

**MINUTES of 218th MEETING OF STATELEVEL ENVIRONMENT
IMPACT ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD
ON
10.07.2023 AT VIJAYAWADA A.P.**

218th SEIAA

Day-1

10.07.2023

**MINUTES OF THE 218th MEETING OF STATELEVEL ENVIRONMENT IMPACT
ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD ON
10.07.2023 AT VIJAYAWADA A.P.**

Present:

The following members were present. (Through Video Conference)

| | | |
|----|--|------------------|
| 1. | Sri P.Venkata Rami Reddy, I.A.S, (Retired). | Chairman |
| 2. | Dr.Thatiparthi Byragi Reddy Professor. Department of Environmental Sciences, Andhra University, Visakhapatnam | Member |
| 3. | Dr.P.V.Chalpathi Rao, I.F.S Special Secretary to Govt., Environment, Forests, Sciences and Technology Department, Govt. of Andhra Pradesh & Member Secretary, SEIAA, A.P. | Member Secretary |

21/07/2023

| | |
|--|--|
| <p>Agenda Item No: 221.02 & 218.01</p> | <p>21.587 Ha Mining of Manganese of M/s. Rai Bahadur Seth Sreeram Durga Prasad and Fatechand Narsing Das (RBSSD & FN Das) at Sy. No. 20(P) Garividi (V), Garividi (M), Vizianagaram (Dist.), Andhra Pradesh - Environmental Clearance – EIA Case - Reg. SIA/AP/MIN/415798/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023.</p> <p>Category: B2 at par with B1 (Major Mineral)</p> <p>The proposed project is for Mining of Manganese in an area of 21.587 Ha with a proposed of production capacity of Manganese – 50,000 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent and their consultant B S Enviro Tec Pvt Ltd., have attended the meeting and presented their proposal. The SEAC committee observed that:</p> <ol style="list-style-type: none"> 1. The project proponent has obtained violation TOR with public hearing on 24.01.2019 and also obtained TOR extension on 23.08.2022. The Public hearing was held on 21.12. 2022. 2. The issue was appraised in the 213th SEAC meeting and the decision of SEAC is as follows: “The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, EIA report and PH minutes recommended to raise ADS for submission of revised water and soil quality analysis reports”. 3. Accordingly, the project proponent has submitted revised water and soil quality analysis reports on 21.04.2023. Hence, this proposal was placed in 221st SEAC meeting. 4. The base line data was collected from October, 2021 to December,2021 and the predominant wind direction is observed to be South West to North East. The maximum concentration of SPM is observed to be 61.2 $\mu\text{g}/\text{m}^3$. The incremental concentration is 3.08 $\mu\text{g}/\text{m}^3$ and GLC of SPM will fall within in mine lease area. 5. The proponent volunteered to contribute towards welfare & community development activities to Garividi village as a part of Corporate Social Responsibility (CSR) activity. <p>Under EMP budget the proponent has proposed following:</p> <ol style="list-style-type: none"> a. Proposed to provide Garland Drains, settling tanks & trench in the mine lease area to control surface runoff b. Proposed to provide Continuous water sprinkling through water tanker for Suppression the dust particles. <p>6. S.O No 804 dt.14.03.2017 compliance:</p> |

- i. Credible action was initiated vide CC No 75/2017 in the court of 1st class Magistrate , Cheepurupalli, and paid penalty of Rs. 25,000/- on 20.11.2017.
- ii. The project proponent submitted undertaking on 01.09.2018 stating that the violation will not be repeated.
- iii. The project proponent has submitted remediation and resource augmentation plan with a cost of **Rs 14,12,000/-** and also uploaded the acknowledged BG submitted at SEIAA, A.P. at Vijayawada.
- iv. The project proponent has submitted production dispatch letter issued by ADMG,(FAC) Vizianagaram vide letter **dt.27.03.2023**
- v. The Penalty was calculated in compliance with SOP issued by MoEF&CCGoI vide OM dt.07.07.2021 and the details is as follows:

| SNo | Name of the mine | Project cost in Rs. | Total production during violation period as reported by mining Dept., letter dated 27.03.2023 | Turnover during violation period in Rs as reported by the mining department vide letter dated 27.03.2023 | 1% of project cost in Rs | 0.25 % of turnover during violation period in Rs. | Total penalty amount to be levied as per OM 07.07.2021 in Rs |
|-----|---|---------------------|---|--|--------------------------|---|--|
| 1. | M/s.Rai Bahadur Seth Sreeram Durga Prasad and Fatechand Narsing Das (RBSSD & FN Das) SIA/AP/M IN/415798 /2023 | Rs. 20,00,000/- | Mining of Manganese- 1,14,441 Cum | Rs. 9,03,45,593.32/- | 20,000/- | Rs. 2,25,864/- | Rs. 2,45,864/- |

- a. The project proponent has uploaded the acknowledged payment of penalty amount of Rs.2,45,864/- at APPCB Board Office Vijayawada on 17.04.2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, EIA Report, PH hearing minutes and detailed deliberations, recommended to **issue Environmental Clearance** with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan and Environmental Impact Assessment report.
2. The project proponent shall develop a greenbelt of 1km along approach roads & village Road.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and

| | |
|--|---|
| | <p>existing buffer zone plantation should not be disturbed.</p> <ol style="list-style-type: none"> 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The proponent shall carryout continuous water sprinkling for suppression of dust generated due to transport vehicles. 6. The vehicles carrying the mine’s material shall be covered with tarpaulin sheet. 7. The project proponent shall carry out mining activities with proper benches. 8. The project proponent shall strictly implement the Waste management plan as mentioned in the EIA report & EMP plan. 9. The project proponent shall not use village road for mineral transportation purpose. 10.The project proponent shall comply assurance given in the public hearing. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance with the following conditions:</p> <ol style="list-style-type: none"> i. The proponent shall provide Personal Protection Equipment (PPE) kits to the labour. ii. The Proponent shall comply with the concerns raised/commitments made in the public hearing. |
| <p>Agenda Item No: 221.03 & 218.02</p> | <p>2.834 Hects of Lime Stone in Sy.No. 514/B, 457/2A & 457/3A of Sri M. Mahesh Khanna at Gadigarevula & Durvesi Village, Gadivemula Mandal, Kurnool District Andhra Pradesh– Environmental Clearance – Reg. SIA/AP/MIN/428310/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023.</p> <p>Category: B2 (Major Mineral)</p> <p>The proposed project is for mining of Lime Stone in an area of 2.834with a proposed production capacity of 39,094 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their RQP, NVSPL Ravikanth, have attended the meeting and presented the case. The SEAC committee observed that:</p> <p>As per the approved mining plan, the total provided mineral reserves are 3,79,500T. The proponent proposed to excavate 39094 TPA and Life of the mine is 9.7 years.</p> <ol style="list-style-type: none"> a. The Committee noted that there two Existing quarry leases, one LoI issued within the radius of 500mts area and the total cluster area is < 5.0 Ha as per cluster letter issued by Asst. Director of Mines & Geology, Banaganapalle, vide Lr. dated: 04.01.2023. b. The committee observed that this is an existing mine and obtained work order and which is valid up to 06.01.2054. c. The project proponent has obtained production and dispatch details issued by the Mining Department vide letter dt.29.12.2022 and the committee observed that there are no dispatches after 15.01.2016. Hence, committee treated this proposal as non-violation case. |

