### State Expert Appraisal Committee-3 (SEAC-3), Maharashtra

## Agenda for 180<sup>th</sup> Part-A SEAC-3 meeting scheduled on 21<sup>st</sup> September, 2023 through Video <u>Conference</u>

#### Instructions for SEAC-3 meeting through video-conferencing:

#### A. Pre Meeting:-

- 1. PP and Consultant are requested to inform following details of their representatives (not more than two) who will attend the meeting. They will be informed about details of the said Video Conferencing.
- (a) Name and designation of person:
- (b) Mobile Number :
- (c) e mail ID :

The above information shall be sent on <u>mahseac3@gmail.com</u> and <u>archana.shirke@nic.in</u> and Whats app Number (9869023351) of Scientist II, Environment & Climate Change Department by 17<sup>th</sup> September, 2023 (11 am).

2. PP/ consultant are requested to send hard copies of the presentation at 15<sup>th</sup> floor, Environment & Climate Change Dept., New Administration Building, Mantralaya, Mumbai -32 and mail presentation and following documents (separate,,..pdf<sup>\*</sup> files only) in prescribed format by 17<sup>th</sup> September,2023 @ 2 PM on following email-IDs including mahseac3@gmail.com and archana.shirke@nic.in

Sr.No	Name of Member	email Ids
1	Dr.Deepak Mhaisekar IAS Rtd.	mhaisekarenvironment@gmail.com
	Chairman	
2	Shri Mukund Pathak	pathak_mukund@yahoo.com
	Expert Member	
3	Shri Kiran Acharekar	memberseac3@gmail.com
	Expert Member	
4	Shri. Dattatray R. Thorat, Expert Member	balasahebthorat75@gmail.com
5	Dr. Aseem Gokarn Harwansh	aghenviro@gmail.com
	Expert Member	
6	Shri. Joy Thakur,	joy.thakur@nic.in
	Member Secretary	

3. The subject of the mail shall be written in following format:

"Submission of information for Meeting number-180<sup>th</sup> :-<Sr. No. in Agenda> <UID/Proposal number> <.PP name> "

- 4. List of documents:
  - 1. Duly filled / signed Form-1 and 1A with consolidated statement (in MS Word format).Details of CER activities in prescribed format.
  - 2. Copy of show cause notices, directions etc. issued if any by MoEF&CC, CPCB, Environment Dept.- GoM, MPCB etc.
  - 3. EIA Report in case PP has received ToR previously.
  - 4. CER in prescribed format.
  - 5. Disaster management plan incorporating disaster management committee, lightening arrester plan.
  - 6. Parking statement showing total number of parking required and proposed as per DCR / Town Planning norms with adequate area per car as per norms.
  - 7. Evacuation plan for entire project for occupants, visitors and as well as cars.
  - 8. Plans / drawings of Building plan, layout, basement, parking, etc. approved by competent authority as per applicable DCR. Fire tender movement and cross sections of drive way at 4-5 places.
  - 9. In case of modification/amendment of EC : (i) earlier copy of EC, (ii) Architect certificate mentioning construction completed BUA (indicating FSI, non-FSI and configuration) & pending (iii) 6 monthly reports, MoEFCC visit reports.
  - 10. In case of commencement of construction, Architect Certificate mentioning all details (indicating FSI, non-FSI and configuration).
  - 11. Cross section at 4-5 places including UGT, OWC and DG set location showing clear road width, distance left from building line and spaces left for plantation, parking, service lines, foot paths, etc.
  - 12. Details of existing socio-economic infrastructure primary, pre-primary schools etc. within vicinity.
  - 13. Drawings of internal storm water up to final disposal point.
  - 14. NOC from competent authority if the storm water line is passing through adjoining plots up to final disposal point.
  - 15. Phase wise programme for proposed construction with mitigation measures taken to avoid inconvenience to existing / nearby occupants.
  - 16. Geo-hydrological report along with details of RWH pits separately for terrace water and surface water.
  - 17. Debris management plan.
  - 18. Drawings of internal sewer line up to final disposal point. NOC from competent authority if the line is passing through adjoining plots up to final disposal point.
  - 19. Drainage NOC.

- 20. Site specific, executable EMP encompassing monitoring matrix, Environment Celland responsibility for execution.
- 21. Details and drawings along with design basis of OWCs, STPs and ETPs proposed.
- 22. Co-ordinated master layout superimposing all environmental parameters with cross-sections.
- 23. Details and sections of UGT.
- 24. NOC"s: (a) CFO (b) Water supply with quantity, (c) solid waste / e-waste management.(d) bio-medical waste management. (e) HT Line (f) Airport Authority etc.
- 25. Indemnity bond indemnifying Environment Department, GoM and SEAC-3 from any legal consequences. Any other relevant documents / undertakings.
- 26. Energy saving calculations.
- 27. Plantation / landscaping plan incorporating local native fruit bearing trees and survival report of existing trees.
- 28. Garden / tree Cutting NOC.
- 29. PP and Consultant shall ensure and undertake that the information/data mentioned in the Consolidated Statement does not defer with the same submitted on PARIVESH Portal.
- 30. For Compliance / referred back cases, PP to furnish all documents related to compliance points in previous meetings and Duly filled / signed Form-1 and 1A with consolidated statement (in MS Word format).
- **31.** Environment Consultant shall ensure and undertake that they have visited the project site under consideration and the information/data submitted with respect to project does not defer with the current scenario.
- 32. All are requested to email Consolidated statement in MS word format & Presentation in PPT format at <u>mahseac3@gmail.com</u>

## B. During meeting :-

- 1. All committee members will login by 9.45 am.
- 2. Opening address by the Chairman
- 3. General discussion.
- 4. PP and consultants will login by 10.00 am through the link received through e-mail. Every project is allotted maximum time of 30-45 minutes.
- 5. Once all set, Chairman will start the meeting by giving adequate time to PP/Consultant for their presentation. Nobody will intervene during the presentation.
- 6. After presentation by PP, Chairman will inform members to ask the questions and PP/consultant will reply to the same. Overlapping of questions to be avoided.
- 7. After that, Chairman will conclude and close the presentation of that project.
- 8. Then PP/Consultant will log out. There will be 5 minutes time for internal discussion after every presentation.
- 9. Lunch break will be 1:30-2:15 PM.

# Agenda for 180<sup>th</sup> Part- A SEAC-3 meeting scheduled on 21<sup>st</sup> September, 2023 through Video <u>Conference</u>
