**MINUTES OF THE 254th MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.
HELD ON - 11th, 12th & 13th March, 2025 AT VIJAYAWADA, A.P.**

Present: The following members were present. (Through hybrid mode Conference)

1.	Shri Batchu Siva Prasad, Flat No. 102, Trinethra Apartments, Dasari Lingaiah Street, Mogalrajapuram, Vijaywada.	Chairperson
2.	Shri Chenchugarla Krishna Moorthy, Flat Number: G-01, Padmavathi Towers, Thirumalareddy Nagar, Tirupathi 517 501.	Member
3.	Dr. Thummala Chandrasekhar, H. No. 79/71-81, Shri Raghavendra Township Near Sakshi Office, Kadapa.	Member
4.	Prof. Kondra Sudhakar Babu, Flat No. 405, 5th Floor, Mahaboob Towers, Georgepet, Near More Market, Ananthapuramu 515004.	Member
5.	Prof. Gonuguntla Venkata Naidu, Door No.28-3-168, Tarakanath Colony, Sarada Nagar, Jawaharlal Nehru Technological University Engineering College Road, Anantapur.	Member
6.	Prof. Guntuku Girija Sankar, 6-21-11/2, Flat No. 401, Skyline Vaibhavam Apartment, East Point Colony, Visakhapatnam-17.	Member
7.	Shri Godavathi Veera Venkata Satyanarayana Chowdary, SL-04/7, Paramount Towers, Panorama Hills, Nyaya Vidya Parishad Law College Road, Yendada, Visakhapatnam 530045.	Member
8.	Prof. Peela Sujatha, W/o PVLN Murthy, D. No. 1-51-8/2, Sector-1, Near Sanjeevi Hospital, Muvvala Vani Palem Colony, Lawsons Bay Colony, Visakhapatnam - 530017.	Member
9.	Dr. Ponnekanti Joseph Ratnakar, D. No. 18-52/4, Kolakalur, Tenali 522307, Guntur District, Andhra Pradesh.	Member
10.	Dr. Muvva Vijayalakshmi, D.No. 4-19-13/1, Sai Nilayam, Vijayapuri 1st lane, Jagarlamudi Kuppuswamy Choudary College road, Guntur - 522 006.	Member

Agenda Item: 256.01	5.0 Ha Colour Granite of Sri N. Syed Ajmal Survey No. 691/Part, Madanapalli Village, Madanapalli Mandal, Annamayya District (formerly Chittoor), Andhra Pradesh - ADS Reply - EC - Reg.
SIA/AP/MIN/519 010/202 5	<p>Category: B2 (Minor mineral).</p> <p>The project is for mining of Colour Granite in an area of 5.0 Ha. with a proposed production quantity of Colour Granite 1798 to 12279 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant, M/s. Team Labs and Consultants have attended the meeting and presented their proposal. The SEAC Committee noted that:</p> <ol style="list-style-type: none"> The project proponent not uploaded old mining plan, cluster letter and production details. Hence, committee directed the project proponent to submit old mining plan, cluster letter and production details. This proposal was placed in 252nd SEAC meeting and then the Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended to raise ADS for submission of old mining plan, cluster letter and production details. Accordingly, the project proponent submitted ADS reply on 10.02.2025 and again, this proposal was placed in 254th SEAC meeting and noted that: <ul style="list-style-type: none"> ➤ Now the project proponent applied for Re-appraisal of Environmental clearance issued by the DEIAA and also submitted Intimation ID No. DEIAA/AP/CTR/G-258/2018-163/503/2018/154618 issued by the SEIAA, A.P.

