

## **Minutes of the 715<sup>th</sup> Meeting of the State Level Environment Impact Assessment Authority, UP (SEIAA) held on 03.04.2023**

The meeting of 715<sup>th</sup> State Level Environment Impact Assessment Authority, UP (SEIAA) was held on-line on 03.04.2023 the Directorate of Environment. The following were present in the meeting:-

1. Shri Paras Nath

Member, SEIAA, U.P

2. Shri Ajay Kumar Sharma

Member Secretary, SEIAA, U.P

Chairman SEIAA did not participate in the meeting. 715<sup>th</sup> State Level Environment Impact Assessment Authority, UP (SEIAA) meeting was convened and conducted in reference to the letter no. 135/81-7-2023-103(parya)/2007 dated 7-2-2023 of Department of Environment Forest and Climate Change, GoUP.

### **Agenda:-A-**

1. **Transfer of EC for Basrehi Sand/Morrum Mine on the Betwa River for M/s Kuber Kamna Marbels Pvt. Ltd. at Gata No.- 596, Khand No.-02,(Area- 16.194 Ha), Village-Basrehi, Tehsil-Kalpi, District- Jalaun, U.P., File no- 4518**

SEIAA gone through the e-mail dated 03.04.2023 regarding transfer of above EC and noted that the above mail is addressed to the Director, Department of Geology and Mining UP. Hence SEIAA opined that the above matter be referred to DGM for comments.

2. **Proposed Riverbed Sand/Morrum Mining Project from Ken River of M/s Awasthi Traders at Khand No. - 29/1, Village - BakchhaKhadar, Tehsil- Maudaha, Distt-Hamirpur, Lease Area - 12.145 Ha, effective working Area 8.415 Ha. File No. 4337/Proposal No. SIA/UP/MIN/27752/2018**

SEIAA gone through the letter of Shri Shusil Chandra, Banda requesting that the EC for the said project was issued to him on 24 November, 2018. Thereafter EC was transferred to Shri Raghvendra Singh for 6 months by SEIAA UP vide letter dated 10.09.2020. Thereafter Special Secretary, DGM, UP passed an Order dated 25.02.2023 in which lease cancellation Order of applicants were revoked. Hence the original project proponent has requested to reinstate the original EC in his favor. SEIAA also noted that a Court case was filed regarding the above

project. Hence SEIAA opined that the project proponent shall submit new LOI and an affidavit stating that:-

- a) No legal case is pending in any Court of Law against the above area / EC proposed to be transferred.
- b) EC proposed to be transferred has not been cancelled by any Court of Law/MoEFCC/SEIAA/DEIAA.
- c) EC proposed to be transferred is valid on the date of consideration.
- d) Mine plan has been transferred in the favour of present project proponent.

Agenda:-A(i)- Minutes of 716<sup>th</sup> SEAC-2 Meeting Dated 07/01/2023

✓ 1. Integrated Construction of Shiv Nadar Institution of Eminence Deemed to be University (Formerly known as Shiv Nadar University) at Industrial Area Village-Chithera Tehsil- Dadri, District- Gautam Buddha Nagar, U.P., M/s Shiv Nadar Institution of Eminence Deemed to be University. File No. 7456/ Proposal No. SIA/UP/INFRA2/410776/2022

SEIAA agreed with the recommendation of SEAC to issue the additional ToR to the title proposal for conducting EIA studies. SEIAA also added following points to ToR:-

- 1- The project proponent shall submit compliance of valid CTO along with EIA.
- 2- The project proponent shall submit NOC from CGWA.
- 3- Hydrological study of that area.
- 4- Compliance of Directions of CAQM.
- 5- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 6- Copy of all the analysis reports duly signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 7- MOU signed between the project proponent and the consultant should be submitted.
- 8- A certificate from Forest Department shall be obtained that no forest land is involved and if forest land is involved the project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 9- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 10- Provision for charging of electric vehicles as per the guidelines of GoI / GoUP should be submitted.
- 11- Along with the EIA-EMP report, PP / consultant will also submit in tabular form as to how they have addressed entire ToR while preparing draft EIA-EMP report for PH. Further, PP / consultant will submit in tabular form as to how they have addressed issues raised during public hearing and have incorporated the same in final EIA-EMP report. A presentation to this effect should be made before SEAC at the time of EIA-EMP presentation.

