**MINUTES OF THE 202nd MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), ANDHRA
PRADESH
HELD ON
20th October 2022 ,
AT VIJAYAWADA A.P.**

**MINUTES OF THE 202nd MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,
HELD ON -19th & 20th October, 2022 AT VIJAYAWADA, A.P.**

Present: The following members were present. (Through Video Conference)

1.	Dr.G.V.R.SrinivasaRao, Professor, Civil Engineering Department, Andhra University, Visakhapatnam	Chairperson
2.	Dr.DineshSankar Reddy. Registrar(I/C), Professor of Chemical Engineering, NIT, Tadepalligudem, West Godavari	Member
3.	Prof. G. Gnana Mani, Retd., Professor of Zoology, Andhra University, Visakhapatnam	Member
4.	Prof. U. Shameem. Chairman, Dept. of Zoology, Andhra University, Visakhapatnam	Member
5.	Dr. Kiranmai, Assistant Professor, Dept. of Biotechnology, VikramaSimhapuriUniversity,Nellore,SPSRNelloreDistrict	Member
6.	Prof. C. Sasidhar, Professor, Civil Engineering Dept, JNTU, Anantapur	Member
7.	Prof. N. Siva Prasad Reddy, Director (Academics), Brindavan Institute of Technology &Science, Kurnool	Member
8.	Prof. D. Bharathi, Professor, Dept. of Bio Sciences & Sericulture, Sri PadmavathiMahilaViswaVidhyalayam, Tirupati	Member
9.	Sri KatamneniVenkataRamana, Head of Mining Dept. Government Polytechnic, Narsipatnam.	Member
10.	Dr.M. Sunandana Reddy, Associate Professor,RGM College of Engineering & Technology (Autonomous), Nandyal.	Member
11.	Sri Matli. Chandra Sekhar Professor, Head of Department of Civil Engineering, NIT, Warangal.	Member
12.	Dr. G. Madhavi, Associate Professor, Department of Chemistry, Sri Venkateswara University, Tirupati	Member
13.	Prof. K. ThyagaRaju,Professor,Department of Biochemistry, S.V.University, Tirupati	Member
14.	Dr.GummallaPrasanthi, Professor, Vijaya Institute of Pharmaceutical Sciences, Vijayawad	Member
15.	Sri. B. Siva Prasad, Chief Environmental Engineer, Andhra Pradesh Pollution Control Board. Vijayawada	Member Secretary

Agenda Item: 202.25	2.865 Ha Earth, Gravel, Ballast, Road Metal and Boulders Quarry of Smt. Isukapalli Rajya Lakshmi at Sy.No: 238/2A1, 2B1 & 2C, Decherla Village, Kovvur Mandal, West Godavari District, Andhra Pradesh - Environmental Clearance - Reg.
SIA/AP/MI N/82169/ 2021	<p>Category: B2 at par with B1</p> <p>The proposed project is mining of Earth, Gravel, Ballast, Road Metal and Boulders in an area of 2.865 Ha. with a proposed production quantity of Ordinary Earth, Gravel, Ballast, Road Metal & Gravel - 147139 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s. GEMS have attended the meeting and presented the case.</p> <p>The proponent obtained TOR on 26.11.2021. public hearing was held on 29.06.2022.</p> <p>The committee noted that the TOR was issued with additional TOR conditions of which tree enumeration in the subject area is one . In the submitted final EIA , this additional TOR is not addressed and as such the submitted EIA is incomplete.</p> <p>The Committee after examining the project proposals, <u>presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to raise ADS for submission of final EIA completed in all respects including complying Additional TOR conditions i.e., Tree Enumeration.</u></p>
Agenda Item: 202.26	8.709 Ha. - Road metal, Building stone & M-Sand Boulders of M/S. JMC CONSTRUCTIONS PRIVATE LIMITED, Mg. Director. Sri. A. Mohan Narasimhulu at Sy. No.197/Part, Thenebanda Village, Chittoor Mandal, Chittoor District, Andhra Pradesh - Environmental Clearance - Reg.
SIA/AP/MI N/76875/ 2020	<p>Category: B2 at par with B1</p> <p>The proposed project is for mining of Road metal, Building stone & M-Sand Boulders in an area of 8.709 Ha.with a proposed production quantity of Road Metal, Building Stone , M- Sand and Boulders - 3,36,601 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s. GEMS have attended the meeting and presented the case.</p>

MINUTES OF THE 202nd MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,
HELD ON -19th & 20th October, 2022 AT VIJAYAWADA, A.P.

