC for Granite Mining Project (Plot No.- 29, Area 1.9936 Ha., proposed Production

Capacity-1,76,333 TPA (ROM) (Saleable Mineral- 1,05,800 TPA & Waste Mineral is 70,533 TPA) ,Khasra No. 182/1, 183, 184, 185, 186, Village- Raghunathpura, Tehsil –Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster.

The background of the proposal is that the PP, vide letter dated 26.09.2019, submitted application for obtaining ToR for conducting Environment Impact Assessment and preparing Environment Management Plan, with respect to the proposed project. The proposed project is a part of Cluster no. 21 A, Add- Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, having area of 341.25 ha., comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha., with total production capacity of 53,95,701 TPA (ROM). The SEAC in its 4.17th meeting held on 29th to 31st July, 2019 and 4.23rd meeting held on 23 Sept, 2019, considered the proposal submitted by the PP and accordingly determined the ToR. ToR was issued to the PP vide letter dated 19.08.2019 and 26.09.2019. The baseline data for the project had been collected by the PP during Dec, 2018 to Feb, 2019 (winter season) for the entire cluster of which the proposed project is one of the constituent part. The Public hearing was conducted on 11.03.2020 at Rajiv Gandhi Seva Kendra, Gram Panchayat Chitamba, Tehsil Kareda, District Bhilwara for the entire cluster of which the proposed project is one of the constituent part. During public hearing inhabitants of the nearby areas raised concerned about control of pollution due to mining activity and development of the local area and other facilities for local villagers such as health check up camps in the villages, development of drinking water facility in the nearby Govt. and Private Schools, vocational training centre for improving working efficiency of mine workers etc. During public hearing the PP committed to spend 24.80 lakhs as capital budget for green belt development and Rs. 4.50 lakhs as recurring cost for the same. The PP also committed to provide 6 lakhs capital budget and 15.17 lakhs recurring (annual budget) on social welfare activities for the benefit of local people. The PP, vide letter dated 22.07.2020, has submitted final EIA/EMP report prepared for the entire cluster, along with proceedings of the public hearing. The SME, Bhilwara has vide letter dated 23.06.2020 approved mining plan for the entire Granite mining project of cluster no. 21 A, having area of 341.25 ha., Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha., with total production capacity of 53,95,701 TPA of Granite.

The SME, Bhilwara vide order dated 29.01.2018 has issued LoI to the PP for mining of Granite which was valid up to 18 months. SME, Bhilwara further extended the LoI vide letter dated 12.10.2020 valid up to 28.12.2020. The mining plan has been approved by the SME, Bhilwara vide letter dated 19.02.2018. ME, Bhilwara in his certificate dated 29.01.2018 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara and Rajsamand in their certificates dated 17.07.2020 and 23.07.2020, respectively have stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. The PP has

stated that no litigation is pending against the project and or land in which the project is proposed to be set up. He has further stated that the project does not involve approval or clearance under the Forest (Conservation) Act, 1980 and Wildlife (Protection) Act, 1972.

Resolution:

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC to M/s Jagdamba Granite, Vinod Agarwal (Partner), Add.- Reghunathpura, Chawanda Chowk, Ward No.,- 10, Kareda, Tehsil- Kareda, Distt.- Bhilwara (Raj) for Granite Mining Project, Plot No.- 29, Area 1.9936 Ha., Production Capacity-1,76,333 TPA (ROM) (Saleable Mineral- 1,05,800 TPA & Waste Mineral is 70,533 TPA), Khasra No. 182/1, 183, 184, 185, 186, Village- Raghunathpura, Tehsil –Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster **(Proposal No.- 53934)**, with the stipulation that the PP shall abide by the annual production schedule specified in the mining plan for the proposed project and that any deviation therein will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Project Proponent Name:**- M/s Jagdamba Granite, Vinod Agarwal (Partner), Add.- Reghunathpura, Chawanda Chowk, Ward No.,- 10, Kareda, Tehsil- Kareda, Distt.- Bhilwara (Raj), Email- jagdambagranite@rediffmail.com, **Consultant Name:**- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.), Email-mkguptarqp@gmail.com, rme.envirotech@gmail.com}.

18 Present Status

This is a fresh LOI of Granite Mining Project.
The LOI has been extended vide letter no. SME/Bhil- Circle /C.C.2 /Bhil /Plot No. 28/2017/1446 dated 19.10..2020 and valid up to 28.12.2020

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP namely Shri Sukhalal Gurjar, Partner has submitted application for obtaining EC Granite Mining Project, Plot No.- 28, Area 2.3926 Ha., Production Capacity- 2,85,029 TPA (ROM) (Saleable Mineral- 1,71,018 TPA & Waste Mineral- 1,14,011 TPA), Khasra No.- 538, 539, 540, 541, 544, 545/1, 545/2, 545/3, 545/4, 546, 553, 548, 549, 550, 551/1, 551/2, 551/3, 551/4, 552, 552/1, 553, 556, 557, Village- Gordhanpura, Tehsil– Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster.

The background of the proposal is that the PP, vide letter dated 26.09.2019, submitted application for obtaining ToR for conducting Environment Impact Assessment and preparing Environment Management Plan, with respect to the proposed project. The proposed project is a part of Cluster no. 21 A, Add- Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, having area of 341.25 ha., comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha., with total production capacity of 53,95,701 TPA (ROM). The SEAC in its 4.17th meeting held on 29th to 31st July, 2019 and 4.23rd meeting held on 23 Sept, 2019, considered the proposal submitted by the PP and accordingly determined the ToR. ToR was issued to the PP vide letter dated 19.08.2019 and 26.09.2019. The baseline data for the project had been collected by the PP during Dec, 2018 to Feb, 2019 (winter season) for the entire cluster of which the proposed project is one of the constituent part. The Public hearing was conducted on 11.03.2020 at Rajiv Gandhi Seva Kendra, Gram Panchayat Chitamba, Tehsil Kareda, District Bhilwara for the entire cluster of which the proposed project is one of the constituent part. During public hearing inhabitants of the nearby areas raised concerned about control of pollution due to mining activity and development of the local area and other facilities for local villagers such as health check up camps in the villages, development of drinking water facility in the nearby Govt. and Private Schools, vocational training centre for improving working efficiency of mine workers etc. During public hearing the PP committed to spend 24.80 lakhs as capital budget for green belt development and Rs. 4.50 lakhs as recurring cost for the same. The PP also committed to provide 6 lakhs capital budget and 15.17 lakhs recurring (annual budget) on social welfare activities for the benefit of local people. The PP, vide letter dated 22.07.2020, has submitted final EIA/EMP report prepared for the entire cluster, along with proceedings of the public hearing. The SME, Bhilwara has vide letter dated 23.06.2020 approved mining plan for the entire Granite mining project of cluster no. 21 A, having area of 341.25 ha., Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha. with total production capacity of 53,95,701 TPA of Granite.

The SME, Bhilwara vide order dated 29.01.2018 has issued LoI to the PP for mining of Granite which was valid upto 18 months. SME, Bhilwara further extended the LoI vide letter dated 27.08.2020 valid up to 28.10.2020. The mining plan has been approved by the SME, Bhilwara vide letter dated 19.02.2018. ME, Bhilwara in his certificate dated 29.01.2018 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara in his certificate dated 17.07.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. The PP has stated that no litigation is pending against the project and or land in which the project is proposed to be set up. He has further stated that the project does not involve approval or clearance under the Forest (Conservation) Act, 1980 and Wildlife (Protection) Act, 1972.

Resolution:

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC to M/s Nakota Granite, Shri Sukhalal Gurjar (Partner) for Granite Mining Project, Plot No.- 28, Area 2.3926 Ha., Production Capacity- 2,85,029 TPA (ROM) (Saleable Mineral- 1,71,018 TPA & Waste Mineral- 1,14,011 TPA), Khasra No.- 538, 539, 540, 541, 544, 545/1, 545/2, 545/3, 545/4, 546, 553, 548, 549, 550, 551/1, 551/2, 551/3, 551/4, 552, 552/1, 553, 556 and 557, Village- Gordhanpura, Tehsil– Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster **(Proposal No.- 54034).,** with the stipulation that the PP shall abide by the annual production schedule specified in the mining plan for the proposed project and that any deviation therein will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. { **Project Proponent Name:**- M/s Nakota Granite, Shri Sukhalal Gurjar (Partner), Add.- Ward No.- 4, Sadar Bazar, Chitamba, Tehsil- Kareda, Distt.- Bhilwara (Raj.), Email- nakoda01granite@gmail.com, **Consultant Name:**- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.), Email-mkguptarqp@gmail.com, rme.envirotech@gmail.com}.

1.	Rest Shelter	8,000
2.	Health Facility	10,000
3.	Drinking water	8,000
4.	Sanitation Facility	7,000
5.	Fuel for cooking	7,000
6.	Education for Children	10,000
Total		**50,000**

18 Present Status

This is a fresh LOI of Granite Mining Project.
The LOI has been extended vide letter mo.SME/Bhil-Circle/ C.C.2/ Bhil /Plot no.27/2017/1444 dated 19.10.2020 and valid up to 28.12.2020

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP namely Shri Mithulal Gurjar , Partner has submitted application for obtaining EC for Granite Mining Project for Granite Mining Project, Plot No.- 27/2017, Area 3.0 Ha., Production capacity 3,37,142 TPA (ROM) (Saleable Mineral- 2,02,285 TPA & Waste Mineral- 1,34,857 TPA), Khasra No.- 647/622, 651/395, 635/395, 1054/72, Village- Raghunathpura & Gordhanpura, Tehsil – Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster**.**

The background of the proposal is that the PP, vide letter dated 26.09.2019, submitted application for obtaining ToR for conducting Environment Impact Assessment and preparing Environment Management Plan, with respect to the proposed project. The proposed project is a part of Cluster no. 21 A, Add- Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, having area of 341.25 ha., comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha., with total production capacity of 53,95,701 TPA (ROM). The SEAC in its 4.17th meeting held on 29th to 31st July, 2019 and 4.23rd meeting held on 23 Sept, 2019, considered the proposal submitted by the PP and accordingly determined the ToR. ToR was issued to the PP vide letter dated 19.08.2019 and 26.09.2019. The baseline data for the project had been collected by the PP during Dec, 2018 to Feb, 2019 (winter season) for the entire cluster of which the proposed project is one of the constituent part. The Public hearing was conducted on 11.03.2020 at Rajiv Gandhi Seva Kendra, Gram Panchayat Chitamba, Tehsil Kareda, District Bhilwara for the entire cluster of which the proposed project is one of the constituent part. During public hearing inhabitants of the nearby areas raised concerned about control of pollution due to mining activity and development of the local area and other facilities for local villagers such as health check up camps in the villages, development of drinking water facility in the nearby Govt. and Private Schools, vocational training centre for improving working efficiency of mine workers etc. During public hearing the PP committed to spend 24.80 lakhs as capital budget for green belt development and Rs. 4.50 lakhs as recurring cost for the same. The PP also committed to provide 6 lakhs capital budget and 15.17 lakhs recurring (annual budget) on social welfare activities for the benefit of local people. The PP, vide letter dated 22.07.2020, has submitted final EIA/EMP report prepared for the entire cluster, along with proceedings of the public hearing. The SME, Bhilwara has vide letter dated 23.06.2020 approved mining plan for the entire Granite mining project of cluster no. 21 A, having area of 341.25 ha., Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha. with total production capacity of 53,95,701 TPA of Granite.

The SME, Bhilwara vide order dated 29.01.2018 has issued LoI to the PP for mining of Granite which was valid up to 18 months. SME, Bhilwara further extended the LoI vide letter dated 27.08.2020 valid up to 28.10.2020. The mining plan has been approved by the SME, Bhilwara vide letter dated 19.02.2018. ME, Bhilwara in his certificate dated 29.01.2018 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara in his certificate dated 17.07.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. The PP has stated that no litigation is pending against the project and or land in which the project is proposed to be set up. He has further stated that the project does not involve approval or clearance under the Forest (Conservation) Act, 1980 and Wildlife (Protection) Act, 1972.

Resolution:

Final minutes of 4.55th meeting held on 20 ,21 and 22 October, 2020

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC to M/s Bagmata Granite, Shri Mithulal Gurjar (Partner), Add.- In Front of Collectorate, Near Mukharji Udhan, Distt.- Bhilwara (Raj) for Granite Mining Project, Plot No.- 27/2017, Area 3.0 Ha., , Production capacity 3,37,142 TPA (ROM) (Saleable Mineral- 2,02,285 TPA & Waste Mineral- 1,34,857 TPA), Khasra No.- 647/622, 651/395, 635/395 and 1054/72, Village- Raghunathpura & Gordhanpura, Tehsil– Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster **(Proposal No.- 53816)**, with the stipulation that the PP shall abide by the annual production schedule specified in the mining plan for the proposed project and that any deviation therein will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Project Proponent Name:** M/s Bagmata Granite, Shri Mithulal Gurjar (Partner), Add.- In Front of Collectorate, Near Mukharji Udhan, Distt.- Bhilwara (Raj), Email- bagmata01granite@gmail.com, **Consultant Name:**- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.)}.

18	Present Status	This is a fresh LOI of Granite Mining Project. The LOI has been extended vide letter mo.AME/Bhil-Circle/ C.C.2/ Bhil /M.L. 52/2018/1357 dated 12.10.2020 and valid up to 03.12.2020		

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP namely Shri Anil Kumar Mehta (Partner) has submitted application for obtaining EC for Granite Mining Project, ML No.- 52/2018, Area 2.9987 Ha., production Capacity 3,55,236 TPA (ROM) (Saleable Mineral- 1,77,618 TPA & Waste is 1,77,618 TPA), Khasra No. 1072/12, Village- Gordhanpura, Tehsil – Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha. of all the LOI's/ leases in the cluster **(Proposal No.- 53850).**

The background of the proposal is that the PP, vide letter dated 26.09.2019, submitted application for obtaining ToR for conducting Environment Impact Assessment and preparing Environment Management Plan, with respect to the proposed project. The proposed project is a part of Cluster no. 21 A, Add- Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, having area of 341.25 ha., comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha., with total production capacity of 53,95,701 TPA (ROM). The SEAC in its 4.17th meeting held on 29th to 31st July, 2019 and 4.23rd meeting held on 23 Sept, 2019, considered the proposal

submitted by the PP and accordingly determined the ToR. ToR was issued to the PP vide letter dated 19.08.2019 and 26.09.2019. The baseline data for the project had been collected by the PP during Dec, 2018 to Feb, 2019 (winter season) for the entire cluster of which the proposed project is one of the constituent part. The Public hearing was conducted on 11.03.2020 at Rajiv Gandhi Seva Kendra, Gram Panchayat Chitamba, Tehsil Kareda, District Bhilwara for the entire cluster of which the proposed project is one of the constituent part. During public hearing inhabitants of the nearby areas raised concerned about control of pollution due to mining activity and development of the local area and other facilities for local villagers such as health check up camps in the villages, development of drinking water facility in the nearby Govt. and Private Schools, vocational training centre for improving working efficiency of mine workers etc. During public hearing the PP committed to spend 24.80 lakhs as capital budget for green belt development and Rs. 4.50 lakhs as recurring cost for the same. The PP also committed to provide 6 lakhs capital budget and 15.17 lakhs recurring (annual budget) on social welfare activities for the benefit of local people. The PP, vide letter dated 22.07.2020, has submitted final EIA/EMP report prepared for the entire cluster, along with proceedings of the public hearing. The SME, Bhilwara has vide letter dated 23.06.2020 approved mining plan for the entire Granite mining project of cluster no. 21 A, having area of 341.25 ha., Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha. with total production capacity of 53,95,701 TPA of Granite.