2. M/s Jaypee Infratech Limited is developing a township & area development project "Jaypee Greens Aman" located At Sector-151, Noida, District- Gautam Buddha Nagar, Shri Ashok Khera. File No. 7314/7206/ Proposal No. SIA/UP/INFRA2/403586/2022  
SEIAA took note of the comments recorded by SEAC.

Agenda:-A(ii)- Minutes of 717<sup>th</sup> SEAC-1 Meeting Dated 09/01/2023

1. (2) Commercial Building at Plot No.- C3, Koyal Enclave Yojana, District-Ghaziabad, M/s Oxy Heightz Infra LLP. Shri Parveen Kumar Gupta, File No. 7411/ Proposal No. SIA/UP/INFRA2/408683/2022

SEIAA agreed with the recommendations of the SEAC that since the project proponent has not submitted the CER plan in accordance to MoEF&CC guidelines. The matter will be discussed after online request on prescribed portal.

2. (4) Expansion of Production of 28800 MTPA TMT Bars to 99000 MTPA TMT Bars & Ingot through Induction Furnace Route AT Khasra No. 767, 768 & 769, Village Sandhawali, District- Muzaffarnagar, M/s Aman Rolling Mills Private Limited., File No. 7416/6987/ Proposal No. SIA/UP/IND1/408717 /2022

SEIAA noted that SEAC has recommended to grant EC to the said project. SEIAA gone through file and documents and opined that the project proponent shall submit compliance of valid CTO and complete air pollution devices for secondary emissions.

3. (7) Expansion of Group Housing Project "Express One" at Plot No. 14/COM-2, Vasundhara, District-Ghaziabad, U.P. M/s Solid Properties Pvt. Ltd. File No. 7091/ Proposal No. SIA/UP/MIS/ 273643/2022

In light of discussion held in SEIAA meeting no. 597 dated 05.05.2022. SEIAA opined to accept the recommendation of SEAC and grant EC to the said project along with all the general and specific conditions as suggested by SEAC. In addition to the conditions imposed by SEAC, SEIAA added following additional specific conditions:-

- 1- The project proponent shall install organic bio converter
- 2- The project proponent shall submit within the next 3 months the details of solar power plant and solar electrification details within the project.
- 3- The project proponent shall ensure to plant broad leaf trees and their maintenance. The CPCB guidelines in this regard shall be followed.
- 4- The project proponent shall submit within the next 3 months the details on quantification of year wise CER activities along with cost and other details. CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
- 5- The project proponent shall submit within the next 3 months the details of estimated construction waste generated during the construction period and its management plan.
- 6- The project proponent shall submit within the next 3 months the details of segregation plan of MSW.
- 7- The project proponent shall ensure that waste water is properly treated in STP and

- maximum amount should be reused for gardening flushing system and washing etc. For reuse of water for irrigation sprinkler and drip irrigation system shall be installed and maintained for proper function. Part of the treated sewage, if discharged to sewer line, shall meet the prescribed standards for the discharge.
- 8- Under any circumstances untreated sewage shall not be discharged to municipal sewer line.
  - 9- The project proponent will ensure that proper dust control arrangements are made during construction and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
  - 10- The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to and water harvesting pits and carbon sequestration parks / designed ecosystems.
  - 11- A certificate from Forest Department shall be obtained that no forest land is involved and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
  - 12- In compliance to Hon'ble Supreme Court order dated 13/01/2020 in IA no. 158128/2019 and 158129/2019 in Writ petition no. 13029/1985 (MC Mehta Vs GOI and others) anti-smog guns shall be installed to reduce dust during excavation.
  - 13- If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
  - 14- Provision for charging of electric vehicles as per the guidelines of GoI / GoUP should be submitted within the next 3 months.
  - 15- PP should display EC granted to them on their website. 6-monthly compliance report should be displayed on their website and to be given every six month to residents / occupants of the building.
  - 16- EC is granted with the condition that EC is valid only for the building plan which has been submitted by PP for seeking EC. In case approved building plan is different from the one submitted for seeking EC then this EC will stand null and void.
  - 17- DG sets shall be gas based and Guidelines issued by CAAQMS for NCR region regarding the use of DG sets during construction and operational phase should be followed.