| | |
|--|--|
| | <p>d. The proponent volunteered to provide Mini Ambulance to the durvesi village panchayat as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>e. Under EMP budget the proponent has proposed following:</p> <p>i. Proposed to provide Garland Drain and trench with bund walls to control surface runoff.</p> <p>ii. Proposed to provide Continuous water sprinkling through water tanker for Suppression the dust particles.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in the Environmental management plan. 2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The proponent shall carryout suppression of dust generated due to transport vehicles by water spraying tankers continuously. 6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement. 7. The project proponent shall not use village road for mineral transportation purpose. 8. The project proponent shall provide Mini Ambulance to the durvesi village panchayat as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p> |
| <p>Agenda Item No: 214.14, 221.04 & 218.03</p> | <p>M/s. H R R Construction Pvt Ltd. & Others is proposing to construct Commercial cum Residential Building at T.S.No. 75 Part, Waltair Ward, Block No. 09, Zone-III, Division No. 19, G.V.M.C Limits, Visakhapatnam, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/INFRA2/415907/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023. Category :B2 (Building and Construction Projects) The Proposal of M/s. H R R Construction Pvt. Ltd. & Others is Commercial cum Residential Building project with Built Up area – 1,24,444.46 Sq.m in total plot area of 13237.65 Sq.m. The project falls under Item No. 8(a) of the schedule of the EIA Notification 2006 and its amendments thereof - Building and Construction Projects (<20,000 Sq.mtrs and >1,50,000 sq. m. of built up area).</p> <p>The proponent and their consultant Sri. Chandra Sekhar, M/s. Space enviro have attended the meeting and presented the case. The SEAC committee observed that:</p> |

a. The project proponent has proposed to construct Commercial cum Residential Building (3 cellars+ Ground Floor+ 23 Upper floors) in site area of about 13237.65 Sq.m. at T.S.No. 75 Part, Waltair Ward, Block No. 09, Zone-III, Division No. 19, G.V.M.C Limits, and the details are as follows:

| S.No. | Description of Built-up Area | No. of floors | Built Up Area (Sqm) |
|-----------------------------|-------------------------------------|--|----------------------------|
| 1. | Commercial Built-up Area | G + 1 st Floors | 4,989.82 Sqm |
| 2. | Residential Built-up Area | 2 nd to 23 rd Floors | 88,977.24 Sqm |
| 3. | Amenities Built-up Area | G + 1 st Floors | 2,760.91 Sqm |
| 4. | Parking Built-up Area | 3 Cellars | 27,716.49 Sqm |
| Total Built-up Area (1+2+3) | | 3 Cellars + Ground + 23 Upper Floors | 1,24,444.46 Sqm |

b. The project proponent has obtained following statutory permissions from concerned departments.

- i. The project proponent has obtained NOC from Airport Authority of India on 11.11.2020.
- ii. The project proponent has obtained fire NOC on 15.12. 2022.
- iii. The project proponent has obtained SBC report from Andhra University, Visakhapatnam dt.19.01.2023.

c. The water source for the project is GVMC, Visakhapatnam, 242.35 KLD water required for the proposal and total Wastewater Generation - 203.68 KLD. The proponent proposed to provide 230 KLD sewage treatment plant and after treatment 87.71 KLD is used for Flushing, Gardening and remaining 89.29 KLD of water is proposed to be discharged into municipal sewer.

d. About 935.45 kgs/day of garbage is expected to be generated for which the proponent proposed to provide garbage chute to ensure the disposal as per solid management rules 2016.

e. The issue was appraised in the 214th SEAC meeting and the decision of SEAC is as follows:
 "The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs, detailed deliberations, recommended to raise ADS for submission of :

- i. The proponent shall carryout Traffic Density study
- ii. The proponent shall submit proper land documents and submit court disposal order on land litigations.
- iii. The proponent shall submit modified cellar plan (for two cellars only) to avoid damages/collapse of Adjacent Apartments while excavating the cellar and foundations.
- iv. Detailed Procedure for cellar and foundation excavation.
- v. The proponent shall submit Geo-technical report and grouting activity for cellars to prevent the damages to the adjacent apartments during the excavation for the cellars.
- vi. The proponent shall submit the latest site photographs with Geo coordinates and date."

f. Accordingly, the proponent submitted ADS reply on 08.05.2023 and again

| | <p>this proposal is placed in 221st SEAC meeting.</p> <p>g. During the appraisal the SEAC committee examined the latest site photographs with Geo- coordinates, and the committee observed that the excavation works of the project has been started without taking prior Environmental Clearance. Hence, the committee treated this proposal as a violation case and directed the project proponent to apply for violation TOR.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs, detailed deliberations and ADS replies recommended to reject the proposal as the proposed project falls under violation category and directed the proponent to apply for violation TOR.</p> <p>Decision of SEIAA:- Refer to SEAC to examine w.r.t representation of proponent received on 17.07.2023.</p> | | | | | | | | | | | | | | | | |
|--|---|--|----------------------|---------------|----------------------|----|---------------------------|--|-----------|----|-------------|-------------|-----------|----------------------------|--|--|------------------|
| <p>Agenda Item No: 216.13, 221.05 & 218.04</p> | <p>M/s. R Square Motels Resorts and Infra Pvt. Ltd., proposing to construct “The Kadapa Central Mall & Multiplex” at Sy.No: 184/1, 184/3, 185/1, 185/2, 202/1A, 203/2, 204, 205/1, 205/2, 205/3, 205/605/1, 205/2, 205/3, Maruthi Nagar, Kadapa Municipal Corporation, YSR Kadapa District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/INFRA2/414384/2023</p> | | | | | | | | | | | | | | | | |
| | <p>Recommendations of the SEAC on 22.06.2023. Category: B2 (Building and Construction Projects)</p> <p>The Proposal of R Square Motels Resorts and Infra Pvt. Ltd., is Central Mall & Multiplex project with Built Up area – 87586.15Sq.m in total plot area is 14278.99Sq.m</p> <p>The project falls under Item No. 8(a) of the schedule of the EIA Notification 2006 and its amendments thereof - Building and Construction Projects (<20,000 Sq.mtrs and >1,50,000 sq. m. of built up area).</p> <p>The proponent and their consultant Sri. Chandra Sekhar, M/s. Space enviro have attended the meeting and presented the case. The SEAC committee observed that:</p> <p>a. The project proponent has proposed to construct Central Mall & Multiplex project (3 basements+ Ground + 6 upper floors+ Terrace Floor) with Built Up area – 87586.15Sq.m and total plot area is 14278.99Sq.m at Sy.No: 184/1, 184/3, 185/1, 185/2, 202/1A, 203/2, 204, 205/1, 205/2, 205/3, 205/605/1, 205/2, 205/3, Maruthi Nagar, Kadapa Municipal Corporation, YSR Kadapa District and the details are as follows:</p> <table border="1" data-bbox="304 1693 1401 1944"> <thead> <tr> <th>S.No.</th> <th>Block Details</th> <th>No. of floors</th> <th>Built Up Area (Sq.m)</th> </tr> </thead> <tbody> <tr> <td>1.</td> <td>Commercial Floor wise BUA</td> <td>Ground + 6 Upper Floors + Terrace Floors</td> <td>63,513.07</td> </tr> <tr> <td>2.</td> <td>Parking BUA</td> <td>3 Basements</td> <td>24,073.08</td> </tr> <tr> <td colspan="3" style="text-align: right;">Total Built-Up Area</td> <td>87,586.15</td> </tr> </tbody> </table> <p>b. The proponent submitted a development agreement made on 24.11.2022 with landowners.</p> | S.No. | Block Details | No. of floors | Built Up Area (Sq.m) | 1. | Commercial Floor wise BUA | Ground + 6 Upper Floors + Terrace Floors | 63,513.07 | 2. | Parking BUA | 3 Basements | 24,073.08 | Total Built-Up Area | | | 87,586.15 |
| S.No. | Block Details | No. of floors | Built Up Area (Sq.m) | | | | | | | | | | | | | | |
| 1. | Commercial Floor wise BUA | Ground + 6 Upper Floors + Terrace Floors | 63,513.07 | | | | | | | | | | | | | | |
| 2. | Parking BUA | 3 Basements | 24,073.08 | | | | | | | | | | | | | | |
| Total Built-Up Area | | | 87,586.15 | | | | | | | | | | | | | | |