The SME, Bhilwara vide order dated 04.10.2018 has issued LoI to the PP for mining of Granite which was valid up to 18 months. SME, Bhilwara further extended the LoI vide letter dated 12.10.2020 valid up to 03.12.2020. The mining plan has been approved by the SME, Bhilwara vide letter dated 22.11.2018. ME, Bhilwara in his certificate dated 20.11.2018 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara in his certificate dated 17.07.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. The PP has stated that no litigation is pending against the project and or land in which the project is proposed to be set up. He has further stated that the project does not involve approval or clearance under the Forest (Conservation) Act, 1980 and Wildlife (Protection) Act, 1972.

Resolution:

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC to M/s Bagmata Granite, Shri Anil Kumar Mehta (Partner) for Granite Mining Project, ML No.- 52/2018, Area 2.9987 Ha., production Capacity 3,55,236 TPA (ROM) (Saleable Mineral- 1,77,618 TPA & Waste is 1,77,618 TPA), Khasra No. 1072/12, Village- Gordhanpura, Tehsil –Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha. of all the LOI's/

leases in the cluster **(Proposal No.- 53850).,** with the stipulation that the PP shall abide by the annual production schedule specified in the mining plan for the proposed project and that any deviation therein will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. **{Name of Proponent**:- M/s Bagmata Granite, Shri Anil Kumar Mehta (Partner), Add.- Krishna Complex, Chawanda Chowk, Ward No.,- 10, Kareda, Tehsil- Kareda, Distt.- Bhilwara (Raj)Email- bhamata01granite@gmail.com**, Consultant Name:**- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.), Email-mkguptarqp@gmail.com, rme.envirotech@gmail.com}.

Agenda no. 33. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(18264)/ 2019-20

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP namely M/s Bhernunath Granite, Sh. Mittu Nath, Partner has submitted application for obtaining EC for Granite Mining Project, M.L. No.- 57/18, Area 2.728 Ha., production Capacity- 1,95,688 TPA (ROM) (Saleable Mineral- 97,844 & Waste- 97,844, Khasra No.-191/1, 191/2 and 191/3, Village- Ruppura, Tehsil– Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster

The background of the proposal is that the PP, vide letter dated 26.09.2019, submitted application for obtaining ToR for conducting Environment Impact Assessment and preparing Environment Management Plan, with respect to the proposed project. The proposed project is a part of Cluster no. 21 A, Add- Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, having area of 341.25 ha., comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha., with total production capacity of 53,95,701 TPA (ROM). The SEAC in its 4.17th meeting held on 29th to 31st July, 2019 and 4.23rd meeting held on 23 Sept, 2019, considered the proposal

submitted by the PP and accordingly determined the ToR. ToR was issued to the PP vide letter dated 19.08.2019 and 26.09.2019. The baseline data for the project had been collected by the PP during Dec, 2018 to Feb, 2019 (winter season) for the entire cluster of which the proposed project is one of the constituent part. The Public hearing was conducted on 11.03.2020 at Rajiv Gandhi Seva Kendra, Gram Panchayat Chitamba, Tehsil Kareda, District Bhilwara for the entire cluster of which the proposed project is one of the constituent part. During public hearing inhabitants of the nearby areas raised concerned about control of pollution due to mining activity and development of the local area and other facilities for local villagers such as health check up camps in the villages, development of drinking water facility in the nearby Govt. and Private Schools, vocational training centre for improving working efficiency of mine workers etc. During public hearing the PP committed to spend 24.80 lakhs as capital budget for green belt development and Rs. 4.50 lakhs as recurring cost for the same. The PP also committed to provide 6 lakhs capital budget and 15.17 lakhs recurring (annual budget) on social welfare activities for the benefit of local people. The PP, vide letter dated 22.07.2020, has submitted final EIA/EMP report prepared for the entire cluster, along with proceedings of the public hearing. The SME, Bhilwara has vide letter dated 23.06.2020 approved mining plan for the entire Granite mining project of cluster no. 21 A, having area of 341.25 ha., Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha. with total production capacity of 53,95,701 TPA of Granite.

The SME, Bhilwara vide order dated 04.10.2018 has issued LoI to the PP for mining of Granite which was valid upto 18 months. SME, Bhilwara further extended the LoI vide letter dated 12.10.2020 valid upto 03.01.2021. The mining plan has been approved by the SME, Bhilwara vide letter dated 28.11.2018. ME, Bhilwara in his certificate dated 22.11.2018 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara and Rajsamand in their certificates dated 17.07.2020 and 23.07.2020, respectively have stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. The PP has stated that no litigation is pending against the project and or land in which the project is proposed to be set up. He has further stated that the project does not involve approval or clearance under the Forest (Conservation) Act, 1980 and Wildlife (Protection) Act, 1972.

Resolution:

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC to M/s Bhernunath Granite, Mittu Nath (Partner), for Granite Mining Project, M.L. No.- 57/18, Area 2.728 Ha., production Capacity-1,95,688 TPA (ROM) (Saleable Mineral- 97,844 & Waste -97,844, Khasra No.-191/1, 191/2, 191/3, Village- Ruppura, Tehsil –Kareda, Distt.- Bhilwara, (Raj.) in Cluster No.- 21 A, having total area of 46.4874 ha of all the LOI's/ leases in the cluster

(Proposal No.- 53861)., with the stipulation that the PP shall abide by the annual production schedule specified in the mining plan for the proposed project and that any deviation therein will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Name of Proponent:-** M/s Bhernunath Granite, Mittu Nath (Partner), Add.- Ward No.- 9, Raghunathpura, Gyangarh, Tehsil- Kareda, Distt.- Bhilwara (Raj.), Email- bherunath01granite@gmail.com, **Consultant Name:**- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.), Email-mkguptarqp@gmail.com, rme.envirotech@gmail.com}.

Total		**46.4874**	**53,95,703**						

The background of the proposal is that the SEAC in its 4.17th meeting held on 29th to 31st July, 2019 and 4.23rd meeting held on 23 Sept, 2019, had prescribed ToR for conducting Environment Impact Assessment and preparing Environment Management Plan for the entire cluster with one public hearing for the entire cluster, vide letter dated 19.08.2019 and 26.09.2019, respectively.

The baseline data for the project had been collected by the PP during Dec, 2018 to Feb, 2019 (winter season).

Public hearing for the proposed project was held on 11.03.2020 at Rajiv Gandhi Seva Kendra, Gram Panchayat Chitamba, Tehsil Kareda, District Bhilwara.

During public hearing inhabitants of the nearby areas raised concerned about control of pollution due to mining activity and development of the local area and other facilities for local villagers such as health check up camps in the villages, development of drinking water facility in the nearby Govt. and Private Schools, vocational training centre for improving working efficiency of mine workers etc. During public hearing the PP committed to spend

24.80 lakhs as capital budget for green belt development and Rs. 4.50 lakhs as recurring cost for the same. The PP also committed to provide 6 lakhs capital budget and 15.17 lakhs recurring (annual budget) on social welfare activities for the benefit of local people.

The PP, vide letter dated 22.06.2020, has submitted final EIA/EMP report for the entire cluster, along with proceedings of the public hearing.

The SME, Bhilwara has vide letter dated 23.06.2020 approved mining plan for Granite mining project of cluster no. 21 A, having area of 341.25 ha., Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil- Kareda, District- Bhilwara, Rajasthan, comprising 6 LOI's and 12 mining leases having total LOI/ lease area of 46.4874 ha. with total production capacity of 53,95,701 TPA of Granite.

The SME, Bhilwara has also approved mining plans pertaining to all the 18 LOI's/ mining lease included in the cluster and certified that the mining leases do not fall in Aravalli hills as per the details given in the above mentioned table according to the information submitted by the PP in the above mentioned table the 12 mining leases in the cluster have validity for a period of 50 years and 6 project proponents, as mentioned above have valid LOI's. The DCF, Bhilwara in his certificate dated 15.10.2020 has stated that project of cluster no. 21 A does not have any Wildlife Sanctuary/National Park/ Conservation Reserve/ Wildlife corridor within 10 km periphery. The PP has stated that no litigation is pending against the project and or land in which the project is proposed to be set up. He has further stated that the project does not involve approval or clearance under the Forest (Conservation) Act, 1980 and Wildlife (Protection) Act, 1972.

Resolution:

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC for Cluster No-21A, Near Village- Raghunathpura, Gordhanpura, Ruppura, Kanwar, Bhagjana, Total Cluster area- 341.25 ha, Total Cluster lease area- 46.4874 ha, having production capacity of 53,95,701 TPA (ROM) of Granite **(Proposal No-53885**), with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Project Proponent Name:** - All Project Proponents, through Sh. Sukh Lal Gurjar, Authorised Signatory on behalf of all (12 lease Holders & 6 LoI Holders) Cluster No- 21, Add-Near Village- Baghjana, Raghunathpura, Gordhanpura, Ruppura & Kanwar, Tehsil-Kareda, District- Bhilwara, Rajasthan, Email- bhilwaracluster21@gmial.com. **Consultant Name:**- M/s Ramji Mine Envirotech, Plot No. 21, First Floor, Aarna-2 Tower, Kartarpura Industrial Area, Jaipur, (Raj.), Email-mkguptarqp@gmail.com, rme.envirotech@gmail.com}.

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

BACK Ground Note: Proceeding of the meeting **4.27th** of SEAC held on **4th ,5th ,6th ,7th ,13th and 14th November 2019** at Agenda no**. 14**.

The PP had proposed to carry out mining of 1,00,917 TPA (ROM) of Granite at M L Area. 3.2622 Ha., Ref. No. 201810000427 and Khasra no. 583/120. The SME, Jodhpur has granted LOI of mineral on 03.10.18. The mining plan has been approved by the SME, Jodhpur vide letter dated 05.12.2018. ME, Sojat city in his certificate dated 17.09.19 has stated that the mining lease does not fall in Aravalli hills. It is a new project having capital cost of Rs.1 Cr. The LOI of the PP is a part of cluster having area of 18 hectare. Since the area of all the mines in the cluster is more than 5.0 ha. the project is required to be dealt with as B1 category project and needs EIA/EMP studies and public hearing for the whole cluster.

The SEAC in pursuance to the decision taken on **06th November 2019**, inter alia, prescribed the following ToR vide letter dated **06.12.2019**.

1. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
2. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

The PP had collected baseline data on ambient air quality, water quality, ambient noise level, in site soil quality and flora/fauna etc. during the period from Oct, 2019 to Jan, 2020.

Following issue of ToR with respect to the said project notice for public hearing was published in the National News Papers Dainik Navjyoti and Rajasthan Patrika editions dated 06.02.2020.

The notice informed that public hearing would be conducted on 13.03.2020 at Village - Dari, Tehsil - Pali, District Pali, (Rajasthan) with respect to mining project of Smt. Madhuri

Shukla pertaining to Granite mining lease having area of 3.2622 ha., with production capacity of 1,00,917 TPA. The notice of public hearing does not speak about other mining leases in cluster. The notice does not have information about lease areas and production capacities of all the mining leases in the cluster. Proceedings of the public hearing dated 13.03.2020 show that the public hearing was conducted only with respect to the said mining lease and not for all the mines in the cluster.

Appendix XI to the EIA notification 2006, as amended vide notification dated 15/01/2016 & 01/07/2016 required that the size of cluster shall be defined as per local situation and there shall be one public consultation for the entire cluster and after which the final Environment Impact Assessment (EIA) & Environment Management Plan (EMP), of the cluster shall be prepared. The notification provides that EIA/EMP reports shall capture carrying capacity of the cluster, transportation & related issues, replenishment and recharge issues & geo-hydrological study of the cluster area. Notification also requires that leases which are not operative for three years or more and leases which have got EC as on 15/01/2016 shall be included in EMP for the cluster.

The Mining lease of the proposed project is located in cluster no. Nil having mining leases with total lease area of 18.0 ha., The details of cluster are as follows-

S. No.	Lease Address	Name of PP	Area	Minerals	ML. No.	Lease/EC Status
1	N/v- Dari, Tehsil & District- Pali	Sh. Jera Ram Choudhary	3.0	Granite	01/13	EC Grant from SEIAA Dated 19.05.2014
2	N/v- Dari, Tehsil & District- Pali	Sh Mohit Shukla	3.0	Granite	538/12	EC Grant from SEIAA Dated 12.10.2015
3	N/v- Dari, Tehsil & District- Pali	Sh. Mohit Shukla	3.0	Granite	539/12	EC Grant from SEIAA Dated 22.09.2015
4	N/v- Dari, Tehsil & District- Pali	Maa Bhatiyani Granite Mines Pvt. Ltd.	3.0	Granite	06/13	EC Grant from DEIAA Dated 27.09.2016
5	N/v- Dari, Tehsil & District- Pali	Maa Bhatiyani Granite Mines Pvt. Ltd.	3.0	Granite	07/13	EC Grant from DEIAA Dated 27.09.2015
6	N/v- Dari, Tehsil & District- Pali	Sh. Abhijeet Mayank	3.0	Granite	02/14	EC Grant from SEIAA Dated 23.07.2015
7	N/v- Dari, Tehsil & District- Pali	Smt. Madhuri Shukla	3.0	Granite	23/14	EC Grant from DEIAA Dated 27.07.2016
8	N/v- Dari, Tehsil & District- Pali	Sh. G.P. Shukla	3.0	Granite	24/14	EC Grant from SEIAA Dated 19.05.2016
9	N/v- Dari, Tehsil &	Shri Syam Mineral	3.0	Granite	08/14	EC Grant from SEIAA Dated 07.07.2015

	District- Pali					
10	N/v- Dari, Tehsil & District- Pali	Shri Syam Mineral	3.0	Granite	09/14	EC Grant from SEIAA Dated 07.07.2015
11	N/v- Dari, Tehsil & District- Pali	Sh. G.P. Shukla	3.0	Granite	27/14	EC Grant from SEIAA Dated 14.01.2016
12	N/v- Dari, Tehsil & District- Pali	M/s Jodhan Mines	3.0	Granite	02/15	EC Grant from SEIAA Dated 27.07.2016

The EIA/EMP reports are also limited to the mining lease(s) pertaining to the PP(s) namely Smt. Madhuri Shukla and not for the entire cluster.

