2.	26 Dec 2020	SIA/OR/IND/190015/2020	Trans EC		Transfer of EC from Kapilas Cement Manufacturing Works (A unit of OCL India Limited) to Dalmia Cement (Bharat) Limited, Unit Kapilas Cement Manufacturing Works	Dalmia Cement Bharat, Unit Kapilas Cement			Letter received from Dalmia Bharat Cement on dated 09.02.2021 The PP has submitted clarifications with reference to our letter no. 316/SEIAA dt. 05.02.2021. The following clarifications has been submitted by the PP. a. Reason for proposed name change: M/S OCL India Ltd. amalgamated with its parent company M/S Dalmia Bharat group for better realization of the businesses. b. Transport of raw materials and finished products from plant site to 5KM away rail head : c. The Byree railway station is 4.5 KM away from factory. The company has its own private railway line that extends from bynee to inside factory premises. The raw materials received/haulted and transported through wagon tripper only and stacked in designated silo and yard. Raw materials 'Fig Ash' is being received through closed block and stored in closed silo. The final product cement is being stored in silos and it is packed in 50Kg bag and transported through truck to different dealers. There is provision for matter sprinkling for the dust suspension and plantation. d. The company has adopted 'Zero' discharge policy no water (fresh & treated) discharge to outside the factory. The treated rainwater is used for all purpose except drinking. e. There is provision for STP and rainwater harvesting. f. The PP has Submitted EC compliance report which reveals that all most all EC conditions like another rainwater harvesting pit, another AAQ, online monitoring station is under process. In view of the above, the proposal may be placed for transfer of EC from Kapilas Cement Manufacturing Works to Dalmia Cement (Bharat) Ltd.	Transfer of EC as requested is allowed. The conditions may be reformulated to mitigate particulate matter pollution during transport of storage, and for recycling maximum quantity of water and waste water.
