-----	----------------	---

The Authority after detailed discussion and deliberation decided the following:

- Serial No. 1:** The proposal was deferred in 5.100th meeting of the Authority held on 26.10.2023 for a detailed AV presentation to understand the project with special emphasis on parking provided for retail and conventional centre since this is a huge project and PP was called to explain how additional load on traffic will not impact the existing entry and exit facility for the airport passengers.

Now, PP made a presentation on the additional details sought for the project by the Authority. There are two plots for proposed commercial development:-

Plot A – the proposed parking and other provisions as proposed by the PP with respect to plot A were found satisfactory.

Plot B – The Authority had concerns in respect of activities proposed in Plot B. There were no details in the Conceptual Plan submitted in respect of the Convention Centre with a projected population of 4500. The parking provisions for the Flexi Offices were considerably inadequate.

In addition, it was felt that PHED water supply may not be able to supply the entire 669 KLD requirement of fresh water for the complex and the PP needs to apply for ground water supply source from CGWA.

Based on these inputs, the Authority decided to **defer** this proposal. PP may submit the required additional information within 45 days so that the matter may be considered in the ensuing meeting.
- Serial No. 2, 3, 4, 5, 6, 9, 10, 13, 14, 15, 16, 17, 18, 19, 24, 27, 28, 29, 30, 32, 34:**

The Authority decided to accept the recommendations and additional conditions of SEAC and decided to **approve EIA/EMP and grant EC** to these proposals. PPs shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.
- Serial No. 7:** The Authority accepted the recommendations and additional conditions of SEAC and decided to grant approval of EIA/ EMP and grant of EC to

this proposal. PP shall adhere to commitment made during public hearing for leaving 45m distance as per rules from the nearest habitation and confining the blasting to minimum requirement.

4. **Serial No 8:** In this proposal, General condition No. 10 of the Certified Compliance Report dated 9.1.2023 is not complied and in the Aravali Certificate submitted by the PP, the Khasra No. 3480/35 is mentioned instead of 3680/39. Hence, the Authority decided to defer this proposal for submission of Action Taken Report on the conditions not complied and revised Aravali Certificate with the correct Khasra No., within 45 days.
5. **Serial No. 11, 12, 22, 23, 25, 31, 35, 36, 37, 38, 50:** The Authority accepted the recommendations and additional conditions of SEAC and decided to **grant EC** to these proposals.
6. **Serial No. 20:** The Authority accepted the recommendations of SEAC after re-appraisal and decided to **approve the earlier EC granted by DEIAA**.
7. **Serial No. 21:** The Authority accepted the recommendations of SEAC and decided to **grant EC** to this proposal **subject to** submission of approved and valid Mining Plan.
8. **Serial No. 26:** The Authority accepted the recommendations of SEAC and decided to approve the amendment in EC for this proposal.
9. **Serial No. 33:** In this proposal, Cluster Mining Plan submitted is incomplete with respect to the details of production capacity of cluster and the Khasra Nos. 1559/7 and 1570/6 are not mentioned in the executed Lease Deed but the same are mentioned in the Patwari Report, Khasra Map, LoI, Aravali Certificate and Cluster Certificate. Hence, the Authority, decided to **defer** this proposal for submission of clarification on Khasra numbers and completed Cluster Mining Plan, within 45 days.
10. **Serial No. 39, 40:** The Authority accepted the recommendation of SEAC and conditions imposed by SEAC and decided to **grant ToR** to these proposals.
11. **Serial No. 41:** PP vide his letter dated 07.11.2023 has submitted an application to be heard in respect of the recommendations of SEAC to reject this proposal. On behalf of the PP, the Consultant was heard. After the detailed deliberations, the

Authority decided to **refer back** this proposal to SEAC for reconsideration. Detailed order in file.