**Agenda:-A(iii)- Minutes of 718<sup>th</sup> SEAC-1 Meeting Dated 10/01/2023**

1. **(9) Construction of New Multispecialty Hospital at Arazi/Khasara No.- 911, 912 & 913, Village Baikunthpur, District Kanpur Nagar, U.P., (Under Violation), Shri Deepak Ramdas Kothari, Owner M/s Yash Kothari Memorial Hospital, File No. 7238/6939/ Proposal No. SIA/UP/MIS/290133/2022**

SEIAA noted that SEAC has recommended EC under violation category. SEIAA gone through file and documents and opined that the project proponent shall submit the total cost of the project till date from the authorized valuer, and the actual photograph of the project site.

2. (10) Expansion of Panchsheel Primrose Group Housing Complex at Village- Harsaon, NH-24, Ghaziabad, M/s Panchsheel Buildtech Pvt.Ltd., File No. 7119-6889 / Proposal No. SIA/UP/MIS/ 290133/2022

SEIAA agreed with the recommendations of the SEAC that since the project proponent/consultant are not fully prepared for presentation, therefore, the committee directed to defer the matter in next SEAC meeting proposed on 20/01/2023.

Agenda:-A(iv)- Minutes of 719<sup>th</sup> SEAC-1 Meeting Dated 18/01/2023

1. M/s Prakash Projects Pvt. Ltd, at Khasra No.- 225 & 226, Masota Road Lakhan, Pilkhuwa, District-Hapur, Shri RP Garg., File No. 7438/SIA/UP/IND1/409215/2022

SEIAA agreed with the recommendations of the SEAC that since due to some unforeseen circumstances the project proponent/consultant are unable to attend the meeting matter will be discussed only after submission of online requests on prescribed online portal.

Agenda:-A(v)- Minutes of 720<sup>th</sup> SEAC-1 Meeting Dated 19/01/2023

1. (8) Expansion of Group Housing Project "R.G. Residency" at Plot No. GH-02, Sector-120, Noida, District- Gautam Buddha Nagar, U.P., M/s R.G. Residency Pvt. Ltd., Shri Himanshu Garg. File No. 7436/6638/ Proposal No. SIA/UP/INFRA2/410055/2022

SEIAA took note of the comments recorded by SEAC.

2. (9) Construction of Sanfran Sarovar Heights Multistoried Residential Building at Arazi No.- 134, 135, 136, 137, 98 & 97/2, Lahargird, District-Jhansi, U.P., M/s Sanfran Developer Pvt. Ltd. Shri Rajan Mishra., File No. 7468/ Proposal No. SIA/UP/INFRA2/410947/2022

SEIAA noted that SEAC has recommended to grant EC to the above project. SEIAA gone through file and documents and found that in KML file the project seems to be very close to the water body. Hence SEIAA opined that the project proponent shall submit the details of the water body and NOC from the irrigation or concerned Department.

Agenda:-A(vi)- Minutes of 730<sup>th</sup> SEAC-1 Meeting Dated 23/02/2023

1. Hi-Tech Township project "Omaxe Metro City" at Village: Kalli Paschim, Maati, Ali Nagar Khurd, Ashraf Nagar &, Ahamad Nagar, Raibareli Road, District: Lucknow, Shri Deepak Kumar Gupta, M/s Omaxe Garv Buildtech Pvt. Ltd., File No. 7571/6946/ Proposal No. SIA/UP/INFRA2/415547/2023

In light of discussion held in SEIAA meeting no. 597 dated 05.05.2022. SEIAA opined to accept the recommendation of SEAC and grant EC to the said project along with all the general and specific conditions as suggested by SEAC. In addition to the conditions imposed by SEAC, SEIAA added following additional specific conditions:-

- 1- The project proponent shall submit within the next 3 months the details of solar power plant and solar electrification details within the project.