- c. The Geo-technical investigation was conducted by MEDINI GEO- Engineer Services Hyderabad.
- d. The project proponent has obtained NOC from Airport Authority of India on 09.12.2022 and also obtained fire NOC on 06.02.2023.
- e. The water source is Municipal corporation Supply, Kadapa, 925.13 KLD water required for the proposal, and total Wastewater Generation - 605 KLD. The proponent proposed to provide 650 KLD sewage treatment plant and 575 KLD water treated water is proposed to be re-cycled.
- f. About 2552.09 kgs/day of garbage is expected to be generated for which the proponent proposed to provide garbage chute (Organic waste converter machine) to ensure the disposal as per solid management rules 2016.
- g. The issue was appraised in the 216th SEAC meeting and the decision of SEAC is as follows:
 "The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs, detailed deliberations, recommended to raise ADS for uploading of:
 1. The EMP with corrected water balance, solid waste management measures.
 2. The project proponent shall obtain Bore log/ soil profile log reports up to 15m.
 3. Detailed Procedure for cellar/ basement and foundation excavation as the site is in densely population area.
 4. The proponent shall submit Geo-technical report and grouting activity for cellars/basements to prevent the damages to the adjacent apartments during the excavation for the cellars.
 5. The proponent shall submit the latest site photographs with Geo coordinates and date to ascertain status of construction".
- h. Accordingly, the proponent submitted ADS reply on 30.05.2023 and again this proposal is placed in 221st SEAC meeting.
- i. The committee appraised the application from the Environmental point of view only with respect to liquid, solid and air pollution management.
- j. The proponent volunteered to develop avenue plantation in Kadapa city as a part of Corporate Social Responsibility (CSR) activity and shall maintain till it grows.

The Committee, after examining the project proposals, presentations, MoEF&CC' Notifications & OMs, detailed deliberations, ADS reply recommended to issue Environmental Clearance with the following additional conditions:

1. The proponent shall construct and commission STP along with commissioning of project, treat the effluents to meet irrigation standards at any point of time before using for gardening purpose or disposal into municipal drain.
2. The proponent shall implement the solid waste management as per the Solid Waste Management Rules, 2016 applicable for constructions projects.
3. The proponent shall ensure sustainable environmental management, solid and liquid wastes and implement environmental conditions given at Appendix-XIV of EIA notification 2006 and its amendments thereof.
4. The proponent shall construct rainwater harvesting pit and storm water drains to recharge the groundwater and utilize the same within the premises.
5. The proponent shall comply with the proposals furnished in the Environmental management plan.
6. The project proponent shall obtain all statutory permissions as required

| | |
|---|---|
| | <p>before starting the construction.</p> <p>7. The project proponent shall install organic waste converter for the treatment and disposal of wet garbage in a scientific manner.</p> <p>8. The parking area shall be in compliance with NBC/ MoEF&CC, GoI/ Local Government regulations as applicable, whichever is higher.</p> <p>9. The project proponent shall comply with the Environmental conditions specified for construction and building projects in the appendix of MoEF&CC, GoI, S.O No (E) 5703 dt.14.11.2018.</p> <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p> |
| <p>Agenda Item No: 219.32 221.06 & 218.05</p> | <p>M/s. SLV AMARAVATHI GRAND III proposed for construction of Residential Building at RS.No: 123/1,126/1, Carmel Nagar, Gunadala, Vijayawada Urban, NTR District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/INFRA2/422495/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023. Category :B2 (Building and Construction Projects)</p> <p>The Proposal of M/s. SLV AMARAVATHI GRAND III is for construction of Residential and commercial building with Built Up area –78472.94 sq.mt and total plot area is 18067.96 sq.mt.</p> <p>The project falls under Item No. 8(a) of the schedule of the EIA Notification 2006 and its amendments thereof - Building and Construction Projects (<20,000 Sq.mtrs and >1,50,000 sq. m. of built up area).</p> <p>The proponent and their consultant, Sri Sai Manasa Nature Tech pvt Ltd., have attended the meeting and presented the proposal. The SEAC committee observed that:</p> <ol style="list-style-type: none"> a. The project proponent has proposed to construct Residential and commercial building project (4 Residential buildings, 1 Amenities & 1 Commercial block with 215 Residential units) at R.S.No: 123/1,126/1, Carmel Nagar, Gunadala, Vijayawada Urban, NTR District. b. The water source is ground water, the 166 KLD water required for the proposal and total Wastewater Generation - 139 KLD. The proponent proposed to provide 200 KLD sewage treatment plant and proponent proposed to re-use the 138KLD of treated water for greenbelt, flushing, HVAC cooling, floor washings and dust suppression of internal roads. c. About 674 kgs/day of garbage is expected to be generated for which the proponent proposed to provide garbage chute to ensure the disposal as per solid management rules 2016. d. The project proponent has submitted a Soil Bearing Capacity (SBC) report from M/s. Siddhartha Engineering college. e. The issue was appraised in the 219th SEAC meeting and the decision of SEAC is as follows: <p>“The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs, detailed deliberations, recommended to</p> |

