-----	-------------------	--

**Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has submitted application for EC for Quartz Mining Project, (M.L. No.- 01/2019, Area- 1.70 ha.), Production Capacity- 78,577 TPA(ROM) at Khasra No. 435, 436 & 437, Near Village Jaitpura, Tehsil Bhupalsagar, District Chittorgarh,(Raj.) (**Proposal No. 131070**). The project is covered under B2 category. The Additional Director (Mines), Udaipur has granted LOI of mineral on 03.09.2019. The mining plan has been approved by the SME, Bhilawara vide letter dated 03.10.2019. ME, Chittorgarh in his certificate dated 31.10.2019 has stated that the mining lease does not fall in Aravalli hills, and the lease area is more than 10 km away from the outer wall of Chittorgarh Fort & the applied lease area does not falls in the municipal limits of Chittorgarh. DCF, Chittorgarh in his certificate dated 27.11.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Chittorgarh on 31.10.2019, there is no other mining lease and the total area of the mining lease in the cluster is 1.70 ha.

**Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the members resolved to recommend to SEIAA for grant of EC to Shri Lokesh Kumar Maheshwari for Quartz Mining Project, (M.L. ### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP had initially submitted application for obtaining EC as B2 category project. The PP during presentation submitted an application dated 06.10.2020 for issue of ToR, stating that as per cluster certificate dated 17.09.2020, the project has become B1 category project for the reason that now the total area of the mining leases in cluster is 10 Ha. more than 5 hectare .

In view of cluster certificate dated 17.09.2020 the PP has submitted proposal as B1 category project for obtaining ToR for Dang Granite Mining Project, (M.L. No.- 34/2018, Area- 1.0 ha.), Production capacity- 1,01,500 TPA(ROM) {Saleable Mineral- 71,050 TPA & Waste- 30,450 TPA} at Khasra No. 522, Near Village – Dang, Tehsil- Arain, District – Ajmer, (Rajasthan) **(Proposal No. 131599)**. The SME, Ajmer has granted LOI of mineral on 08.06.2018 which was valid for a period 18 months and the same has been extended upto 07.12.2020 vide order dated 28.09.2020. The mining plan has been approved by the SME, Ajmer vide letter dated 05.09.2018. ME, Ajmer in his certificate dated 17.09.2020 has stated that the mining lease does not fall in Aravalli hills.

The PP has not submitted certificate from concerned authority of the forest department regarding existence or otherwise of Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the applied lease area.

Since the project is B1 category project the PP is required to conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster. The PP was also asked to submit certificate

from the forest department as mentioned above at the time of final presentation of project for obtaining EC.

The EIA/EMP may be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. As per the provisions of the EIA Notification the PP should get one public consultation done covering all the mining leases in the cluster and prepare final EIA/EMP reports. Keeping in view the presentation made by the PP and examination of documents submitted by him the SEAC prescribed the **ToR** with public hearing for carrying out detailed EIA and preparing comprehensive EIA report as per the provisions of the EIA notification 2006. **The ToR is enclosed at Annexed 'B'.**

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP M/s Jai Maa Kamakhya Export has submitted application EC for for Quartz Mining Project, (M.L. No. 05/2019, Area- 1.3068 ha.), Production Capacity– 82,654 TPA(ROM) at Khasra No. 2189, 2190, 2191, 2192 & 2193, Near Village Maal, Tehsil Sabla, District Dungarpur (Raj.). (**Proposal No. 130839** ). The project is covered under B2 category. The Additional Director (Mines),Udaipur has granted LOI of mineral on 25.10.2019. The mining plan has been approved by the SME, Udaipur vide letter dated 28.11.2019. AME, Salumber in his certificate dated 15.11.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Dungarpur in his certificated dated 04.03.2020 stated that there is no Wildlife

Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Dungarpur on 24.09.2020, there is no cluster formation as per the MoEF&CC notification dated 15.01.2016.

**Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the members resolved to recommend to SEIAA for grant of EC to M/s Jai Maa Kamakhya Export for Quartz Mining Project, (M.L. No. 05/2019, Area- 1.3068 ha.), Production Capacity– 82,654 TPA(ROM) at Khasra No. 2189, 2190, 2191, 2192 & 2193, Near Village Maal, Tehsil Sabla, District Dungarpur (Raj.). (**Proposal No. 130839** ), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure ‘A’.

15.	Present Status	Fresh LOI now proposed for the grant of Environmental Clearance.			

**Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP M/s Herumbh Export has submitted application for EC for Quartz Mining Project, (M.L. No. 27/2019, Area- 1.1643 ha.), Production Capacity– 75,775 TPA (ROM) at Khasra No. 4196, 4197, 4198 & 4213, Near Village Karada, Tehsil Sagwara, District Dungarpur (Raj.). (**Proposal No. 129572** ). The project is covered under B2 category. The Additional Director (Mines), Udaipur has granted LOI of mineral on 25.10.2019. The mining plan has been approved by the SME, Udaipur vide letter dated 28.11.2019. AME, Salumber in his certificate dated 15.11.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Dungarpur in his certificate dated 04.03.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Salumber on 22.09.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the members resolved to recommend to SEIAA for grant of EC to M/s Herumbh Export for Quartz Mining Project, (M.L. No. 27/2019, Area- 1.1643 ha.), Production Capacity– 75,775 TPA(ROM) at Khasra No. 4196, 4197, 4198 & 4213, Near Village Karada, Tehsil Sagwara, District Dungarpur (Raj.). (**Proposal No. 129572**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

### Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP Shri Babu Lal Bhil has submitted application for EC for Quartz & Feldspar Mining Project, (Ref. No. 20191000012557, Area- 2.3954 ha.), Production Capacity– 1,99,680 TPA(ROM) at Khasra No.- 822/155, 894/155 & 891/155 Near Village- Takdiyo Ka Guda, Tehsil Nathdwara, District Rajsamand (Raj.). **(Proposal No. 131500)**. The project is covered under B2 category. The Additional Director (Mines), Udaipur has granted LOI of mineral on 23.10.2019. ADM, Udaipur vide order dated 25.10.2019 issued corrigendum to the LoI stating that lease area be read as 2.3954 ha in place of 2.3963 ha. The mining plan has been approved by the SME, Rajsamand vide letter dated 11.11.2019. ME, Rajsamand-II in his certificate dated 30.10.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Rajsamand in his certificated dated 22.11.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine.

The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Rajsamand-II on 15.09.2020, the total area of all the mining leases in the cluster is 3.7995 ha .

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the members resolved to recommend to SEIAA for grant of EC to Shri Babu Lal Bhil for Quartz & Feldspar Mining Project, (Ref. No. 20191000012557, Area- 2.3954 ha.), Production Capacity– 1,99,680 TPA (ROM) at Khasra No.- 822/155, 894/155 & 891/155 Near Village- Takdiyo Ka Guda, Tehsil Nathdwara, District Rajsamand (Raj.). **(Proposal No. 131500)**, with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure ‘A’.

### Observations of the committee:-

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP Sh. Kishor Gwala has submitted application for EC for Kasti Sandstone Mine, (Plot No.- 47, Area-1.0 ha.), Production Capacity– 70,009 TPA(ROM) at Khasra No.- 543, N/v – Kasti, Block- Baori, Tehsil- Bhopalgarh, District- Jodhpur, (Raj.). **(Proposal No. 128854)**. The project is covered under B2 category. The SME, Jodhpur had granted LOI vide letter dated 02.01.2019 having validity period of 18 months. The period of validity of LoI has been

further extended for a period of 4 months vide order dated 19.08.2020. The mining plan has been approved by the SME, Jodhpur vide letter dated 14.10.2019. ME, Jodhpur in his certificate dated 31.07.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Jodhpur in his certificate dated 18.06.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jodhpur on 16.09.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was initially granted for an area of 1.00 ha for mineral Phylite Schist in favour of Shri Kajod Bairwa vide order of ME, Jaipur order dated 26.08.2002 for a period of 20 years from date of registration. The lease was registered on 20.12.2002. The lease was transferred in favour of Shri Ranglal Bairwa vide AME Tonk order dated 28.09.2005. The lease period was auto extended for 50 years from the date of registration.

The project being one of minor mineral having lease area of 1.0 hectare, came under the purview of the EIA notification dated 09.09.2013 of the MoEF&CC. The base year in such cases is 2012-13 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 24.02.2014, 1.05.2015, 30.01.2017, 08.06.2017 & 22.09.2020 of AME, Tonk, production of mineral was 300 ton in the year 2012-13 and thereafter it has not increased in the subsequent years. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied for Environmental Clearance for Chandsinghpura Phylite Schist Mining Project, (M.L. No.- 02/2000, Area- 1.00 ha.), Production Capacity- 5,143 TPA(ROM) at Khasra No.- 569, Near Village Chandsinghpura, Tehsil Deoli, District Tonk, (Raj.) (**Proposal No. 130799**). The project is covered under B2 category. The mining plan has been approved by the SME, Jaipur vide letter dated 23.11.2016. AME, Tonk in his certificate dated 30.07.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Tonk in his certificated dated 02.09.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Tonk dated 09.09.2020, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016 & 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Rang Lal Bairwa S/o Shri Rughnath Bairwa, for Chandsinghpura Phylite Schist Mining Project, (M.L. No.- 02/2000, Area- 1.00 ha.), Production Capacity– 5,143 TPA(ROM) at Khasra No.- 569, Near Village Chandsinghpura, Tehsil Deoli, District Tonk, (Raj.) (**Proposal No. 130799**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'. {**Name of Proponent** : Sh. **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for Environmental Clearance for Chhapoli Masonry Stone Mining Project, (Reference No. 201810000864, Area- 1.00 ha.), Production Capacity– 1,26,840 TPA(ROM) at Khasra No.- 2261, 2262, 5279/2225, 5281/2227 & 5948/2261, Near Village Chhapoli, Tehsil Udaipurwati, District Jhunjhunu, (Raj.) (**Proposal No. 45756**). The project is covered under B2 category. The SME, Jaipur has granted LOI of mineral on 03.07.2019. The mining plan has been approved by the SME, Jaipur vide letter dated 27.09.2019. ME, Jhunjhunu in his certificate dated 17.09.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, Jhunjhunu in his certificated dated 28.11.2019 stated that there is no Wildlife Sanctuary/National Park within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jhunjunu dated 09.09.2020, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016.

**Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Sarvan Kumar Bijarniya, for Chhapoli Masonry Stone Mining Project, (Reference No. 201810000864, Area- 1.00 ha.), Production Capacity– 1,26,840 TPA(ROM) at Khasra No.- 2261, 2262, 5279/2225, 5281/2227 & 5948/2261, Near Village Chhapoli, Tehsil Udaipurwati, District Jhunjhunu, (Raj.) (**Proposal No. 45756**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure ‘A’.

**Observations & resolution of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mine. The mining lease was initially sanctioned in favour of Smt. Rajshree Tiwari W/o Shri Shyamkishan Tiwari vide ADM, Jaipur order dated 09.10.2007. The lease was registered on 05.08.2008 for a period of 20 years i.e. 05.08.2008 to 04.08.2028. The lease was cancelled on 28.03.2013 & reinstated vide order dated 05.08.2019. Later on, lease was extended for 50 years i.e up to 04.08.2058.

The project being one of minor mineral having lease area of 4.80 hectare, came under the purview of the EIA notification dated 09.09.2013 of the MoEF&CC. The base year in such cases is 2012-13 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificate dated 17.09.2020 ME, Bundi -II, there has been no production of mineral from the year 2012-13 to 2019-20. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied for Golpur Sandstone Mining Project, (M.L. No.- 229/2005, Area- 4.80 ha.), Production Capacity– 1,47,804 TPA(ROM) at Khasra No.- 8 & 9, Near Village Golpur, Tehsil Bundi, District Bundi, (Raj.) ( **Proposal No. 129946**). The project is covered under B2 category. The mining plan has been approved by the SME, Kota vide letter dated 19.11.2019. ME, Bundi-II in his certificate dated 09.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, (WL MNP), Kota in his certificate dated 06.01.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved

and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. However, the PP has not submitted the distance of his lease area from Ramgarh Vishdhari WLS.

As per cluster certificate issued by ME, Bundi-II dated 30.09.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

The SEAC in view of above asked the PP to submit the certificate from the concerned authority of forest department regarding the distance of the applied lease area from Ramgarh Vishdhari WLS, with in a period of 45 days failing which the case will be recommended to SEIAA for closure and delistment.

**Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan

This is an existing mining lease. The mining lease was sanctioned in favour of Sh. Hanuman Sahay Saini by AME, Kotputli vide order dated 02.11.1999 & 03.01.2001. The lease was executed on 08.01.2001 & registered on 12.01.2001 for 20 year from the date of registration, i.e. from 12.01.2001 to 11.01.2021. The mining lease was transferred in favour of Smt. Radha Agarwal W/o Shri Ravindra Kumar Agarwal vide order dated 26.10.2007 of AME, Kotputli. The lease transfer was executed on 07.11.2007 & registered on 16.11.2007. Later on, lease period was auto-extended for 50 years i.e up to 11.01.2051.

The project being one of minor mineral having lease area of 1.0 hectare, came under the purview of the EIA notification dated 09.09.2013 of the MoEF&CC. The base year in such cases is 2012-13 in terms of Common Cause judgement pronounced by the Hon’ble Supreme Court of India. According to the certificates dated 20.03.2020 & 25.09.2020 of ME, Kotputli, production of mineral in the year 2012-13 was 17608 ton. Production in subsequent years has not exceeded the base year’s production level. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon’ble Supreme Court of India.

The PP has applied for E C for Panch Pahari Masonary Stone Mining Project, (M.L. No.- 88/1998, Area – 1.00 ha.), Production Capacity– 1,05,000 TPA(ROM) at Khasra No. 649, Near Village – Panch Pahari, Tehsil - Kotputli, District – Jaipur, (Rajasthan) (**Proposal No. 130828**). The project is covered under B2 category. The mining plan has been approved by the SME, Jaipur vide letter dated 06.10.2020. AME, Kotputli in his certificate dated 11.10.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Jaipur & DCF (Tiger Project), Sariska in their certificates dated 18.12.2019 & 22.11.2019 respectively stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Kotputli dated 09.09.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Smt. Radha Agarwal W/o Shri Ravindra Kumar Agarwal, for Panch Pahari Masonary Stone Mining Project, (M.L. No.- 88/1998, Area – 1.00 ha.), Production Capacity– 1,05,000 TPA (ROM) at Khasra No. 649, Near Village – Panch Pahari, Tehsil - Kotputli, District – Jaipur, (Rajasthan) (**Proposal No. 130828**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure ‘A’.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for E C for Dungri Kalan Granite Mining Project, (Ref. No.- 20191000010361, Area- 2.2727 ha.), Production Capacity– 3,00,000 TPA(ROM) at Khasra No. 114/2, 283/3, 285 & 286, Near Village – Dungri Kalan, Tehsil - Malpura, District – Tonk, (Rajasthan). (**Proposal No. 131605**). The project is covered under B2 category. The SME, Jaipur has granted LOI of mineral on 25.10.2019. The mining plan has been approved by the SME, Jaipur vide letter dated 13.12.2019. AME, Tonk in his certificate dated 19.11.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Tonk in his certificate dated 03.06.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act,

1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Tonk dated 19.11.2019, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016 & 01.07.2016.

**Observations and Resolution of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was initially granted for an area of 1.67 hectare for mineral Sand stone in favour of Shri Prabhu lal Karad vide order dated 16.06.2000 for a period of 20 years from the date of registration. The lease was registered on 28.08.2000. The lease period was auto extended for a period of 50 years from the date of registration.

The project being one of minor mineral having lease area of 1.67 hectare, came under the purview of the EIA notification dated 09.09.2013 of the MoEF&CC. The base year in such cases is 2012-13 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 22.09.2020 of ME, Bundi-II, production of mineral has been nil from 2000-2001 to 2019-20. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied for E C for Parana Sandstone Mining Project, (M.L. No.- 239/1995, Area- 1.67 ha.), Production Capacity– 88,779 TPA (ROM) at Khasra No. 297, 298, 300, 304, 305, 306 & 308, Near Village – Parana, Tehsil - Talera, District – Bundi, (Rajasthan). (**Proposal No. 130908**).The project is covered under B2 category. The mining plan has been approved by the SME, Kota vide letter dated 20.02.2019.

As per cluster certificate issued by ME, Bundi-II dated 30.09.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

ME, Bundi-II in his certificate dated 19.11.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife) MNP, Kota in his certificate dated 06.01.2020 has stated that MHTR is 8.90 km away from the applied lease area and the ESZ of the same has not yet been notified. PP has submitted copy of application dated 18.03.2018 made to NBWL. However, the PP has not submitted certificate regarding distance of the lease area from the Ramgarh Vishdhari WLS.

The SEAC in view of above asked the PP to submit the certificate from the concerned authority of forest department regarding the distance of the applied lease area from Ramgarh Vishdhari WLS, with in a period of 45 days failing which the case will be recommended to SEIAA for closure and delistment.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied Environmental Clearance for Pachlagi (Jhadaya) Masonry Stone Mining Project, (Plot No.- 05, Area- 1.1499 ha.), Production Capacity- 1,50,000 TPA(ROM) at Khasra No.-3824, Near Village- Pachlagi (Jhadaya), Tehsil- Udaipurwati, District- Jhunjhunu, (Raj.).(**Proposal No. 132608**).The project is covered under B2 category. The SME, Jaipur has granted LOI of mineral on 27.08.2019. The mining plan has been approved by the SME, Jaipur vide letter dated 11.12.2019. ME, Jhunjhunu in his certificate dated 04.09.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, Jhunjhunu in his certificate dated 16.01.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jhunjhunu dated 04.09.2020, there is no cluster formation as per the MoEF&CC notification dated 15.01.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Gajanand, for Pachlagi (Jhadaya) Masonry Stone Mining Project, (Plot No.- 05, Area- 1.1499 ha.), Production Capacity- 1,50,000 TPA (ROM) at Khasra No.-3824, Near Village- Pachlagi (Jhadaya), Tehsil- Udaipurwati, District- Jhunjhunu, (Raj.).(**Proposal No. 132608**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan

and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for Environmental Clearance for Ambesar Quartz & Feldspar Mining Project, (M.L. No.- 86/2019, Area- 1.8980 ha.), Production Capacity– 1,07,007 TPA (ROM) at Khasra No.- 338 & 338/4953 Near Village- Ambesar, Tehsil- Asind, District- Bhilwara (Raj.)(**Proposal No. 133190**).The project is covered under B2 category. The Additional Director (Mines), Udaipur has granted LOI of mineral on 16.10.2019. The mining plan has been approved by the SME, Bhilwara vide letter dated 21.11.2019. AME, Bhilwara in his certificate dated 02.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara in his certificated dated 02.12.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Bhilwara dated 14.09.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Bhagwan Lal Prajapat S/o Shri Moti Lal Prajapat , for Ambesar Quartz & Feldspar Mining Project, (M.L. No.- 86/2019, Area- 1.8980 ha.), Production Capacity– 1,07,007 TPA(ROM) at Khasra No.- 338 & 338/4953 Near Village- Ambesar, Tehsil- Asind, District- Bhilwara (Raj.)(**Proposal No. 133190**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

**Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing lease. The mining lease was sanctioned in favour of Smt. Roop Kanwar by AME, Jalore vide order dated 03.09.1997. The lease was registered on 19.12.1997 for 20 years (19.12.1997 to 18.12.2017). The mining lease was transferred in favour of Sh. Bhagwat Singh S/o- Sh. Jethu Singh vide order dated 22.05.2013. The lease period extend to 50 years by RMMCR 2017 (i.e. up to 18.12.2047). Mining lease was again transferred in favour of Sh. Parvej Khan S/o- Sh. Lal Khan vide order dated 04.09.2018.