12. **Serial No. 42:** The Authority accepted the recommendation of SEAC and conditions imposed by SEAC and decided to **grant ToR** to this proposal. PP shall submit the revised form -1 mentioning the actual Production Capacity sought for EC, valid and approved Mining Plan, DCF certificate which clearly mentions the nearest forest distance and authenticated Production Certificate for the year 2022-2023, at the time of final presentation of EC.
13. **Serial No. 43, 48:** The Authority accepted the recommendations of SEAC and decided to grant **ToR under violation** to these proposals.
14. **Serial No. 44:** The Authority accepted the recommendations of SEAC and decided to grant **amendment in ToR** to this proposal.
15. **Serial No. 45, 49:** The Authority decided to **close & delist** these proposals on the recommendations of SEAC.
16. **Serial No. 46:** The Authority decided to **refer back** this proposal to SEAC to specify the year of violation keeping in view the judgement of Hon'ble Supreme Court in the matter of Common Cause vs Union of India and notification dated 06.04.2018.
17. **Serial No. 47:** SEAC has observed that the EC for which amendment is sought, has expired on 21.2.2023. The Committee found it appropriate to recommend to SEIAA to close and delist the proposal. The Authority decided to afford an opportunity to the PP/ Consultant for personal hearing before taking a decision in the proposal.
18. **Serial No. 51:** Cluster Certificate of this proposal has expired on 19.10.2022, Production Certificate for the year 2022-2023 has not been submitted and the Certified Compliance Report submitted is more than a year old. Hence, the Authority decided to **defer** this proposal to submit the three mentioned valid documents within 45 days.
19. **Serial No. 52:** It has been observed that the earlier EC granted for this Mining Lease has not been transferred to the applicant. Hence, the Authority has decided to **defer** this proposal for submission of Transfer EC in the name of applicant, within 45 days.

20. **Serial No. 53, 54, 55, 56, 57, 58:** The Authority decided to **grant Transfer EC** to this proposal.
21. **Serial No. 59, 60, 61, 62:** In these proposals, production has been carried out exceeding the granted capacity of EC. Hence, The Authority decided to **grant Transfer EC to these proposals with the condition that the PP concerned shall apply for TOR under violation and reappraisal within 45 days.** In addition to this, RSPCB must monitor the same and ensure that such application is submitted on the portal within the time provided, in absence of which necessary action be taken to stop production.
22. **Serial No. 63, 64, 65, 66:** The Authority decided to **grant Transfer EC to this proposal with a direction** to apply for reappraisal within 30 days as per MoEF&CC OM Dated 28.04.2023 and Hon'ble NGT order dated 07.12.2022.
23. **Additional Agenda 1: Proposal was closed and delisted in 5.77th meeting of SEIAA as** *"This proposal is at a distance of 7.3 km from the boundary of Kumbhalgarh WLS for which ESZ is still not notified. Proposed area is within the buffer zone of Kumbhalgarh WLS. Under these circumstances PP may obtain clearance from NBWL and till that time the case may be closed and delisted. PP may apply for relisting of the case once NBWL clearance is obtained or the ESZ of Kumbhalgarh WLS gets notified whichever is earlier"*

PP requested to relist the proposal and consider the proposal vide letter dated 07/11/2023 stating that *"SEIAA Rajasthan, has issued EC to M/s. Technopro stones Pvt. Ltd and Sh. Kapura Ram, in the similar cases"*.

Considering the request, the Authority was of the view that earlier as per MoEF&CC OM dated 08.08.2019 which states *"Proposals involving developmental activity/project located within 10 km of National Park/Wildlife Sanctuary wherein final ESZ notification is not notified (or) ESZ notification is in draft stage, prior clearance from Standing Committee of the National Board for Wildlife (SCNBWL) is mandatory. In such cases, the project proponent shall submit the application simultaneously for grant of Terms of Reference/environmental clearance as well as wildlife clearance."* the Authority issued the quoted EC. Later, NGT judgement was pronounced on 30.09.2022 wherein, NGT directed that the NBWL is to consider the aspects while considering the application for clearance to be granted under the Wildlife (Protection) Act, 1972. **Till such time, the MoEF&CC is directed to await the clearance granted**

by the NBWL for the purpose of appraisal of the project by the EAC as well as the MoEF&CC and then take appropriate decision in this regard. As per the Hon'ble NGT directions, no EC has been issued after 30.09.2022 to the projects which fall in the ESZ till NBWL clearance has been obtained. In the instant case, the PP has not obtained NBWL clearance. Therefore, the proposal cannot be considered for grant of EC till the NBWL clearance is obtained.

Meeting ended with a vote of thanks to the Chair.