| | |
|---|--|
| | <p>raise ADS for uploading of:</p> <ol style="list-style-type: none"> i. Permission from Ground water department to draw ground water Consolidated land documents. ii. The project proponent shall submit plans/ drawings for driveway and commercial block parking. iii. The project proponent shall submit a traffic density plan. iv. Details of STP Designs. v. DPR covering the above said points”. <p>b. Accordingly, the proponent submitted ADS reply on 01.06.2023 furnishing the permission of Ground water department, plans/ Drawings for driveway and commercial block parking, traffic density plan, STP design details etc., and again this proposal is placed in 221st SEAC meeting.</p> <p>c. The committee appraised the application from the Environmental point of view only with respect to liquid, solid and air pollution management.</p> <p>d. The proponent volunteered to develop avenue plantation in Vijayawada city as a part of Corporate Social Responsibility (CSR) activity and shall maintain till it grows.</p> <p>The Committee, after examining the project proposals, presentations, MoEF&CC’ Notifications & OMs, detailed deliberations, ADS reply, recommended to issue Environmental Clearance with the following additional conditions.</p> <ol style="list-style-type: none"> 1. The proponent shall construct and commission STP along with commissioning of project, treat the effluents to meet irrigation standards at any point of time before using for gardening purpose or disposal into municipal drain 2. The proponent shall implement the solid waste management as per the Solid Waste Management Rules, 2016 applicable for constructions projects. 3. The proponent shall construct rainwater harvesting pit and storm water drains to recharge the groundwater and utilize the same within the premises. 4. The proponent shall comply with the proposals furnished in the Environmental management plan. 5. The project proponent shall obtain all statutory permissions as required before starting the construction. 6. The project proponent shall install organic waste converter for the treatment and disposal of wet garbage in a scientific manner. 7. The parking area shall be in compliance with NBC/ MoEF&CC, GoI/ Local Government regulations as applicable, whichever is higher. 8. The project proponent shall comply with the Environmental conditions specified for construction and building projects in the appendix of MoEF&CC, GoI, S.O No (E) 5703 dt.14.11.2018. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p> |
| <p>Agenda Item No:221.07&218.06</p> | <p>Proposed Construction of Multi Stored Residential Apartments of M/s. Varsha Builders Private Limited., Sy. No. 147/4P, 147/5P & 147/8P of Yendada, Zone – 1, Div. No. 6. GVMC Limits, Visakhapatnam District, Andhra Pradesh – Environmental Clearance Expansion – Reg. SIA/AP/INFRA2/410067/2022</p> |
| | <p>Recommendations of the SEAC on 22.06.2023.</p> |

Category: B (Building and Construction Projects)

The Proposal of M/s. Varsha Builders Private Limited., is for construction of Multi Stored Residential Apartments for expansion of built up area of **from 30892.65 Sq. m to 33071.35 Sq. m** by addition of an Environment Deck Floor without any change in the site area and number of flats.

The project falls under Item No. 8(a) of the schedule of the EIA Notification 2006 and its amendments thereof - Building and Construction Projects (<20,000 Sq.mtrs and >1,50,000 sq. m. of built up area).

The proponent and their consultant, M/s. S V Enviro Labs attended the meeting and presented the proposal. The SEAC committee observed that:

- a. The project is located in coastal zone, falls under CRZ –II category and obtained CRZ Clearance from APCZMA vide Lr. No. 255/CRZ/CON/2020 - 599 Dt: 02.03.2021 for site area of 3551.0 Sq. m and built up area of 30780.02 Sq. m.
- b. Earlier, the project has obtained EC vide Order No. SEIAA/AP/VSP/CON/04/2021/3121/169.53/166.39 dt:06.01.2022 for the built up area of 30892.65 Sq. m (3 Basement floors + 2 Stilt floors + Ground + upper 14 floors).
- c. Now the proponent has proposed for construction of an additional “Environment Deck” Floor between the 7th & 8th floors and increasing built up area from 8th floor to 14th floor and 2 Stilt floors.
- d. The project proponent has obtained CRZ expansion vide Lr. No. 255/CRZ/CON/2021 Dt:23.03.2023 for the Built up area of UA of 33071.33 Sq. m (3 basements + 2 Stilt floors + Ground + Upper 7 floors + Environmental Deck Floor + 8th floor to upper 14th floors) without any change in the site area and number of flats.
- e. The Government of Andhra Pradesh Municipal Administration & Urban Development (M) Department vide Memo No. 802505/M2/ 2019, dt 24.05.2019 accorded permission for allowing Environment Deck floor in all High - Rise buildings having minimum of Ten Floors (Excluding parking floors) duly exempting the same from the calculation of height and parking requirements subject to occupation of Minimum of 80% of the area for the activities such as i. flower Gardens/ Butterfly Garden, ii. Walking Tracks/ Jogging tracks, iii. Gardens iv. Water bodies and fish ponds v. Breakout space, vi) viewing Galleries etc., and remaining area for indoor activities like Gymnasium, Saloon, Spa etc., and ensuring sufficient safety provisions. This “Environment Deck” shall be allowed beyond 18.0m of Height in High rise buildings (Excluding parking floors).
- f. The project proponent has submitted certified compliance report (CCR), from IRO, MoEF&CC, GoI, Vijayawada vide File No. IRO/VIJ/EPA/EC-B/102/10-120/2023 Dt: 20.04.2023.

The Committee after examining the project proposals, presentations, MoEF&CC’ Notifications & OMs, detailed deliberations, and recommended **to issue** Environmental Clearance with the following additional conditions.

1. The proponent shall construct and commission STP along with commissioning of project, treat the effluents to meet irrigation standards at any point of time before using for gardening purpose or disposal into municipal drain.

| | |
|--|---|
| | <ol style="list-style-type: none"> 2. The proponent shall implement the solid waste management as per the Solid Waste Management Rules, 2016 applicable for constructions projects. 3. The proponent shall construct rainwater harvesting pit and storm water drains to recharge the groundwater and utilize the same within the premises. 4. The proponent shall comply with the proposals furnished in the Environmental management plan. 5. The project proponent shall obtain all statutory permissions as required before starting the construction. 6. The project proponent shall install organic waste converter for the treatment and disposal of wet garbage in a scientific manner. 7. The parking area shall be in compliance with NBC/ MoEF&CC, GoI/ Local Government regulations as applicable, whichever is higher. 8. The project proponent shall comply with the Environmental conditions specified for construction and building projects in the appendix of MoEF&CC, GoI, S.O No (E) 5703 dt.14.11.2018. 9. The project proponent shall comply conditions stipulated in the CRZ NOC dt.02.03.2021 and dt.23.03.2023. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance Expansion.</p> |
| <p>Agenda Item No: 221.08 & 218.07</p> | <p>Development of Industrial Park over an extent of 911.77 Acres (368.98 Ha) at Survey Nos.453, 454, 455, 456, 457, 457, 459, 460, 461, 471, 522, 523, 524, 530, 531 & 535 over an extent of 369.95 Ha (911-77 Acres) in Meedivemula Village, Orvakallu Mandal, Kurnool District, Andhra Pradesh by M/s. APIIC Meedivemula Industrial Park - Environmental Clearance – Reg. SIA/AP/INFRA1/428833/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023.</p> <p>Category: A</p> <p>The Andhra Pradesh Industrial Infrastructure Corporation, (APIIC) proposed to develop Industrial Park at Meedivemula village, OrvakalMandal, Kurnool district, Andhra Pradesh with an extent of 368.98 Hectare (911.77 Acres).</p> <p>The project falls under Item No. 7 (c) Industrial estates/parks/complexes/areas, export processing Zones (EPZs), Special Economic Zones (SEZs), Biotech Parks, Leather Complexes.</p> <p>The proponent and their consultant, M/s. ECOMEN Labs have attended the meeting and presented the proposal. The SEAC committee observed that:</p> <ol style="list-style-type: none"> a. The project proponent has obtained auto TOR with Public hearing on 10.11.2021 and public hearing conducted on 28.06.2022. b. The APIIC has proposed to develop Meedivemula industrial park for the Bulk drugs and intermediates, Drug formulations, Electrical Equipment, Fabricated Metal Products, Machinery & Equipment, Instruments & Equipment, Non-metallic mineral products viz., Stones & Slabs, Glass Cutlery; Ceramic Tiles, Paver Block and Fly Ash Bricks manufacturing units. c. The committee observed that the “Bulk drugs and intermediates” falls under category A project list. During the course of meeting the committee opined that the said industrial park falls under Category A project list and as per |