Member Secretary
SEAC

Chairman
SEAC

- The committee noted this is an existing mine lease and the DEIAA, **Annamayya** issued Expansion of Environmental clearance on 15.10.2018 to the subject mine for mining for **Colour Granite : 1798 to 12279 m³/annum**. This order is valid for a period of **20** years or the expiry date of mine lease period issued by the Government of A.P i.e, whichever is earlier.
- The Department of Mines and Geology submitted DSR of **Annamayya** District. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 86 of DSR Report.
- The project proponent vide letter dt. 07.02.2025 submitted dispatch details issued by the Department of Mines and Geology, Madanapalle, Annamayya District.
- The Department of Mines and Geology vide letter dt. 24.09.2012 issued Lease deed executed and work order to the subject mine for 20 years.
- The Committee noted that as per the cluster letter dt 23.10.2024 issued by the Department of Mines & Geology, there are 07 existing quarry leases within the radius of 500 mtrs area. The total cluster area is 25.71 Ha which is > 25 Ha.
- The project proponent requested the committee to raise ADS for submission of revised cluster letter as the few leases in the cluster mines have obtained Environmental clearance before 15.01.2016 but it was not reflected in the cluster letter. Hence, committee recommended for ADS.
- d. This proposal was placed in 254th SEAC meeting and then the Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended **to raise ADS** for submission of revised cluster letter.
- e. Accordingly, the project proponent submitted ADS reply on 08.03.2025 and again, this proposal was placed in 256th SEAC meeting and noted that:

Member Secretary

Chairman
SEAC

- The Committee noted that as per the cluster letter dt 25.02.2025 issued by the Department of Mines & Geology. The total cluster area is 14.325 Ha which is < 25 Ha.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended **SEIAA for issue** of Environmental Clearance for mining of **Colour Granite 1798 to 12279 m³/annum** over a period of mine is 19 years, covering an area of 5.0 hectares, in favour of **Sri N. Syed Ajmal Survey No. 691/Part, Madanapalli Village, Madanapalli Mandal, Annamayya District (formerly Chittoor)**. The recommendation is subject to the following additional conditions with following conditions:

1. The project proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt along approach roads & village Roads.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/ canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to

Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The Authorized person of the project and their consultant M/s. Pragathi Labs & Consultants Pvt. Ltd., have attended the meeting and presented the proposal. The SEAC committee noted that:

- a. Now the project proponent applied for Re-appraisal of Environmental clearance issued by the DEIAA and also submitted Intimation ID No. DEIAA/AP/ATP/2017/6647/39/754/2017/467416 issued by the SEIAA, A.P.
- b. The committee noted this is an existing mine lease and the DEIAA, **Ananthapuramu District** issued Environmental clearance on 17.11.2017 for mining for **Colour Granite: 2,591 m³/annum**. This order is valid for a period of **20** years or the expiry date of mine lease period issued by the Government of A.P i.e, whichever is earlier.
- c. The Department of Mines and Geology submitted DSR of **Sri Satya Sai District**. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 73 of DSR Report.
- d. The project proponent vide letter dt. 04.03.2025 submitted production and dispatch details issued by the Department of Mines and Geology, Sri Satya Sai District.
- e. The Department of Mines and Geology vide letter dt. 07.04.2018 issued work order upto 06.04.2038.
- f. The Committee noted that as per the cluster letter dt 04.03.2025 issued by the Department of Mines & Geology, there are 03 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 25 Ha.
- g. As per the approved mining plan dt. 21.01.2017, the total available mineral reserves are **70475 m³**. The Life of the mine is **28** years.
- h. The committee noted that mine lease area is crossing the state boundary. Hence, committee directed the project proponent to

Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The Authorized person of the project/ PP and their consultant M/s. Ecomen Mining Pvt. Ltd., have attended the meeting and presented the proposal. The SEAC committee noted that:

- a. Now the project proponent applied for Re-appraisal of Environmental clearance issued by the DEIAA and also submitted Intimation ID No. DEIAA/AP/500/WG/2018/EC-18/748/2018/845950 issued by the SEIAA, A.P.
- b. The committee noted this is an existing mine lease and the DEIAA, **West Godavari** issued Environmental clearance on 02.10.2018 for mining for **Colour Granite** -: **2900 m³/annum**. This order is valid for a period of **10** years or the expiry date of mine lease period issued by the Government of A.P i.e, whichever is earlier.
- c. The Department of Mines and Geology submitted DSR of **Eluru** District. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 93 of DSR Report.
- d. The project proponent vide letter dt. 01.03.2025 submitted production and dispatch details issued by the Department of Mines and Geology, Eluru District.
- e. The Department of Mines and Geology vide letter dt. 23.01.2019 issued work order upto 22.01.2039.
- f. The Committee noted that as per the cluster letter dt 25.02.2025 issued by the Department of Mines & Geology, there are 03 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 25 Ha.
- g. As per the approved mining plan dt. 08.08.2018. The Life of the mine is **100** years.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended **SEIAA for issue** of Environmental Clearance for mining of **Colour Granite** -: **2900 m³/annum** over a period of mine is **30** years, covering an area of

