

Minutes of the 421st Meeting of the State Level Environment Impact Assessment Authority, UP (SEIAA) held on 03.12.2020

The meeting of 421st State Level Environment Impact Assessment Authority, UP (SEIAA) was held on 03.12.2020 at the Directorate of Environment. The following were present in the meeting:-

1. Prof. Rana Pratap Singh
2. Dr. (Smt.) Madhu Bhardwaj
3. Sri Ashish Tiwari

Chairman, SEIAA, U.P.
Member, SEIAA, U.P.
Member Secretary, SEIAA, U.P.

Agenda-A: -Complaints/letters –Nil

Agenda-B: -Reply-Nil

Agenda-C: - (1) Minutes of 499th SEAC Meeting Dated 07/10/2020

1. Expansion Group Housing at Plot No.- SC-02-G, Sector-150, District- Gautam Buddha Nagar, U.P., M/s ACE Infacity Developers Pvt. Ltd., File No.- 5909-SIA/UP/NCP/57142/2020

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports duly signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 6- If the proposed project falls in Critically Polluted Areas (CPAs), Severely Polluted Areas (SPAs) the provision of the mechanism framed regarding compliance of Hon'ble NGT order in OA 1038/2018 dated 19-08-2019 by MoEF& CC, Govt. Of India vide letter dated 31-10-2019 shall be followed in letter and spirit.

- 7- All the additional condition for grant of Consent to Establish (CTE)/Consent to Operate (CTO) related to Pollution mitigation measures as prescribed in the office memorandum of MoEF&CC, Gol dated 31.10.2019 and as deemed fit by UP Pollution Control Board in the consent orders shall be followed by Project Proponent.
- 8- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.

Agenda-C: - (2) Minutes of 500th SEAC Meeting Dated 08/10/2020

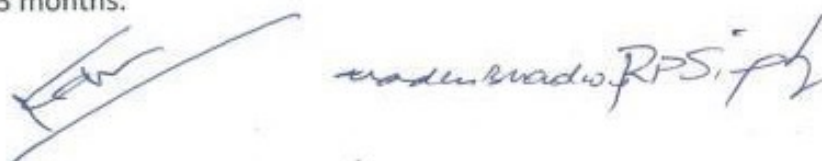

1. Jaypee Greens, Sports City East Part I & II, Sector- 19 & 22 of Yamuna Expressway Industrial Area, District-Gautam Buddha Nagar,U.P., Shri Ashok Khera, M/s Jaypee Infratech Limited, File No.- 5887/5528SIA/UP/MIS/57019/2020

SEIAA agreed with the recommendations of the SEAC to defer the matter as per request made by the project proponent and to discuss the matter only after submission of online request on prescribed portal.

2. Expansion of Group Housing " Capital Atherna" at Plot No.- GH-12A-2, Sector 01, Greater Noida, District-Gautam Buddh Nagar,U.P., Shri Awadh Nath Tiwari, M/s Capital Infratechomes Pvt Ltd., File No.-5899/5647SIA/UP/MIS/57106/2020

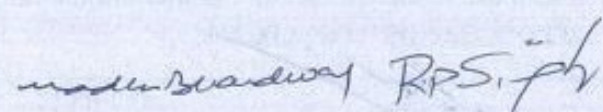

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC. In addition to the conditions imposed by SEAC the SEIAA added following additional specific conditions:-

1. If the proposed project falls in Critically Polluted Areas (CPAs), Severely Polluted Areas (SPAs) the provision of the mechanism framed regarding compliance of Hon'ble NGT order in OA 1038/2018 dated 19-08-2019 by MoEF& CC, Govt. Of India vide letter dated 31-10-2019 shall be followed in letter and spirit.
2. All the additional conditions for grant of Consent to Establish (CTE)/Consent to Operate (CTO) related to Pollution mitigation measures as prescribed in the office memorandum of MoEF&CC, Gol. dated 31.10.2019 and as deemed fit by UP Pollution Control Board in the consent orders shall be followed by Project Proponent.
3. The project proponent shall submit the details of solar power plant and solar electrification details within the project within the next 3 months.
4. The project proponent shall ensure to plant broad leave trees and their maintenance. The CPCB guidelines in this regard shall be followed.
5. The project proponent shall submit the details on quantification of year wise CER activities along with cost and other details within the next 3 months. The CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
6. The project proponent shall submit the details of estimated construction waste generated during the construction period and its management plan within the next 3 months.
7. The project proponent shall submit the details of segregation plan of MSW within the next 3 months.