The EMP report does not speak about the carrying capacity of the cluster, transportation & other related issued, replenishment & recharge issues, geological study etc. of the cluster area.

Under the EIA notification it is incumbent, upon the SEAC, to ensure that the mitigative measures emanating from EIA/EMP studies are fully reflected in EC conditions with respect to individual project, in the cluster. In the absence of common public hearing in accordance with the provisions of the EIA notification and common EIA/EMP reports pertaining to the entire cluster, it would not be possible for the SEAC to discharge the said statutory obligation.

The SEAC, therefore, in view of above observations decided to issue query letter to the PP, asking him to get one public hearing for entire cluster conducted as per the Provisions of Appendix IV of the EIA Notification and prepare final Environment Impact Assessment (EIA) and Environment Management Plan (EMP) Report pertaining to entire cluster as observed above.

Project Name:- Environment Clearance for Thob Selenite Mine, M.L. No.- 02/1998, Area- 90.4966 ha., Production Capacity- 50,000 TPA and 25 TPH Rotary Screen, Khasra No- 583, 586-589, 591-596, 598-603, 611, 612, 620, 621, 622-645, 654, 691-701, 707-712, 715, 716 and 688, Near Vill.- Thob, Tehsil- Pachpadra, Distt.- Barmer (Raj.), **(Proposal No.-52329).**

Project Proponent Name- JK White Cement Works, Gotan, Add.- P.O. Gotan, Tehsil- Merta City, Distt.- Nagaur (Raj.), Email- gotan@jmcement.com, rajeev.sharma@jmcement.com.

Consultant Name:- J M Enviro Net Pvt. Ltd., Add.- 202-A, ABW Tower, MG Road, IFFCO Chowk, Sector-25, Gurugram, Haryana, Email- jmenviron@hotmall.com.

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing Mine lease. Initially the mining lease was granted in favour of M/s J.K. White Cement, Gotan vide order dated 02.07.1998 for an area of 169.48 ha. for mineral Selenite. The lease area was reduced to 91.04 ha. by order dated 10.12.2001 on the basis of overlapping of the lease area with the adjoining other lease areas and forest area.

The lease was cancelled, vide order dated 30.06.2010, by Joint Secretary, Department of Mines for the reasons content therein. The GoI on the challenged against the cancellation order for restitution and the same was again granted vide order dated 04.12.2014 for a period of 30 years and same was registered on 13.03.2015. As per RMMDR 2015 8a (6) lease is auto extended till 12.03.2065.

The PP namely, JK White Cement works Gotan (Unit of JK cement Ltd) P.O. Gotan Tehsil Merta city District Nagaur has submitted application for carrying on mining of Selenite at ML No. 02/1998 having lease area of 90.4996 ha. Khasra No- 583, 586-589, 591-596, 598-603, 611, 612, 620, 621, 622-645, 654, 691-701, 707-712, 715, 716 and 688 in village Thob, Tehsil Pachpadra, District Barmer with the existing production capacity of 50,000 TPA and for 25 TPH Rotary Screen in village Thob, Tehsil- Pachpadra, Distt.- Barmer (Raj.).

The application has been submitted, as per Notification dated 06.04.2018 of the MoEF & CC, for revalidation of EC granted by the MOEF & CC, under the EIA Notification 27.01.1994, vide order dated 18.04.2006, for mining of Selenite having production capacity of 50,000 TPA. The PP had submitted application to SEIAA for revalidation of EC on 24.09.2018 i.e. within six months as per the Notification dated 06.04.2018 of the MoEF & CC.

The proposal was appraised in its 4.7th meeting held on 31.01.2019 and prescribed ToR to the project for undertaking EIA study. Accordingly ToR was prescribed vide letter dated 07.03.2019, inter-alia, asking the PP to submit year wise production (since inception of mine) details clearly indicating the proposed highest production for the life of mine/ lease period.

The PP in pursuance of issue of ToR conducted base line environment studies during summer season from March- May, 2019. The public hearing of the project was held on 11.12.2019 at village Head Quarter Thob, Village - Thob, Tehsil - Pachpadra, District Barmer (Rajasthan) in the Chairmanship of Sh. Kanhiya Goyal, ADM. During public hearing the PP proposed to spend initially Rs. 5.0 lakh for environment protection measures and Rs. 2 lakh per annum as recurring cost on EMP. The PP undertook to develop greenbelt/ plantation in about 32.327 ha. which is about 35.72 percent of the project cost. The plantation/ green belt include 7.5 meter consisting of tiers around plant boundary and green cover as per CPCB/ MoEF & CC guidelines. The PP also committed that local and native species will be planted with a density of 1000 trees per hectare. It was stated that total no. 30,800 sapling will be

planted and nurtured in 32.327 ha. in 8 years. The PP vide letter dated 17.08.2020 has submitted report on EIA study and EMP.

The PP has submitted report of compliance as certified by JD, RO (Central) MoEF & CC dated 06.02.2020.

The mining plan has been approved by the Regional Controller of mines (IBM), Ajmer vide letter dated 05.12.2018. The ME, Barmer in his certificate dated 14.11.2018 has stated that the mining lease does not fall in Aravalli hills. The DCF, Barmer in his certificate dated 08.09.2020 has said that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wildlife Protection Act, 1972 as no forest land is involved and neither there is any Wildlife Sanctuary/ National Park within 10 Km from the project site.

The PP during presentation informed that the MoEF & CC, vide letter dated 12.07.2016, communicated that EC was granted to him under the provisions of EIA Notification, 1994 which mandated the starting of work within 5 years and since no work could be commenced in this case within 5 year and being so earlier EC is not valid and the PP has to apply for a fresh EC.

It is stated that the project does not involve clearance under the Wildlife (Protection) Act, 1972 and Forest Conservation Act, 1980. No National Park, Wildlife Sanctuary exist within 10 Km of the boundary of the project site. There is no National or State boundary within 10 Km radius of the project site.

The SEAC in its letter dated 07.03.2019 issuing ToR had asked the PP to submit year wise production (since inception of the mine) details clearly indicating the proposed highest production for the life of the mine/lease period. The PP has, however, not submitted this information. The SEAC, therefore, asked the PP to submit the said details within 45 days failing which the project shall be recommended to SEIAA for closure and delistment.

Agenda no. 39. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15529)/ 2019-20

Project Name:- Final EIA of EC Kantharia China Clay Mines, (M.L. No.- 01/2001, Area- 51.03 ha.,) Production Capacity- 102000 TPA, Khasra No-……, Near Vill.- Kantharia, Tehsil & Distt.- Chittorgarh (Raj.)**(Proposal No.-51029).**

Project Proponent Name:- M/s J.K. White Cement Works, Add.- P.O. Gotan, Tehsil- Merta City, Distt.- Nagaur (Raj.), Email- sk.jain@jkcement.com.

Consultant Name:- J M Enviro Net Pvt. Ltd., Add.- 202-A, ABW Tower, MG Road, IFFCO Chowk, Sector-25, Gurugram, Haryana, Email- jmenviron@hotmall.com.

Observations and Resolution of the committee:-

The PP vide letter dated 21.10.2020 has submitted an application for deferment of the case. The SEAC agreed to the request of the PP and deferred the matter. The same shall be

taken up again on receipt of his request for consideration of the project by the PP, in the subsequent proposed meeting.

Agenda no. 40. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(15586)/ 2019-20

Project Name:- Environmental Clearance for expansion in production capacity of Sinla Limestone mining project from 9,165 TPA to 0.5 Million TPA of Limestone comprising 0.84 million TPA of OB and IB and 0.036 million TPA of Top Soil along with proposed installation of crusher having production capacity of 400 TPH with screen at (M.L. Project Proponent Name:- M/s Ramgopal Cement Company Pvt. Ltd., Add.- 10-A, Amar Vijay Complex, Near Hotel Man Singh, Sansar Chandra Road, Jaipur (Raj.) Email- ramgopalcementcompanypvitd@gmail.com.

Consultant Name:- J M Enviro Net Pvt. Ltd., Add.- 202-A, ABW Tower, MG Road, IFFCO Chowk, Sector-25, Gurugram, Haryana,Email- jmenviron@hotmall.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP, namely M/s Ramgopal Cement Company Pvt. Ltd has submitted proposal obtaining EC for expansion in production capacity of Sinla Limestone mining project from 9,165 TPA to 0.5 Million TPA of Limestone comprising 0.84 million TPA of OB and IB and 0.036 million TPA of Top Soil along with proposed installation of crusher having production capacity of 400 TPH with screen at (M.L. No.- 96/95, having lease area of 100 ha., Near Village- Sinla, Tehsil- Jaitaran, Distt.- Pali (Raj.)

The background of the project is that it is an existing project of Limestone. The DMG Government of Rajasthan, vide order dated 30.06.1986, had granted mining lease comprising 100 ha., to Sh. Kishore Kumar Mali. The lease was then transferred to Sh. Mishri Lal Mali S/o Sh. Pukhraj Mali by ADM, Jodhpur order dated 05.05.1995 and executed on 28.06.1996 for a period of 20 years from 30.06.1996. First renewal of mining lease was executed on 28.06.1996. The lease was further transferred to M/s Shrinath Mineral and Chemicals. The transfer agreement was executed and registered on 19.11.2008 and 21.11.2008, respectively. The mining lease was finally transferred in favour of PP i.e. M/s Ramgopal Cement Company Pvt. Ltd and transfer deed to this affect was executed and registered on07.03.2011 and 31.03.2011, respectively. The validity of lease was extended from time to time and is now valid upto 30.06.2046.

The lease holder namely Sh. Mishri Lal Mali for the first time obtained consent to operate for the Limestone mining project having production capacity of 20 TPD from the RSPCB, Jaipur under the provisions of the Air (Prevention and Control) Act, 1981 for the

said project on 26.05.2004, subject to the conditions mentioned therein. The consent had validity up to 05.01.2005. The lessee Sh. Mishri Lal Mali obtained further consent from the RSPCB, vide order dated 11.04.2005, subject, inter-alia, to the conditions mentioned the preceding consent order. The consent was valid up to 04.01.2006. The lessee Sh. Mishri Lal, again, vide order dated 12.09.2008 obtained consent to establish and consent to operate from the RSPCB under the provisions of the said act for mining of Limestone (minor mineral) having production capacity of 9165 Ton per annum. The consent had validity form 05.01.2006 to 31.12.2009 i.e. in continuation to the period of earlier consent order. The earlier consent order was valid from 11.04.2005 to 04.01.2006. Subsequently the lease holders of the said project obtained the consent or got the same extended from the RSPCB from time to time vide orders dated 05.02.2010, 28.09.2012 and 13.03.2015, having validity from 01.01.2010 to 31.12.2011, 01.01.2012 to 31.12.2014 and 01.01.2015 to 29.06.2016, respectively. The RSPCB has been granted consent to the lease holder continuously from 11.04.2005 to 29.06.2016. The mining lease is lying closed since 31.03.2011.

According to the deed of first renewal of the mining lease executed on 28.06.1996, mining of Limestone was sanctioned by the State Government as minor mineral. The said project of Limestone mining, therefore, came under the purview of the provisions of the EIA Notification dated 14.09.2006 from the date of its publication in the official gazette i.e. 14.09.2006. All mining projects equal to or more than 5.0 ha., were brought under the purview of this Notification. The Notification required all new projects or activities and expansion and modernization activities to obtain EC from the regulatory authority.

The circular dated 02.07.2007 of the MoEF & CC clarify that all such mining projects which did not require EC under the EIA Notification 1994, will continue to operate without obtaining EC till mining lease falls due for renewal, if there is no increase in lease area and or there is no enhancement of production. In the event of any increase in the lease area and or production such enhancement would need to obtain prior EC.

The PP has stated that the project does not attract general conditions. It is stated that the project does not involve clearance under the Wildlife (Protection) Act, 1972 and Forest Conservation Act, 1980. No National Park, Wildlife Sanctuary exist within 10 Km of the boundary of the project site. There is no National or State boundary within 10 Km radius of the project site. No litigation is pending against the project and/ or land in which the project is proposed to be setup.

The SME, Jodhpur vide letter dated 08.01.2018 has approved modified mining plan with progressive mine closure plan with respect to the said project. The Aravalli certificate dated 24.02.2020 says that the project does not fall in Aravalli hills. According to certificate dated 16.12.2019 of DCF, Pali there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the proposed project. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wildlife Protection Act, 1972 as no forest land is involved and neither there is any Wildlife Sanctuary/ National Park within 10 Km from the project site.

The PP had uploaded the application for obtaining ToR for the said project on Parivesh portal on 01.11.2018. The project was appraised by the SEAC in its 4.7th meeting held on 31.01.2019 and accordingly issued ToR vide letter dated 07.03.2019 for undertaking Environment Impact Assessment and preparation of Environment Management Plan. The SEAC in its letter dated 07.03.2019, while issuing ToR, had asked the PP to undertake assessment of Eco-logical damage, prepare remediation plan and natural and community resource augmentation plan. For the purpose of EIA report for the proposed project the PP had collected base line data during March 2018 to May 2018 and got the public hearing conducted on 10.10.2019 in the premises of Govt. Uper Primary School, Sinla, Jaitaran, Pali, (Rajasthan). During public hearing the local people expressed their concerns regarding the proposed project and the impact it would have on the environment and gave suggestions for protection of environment and development of the area. The PP during public hearing committed that 47 ha. of excavated area will be converted into water reservoir to fulfil water requirement of the villagers and spend Rs. 2.0 lakhs for this purpose. The PP committed that approximately 45 people will be given employment due to proposed expansion of the project. Rs. 3.6 lakhs will be spend on vocational training programme, self defence training to women et. Rs. 5.00 will be spend on health and safety of villagers to prevent villagers from Silicosis and other respiratory diseases. It was committed that 13,332 trees will be planted in the mine lease area and spend 2.0 lakhs for green belt development. On the concern of villagers regarding farming and animal husbandry which is the main source of their livelihood, the PP informed that Rs. 1.0 lakhs per annum will be provided to Government Goshala in Village Sinla and spend Rs. 1.5 lakhs for drinking water facilities for animal at Government Goshala at Sinla Village.