submitted	Intimation	ID	No.
DEIAA/AP/ATP/2018/10603/153/754/2018/347668			
issued by the SEIAA, A.P.			
b. The committee noted this is an existing mine lease and the DEIAA, Anantapuramu issued Environmental clearance on 24.10.2018 for mining for Colour Granite: 18,000 m³/annum . This order is valid for a period of 20 years or the expiry date of mine lease period issued by the Government of A.P i.e, whichever is earlier.			
c. The Department of Mines and Geology submitted DSR of Sri Satya Sai District. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 96 of DSR Report.			
d. The project proponent vide letter dt. 05.12.2024 submitted production and dispatch details issued by the Department of Mines and Geology, Sri Satya Sai District.			
e. The Department of Mines and Geology vide letter dt. 06.05.2019 issued work order upto 05.05.2039.			
f. The Committee noted that as per the cluster letter dt 02.01.2025 issued by the Department of Mines & Geology, there are 02 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 25 Ha.			
g. As per the approved mining plan dt. 27.03.2018, the total available mineral reserves are 6,74,072 m³ . The Life of the mine is 37 years.			
The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended SEIAA for issue of Environmental Clearance for mining of Colour Granite: 18,000 m³/annum over a period of mine is 30 years, covering an area of 2.990 hectares, in favour of Sri G. Anjaneyulu S/o G.Chinna Narasimhappa , at Sy.No:37-4 of Dorigallu Village of Mudigubba Mandal, Dharmavaram Division, Ananthapuramu District . The recommendation is subject to the following additional conditions with following conditions:

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The Authorized person of the project and their consultant M/s. Ecomen Mining Pvt. Ltd., have attended the meeting and presented the proposal. The SEAC committee noted that:

- a. Now the project proponent applied for Re-appraisal of Environmental clearance issued by the DEIAA and also submitted Intimation ID No. DEIAA/AP/ATP/2018/2029/139/754/2018/806142 issued by the SEIAA, A.P.
- b. The committee noted this is an existing mine lease and the DEIAA, **Ananthapuramu** issued Environmental clearance on 08.09.2018 for mining for **Colour Granite** -: **4,086 m³/annum**. This order is valid for a period of **20** years or the expiry date of mine lease period issued by the Government of A.P i.e, whichever is earlier.
- c. The Department of Mines and Geology submitted DSR of **Sri Satya Sai** District. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 109 of DSR Report.
- d. The project proponent vide letter dt. 04.03.2025 submitted production and dispatch details issued by the Department of Mines and Geology, Sri Satya Sai District.
- e. The Department of Mines and Geology vide letter dt. 10.06.2019 issued work order upto 09.06.2039.
- f. The Committee noted that as per the cluster letter dt 04.03.2025 issued by the Department of Mines & Geology, there are 05 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 25 Ha.
- g. As per the approved mining plan dt. 09.08.2017, the total available mineral reserves are **315434 m³**. The Life of the mine is **77** years.

Member Secretary
SEAC

Chairman
SEAC

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended **SEIAA for issue of Environmental Clearance for mining of Colour Granite -: 4,086 m³/annum** over a period of mine is 30 years, covering an area of 3.400 hectares, in favour of **Sri M.E.Sunil Kumar S/o Eranna, at Sy.No:152 of Rathnagiri Village of Rolla Mandal, Penukonda Division, Ananthapuramu District**. The recommendation is subject to the following additional conditions with following conditions:

1. The project proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt along approach roads & village Roads.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to avoid road damages and dust nuisance to surroundings.