8. The project proponent shall ensure that waste water is properly treated in STP and maximum amount should be reused for gardening flushing system and washing etc. To reuse the water for irrigation, sprinkler and drip irrigation system shall be installed and maintained with the proper function. Part of the treated sewage, if discharged to sewer line, shall meet the prescribed standards for the discharged. Under any circumstances untreated sewage shall not be reused or discharged to the municipal sewer line.
 9. The project proponent will ensure that a proper dust control management is practiced during the construction phase and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
 10. The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to the water harvesting pits and carbon sequestration parks / designed ecosystems.
 11. The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 before the start of work.
 12. In compliance to Hon'ble Supreme Court order dated 13/01/2020 in IA no. 158128/2019 and 158129/2019 in Writ petition no. 13029/1985 (MC Mehta Vs GOI and others) anti-smog guns shall be installed to reduce dust during excavation.
 13. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
3. Revision & Expansion of the Group Housing Project "Palm Olympia" at P[lot No.-GH-02, Sector-16 C, Greater Noida, District- Gautam Budha Nagar, U.P., Shri Sachin Garg, M/s Sam India Abhimanyu Housing, File No.- 5900/5771 SIA/UP/MIS/57107/2020
- SEIAA agreed with the recommendation of SEAC that the matter shall be discussed after submission of online information on prescribed portal.
4. Revision & Expansion of Integrated Township "Golf Links" at Village- Mehrauli, Paragna- Dasna, Tehsil & District- Ghaziabad, U.P., Shri Nirmesh Kumar Agarwal, M/s Landcraft Developers (P) Ltd., File No.- 5901/5830SIA/UP/MIS/57121/2020
- SEIAA noted that the above project has already been taken in its meeting dated 15.10.2020. Hence no further action is required.
5. "Onshore Oil & Gas Exploration & Appraisal and Early Production" in GV-ONHP-2017/1, Hydrocarbon Block falling in Kheri and Shahjahanpur Districts of U.P., Shri Dilip Kumar Bera, M/s Vedanta Ltd.(Div: Carin Oil & Gas), File No.- 5902SIA/UP/IND2/175859/2020
- SEIAA agreed with the recommendations of the SEAC to defer the matter as the project proponent did not appear. He has also not submitted the documents to SEAC members within the scheduled time. Hence it will be taken after submission of online request on prescribed portal.

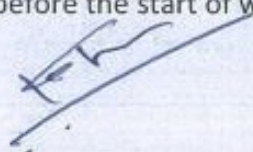

6. Group Housing "The Park" at Plot No.-GH-1C, Sector-16 C, Greater Noida, District-Gautam Buddha Nagar, U.P., Shri Yogesh Gupta, M/s JNC Construction Pvt. Ltd., File No.- 5888 SIA/UP/MIS/175763/2020

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC. In addition to the conditions imposed by SEAC the SEIAA added following additional specific conditions:-

1. If the proposed project falls in Critically Polluted Areas (CPAs), Severely Polluted Areas (SPAs) the provision of the mechanism framed regarding compliance of Hon'ble NGT order in OA 1038/2018 dated 19-08-2019 by MoEF& CC, Govt. Of India vide letter dated 31-10-2019 shall be followed in letter and spirit.
2. All the additional conditions for grant of Consent to Establish (CTE)/Consent to Operate (CTO) related to Pollution mitigation measures as prescribed in the office memorandum of MoEF&CC, Gol. dated 31.10.2019 and as deemed fit by UP Pollution Control Board in the consent orders shall be followed by Project Proponent.
3. The project proponent shall submit the details of solar power plant and solar electrification details within the project within the next 3 months.
4. The project proponent shall ensure to plant broad leave trees and their maintenance. The CPCB guidelines in this regard shall be followed.
5. The project proponent shall submit the details on quantification of year wise CER activities along with cost and other details within the next 3 months. The CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
6. The project proponent shall submit the details of estimated construction waste generated during the construction period and its management plan within the next 3 months.
7. The project proponent shall submit the details of segregation plan of MSW within the next 3 months.
8. The project proponent shall ensure that waste water is properly treated in STP and maximum amount should be reused for gardening flushing system and washing etc. To reuse the water for irrigation, sprinkler and drip irrigation system shall be installed and maintained with the proper function. Part of the treated sewage, if discharged to sewer line, shall meet the prescribed standards for the discharged. Under any circumstances untreated sewage shall not be reused or discharged to the municipal sewer line.
9. The project proponent will ensure that a proper dust control management is practiced during the construction phase and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
10. The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to the water harvesting pits and carbon sequestration parks / designed ecosystems.
11. The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 before the start of work.

made by Shri Yogesh Gupta RPS, JNC

12. In compliance to Hon'ble Supreme Court order dated 13/01/2020 in IA no. 158128/2019 and 158129/2019 in Writ petition no. 13029/1985 (MC Mehta Vs GOI and others) anti-smog guns shall be installed to reduce dust during excavation.
13. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.