- 2- The project proponent shall ensure to plant broad leaf trees and their maintenance. The CPCB guidelines in this regard shall be followed.
- 3- The project proponent shall submit within the next 3 months the details on quantification of year wise CER activities along with cost and other details. CER activities must not be less 2% of the project cost. The CER activities should be related to mitigation of Environmental Pollution and awareness for the same.
- 4- The project proponent shall submit within the next 3 months the details of estimated construction waste generated during the construction period and its management plan.
- 5- The project proponent shall submit within the next 3 months the details of segregation plan of MSW.
- 6- The project proponent shall ensure that waste water is properly treated in STP and maximum amount should be reused for gardening flushing system and washing etc. For reuse of water for irrigation sprinkler and drip irrigation system shall be installed and maintained for proper function. Part of the treated sewage, if discharged to sewer line, shall meet the prescribed standards for the discharge.
- 7- Under any circumstances untreated sewage shall not be discharged to municipal sewer line.
- 8- The project proponent will ensure that proper dust control arrangements are made during construction and proper display board is installed at the site to inform the public the steps taken to control air pollution as per the Construction and Demolition Waste Management Rules.
- 9- The project proponent shall install micro solar power plants, toilets in nearby villages, public place or school from CER fund of the project for which E.C is granted in addition to and water harvesting pits and carbon sequestration parks / designed ecosystems.
- 10- A certificate from Forest Department shall be obtained that no forest land is involved and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
- 11- If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
- 12- Provision for charging of electric vehicles as per the guidelines of GoI / GoUP should be submitted within the next 3 months.
- 13- PP should display EC granted to them on their website. 6-monthly compliance report should be displayed on their website and to be given every six month to residents / occupants of the building.
- 14- EC is granted with the condition that EC is valid only for the building plan which has been submitted by PP for seeking EC. In case approved building plan is different from the one submitted for seeking EC then this EC will stand null and void.

2. (13) 'UP Defence Industrial Corridor' at Village – Bhatgaon, Harauli, Tehsil- Sarojaninagar, District- Lucknow, Shrish Chandra Verma, M/s Uttar Pradesh Expressways and Industrial Development Authority (UPEIDA), File No. 7642/ 7231/ Proposal No. SIA/UP/INFRA1/418111/2023

SEIAA agreed with the recommendation of SEAC to grant environmental clearance to the proposal adding following conditions:

1. UPEIDA in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
2. Qualified Environmental health and safety experts shall be appointed and the expert will report directly to the head of the organisation.
3. UPEIDA has proposed ZLD for the units to be installed in the defence corridor.
4. Management of hazardous waste will be carried out as per the existing rules / act.
5. Units coming up in this project will take EC for their project as per the existing regulatory framework.

Agenda:-(B)- Minutes of 732<sup>nd</sup> SEAC-1 Meeting Dated 02/03/2023

1. Building stone (Khanda-Boulder/Gitti-Ballast) Mine at Gata/Arazi No- 2/1, Khand- 14 Village– Lakahnnpura, Tehsil & District– Lalitpur, U.P., Shri Bhupendra Singh, Area : 1.417 ha., 7588/SIA/UP/MIN/415635/2023

SEIAA agreed with the recommendation of SEAC to issue additional ToR to the title proposal for conducting EIA studies. SEIAA added following points to ToR-

- 1- Since no intimation has been submitted regarding available monitoring data, hence data will be collected after issuance of ToR.
- 2- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 3- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 4- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 5- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 6- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 7- KML file for the area and mining lease area should be provided.
- 8- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 9- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from

- competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 10- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 11- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
- (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
  - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 12- In case of expansion / renewal of earlier EC, following information should be submitted
- a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
  - b. Copy of CTE and CTO issued by SPCB.
  - c. Status of submission of six-monthly compliance report to EC granted earlier
  - d. Court cases, if any.
- 13- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 14- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
- 15- In consultation with District Environment Authority or an authority nominated by concerned DM, Project Proponent will prepare a conservation and management plan for the rejuvenation and management of water bodies having a total surface area of not less than 10 ha. Funds for the same will be kept in a separate bank account and six-monthly implementation status will be presented by the Project Proponent before the nominated authority in the district.
- 16- Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
- 17- Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.