SEAC

- a. Now the project proponent applied for Re-appraisal of Environmental clearance issued by the DEIAA and also submitted Intimation ID No. DIA/AP/MIN/12716/2018/519/2018/509744 issued by the SEIAA, A.P.
- b. The committee noted this is an existing mine lease and the DEIAA, **Srikakulam** issued Environmental clearance on 08.07.2018 for mining for **Colour Granite** -: **11228.40 m³/annum**. This order is valid for a period of **20** years or the expiry date of mine lease period issued by the Government of A.P i.e, whichever is earlier.
- c. The Department of Mines and Geology submitted DSR of **Srikakulam** District. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 86 of DSR Report.
- d. The project proponent vide letter dt. 04.03.2025 submitted production and dispatch details issued by the Department of Mines and Geology, Srikakulam District.
- e. The Department of Mines and Geology vide letter dt. 22.10.2018 issued work order upto 21.10.2038.
- f. The Committee noted that as per the cluster letter dt 04.03.2025 issued by the Department of Mines & Geology, there are 04 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 25 Ha.
- g. As per the approved mining plan dt. 09.01.2018, the total available mineral reserves are **526896 m³**. The Life of the mine is **47** years.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended **SEIAA for issue** of Environmental Clearance for mining of **Colour Granite** -: **11228 m³/annum** over a period of mine is **30** years, covering an area of **4.930** hectares, in favour of **Sri Choudary Suresh in Sy.No. 578 of Jarali (V), Saravakota (M), Srikakulam District**. The

	<p>recommendation is subject to the following additional conditions with following conditions:</p> <ol style="list-style-type: none"> 1. The project proponent shall comply with the proposals furnished in the Environmental management plan. 2. The project proponent shall develop greenbelt along approach roads & village Roads. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers. 6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement. 7. The project proponent shall not use village road/ canal bund roads for mineral transportation purpose. 8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents. 9. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to avoid road damages and dust nuisance to surroundings.
Agenda Item: 256.16	2.990 Ha for Colour Granite Quarry mining of Sri C.Narasimha Murthy, Sy.No: 37-5 of Dorigallu Village, Mudigubba Mandal, Ananthapuramu District, Andhra Pradesh - EC - Reg.
SIA/AP/MIN/528 550/202 5	<p>Category: B2 (Minor mineral).</p> <p>The project is for mining of Colour Granite in an area of 2.990 Ha. with a proposed production quantity of Colour Granite - : 3962 m³/annum with a condition that the total production</p>

during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The Authorized person of the project and their consultant M/s. Ecomen Mining Pvt. Ltd., have attended the meeting and presented the proposal. The SEAC committee noted that:

- a. Now the project proponent applied for Re-appraisal of Environmental clearance issued by the DEIAA and also submitted Intimation ID No. DEIAA/AP/ATP/2017/6635/59/754/2018/654618 issued by the SEIAA, A.P.
- b. The committee noted this is an existing mine lease and the DEIAA, **Ananthapuramu District** issued Environmental clearance on 12.01.2018 for mining for **Colour Granite** :- **3962 m³/annum**. This order is valid for a period of **20** years or the expiry date of mine lease period issued by the Government of A.P i.e, whichever is earlier.
- c. The Department of Mines and Geology submitted DSR of **Sri Satya Sai District**. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 96 of DSR Report.
- d. The project proponent vide letter dt. 04.03.2025 submitted production and dispatch details issued by the Department of Mines and Geology, Sri Satya Sai District.
- e. The Department of Mines and Geology vide letter dt. 15.05.2018 issued work order upto 14.05.2038.
- f. The Committee noted that as per the cluster letter dt 04.03.2025 issued by the Department of Mines & Geology, there are 04 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 25 Ha.