| | |
|---|---|
| | <p>the EIA notification 2006, “If at least one industry in the proposed industrial estate falls under the Category A, entire industrial area shall be treated as Category A, irrespective of the area”. and shall be appraised by the Expert Appraisal Committee (EAC) at central Level as category A project.</p> <p>d. The committee directed the proponent to apply under Category A project at Central Level as the “Bulk drugs and intermediates” falls under category A project.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC’ Notifications & OMs, detailed deliberations and recommended to reject the proposal and directed the proponent to apply under Category A project at Central Level as the “Bulk drugs and intermediates” Manufacturing units proposed in the Industrial Park falls under category A project.</p> <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to reject the proposal.</p> |
| <p>Agenda Item No:221.10&218.08</p> | <p>M/s. Krishna Plywood Industries established a ply wood plant at Sy. No. 37/5, 6, 7, 8 & 17 of Savaravalli Village, Bhogapuram Mandal, Vizianagaram District, Andhra Pradesh– Environmental Clearance – Reg. SIA/AP/IND3/422415/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023. Category –B2.</p> <p>The Proposal of M/s. Krishna Plywood Industries, is for Environmental Clearance for production of the Phenol Formaldehyde Resin/Urea Formaldehyde Resin/Melamine Urea Formaldehyde Resin/Melamine Formaldehyde Resin – 3.5 Tons/Day (or) 1000 Tons/annum.</p> <p>The proposed project falls under Item No.5 (f) of the schedule of the EIA Notification 2006 and its amendments thereof - 5(f)- basic organic chemicals, other synthetic organic chemicals, and chemical intermediates.</p> <p>The project proponent and their consultant, M/s. SV Enviro Labs & Consultants have attended the meeting and presented their proposal. The SEAC committee observed that:</p> <ol style="list-style-type: none"> a. M/s. Krishna Plywood Industries has proposed to establish a Resin Plant in their existing plywood manufacturing unit at R. Sy. No. 37/5, 6, 7, 8 & 17 of Savaravalli Village, Bhogapuram Mandal, Vizianagaram District for their captive consumption with an additional investment of Rs.35 Lakhs. b. The MoEF&CC, GoI vide letter dt. 10.04.2019 issued clarification regarding Exemption of Environmental Clearance for making in-house resin by plywood and panel industries. c. As per the clarification given by MoEF&CC, GoI “the process of manufacturing of Resin, was of the opinion that this activity may be listed under Category’B2’ and the procedure required for Category’B2’ may be followed to produce resin not exceeding 1000 tons per annum (4 tons per day) by captive manufacturing and utilization in plywood”. The present proposal is for 3.5 Tonnes /day of resin production and falls under Category B2. |

| | |
|--------------------------------|---|
| | <p>d. The water consumption for the resin plant is 6.5 KLD and wastewater generation is only Condensate water of about 0.2 KLD which is proposed to be recycled. 0.8 KLD domestic wastewater is proposed to be disposed into septic tank and soak pit.</p> <p>e. The proponent volunteered to allocate funds for providing amenities to the local school / PHCs and development of village roads in the Savaravalli Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The Committee after examining the project proposals, presentations, MoEF& CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance to this proposal for manufacturing of Phenol Formaldehyde Resin/Urea Formaldehyde Resin/Melamine Urea Formaldehyde Resin/Melamine Formaldehyde Resin @ one product at any point of time with production capacity -3.5 Tonnes/day for captive utilization in the manufacturing of plywood only stipulating additional conditions:</p> <ol style="list-style-type: none"> 1. The project proponent shall submit an undertaking to SEIAA, A.P that the Resin produced will be used for their captive manufacturing and utilization in plywood only. 2. The Project Proponent shall implement the ZLD system for treatment and disposal of effluents. 3. The industry shall adopt an appropriate pollution control system to achieve Zero Liquid Discharge (ZLD) and ensure that there will be no discharge from the unit. 4. The industry shall establish suitable scrubbing system in consultation with the APPCB. 5. The industry shall provide an effective solvent recovery system. 6. The industry shall provide hazardous waste container (drums) cleaning/washing system (Container detoxification) 7. The industry shall send hazardous waste to the authorized cement industries/ TSDF/ authorized recyclers by properly maintaining the system. 8. The industry shall not use wood as a fuel for Thermic fluid heater without Permission from forest department 9. Strict measures shall be taken to control odor with appropriate odor abatement methods. Sub coolers for brine circulation shall be installed to reduce solvent evaporation losses into the atmosphere. All the solvent storage tanks shall be connected to vent condensers with chilled water circulation to minimize the solvent loss. The proponent shall install VOC meter in the plant to monitor. 10. The industry shall strengthen the nearby water pond and shall not discharge any wastewater into the nearby water pond. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance with a condition that the max production shall not exceed 1000 TPA.</p> |
| <p>Agenda Item No: 202.06,</p> | <p>17.63 Ha of Mining of Karlam Manganese mine of M/s S.K. Sarawagi & Co. Pvt. Ltd. at Sy.No. 278,279,281/1 to 8, Karlam Village, Cgipurupalli Mandal, Vizianagaram District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/402669/2023</p> |