- 18- Along with the EIA-EMP report, PP / consultant will also submit in tabular form as to how they have addressed entire ToR while preparing draft EIA-EMP report for PH. Further, PP / consultant will submit in tabular form as to how they have addressed issues raised during public hearing and have incorporated the same in final EIA-EMP report. A presentation to this effect should be made before SEAC at the time of EIA-EMP presentation.
- 19- Project Proponent in consultation with UPSPCB will establish required number of CAAQMS within a period of one year and submit geo-referenced map of these stations along with data on six-monthly basis.

2. Building Stone (sandstone) mine, at Gata No. 12Mi, Village- Chaklathiya, Tehsil- Chunar, District- Mirzapur, Uttar Pradesh by M/s Utsav Enterprises, Shri Bhupendra Singh, Area- 2.02 ha., 7591/7031/SIA/UP/MIN/414833/2023

SEIAA noted that In the MoM at point no. 6 gata no. is mentioned as 2/1 whereas in DSR Gata no. is mentioned as 12 Mi. In light of discussion held in SEIAA meeting no. 597 dated 05.05.2022. SEIAA opined to accept the recommendation of SEAC and grant EC to the said project along with all the general and specific conditions as suggested by SEAC adding following specific conditions:-

1. Validity period of this EC is 5 years from the date of issue as the Lol has been issued for a period of 5 years or co-terminus with the validity of current mine plan or current lease period whichever is earlier After this period the EC will become null and void.
2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
5. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
6. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from

- the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
9. In consultation with District Environment Authority or an Authority nominated by concerned DM, project proponent will prepared a conservation and management plan for rejuvenation and management of water bodies having total surface area of more than 15 ha. Funds for the same will be kept in a separate bank account and six monthly compliance status will be presented by project proponent before the nominated authority in the District.
  10. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.
  11. Any application for transfer of this EC, during its validity period unless it is cancelled by a competent authority, has to be necessarily accompanied with status of compliance of EC conditions duly certified by IRO, MoEFCC, GoI, Lucknow.
  12. Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
  13. Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
  14. Large number of mining projects are ongoing as well as new mining leases are coming up in the district. A reference be sent to DGM and MS, SPCB for preparing mitigation plan for controlling air pollution in the district especially in mining areas.
  15. If the air quality deteriorates due to mining, then District Administration & Directorate of Mining should ensure that mining be stopped immediately. Adequate measures be taken for restoring air quality and mining should commence only when air quality attains the prescribed standards.
3. "Ordinary Earth Mine", at Khasra/Gata no.- 176 & 177, Village- Sarai Sikander, Tehsil- Nawabganj, District- Barabanki, Shri Santbaksh Yadav, Area- 0.437 ha., 7595/SIA/UP/MIN/415805/2023

In the MoM name of two consultant is mentioned and the quantity mentioned in mining plan approval letter and MoM is also different. Hence SEIAA opined to Refer back the project to SEAC for review.

**4. Building Stone (Sand stone) Mining Project At Araji No – 83 क Village- Bhusi Patharaha, Tehsil- Lalganj District – Mirzapur, Smt. Sushma Mishra, Area – 2.424 Ha., 7596/6855/ SIA/UP/MIN/416315/2023**

In light of discussion held in SEIAA meeting no. 597 dated 05.05.2022. SEIAA opined to accept the recommendation of SEAC and grant EC to the said project along with all the general and specific conditions as suggested by SEAC adding following specific conditions:-

1. Validity period of this EC is 5 years from the date of issue as the Lol has been issued for a period of 5 years or co-terminus with the validity of current mine plan or current lease period whichever is earlier After this period the EC will become null and void.
2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
5. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
6. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
9. In consultation with District Environment Authority or an Authority nominated by concerned DM, project proponent will prepared a conservation and management plan for rejuvenation and management of water bodies having total surface area of more than 15 ha. Funds for the same will be kept in a separate bank account and six monthly compliance status will be presented by project proponent before the nominated authority in the District.
10. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-

compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.