- c. The Department of Mines and Geology submitted DSR of **Nellore** District. The same is reviewed in the SEAC meeting and observed that the mineral details mentioned at Page No 115 of DSR Report.
- d. The project proponent vide letter dt. 04.03.2025 submitted production and dispatch details issued by the Department of Mines and Geology, SPSR Nellore.
- e. The Department of Mines and Geology vide letter dt. 09.11.2018 issued work order upto 08.11.2033.
- f. The Committee noted that as per the cluster letter dt. 04.03.2025 issued by the Department of Mines & Geology, there are 05 existing quarry leases and 01 Lol within the radius of 500 mtrs area. The total cluster area is < 25 Ha.
- g. As per the approved mining plan dt. 05.05.2017, the total available mineral reserves are **567060 m³**. The Life of the mine is **12** years.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended **SEIAA for issue** of Environmental Clearance for mining of **Road Metal/Building Stone - : 56,160 m³/annum** over a period of mine is **12** years, covering an area of **3.80** hectares, in favour of **M/s. Sri Lakshmi Srinivasa Mining, at Sy.No.135, Palicherlapadu Village, Venkatachalam Mandal, Vadiapudi Reserved Forest, SPSR Nellore District**. The recommendation is subject to the following additional conditions with following conditions:

1. The project proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt along approach roads & village Roads.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.

Member Secretary
SEAC

Chairman
SEAC

5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to avoid road damages and dust nuisance to surroundings.

Agenda Item: 234.31, 244.07 & 256.21
3.564 Ha Road Metal & Building Stone mining of Sri K. Krishna Prasad at Sy.No.141 of Chandrapuram Village, Rambhadrapuram Mandal, Vizianagaram District, Andhra Pradesh -- EC - Reg.

SIA/AP/ MIN/438 362/202 3
Category: B2 (Minor mineral).

The proposed project is for Enhancement of mining of Road Metal & Building stone in an area of 3.564 Ha with a proposed production quantity of Road Metal and Building Stone -1,75,000 m³/annum to 3,33,440 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project of proponent and their consultant, M/s VVN Technologies Pvt Ltd., have attended the meeting and presented their proposal. The SEAC Committee noted that:

a) The Department of Mines and Geology submitted DSR of erstwhile Vizianagaram District and the same is reviewed in

Member Secretary
SEAC

Chairman
SEAC

- the SEAC meeting. The SEAC noted that the mineral content is available in the nearby village /cluster to the subject mine.
- b) The SEIAA, AP has issued Environmental clearance on 18.12.2020 for mining of Road metal and building stone of 1,10,920 m³/annum and same is valid for 11 years.
 - c) The SEIAA, AP has issued Environmental clearance for expansion on 01.05.2023 for mining of Road metal and building stone from 1,10,920 m³/annum to 1,75,000 m³/annum and same is valid for 7.08 years.
 - d) Again, the project proponent has applied environmental clearance for expansion of Road Metal and Building Stone - 1,75,000 m³/annum to 3,33,440 m³/annum.
 - e) The committee noted that the project proponent obtained Certified compliance report on 05.09.2022 from SPCB and the same is valid for one year. The MoEF&CC vide OM dt. 08.06.2022 informed the procedure to adopted by the SEAC while appraising expansion projects and as per the Notification the certified compliance issued by the concerned authority shall be valid for a period of 1 year from the date of inspection of the project.
 - f) As the CCR furnished by the project proponent is more than one year and hence the committee recommended to raise ADS for submission of latest Certified compliance report from IRO, Vijayawada, as per OM dt. 08.06.2022.
 - g) The proposal was earlier placed in 234th SEAC meeting and then the Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended to **raise ADS** for submission of latest Certified compliance report from IRO, Vijayawada, as per OM dt. 08.06.2022.
 - h) The project proponent submitted a reply to the ADS on 30.08.2024. This proposal was presented at the 244th SEAC meeting, where it was noted that the project proponent had provided a Certified Compliance Report dated 22.07.2024, issued by the Sub-office of MoEF&CC, GoI (IRO), Vijayawada. The report mentions the following:
"Letter issued to Project Authorities for taking corrective measures and requested for submission of Action taken report against the non- compliance observed for issues of final certified report".