| | |
|-----------------------|--|
| 221.11 & 218.09 | |
| | <p>Recommendations of the SEAC on 22.06.2023. Category: B2 at par with B1. (Major Mineral) The proposed project of M/s Sarawagi & Co is for an enhancement of production quantity of Manganese ore – 1500 TPA to 40055.94 TPA in their mine lease area of 17.63 Ha with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant SV Enviro Labs & Consultants have attended the meeting and presented their proposal. The SEAC committee observed that:</p> <ol style="list-style-type: none"> a. The project proponent obtained Environmental clearance vide order dt. 26.03.2013 for production capacity of 1500 TPA and EC was valid for a period of 20 years i.e., 25.03.2023. b. The project proponent obtained Auto TOR on 23.03.2021 for enhancement production capacity. The public hearing for expansion project was held on 08.06. 2022. c. The proponent furnished certified compliance certificate (CCC) dt 26.02.21 from APPCB. As per MoEF& CC, GoI OM dt.08.06.2022, the validity of CCC validity is only for one year. d. Public Hearing Details: The majority of the villagers present in the public hearing are not in favour of the enhancement of the production capacity of the mine and the issues raised area dust problems due to existing mine operations , depletion of ground water , impact on farmers , damage of cashew gardens , crop loss, road damages , dumping of waste in farmers lands etc.. e. Reply of the proponent during the public hearing is as follows: Sri Ashok Konda, Proponent has informed that villagers have expressed their problems, out of which some problems can be solved. He stated that they got EC in 2007 for 20 years with existing quantity of 1500 TPA, but not operated regularly and got production up to 100-110 MT only. They have mined up to 6-9 m in an area of 7-8 acres only out of total permitted mine area of 43 acres, they placed the dump in an area of 1.03 acres at a height of 10 ft within lease area towards East concern they have carried out DGPS survey for 43 acre and laid 32 pillars around the boundary, they are carrying out sprinkling, developed plantation, but the same was eaten by cattle and spend Rs 2-3 lakh of CSR fund for Street lights. He also stated that some parts of the dump nigh fallen in the farmers land due to wind/rain the same will be cleared and will give RO plant and jobs to the villagers if needed. f. The committee appraised the final EIA and noted that the predominant wind direction is from North East to South-west and maximum GLCs i.e., 4.11 $\mu\text{g}/\text{m}^3$ observed and falls in 0.98KM in South-west direction of the mine. g. EMP budget details: Capital cost of the EMP measures proposed: 7.2 Lakhs. Recurring of the EMP measures proposed: 6.5 Lakhs/Annum. |

| | <p>Amount proposed for CSR activities: 5.0 Lakhs.</p> <p>h. The proponent volunteered to provide Digital classroom to Chiipurupalli Village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>The Committee, after examining the project proposals, presentations, EIA appraisal, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for following.</p> <ol style="list-style-type: none"> 1. The project proponent shall submit latest certified compliance report from IRO, Vijayawada. 2. The project proponent shall submit renewal copy of existing Bank Guarantee. 3. The project proponent shall submit latest production & dispatch letter. 4. The project proponent shall submit credible action completion details. 5. Detailed waste management plan as waste is expected @ 1:4 <p>The project proponent has submitted ADS reply on 11.05.2023 along with Certified Compliance from IRO, detailed waste management plan and latest production and dispatch details. The proposal was placed in 221st SEAC meeting:</p> <p>The Committee, after examining the project proposals, presentations, EIA appraisal, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to constitute a subcommittee with a) Prof. G. Gnana Mani, b) Prof. U. Shameem and C) Sri. K. Venkata Ramana to verify the objections/facts of public hearing pertaining to the waste dumps and spillover of the waste of the mine.</p> <p>Decision of SEIAA:- Agreed with the recommendations of SEAC.</p> | | | | | | | | | | |

Hence, the committee directed the proponent to apply for amendment to the EC at Central Level as per the MoEF&CC, GoI Notification S.O. No 2859(E) dt 16.07.2021.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs, detailed deliberations, and recommended to reject EC amendment proposal and directed the proponent apply for amendment to the EC at Central Level as per the MoEF&CC, GoI Notification S.O. No 2859(E) dt 16.07.2021.</p> <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to Reject the proposal.</p> |
| <p>Agenda Item No:221.16 & 218.14</p> | <p>M/s. Sri Raghavendra Chemicals at Sy. No. 106F, 108B, 108F, 108G, Isvi Village, Adoni Mandal, Kurnool District, Andhra Pradesh – Amendment in EC - Reg. SIA/AP/IND3/299928/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023 Category: A</p> <p>a. The SEIAA, A.P., issued Environmental Clearance (EC) to M/s. Sri Raghavendra Chemicals vide Order No. SEIAA/AP/KNL/IND/3/2021/3079/178.3 & 175.3, dated 16.04.2022.</p> <p>b. Now the project proponent has applied for Amendment in the granted EC order 29.07.2021 for change in name from “M/s. Sri Raghavendra Chemicals.” to “M/s. A-One Pharma Chem Private Limited.”</p> <p>c. The SEAC committee noted the MoEF&CC, GoI, notification S.O. No. 1223(E), dated 27.03.2020 and MoEF&CC Office Memorandum dated 13.04.2020, wherein " All proposals for projects or activities in respect of Active Pharmaceutical Ingredients (API), received up to the 30th September 2020, shall be appraised , as Category 'B2' projects provided that any subsequent amendment or expansion or change in product mix, after the 30th September 2020, shall be considered as per the provisions in force at that time."</p> <p>d. Further, MoEF&CC, GoI has extended the time specified vide S.O. No. 3636(E), dated 15.10.2020 and last extension was issued upto 31.12.2021 vide S.O. 2859(E) dt 16.07.2021. The extract of the notification is as follows:</p> <p>“All proposals for projects or activities in respect of Active Pharmaceutical Ingredients (API), received from 16th July 2021 to 31st December, 2021,</p> |

| | |
|---|---|
| | <p>shall be appraised, as Category ‘B2’ projects, provided that any subsequent amendment or expansion or change in product mix, after the 31st December, 2021, shall be considered as per the provisions in force at that time.”</p> <p>e. The project proponent has applied for EC amendment on 21.04.2023 after completion of specified time mentioned in the S.O. 2859(E) dt 16.07.2021 i.e., after 31.12.2021.</p> <p>f. The committee observed that the time specified to A categories projects for appraisal as B2 was up to only 31.12.2021 and present proposal for amendment was received after the specified time limit. Hence, the committee directed the proponent to apply for amendment to the EC at Central Level as per the MoEF&CC, GoI Notification S.O. No 2859(E) dt 16.07.2021.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC’ Notifications & OMs, detailed deliberations, and recommended to reject EC amendment proposal and directed the proponent apply for amendment to the EC at Central Level as per the MoEF&CC, GoI Notification S.O. No 2859(E) dt 16.07.2021.</p> <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to Reject the proposal.</p> |
| <p>Agenda Item No:221.18 & 218.15</p> | <p>M/s. Sree Praseedha Steels and Minerals Private Limited (Formerly M/s. Steel Exchange India Ltd.) Plot No. 1, IDA Parwada, E-Bonangi Village, Parawada Mandal, Visakhapatnam District, Andhra Pradesh - Terms of Reference (TOR) – Reg. SIA/AP/IND1/427895/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023 Category: B</p> <p>The proposed project is a re-rolling mill for producing MS CTD Bars – 100 TPD at Plot No. 1, IDA Parwada, E-Bonangi Village, ParawadaMandal, Visakhapatnam District, Andhra Pradesh in an extent of 2.16 ha (5.34 acres).</p> <p>The proposed project falls under Item No. 3(a) of the schedule of the EIA Notification 2006 and its amendments thereof’ – Metallurgical industries (Ferrous & nonferrous)</p> <p>The project proponent and their consultant, M/s. Team Labs attended the meeting and presented their proposal. The SEAC committee observed that:</p> <ol style="list-style-type: none"> a. M/s. Sree Praseedha Steels and Minerals Private Limited is operating re-rolling mill at Plot No. 1, IDA Parwada, E-Bonangi Village, Parawada Mandal, Visakhapatnam District in an area of about 5.4 Acres. b. The unit was issued with CTO by APPCB vide order No.7166/APPCB/ZO-VSP/VSP/CFO/2022 dated 17.09.2022 with a valid up to 30.06.2023. c. The MoEF&CCGoI, vide Notification S.O. No. 3250(E) dt. 20.07.2022 mandated that all existing re-rolling mills must initiate the process of environmental clearance before July 2023, following the due process mentioned in the above notification and as mentioned in SO 1533 (E) |