Enhancement of production of mineral from 5430 Ton, in the base year i.e. 2005-06, to 7567 Ton in the next year i.e. 2006-07 and 5550 Ton in 2007-08 was nonetheless in breach of Common cause Judgement of the Hon'ble Supreme Court and violation of EIA Notification for the reason that the lessee had no consent from the RSPCB, under the provisions of section 21 of the Air (Prevention and Control of Pollution) Act, 1981, for such enhancement of production during 2006-07 and 2007-08. The consent for increasing production capacity of mineral to 9165 Ton was obtained from the RSPCB on 12.09.2008, ex-post facto, from 05.01.2006 to 31.12.2009. Section 21 of the Air, Act does not contemplate grant of consent with retrospective effect.

The SEAC, therefore, in view of above decided to ask the PP to undertake assessment of Eco-logical damage prepare remediation plan and natural and community resource augmentation plan so that the project could be appraised accordingly in terms of Notification dated 14.03.2017 and 08.03.2018 of the MoEF & CC.

Agenda no. 41. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17585)/ 2019-20

Project Name- Application for transfer for Environmental Clearance and application for Expansion in production capacity of Marble Mining Project, from 6000 TPA to 1,63,637 TPA (ROM), M.L. No.- 230/1995, Area- 0.7350 ha. at Khasra No.- 629, Near Village- Umthi, Tehsil- Rajsamand, District- Rajsamand, (Raj.).**(Proposal No. 132600).**

Final minutes of 4.55th meeting held on 20 ,21 and 22 October, 2020

Project Proponent Name- Sh. Saurabh Modi, Add. – 9, A, Pologround, District- Udaipur, (Raj.), Email-saurabhmodiecb2@outlook.com

Consultant Name- VARDAN ENVIRONET, Add. - D-142, Sushant Lok-III, Sector-57, Gurgaon-122003 (Haryana).Email:- jaipur@vardanenvironet.com

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing lease. The mining lease was initially granted for mineral Marble in favour of Smt. Dashrat Kunwar W/o. Sh. Himmat Singh Rathore vide order dated 31.07.1996 for an area of 0.7350 ha. The lease deed was executed on 30.09.1996 and registered on 24.10.1996 for 20 years (i.e. from 20.09.1996 to 19.09.2016). Due to death of Smt. Dashrat Kunwar the lease was muted in favour of Sh. Himmat Singh Rathore S/o Sh. Samrath Rathore vide order dated 23.11.2007. As per RMMCR- 1986 lease validity was extended for 30 years vide order dated 24.09.2012 and further renewed for 50 years. Lease was transferred to M/s Omkar Marble vide order dated 21.05.2013. The lease was again transferred in favour of Sh. Saurabh Modi vide order dated 21.05.2019.

Earlier, EC was issued by DEIAA, Rajsamand in favour of M/s Omkar Marble at M.L. no.- 230/1995 for Mineral Marble with production capacity of 6000 TPA vide letter dated 13.01.2017. Report of compliance of earlier EC conditions as certified by Regional Office, RSPCB, Bhilwara vide letter dated 10.08.2020 has been submitted by the PP.

The project being one of minor mineral having lease area of 0.7350 ha. (less than 5.0 ha.), came under the purview of the EIA Notification dated 09.09.2013 of the MoEF & CC. According to the certificate dated 15.10.2020 of ME, Rajsamand there has been no production from 2012-13 to 2016-17. Thereafter the PP had obtained EC vide order dated 13.01.2017 from DEIAA for production capacity 6000 TPA of Marble. Production of Marble, in the subsequent years has remained below the sanctioned limit of 6000 TPA. The project, therefore, is not one of violation of the EIA Notification. The PP has also submitted affidavit to the affect that no activity has been carried out in violation of the EIA Notification and Common Cause Judgment pronounced by the Hon'ble Supreme Court.

The PP has now submitted two applications one application is for transfer of EC granted by DEIAA on 13.01.2017 and another application is for expansion of production capacity of Marble from 6000 TPA to 1,63,637 TPA (ROM). The PP has submitted no objection certificate of M/s Omkar Marble, regarding transfer of EC, inter-alia, stating that the transferor is no more interested in the project. The transferee Sh. Sourabh Modi has submitted undertaking stating that he shall be responsible to fulfil all the conditions of EC dated 13.01.2017. The PP has also submitted consent order dated 03.04.2019 issued by RSPCB under the provisions of Water, Act and Air, Act. Consent with the respect to the project is valid up to 31.03.2024.

The mining plan has been approved by the SME, Rajsamand vide letter dated 26.11.2019. DCF, Rajsamand in his certificated dated 15.10.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 12.10.2020 issued by ME, Rajsamand II. In the certificate, it is stated that as per the MoEF & CC notification, dated 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

The certificate dated 21.07.2016 issued by ME, Rajsamand does not clearly states that the applied lease area does not fall in Aravalli Hill. The SEAC ask the PP to submit certificate from the mining department clearly saying that the project does not fall in Aravalli hills with in a period of 45 days failing which the project shall be recommended to SEIAA for closure and delistment.

Agenda no. 42. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17589)/ 2019-20

The particulars of the project, in brief, as submitted by the PP are as follows:

1.	Category / Item no.(in Schedule):	B-2
2.	Location of Project	Plot no. 41, Khasra No- 543 Near village – Kasti, Tehsil– Baori, District – Jodhpur (Rajasthan). Production Capacity – 169065 TPA (ROM), {Saleable Mineral 101439 TPA & Waste 67626 TPA}
3.	Project Details M.L. No. /Production capacity	Sandstone Mining Project Plot No. 41, Area – 1.0 Ha.) Near village – Kasti, Tehsil– Baori, District – Jodhpur (Rajasthan).
4.	Project Cost	Rs46 Lakhs
5.	Water Requirement & Source	1.80 KLD (Tanker Water Supply from nearby village)
6.	Fuel & Energy	120Litres/day HSD Fuel will be required for mine machineries.
7.	Application No.& Date & documents submitted	Hardcopy submitted to SEIAA, Rajasthan(7/01/2020)

8	Information about Aravalli Certificate	M.E/jodh/MACHI/Plot-41/580 dated 16.09.2020
	Date of Air/Water/Noise Monitoring	Environment Monitoring was carried out by NABL approved laboratory.
9	Information about Topo-sheet map	45F/2

Environment Sensitivity:-

1	Nearest Village	Kasti(1.6km in NW direction)
2	Nearest Railway Station	Asranada Railway Station is the nearest Railway Station, at a distance of 19.0 km in South direction from mine site.
	Nearest Airport	Jodhpur Airport is the nearest Airport, at a distance of 39km in SW direction from mine site.
3	Nearest National / State Highway	• NH-65 at 8.3 km in NW direction from mine site. • SH-58at a distance of 6.4in SW direction from mine site. • SH-63 is at a distance of 7.1 in SE in direction from mine site.
4	Archaeological Important Place	None, within 15 km distance from the periphery of lease area.
5	Ecological Sensitive Park, Wildlife Sanctuary, Reserve etc.)	None, within 15 km distance from the periphery of lease area
6	Nearest River / water body	• KhariNadi at a distance of 7.9 km,west direction from mine site. • GunaimataNadi at a distance 6.1 km, East direction from mine site.
7	Reserved/Protected Forests	• None, within 15 km distance from the periphery of lease area

10 Environment Management Plan

S. No	Description of Item	Amount (in Rs/yr.)
1.	Air Pollution Control - Water Sprinkling	20,000
2.	Environmental Monitoring and Management	20,000
3.	Green Belt Development	1,00,000
4.	Occupational Health & Safety	20,000
6.	Maintenance of approach road	70,000
Total		**2,30,000/-**

11 CSR /ESR Activates

Name of Location	Year	Activities	Cost
At Govt. Sec. School Village-Kasti	I	Provision of Amenities like RO water System for drinking, Colouring & Repairing of School walls	**90,000/-**
At Govt. Sec. School Village-Kasti	II	Contribution of Indoor games facilities such as Chess, Ludo, Snakes & Ladders & develop outdoor game facilities such as Basketball	**90,000/-**
At Govt. Sr. Sec. School, Village Birani	III	Provision of Amenities like Rainwater Harvesting Structures (1 Nos.) with	**90,000/-**

			closed drains & Provisions of 0.5 KW solar panel with all accessories	
	At Govt. School village- SewaGaonBaori	IV	Provisions of Amenities like coolers, fans, mats, Stools & Benches, Aalmirah	**45,000/-**
	At Govt. Girls sec. School Village- Baori			**45,000/-**
	At PHC center, Borwa	V	Provisions of Amenities like Refrigerators, Medical furniture, Observation tables and Steel beds	**90,000/-**
	The PP shall expenditure Rs. 90,000/- per year for CER. The above expenditure is for 5 years, the onwards, the PP shall be expend the amount of CER as per need of local stack holders/Govt. School/Hospitals & Gram Panchyat etc…			
12	Green Belt/ Plantation	Annual expenditure: Rs 1,00,000 Total 495 samplings will be planted in upcoming 3 years and Area for plantation is 0.007 ha will be planted outside along the haul roads & remaining 0.323 ha area will be planted in outside the lease area at gram Pachayat of village Kasti		
13	Budgetary Breakup for Labour			

S.No	Description	Capital Cost (in Rs.)	Recurring Cost (in Rs./Yr.)
1	Rest Shelter	25,000	2,000
2	Drinking water facility	15,000	3,000
3	Toilet Facility (2 units for Male & Female)	30,000	3,000
4	Fuel for cooking	-	4,000
5	Medical facility for labors	-	10,000
Total		**70,000**	**22,000**

14	Present Status	New Mining lease

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for Environmental Clearance for Sandstone Mineral Mining Project, Plot No.- 41, Area- 1.0 ha., Production Capacity- 1,69,065 TPA (ROM) {Saleable- 1,01,439 TPA & Waste- 67,626 TPA} at Khasra No.- 543, Near Village- Kasti, Tehsil- Baori, District- Jodhpur, (Raj.).**(Proposal No. 134623).** The project is covered under B2 category. The SME, Jodhpur has granted LOI of mineral on 24.10.2019. The mining plan has been approved by the SME, Jodhpur vide letter dated 11.12.2019. ME, Jodhpur in his certificate dated 16.09.2020 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Jodhpur in his certificated dated 26.12.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and

Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 16.09.2020 issued by ME, Jodhpur. In the certificate, it is stated that as per the MoEF & CC notification, dated 15.01.2016 and 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

Resolution:

The SEAC upon appraisal of the project in the light of information contained in Form-1,Form-2, Pre-feasibility report and other documents and having regard to the submissions made during presentation, the members resolved to recommend to SEIAA for grant of EC to Shri Heera Lal Prajapat S/o Shri Kistoor Chand Prajapat for Sandstone Mineral Mining Project, Plot No.- 41, Area- 1.0 ha., Production Capacity- 1,69,065 TPA (ROM) {Saleable- 1,01,439 TPA & Waste- 67,626 TPA} at Khasra No.- 543, Near Village- Kasti, Tehsil- Baori, District- Jodhpur, (Raj.).**(Proposal No. 134623),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. **Name of Proponent: -** - Shri Heera Lal Prajapat S/o Shri Kistoor Chand Prajapat, Add. – Loadssar, Tehsil- Sujangarh, District- Churu, (Raj.)Email-heeralalminingec@outlook.com, **Consultant Name**- VARDAN ENVIRONET, Add.- D-142, Sushant Lok-III, Sector-57, Gurgaon-122003 (Haryana).Email:- jaipur@vardanenvironet.com.

Agenda no. 43. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17590)/ 2019-20

The particulars of the project, in brief, as submitted by the PP are as follows:

1.	Category / Item no.(in Schedule):	1(a)/B2		
2.	Location of Project	Near village – Kasti, Tehsil– Baori, District – Jodhpur (Rajasthan)		
3.	Project Details PlotNo. /Area/Production capacity/Khasra No.	Plot No.-57 Area – 1.0 Ha. Production capacity - 87386 TPA (ROM), {Saleable Mineral – 52431.6 TPA & Waste-34954.4 TPA} Khasra No.- 543		
4.	Project Cost	Rs. 40 Lakhs		
5.	Water Requirement & Source	3.0 KLD (Tanker Water Supply from nearby village)		
6.	Fuel & Energy	200Litres/day HSD Fuel will be required for mine machineries.		
7.	Application No.& Date & documents submitted	Hard Copy Submitted to SEIAA, Rajasthan on dated 8/ 01/2020		
8	Information about Aravalli Certificate	ME/Jodh/MAP/Plot-57/620,Dated- 19/10/2020		
	Date of Air/Water/Noise Monitoring	Environment Monitoring was carried out by NABL approved laboratory.		
9	Information about Topo-sheet map	45 F/2		
	Environment Sensitivity	1	Nearest Village	Nearest Village-Kasti (1.6 km in NW direction)
		2	Nearest Railway Station	Nearest Railway station is Asranada Railway Station at a distance of 19 km in SE direction from mine site.
		3	Nearest Airport	Nearest Airport is Jodhpur Airport at a distance of 39 km in SW direction from mine site.
		4	Nearest National / State Highway	NH-65 - 8.3 km in NW direction from mine site. SH-58 - 6.4 km in SW direction from mine site. SH-63 - 7.1 km in SE direction from mine site.
		5	Archaeological Important Place	None, within 15 km distance from the periphery of lease area.
		6	Ecological Sensitive Park, Wildlife Sanctuary, Reserve etc.)	None, within 15 km distance from the periphery of lease area.

		7	Nearest River / water body	KhariNadi - 7.9 km in West direction from mine site. GunaimataNadi - 6.1 km in East direction from mine site.
		8	Reserved/Protected Forests	None, within 15 km distance from the periphery of lease area.