7. Hotel Cum Commercial and Residential Project at Khasra No.- 94-98, 1955-1959, 1962, 1986-88, 1995, 1996 & Part of Khasra No.- 99, 103, 1963, 1994 & 1997 Part of Plot No-G/C-01, Taj Nagari, District- Agra, U.P., Shri Kishore Gupta, M/s Gangetic Developers Pvt. Ltd., File No.- 5889 SIA/UP/MIS/174184/2020

SEIAA noted that SEAC has recommended to grant EC to the above project. SEIAA gone through file and documents and found that though the project is situated in Agra. No comments has been made in the minutes of SEAC regarding TTZ area or NOC from TTZ authority. Hence SEIAA opined that the project shall be referred back to SEAC for comments.

8. Modernization of Group Housing at Plot No.- GH-A(GH-6 TO GH-13), Housing Sector, Talanagari Industrial Area, District- Aligarh, U.P., Shri Akarshak Mishra, M/s Ozone Promoters Pvt. Ltd, File No.- 5890SIA/UP/MIS/176112/2020

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC. In addition to the conditions imposed by SEAC the SEIAA added following additional specific conditions:-

1. If the proposed project falls in Critically Polluted Areas (CPAs), Severely Polluted Areas (SPAs) the provision of the mechanism framed regarding compliance of Hon'ble NGT order in OA 1038/2018 dated 19-08-2019 by MoEF& CC, Govt. Of India vide letter dated 31-10-2019 shall be followed in letter and spirit.
2. All the additional conditions for grant of Consent to Establish (CTE)/Consent to Operate (CTO) related to Pollution mitigation measures as prescribed in the office memorandum of MoEF&CC, Gol. dated 31.10.2019 and as deemed fit by UP Pollution Control Board in the consent orders shall be followed by Project Proponent.
3. The project proponent shall submit the details of solar power plant and solar electrification details within the project within the next 3 months.
4. The project proponent shall ensure to plant broad leave trees and their maintenance. The CPCB guidelines in this regard shall be followed.
5. The project proponent shall submit the details on quantification of year wise CER activities along with cost and other details within the next 3 months. The CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
6. The project proponent shall submit the details of estimated construction waste generated during the construction period and its management plan within the next 3 months.

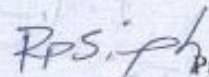

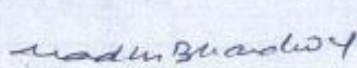

7. The project proponent shall submit the details of segregation plan of MSW within the next 3 months.
 8. The project proponent shall ensure that waste water is properly treated in STP and maximum amount should be reused for gardening flushing system and washing etc. To reuse the water for irrigation, sprinkler and drip irrigation system shall be installed and maintained with the proper function. Part of the treated sewage, if discharged to sewer line, shall meet the prescribed standards for the discharged. Under any circumstances untreated sewage shall not be reused or discharged to the municipal sewer line.
 9. The project proponent will ensure that a proper dust control management is practiced during the construction phase and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
 10. The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to the water harvesting pits and carbon sequestration parks / designed ecosystems.
 11. The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 before the start of work.
 12. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
9. Group Housing at Plot No.-76, Sector SIGMA IV, Greater Noida, District-Gautam Buddha Nagar., Shri Sunil Kumar Thakur, M/s S S Awas Samiti Ltd., File No.- 5892 SIA/UP/MIS/174016/2020

SEIAA noted that SEAC has recommended to grant the environmental clearance for the above project proposal along with general conditions and specific conditions. SEIAA also gone through E-mail of Shri Sanjay Pathak dated 07.10.2020 regarding status of Satileela Sehkar Awas Samiti File no. 2205 applied under violation category in which it is mentioned that the members are living in the society from 2011. Hence SEIAA opined to refer back the matter along with the letter of Shri Sanjay Pathak dated 07.10.2020 to SEAC for review, since the same project was applied before also.

10. Multiplex/ Shopping Mall "City Centre L A Mall Bareilly" at Khasra No.- 26, Plot No.- 103, Gram- Makrandpur, Sarkar, 98, Civil Lines, Bareilly, U.P., Shri Amar Pal Singh, M/s Parish Buildwell Pvt. Ltd., File No.-5898SIA/UP/MIS/176715/2020

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC. In addition to the conditions imposed by SEAC the SEIAA added following additional specific conditions:-

- 1- The project proponent shall submit within the next 3 months the details of solar power plant and solar electrification details within the project.
- 2- The project proponent shall ensure to plant broad leave trees and their

maintenance. The CPCB guidelines in this regard shall be followed.

