7. Memo no.6602 dt.26.04.2020 received from Collector Jajpur in regards to extension of validity of EC of minor mineral proposal and e-mail dated 07.05.2020 from Forest & Environment Deptt.

Decision of SEIAA: The Collector will specify by exact dates the period of extension of lease in each case, taking into account the Hon'ble High Court Order to grant the non working period. EC in such case can be extended for the extended period of working beyond the lease period, provided the other parameters of the lease remains unchanged. In case the production capacity is to be enhanced or the lease area is modified, or lease area in some case becomes part of a cluster, fresh EC will be required for which fresh application has to be filed with SEIAA. If the proposal is for extension of EC, the same may be submitted online to SEIAA.

The Meeting ended with a vote of thanks to the Chairman.
