

A meeting was held in SEIAA office on 18.12.2021 with Secretary, SEAC and other concerned members of SEAC on the appraisal of Sum Hospital and Sum Ultimate Proposals.

After detailed deliberation it was decided that the appraisal shall cover the following aspects.

1. List of the buildings built before 14.09.2006 i.e. coming into force of the EIA Notification, 2006, and their built up area of each.
2. List of buildings covered by the EC granted on 19.12.2013 for 50,553 sqmtr. of built up area. Classify these buildings into hospital buildings and educational institute / hostel buildings.
3. List of the buildings subsequently constructed after 22.12.2014. Classify the buildings into hospital buildings and educational institute / hostel. Identify the buildings from this list which are the hospital buildings covered by the EC granted in 2013.
4. List of buildings (i) not covered by item-2 above, and hospital buildings constructed after 22.12.2014 but not covered by the EC of 2013.

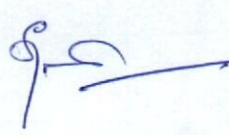

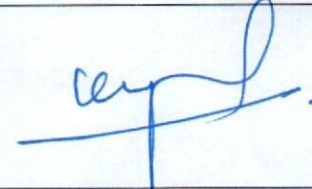

The above information may be furnished in the enclosed format for both the proposals.