The project being one of minor mineral having lease area of 1.0 hectare, came under the purview of the EIA notification dated 09.09.2013 of the MoEF&CC. The base year in such cases is 2012-13 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 21.08.2020 & 30.09.2020 of ME, Jalore, production of mineral from 2012-13 to 2019-20 has been nil. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied Environmental Clearance for Masonry Stone Mining Project, (M.L. No.- 14/1997, Area- 1.0 ha.), Production Capacity- 42,840 TPA(ROM) {Saleable Mineral- 40,698 TPA & Waste 2,142 TPA} at Khasra No. 387/302, Near Village Pandgara, Tehsil Ahore, District Jalore (Rajasthan) (**Proposal No. 129834**).The project is covered under B2 category. The mining plan has been approved by the SME, Jodhpur vide letter dated 19.02.2019. ME, Jalore in his certificate dated 21.08.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, Jalore in his certificated dated 10.01.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jalore dated 21.08.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Parvej Khan S/o Shri Lal Khanji, for Masonry Stone Mining Project, (M.L. No.- 14/1997, Area- 1.0 ha.), Production Capacity- 42,840 TPA(ROM) {Saleable Mineral- 40,698 TPA & Waste 2,142 TPA} at Khasra No. 387/302, Near Village Pandgara, Tehsil Ahore, District Jalore (Rajasthan). ( **Proposal No. 129834**), with the stipulation that the PP shall abide by

the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

**Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for E C for Masonry Stone Mineral Mining Project, (Ref. No.- 2019100007045, Area- 1.3312 ha.), Production Capacity- 1,56,858 TPA (ROM) {Saleable Mineral- 1,19,504 TPA & Waste- 37,354 TPA} at Khasra No. 1404/1772, Near Village – Gaguda, Tehsil – Sojat, Distt.- Pali, (Raj.) (**Proposal No. 130408**).The project is covered under B2 category. The SME, Jodhpur has granted LoI of mineral on 25.06.2019. The SME, Jodhpur vide order dated 27.06.2019 issued corrigendum rectifying mistake with respect to lease area and stated that lease area be read as 1.3312 ha in place of 1.3496 ha. The mining plan has been approved by the SME, Jodhpur vide letter dated 08.11.2019. ME, Sojat city in his certificate dated 08.11.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Pali in his certificated dated 05.12.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Sojat city dated 08.11.2019, there is no cluster formation as per the MoEF&CC notification dated 15.01.2016 & 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Sh. ### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for Environmental Clearance for Masonry Stone Mineral Mining Project, (Ref. No. 2018100002037, Area- 1.0446 ha.), Production Capacity- 2,01,600 TPA ROM {Saleable Mineral- 1,92,000 TPA & Waste-9,600 TPA} at Khasra No. 524, 526, 527, 528 & 529, Near Village Meena Ki Nangal, Tehsil Neem Ka Thana, District Sikar (Raj.). (**Proposal No. 132531**).The project is covered under B2 category. The SME, Jaipur has granted LOI of mineral on 11.09.2019. The mining plan has been approved by the SME, Jaipur vide letter dated 26.11.2019. AME, Neem Ka Thana in his certificate dated 04.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Sikar in his certificate dated 27.02.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Neem Ka Thana on 21.08.2020, there is no other mining lease and the area of the mining lease in the cluster is 1.0446 ha (single lease).

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied EC for Environmental Clearance for Sandstone Mining Project, (Plot No.- 14, Area- 1.0 ha.), Production Capacity- 54,180 TPA (ROM) {Saleable Mineral- 42,893 TPA, Waste 2,257 TPA & O/B- 9,030 TPA) at Khasra No. 1698, Near Village Fatehgarh, Dechu, Tehsil Shergarh, District Jodhpur (Raj.).(**Proposal No. 130946**).The project is covered under B2 category. The SME, Jodhpur has granted LOI of mineral on 11.07.2019. The mining plan has been approved by the SME, Jodhpur vide letter dated 04.10.2019. AME, Balesar in his certificate dated 05.07.2020 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Jodhpur in his certificated dated 30.07.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Balesar dated 05.07.2020, total area of the mining leases in the cluster is 3.0 ha and there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was initially granted in favour of Sh. Johri Lal Bairwa by SME, Bharatpur vide order dated 02.06.2006 with validity period of 20 years from the date of registration. The lease was registered on 29.12.2006. The lease is valid upto 28.12.2026.

The project being one of minor mineral having lease area of 1.0 hectare, came under the purview of the EIA notification dated 09.09.2013 of the MoEF&CC. The base year in such cases is 2012-13 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 08.11.2019 & 07.10.2020 of AME, Sawai Madhopur, production of mineral has been nil from 2012-13 to 2019-20. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied for Environmental Clearance for Chhaba Masonry Stone Mining Project, (M.L. No. 20A/05, Area 1.00 ha.), Production Capacity- 60,000 TPA (ROM) at Khasra No. 786, Near Village Chhaba, Tehsil Gangapur City, District Sawai Madhopur, (Raj.)(**Proposal No. 131513** ). The project is covered under B2 category. The mining plan has been approved by the SME, Bharatpur vide letter dated 13.03.2019. AME, Sawai Madhopur in his certificate dated 24.09.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, sawai Madhopur in his certificate dated 13.12.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Sawai Madhopur dated 24.09.2020, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016 & 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Sh. Johri Lal Bairwa S/o. Sh. Mangi Lal Bairwa, for Chhaba Masonry Stone Mining Project, (M.L. No. 20A/05, Area 1.00 ha.), Production Capacity- 60,000 TPA(ROM) at Khasra No. 786, Near Village Chhaba, Tehsil Gangapur City, District Sawai Madhopur, (Raj.)(**Proposal No. 131513** ), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

**Observations and Resolution of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for Environment Clearance for Lambakhoh Sandstone Mining Project, (Ref. No.- 2019100007124, Area- 2.5009 ha.), Production Capacity- 1,26,900 TPA(ROM) at Khasra No.- 979/703, Near Village- Lambakhoh, Tehsil - Talera, District - Bundi, (Raj.)(**Proposal No. 42906**). The project is covered under B2 category. The SME, Kota has granted LOI of mineral on 23.07.2019. The mining plan has been approved by the SME, Kota vide letter dated 09.10.2019. ME, Bundi-I in his certificate dated 10.12.2019 has stated that the mining lease does not fall in Aravalli hills.

As per cluster certificate issued by ME, Bundi –I dated 10.12.2019, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

DCF (Wildlife) MNP, Kota in his certificate dated 11.08.2020 has stated that the MHTR is 1.29 km away from the applied lease area and ESZ of the same has not been notified so far. The PP has not produced any document showing that he has applied for NBWL clearance as per OM dated 08.08.2019. At the same time PP has also not produced certificate from the competent authority regarding distance of applied lease area from the Ramgarhgarh Vishdhari WLS. The PP, during presentation, was asked to submit the same within a period of 45 days failing which the project shall be recommended to SEIAA for Closure & Delistment.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for Environment Clearance for Deriya, Pabunagar & Bastua Sandstone Mining Area, (Plot No.- 42, Area- 1.0 ha.), Production Capacity- 70,680 TPA(ROM) at Khasra No.- 530, 166 & 140 Near Village- Deriya, Pabunagar & Bastua, Tehsil Balesar, District Jodhpur, (Raj.)(**Proposal No. 132697**). The project is covered under B2 category. The SME, Jodhpur has granted LOI of mineral on 24.09.2019. The mining plan has been approved by the SME, Jodhpur vide letter dated 19.11.2019. AME, Balesar in his certificate dated 23.06.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, WL, Jodhpur in his certificated dated 18.06.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Balesar dated 23.06.2020, the total area of all the mining leases in the cluster is 4.0 ha, therefore there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was granted for mining of mineral quartz & Feldspar in favour of Sh. Sangram Singh by DMG, Amet vide order dated 24.01.2013 for a lease area of 4.6364 ha. The lease was executed on 10.04.2013 & registered on 12.04.2013 for 30 years, i.e. validity of lease is from 12.04.2013 to 11.04.2043. Lease was transferred to M/s Mahalaxmi Granite vide order dated 24.10.2017. Later, lease validity was extended for 50 years i.e up to 11.04.2063.

The DEIAA Rajsamand, vide letter dated 10.08.2016 has granted EC to M/s Sangram Singh, M.L. No.- 35/2010, Area- 4.6364 ha., for production capacity of Quartz 2452 TPA & Feldspar- 22067 TPA at Khasra No.- 405/2, Near Village Kaniya khera, Tehsil Deogarh, District Rajsamand, (Raj.)

The project being one of major mineral before 10.02.2015 with respect to quartz & feldspar having lease area of 4.6364 hectare, came under the purview of the EIA notification

dated 07.10.2014 of the MoEF&CC. The base year in such cases is 2013-14 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 09.10.2019 & 08.10.2020 of ME, Amet, Rajsamnd, production of mineral from 2013-14 to 2016-17 has ben nil. Thereafter PP has obtained EC for production of Quartz& Feldspar having production capacity of 2452 TPA & 22067 TPA, respectively. According to the said certificate production of minerls has been within the permitted quantity. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has now submitted application for transfer of EC from Sangram Singh, v&p Mangrol, Tehsil Deogarh, district Rajsamand, granted by DEIAA Rajsamand for mining of quartz & feldspar to M/s Mahalaxmi Granite, Pathiknagar, Bundi Road, Bijoliya, Bhilwara, Rajasthan. PP has also submitted application for obtaining EC for enhancement of production capacity of Quartz & Feldspar from 2452 TPA & 22067 TPA, respectively to 40,865 TPA (ROM) and also for inclusion of mineral Granite having production capacity of 1,33,333 TPA (ROM), M.L. No.- 35/2010, Area- 4.6364 ha., at Khasra No.- 405/2, Near Village Kaniya khera, Tehsil Deogarh, District Rajsamand, (Raj.). (**Proposal No. 45357**). The project is covered under B2 category. The DMG, Udaipur vide letter dated 02.07.2018 had issued LOI, having validity for a period of 18 months, for inclusion of Granite. The validity of LoI was further extended, vide order dated 31.08.2020 for a period of three months from the date of issue of the order. The modified mining plan has been approved by the SME, Rajasamand vide letter dated 30.10.2018 for mining of quartz, feldspar and granite. ME, Amet in his certificate dated 25.09.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Rajsamand in his certificated dated 24.09.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Amet dated 14.09.2020, there is no cluster formation as per the MoEF&CC notification dated 15.01.2016.