11. Any application for transfer of this EC, during its validity period unless it is cancelled by a competent authority, has to be necessarily accompanied with status of compliance of EC conditions duly certified by IRO, MoEFCC, GoI, Lucknow.
  12. Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
  13. Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
  14. Large number of mining projects are ongoing as well as new mining leases are coming up in the district. A reference be sent to DGM and MS, SPCB for preparing mitigation plan for controlling air pollution in the district especially in mining areas.
  15. If the air quality deteriorates due to mining, then District Administration & Directorate of Mining should ensure that mining be stopped immediately. Adequate measures be taken for restoring air quality and mining should commence only when air quality attains the prescribed standards.
5. Soil Mining Project at Gata No.- 384, 385, Village- Padariya Dalelpur, Tehsil- Puwanya, District- Shahjahanpur, Shri Rajesh Kumar Verma, Area – 2.043 Ha., 7597/SIA/UP/MIN/416387/2023

SEIAA noted the comments of SEAC that the project proponent/consultant did not appear. Hence the matter will be discussed only after submission of online requests on prescribed online portal.

6. Building stone Sand Stone Mining Project at Gata No.- 177, Sl. No. 29, Village- Dhuriya, Tehsil- Chunar, District- Mirzapur, Shri Keena Ram, Area- 1.011 ha., 7598/SIA/UP/MIN/416283/2023

SEIAA agreed with the recommendation of SEAC to issue additional ToR to the title proposal for conducting EIA studies. SEIAA added following points to ToR-

- 1- Since no intimation has been submitted regarding available monitoring data, hence data will be collected after issuance of ToR.
- 2- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 3- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 4- Public hearing shall be conducted as per EIA notification, 2006 (as amended).

- 5- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 6- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 7- KML file for the area and mining lease area should be provided.
- 8- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 9- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 10- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 11- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
  - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
  - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 12- In case of expansion / renewal of earlier EC, following information should be submitted
  - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
  - b. Copy of CTE and CTO issued by SPCB.
  - c. Status of submission of six-monthly compliance report to EC granted earlier
  - d. Court cases, if any.
- 13- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 14- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
- 15- In consultation with District Environment Authority or an authority nominated by concerned DM, Project Proponent will prepare a conservation and management plan for the rejuvenation and management of water bodies having a total surface area of not less than 10 ha. Funds for the same will be kept in a separate bank account and

six-monthly implementation status will be presented by the Project Proponent before the nominated authority in the district.

- 16- Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
  - 17- Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
  - 18- Along with the EIA-EMP report, PP / consultant will also submit in tabular form as to how they have addressed entire ToR while preparing draft EIA-EMP report for PH. Further, PP / consultant will submit in tabular form as to how they have addressed issues raised during public hearing and have incorporated the same in final EIA-EMP report. A presentation to this effect should be made before SEAC at the time of EIA-EMP presentation.
  - 19- Project Proponent in consultation with UPSPCB will establish required number of CAAQMS within a period of one year and submit geo-referenced map of these stations along with data on six-monthly basis.
7. Building stone Sand Stone Mining Project at Gata No.- 1, Sl. No.- 36, Village- Rampur Dhabahi, Tehsil- Chunar, District- Mirzapur, Smt. Nilama Singh, Area 1.010 ha., 7599/SIA/UP/MIN/416017/2023

SEIAA agreed with the recommendation of SEAC to issue additional ToR to the title proposal for conducting EIA studies. SEIAA added following points to ToR-

- 1- Since no intimation has been submitted regarding available monitoring data, hence data will be collected after issuance of ToR.
- 2- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 3- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 4- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 5- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 6- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 7- KML file for the area and mining lease area should be provided.
- 8- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.

