The Authority after detailed discussion and deliberation decided the following:

- Serial No. 1 & 2:** This proposal was deferred in 5.70 meeting of SEIAA for *"Approved Mining Scheme was in the name of former lessee and revised Aravalli Certificate as the Khasra Number is wrongly mentioned"*. Now, PP has submitted the revised mining plan but revised Aravalli certificate is not submitted hence, the Authority decided to **defer this proposal** for submission of additional information within 45 days.
- Serial No. 3 & 4:** This proposal was deferred in 5.72 meeting of SEIAA as *"Cluster certificate had expired"*. Now, PP has submitted valid Cluster Certificate. Hence, the Authority accepted the recommendation of SEAC and **decided to grant EC** to this proposal.
- Serial No. 5:** This proposal was closed & delisted in 5.71 meeting of SEIAA as recommended by SEAC. Now, PP has submitted WRD Certificate and Blasting Report for relisting of the project but the Authority noticed that these documents are same as submitted with the proposal earlier. Hence, the Authority **decided to not to relist this proposal**.
- Serial No. 6:** Proposal was deferred in 5.70 meeting of SEIAA for *"submission of ATR for the non-compliance of the condition of EC earlier issued"*. Now, PP has submitted the copy of ATR hence, the Authority decided to accept the recommendations of SEAC and **decided to grant Amendment in EC** to this proposal.
- Serial No. 7:** The Authority **decided to grant change in name of the project** in the already issued EC vide letter dated 24/06/2022.

6. **Serial No. 8:** The representation of PP for relisting and grant of EC for the case was considered. However, the decision of the Authority taken in 5.70 meeting dated 10/04/2023 that the PP has to apply afresh is completely in consonance of OM Dated 22/08/2014 of MoEF&CC. Accordingly, the Authority **decided to reject the representation** given by PP/Consultant.
7. **Serial No. 9:** Proposal was close and delisted in 5.63 meeting of SEIAA for submission of valid LOI, which was not submitted in stipulated time. Now, PP has submitted Lease Sanction order dated 28/03/2023. **Hence, the Authority decided to relist this case and refer back to this proposal for re-examination.**
8. **Serial No. 10:** In this proposal as per the affidavit submitted by PP, it has been mentioned that no violation has been done, but in the affidavit given by the consultant violation is mentioned.

The consultant who has apparently prepared the proposal is aware that this is a case of violation has also been confirmed on examination of the proposal by SEAC. However PP has submitted an affidavit stating that there is no violation. Submitting a false affidavit is a legal offence. Similarly the main duty of the consultant is to prepare the proposal with relevant documents in accordance with the requirement under law and directions issued in this regard.

Accordingly, the Authority decided that a show cause notice be issued to PP to explain as to why the application should not be reject and a legal action be initiated for submission of false affidavit. Similarly a show cause notice be issued to consultant to explain as to why the proposal for blacklisting may not be initiated for such gross negligence. Both PP and consultant shall submit their reply in next 15 days and shall be required to attend the meeting of SEIAA to be held on 30/05/2023.

9. **Serial No. 11:** SEAC has recommended this proposal for grant of EC along with bank guarantee of Rs. 7, 50,000/- for remediation plan, natural resource augmentation plan & community augmentation plan and also a penalty of Rs. 251835/-.

Hence the Authority decided to accept the recommendations of SEAC and grant EC to this proposal subject to deposition of penalty as per MoEF&CC SOP dated 07.07.2021 of Rs. 251835/- by online/ Demand Draft mode and also submit the Bank Guarantee of Rs. 7,50,000/- towards remediation plan with

RSPCB within 15 days of the receipt of the letter in this regard failing which action shall be initiated to stop this project.

10. **Serial No.: 12, 14, 15, 16, 18, 19, 20, 21, 22:** The Authority accepted the recommendations of SEAC and decided to **approve EIA/EMP and grant EC to these proposals with the additional conditions imposed by SEAC and on condition that the project proponents must raise a dense plantation in a 7.5 m belt all around the lease area to mitigate pollution effects.**
11. **Serial No. 13:** The Authority **decided to defer this proposal** for submission of additional information i.e., Certified Compliance Report of EC and CA certificate with correct figures of Turnover within 45 days.
12. **Serial No. 17:** In this proposal, LOI and Cluster Certificate are expired. Hence, the Authority **decided to defer this proposal** for submission of additional information within 45 days.
13. **Serial No. 23, 27, 28, 29, 30:** The Authority accepted the recommendations of SEAC and decided to **grant EC^{to} these proposals with additional conditions imposed by SEAC.**
14. **Serial No. 24:** In this proposal, LOI, Cluster Certificate & CCR are expired. Hence, the Authority **decided to defer this proposal** for submission of additional information within 45 days.
15. **Serial No. 25:** The Authority observed that EIA/EMP for the cluster of 53.4839 ha in which the PP's area is also included, has already been approved by the Authority while according EC to M/s. Nanak Marbles Private Limited (Proposal No.: 68046). PP has already enclosed a copy of that EC issued, in this situation there is no need to approve another EIA/EMP for the same cluster area.

Accordingly, the Authority decided to grant EC to this proposal on the condition that the PP should adhere to the conditions laid down earlier in the already approved EIA/EMP and the relevant parts of the EMP submitted by the PP in respect of issues raised during Public Hearing of this proposal.

16. **Serial No. 26:** In this proposal, approved DSR is not submitted and also the cluster certificate has expired hence, the Authority **decided to defer this proposal** for additional information to be submitted within 45 days.
17. **Serial No. 31:** In this proposal, according to submitted documents Bandi river is adjacent to the applied area. Also, the WRD certificate does not speak clearly

regarding Hon'ble HC Rajasthan direction in case of Abdul Rehman V/s. Government of Rajasthan case no. 11153/2011. The Authority decided to seek a revised certificate from WRD regarding the same, in addition the PP is required to submit the parking details. Hence, the Authority **decided to defer this proposal** for submission of additional information within 45 days.

18. **Serial No. 32:** In this proposal, EC has been issued by MoEF&CC in 2006 and as The Authority has not been considering violation in cases where prior EC was issued by MoEF&CC. hence the Authority decided to grant ToR without violation to this proposal.

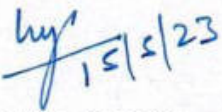

19. **Serial No. 33:** SEAC has recommended this proposal for grant of EC along with bank guarantee of **Rs. 6.25 Lakhs** for remediation plan, natural resource augmentation plan & community augmentation plan and also a penalty of **Rs. 152030/-**.

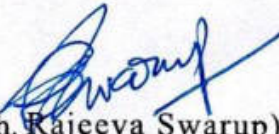

The Authority accepted the recommendations of SEAC and decided to **approve EIA/EMP and grant EC to this proposal with the additional conditions imposed by SEAC and on condition that the project proponents must raise a dense plantation in a 7.5 m belt all around the lease area to mitigate pollution effects subject to deposition of penalty as per MoEF&CC SOP dated 07.07.2021 of Rs. 152030/- by online/ Demand Draft mode and also submit the Bank Guarantee of Rs. 6.25 Lakhs towards remediation plan with RSPCB within 15 days of the receipt of the letter in this regard failing which action shall be initiated to stop this project.**

20. **Serial No. 34, 35 & 36:** The Authority **decided to grant Transfer EC** to these proposals.

21. **Additional Agenda Serial No. 1:** The Authority discussed the proposal in detail and accepted the recommendations of SEAC and decided to grant EC to this proposal.