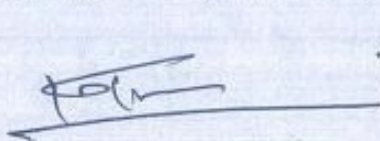

- 3- The project proponent shall submit within the next 3 months the details on quantification of year wise CER activities along with cost and other details. CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
- 4- The project proponent shall submit within the next 3 months the details of estimated construction waste generated during the construction period and its management plan.
- 5- The project proponent shall submit within the next 3 months the details of segregation plan of MSW.
- 6- The project proponent shall ensure that waste water is properly treated in STP and reused. As proposed, treated waste water should be completely recycled/reused and ZLD should be achieved. No treated waste water shall be discharged to any drain/sewer line etc.
- 7- Under any circumstances untreated sewage shall not be reused or discharged to municipal sewer line.
- 8- The project proponent will ensure that proper dust control arrangements are made during construction and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
- 9- The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to and water harvesting pits and carbon sequestration parks / designed ecosystems.
- 10- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 before the start of work.
- 11- If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.

11. Group Housing at Village- Mauza Mau, Tehsil & District- Agra, U.P., Shri Gaurav Sharma, M/s Paawan Sahkari Awas Samiti Ltd., File No.- 5903SIA/UP/MIS/176369/2020

SEIAA agreed with the recommendations of the SEAC to defer the matter as per request made by the project proponent and discuss the matter only after submission of online request on prescribed portal.

12. Capacity Expansion of Cement Grinding Unit from 0.90 MTPA to 1.25 MTPA at UPSIDC Industrial Area, Phase-II, Amawan Road, Tehsil-Maharajganj, District-Rebareli, U.P., M/s Birla Corporation Ltd., File No.- 5649/4969SIA/UP/IND/52921/2019

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC adding specific condition as follows:-

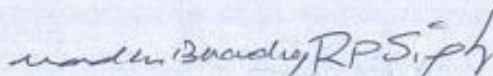

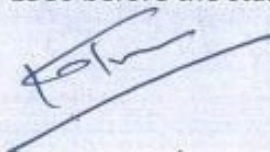

madan Bhandari RPS, ph

1. The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 before the start of work.
2. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.

13. Construction of Mix Use Project Plot No.-TCG/1-A-V-6/TCG/1-A-V7, Gomti Nagar, Phase-I, Vibhuti Khand, Lucknow. File No.- 4638 SIA/UP/NCP/91606/2018

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC. In addition to the conditions imposed by SEAC the SEIAA added following additional specific conditions:-

1. The project proponent shall submit the details of solar power plant and solar electrification details within the project within the next 3 months.
2. The project proponent shall ensure to plant broad leave trees and their maintenance. The CPCB guidelines in this regard shall be followed.
3. The project proponent shall submit the details on quantification of year wise CER activities along with cost and other details within the next 3 months. The CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
4. The project proponent shall submit the details of estimated construction waste generated during the construction period and its management plan within the next 3 months.
5. The project proponent shall submit the details of segregation plan of MSW within the next 3 months.
6. The project proponent shall ensure that waste water is properly treated in STP and maximum amount should be reused for gardening flushing system and washing etc. To reuse the water for irrigation, sprinkler and drip irrigation system shall be installed and maintained with the proper function. Part of the treated sewage, if discharged to sewer line, shall meet the prescribed standards for the discharged. Under any circumstances untreated sewage shall not be reused or discharged to the municipal sewer line.
7. The project proponent will ensure that a proper dust control management is practiced during the construction phase and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
8. The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to the water harvesting pits and carbon sequestration parks / designed ecosystems.
9. The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 before the start of work.

10. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.

14. Manufacturing Unit of Water Purifier & Other Healthcare Products at Plot No.- 003, Sector- 155, Noida, District- Gautam Buddh Nagar, U.P., File No.- 5817 SIA/UP/MIS/172061/2020

SEIAA agreed with the recommendation of SEAC to grant EC to the above project along with all the general and specific conditions adding one specific condition:-

1. The project proponent shall ensure that waste water is properly treated in STP and reused. As proposed, treated waste water should be completely recycled/reused and ZLD should be achieved. No treated waste water shall be discharged to any drain/sewer line etc.