The PP has submitted report dated 04.09.2020 certified by Regional Officer, Bhilwara, RSPCB, regarding compliance of conditions of earlier EC granted by DEIAA Rajsamand.

The PP has submitted undertaking stating that he will comply with the conditions imposed by DEIAA, rajasamand vide EC dated 10.08.2016. He has also submitted NOC regarding transfer of EC from M/s Sangram singh to M/s Mahalaxmi Granite.

The SEAC while considering the proposal for transfer of EC and enhancement of the production capacity and inclusion of mineral as mentioned above, was of the view that recommendation for enhancement of production can be made only after SEIAA has

sanctioned proposal for transfer of EC. The SEAC therefore decided, in the first instance, to make recommendation only with respect to the proposal for transfer of EC. The SEAC accordingly decided that it will take up the matter of enhancement of production of the minerals and inclusion of mineral only after SEIAA has sanctioned transfer of EC.

**Resolution:**

The SEAC after thorough appraisal of the project and having regard to the information contained in the Form I, Form II and documents submitted by the PP and presentation made by him before the SEAC, resolved to recommend to SEIAA for the transfer of EC from Sangram Singh, v&p Mangrol, Tehsil Deogarh, district Rajsamand, granted by DEIAA Rajsamand vide letter dated 10.08.2016 for mining of quartz & feldspar to M/s Mahalaxmi Granite, Pathiknagar, Bundi Road, Bijoliya, Bhilwara, Rajasthan. M.L. No.- 35/2010, Area- 4.6364 ha.), Khasra No.- 405/2, Near Village Kaniya khera, Tehsil Deogarh, District Rajsamand, (Raj.) (**Proposal No. 45357**), with the stipulation that the PP shall abide by the conditions, imposed by DEIAA in its order granting EC.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was granted for mining of mineral quartz & Feldspar in favour of Sh. Sohan Singh by DMG, Udaipur vide order dated 31.08.2006 for a lease area of 4.0 ha. The lease was executed & registered on 14.11.2006 & 24.11.2006 respectively. The lease was transferred to M/s Shanwaryia Mines and Minerals vide order dated 08.08.2014. The lease was again transferred in favour M/s Surya Granite vide order dated 30.11.2017. The lease validity was extended for 50 years i.e up to 23.11.2056.

The SEIAA, vide letter dated 09.05.2016 has granted EC to M/s Shanwaryia Mines and Minerals, M.L. No.- 25/2003, Area- 4.0 ha., for production capacity of Quartz & Feldspar 24987 TPA at Khasra No. 47, 48, 49, 50, 51 & 52, Near Village- Lal Ji Ka Khera, Tehsil- Deogarh, District- Rajsamand,

The project being one of major mineral before 10.02.2015 with respect to quartz & feldspar having lease area of 4.0 hectare, came under the purview of the EIA notification dated 07.10.2014 of the MoEF&CC. The base year in such cases is 2013-14 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 09.10.2019 & 08.10.2020 of ME, Amet, Rajsamnd, production of mineral in the year 2013-14 was 2592 ton. The production of minerals in subsequent years is either been nil or less than the production in the base year. The PP thereafter vide letter dated 09.05.2016 obtained EC from SEIAA for mining of quartz & feldspar having production capacity of 24987 TPA. Production of mineral thereafter has not exceeded. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has now submitted application for transfer of EC from M/s Shanwariya Mines & Minerals, Dela Ka Kheda, tehsil Deogarh, district Rajsamand, granted by SEIAA Rajasthan for mining of quartz & feldspar to M/s Surya Granite, 266-A, Laxminagar, Paota, B-road, Jodhpur, Rajasthan. PP has also submitted application for obtaining EC for enhancement of production capacity of Quartz & Feldspar from 24987 TPA to 35695 TPA (ROM) and also for inclusion of mineral Granite having production capacity of 1,14,285 TPA (ROM), M.L. No. - 25/2003, Area- 4.0 ha., at Khasra No. 47, 48, 49, 50, 51 & 52, Near Village- Lal Ji Ka Khera, Tehsil- Deogarh, District- Rajsamand, (Raj.) (**Proposal No. 132439**). The project is covered under B2 category. The DMG, Udaipur vide letter dated 20.04.2018 had issued LOI, having validity for a period of 18 months, for inclusion of Granite. The validity of LoI was further extended, vide order dated 31.08.2020 for a period of three months from the date of issue of the order. The modified mining plan has been approved by the SME, Rajsamand vide letter dated 16.08.2018 for mining of quartz, feldspar and granite. ME, Amet in his certificate dated 25.09.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Rajsamand in his certificated dated 24.09.2019 has stated that Todgarh Raoli WLS is 9.30 km away from the applied lease area. The ESZ of the same has been notified. Since the applied lease area falls within 10 km limit of Todgarh Raoli, special conditions are being prescribed as per MoEF&CC O.M. dated 08.08.2019.

The SEAC also went through para 4 (i)/ (ii)/ (iii) and (iv) of the OM dated 08.08.2019 of the MoEF & CC which requires that the Expert Appraisal Committee would examine the proposal from environmental angle including impact of developmental activity/ project on the Wildlife and its habitat, if any, and recommend appropriate protection and conservation measures and that these recommendations shall be explicitly mentioned in the EC letter. Since the project falls within a distance of 10 Km from the boundary of National Park/ Wildlife Sanctuary and outside notified ESZ, the following specific conditions shall also be applicable in terms of OM dated 08.08.2019 of the MoEF & CC:

1. The mining activity should be carried out in a manner so that the water regime/system of the sanctuary is not disturbed. The mining activity should not adversely affect any existing water course, water body, catchment etc. The PP shall while carrying out mining activity ensure compliance of the provisions of Air (Prevention and Control of Pollution) Act 1981, Water (Prevention and Control of Pollution) Act 1974 and the Environment (Protection) Act, 1986 so that the wildlife in the area is not adversely affected.
2. The processes like blasting, drilling, excavation, transport and haulage resulting into noise, should be carried out in such a manner so that such activities do not disturb wild animals and birds particularly during sunset to sunrise. The level of noise should be kept within the permissible limits.
3. The mining activity should not create any obstacle in the way of free movement of wildlife and adversely affect wildlife corridors.
4. The mineral waste/ slurry should be dumped only at the designated places only and such waste dumps should be reclaimed in accordance with the conditions of the mining plan/ consent issued by the RSPCB under the Water and Air act.
5. The PP shall cooperate with the concerned DCF, Wildlife in their efforts towards protection and conservation of wildlife in the Sanctuary/ Park.
6. The PP shall ensure that the transporter and labor employed by him should not damage flora and fauna in the ESZ and the Wildlife Sanctuary/ National Park

As per cluster certificate issued by ME, Amet dated 14.09.2020, there is no cluster formation as per the MoEF&CC notification dated 15.01.2016.

The PP has submitted report dated 04.09.2020 certified by Regional Officer, Bhilwara, RSPCB, regarding compliance of conditions of earlier EC granted by SEIAA Rajasthan.

The PP has submitted undertaking stating that he will comply with the conditions imposed by SEIAA vide EC dated 09.05.2016. He has also submitted NOC regarding transfer of EC from M/s Shanwariya Mines and Minerals to M/s Surya Granites.

The SEAC while considering the proposal for transfer of EC and enhancement of the production capacity and inclusion of mineral as mentioned above, was of the view that recommendation for enhancement of production can be made only after SEIAA has sanctioned proposal for transfer of EC. The SEAC therefore decided, in the first instance, to make recommendation only with respect to the proposal for transfer of EC. The SEAC accordingly decided that it will take up the matter of enhancement of production of the minerals and inclusion of mineral only after SEIAA has sanctioned transfer of EC.

### **Resolution:**

The SEAC after thorough appraisal of the project and having regard to the information contained in the Form I, Form II and documents submitted by the PP and presentation made by him before the SEAC, resolved to recommend to SEIAA for the transfer of EC from M/s Shanwariya Mines & Minerals, Dela Ka Kheda, tehsil Deogarh, district Rajsamand, granted by SEIAA vide letter dated 10.08.2016 for mining of quartz & feldspar to M/s Surya Granite, 266-A, Laxminagar, Paota, B-road, Jodhpur, Rajasthan. M.L. No. - 25/2003, Area- 4.0 ha., at Khasra No. 47, 48, 49, 50, 51 & 52, Near Village- Lal Ji Ka Khera, Tehsil- Deogarh, District- Rajsamand, (Raj.) (**Proposal No. 132439**), with the stipulation that the PP shall abide by the conditions, imposed by SEIAA in its order granting EC.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for EC for Silica sand & China Clay Mining Project, (Ref. No.- 201810000655, Area - 4.00 ha.), Production Capacity- 1,64,725 TPA (ROM){ Silica sand- 1,14,700 TPA & China Clay – 50,025 TPA} at Khasra No.- 101/317, located Near Vill. – Jasuva, Tehsil – Fatehgarh, Distt.- Jaisalmer, (Raj.) (**Proposal No. – 37992**). The project is covered under B2 category. The Additional Director (Mines), Jodhpur had granted LOI of mineral on 26.09.2018 for a period of 18 months. The same was extended by Additional Director (Mines), Jodhpur vide orders dated 07.07.2020 & 10.08.2020 for a period of 03 months from 10.08.2020. The mining plan has been approved by the SME, Bikaner vide letter dated 28.02.2020. ME, Jaisalmer in his certificate dated 15.09.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, Jaisalmer in his certificate dated 28.06.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jaisalmer dated 15.09.2020, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016 & 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Babu Dan, for Silica sand & China Clay Mining Project, (Ref. No.- 201810000655, Area - 4.00 ha.), Production Capacity- 1,64,725 TPA(ROM){ Silica sand- 1,14,700 TPA & China Clay – 50,025 TPA} at Khasra No.- 101/317, located Near Vill. – Jasuva, Tehsil – Fatehgarh, Distt.- Jaisalmer, (Raj.) (**Proposal No. – 37992**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation

therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

**Observations & Resolution of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was granted for mining of mineral quartz & Feldspar in favour of M/s Devnarayan Mines & Minerals by DMG, Udaipur vide order dated 18.01.2011 for a lease area of 4.7381 ha. The lease was valid for a period of 30 years from the date of registration i.e. 23.09.2011. The lease was transferred to M/s Veni Siddh Granite vide order dated 09.04.2018. The lease validity was extended for 50 years i.e up to 22.09.2061.