| | |
|---|--|
| | <p>dt.14.09.2006.</p> <p>d. The unit has applied for the regularization of the existing rolling mill in compliance with the notification S.O. 3250(E) dt. 20.07.2022 issued by MoEF&CC, GoI. As per the notification, the public hearing was exempted for these projects seeking environmental clearance as part of regularization based on the NGT order dt. 12.02.2020 in O.A. no. 55/2019(WZ).</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs, detailed deliberations, recommended to issue Standard terms of TOR without Public hearing with following additional conditions:</p> <ol style="list-style-type: none"> 1. The project proponent shall prepare EIA and EMP 2. The project proponent shall provide plan for dust suppression measures within the site. 3. The project proponent shall submit a water balance statement along with the details of ETP and mode of disposal. 4. The project proponent shall submit detailed plantation plan along with no of species and land allocated for development of greenbelt. 5. The project proponent shall submit photographs of the greenbelt already developed with Geo- Coordinates. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Standard TOR without Public hearing.</p> |
| <p>Agenda Item: 221.22 & 218.16</p> | <p>5.416 Ha of Mica, Quartz, Feldspar & Vermiculate Mine of M/s Sadhana Minerals, Sy.No.683/P of Chaganam (V), Sydapuram (M), SPSR Nellore District. A.P. - Amendment of EC- Reg. SIA/AP/MIN/300984/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023</p> <p>The project proponent has obtained EC vide order dt.09.10.2015 for mining of Feldspar, Mica, Quartz and vermiculate - 3607 TPA over an extent of 5.416 Ha. The EC was issued for the open cast mining method and is valid for a period of 14 years i.e., 08.10.2029.</p> <p>Now the proponent has applied for EC Amendment for inclusion of mining method i.e., Underground mining method in addition to existing open cast method in the existing mine.</p> <p>The committee verified the application, IBM approved mining plan, EMP, EC order dt. 09.10.2015 and recommended to issue EC Amendment for inclusion of mining method i.e., Underground mining method in addition to existing open cast method mining method (Mentioned in Page No 35 & - 44 of IMB approved Mining plan) and Life of the mine is 5.67 years.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Amendment to EC for inclusion of mining method i.e., Underground mining method in addition to existing open cast method mining method with following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in Environmental management plan. |

| | |
|--|--|
| | <p>2. The project proponent shall develop greenbelt along roadside and shall take dust suppression measures.</p> <p>3. Buffer zone Plantation should not be disturbed and the project proponent shall further plant the plants in Buffer zone.</p> <p>4. The project proponent shall comply with the conditions stipulated in DGMS rules and regulations.</p> <p>5. The project proponent shall provide minimum 2 no of shafts for the underground mining and it should be interlock with each other.</p> <p>Decision of SEIAA:- Refer to SEAC to examine the mining method as per the IBM approved mining plan.</p> |
| <p>Agenda Item No: 221.23 & 218.17</p> | <p>1.323 Ha Mica, Quartz and Feldspar Mine of M/s.Sadhana Minerals at Sy.No.690/1(P) & 690/4(P) of Chaganam Village, Sydapuram Mandal, SPSR Nellore District. A.P.- Amendment of EC- Reg. SIA/AP/MIN/300913/2023</p> |
| | <p>Recommendations of the SEAC on 22.06.2023</p> <p>The project proponent has obtained EC vide order dt. 28.03.2023 for mining of Feldspar, Mica & Quartz - 2787 TPA over an extent of 1.323 Ha. The EC was issued for the underground mining method and is valid for a period of 20 years i.e., 28.03.2043.</p> <p>Now the proponent has applied for Amendment for EC for usage of explosives for blasting in the underground mining method.</p> <p>The project proponent and their consultant M/s. Global Enviro Labs have attended the meeting and presented their proposal. The SEAC noted that:</p> <ol style="list-style-type: none"> a. Drilling and Blasting activities are proposed in the mining applied area and as per the order of Hon'ble NGT in O.A No 304/2019 a minimum distance of 200 meters is required for the allowing mining with blasting from residential/ public buildings, inhabited sites. b. The Nearest habitation is Jaflapuram village and is at a distance of about 157 mts from boundary point 2 in South East side of the applied area. c. The proponent has proposed manual underground method of mining in the applied area as it falls in 100 mts buffer area from Habitation of Jaflapuram village. d. The project proponent has proposed no drilling and blasting operations within 200 mts from Jaflapuram village as per the orders of the hon'ble NGT in OA No.304/2019 and this buffer area from 100 to 200 mts (0.502 ha) will be used for dumping and Plantation. e. The mining operations with drilling and blasting (with explosives) will be continued in the applied area at North and NE sides by leaving the 200 mts buffer area from Habitation of Jaflapuram village. f. The project proponent has submitted approved mining plan as per the NGT norms by leaving 0.502 Ha as non-mining zone. <p>The committee verified the application, approved mining plan 19.01.2023, EMP, EC order dt.28.03.2023 and recommended to issue Amendment to the EC order dt. 28.03.2023 for amending the part -B specific condition .1(b) as the project proponent shall use explosives for Jack hammer drilling & blasting (Mentioned in</p> |

| | <p>Recommendations of the SEAC on 16.03.2023</p> <p>Category: B1.</p> <p>The proposed project is for mining of Quartzite in an area of 12.14 Ha. with a proposed production quantity of Quartzite – 1,40,000 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> |

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant M/s. SV EnviroLabs& Consultants have attended the meeting.

The proponent has obtained Violation TOR with public hearing was issued on 03.02.2022. public hearing was held on 18.08.2022.

SO No 804 dt 14.03.2017 compliance :

1.Credible action was initiated vide CC No 44/2017 dt.08.04.2017 in the court of additional judicial magistrate of first class, chodavaram and paid amount of Rs. 10,000/.

2.Submitted undertaking on 09.11.2020 stating that the violation will not be repeated.

3. Remediation and resource augmentation plan with a cost of Rs 8,95,641.00 submitted . BG is to be submitted.

Public hearing details

Damage to roads, earlier violation& penalty paid by the proponent , mining impact on surrounding cultivation, mango & cashew orchards, health problems , dust pollution , skin diseases , villagers dependence on proposed mining hillock etc., were raised in the public hearing. Majority are not in favor of the project.

The reply by the proponent for the issues raised in the PH is as follows:

Sri. Capt. Jyotish Kumar on behalf of Smt. M.A.R. Kumari, project proponent who is authorized person attended the public hearing welcomed the gathering and could not reply owing to opposing of the project .

While concluding proceedings of the public hearing, The District Revenue officer & Additional District Magistrate, Anakapalli District has informed that 11 people have submitted representations and further informed that proceedings of the public hearing in the form of audio and visual recording along with the written minutes of the public hearing will be sent to SEIAA, Vijayawada govt. of India for taking further necessary action in respect of EC.