15. Group Housing Project located at Plot No.-GH-7A, Koyal Enclave, Ghazaibad, U.P., M/s Oxirich Developers & Promoters Pvt. Ltd. File No.- 3993 SIA/UP/MIS/ 72257/2018

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC. In addition to the conditions imposed by SEAC the SEIAA added following additional specific conditions:-

1. If the proposed project falls in Critically Polluted Areas (CPAs), Severely Polluted Areas (SPAs) the provision of the mechanism framed regarding compliance of Hon'ble NGT order in OA 1038/2018 dated 19-08-2019 by MoEF& CC, Govt. Of India vide letter dated 31-10-2019 shall be followed in letter and spirit.
2. All the additional conditions for grant of Consent to Establish (CTE)/Consent to Operate (CTO) related to Pollution mitigation measures as prescribed in the office memorandum of MoEF&CC, Gol. dated 31.10.2019 and as deemed fit by UP Pollution Control Board in the consent orders shall be followed by Project Proponent.
3. The project proponent shall submit the details of solar power plant and solar electrification details within the project within the next 3 months.
4. The project proponent shall ensure to plant broad leave trees and their maintenance. The CPCB guidelines in this regard shall be followed.
5. The project proponent shall submit the details on quantification of year wise CER activities along with cost and other details within the next 3 months. The CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
6. The project proponent shall submit the details of estimated construction waste generated during the construction period and its management plan within the next 3 months.
7. The project proponent shall submit the details of segregation plan of MSW within the next 3 months.
8. The project proponent shall ensure that waste water is properly treated in STP and maximum amount should be reused for gardening flushing system and washing etc. To reuse the water for irrigation, sprinkler and drip irrigation system shall be

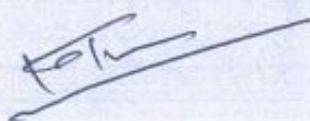

installed and maintained with the proper function. Part of the treated sewage, if discharged to sewer line, shall meet the prescribed standards for the discharged. Under any circumstances untreated sewage shall not be reused or discharged to the municipal sewer line.

9. The project proponent will ensure that a proper dust control management is practiced during the construction phase and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
10. The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to the water harvesting pits and carbon sequestration parks / designed ecosystems.
11. The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 before the start of work.
12. In compliance to Hon'ble Supreme Court order dated 13/01/2020 in IA no. 158128/2019 and 158129/2019 in Writ petition no. 13029/1985 (MC Mehta Vs GOI and others) anti-smog guns shall be installed to reduce dust during excavation.
13. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.

16. Expansion of Group Housing at Khasra No.-527/4, 528, 549-554,556-559 Village-Kanawani, Indirapuram, District- Ghazaibad, U.P. M/s Niho Construction Ltd., File No.-4347 SIA/UP/NCP/ 22875/2018

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports duly signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 6- Public hearing shall be conducted as per EIA notification, 2006 (as amended).

Madan Bhardwaj RPS:ph

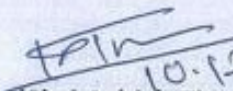

- 7- If the proposed project falls in Critically Polluted Areas (CPAs), Severely Polluted Areas (SPAs) the provision of the mechanism framed regarding compliance of Hon'ble NGT order in OA 1038/2018 dated 19-08-2019 by MoEF& CC, Govt. Of India vide letter dated 31-10-2019 shall be followed in letter and spirit.
- 8- All the additional condition for grant of Consent to Establish (CTE)/Consent to Operate (CTO) related to Pollution mitigation measures as prescribed in the office memorandum of MoEF&CC, Gol dated 31.10.2019 and as deemed fit by UP Pollution Control Board in the consent orders shall be followed by Project Proponent.
- 9- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.

17. New 100 KLPD Molasses Based Distillery to 60 KLPD Molasses Based & 40 KLPD of Grain Basaed Distillery (No Change in sanctioned capacity) at Village-Tapri, Tehsil & District-Saharanpur, U.P., Shri Upendra Govind Rao, File No.- 5894 SIA/UP/IND2/174908/2020

SEIAA noted that the above project has been already taken in its meeting dated 15.10.2020. Hence no further action is required.

18. Commercial Complex at Plot No.-LS-05, Sector-Gamma-1, Greater Noida. Mr Narendra Kumar., M/s Vardhman Infrabuild Pvt. Ltd., File No.- SIA/UP/MIS/177732/2020

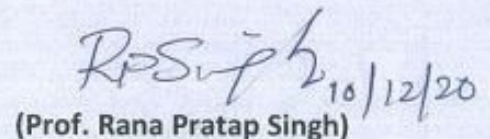

SEIAA noted that SEAC has recommended to grant EC to the above project. SEIAA noticed that file number is missing in SEAC minutes, hence, SEIAA decided to refer back it to SEAC to send the recommendations along the file number.