The SEIAA, vide letter dated 18.05.2016 has granted EC to M/s Devnarayan Mines & Minerals, M.L. No.- 68/2009, Area- 4.7381 ha., Khasra No.- 46, near Vill.- Bagha ka Khera, Tehsil- Deogarh, Distt.- Rajsamand for production capacity of quartzs 5020 TPA and feldspar20080 TPA (total 25100 TPA ROM).

The project being one of major mineral before 10.02.2015 with respect to quartz & feldspar having lease area of 4.7381 hectare, came under the purview of the EIA notification dated 07.10.2014 of the MoEF&CC. The base year in such cases is 2013-14 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificate dated 09.10.2019 of ME, Amet, Rajsamnd, production of quartzs in the year 2013-14 was nil. The production of quartzs, however, in the year 2015-16 was 208 ton & in 2016-17 was 457 ton. The mining of quartzs was carriedout without obtaining prior environmental clearance from the competent authority in violation of EIA notification. The PP and the consultant in their affidavit has also stated that the mining activity has been undertaken in violation of the EIA notification, MMDRA, Water Act, Air Act, EP Act.

The PP has now submitted application for transfer of EC from M/s Devnarayan Mines & Minerals, Village Bagha Ka Kheda, tehsil Deogarh, district Rajsamand, granted by SEIAA Rajasthan for mining of quartz & feldspar to M/s Veni Siddh Granite, 2-D-4, Ground Floor,

Machla Magra, Housing Board Colony, Udaipur, Rajasthan. PP has also submitted application for obtaining EC for enhancement of production capacity of Quartz & Feldspar from 25100 TPA (quartzs 5020 TPA & feldspar 20080 TPA) to 35,895 TPA and also for inclusion of mineral Granite having production capacity of 1,33,333 TPA (Total production capacity 1,69,228 TPA ROM), M.L. No.- 68/2009, Area- 4.7381 ha., Khasra No.- 46, near Vill.- Bagha ka Khera, Tehsil- Deogarh, Distt.- Rajsamand (**Proposal No. 93266**). The project is covered under B2 category. The DMG, Udaipur vide letter dated 04.06.2018 had issued LOI, having validity for a period of 18 months, for inclusion of Granite. The validity of LoI was further extended, vide order dated 10.08.2020 for a period upto 09.11.2020. The modified mining plan has been approved by the SME, Rajsamand vide letter dated 27.08.2018 for mining of quartz, feldspar and granite. ME, Amet in his certificate dated 25.09.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Rajsamand in his certificated dated 24.09.2019 has stated that Todgarh Raoli WLS is 9.76 km away from the applied lease area. The ESZ of the same has been notified. Since the applied lease area falls with in 10 km limit of Todgarh Raoli, special conditions are being prescribed as per MoEF&CC O.M. dated 08.08.2019.

The SEAC also went through para 4 (i)/ (ii)/ (iii) and (iv) of the OM dated 08.08.2019 of the MoEF & CC which requires that the Expert Appraisal Committee would examine the proposal from environmental angle including impact of developmental activity/ project on the Wildlife and its habitat, if any, and recommend appropriate protection and conservation measures and that these recommendations shall be explicitly mentioned in the EC letter. Since the project falls within a distance of 10 Km from the boundary of National Park/ Wildlife Sanctuary and outside notified ESZ, the following specific conditions shall also be applicable in terms of OM dated 08.08.2019 of the MoEF & CC:

1. The mining activity should be carried out in a manner so that the water regime/system of the sanctuary is not disturbed. The mining activity should not adversely affect any existing water course, water body, catchment etc. The PP shall while carrying out mining activity ensure compliance of the provisions of Air (Prevention and Control of Pollution) Act 1981, Water (Prevention and Control of Pollution) Act 1974 and the Environment (Protection) Act, 1986 so that the wildlife in the area is not adversely affected.
2. The processes like blasting, drilling, excavation, transport and haulage resulting into noise, should be carried out in such an manner so that such activities do not disturb wild animals and birds particularly during sunset to sunrise. The level of noise should be kept within the permissible limits.
3. The mining activity should not create any obstacle in the way of free movement of wildlife and adversely affect wildlife corridors.
4. The mineral waste/ slurry should be dumped only at the designated places only and such waste dumps should be reclaimed in accordance with the conditions of the mining plan/ consent issued by the RSPCB under the Water and Air act.
5. The PP shall cooperate with the concerned DCF, Wildlife in their efforts towards protection and conservation of wildlife in the Sanctuary/ Park.
6. The PP shall ensure that the transporter and labor employed by him should not damage flora and fauna in the ESZ and the Wildlife Sanctuary/ National Park

As per cluster certificate issued by ME, Amet dated 06.09.2019, the total area of all the mining leases in the cluster is 81.9559 ha.

The PP has submitted report dated 22.06.2020 certified by Regional Officer, Bhilwara, RSPCB, regarding compliance of conditions of earlier EC granted by SEIAA Rajasthan.

The PP has submitted undertaking stating that he will comply with the conditions imposed by SEIAA vide EC dated 18.05.2016. He has also submitted NOC regarding transfer of EC from M/s Devnarayan Mines and Minerals to M/s Veni Siddh Granites.

Since the total area of all the mining leases in the cluster is 81.9559 ha, the project falls in B1 category & therefore the PP is required to conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

The EIA/EMP may be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster, as a case of violation in terms of notification dated 14.03.2017 & 08.03.2018 of the MoEF&CC. As per the provisions of the EIA Notification the PP should get one public consultation done covering all the mining leases in the cluster and prepare final EIA/EMP reports. Keeping in view the presentation made by the PP and examination of documents submitted by him the SEAC prescribed the **ToR** with public hearing for carrying out detailed EIA and preparing comprehensive EIA report as per the provisions of the EIA notification 2006. **The ToR is enclosed at Annexed 'B'**.

**Observations & Resolution of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was granted for mining of mineral quartz & Feldspar in favour of M/s Charbhujja Mines & Minerals by DMG, Udaipur vide order dated 08.08.2006 for a lease area of 4.35 ha. The lease was valid for a period of 30 years from the date of registration. The lease validity was extended for 50 year i.e. upto 26.11.2056.

The SEIAA, vide letter dated 21.09.2016 has granted EC to M/s Charbhujja Mines & Minerals, M.L. No.- 31/2006, Area- 4.35 ha., Khasra No.- 94, Near Vill.- Anoppura, Tehsil- Deogarh, District- Rajsamand for production capacity of quartzs & feldspar 22106.75 TPA.

The project being one of major mineral before 10.02.2015 with respect to quartz & feldspar having lease area of 4.35 hectare, came under the purview of the EIA notification dated 07.10.2014 of the MoEF&CC. The base year in such cases is 2013-14 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 09.10.2019 of ME, Amet, Rajsamnd, production of quartzs & feldspar from the year 2013-14 to 2016-17 remained nil. In the meanwhile the PP obtained EC on 21.09.2016 for production capacity of 22106.75 TPA of quartzs & feldspar. Production of minerals thereafter has remained within permissible quantity. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has now submitted application for ToR for expansion of production capacity of quartzs & feldspar from 22106.75 TPA to 44,210 TPA and inclusion of mineral Granite having production capacity of 1,33,333 TPA (Total production production capacity 177543 TPA ROM) M.L. No.- 31/2006, Area- 4.35 ha., Khasra No.- 94, Near Vill.- Anoppura, Tehsil- Deogarh, District- Rajsamand, (Raj.) (**Proposal No. 46036**). The DMG, Udaipur vide order dated 01.10.2018 had granted LOI for inclusion of Granite DMG, Udaipur having validity of a period of 18 months. The period of validity of LOI was further extended for 03 months vide order dated 10.08.2020 from the date of issue of letter. The modified mining plan has been approved by the SME, Rajsamand vide letter dated 25.02.2019 for quartz, feldspar & granite. ME, Amet in his certificate dated 25.09.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Rajsamand in his certificate dated 08.11.2019 has stated that Todgarh Raoli WLS is 9.70 km away from the applied lease area. The ESZ of the same has been notified. Since the applied lease area falls with in 10 km limit of Todgarh Raoli, special conditions are being prescribed as per MoEF&CC O.M. dated 08.08.2019.

The SEAC also went through para 4 (i)/ (ii)/ (iii) and (iv) of the OM dated 08.08.2019 of the MoEF & CC which requires that the Expert Appraisal Committee would examine the proposal from environmental angle including impact of developmental activity/ project on the Wildlife and its habitat, if any, and recommend appropriate protection and conservation

measures and that these recommendations shall be explicitly mentioned in the EC letter. Since the project falls within a distance of 10 Km from the boundary of National Park/ Wildlife Sanctuary and outside notified ESZ, the following specific conditions shall also be applicable in terms of OM dated 08.08.2019 of the MoEF & CC:

1. The mining activity should be carried out in a manner so that the water regime/system of the sanctuary is not disturbed. The mining activity should not adversely affect any existing water course, water body, catchment etc. The PP shall while carrying out mining activity ensure compliance of the provisions of Air (Prevention and Control of Pollution) Act 1981, Water (Prevention and Control of Pollution) Act 1974 and the Environment (Protection) Act, 1986 so that the wildlife in the area is not adversely affected.
2. The processes like blasting, drilling, excavation, transport and haulage resulting into noise, should be carried out in such a manner so that such activities do not disturb wild animals and birds particularly during sunset to sunrise. The level of noise should be kept within the permissible limits.
3. The mining activity should not create any obstacle in the way of free movement of wildlife and adversely affect wildlife corridors.
4. The mineral waste/ slurry should be dumped only at the designated places only and such waste dumps should be reclaimed in accordance with the conditions of the mining plan/ consent issued by the RSPCB under the Water and Air act.
5. The PP shall cooperate with the concerned DCF, Wildlife in their efforts towards protection and conservation of wildlife in the Sanctuary/ Park.
6. The PP shall ensure that the transporter and labor employed by him should not damage flora and fauna in the ESZ and the Wildlife Sanctuary/ National Park

The PP in view of above is required to consider the aspects contained in said O.M. while conducting EIA/EMP studies and submit proposal accordingly for mitigating impact of mining on the environment.