	<p>The proponent obtained TOR on 07.07.2021. public hearing was held on 02.02.2022. The committee noted that the TOR was issued with the following additional TOR conditions.</p> <ol style="list-style-type: none">Stream protection on south west and north west of the mine lease area.Protection and regeneration measures to the pond on north west side of the mine. <p>In the submitted final EIA , this additional TORs are not addressed and as such the submitted EIA is incomplete.</p> <p>The Committee after examining the project proposals, <u>presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for submission of final EIA completed in all respects including complying Additional TOR conditions.</u></p>
Agenda Item No: 202.27	6.0 Ha, Road Metal, Building Stone, Gravel Quarry of Sri. S. Sankara Rao, in Sy No.: 293 of Reddipalli Village Padmanabham (M) & Visakhapatnam District Andhra Pradesh- Environment Clearance - Reg.
SIA/AP/MI N/76327/ 2018	<p>Category: B2 at par with B1</p> <p>The proposed project is for mining of Road Metal, Building Stone, Gravel in an area of 6.0 Ha. with a proposed production quantity of Gravel – 91200 m³/annum, Road metal, building stone – 48000 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s. GEMS have attended the meeting. The proponent obtained TOR on 03.05.2019. public hearing was held on 17.09.2021. The committee noted that the TOR was issued with additional TOR conditions. The proponent did not upload approved mining plan, the application is made for production quantity of Gravel – 91200 m³/annum, Road metal, building stone – 48000 m³/annum, but the EIA prepared for production quantity of Gravel – 48000 m³/annum, Road metal, building stone – 120000 m³/annum which is not consistent. Public hearing also went for Road metal, building stone – 120000 m³/annum and gravel – 48000 m³/annum. Modified mining plan is also to be in compliance with NGT order directions in OA No304/2019, wind rose map and isopleths were not included in EIA and as such the submitted EIA and application is incomplete.</p> <p>The Committee after examining the project proposals, <u>presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for properly corrected EIA Report and modified mining plan as per NGT directions.</u></p>
Agenda Item No:	THE PROPOSED EXPLORATION DRILLING OF 03 WELLS IN CD-ONHP-2020/1 (OALP-VI) BLOCK OF CUDDAPAH BASIN IN KURNOOL, ANANTAPUR AND YSR KADAPA