Member Secretary
SEAC

Chairman
SEAC

- i) This proposal was placed in 244th SEAC meeting and then the committee directed the project proponent to submit final certified report issued by Sub-office of MoEF&CC, GoI, (IRO), Vijayawada. **Hence, committee recommended to raise ADS for submission of the final certified report.**
- j) The project proponent submitted a reply to the ADS on 24.01.2025 Submission of Latest Certified Compliance Report from IRO, Vijayawada.
- k) Again, this proposal is placed 256th SEAC meeting and noted that:

➤ The project proponent vide letter dt. 06.01.2025 submitted **final certified report.**

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended **to issue** Expansion of Environmental Clearance for mining of Road Metal and Building Stone -1,75,000 m³/annum to 3,33,440 m³/annum with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/ canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.

	MINUTES OF THE 254th MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P. HELD ON - 11th , 12th & 13th March, 2025 AT VIJAYAWADA, A.P.
---	---

	<p>9. The project proponent shall pay suitable compensations for surrounding agricultural lands as per the norms.</p> <p>10. The project proponent shall maintain village roads along with the cluster partners.</p> <p>11. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to avoid road damages and dust nuisance to surroundings.</p> <p>12. The project proponent shall follow forest NoC conditions.</p>
Agenda Item: 215.20, 244.20 & 256.22	24.476 Ha Mica, Quartz & Feldspar mining of M/s.Venkata krishna Mining Company, Mg.Pt .Smt M.Manohara Narayanamma, at Sy.No. 359/1(P), of Utukuru Village, Syadapuram Mandal, SPSR Nellore District, Andhra Pradesh - TOR - Reg.
SIA/AP/ MIN/419 634/202 3	<p>Category : B2 at par with B1.</p> <p>The proposed project is for mining of Mica, Quartz & Feldspar in an area of 24.476 Ha with a proposed production quantity of 65142 TPA of ROM (Mica, Quartz & Feldspar) with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of project and their consultant M/s. Global Enviro labs., have attended the meeting and presented the case.</p> <p>a. This proposal was placed in 215th SEAC meeting and then the Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to raise ADS for forest NOC as the Forest is within 20m.</p> <p>b. The project proponent submitted the ADS reply on 29.10.2024, along with the Forest NOC dated 06.08.2024, issued by the District Forest Officer, SPSR</p>

Member Secretary
SEAC

Chairman
SEAC

Nellore. The committee noted that the NOC recommends the project over an area of 21.77 Ha, subject to certain conditions. As a result, the SEAC committee instructed the project proponent to submit a Modified Mining Plan in accordance with the Forest NOC.

- c. During the meeting the project proponent informed that the lease was granted in the year 1953 vide G.O.Ms No.1250, industries and commerce department dt.22.07.1963. Granted 2nd renewal of mining lease for Mica over an extent of 186.38 Acres for a further period of 20 years w.e.f 06.07.1963 in favour of Sri S. Osaman Ali Khan and the lease deed was executed for the period from 06.07.1963 to 05.07.1983.
- d. Subsequently, the Government vide GOMS No.389 dt. 05.05.1974 has accorded permission to Sri S Osman Ali Khan for transfer of Mining lease in favour of M/s. Venkata Krishna Mining Company, for the un-expired portion of the lease period up to 05.07.1983.
- e. Further, Government vide G.O.M.S No.487, industries and commerce(M-I) department dt. 23.12.2002 has granted 4th renewal for further period of 20 years for the period from 26.05.1997 to 25.05.2017. Hence, committee directed the project proponent to submit previous Environmental clearance.
- f. This proposal was placed in 244th SEAC meeting and then the Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, ADS reply recommended to raise ADS for submission of following:
 1. The project proponent shall submit Modified Mining plan as per the NOC furnished by Forest Department.
 2. The project proponent shall submit earlier EC order.
- g. Accordingly, the project proponent submitted ADS documents on 17.02.2025.
- h. The Department of Mines and Geology vide order dt 09.07.2021 issued Lol to the subject mine for a period of 20 years subject to submission of Approved Mining Plan,