10 Environment Management Plan

S. No.	Description of Item	Amount (in Rs./yr.)
1	Air Pollution Control - Water Sprinkling	30,000
2	Environmental Monitoring and Management	10,000
3	Green Belt Development	90,000
4	Caution board (will illustrate lease detail, emergency numbers, and contact no. of doctors)	10,000
5	Maintenance of approach road	70,000
6	Occupational Health & Safety	10,000
	Total	**2,20,000**

11 CSR /ESR Activates

Name of Location	Year	Activities	Cost
At Government Secondary School village-Kasti	I	Construction of one Computer Room of Size 10' X 12' feet	**80,000/-**
At Government Secondary School village-Kasti	II	Contribution for 1 Computer with other accessories, 1 inverters & 1 Printer	**80,000/-**
At Government Upper Primary school village-Bucheti	III	Provision of Amenities like Rainwater Harvesting Structures (1 Nos.) with closed drains	**80,000/-**
At Government Senior Secondary School village-Kasti	IV	Provisions of Amenities like coolers, fans, mats, Stools & Benches, Aalmirah	**40,000/-**
At Government Upper Primary school village-MaliyonkiDhaniBirai			**40,000/-**
At Government Upper Primary school village-Bucheti	V	Provisions of Amenities like coolers, fans, mats, Stools & Benches, Aalmirah	**40,000/-**
At Government Sr. Secondary school of Village Birai			**40,000/-**
The PP shall expenditure Rs. 80,000/- per year for CER. The above expenditure is for 5 years, the onwards, the PP shall be expend the amount of CER as per need of local stack holders/Govt. School/Hospitals & Gram Panchayat etc.			

12	Green Belt/ Plantation	Annual expenditure: Rs 90,000 Total 495saplings will be planted in upcoming 3 years and Area for plantation-0.07 ha. area will be developed as greenbelt at outside along haul road and remaining ha. 0.26 ha area will be developed outside at Govt. Sr. Sec. School, Kaparda.

13 Budgetary Breakup for Labour

Sr. No.	Description	Capital Cost (in Rs.)	Recurring Cost (in Rs./Yr.)
1	Rest Shelter	40,000	2,000
2	Drinking water facility	10,000	2,000

		3	Toilet Facility (2 units for Male & Female)	20,000	2,000	
		4	Fuel for cooking	-	6,000	
		5	Medical facility for labors	-	3,000	
		Total		**70,000**	**15,000**	
14	Present Status		New Project			

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP. has submitted application for Environmental Clearance for Sandstone Mineral Mining Project, Plot No.- 57, Area- 1.0 ha., with Production Capacity- 87,386 TPA (ROM) {Saleable Mineral- 52,431.6 TPA & Waste- 34,954.4 TPA} at Khasra No.- 543, Near Village- Kasti, Tehsil- Baori, District- Jodhpur (Raj.) **(Proposal No. 135352).** The project is covered under B2 category. The SME, Jodhpur has granted LOI of mineral on 02.01.2019 having validity upto 18 months. The period of LOI has been extended by order dated 20.10.2020 of SME, Jodhpur for four months. The mining plan has been approved by the SME, Jodhpur vide letter dated 11.06.2019. ME, Jodhpur in his certificate dated 19.10.2020 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Jodhpur in his certificated dated 09.12.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 19.10.2020 issued by ME, Jodhpur. In the certificate, it is stated that as per the MoEF & CC notification, dated 15.01.2016 and 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

Resolution:

The SEAC upon appraisal of the project in the light of information contained in Form-1,Form-2, Pre-feasibility report and other documents and having regard to the submissions made during presentation, the members resolved to recommend to SEIAA for grant of EC to Shri Budh Singh S/o Shri Gulab Singh for Sandstone Mineral Mining Project, Plot No.- 57, Area- 1.0 ha., with Production Capacity- 87,386 TPA (ROM) {Saleable Mineral- 52,431.6 TPA & Waste- 34,954.4 TPA} at Khasra No.- 543, Near Village- Kasti, Tehsil- Baori, District- Jodhpur (Raj.).**(Proposal No. 135352),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Name of Proponent:-** Shri Budh Singh S/o Shri Gulab Singh, Add. - Lawari, Gajsinghpura, Bhopalgarh, Distt.- Jodhpur, (Raj.) ,Email. budhminingec@gmail.com, **Consultant Name**- VARDAN

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing lease. The mining lease was granted for mineral Limestone in favour of Shri Surja Ram S/o. Sh. Ramdhan Jat vide order dated 05.03.2012 for an area of 4.0 ha. The lease was registered on 27.06.2013 for 20 years (i.e. up to 26.06.2033). Due to death of Shri Surja Ram the lease was mutated in the name of Smt. Baudi Devi W/o Late Shri Surja Ram vide order dated 29.03.2019. Earlier, EC was issued by DEIAA, Nagaur in favour of Shri Surja Ram S/o. Sh. Ramdhan Jat at M.L. No.- 34/2011, Area- 4.0 ha., Production Capacity- 1,00,500 TPA (ROM) at Near Village- Manakpur, Tehsil- Mundwa, District- Nagaur (Raj.) vide letter dated 09.08.2016. The PP has submitted report of compliance of conditions of EC dated 09.08.2016, as certified by the RO, RSPCB, Kishangarh vide letter dated 05.02.2020.

The PP has submitted application for transfer of EC from Late Shri Surja Ram to Smt. Baudi Devi W/o Late Shri Surja Ram for Limestone Mining Project, M.L. No.- 34/2011, Area- 4.0 ha., Production Capacity- 1,00,500 TPA(ROM) at Khasra No.- 19, Near Village- Manakpur, Tehsil- Mundwa, District- Nagaur (Raj.).**(Proposal No. 135141).** Upon the death of Sh. Surja Ram and after mutation of mining lease in favour of Smt. Baudi Devi, the transferee, has submitted undertaking that she is responsible to fulfil all the conditions of EC granted by DEIAA on 09.08.2016.

The mining plan has been approved by the SME, Ajmer vide letter dated 14.05.2019. ME, Nagaur in his certificate dated 06.08.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Nagaur in his certificated dated 06.08.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

During appraisal of the project the SEAC observed that the project is one of violation of EIA Notification and Common Cause judgement for the reason that according to certificate dated 06.08.2019 of ME, Nagaur, the PP carried out mining activity and produced

6189 Tons in the year 2013-14, 16605 Tons in the year 2014-15 and 9853 Tons in the year 2015-16 without prior EC of the regulatory authority. This was in violation of the EIA Notification and the Common Cause judgement.

The SEAC in view of above observed that the case being one of violation of the EIA notification has to be dealt with as per the judgment dated 14.03.2018 in WMP no. 3361 and 3362 of 2018 and WMP no. 3721 of 2018 in WP no. 11189 of 2017 of the Hon'ble High Court of Madras. The MoEF & CC, in its OM dated 16.03.2018, has directed that the projects and activities pertaining to all sectors has to considered as per the judgment of the Madras High Court. According to the judgment of the Madras High Court public hearing is inherent under para 5 of the notification dated 08.03.2018.

Keeping in view the presentation made by the PP and examination of documents submitted by him the SEAC prescribed the **ToR** with public hearing for carrying out detailed EIA and preparing comprehensive EIA report and prepare Remediation Plan, Natural Resource Augment Plan and Community Resource Augmentation Plan as per the provisions of the EIA notification 2006. **The ToR is enclosed at Annexed 'B'**.

Observations and Resolution of the committee:-

The PP vide letter dated 21.10.2020 has submitted an application for deferment of the case. The SEAC agreed to the request of the PP and deferred the matter. The same shall be taken up again on receipt of his request for consideration of the project by the PP, in the subsequent proposed meeting.

Agenda no. 48. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17597)/ 2019-20

Project Name: - Environmental Clearance for enhancement in production capacity- 18,750 TPA to 53,040 TPA for Masonry Stone Mining Project, M.L. No.- 233/07, Area- 1.0 ha., Khasra No.- 80 & 81, Near Village- Dayalpura, Tehsil- Pali, District- Pali, (Raj.). **(Proposal No. - 135137).**

Project Proponent Name:- Shri Bharat Singh S/o Shri Jabbar Singh, Add. – Manihari, Tehsil- P ali, District- Pali, (Raj.), Email-bharatsingh233@outlook.com

Consultant Name: - MANTRAS GREEN RESOURCES LTD, Add.-Hall No. - 1 NICE Sankul Plot No. - A-9, Opp. Nasik Marchant Co Op Bank Ltd, ITI Signal, MIDCSatpur, Nasik), Email-mantarsjaipur@gmail.com,

Observations and Resolution of the committee:-

The PP vide letter dated 21.10.2020 has submitted an application for deferment of the case. The SEAC agreed to the request of the PP and deferred the matter. The same shall be taken up again on receipt of his request for consideration of the project by the PP, in the subsequent proposed meeting.

Agenda no. 49. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17608)/ 2019-20

Project Name:- Environmental Clearance for Quartz, Feldspar & Masonry Stone Mining Project, M.L. No.- 112/04, Area- 4.5522 ha., Production capacity- 3,18,250 TPA (ROM) {Quartz & Feldspar- 58,270 TPA & Masonry Stone- 2,08,500 TPA} at Khasra No.- 1449 of n/v.- Ramkumarpura and 1573 of n/v.- Sanjay Nagar, Tehsil- Khetri, District- Jhunjhunu (Raj.).**(Proposal No. 133427).**

Project Proponent Name:- Smt. Ankita Chetani W/o Shri Anil Kumar Chetani, Add.- Ward No. 17, Neem Ka Thana, Distt.- Sikar, (Raj.) Email- ankitachetani086@gmail.com

Consultant Name:- MANTRAS GREEN RESOURCES LTD, Add.-Hall No. - 1 NICE Sankul Plot No. - A-9, Opp. Nasik Marchant Co Op Bank Ltd, ITI Signal, MIDCSatpur, Nasik), Email-mantarsjaipur@gmail.com,

The particulars of the project, in brief, as submitted by the PP are as follows:

S.NO	Category / Item no.(in Schedule):	1(a)B2
1.	Location of Project	Khasra No.-1449 of Village- Ramkumarpura And 1573 of village - Sanjay Nagar, Tehsil Khetri, District Jhunjhunu (Rajasthan).
2.	Project Details M.L. No. /Production capacity	Quartz, Feldspar and Masonary Stone Mining Lease (M.L. No 112/04, Area: 4.5522 Ha), Production capacity 318250 TPA (ROM) (Masonary Stone: 208500, Quartz & Feldspar: 58270), Khasra No.-1449 of Village- Ramkumarpura and 1573 of village - Sanjay Nagar, Tehsil Khetri, District Jhunjhunu (Rajasthan).
3.	Project Cost:	Rs 75 lacs /-
4.	Water Requirement & Source	5.0 KLD (Source : Water will be purchased from nearby villages) Dust Suppression: 2.0 KLD, Greenbelt/Plantation: 2.0 KLD, Drinking& Sanitation: 1.0KLD.
5.	Fuel & Energy:	Mine will be operated in day time only.
6.	Application No. & Date & documents submitted :-	SIA/RJ/MIN/133427/2019
7.	Information about Aravalli Certificate.	Aravalli letter in prescribed format dated 16.10.2020.
8.	Date of Air/Water/Noise Monitoring	02/08/2020 to 03/08/2020
9.	Information about 500 mtr composite map	Cluster certificate no.919 dated 16.10.2020enclosed.

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing lease. The mining lease was granted for mineral Quartz & Feldspar in favour of Smt. Ankita Chetani W/o. Shri Anil Kumar Chetani vide order dated 14.12.2007 for an area of 4.5522 ha. The lease was executed on 15.02.2008 & registered on 07.03.2008 for 30 years. As per RMMCR 2017 lease validity was extended for 50 years (i.e .up to 06.03.2058).

The PP has submitted application for Environmental Clearance for Quartz, Feldspar & Masonry Stone Mining Project, M.L. No.- 112/04, Area- 4.5522 ha., Production capacity- 3,18,250 TPA (ROM){Quartz & Feldspar- 58,270 TPA & Masonary Stone- 2,08,500 TPA} at Khasra No.- 1449 of n/v.- Ramkumarpura and 1573 of n/v.- Sanjay Nagar, Tehsil- Khetri, District- Jhunjhunu (Raj.).**(Proposal No. 133427).** The Additional Director (Mines), Jaipur has granted LOI for inclusion of mineral Masonry Stone on 08.03.2016. The mining plan has been approved by the SME, Jaipur vide letter dated 19.05.2016. ME, Jhunjhunu in his certificate dated 16.10.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, Jhunjhunu in his certificated dated 07.05.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 16.10.2020 issued by ME, Jhunjhunu. In the certificate, it is stated that as per the MoEF & CC notification, dated 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

The ME, Jhunjhunu vide letter dated 26.05.2020 has stated that the production of mineral from 2011-12 onwards has been nil.

Resolution:

The SEAC upon appraisal of the project in the light of information contained in Form-1,Form-2, Pre-feasibility report and other documents and having regard to the submissions made during presentation, the members resolved to recommend to SEIAA for grant of EC to Smt. Ankita Chetani W/o Shri Anil Kumar Chetani for Quartz, Feldspar & Masonry Stone Mining Project, M.L. No.- 112/04, Area- 4.5522 ha., Production capacity- 3,18,250 TPA (ROM) {Quartz & Feldspar- 58,270 TPA & Masonry Stone- 2,08,500 TPA} at Khasra No.- 1449 of n/v.- Ramkumarpura and 1573 of n/v.- Sanjay Nagar, Tehsil- Khetri, District- Jhunjhunu (Raj.).**(Proposal No. 133427),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. **{Name of Proponent:-** Smt. Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for Environmental Clearance for Mineral Granite Mining Project, M.L. No.- 95/2018, Area- 1.3073 ha., Production Capacity- 1,30,171 TPA (ROM) at Khasra No.- 1174, Village- Chandma, Tehsil- Tatoti, District- Ajmer,

(Raj.)**(Proposal No. 44045).** The project is covered under B2 category. The SME, Ajmer has granted LOI for mineral on 04.06.2019. The mining plan has been approved by the SME, Ajmer vide letter dated 30.08.2019. AME, Sawar in his certificate dated 16.12.2019 has stated that the mining lease does not fall in Aravalli hills.

The SEAC considered the certificate dated 20.10.2020 issued by AME, Sawar. In the certificate, it is stated that as per the MoEF & CC notification, dated 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

The PP has not submitted certificate from the concerned DCF regarding existence or otherwise of National Park or Wildlife Sanctuary from the applied lease area. The SEAC, therefore, decided to ask the PP to submit the same within a period of 45 days failing which the project shall be recommended to SEIAA for closure and delistment.