Member Secretary
SEAC

Chairman
SEAC

202.28	DISTRICTS OF ANDHRA PRADESH - Environment Clearance - Reg.
SIA/AP/IN D2/24589 5/2021	<p>Category: B2</p> <p>The proposed project is for exploration drilling of 3 wells at CD-ONHP-2020/1 (OALP-VI) BLOCK OF CUDDAPAH BASIN IN KURNOOL, ANANTAPUR AND YSR KADAPA DISTRICTS OF ANDHRA PRADESH.</p> <p>The proposed project falls under Item No. 1(b) of the schedule of the EIA Notification 2006 and its amendments thereof - offshore and onshore oil and gas exploration development & Production. As per S.O.No 236 (E) dt 16.01.2020 , all projects in respect of off shore and on shore oil and gas exploration are categorised as B2 projects.</p> <p>The project of the proposed project is Rs.150 Crs.</p> <p>The project proponent and their consultant have attended the meeting.</p> <p>The committee noted that the present proposal is for drilling of exploratory wells in KURNOOL, ANANTAPUR AND YSR KADAPA DISTRICTS OF ANDHRA PRADESH. Water consumption for each well is 50KLD i.e., 40 KLD of Fresh water and 10 KLD of Recycled water and expected wastewater generated is 15 KLD. About 5 acres of land is required for each well. Proponent proposed mobile ETP for treating of process effluents and the treated water is proposed to be reused . These well stations will be operated by 1750 KVA generator sets. The proponent proposes to provide stack as per norms for controlling air pollution. For tackling blowouts , fire fighting systems and blowout controllers are proposed.</p> <p>The Committee after examining the project proposals, presentations, <u>MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance with following additional conditions.</u></p> <ol style="list-style-type: none">1. The project proponent shall not use any Synthetic based oils mud/chemicals.2. The project proponent shall implement disaster management system.3. The project proponent shall take consent from land owners before going to start proposed project.4. Drilling shall be done with the consent of land owners only.5. The proponent shall have the liability to pay compensation to the farmers and property holders in case of damages due to operation of wells.
Agenda Item No: 202.29	THE PROPOSED ONSHORE ADDITIONAL EXPLORATION OF 50 WELLS IN GODAVARI ON-LAND PML BLOCK OF KG BASIN IN EAST & WEST GODAVARI DISTRICTS OF ANDHRA PRADESH - Environment Clearance - Reg.
SIA/AP/IN D2/19353 8/2021	<p>Category: B2</p> <p>The proposed project is for exploration drilling of 50 WELLS IN GODAVARI ON-LAND PML BLOCK OF KG BASIN IN EAST & WEST GODAVARI DISTRICTS OF ANDHRA PRADESH</p> <p>The proposed project falls under Item No. 1(b) of the schedule of the EIA Notification 2006 and its amendments thereof - offshore and onshore oil and gas exploration development & Production. Chairman
SEAC

The project proponent and their consultant M/s Hubert Enviro Care Systems have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Anakapalli vide Lr. dt. 21.09.2022, there are 17 **existing quarry leases** within the radius of 500 mtrs area. The total cluster is 37.61 Ha and applicable cluster area is 5.0 Ha. Which is ≤ 5.0 Ha The proposed mining of 72576 m³/ annum is not feasible and the production quantity as per sustainable mining would be 50000 m³/ annum in such a small area of operating 1 Ha mine

The project proponent obtained work order from mines department on 13.11.2014 for 10 years.

And whereas, pursuant to the order of the Hon'ble Supreme Court dated the 27th February, 2012 in I.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease; And whereas, all mine lease holders are required to obtain prior environment clearance.

NGT order in OA No 136 of 2017 (SZ) : So under these circumstances, the application can be disposed of, giving the following directions: (i)The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. 81 (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF& CC /SEIAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.

The committee noted that the proponent operated mine from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021

The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue specific (Violation) Terms of Reference without Public Hearing and with the following conditions:

Member Secretary
SEAC

Chairman
SEAC

	<ol style="list-style-type: none">1. The proponent shall prepare cluster EIA & EMP.2. The proponent shall submit Plantation Plan.3. The proponent shall include proper benches in remediation plan.4. The proponent shall maintain buffer zone.5. The project proponent shall submit plan for surface runoff protection measures.6. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.7. Credible action to be initiated through concerned Regional office, APPCB under section 15 read with section 19 of E(P) Act 1986.8. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.9. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.10. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.11. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.144 of 2014 in the matter of common cause verse union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.& OMs and detailed deliberations, recommended to issue Terms of Reference.
Agenda Item: 202.32	1.821 Ha, Road Metal, Building stone, Boulders & Railway Ballast of M/s. Sri Padmaja Stone Crusher at Sy.No.801, of Paritala Village, Kanchikacherla Mandal, NTR District (Krishna), Andhra Pradesh- Terms of Reference - Violation - Reg.
SIA/AP/MI N/402601 /2022	Category: B2 at par with B1 The proposed project is for mining Road Metal, Building stone, Boulders & Railway Ballast in an area of 1.821 Ha. with a proposed production quantity of Road Metal , Building Stone , Boulders and Railway Ballast- 32000 m3 /Annum with a condition that the total production during a scheme should be limited to the approved quantity as

Member Secretary
SEAC

Chairman
SEAC

per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant SV Enviro Labs & Consultants have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Nandigama vide Lr. dt. 30.03.2022, there are **10 existing quarry leases** within the radius of 500 mtrs area. The cluster letter is more than 6 months old. The project proponent has obtained work order on 29/07/2015 for 15 years.