As per cluster certificate issued by ME, Amet dated 11.09.2019, the total area of all the mining leases in the cluster is 89.4159 ha.

The PP will submit report compliance report certified by Regional Officer, Bhilwara, RSPCB, regarding compliance of conditions of earlier EC granted by SEIAA Rajasthan and current certified production figure certificate at the time of presentation of EC.

It is a project having capital cost of Rs. 1.5 crore. The ME, Amet in his certificate dated 11.09.2019 has stated that total area of all the mining leases in the cluster is 89.4159 hectare. The project, therefore, requires to be dealt with as 'B1' category project.

The SEAC therefore, observed that the PP is required to conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

The EIA/EMP may be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. As per the provisions of the EIA Notification the PP

should get one public consultation done covering all the mining leases in the cluster and prepare final EIA/EMP reports. Keeping in view the presentation made by the PP and examination of documents submitted by him the SEAC prescribed the ToR with public hearing for carrying out detailed EIA and preparing comprehensive EIA report as per the provisions of the EIA notification 2006. **The ToR is enclosed at Annexed 'B'.**

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for Environmental Clearance for Masonry Stone Mining Project, (Ref. No. 2019100005256, Area- 1.48 ha.), Production Capacity- 1,86,200 TPA(ROM){Mineral-1,77,150 TPA & Overburden- 9,050 TPA} at Khasra No.- 209/22, Near Village Palas, Tehsil

Bidasar, District Churu, (Raj)(**Proposal No.- 127758** ).The project is covered under B2 category. The SME, Bikaner has granted LOI of mineral on 30.08.2019. The mining plan has been approved by the SME, Bikaner vide letter dated 26.11.2019. AME, Churu in his certificate dated 18.11.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Churu in his certificate dated 14.09.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Churu dated 26.11.2019, there is no cluster formation as per the MoEF&CC notifications dated 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to **Shri Himmta Ram Bawari** for Masonry Stone Mining Project, (Ref. ### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for Environmental Clearance for Masonry Stone Mining Project, (Ref. No.- 20191000012944, Area- 1.0 ha.), Production Capacity- 1,29,740 TPA (ROM) at Khasra No.- 588/163 & 592/163, Near Village – Bagundi, Tehsil- Pachpadra, District- Barmer, (Raj.) (**Proposal No. 132949**). The project is covered under B2 category. The SME, Jodhpur has granted LOI of mineral on 21.11.2019. The mining plan has been approved by the SME, Jodhpur vide letter dated 04.12.2019. ME, Barmer in his certificate dated 18.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Barmer in his certificate dated 13.11.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation

Reserve within 10 km periphery of the mine. The project does not involve approval/clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Barmer dated 23.09.2020, there is no cluster formation as per the MoEF&CC notifications dated 01.07.2016.

**Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Sarvan Kumar Mundan S/o Shri Chota Ram, for Masonry Stone Mining Project, ( Ref. No.- 20191000012944, Area- 1.0 ha.), Production Capacity- 1,29,740 TPA (ROM) at Khasra No.- 588/163 & 592/163, Near Village – Bagundi, Tehsil- Pachpadra, District- Barmer, (Raj.) (**Proposal No. 132949**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure ‘A’.

**Observations & Recommendations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was granted for mining of mineral soapstone in favour of Sh. Shalinin Saxena by DMG, Jaipur vide order dated 22.11.2005 for a lease area of 5.0 ha. The lease was registered on 10.03.2006, for a period of 30 years. The lease area of 0.0107 ha was surrendered vide order dated 12.07.2010. The area therefore retained was 4.9893 ha. The rider agreement to this effect was registered on 11.08.2010. The lease was transferred to Shri Vinod Kumar Agarwal vide order dated 12.05.2014. The lease was again transferred in favour M/s Balaji Stone Mines and Minerals vide order dated 12.05.2016. The lease validity was extended up to 09.01.2056.

The DEIAA, Sikar vide letter dated 19.12.2016 had granted EC to Shri Vinod Kumar Agarwal, M.L. No- 19/2001, Area- 4.9893 ha., for production capacity of soap stone 8610 TPA at Khasra No.- 469/147, Near Village – Hirwas, Tehsil- Danta-ramgarh, District- Sikar.

The project being one of major mineral (before 10.02.2015) with respect to soapstone having lease area of 5.0 hectare (the lease area of 0.0107 ha was lateron surrendered vide order dated 12.07.2010), came under the purview of the EIA notification dated 14.09.2006 of the MoEF&CC. The base year in such cases is 2005-06, in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 06.02.2020 of ME Sikar, production of mineral in the year 2005-06 & 2006-07 (the lease deed was registered on 10.01.2006) was nil. Thereafter, PP carriedout mining and minedout 45 tons of mineral in year 2008-09, without prior EC of the regulatory authority in violation of the provisions of EIA notification. Upon reduction of lease area from 5 ha to 4.9893 ha, the project cameout of the purview of the EIA notification dated 14.09.2006. The mining lease again came under the purview of the EIA notification vide notification dated 07.10.2014. The production of mineral in the years 2013-2014 to 2017-18, according to the certificate 06.02.2020 of ME Sikar, has been nil. The PP in the meanwhile obtained EC from DEIAA Sikar vide letter dated 19.12.2016 for mining of soapstone having production capacity of 8610 TPA. Production of mineral in the subsequent years has remained within the limit prescribed under the EC. Since the activity of the mining has been undertaken, in the year 2008-09, without prior EC, project is one of violation of the EIA notification interms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India and has to be dealt accordingly. The PP and the consultant have submitted affidavits stating that the mining activity has been undertaken in violation of the EIA notification, MMDRA, Water Act, Air Act, EP Act.

The PP has now submitted application for transfer of EC from Shri Vinod Kumar Agarwal, G.R house, Hiran Magri, Sector 11, Udaipur Rajasthan to M/s Balaji stone Mines & Minerals, ward no. 12, Asthalok Colony, REECO, Jhunjunu, Rajasthan , granted by DEIAA Sikar vide order dated 19.12.2016 for mining of Soapstone. PP has also submitted application for obtaining EC for enhancement of production capacity of soap stone from 8610 TPA to 34,220 TPA and inclusion of mineral Masonary stone having production capacity of 5,40,410 TPA (Total production capacity 6,04,660 TPA ROM), Masonary Stone & soapstone Mining Project, M.L. No- 19/2001, Area- 4.9893 ha., at Khasra No.- 1080, Near Village – Hirwas, Tehsil- Danta-rangarh, District- Sikar, (Raj.). (**Proposal No. 45838**). The project is covered under B2 category. The DMG, Jaipur vide letter dated 10.05.2019 had issued LOI for inclusion of Masonary stone, with validity for a period of 18 months. The modified mining plan for soap stone & masonary stone has been approved by the SME, Sikar vide letter dated 02.08.2019. ME, Sikar in his certificate dated 06.02.2020 has stated that the mining lease does not fall in Aravalli hills. DCF Sikar in his certificated dated 07.02.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Sikar on 06.02.2020, there is no other mining lease and the total area of the mining lease in the cluster is 4.9893 ha.

The PP has submitted report dated 13.03.2020 certified by Regional Officer, Sikar, RSPCB, regarding compliance of conditions of earlier EC granted by DEIAA Sikar vide letter dated 19.12.2016.

The PP has also submitted the Consent to Establish granted by RSPCB vide order dated 31.01.2017 for mining of soapstone having production capacity of 8610 TPA, under the provisions of the Air Act 1981. The consent is valid up 31.07.2021. The PP along with application for transfer of EC has also submitted undertaking stating that they will comply with the all the environmental safeguard, terms & conditions stipulated by DEIAA, Sikar vide EC dated 19.12.2016. NOC has also been submitted therein Shri Vinod Agarwal has stated that he has transferred the said mining lease to to the transferee company M/s balaji stone Mines and Minerals and that he is no more associated with the project. He further stated that he has no objection to transfer of EC granted by DEIAA vide order dated 19.12.2016.

The SEAC noted that the case is one of violation of the EIA notification has to be dealt with as per the judgement dated 14.03.2018 in WMP no 3361 & 3362 of 2018 and WMP no 3521 of 2018 in WP no 11189/2017 of the Hon'ble Madras High court. The MoEF&CC in its O.M. dated 16.03.2018 has directed that the projects and activities pertaining to all sectors have to be considered as per judgement of the Hon'ble Madras High Court.

Keeping in view the information contained in Form I, Form II and other documents submitted by the PP and presentation made by him, the SEAC prescribed the ToR with public hearing for carrying out detailed Environmental Impact Assessment Study and preparation of Environmental Management Plan and also Remediation Plan, Natural Resource Augmentation Plan and Community Resource Augmentation Plan, as per the provisions of notification dated 14.03.2017 & 08.03.2018 of the MoEF&CC. **The ToR is enclosed at Annexed 'B'.**

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied Environmental Clearance for Sandstone Mining Project, (Plot No.- 08, Area- 1.0 ha.), Production capacity- 1,02,750 TPA (ROM) at Khasra No.- 553, Near Village- Kasti, Tehsil- Baori, District- Jodhpur , (Raj.).(**Proposal No. -133116**).The project is covered under B2 category. The SME, Jodhpur has granted LOI for the mineral vide order dated 16.08.2018. The period of validity was further extended vide order dated 15.09.2020 for a period of 8 months. The mining plan has been approved by the SME, Jodhpur vide letter dated 26.11.2018. ME, Jodhpur in his certificate dated 20.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (wildlife), Jodhpur in his certificate dated 30.08.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no

forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jodhpur dated 20.12.2019, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016 & 01.07.2016.

**Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Smt. Sarita Ojha W/o Shri Amit Ojha, for Sandstone Mining Project, (Plot No.- 08, Area- 1.0 ha.), Production capacity- 1,02,750 TPA (ROM) at Khasra No.- 553, Near Village- Kasti, Tehsil- Baori, District- Jodhpur , (Raj.). **(Proposal No. -133116)**, with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan..

The PP has applied for Environment Clearance for Masonry stone Mining Project, (Ref. No.- 20191000012939, Area- 1.00 ha.), Production capacity- 1,26,750 TPA(ROM) at Khasra No.- 557/163, 569/163 & 577/163, Near Village- Bagundi, Tehsil Pachpadra District Barmer, (Raj.).(**Proposal No. 132558**).The project is covered under B2 category. The SME, Jodhpur has granted LOI of mineral on 21.11.2019. The mining plan has been approved by the SME, Jodhpur vide letter dated 04.12.2019. ME, Barmer in his certificate dated 18.12.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Barmer in his certificate dated 13.11.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Barmer on 23.09.2020, the total area of the mining lease in the cluster is 3.0 ha.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Amed Ram S/o Shri Sona Ram, for Masonry stone Mining Project, (Ref. ### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was initially granted for mining of quartz & feldspar in favour of Sh. Yugal Kishore Purohit by DMG, Jaipur vide order dated 10.03.2011 for mining area 4.0129 ha. The lease was executed & registered on 04.04.2011 & 15.04.2011, respectively for 30 years. The lease period was further extended for 50 years i.e up to 14.04.2061.

The project being one of major mineral (before 10.02.2015) having lease area of 4.0129 hectare, came under the purview of the EIA notification dated 07.10.2014 of the MoEF&CC. The base year in such cases is 2013-14 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 29.01.2020 & 06.10.2020 of ME, Jaipur, production of mineral from the year 2013-14 to 2019-20 has been nil. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied EC for Environment Clearance for Quartz & Feldspar Mining Project, (M.L. No.- 27/09, Area- 4.0129 ha.), Production capacity- 51,480 TPA (ROM) at Khasra No.- 800 to 804, 838, 841, 842, 827, 828 & 808, Near Village- Dhandoli, Tehsil Mozamabad (Dudu), District Jaipur, (Raj.).(**Proposal No. 130447**). The project is covered under B2 category. The mining plan has been approved by the SME, Jaipur vide letter dated 11.03.2019. ME, Jaipur in his certificate dated 05.01.2016 has stated that the mining lease does not fall in Aravalli hills. DCF, Jaipur in his certificate dated 30.01.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jaipur dated 13.12.2019, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016 & 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Shri Yugal Kishore Purohit S/o Shri Raghuveer Prasad, for Quartz & Feldspar Mining Project, (M.L. No.- 27/09, Area- 4.0129 ha.), Production capacity- 51,480 TPA (ROM) at Khasra No.- 800 to 804, 838, 841, 842, 827, 828 & 808, Near Village- Dhandoli, Tehsil Mozamabad (Dudu), District Jaipur, (Raj.).(**Proposal No. 130447**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

**Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing mining lease. The mining lease was initially granted for mining of quartz, feldspar & mica in favour of Sh. Suraj Karan Gurjar S/o Shri Kana Ram for mining area 4.10 ha. The lease was executed & registered on 14.10.2005 & 29.10.2005, respectively for 30 years. The lease period was further extended for 50 years i.e up to 28.10.2055.

The project being one of major mineral (before 10.02.2015) having lease area of 4.10 hectare, came under the purview of the EIA notification dated 07.10.2014 of the MoEF&CC. The base year in such cases is 2013-14 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 11.12.2019 & 08.10.2020 of ME, Ajmer, production of quartz feldspar & mica was 210, 1410 & 1340 tons, respectively in the year 2013-14. Thereafter production of said minerals has not exceeded or remained nil in the subsequent years. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied EC for Quartz, Feldspar & Mica mining lease, (M.L. No.- 48/05, Area- 4.10 ha.), Production capacity- 16,068 TPA(ROM) (Quartz 6427 TPA, Feldspar 3856 TPA, Mica 2571 TPA & Waste 3214 TPA) at Khasra No.- 5961, 5965, 5969, 5975, 5976, 5977 & 5979, Near Village- Ramsar, Tehsil Nasirabad, District Ajmer, (Raj.).(**Proposal No. 130399**).The project is covered under B2 category. The mining plan has been approved by the SME, Ajmer vide letter dated 27.05.2020. ME, Ajmer in his certificate dated 22.09.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, Ajmer in his certificate dated 03.03.2020 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Ajmer dated 22.09.2020, there is no cluster formation as per the MoEF&CC notifications dated 15.01.2016 & 01.07.2016.

### **Resolution:**

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

This is an existing lease. The mining lease was granted for mining of masonry Stone in favour of Sh. Rahul Bansiwala S/o Sh. Nand Lal by ME, Jaipur vide order dated 26.09.2006 for a lease area of 1.0 ha. The lease was registered on 09.11.2006 for a period of 20 years. Lease was transferred to M/s Ganesh Mining Udhog vide order dated 07.06.2011. The lease transferred deed executed & registered on 09.06.2011 & 13.06.2011, respectively. Later on, validity was extended for 50 years.

The project being one of minor mineral having lease area of 1.0 hectare, came under the purview of the EIA notification dated 09.09.2013 of the MoEF&CC. The base year in such cases is 2012-13 in terms of Common Cause judgement pronounced by the Hon'ble Supreme Court of India. According to the certificates dated 17.09.2020 of AME, Dausa, production of mineral in the year 2012-13 was 78 ton and thereafter production in subsequent years has been nil. The project therefore, is not one of violation of EIA notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA notification and Common Cause judgement pronounced by the Hon'ble Supreme Court of India.

The PP has applied Application for EC for Masonry Stone Mining Project, (M.L. No.- 177/06, Area-1.0 ha.), Production Capacity- 53,850 TPA (ROM) at Khasra No.- 90/01, Near Village Kalwan, Tehsil Sikarai, District Dausa (Raj.). (**Proposal No. 40986**).The project is covered under B2 category. The mining plan has been approved by the SME, Jaipur vide letter dated 16.01.2017. AME, Dausa in his certificate dated 07.09.2020 has stated that the mining lease does not fall in Aravalli hills. DCF, Dausa in his certificated dated 31.07.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by AME, Dausa dated 07.09.2020, there is no cluster formation as per the MoEF&CC notifications.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to M/s Ganesh Mining Udhyog for Masonry Stone Mining Project, (M.L. No.- 177/06, Area-1.0 ha.), Production Capacity- 53,850 TPA (ROM) at Khasra No.- 90/01, Near Village Kalwan, Tehsil Sikarai, District Dausa (Raj.). (**Proposal No. 40986**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for EC for Mica, Quartz & Feldspar Mining Project, Ref no.- 2018100001422, (M.L. No.- 105/2018, Area- 2.4087 ha.), Production Capacity-93,389 TPA(ROM) at Khasra No.- 1790/1508, near village-Malas, Tehsil-Kareda, Dist-Bhilwara ,(Raj.) by M/s Rashleela Enterprises Pvt.Ltd.,(**Proposal No-31225**). The project is covered under B2 category. The Additional Director (Mines), Udaipur has granted LOI of mineral on 05.10.2018. Additional Director (Mines), Udaipur vide order dated 28.09.2020 extended period of validity of LOI up to 03.01.2021. The mining plan has been approved by the SME, Bhilwara vide letter dated 03.01.2019. ME, Bhilwara in his certificate dated 14.12.2018 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara in his certificate dated 06.08.2019 has stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Bhilwara dated 06.08.2020, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

## **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to M/s Rashleela Enterprises Pvt. Ltd. for Mica, Quartz & Feldspar Mining Project, Ref no.- 2018100001422, (M.L. No.- 105/2018, Area- 2.4087 ha.), Production Capacity-93,389 TPA (ROM) at Khasra No.- 1790/1508, near village-Malas, Tehsil-Kareda, Dist-Bhilwara ,(Raj.) (**Proposal No-31225**), with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

**Observations & Resolution of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for ToR for Mevdakalan Granite & Masonary Stone Mining Project, (M.L.No-65/2018, Area- 1.7680 ha.), Production Capacity- 2,40,000 TPA (ROM){Saleable Granite- 1,20,000 TPA, Saleable Masonry stone- 1,08,000 TPA & Waste- 12,000 TPA} at Khasra No.- 48, 49, 52, 53 & 3871/49, Village-Mevdakalan, Tehsil-Kekri, Dist-Ajmer, Rajasthan, **(Proposal No-42144).** The SME,Ajmer has granted LOI of mineral on 28.09.2018. SME, Ajmer vide order dated 16.06.2020 extended period of validity of LOI upto 27.11.2020. The mining plan has been approved by the SME, Ajmer vide letter dated 25.06.2020. AME, Sawar in his certificate dated 02.07.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Ajmer in his certificated dated 19.08.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

It is a project having capital cost of Rs. 1.20 crore. The AME, Sawar in his certificate dated 02.07.2019 has stated that total area of all the mining leases in the cluster is 13.0648 hectare. The project, therefore, requires to be dealt with as 'B1' category project.

The SEAC therefore, observed that the PP is required to conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

The EIA/EMP may be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. As per the provisions of the EIA Notification the PP should get one public consultation done covering all the mining leases in the cluster and prepare final EIA/EMP reports. Keeping in view the presentation made by the PP and

examination of documents submitted by him the SEAC prescribed the ToR with public hearing for carrying out detailed EIA and preparing comprehensive EIA report as per the provisions of the EIA notification 2006. **The ToR is enclosed at Annexed 'B'.**

**Observations of the Committee:**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP namely, M/s FCI Aravalli Gypsum and Minerals India Ltd. (FAGMIL) had submitted application for obtaining ToR/ EC for the existing project of mining of Gypsum at ML. No. 03/1985-R- 04/02 with mining lease area of 48.73 ha. near village Karnisar, Tehsil Suratgarh, District Sri Ganganagar, under the provisions of Notification dated 06.04.2018 of the MoEF & CC for revalidation of EC granted to the project by the MoEF & CC vide order dated 09.03.2007.