Agenda no. 51. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17601)/ 2019-20

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for EC for Granite & Masonry Stone Mining Project, M.L. No.- 67/2018 (new), 21/2018 (old), Area- 1.0002 ha., Production Capacity- 50,960 TPA(ROM) {Granite- 22,932 TPA, Masonry Stone- 22,932 and Waste- 5096 TPA} at Khasra No.- 84/3188, Near Village- Richhmaliya, Tehsil- Pisangan, District- Ajmer (Raj.)**(Proposal No. 134747).** The project is covered under B2 category. The SME, Ajmer has granted LOI for mineral on 19.02.2019 having validity upto 18 months. The period of LOI has been extended by order dated 21.10.2020 of SME, Ajmer up to 18.11.2020. The mining plan has been approved by the SME, Ajmer vide letter dated 05.03.2019. ME, Ajmer in his certificate dated 09.08.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Ajmer in his certificated dated 25.11.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 21.10.2020 issued by ME, Ajmer. In the certificate, it is stated that as per the MoEF & CC notification, dated 15.01.2016 and

01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

Resolution:

The SEAC upon appraisal of the project in the light of information contained in Form-1,Form-2, Pre-feasibility report and other documents and having regard to the submissions made during presentation, the members resolved to recommend to SEIAA for grant of EC to M/s Shakti Mines & Minerals & M/s Survshree Rashleela Enterprises for Granite & Masonry Stone Mining Project, M.L. No.- 67/2018 (new), 21/2018 (old), Area- 1.0002 ha., Production Capacity- 50,960 TPA (ROM) {Granite- 22,932 TPA, Masonry Stone- 22,932 and Waste-5096 TPA} at Khasra No.- 84/3188, Near Village- Richhmaliya, Tehsil- Pisangan, District- Ajmer (Raj.)**(Proposal No. 134747),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Name of Proponent:-** M/s Shakti Mines & Minerals & M/s Survshree Rashleela Enterprises, **Registered POA, Chandrakant,** Add.- Richmaliya, Tehsil – Pisangan, District- Ajmer (Raj.), Email- shaktimine@gmail.com, **Consultant Name:-** Fulgro Environmental & Engineering Services India Pvt. Ltd., 27, Ashok Vatika, Khatipura Road, Jhotwara, Jaipur, (Raj.).Email:- info@fulgro.in}.

Agenda no. 52. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17602)/2019-20

Project Name:- EC for Granite & Masonry Stone Mining Project, M.L. No. – 70/2018 (new) 24/2018 (old), Area- 2.1982 ha., Production Capacity- 80,080 TPA (ROM) {Granite- 36,036 TPA, Masonry Stone- 36,036 and Waste- 8008 TPA} at Khasra No.- 209/3234 & 209/3235, Near Village- Richhmaliya, Tehsil- Pisangan, District- Ajmer (Raj.)**(Proposal No. 135030).**

Project Proponent Name:- M/s Shakti Mines & Minerals & M/s Survshree Rashleela Enterprises, **Registered POA, Chandrakant,** Add.- Richmaliya, Tehsil – Pisangan, District- Ajmer (Raj.)Email- shaktimine@gmail.com,

Consultant Name:- Fulgro Environmental & Engineering Services India Pvt. Ltd., 27, Ashok Vatika, Khatipura Road, Jhotwara, Jaipur, (Raj.). Email:- info@fulgro.in,

The particulars of the project, in brief, as submitted by the PP are as follows:

1.	Category / Item no. (in Schedule):	1 (a) /Category-B2
2.	Location of Project	Near Village- Richhmaliya, Tehsil-Pisangan District- Ajmer, (Rajasthan)
3.	Project Details REF. No./Production capacity	M.L. No. 70/2018 (OLD M.L. No. 24/2018)Area: 2.1982Ha. Khasra No.209/3235 & 209/3234 Production–80,080 TPA (ROM)

Final minutes of 4.55th meeting held on 20 ,21 and 22 October, 2020

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for EC for Granite & Masonry Stone Mining Project, M.L. No.– 70/2018 (new) 24/2018 (old), Area- 2.1982 ha., Production Capacity- 80,080 TPA (ROM) {Granite- 36,036 TPA, Masonry Stone- 36,036 and Waste- 8008 TPA} at Khasra No.- 209/3234 & 209/3235, Near Village- Richhmaliya, Tehsil- Pisangan, District- Ajmer (Raj.)**(Proposal No. 135030).** The project is covered under B2 category. The SME, Ajmer has granted LOI for mineral on 19.02.2019 having validity upto 18 months. The period of LOI has been extended by order dated 21.10.2020 of SME, Ajmer up to 18.11.2020. The mining plan has been approved by the SME, Ajmer vide letter dated 05.03.2019. ME, Ajmer in his certificate dated 09.08.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Ajmer in his certificated dated 25.11.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 21.10.2020 issued by ME, Ajmer. In the certificate, it is stated that as per the MoEF & CC notification, dated 15.01.2016 and 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

Resolution:

The SEAC upon appraisal of the project in the light of information contained in Form-1,Form-2, Pre-feasibility report and other documents and having regard to the submissions made during presentation, the members resolved to recommend to SEIAA for grant of EC to M/s Shakti Mines & Minerals & M/s Survshree Rashleela Enterprises for Granite & Masonry Stone Mining Project, M.L. No. – 70/2018 (new) 24/2018 (old), Area- 2.1982 ha., Production Capacity- 80,080 TPA (ROM) {Granite- 36,036 TPA, Masonry Stone- 36,036 and Waste- 8008 TPA} at Khasra No.- 209/3234 & 209/3235, Near Village- Richhmaliya, Tehsil- Pisangan, District- Ajmer (Raj.)**(Proposal No. 135030),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. **{Name of Proponent**:- M/s Shakti Mines & Minerals & M/s Rashleela Enterprises, **Registered POA, Chandrakant,** Add.- Richmaliya, Tehsil – Pisangan, District- Ajmer (Raj.)Email-shaktimine@gmail.com, **Consultant Name:**- Fulgro Environmental & Engineering Services India Pvt. Ltd., 27, Ashok Vatika, Khatipura Road, Jhotwara, Jaipur, (Raj.). Email:-info@fulgro.in}.

Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for Environmental Clearance for Jhakhari Quartz Mining Project, M.L. No.- 12/2019, Area- 1.0323 ha., Production Capacity- 53,684.4 TPA (ROM) at Khasra no.- 313, 314, 315, 316, 317, 318, 319, 320, 321, 322 & 324, Village- Jhakhari, Tehsil- Sagwara, District- Dungarpur, (Raj.) **(Proposal No. -134816).** The project is covered under B2 category. The Additional Director (Mines), Udaipur has granted LOI for mineral on 15.11.2019. The mining plan has been approved by the SME, Udaipur vide letter dated 26.12.2019. ME, Dungarpur in his certificate dated 13.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Dungarpur in his certificated dated 05.02.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Dungarpur on 06.08.2020, there is no other mining lease and the total area of the mining lease in the cluster is 1.0323 ha.

Resolution:

The SEAC upon appraisal of the project in the light of information contained in Form-1,Form-2, Pre-feasibility report and other documents and having regard to the submissions made during presentation, the members resolved to recommend to SEIAA for grant of EC to M/s Aravali Quartz, Project In- charge- Shri Durga Narayan Singh S/o Shri Bhopal Singh, Co-tenant Shri Suraj Mal S/o Shri Ganesh Ram Regar, for Jhakhari Quartz Mining Project, M.L. No.- 12/2019, Area- 1.0323 ha., Production Capacity- 53,684.4 TPA (ROM) at Khasra no.- 313, 314, 315, 316, 317, 318, 319, 320, 321, 322 & 324, Village- Jhakhari, Tehsil- Sagwara, District- Dungarpur, (Raj.) **(Proposal No. -134816),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. **{Name of Proponent: -** 1. M/s Aravali Quartz, Project In- charge- Shri Durga Narayan Singh S/o Shri Bhopal Singh, Add. – 79, Rajput Colony, Padardi, Karoli, District- Dungerpur, (Raj.), 2. Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for Environmental Clearance for Hisampur Granite Mining Project, Reference. No.- 2019100009941, Area- 1.5913 ha., Production Capacity- 2,09,698 TPA (ROM) at Khasra no.- 66, Near Village- Hisampur, Teshil- Deoli, District- Tonk, (Raj.).**(Proposal No. 135445).** The project is covered under B2 category. The SME, Jaipur has granted LOI for mineral on 17.10.2019. The mining plan has been approved by the SME, Jaipur vide letter dated 06.12.2019. AME, Tonk in his certificate dated 05.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Tonk in his certificated dated

01.01.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 09.10.2020 issued by AME, Tonk. In the certificate, it is stated that as per the MoEF & CC notification, dated 15.01.2016 and 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

Resolution:

Keeping in view the information contained in the documents submitted by the PP and The SEAC upon appraisal of the project in the light of information contained in Form-1,Form-2, Pre-feasibility report and other documents and having regard to the submissions made during presentation, the members resolved to recommend to SEIAA for grant of EC to Shri Sourabh Godha S/o Shri Vimal Kumar Jain for Hisampur Granite Mining Project, Reference. No.- 2019100009941, Area- 1.5913 ha., Production Capacity- 2,09,698 TPA(ROM) at Khasra no.- 66, Near Village- Hisampur, Teshil- Deoli, District- Tonk, (Raj.).**(Proposal No. 135445),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Name of Proponent: -** Shri Sourabh Godha S/o Shri Vimal Kumar Jain, Add. – Village- Hisampur, Tehsil- Deoli, District- Tonk, (Raj.)Email-saurabhgodha201920@gmail.com, **Consultant Name:**- Cognizance Research India Private Ltd., Add.- Office GT-20, Sec 177, Noida- 201301 (U.P.)Email:- cognizanceresearchindiapl@gmail.com}

Observations and Resolution of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for ToR / Environmental Clearance for Isharmand Granite Mining Project, M.L. No.- 34/2018, Ref. No.- 201810000767, Area- 1.1556 ha., Production Capacity- 1,66,093 TPA (ROM) at Khasra No.- 1400/1026 & 1028, Near Village- Isharmand, Tehsil- Deogarh, District- Rajsamand, (Raj.)**(Proposal No. 125773).** The SME, Rajsamand has granted LOI for mineral on 26.02.2019 having validity upto 18 months. The period of LOI has been extended by order dated 15.10.2020 of SME, Rajsamand for a period of four months. The mining plan has been approved by the SME, Rajsamand vide letter dated 24.05.2019. ME, Amet in his certificate dated 29.05.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Rajsamand in his certificated dated 23.12.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

Earlier the PP had submitted proposal for obtaining EC in view of cluster certificate dated 01.01.2020 of ME, Amet, wherein, cluster area was shown as 2.4516 ha. The PP during presentation submitted cluster certificate issued by ME, Amet on 15.10.2020, in which the cluster area is mentioned as 5.1516 ha. In view of latest cluster certificate dated 15.10.2020, PP has requested for issue of ToR carrying on EIA/ EMP studies.

The SEAC therefore, decided that the PP shall get the public hearing conducted for the entire cluster and prepare Environmental Impact Assessment Study and Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

Keeping in view the presentation made by the PP and examination of documents submitted by him the SEAC prescribed the **ToR** with public hearing for carrying out detailed

EIA and preparing comprehensive EIA report as per the provisions of the EIA notification 2006. **The ToR is enclosed at Annexed 'B'.**

Agenda no. 59. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(17604)/ 2019-20

Project Name: - Environmental Clearance for Chhapra Masonry Stone Mining Project, M.L. No.-51/2003, Area- 1.0 ha., Production Capacity- 1,61,873 TPA(ROM) Interlinked With Proposed Crusher Plant at Khasra no.- 16, Near Village- Chhapra, Tehsil- Pahari District- Bharatpur (Raj.) **(Proposal No. 135260).**

Project Proponent Name:- Smt. Indu Singh W/o Shri Virendra Singh Yadav, Add.- B, 10-7164, Basant Kunj (New Dehli), Email. indusingh2003@outlook.com

Consultant Name:- :- :- Cognizance Research India Private Ltd., Add.-Office GT-20, Sec 177, Noida- 201301 (U.P.), Email:- cognizanceresearchindiapl@gmail.com

Observations and Resolution of the committee:-

The PP vide letter dated 22.10.2020 has submitted an application for deferment of the case. The SEAC agreed to the request of the PP and deferred the matter. The same shall be taken up again on receipt of his request for consideration of the project by the PP, in the subsequent proposed meeting.

Additional Agenda:

Agenda no. 1. File no. F1 (4)/SEIAA/SEAC-Raj/Sectt/Project / Cat. B2(16452)/ 2019-20

Project Name: - EC for Shambhugarh Quartz & Feldspar Mining Project, (ML No.-54/2018, Area- 2.6036 ha.), Production Capacity- 94,263 TPA(ROM) at Khasra No. 2445, 2446, 2447, 2448, 2449, 2453, 2450 and 2451 Village Shambhugarh, Tehsil - Asind, District Bhilwara (Rajasthan), **(Proposal No. 37377)**

Proponent name:- Shri Gorav Joshi, Add.- Ward No. 13, R.K Colony, Tehsil – Asind, Distt.- Bhilwara, (Raj.) Email – Not Given

Name of Consultant:- N.S. ENVIRO-TECH LABORATORIES & CONSULTANTS, Add: 69/318, V.T. Road, Madhaym Marg Mansarovar Jaipur (Raj.) email:- nsnaruka@nsenvirotech.com

Brief details of the project:

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him during the meeting. The PP has applied EC for Shambhugarh Quartz & Feldspar Mining Project, (ML No.-54/2018, Area- 2.6036 ha.), Production Capacity- 94,263 TPA (ROM) at Khasra No. 2445, 2446, 2447, 2448, 2449, 2453, 2450 and 2451, Village Shambhugarh, Tehsil- Asind, District Bhilwara (Rajasthan), **(Proposal No. 37377).** The project is covered under B2 category. The Additional Director (Mines), Udaipur has granted LOI of mineral on 08.01.19. The mining plan has been approved by the SME, Bhilwara vide letter dated 11.04.19. DCF, Bhilwara in his certificated dated 12.07.19 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

The SEAC considered the certificate dated 10.07.19 issued by ME, Bhilwara. In the certificate, it is stated that as per the MoEF & CC notification, dated 01.07.2016 there is no other mining lease within the periphery of 500 meter and therefore, there is no cluster formation.

ME, Bhilwara in his certificate dated 09.08.19 has stated that the mining lease does not fall in Aravalli hills. According to LOI the project site comprises Khasra no. 2445, 2446, 2447, 2448, 2449, 2450, 2451 and 2453. However, according to Aravalli certificate the project site falls in Khasra no. 2445, 2446, 2447, 2448, 2449 and 2453 of Village Shambhugarh, Tehsil - Asind, District Bhilwara (Rajasthan). The Aravalli certificate does not include Khasra no. 2450 and 2451. The PP needs to give explanation in this regard. The SEAC in view of above discrepancy regarding Khasra numbers in LOI and Aravalli certificate resolved to ask the PP to explain the same and submit revised LOI/ Aravalli certificate with in a period of 45 days failing which the project shall be recommended to SEIAA for closure and delistment.