And whereas, pursuant to the order of the Hon'ble Supreme Court dated the 27th February, 2012 in LA. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease; And whereas, all mine lease holders are required to obtain prior environment clearance.

NGT order in OA No 136 of 2017 (SZ) : So under these circumstances, the application can be disposed of, giving the following directions: (i)The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. 81 (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF& CC /SEIAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.

The committee noted that the proponent operated mine from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2022. The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs, detailed deliberations, recommended to raise ADS for latest cluster letter for taking decision in applicability of public hearing.

Agenda
Item:

Chairman
SEAC

participants and the surrounding villagers for expressing their views and supporting the establishment of the mine. She gave clarification on issues raised by the public as follows:

Mining operations would be carried out by wire sawing and there would be no more pollution as there would be no blasting activities. The waste material generated from mining operations will be used for road metl or building stone.

Assured that employment would be given to the locals depending on skills and medical camps would be taken up as per the request.

Assured that they would fulfill all issues raised by the villagers and utilize CSR funds for the village developmental activities.

Further said that they would follow all the guidelines issued by government while operating the quarry.

The committee appraised the final EIA and noted that the predominant wind direction is from North -East to South- West and maximum incremental GLCs i.e., 3.15 µg/m³ is observed and falls at 918 Ms in South -west direction of the mine from the core zone.

EMP budget details:

Capital cost of the EMP measures proposed : 8.9 Lakhs.

Recurring of the EMP measures proposed: 6.3 Lakhs/Annum.

Amount proposed for CSR activities: 3.0 Lakhs

The proponent volunteered to provide 4 surgical beds to Peddasana Primary health center as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is _ years.

The Committee after examining the project proposals, presentations, EIA appraisal, ADS reply, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance.

2. The proponent shall comply with the proposals furnished in Environmental management plan.
3. The project proponent shall develop 1km greenbelt along approach roads & village Road sides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The project proponent shall carryout mining duly maintaining proper benches.
5. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
6. The project proponent shall take up surface run off protection measures by constructing garland drains.
7. The project proponent shall comply with the assurances given to public in the

Category: B2

The proposed project is for mining Road metal in an area of 1.0 Ha. with a proposed production quantity of Mining of Road metal – 90,306 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The representative of proponent and their Consultants M/s. Sai Geo Services (G. Eswar Reddy, RQP) have attended the meeting.

The Committee noted that as per cluster letter issued by Asst. Director of Mines & Geology, Rajamahendravaram, vide Lr. dated: 25.08.2022, there are no existing quarry leases within the radius of 500 mts area. This is a standalone mining unit.

This proposed project is for laying of new NH30 and life of the mine is 1.121 years.

IN 199th SEAC meeting recommended to raise ADS for i) submission of modified mining plan without blasting and using rock breakers only due to the presence of NH30 at 100mts and ii) submit photographs of existing shed before and after demolition of the same and project proponent submitted ADS reply on 17.10.2022.

The project proponent has submitted modified mining plan dt.29/09/2022 without drilling and blasting and photographs .

EMP budget details:

Capital cost of the EMP measures proposed : 4.20 Lakhs.

Recurring of the EMP measures proposed: 1.92 Lakhs/Annum.

Amount proposed for CSR activities: 4.0 Lakhs

The proponent volunteered to provide water treatment plant to Gangannametta village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 1.121 years.

The Committee after examining the project proposals, presentations, ADS reply, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance.

1. The proponent shall comply with the proposals furnished in Environmental management plan.
4. The project proponent shall develop 1km greenbelt along approach roads & village Road sides.
4. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing
