Additional Agenda Proposal No – 424595 (22963)

Proponent - Jaipur International Airport Limited

Consultant - M/S-Gaurang Environmental Solutions Pvt. Ltd.

The proposal was considered earlier in the 5.92nd meeting of the Authority held on 25.08.2023, with respect to representation submitted by PP requesting exemption from public hearing. The Authority deferred the proposal holding the view that this proposal requires further examination in respect of the grounds on which the application was made and precedents given.

In this meeting, PP was heard. They have also cited similar examples in which MoEF has exempted them from requirement of Public Hearing in other states. Hence, SEAC may examine the proposal as per para 8 of OM dated 11.04.22, according to which SEAC has the authority to consider the proposals on case by case basis for exemption with respect to Public Hearing. Hence, the Authority decided to **refer back this proposal to SEAC** to reconsider its recommendations.

Meeting ended with vote of thanks to the chair.
