- (ii) The proposal is for Construction of Multilevel Car Parking project [LGF+UGF+1F+2F] on Khata no. - 252 over an built up area - 29641.52sqm at Mouza - Puri Town, Unit no.-21, Balagandi, near Jail Road, Tahasil - Puri, Dist - Puri, Odisha by M/s Odisha Bridge & Construction Co Ltd filed by Sri Prabhat Kumar Panigrahy (General Manager).
- (iii) The state government of Odisha has planned to develop the infrastructure of the Lord Jagannath Temple at Puri under the ABADHA (Augmentation of Basic Amenities and Development of Heritage and Architecture scheme). The Multilevel Car Parking Center is one of the projects to be implemented under the same scheme aimed at beautifying the district of Puri. The project is envisioned as a mix of multi-level parking, vending space. The project site is located near to the Govt. Hospital Puri. The site is coming under developmental Plan of Puri Konark Development Authority and Puri Municipal Corporation. The building plan has been approved by Directorate of Design, Odisha and Odisha Bridge and Construction Corporation Limited. Odisha.
- (iv) Total land acquired for this project is 14265.18 sqm 3.52Ac or say 1.426 Ha. Proposed Total Built up Area: 29,641.52 sqm. The proposed project will have a total building foot-print of 7279 sqm (51.3% of the total plot area Total green area proposed 3067 sqm (21.5 % of total area) Other area is about 3919.205sqm (27 %)

MINUTES OF 95th MEETING OF THE SEIAA, ODISHA HELD ON 29.10.2022

- of the plot area).
- The Geographical co-ordinate of the project site is: Latitude: 19°48'54.93"N and Longitude: 85° 49'48.57" E. The proposed site is well connected to Badadanda and Puri Balanga Road through a approach Road and is at 0.24 Km in the south direction. The nearest airport is Biju Pattanaik Airport which is 47 km away from the project site towards N direction. Puri railway station is 2.36 km away from the project site towards SSE direction.
- (vi) Project Comprises of following facilities:
- Commercial Shops
 - Multilevel parking for 504 nos. of 4 wheelers and 504 nos. of two wheelers
 - Other necessary facilities
- (vii) **Water Requirement:** Fresh make up of 41KLD will be required for the project which will be sourced from Public Health Department. Total water requirement will be 106 KLD. It is expected that the project will generate 85 KLD of wastewater which will be treated in STP of capacity 90 KLD. The treated water recovered from STP will be (76 KLD) recycled and will be used for toilet flushing, for horticulture in the project site and excess 11 KLD of water will be discharged into the nearby sewerage drain only during monsoon season.
- (viii) **Power requirement:** The daily power requirement for the proposed complex is preliminarily, estimated to be 951 KW and source is from Odisha State Electricity Board Supply. In order to meet emergency power requirements during the grid failure, there is provision of two nos. of DG set having 500KVA capacities for power back up in the Project. Solar energy to be generated by solar panels = 300KW
- (ix) **Rainwater Harvesting:** Total Runoff from Storm Water from Site is will be harvested through 5 no. of recharge pits.
- (x) **Firefighting Installations:** Firefighting system will be installed as per recommendation of the Firefighting Officer, Odisha and as per the provisions given in Part-IV of National Building Code of India -2016 and relevant BIS specifications.
- (xi) **Greenbelt Development:** Total green area measures 3067 m² i.e. (21.5 % of the net plot area) which will include plantation of 180 nos. of trees.
- (xii) **Parking Details:** Total parking area-18649.97Sqmt. There is a two entry and exit point for the proposed site. For effective movement of vehicles and persons the dimension of peripheral road has been considered as more than 6m.
- (xiii) **Solid Waste Management:** During the operation phase, waste will comprise domestic as well as Biomedical waste. The solid waste generated from the project shall be mainly MSW (Municipal solid waste) approx. 415 kg/day. Proper waste management practices will be adopted during the collection, storing and disposal of the generated solid waste as per the guidelines of Solid Wastes Management Rules, 2016.
- (xiv) **Project cost:** Estimated Cost of Project: 68 Crores and Environmental Monitoring programme cost – 57lakhs.
- (xv) The total estimated population of the project will be 4700 persons (including staffs & visitors).

MINUTES OF 95th MEETING OF THE SEIAA, ODISHA HELD ON 29.10.2022

Whether SEAC recommended the proposal – Yes, the SEAC recommended for grant of Environmental Clearance valid for 10 years with additional specific conditions in its meeting dated 02.09.2022.

- i) "Khatian" (Patta after Mutation) for the entire land from the appropriate Revenue Authority with 'Kisam' as Gharabari shall be obtained along with ownership before which construction work shall not start. The Proponent before implementation of the project shall convert the land to Gharabari and shall take the ownership of the land if not already taken.
- ii) The Proponent shall obtain permission/NOC from Executive Engg (PHD) and / or from the appropriate authority for disposal of Sewage and treated effluent to the nearest drain without which the Proponent will not start construction work. Also in case of the connecting drain passing through others land (Govt. or Private land), the Proponent shall obtain the permission and possession as the case may be.
- iii) The proponent shall implement the Pollution Control Measures and safeguards as proposed in the Environment Management Plan (EMP) of project report.
- iv) All the compliances submitted/ committed by PP (s) shall be strictly adhered to by them.
- v) The Sub-Committee of SEAC will visit the site within 3 months from the date of issue of Environmental Clearance to verify the progress of the project as well as conditions stipulated in Environmental Clearance. However, either during the visit of the SEAC Sub-committee and/or at any time, if it is noticed that stipulated conditions on which EC is granted is not in place or found otherwise, steps will be taken for revocation of EC granted.

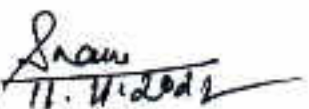

Decision of Authority:

After detailed deliberations, the Authority decided to grant Environmental Clearance to the proposal with stipulated conditions as recommended by SEAC with the following additional conditions.

1. Correct kml file of the project site with DGPS survey shall be e-mailed by PP.

Member Secretary, SEIAA

Member, SEIAA

Chairman, SEIAA

2. Policy Decision of SEIAA, Odisha

Policy Decision on monitoring of stipulated Environmental Conditions of Building and Construction Projects. It has been brought to the notice that the project proponents are not submitting the Compliance report in the PARIVESH Portal on regular basis.