- 9- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 10- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 11- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
  - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
  - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 12- In case of expansion / renewal of earlier EC, following information should be submitted
  - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
  - b. Copy of CTE and CTO issued by SPCB.
  - c. Status of submission of six-monthly compliance report to EC granted earlier
  - d. Court cases, if any.
- 13- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 14- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
- 15- In consultation with District Environment Authority or an authority nominated by concerned DM, Project Proponent will prepare a conservation and management plan for the rejuvenation and management of water bodies having a total surface area of not less than 10 ha. Funds for the same will be kept in a separate bank account and six-monthly implementation status will be presented by the Project Proponent before the nominated authority in the district.
- 16- Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
- 17- Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-

referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.

- 18- Along with the EIA-EMP report, PP / consultant will also submit in tabular form as to how they have addressed entire ToR while preparing draft EIA-EMP report for PH. Further, PP / consultant will submit in tabular form as to how they have addressed issues raised during public hearing and have incorporated the same in final EIA-EMP report. A presentation to this effect should be made before SEAC at the time of EIA-EMP presentation.
- 19- Project Proponent in consultation with UPSPCB will establish required number of CAAQMS within a period of one year and submit geo-referenced map of these stations along with data on six-monthly basis.

**8. Khailar Khanda- Boulder/ Gitty- Ballast Mining Project at Gata No.- 669 (Khand No.-17), Village- Khailar, Tehsil- Sadar, District-Jhansi, Smt. Kavita Parecha, Area- 1..655 Ha., 7215/6472/SIA/UP/MIN/77899/2021**

In light of discussion held in SEIAA meeting no. 597 dated 05.05.2022. SEIAA opined to accept the recommendation of SEAC and grant EC to the said project along with all the general and specific conditions as suggested by SEAC adding following specific conditions:-

1. Validity period of this EC is 5 years from the date of issue as the Lol has been issued for a period of 5 years or co-terminus with the validity of current mine plan or current lease period whichever is earlier After this period the EC will become null and void.
2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
5. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
6. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from

the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.

9. In consultation with District Environment Authority or an Authority nominated by concerned DM, project proponent will prepared a conservation and management plan for rejuvenation and management of water bodies having total surface area of more than 10 ha. Funds for the same will be kept in a separate bank account and six monthly compliance status will be presented by project proponent before the nominated authority in the District.
  10. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.
  11. Any application for transfer of this EC, during its validity period unless it is cancelled by a competent authority, has to be necessarily accompanied with status of compliance of EC conditions duly certified by IRO, MoEFCC, Gol, Lucknow.
  12. Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
  13. Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
  14. Large number of mining projects are ongoing as well as new mining leases are coming up in the district. A reference be sent to DGM and MS, SPCB for preparing mitigation plan for controlling air pollution in the district especially in mining areas.
  15. If the air quality deteriorates due to mining, then District Administration & Directorate of Mining should ensure that mining be stopped immediately. Adequate measures be taken for restoring air quality and mining should commence only when air quality attains the prescribed standards.
9. **Khanda- Boulder/ Gitty- Ballast Mining Project at Gata No. 669 (Khand No.14), Village- Khailar, Tehsil- Sadar, District-Jhansi, by Smt. Radhika Parecha, Smt. Radhika Parecha W/o Shri Sushil Parecha, Area 2.023 Ha., 6474/ 7250/SIA/UP/MIN/78167/2021**

In light of discussion held in SEIAA meeting no. 597 dated 05.05.2022. SEIAA opined to accept the recommendation of SEAC and grant EC to the said project along with all the general and specific conditions as suggested by SEAC adding following specific conditions:-

1. Validity period of this EC is 5 years from the date of issue as the Lol has been issued for a period of 5 years or co-terminus with the validity of current mine plan or current lease period whichever is earlier After this period the EC will become null and void.