The base line data was collected from Feb,2022 to April,2022.

The predominant wind direction is observed to be South to North. The maximum concentration of SPM is observed to be 81.23 $\mu\text{g}/\text{m}^3$. The incremental concentration is 3.23 $\mu\text{g}/\text{m}^3$. The GLC of SPM will fall at 0.49Km in Northern direction of the mine.

EMP Budget Details:

Capital costs: 13.7 Lakh

Recurring cost: 10.5 Lakhs

The proponent volunteered to provide Health camps and digital class rooms to **Pindrangi** Village as a part of Corporate Social Responsibility (CSR) activity and

shall maintain till the life of the mine.

The decision of 203rd SEAC meeting:

The Committee after examining the project proposals, presentations, EIA appraisal, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for:

1. Submission of Penalties letter from ADMG and proof of submission of BG as per SO No 804 notification and paying of penalties as per clause No 12 of SOP dated 07-07-2021
2. The proponent shall submit proposals for reduction in production in view of the objections raised in the public hearing.

The proponent has reduced production quantity from **Quartzite – 1,80,000 TPA to Quartzite – 1,40,000 TPA as per** objections raised in the public hearing.

The project proponent has submitted production dispatch letter from ADMG, Visakhapatnam vide letter dt. 23.12.2022.

Penalty is calculated and recommended to take further action in complying with OM 07.07.2021 SoP.

| SN | Name of the mine | Project cost in Rs. | Total production during violation period as reported by mining department letter dt. 23.12.2022 | Cost of the mineral as reported by the mining department letter dt. 23.12.2022 | Turnover during violation period in Rs as reported by the mining department vide letter dt. 23.12.2022 | 1% of project cost in Rs | 0.25% of turnover during violation period in Rs | Total penalty amount to be levied as per OM 07.07.2021 in Rs |

Decision of 212th SEAC meeting:

The Committee after examining the project proposals, presentations, EIA appraisal, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to constitute a sub committee to verify the objections/facts of public hearing pertaining to the waste dumps and spill over of the waste of the mine.

1. Prof. G. Gnana Mani

2. Dr. M. Sunandana Reddy

3. Sri. K. VenkataRamana.

The Committee was accompanied by the proponent's representative Sri Raj Datta and Sri. Naidu, Consultant and the committee was shown the existing mine and its surroundings. The committee has looked into the objection raised in the public hearing and has made the following observations.

1. The existing mine lease area is over 200m from the Hamlet Deekshitula Agraharam at 0.32 kms on Northwest side, Daliva village at 0.95 kms on southwest side, Pindrangi village at 1.2 kms Northeast side and Marrivalasa village at 1.8 kms on southeast side. (Google Imagery enclosed)
2. The drilling and blasting operations of the existing mine does not in any way affect the households in the villages nearby. However, controlled blasting techniques should be adopted in the mine.
3. The existing waste dump on the eastern side was filled up with waste and due to rain the runoff has spilled over to the village road. The proponent has removed the spill over waste from the bottom of the waste dump and had promised to remove the waste even further.
4. A new road is constructed between Dalivalasa and Pindrangi villages. The waste is being utilized for strengthening the shoulders of the road.
5. The proponent should construct a 3m high rock bund in the shape of a retaining wall at the bottom of the waste dump to prevent spillage of the waste onto the road.
6. The proponent has promised a new road which bypasses the villages. The quartzite is transported to the railway siding near Kantakapalli railway station, which is about 16km from the mine.
7. Another mine also exists on the rear side of the hillock.

The proponent has given an undertaking regarding the construction of the retaining wall and transportation through a new road which bypasses the villages.

In view of the above observations the Sub-Committee has opined that an annual production of 1,00,000 tons per annum maybe permitted keeping in view the environmental aspects. In view of the habitations being far away from the mine and the affidavit given by the proponent, the existing mine maybe recommended for Environmental Clearance.

Again this proposal was placed in 215th SEAC meeting:

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue **Environmental Clearance** for quantity of 1,00,000 TPA with following conditions:

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.

| <p>The proponent volunteered to provide water treatment plant, health camps and strengthen of Dharmavaram PHC by providing surgical beds in Dharmavaram PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>Decision of 212th meeting: The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & OMs, EIA Report, PH minutes and detailed deliberations, decided to constitute a sub committee with the following members to verify the facts/objections in public hearing.</p> <ol style="list-style-type: none"> 1. Prof. G. Gnana Mani 2. Dr.M. Sunandana Reddy 3. Sri. K. VenkataRamana <p>The Committee was accompanied by the proponent's representative Sri D SrinivasBabu and Sri Naidu, Consultant and the committee was shown the existing mine and its surroundings. The committee has looked into the objections raised in the public hearing and had made the following observations.</p> <ol style="list-style-type: none"> 1. The existing mine lease area is over 500m from the Chukkavanipalem on the South side at 0.64 kms, Santa Guarampeta on Western side at 0.84 kms, KothaChamalapalli on Northern side at 0.74 kms and Sanyasipalem village on North west side at 1.38 kms, Dharmavaram on North side at 1.72 kms from lease boundary. From this existing quarry, approach road is available from south side, which is directly connected to Alugubilli road instead of households. (Google Imagery enclosed). 2. The existing mine is amongst many working and non working quarries. The drilling and blasting operations of the existing | | | | | | | | |

mine does not in any way affect the households in the villages nearby. However, controlled blasting techniques should be adopted in the mine.

3. There are no agriculture lands within 200m of the lease area.
4. The working mines in the cluster, area wetting the roads to avoid fugitive dust. The villagers have confirmed this and there are signs of road wetting also.
5. The surface runoff preventive measures should be adopted.

The proponent has given an undertaking stating that, he too would join the cluster and carryout the EMP. The roads are also maintained by the cluster mines.

In view of the above observations the Sub Committee has opined that an annual production of 30,119 Cu.m per annum maybe permitted keeping in view the nominal production compared to other mines in the cluster. In view of the habitations being far away from the mine and the affidavit given by the proponent, the existing mine maybe recommended for Environmental Clearance.

Again this proposal was placed in 215th SEAC meeting:

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue **Environmental Clearance** for quantity of 30199 M3/Annum with following conditions:

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by water spraying with tankers continuously.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall develop native species plants and fruit plants in surrounding villages.
8. The project proponent shall conduct health camps at least every 6 months with help of local PHC.
9. The project proponent shall carryout mining activities through proper benches.
10. The project proponent shall adopt for controlled blasting
11. The proponent shall adopt for surface runoff prevention measures.
12. The project proponent shall maintain roads along with cluster partners.
13. The project proponent shall submit proof of depositing of Bank Guarantee of **Rs.2,75,514/-** at APPCB as per SO No 804 dt.14.03.2017.
14. The proponent shall pay penalty of Rs.77,372/-

The issue was discussed in the SEIAA meeting held on 08.04.2023 and agreed with the recommendations of the SEAC and decided to address a letter to the project proponent to submit the Bank Guarantee amount of Rs.2,75,514/- and to pay the