Observations and Resolution of the committee:-

Final minutes of 4.55th meeting held on 20 ,21 and 22 October, 2020

The PP, in response to the query made by SEAC vide letter dated 27.02.2020, has submitted reply vide letter dated 02.03.2020. The SEAC in its 4.55th meeting held on 20-22 Oct, 2020 went through the reply. The PP incompliance of the query has submitted Aravalli certificate dated 09.08.2019 of ME, Bhilwara and LOI amendment order dated 20.02.2020 issued by ADM, Udaipur. Both these certificates state that the Khasra no. with respect to applied lease area are 2445, 2446, 2447, 2448, 2449 and 2453. The SEAC observe that the discrepancy with respect to Khasra no. in Aravalli certificate and LOI is now over. The PP has also submitted order dated 20.10.2020 of ADM, Udaipur extending period of LOI up to 07.11.2020.

The period of LOI has been extended by order dated 09.06.2020 of SME, Bhilwara upto 27.06.2020

Keeping in view the information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the members resolved to recommend to SEIAA for the grant of EC to Shri Gorav Joshi, Add.- Ward No. 13, R.K Colony, Tehsil – Asind, Distt.- Bhilwara,(Raj.) Email – Not Given for Shambhugarh Quartz & Feldspar Mining Project, (ML No.-54/2018, Area- 2.6036 ha.), Production Capacity- 94263 TPA(ROM) at Khasra No. 2445, 2446, 2447, 2448, 2449 and 2453, Village Shambhgarh, Tehsil - Asind, District Bhilwara (Rajasthan), **(Proposal No. 37377),** with the stipulation that the PP shall abide by the annual production scheduled specified in mining plan and that any deviation there in will render the PP liable for legal action in accordance with Environment and Mining Laws, with the specific and general conditions annexed at Annexure 'A'. {**Name of Proponant :** Shri Gorav Joshi, Add.- Ward No. 13, R.K Colony, Tehsil – Asind, Distt.- Bhilwara, (Raj.) Email – Not Given **Consultants :** N.S. ENVIRO-TECH LABORATORIES & CONSULTANTS, Add: 69/318, V.T. Road, Madhaym Marg Mansarovar Jaipur (Raj.) email:- nsnaruka@nsenvirotech.com}.

ANNEXURE-"A"

GENERAL CONDITIONS

1. That the grant of this E.C. is issued from the environmental angle only, and does not absolve the project **Proponent** from the other statutory obligations prescribed under any other law or any other instrument in force. The sole and complete responsibility, to comply with the conditions laid down in all other laws for the time-being in force, rests with the industry / unit / project **Proponent**. Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under section 16 of the National Green Tribunal Act, 2010.
2. No further expansion or modifications in the project shall be carried out without prior approval of the SEIAA/Ministry of Environment and Forests as the case may be. In case of deviations or alterations in the project proposal from those submitted to this Authority for clearance, a fresh reference shall be made to the Authority to assess the adequacy of conditions imposed and to add additional environmental protection measures required, if any.
3. The implementation of the project vis-à-vis environmental action plans shall be monitored by MoEF Regional Office at Lucknow / RSPCB / CPCB / SEIAA, Department of Environment, Government of Rajasthan, Jaipur and this office. A six monthly compliance status report shall be submitted to monitoring agencies.
4. The EC is liable to be rejected, in case it is found that the PP has deliberately concealed and furnished false and misleading information or data which is material to screening or scoping or appraisal or decision on the application for EC.
5. The project authorities shall inform the MoEF Regional Office at Lucknow / RSPCB / CPCB / SEIAA, Department of Environment, Government of Rajasthan, Jaipur and the date of financial closure and final approval of the project by the concerned authorities and the date of start of the project.
6. Officials from the Department of Environment, Government of Rajasthan, Jaipur/ Regional Office of MoEF, Lucknow, RSPCB who would be monitoring the implementation of Environmental safeguards should be given full cooperation, facilities and documents/data by the project **Proponent**s during their inspection. A complete set of all the documents submitted to SEIAA should be forwarded to the CCF, Regional Office of MoEF, Lucknow / SEIAA, Department of Environment, Government of Rajasthan, Jaipur / RSPCB.
7. The Authority reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provision of the Environment (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.
8. The project **Proponent** should advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded environmental Clearance and copies of clearance letters are available with the Rajasthan State Pollution Control Board and may also be seen on the

website of the RSPCB. The advertisement should be made within 7 days from the day of issue of the clearance letter and a copy of the same should be forwarded to the Regional Office of MoEF at Lucknow/Department of Ecology and Environment, Government of Rajasthan, Jaipur.

9. The above condition shall be enforced among others under the provisions of water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991 and EIA Notification, 2006, along with their amendments and rules.
10. The PP shall obtain prior clearance form forestry and wild Life angle including clearance from standing committee of National Board of Wild Life (if applicable). It is further categorically stated that grant of EC does not necessary imply that Forestry and Wild Life clearance shall be granted to the project and that proposals for forestry and wild Life clearance will be considered by the respective authorities on their merits and decision taken. The investment made in the project, if any based on EC so granted, in anticipation of clearance form Forestry and Wild Life angle shall be entirely at the cost risk of the PP and MOEF/SEIAA shall not be responsible in this regard in any manner.
11. The SEIAA, Rajasthan may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
12. Main haulage road should be provided with permanent water sprinklers and other roads should be regularly wetted with water tankers fitted with sprinklers. The material transfer points should invariably be provided with Bag filters and or dry fogging system. In case of Belt- conveyors facilities the system should be fully covered to avoid air borne dust; Use of effective sprinkler system to suppress fugitive dust on haul roads and other transport roads shall be ensured.
13. Periodic monitoring of ambient air quality shall be carried out for PM10, PM2.5, SPM, SO2 and NOx monitoring. Location of the stations (minimum 6) shall be decided based on the meteorological data, topographical features and environmentally and ecologically sensitive targets and frequency of monitoring shall be decided in consultation with the Rajasthan State pollution Control Board (RPCB). Six monthly reports of the data so collected shall be regularly submitted to the RPCB/CPCB including the MoEF, Regional office, Lucknow.
14. Personnel working in dusty areas shall wear protective respiratory devices they shall also be provided with adequate training and information on safety and health aspects.
15. The ambient noise level should confirm to the standards prescribed under E (P) A Rules, 1986 viz 75 dB (A) during day time and 70 dB (A) during night time.
16. The PP shall submit an environmental statement for the financial year ending 31st March in Form-V as prescribed under the environment (Protection) Rules, 1986, as amended subsequently on or before the 30th day of September every year, to the Rajasthan State Pollution Control Board/SEIAA and shall also be put on the website of the company along with the status of compliance of environmental clearance conditions and shall also be sent to the Lucknow Regional offices of MoEF/SEIAA by e-mail as well as hard copy duly signed by competent person of company.

17. Mining Department will ensure that while executing the mining lease, if the mine falls in a cluster, then lease will be executed after EIA/EMP study as well as grant of revised EC for the cluster as applicable.
18. The Mining lease holder shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to his mining activities and restored the land to a condition which is fit for growth of fodder, flora, fauna etc.

SPECIFIC CONDITIONS

1. **In case the project falls within a distance of 10 Km from the boundary of National Park/ Wildlife Sanctuary, wherein final ESZ Notification has not been notified so far, the EC shall come into effect only after the PP obtains clearance from the Standing Committee of National Board for Wildlife (SCNBWL) as per OM dated 08.08.2019 of MoEF & CC.**
2. This EC is granted for mining of the mineral with production mentioned in the above table subject to the stipulation that the PP shall abide by the annual/ permitted production schedule specified in the mining plan and that any deviation theirin will render the PP liable for legal action in accordance with Environment and Mining Laws.
3. The PP shall obtain Consent to Establish and Operate from the Rajasthan State Pollution Control Board under the provisions of the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981, before carrying out mining activity.
4. The PP shall comply with the provisions of the Mines and Minerals (Development and Regulation) Act, 1957 and the rules made thereunder.
5. As stated by the PP, the total water requirement for the project shall be limited as mentioned above. Necessary permission for withdrawal of ground water, if required, shall be taken from CGWA.
6. The PP shall invest the amount mentioned above towards annual cost for implementing the Environment Management Plan.
7. The amount of CER as mentioned above shall be spent for socio economic up-liftment activities of the area particularly in the field of education, health, sanitation and other need based social activities in the nearby areas of the mining lease, such as improvement of the infrastructure of government schools etc. and as per the OM dated 01.05.2018 MoEF & CC. This amount should be effectively utilized and reflected in the books of accounts. Relevant report of the same should be made a part of social monitoring and six monthly compliance reports should be submitted to RSPCB, SEIAA and Regional Office of the MoEF & CC.
8. The mining operations shall not intersect groundwater table. In cases of mining of other than river sand mining, below ground water table, prior approval of the Central Ground Water Authority shall be obtained.
9. The PP shall construct Rain Water Harvesting Structure and Artificial Recharge Structure in the lease area as also implement other/suitable conservation measures to

augment ground water resources in the area in consultation with the Regional Director, CGWB.

10. Occupational health and safety of mine labour shall be given the highest priority.
11. Budgetary provision, as mentioned above for the laborers working in the Mine, for all necessary infrastructure facilities such as health facility, sanitation facility, fuel for cooking, along with safe drinking water, medical camps, and toilets for women, crèche for infants; should be made and submitted to RPCB, Jaipur at the time of CTE/CTO. The housing facilities and Group Insurance should be provided for mining labours.
12. Topsoil shall be stacked temporarily at the earmarked sites only and it should not be kept unutilized for a period more than three years; it should be used for land reclamation and plantation in mined out areas.
13. The project **Proponent** shall ensure that no natural water course / water body is obstructed due to any mining operations.
14. The waste should be dumped at the designated site as per approved Mining Plan on non-mineralized land within lease area or outside lease area, at the land provided by district authority or occupied by the lessee/STP/Quarry license holder. The height of the dump shall be as per the approved mining plan and toe of the dump should have retaining wall.
15. The bench height, width and slope shall be maintained as per the MMR 1960 or the DGMS approval.
16. Garland drains; settling tanks and check dams of appropriate size, gradient and length shall be constructed both around the mine pit and over burden dumps and sump capacity should be designed keeping 50 % safety margin over and above peak sudden rainfall (based on 50 years data) and maximum discharge in the area adjoining the mine site. Sump capacity should also provide adequate pits, which should be constructed at the corners of the garland drains and de-silted.
17. Drills shall either be operated with dust extractors or equipped with water injections system.
18. As envisaged, plantation shall be raised in an area of 33% of total area including green belt in the safety zone around the mining lease by planting the native species around ML area, OB dumps, backfilled and reclaimed around water body, roads etc. or outside lease area in consultation with the Gram Panchayat or Forests Department in the coming rainy season.
19. Regular water sprinkling should be carried out in critical areas prone to air pollution and having high levels of SPM and RSPM such as haul roads, loading and unloading points and transfer points. It should be ensured that the Ambient Air Quality parameters conform to the standards prescribed by the MoEF & CC.
20. Data on ambient air quality and stack emissions should be submitted to Rajasthan State Pollution Control Board once in six months, carried out by MOEF/ NABL/ CPCB/ RSPCB/ Government approved lab.
21. Blasting operation should be carried out only during the daytime with safe blasting parameters.
22. The Project Proponent shall take all due care to protect the existing flora and fauna. Utmost precaution shall be taken to conserve wildlife.
23. The PP shall carry out mining activities with open cast method.

24. In the project related to Bajri mining the PP shall follow the Sustainable Sand Mining Guidelines 2016 laid down by the MoEF & CC, GOI. The Bajri sand mining activity is restricted to three meters from ground level or water level whichever is less and the PP shall carry out river sand (Bajri) mining activity manually/ semi mechanized as provided under the Sustainable Sand Mining Management Guidelines, 2016.
25. The PP shall comply with the guidelines issued by the MoEF & CC/ CPCB/ RSPCB, from time to time, with respect to stone crushing units if installed in the lease area.

Additional conditions recommended in view of OM dated 08.08.2019 of the MoEF & CC (applicable where the project falls within a distance of 10 Km from the boundary of National Park/ Wildlife Sanctuary and outside notified ESZ):

1. The mining activity should be carried out in a manner so that the water regime/system of the sanctuary is not disturbed. The mining activity should not adversely affect any existing water course, water body, catchment etc. The PP shall while carrying out mining activity ensure compliance of the provisions of Air (Prevention and Control of Pollution) Act 1981, Water (Prevention and Control of Pollution) Act 1974 and the Environment (Protection) Act, 1986 so that the wildlife in the area is not adversely affected.

2. The processes like blasting, drilling, excavation, transport and haulage resulting into noise, should be carried out in such an manner so that such activities do not disturb wild animals and birds particularly during sunset to sunrise. The level of noise should be kept within the permissible limits.

3. The mining activity should not create any obstacle in the way of free movement of wildlife and adversely affect wildlife corridors.

4. The mineral waste/ slurry should be dumped only at the designated places only and such waste dumps should be reclaimed in accordance with the conditions of the mining plan/ consent issued by the RSPCB under the Water and Air act.

5. The PP shall cooperate with the concerned DCF, Wildlife in their efforts towards protection and conservation of wildlife in the Sanctuary/ Park.

6. The PP shall ensure that the transporter and labor employed by him should not damage flora and fauna in the ESZ and the Wildlife Sanctuary/ National Park.

Specific Conditions applicable, in the cases of violation in terms of the Notification dated 14.3.2017 and 8.3.2018 and OMs dated 30.5.2018, 4.7.2018 of the MoEF&CC :

1. The PP shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others before grant of ToR/EC. The undertaking inter-alia include commitment of the PP not to be repeat any such violation in future.
2. In case of violation of above undertaking/ affidavit, the ToR/EC shall be liable to be terminated forthwith.

3. The environmental clearance will not be operational, till such time the Project Proponent complies with all the statutory requirements and judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.
4. The department of Mines & Geology shall ensure that the mining operations shall not commence till the entire compensation levied, if any, for illegal mining, is paid, by the Project Proponent through the Department of Mines and Geology, in strict compliance of the judgment of the Hon'ble Supreme Court dated 02.08.2017 in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause V/s Union of India & others.