The MoEF & CC vide order dated 09.03.2007 had granted EC to M/s FCI Aravalli Gypsum and Minerals India Ltd. (FAGMIL) for mining of 40,000 TPA of Gypsum, near village Karnisar, Tehsil Suratgarh, District Sri Ganganagar in the mining ML. No. 03/1985-R-04/02 having area of 48.73 ha. under the Provisions of the EIA Notification date 27.01.1994. The EC as per the Provision of this Notification was valid for a period of 5 years only i.e. up to 08.03.2012. The PP was required to obtain extension of EC or revalidation of EC before 08.03.2012. The MoEF & CC vide Notification dated 06.04.2018 provided that the project proponent in all such cases involving validity of the EC and expansions of the mining project vis-à-vis the base years production shall make application within 6 months from the date of issue of the Notification in Form-1 of the EIA Notification, 2006 for grant of EC under the Provisions of the EIA Notification, 2006 and all such applications shall be considered by the concerned SEAC. The PP submitted application for revalidation of EC on 02.10.2018 in accordance with Notification dated 06.04.2018.

The SEAC appraised the project in its 4.7<sup>th</sup> meeting held on 28-31 January, 2019 for prescribing ToR for preparing Environment Impact Assessment (EIA) Report and Environment Management Plan (EMP) and accordingly issued ToR vide letter dated 07.03.2019.

Baseline Environmental Studies were conducted during post monsoon season i.e. from December 2018 to February 2019. Ambient air quality monitoring has been carried out at 8 locations during December 2018 to February 2019.

The Public hearing for the project was held on 05/07/2019 at Government Senior Secondary School, Karnisar for production of 40,000 TPA of Mineral Gypsum. The issues raised during public hearing and the action plan for fulfilling the demands of the affected people are given in the following table:

4.	Sh. Dulichand Vill. Karnisar	He informed that the allowances of school teachers of his village is very less. He requested to raise the same.	Sh. S. S. Shekhawat, General Manager (FCI Aravali Gypsum and Minerals India Ltd.) informed that this question is not related to public hearing. Allowances of school teachers is a state government related issue.	This public hearing is related to environment clearance for Gypsum mining.	--
5.	Sh. Shankar Lal Jankidas	He requested to develop a 2 km pucca road for students of Village 1KSM to reach schools in Karnisar.	Sh. S. S. Shekhawat, General Manager (FCI Aravali Gypsum and Minerals India Ltd.) informed that our corporation pays Rs. 13 for per Ton of gypsum mined out to State Government's DMFT Fund. DMFT fund is spent by the state government in developmental activities of near by areas of mine lease. Hence he requested Sh. Shankar Lal Jankidas to submit a request letter to the District Collector via company so that the issue is resolved at the earliest.	It is proposed to develop pucca road for students of Village 1KSM to reach schools in Karnisar.	A budget of Rs. 5 Lakhs has been proposed for CER activities out of which Rs. 1.0 Lakh/year will be spent for development of pucca road for students of Village 1KSM to reach schools in Karnisar.

The PP, vide letter dated 15.11.2019, submitted report on Environment Impact Assessment studies and Environment Management Plan in pursuance to compliance of TOR issued by the SEAC along with application for obtaining EC.

The project being one of major mineral (10.02.2015) having lease area of 48.73 ha, came under the purview of the EIA Notification dated 1994 of the MoEF & CC. According to the certificates dated 24.12.2019 and 28.01.2020 of ME, Sri Ganganagar, production of mineral in the base year i.e. 1993-94, in terms of Common Cause judgement of Hon'ble Supreme Court, was 40,605 Ton and the same has not increased thereafter till March, 2020. Besides, the production of mineral Gypsum after grant of EC by the MoEF & CC on 09.03.2007 has been within the permitted quantity of 40,000 Ton. The project, therefore, is not one of violation of the EIA Notification. The PP has also submitted affidavit to the effect that no activity has been carried out in violation of the EIA Notification and Common Cause Judgment pronounced by the Hon'ble Supreme Court.

It is stated that the project does not involve clearance under the Wildlife (Protection) Act, 1972 and Forest Conservation Act, 1980. No National Park, Wildlife Sanctuary exist within 10 Km of the boundary of the project site. There is no National or State boundary within 10 Km radius of the project site. There is no critically polluted area in 10 Km radius of the project. No litigation is pending against the project and/ or land in which the project is proposed to be setup. The PP and the consultant have submitted affidavits, stating that the no activity relating to the proposed project has been undertaken at the site in violation of the EIA Notification dated 14.09.2006 and amendments made thereafter.

The PP has submitted compliance report, vide letter dated 03.10.2019, of the Joint Director, MoEF & CC certifying compliance of conditions of the earlier EC issued vide letter dated 09.03.2007. The report states that the project authorities have complied or are in the process of complying the environmental conditions stipulated for this project.

The mining lease has validity upto 21.03.2025. The scheme of mining with progressive mine closure plan has been approved by the SME, Bikaner vide letter dated 28.04.2017. ME, Sri Ganganagar in his certificate dated 15.01.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Sri Ganganagar in his certificated dated 06.01.2020 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site. According to cluster map dated 24.12.2019 prepared by ME, Sri Ganganagar the applied lease having lease area of 48.73 ha. is the only lease within 500 meter periphery.

### **Resolution:**

The SEAC, after thorough appraisal of the project and having regard to the information contained in Form-1, Form-2 and other documents, submitted by the PP and presentation made by his consultant resolved to recommend to SEIAA for grant of EC to M/s FCI Aravalli Gypsum and Minerals India Ltd. (FAGMIL), for mining of Gypsum at ML. No. 03/1985-R-

04/02, with production capacity 40,000 TPA, having lease area of 48.73 ha. ### **Observations of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied E C for Silica Sand Mining Project, (Plot no.- 35/2018, Area- 4.70 ha.), Production Capacity- 1,00,000 TPA (ROM) {Saleable- 50,000 TPA & Waste- 50,000 TPA} at Khasra No. 2591, Village Parewar, Teshil & District-Jaisalmer (Rajasthan), (**Proposal No. 40453**).The project is covered under B2 category. The Additional Director (Mines), Jodhpur has granted LOI of mineral on 19.02.2018. Additional Director (Mines), Jodhpur vide order dated 07.10.2020 extended period of validity of LOI up to 18.11.2020. The mining plan has been approved by the SME, Bikaner vide letter dated 15.02.2019. ME, Jaisalmer in his certificate dated 02.07.2019 has stated that the mining lease does not fall in Aravalli hills. DCF (Wildlife), Jaisalmer in his certificated dated 24.12.2019 stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

As per cluster certificate issued by ME, Jaisalmer dated 02.07.2019, there is no cluster formation as per the MoEF&CC notification dated 01.07.2016.

### **Resolution:**

Keeping in view the Form I, Form II, documents and information contained in the documents submitted by the PP and presentation made by him before the SEAC and after detailed deliberations, the committee resolved to recommend to SEIAA for the grant of EC to Smt. Renu W/o Shri Jitendra Deo Dhaka, for Silica Sand Mining Project, (Plot no.- 35/2018, Area- 4.70 ha.), Production Capacity- 1,00,000 TPA (ROM) {Saleable- 50,000 TPA & Waste- 50,000 TPA} at Khasra No. 2591, Village Parewar, Teshil & District-Jaisalmer (Rajasthan), **(Proposal No. 40453)**, with the stipulation that the PP shall abide by the annual production schedule specified in mining plan and that any deviation therein will render the PP liable for legal action in accordance with Environmental and Mining Laws, subject to the specific and general conditions annexed at Annexure 'A'.

### **Observations & Resolution of the committee:-**

The SEAC considered/examined the project proposal submitted by the PP and also the presentation made by him through VC/Electronic media in accordance with letter dated 27.05.2020 of SEIAA, Rajasthan.

The PP has applied for ToR for Phakoliya Granite Mining Project, (M.L.no.- 44/2018, Area- 2.6745 ha.), Production Capacity- 3,77,871 ROM (TPA) at Khasra No. 738/1, 739, 740, 742, 743 & 744, Near Village Phakoliya, Tehsil Karera & District Bhilwara (Raj.).(Proposal No. **37444**). The SME, Bhilwara has granted LOI of mineral on 22.01.2019. The LoI was further extended by SME Bhilwara vide order dated 08.10.2020 up to 30.11.2020. The mining plan has been approved by the SME, Bhilwara vide letter dated 11.04.2019. ME, Bhilwara in his certificate dated 22.02.2019 has stated that the mining lease does not fall in Aravalli hills. DCF, Bhilwara & DCF Rajsamand in their certificates dated 12.07.2019 & 23.09.2020, respectively have stated that there is no Wildlife Sanctuary/National Park/ Conservation Reserve within 10 km periphery of the mine. The project does not involve approval/ clearance under the Forest (Conservation) Act, 1980 and Wild Life Protection Act, 1972 as no forest land is involved and neither there is any Wild Life Sanctuary/ National Park within 10 Km from the project site.

It is a project having capital cost of Rs. 90 lacs. The ME, Bhilwara in his certificate dated 08.07.2019 has stated that total area of all the mining leases in the cluster is 8.6745 hectare. The project, therefore, requires to be dealt with as 'B1' category project.

The SEAC therefore, observed that the PP is required to conduct Environmental Impact Assessment Study and prepare Environmental Management Plan for the entire cluster in order to capture all the possible externalities. These reports are required to incorporate carrying capacity of the cluster, transportation and related issues, replenishment and recharge issues, geo- hydrological study of the cluster.

The EIA/EMP may be prepared by the state or state nominated agency or group of PP in the cluster or the PP in the cluster. As per the provisions of the EIA Notification the PP should get one public consultation done covering all the mining leases in the cluster and

prepare final EIA/EMP reports. Keeping in view the presentation made by the PP and examination of documents submitted by him the SEAC prescribed the ToR with public hearing for carrying out detailed EIA and preparing comprehensive EIA report as per the provisions of the EIA notification 2006. **The ToR is enclosed at Annexed 'B'.**