2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
5. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
6. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
9. In consultation with District Environment Authority or an Authority nominated by concerned DM, project proponent will prepared a conservation and management plan for rejuvenation and management of water bodies having total surface area of more than 15 ha. Funds for the same will be kept in a separate bank account and six monthly compliance status will be presented by project proponent before the nominated authority in the District.
10. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.
11. Any application for transfer of this EC, during its validity period unless it is cancelled by a competent authority, has to be necessarily accompanied with status of compliance of EC conditions duly certified by IRO, MoEFCC, GoI, Lucknow.
12. Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load

for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.

13. Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
14. Large number of mining projects are ongoing as well as new mining leases are coming up in the district. A reference be sent to DGM and MS, SPCB for preparing mitigation plan for controlling air pollution in the district especially in mining areas.
15. If the air quality deteriorates due to mining, then District Administration & Directorate of Mining should ensure that mining be stopped immediately. Adequate measures be taken for restoring air quality and mining should commence only when air quality attains the prescribed standards.

**10. Electronic Assembly Unit by Yingtong Electronic Technology India Private Limited, Abhishel Kumar Mishra, Gautam Buddha Nagar., 7284/SIA/UP/INFRA2/402531/2022**

SEIAA noted the comments of SEAC that the project proponent/consultant did not appear. Hence the matter will be discussed only after submission of online requests on prescribed online portal.

**11. "Sand/Morram Mining" Project at Gata No. 195/1, Village- Bahadurpur Syodha, Tehsil- Banda, District- Banda, U.P. Shri Omprakash Bharadwaj, Area : 14.3850 ha. , 7264/6871/SIA/UP/MIN/401585/2022**

Hence In light of discussion held in 731<sup>st</sup> SEAC meeting and SEIAA meeting no. 597 dated 05.05.2022 SEIAA opined to accept the recommendation of SEAC and grant EC to the said project along with all the general and specific conditions as suggested by SEAC adding following specific conditions:-

1. District Mining Officer shall ensure that if mineable quantity mentioned in LOI is amended as per replenishment study report the project proponent shall seek amended/fresh EC.
2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
5. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh

- water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
6. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 15,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
  7. In consultation with District Environment Authority or an Authority nominated by concerned DM, project proponent will prepared a conservation and management plan for rejuvenation and management of water bodies having total surface area of more than 70 ha. Funds for the same will be kept in a separate bank account and six monthly compliance status will be presented by project proponent before the nominated authority in the District.
  8. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.
  9. Any application for transfer of this EC, during its validity period unless it is cancelled by a competent authority, has to be necessarily accompanied with status of compliance of EC conditions duly certified by IRO, MoEFCC, GoI, Lucknow.
  10. Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
  11. Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
  12. Large number of mining projects are ongoing as well as new mining leases are coming up in the district. A reference be sent to DGM and MS, SPCB for preparing mitigation plan for controlling air pollution in the district especially in mining areas.
  13. If the air quality deteriorates due to mining, then District Administration & Directorate of Mining should ensure that mining be stopped immediately. Adequate measures be taken for restoring air quality and mining should commence only when air quality attains the prescribed standards.

**12. "Building Stone (Sand stone) Mining Project" at Arazi No.-1424, Village- Digara, Tehsil & District- Jhansi, Shri Manish Jain, Area 4.04 ha., 7614/SIA/UP/MIN/297313/2023**

SEIAA agreed with the recommendations of the SEAC that since to submit the required document as suggested during the presentation and defer the matter in next SEAC meeting proposed on dated 03/03/2023.

**13. "Sand/ Morrum Mining" Project at Adhawal Composite-2 Gata No.- 331, 333 to 335, 339 to 343, 346 to 351, 362 to 366, 376, 380 to 390, 392, 395 to 397, 407, Village- Adhawal, Tehsil- Fatehpur, District- Fatehpur, Shri Yaduvanshi Pragya Singh, Area : 45.0 ha., 7670/7480/SIA/UP/MIN/419915/2023**

SEIAA noted that the above project has already been taken in its 703<sup>rd</sup> meeting.