ANNEXURE-"B"

TERMS OF REFERENCE FOR CONDUCTING ENVIRONMENT IMPACT ASSESSMENT STUDY FOR NON-COAL MINING PROJECTS AND INFORMATION TO BE INCLUDED IN EIA/EMP REPORT

1) Year-wise production details since 1994 should be given, clearly stating the highest production achieved in any one year prior to 1994. It may also be categorically informed whether there had been any increase in production after the EIA Notification 1994 came into force, w.r.t. the highest production achieved prior to 1994.
2) A copy of the document in support of the fact that the **Proponent** is the rightful lessee of the mine should be given.

3) All documents including approved mine plan, EIA and Public Hearing should be compatible with one another in terms of the mine lease area, production levels, waste generation and its management, mining technology etc. and should be in the name of the lessee.

4) All corner coordinates of the mine lease area, superimposed on a High Resolution Imagery/ toposheet, topographic sheet, geomorphology and geology of the areashould be provided. Such an Imagery of the proposed area should clearly show the land use and other ecological features of the study area (core and buffer zone).

5) Information should be provided in Survey of India Toposheet in 1:50,000 scale indicating geological map of the area, geomorphology of land forms of the area, existing minerals and mining history of the area, important water bodies, streams and rivers and soil characteristics.

6) Details about the land proposed for mining activities should be givenwith information as to whether mining conforms to the land use policy of the State; land diversion for mining should have approval from State land use board or the concerned authority.

7) It should be clearly stated whether the **Proponent** Company has a well laid down Environment Policy approved by its Board of Directors? If so, it may be spelt out in the EIA Report with description of the prescribed operating process/procedures to bring into focus any infringement/deviation/ violation of the environmental or forest norms/ conditions? The hierarchical system or administrative order of the Company to deal with the environmental issues and for ensuring compliance with the EC conditions may also be given. The system of reporting of non-compliances / violations of environmental norms to the Board of Directors of the Company and/or shareholders or stakeholders at large,may also be detailed in the EIA Report.

8) Issues relating to Mine Safety, including subsidence study in case of underground mining and slope study in case of open cast mining, blasting study etc. should be detailed. The proposed safeguard measures in each case should also be provided.

9) The study rea will comprise of 10 km zone around the mine lease from lease periphery and the data contained in the EIA such as waste generation etc. should be for the life of the mine / lease period.

10) Land use of the study rea delineating forest area, agricultural land, grazing land, wildlife sanctuary, national park, migratory routes of fauna, water bodies, human settlements and other ecological features should be indicated. Land use plan of the mine lease area should be prepared to encompass preoperational, operational and post operational phases and submitted. Impact, if any, of change of land use should be given.

11) Details of the land for any Over Burden Dumps outside the mine lease, such as extent of land area, distance from mine lease, its land use, R&R issues, if any, should be given.

12) A Certificate from the Competent Authority in the State Forest Department should be provided, confirming the involvement of forest land, if any, in the project area. In the event of any contrary claim by the Project **Proponent** regarding the status of forests, the site may be inspected by the State Forest Department along with the Regional Office of the Ministry to ascertain the status of forests, based on which, the Certificate in this regard as mentioned above be issued. In all such cases, it would be desirable for representative of the State Forest Department to assist the Expert Appraisal Committees.

13) Status of forestry clearance for the broken up area and virgin forestland involved in the Project including deposition of net present value (NPV) and compensatory afforestation (CA) should be indicated. A copy of the forestry clearance should also be furnished.

14) Implementation status of recognition of forest rights under the Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 should be indicated.

15) The vegetation in the RF / PF areas in the study area, with necessary details, should be given.

16) A study shall be got done to ascertain the impact of the Mining Project on wildlife of the study area and details furnished. Impact of the project on the wildlife in the surrounding and any other protected area and accordingly, detailed mitigative measures required, should be worked out with cost implications and submitted.

17) Location of National Parks, Sanctuaries, Biosphere Reserves, Wildlife Corridors, Ramsar site Tiger/ Elephant Reserves/(existing as well as proposed), if any, within 10 km of the mine lease should be clearly indicated, supported by a location map duly authenticated by Chief Wildlife Warden. Necessary clearance, as may be applicable to such projects due to proximity of the ecologically sensitive areas as mentioned above, should be obtained from the Standing Committee of National Board of Wildlife and copy furnished.

18) A detailed biological study of the study area [core zone and buffer zone (10 km radius of the periphery of the mine lease)] shall be carried out. Details of flora and fauna, endangered, endemic and RET Species duly authenticated, separately for core and buffer zone should be furnished based on such primary field survey, clearly indicating the Schedule of the fauna present. In case of any scheduled-I fauna found in the study area, the necessary plan alongwith budgetary provisions for their conservation should be prepared in consultation with State Forest and Wildlife Department and details furnished. Necessary allocation of funds for implementing the same should be made as part of the project cost.

19) Proximity to Areas declared as 'Critically Polluted' or the Project areas likely to come under the 'Aravali Range', (attracting court restrictions for mining operations), should also be indicated and where so required, clearance certifications from the prescribed Authorities, such as the SPCB or State Mining Department should be secured and furnished to the effect that the proposed mining activities could be considered.

20) R&R Plan/compensation details for the Project Affected People (PAP) should be furnished. While preparing the R&R Plan, the relevant State/National Rehabilitation & Resettlement Policy should be kept in view. In respect of SCs /STs and other weaker sections of the society in the study area, a need based sample survey, family-wise, should be undertaken to assess their requirements, and action programmes prepared and submitted accordingly, integrating the sectoral programmes of line departments of the State Government. It may be clearly brought out whether the village(s) located in the mine lease area will be shifted or not. The issues relating to shifting of village(s) including their R&R and socio-economic aspects should be discussed in the Report.

21) One season (non-monsoon) [i.e. March-May (Summer Season); October-December (post monsoon season) ; December-February (winter season)]primary baseline data on ambient air quality as per CPCB Notification of 2009, water quality, noise level, soil and flora and fauna shall be collected and the AAQ and other data so compiled presented date-wise in the EIA and EMP Report. Site-specific meteorological data should also be collected. The location of the monitoring stations should be such as to represent whole of the study area and justified keeping in view the pre-dominant downwind direction and location of sensitive receptors. There should be at least one monitoring station within 500 m of the mine lease in the pre-dominant downwind direction. The mineralogical composition of PM10, particularly for free silica, should be given.

22) Air quality modeling should be carried out for prediction of impact of the project on the air quality of the area. It should also take into account the impact of movement of vehicles for transportation of mineral. The details of the model used and input parameters used for modeling should be provided. The air quality contours may be shown on a location map clearly indicating the location of the site, location of sensitive receptors, if any, and the habitation. The wind roses showing pre-dominant wind direction may also be indicated on the map.

23) The water requirement for the Project, its availability and source should be furnished. A detailed water balance should also be provided. Fresh water requirement for the Project should be indicated.

24) Necessary clearance from the Competent Authority for drawl of requisite quantity of water for the Project should be provided.

25) Description of water conservation measures proposed to be adopted in the Project should be given. Details of rainwater harvesting proposed in the Project, if any, should be provided.

26) Impact of the Project on the water quality, both surface and groundwater, should be assessed and necessary safeguard measures, if any required, should be provided.

27) Based on actual monitored data, it may clearly be shown whether working will intersect groundwater. Necessary data and documentation in this regard may be provided. In case the working will intersect groundwater table, a detailed Hydro Geological Study should be undertaken and Report furnished. The Report inter-alia, shall include details of the aquifers present and impact of mining activities on these aquifers. Necessary permission from Central Ground Water Authority for working below ground water and for pumping of ground water should also be obtained and copy furnished.

28) Details of any stream, seasonal or otherwise, passing through the lease area and modification / diversion proposed, if any, and the impact of the same on the hydrology should be brought out.

29) Information on site elevation, working depth, groundwater table etc. Should be provided both in AMSL and bgl. A schematic diagram may also be provided for the same.

30) A time bound Progressive Greenbelt Development Plan shall be prepared in a tabular form (indicating the linear and quantitative coverage, plant species and time frame) and submitted, keeping in mind, the same will have to be executed up front on commencement of the Project. Phase-wise plan of plantation and compensatory afforestation should be charted clearly indicating the area to be covered under plantation and the species to be planted. The details of plantation already done should begiven. The plant species selected for green belt should have greater ecological value and should be of good utility value to the local population with emphasis on local and native species and the species which are tolerant to pollution.

31) Impact on local transport infrastructure due to the Project should be indicated. Projected increase in truck traffic as a result of the Project in the present road network (including those outside the Project area) should be worked out, indicating whether it is capable of handling the incremental load. Arrangement for improving the infrastructure, if contemplated (including action to be taken by other agencies such as State Government) should be covered. Project **Proponent** shall conduct Impact of Transportation study as per Indian Road Congress Guidelines.

32) Details of the onsite shelter and facilities to be provided to the mine workers should be included in the EIA Report.

33) Conceptual post mining land use and Reclamation and Restoration of mined out areas (with plans and with adequate number of sections) should be given in the EIA report.

34) Occupational Health impacts of the Project should be anticipated and the proposed preventive measures spelt out in detail. Details of pre-placement medical examination and periodical medical examination schedules should be incorporated in the EMP. The project specific occupational health mitigation measures with required facilities proposed in the mining area may be detailed.

35) Public health implications of the Project and related activities for the population in the impact zone should be systematically evaluated and the proposed remedial measures should be detailed along with budgetary allocations.

36) Measures of socio economic significance and influence to the local community proposed to be provided by the Project **Proponent** should be indicated. As far as possible, quantitative dimensions may be given with time frames for implementation.

37) Detailed environmental management plan (EMP) to mitigate the environmental impacts which, should inter-alia include the impacts of change of land use, loss of agricultural and grazing land, if any, occupational health impacts besides other impacts specific to the proposed Project.

38) Public Hearing points raised and commitment of the Project **Proponent** on the same along with time bound Action Plan with budgetary provisions to implement the same should be provided and also incorporated in the final EIA/EMP Report of the Project.

39) Details of litigation pending against the project, if any, with direction /order passed by any Court of Law against the Project should be given.

40) The cost of the Project (capital cost and recurring cost) as well as the cost towards implementation of EMP should be clearly spelt out.

41) A Disaster management Plan shall be prepared and included in the EIA/EMP Report.

42) Benefits of the Project if the Project is implemented should be spelt out. The benefits of the Project shall clearly indicate environmental, social, economic, employment potential, etc.

43) Besides the above, the below mentioned general points are also to be followed:-

a) Executive Summary of the EIA/EMP Report

b) All documents to be properly referenced with index and continuous page numbering.

c) Where data are presented in the Report especially in Tables, the period in which the data were collected and the sources should be indicated.

d) Project **Proponent** shall enclose all the analysis/testing reports of water, air, soil, noise etc. using the MoEF&CC/NABL accredited laboratories. All the original analysis/testing reports should be available during appraisal of the Project.

e) Where the documents provided are in a language other than English, an English translation should be provided.

f) The Questionnaire for environmental appraisal of mining projects as devised earlier by the Ministry shall also be filled and submitted.

g) While preparing the EIA report, the instructions for the **Proponent**s and instructions for the Consultants issued by MoEF&CC vide O.M. No. J-11013/41/2006-IA.II(I) dated 4th August, 2009, which are available on the website of this Ministry, should be followed.

h) Changes, if any made in the basic scope and project parameters (as submitted in Form-I and the PFR for securing the TOR) should be brought to the attention of MoEF&CC with reasons for such changes and permission should be sought, as the TOR may also have to be altered. Post Public Hearing changes in structure and content of the draft EIA/EMP (other than modifications arising out of the P.H. process) will entail conducting the PH again with the revised documentation.

i) As per the circular no. J-11011/618/2010-IA.II(I) dated 30.5.2012, certified report of the status of compliance of the conditions stipulated in the environment clearance for the existing operations of the project, should be obtained from the Regional Office of Ministry ofEnvironment, Forest and Climate Change, as may be applicable.

j) The EIA report should also include (i) surface plan of the area indicating contours of main topographic features, drainage and mining area, (ii) geological maps and sections and (iii) sections of the mine pit and external dumps, if any, clearly showing the land features of the adjoining area.

Specific ToR in the cases of cluster situation:

5. The PP shall conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.
6. The EIA/EMP shall be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. The PP shall get one public consultation done for the entire cluster and after which prepare final EIA/EMP reports.

Specific ToRs applicable, in the cases of violation in terms of the Notification dated 14.3.2017 and 8.3.2018 and OMs dated 30.5.2018, 4.7.2018 of the MoEF & CC :

1. The PP shall undertake assessment of ecological damage, remediation plan and natural and community resource augmentation plan. Such plan shall be prepared as an independent chapter in the Environment Impact Assessment report. The report shall be prepared by the accredited consultant. Collection and analyses of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under the Environment (Protection) Act, 1986 or an environmental Laboratory, accredited by the National Accreditation Board for Testing and Calibration Laboratories or a Laboratory of the Council of Scientific and Industrial Research Institution working in the field of environment.

2. The Environment Management Plan shall comprise remediation plan and natural and community resource augmentation plan corresponding to ecological damage assessed and economic benefit derived due to the violation.
3. The PP shall undertake Final Environment Impact Assessment and prepare Final Environment Management Plan after conducting Public Hearing.
4. The PP shall be required to submit a bank guarantee equivalent to the amount of remediation plan and natural and community resource augmentation plan with the State Pollution Control Board and the PP shall deposit the bank guarantee prior to the grant of Environmental Clearance and which shall be released after successful implementation of the remediation plan and natural and community resource augmentation plan and after recommendation by Regional Office of the Ministry, State Level Expert Appraisal Committee and approval of SEIAA.
5. The project **Proponent** shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in Writ Petition (Civil) No. 114 of 2014 in the matter of Common Cause versus Union of India and Ors. before grant of ToR/ EC the undertaking inter-alia include commitment of the PP not to repeat any such violation in future.
6. In case of violation of above undertaking, the Environmental Clearance shall be liable to be terminated forthwith as per OM dated 30.5.2018 of the MoEF&CC.
7. The Environmental Clearance will not be operational till such time the project **Proponent** complies with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in Writ Petition (Civil) No. 114 of 2014 in the matter of Common Cause versus Union of India and Ors.
8. State Government concerned shall ensure that mining operation shall not commence till the entire compensation levied, if any, for illegal mining is paid by the Project **Proponent** through their respective Department of Mining & Geology in strict compliance of judgment of Hon'ble Supreme Court dated 2nd August 2017 in Writ Petition (Civil) No. 114 of 2014 in the matter of Common Cause versus Union of India and Ors.

The validity period of this ToRs letter would be for a period of four years from the date of dispatch of the ToRs letter.

In the final EIA /EMP report, compliance of points of ToRs should be reported point wise in a statement of three columns as indicated

S. No	Items in the letter of the ToRs	Reply / Response by the PP
