Authority may like to discuss the issuance & approval for grant of Environmental clearance.

Agenda Item No.2

Grant of Environmental clearance in favour of M/S Sudershan Cements, Bari-Brahamana, Jammu.

The project proponent had applied for grant of Environmental clearance before the former SIAAA/SEAC as an offline case pursuant to which the concerned SEAC vide letter No.Secy/SEAC/09/2009 dated 16-07-2009 had recommended the case for grant of Environmental clearance under Category B2. Instead of approved the recommendation and issuing the Environmental clearance, the then SEIAA referred the case to the State Pollution Control Board for necessary action vide letter No.107/MS/SEIAA/2009 dated 26-10-2009. During February, 2018, the State Pollution Control Board vide letter No.SPC B/T/Cement/Sba/05/1006 dated 17-02-2018 asked the SEIAA that despite recommendations of SEAC issued vide No.Secy/SEAC/09/2009 dated 16-07-2009, SEIAA has not issued the formal Environmental clearance.

The instant case was forwarded to the SEAC and was discussed in series of meetings which recommended that Project proponent be asked to apply afresh using online portal. The Project proponent accordingly applied online afresh under proposal No.SIA/JK/IND/86834/2018. The J&K Pollution Control Board had already given consent to establish & operate the renewed its consent from time to time. The case was again discussed in the JKEAC meeting held on 16th/17th/ & 18th December, 2019 and

Committee uphold the recommendations of former SEAC for grant of Environmental clearance in favour of the project proponent as per the conditions stipulated by former SEAC with one more specific condition that raw material & the finished products from the cement plant shall primarily be transported thorough railways to which effect the project proponent may be asked to furnish an affidavit & certificate of compliance from the J&K Pollution Control Board with reference to the stipulated and general and specific conditions put forthth b the former SEAC while recommending the case for grant of E.C. during 2009. before issuing of environmental clearance in his favour.

Authority may like to discuss the issue & approve for grant of Environmental clearance.

Agenda Item No.3

Grant of Environmental clearance in favour of M/S Mehboob Cement Industries at Village Wuyan Bala, District Pulwama.

The case was transferred from Ministry of Environment, Forest & Climate Change, Govt. of India, New Delhi to the SEIAA. Subsequently the case was discussed in the series of meetings of SEAC and on the recommendations of SEAC the Authority vide letter No. No.SEIAA/2016/12/2019-II dated 29-03-2017 asked the project proponent to obtain clearance from the Standing Committee for National Board for Wild Life besides NOC from the State Wild Life Protection Department. In the meantime, the ownership of the project has been transferred in favour of Mr. Ubaid Hussain Lala & others who filed compliance under Form 2 The project proponent has complied the letter dated 29-03-2019 issued by the Authority. The case discussed in the JKEAC meeting held on 16th/17th & 18th Decembedr, 2019 in light of Office Memorandum No.J-11013/41/2006-IA-II(1) dated 2nd December, 2009 and recommended for grant of environmental clearance in favour of project proponent subject to subject to general & specific conditions.

Authority may like to discuss & approve the case for grant of Environmental clearance in favour of the project project.

No.JKEIAA/2019/02/134.
Dated 18-12-2019

Staff Officer 18/12/2019
(Pr.CCF/Director)
Ecology, Environment & Remote Department,
Member-Secretary, JKEIAA

Copy to:-

Above concerned officer of JKEIAA for favour of kind information.
Mr.Ashok Singh Computer Analyst. He will upload the meeting notice on portal.

ADDENDUM OF THE AGENDA OF THE MEETING OF JKEIAA HELD ON 19-12-2019.

Agenda Item No.4

The JKEIAA also recommended for issuance of T.O.R.s in 77 reiver bed mining project pertains to above 5.00 Ha.

The Authority may approve the recommendations of the JKEAC for issuing of T.O.R.'s to 77 river Bed mining projects belonging to above 5.00 Ha. for preparation of Environment Impact Assessment Report & Public Consultation.

Agenda Item No.5

In addition to above, the JKEAC recommended that since the case of M/S Baba Farid-ud-din Baghdadi Minerals, Doda is above 5.00 Ha. The project proponent be asked to formulate the EIA/EMP through NABET accredited Consultant and to get the Public consultation conducted for the project through State Pollution Control Board. The project proponent shall prepare the EIA as per the standard Terms of Reference as refelected by the Committee in their Minutes of Meeting held on 16th/17th & 18th December, 2019.

Authority may kindly approve the same.

Agenda Item No. 6

Besides the above, the Committee observed that Project proponent of M/S Patel Engineering Ltd., JV for construction of Tunnel T-15, T-14 including Bridge No.61 on Katra Banihal Section has filed Form-2 instead of Form 1-M required for mining projects below 5.00 Ha size The Mining plan has not been formally approved by the authorized Department viz. Geology & Mining Department. The Committee recommended that project proponent be asked to fulfill the shortcomings.

Authority may kindly approve the recommendations of the Committee to fulfill the shortcoming of the case.
