Hence, the Authority decided to accept the recommendations of SEAC and decided **to approve EIA/ EMP and grant EC for expansion and inclusion of Silica sand and Murram** to this proposal. PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects subject to the conditions laid down by SEAC.
6. **Serial No. 6, 7:** The proposal was deferred in 5.83rd meeting of the Authority for submission of affidavit for implementation of EMP. Now, PP has submitted the required affidavit. Hence, the Authority decided to accept the recommendations of SEAC and decided **to approve EIA/ EMP and grant EC** to this proposal. PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects subject to the conditions laid down by SEAC.
7. **Serial No. 8:** In 5.83rd meeting of the Authority, based on the affidavit given by PP and consultant which stated that this is an eminent case of violation. The Authority decided to give ToR under violation. Now, they have admitted to their mistake that the affidavit was wrongly submitted. This is a fresh case with no violation of EIA, 2006. In view of the above, the decision taken in previous meeting is revised and **ToR (without violation) is granted** as recommended by SEAC **subject to** deposition of Rs. 10,000/- (at the rate of Rs. 5000/- each) as fine for submitting wrong affidavit. ToR may be issued once the amount is deposited in RSPCB.

Through oversight it was not recorded in the minutes of 5.83rd meeting. The same has now been corrected as, "the Authority accepted the recommendations of SEAC and decided to approve EIA/ EMP and grant EC to this proposal subject to condition that an amount of Rs.6,89,600/- with reference to Remediation Plan shall be deposited to RSPCB in the

form of Bank Guarantee, in addition to this a penalty of Rs. 48264/- will also be deposited with the RSPCB, as per the provisions of the EIA Notification. 2006.

Hence, the Authority decided to accept the recommendations of SEAC and grant EC to this proposal subject to deposition of penalty as per MoEF&CC SOP dated 07.07.2021 of Rs. 48264/- by online/Demand Draft mode and also submit the Bank Guarantee of Rs. 6,89,600/- towards remediation plan with RSPCB within 15 days of the receipt of the letter in this regard failing which action shall be initiated to stop this project.

10. **Serial No. 11:** The proposal was deferred in 5.83rd meeting of the Authority as affidavit submitted with the proposal was in the name of Mohammad Shibli Khan but no document or authorization letter for Mohammad Shibli Khan was enclosed. Now, PP has submitted a resolution of board in the name of Mohammad Shibli Khan. Hence, the Authority accepted the recommendations of SEAC and **decided to grant EC** to this proposal.
11. **Serial No. 12:** The Authority accepted the recommendations of SEAC and decided to **approve EIA/EMP and grant EC for expansion** to this proposal with the condition that all the lease holders of the cluster shall ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.

- I. Khasra Number in DCF Certificate dated 26.6.2019 is 2800/4131 but in lease order it is 2800/413.
- II. Production capacity of the cluster is different in proposal (7,24,158.38 TPA) from cluster mining plan (471129.1 TPA)

20. **Serial No. 27:** The Authority decided to **defer** this proposal for presentation with special emphasis on parking since the building is located at a particular place where parking of vehicles on the roads on account of public offices in the vicinity has already become a nuisance. Hence, the building has to make provisions to provide parking for residents, staff and visitors to the complex. The plan to accommodate the same may be explained. Architect's certificate dated (24.4.23) may also be submitted.

21. **Serial No. 28:** The Authority accepted the recommendations and additional conditions laid down by SEAC and decided to **grant EC** to this proposal subject to deposition of BG & Penalty as recommended by SEAC. 29. **Serial No. 45:** For this proposal, the recommendations of SEAC is not in order and needs to be reconsidered. Two different reasons have been cited to close & delist the proposal neither of which merits the solution of close & delist. For expired LoI, PP is required to be given an opportunity to submit renewed LoI. The citing of WRD conditional NOC with respect to passing of a natural nallah/ tributary is also not a case of close & delist. SEAC has to give a conclusive recommendation of whether EC is to be given for a part of the area for which WRD has given NOC or entire proposal needs to be rejected. Hence, the Authority decided to **refer back** this proposal to SEAC for re-consideration.
30. **Serial No. 47:** In this proposal, Revised DCF Mount Abu and DCF Pali certificate was to be submitted at the time of final presentation as per ToR letter. 32. **Serial No. 50:** In this proposal, general conditions of no. 3, 15 and 16 of CCR dated 23.1.23 are not complied. The mining plan is for the year 2022-23 only and certified production figures for 2022-23 have not been submitted. In addition to this, SEAC's abstract (Online & Hard file) mentions violation details of different proposal and additional conditions are not complete in the abstract enclosed in file. Hence, the Authority decided to **defer** this proposal for additional information of ATR on non-complied conditions of CCR, certified production figures and valid mining plan, to be submitted within 45 days. Meanwhile SEAC may send corrected abstract of the proposal.