Member Secretary
SEAC

Chairman
SEAC

	<p>EC and CFE within a period of 01 years from the date of issue of Lol.</p> <p>a. The Committee noted that as per the cluster letter dated: 20.09.2022 issued by the Mines & Geology Department, there are 03 existing quarry leases and 01 Lol within the radius of 500 mtrs area. The total cluster area is > 5.0 Ha.</p> <p>b. As per the modified approved mining plan dt. 81.01.2025 for 21.77 Ha, the total available mineral reserves are 2267403 m³. The Life of the mine is 29 years.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue Standard Terms Reference for mining of Mica, Quartz & Feldspar - 65142 TPA with Public Hearing and with following additional conditions:</p> <ol style="list-style-type: none"> 1. The project proponent shall prepare cluster EIA& EMP 2. The project proponent shall prepare a detailed plantation plan including no. of species and type of species and area of land allocated for greenbelt. 3. The project proponent shall submit surface runoff prevention measures plan along with budget estimates and allocation for construction of trench along the slope sides of the boundary of the lease area to prevent surface runoff. 4. The project proponent shall submit approach road plan. 5. The project proponent shall submit compensatory afforestation plan. 6. The project proponent shall submit tree enumeration.
Agenda Item: 252.02 256.23	<p>3.000 Ha Road Metal And Building Stone mining of Sri M. Sasibhushhanan, at Sy.No. 31/P of Kekathi Village, Gudibanda Mandal, Sri Sathya Sai District, Andhra Pradesh - Refer Back - EC - Reg.</p>
SIA/AP/ MIN/469 766/202 4	<p>Category: B2 (Minor mineral).</p> <p>The proposed project is for mining of Road metal & Building stone in an area of 3.0 Ha. with a proposed production quantity of 77,102m³/annum with a condition that the total production</p>

Member Secretary

Chairman
SEAC

during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant, M/s. VVN Technologies Pvt. Ltd., have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DSR of Sri Satya Sai District. The same is reviewed in the SEAC meeting and observed that the mineral details available at Page No 64 of DSR Report.
- b) The Department of Mines and Geology issued letter of Intent (LOI) vide order dt. 01.03.2024 for a period of 10 years subject to submission of Approved Mining Plan, EC and CFE within a period upto 3 years from date of issue of Lol.
- c) The Committee noted that as per the cluster letter dt. 03.04.2024 issued by the Department of Mines & Geology, there is no existing quarry lease within the radius of 500 mtrs area. The total cluster area is < 5.0 Ha.
- d) As per the approved mining plan dt. 04.04.2024, the total available mineral reserves are 10,43,740 m³. The proponent proposed to excavate 77,102 m³/annum. The Life of the mine is 14 years.
- e) **The committee observed working pits in the mine lease area and which is prior to Lol issued and working details were mentioned in the approved mining plan.**
- f) The proposed mine lease area is located at ridge of the hill. Hence, committee directed the project proponent to provide trench with rocky bund at foot of the hillock to

Member Secretary
SEAC

Chairman
SEAC

prevent surface runoff entering into the adjacent agricultural fields.

- g) The project proponent informed that they have allocated Rs. 8.5 Lakhs as capital cost and Rs. 4.75 Lakhs as a recurring cost budget for the EMP. The proponent volunteered to provide water treatment plant to Kekathi villages as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- h) This proposal was placed in 247th SEAC meeting and the Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended SEIAA to issue Environmental Clearance for the mining of Road metal & Building stone-77,102m³/annum over a period of 14 years, covering an area of 3.0 hectares, in favor of Sri M Sashibhusan Sy.no: 31/P of Kekathi Village, Gudibanda Mandal, Sri Satya Sai District. The recommendation is subject to the following additional conditions:
 1. The project proponent shall comply with the proposals furnished in the Environmental management plan.
 2. The project proponent shall develop greenbelt along approach roads & village Roads.
 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
 5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
 6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.

Member Secretary
SEAC

Chairman
SEAC

7. The project proponent shall not use village road/canal bund roads for mineral transportation purpose.
 8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
 9. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to avoid road damages and dust nuisance to surroundings.
 10. The project proponent shall provide trench with rocky bund at the foot of the hillock.
- i) This proposal along with recommendations of SEAC placed before 247th SEIAA meeting and decision is as follows: "Refer to SEAC to get the details for appraisal from Mines & Geology Dept., whether the Mine has been issued with any permissions covered under Mining leases or not and what is the volume of pit and whether it has been legally excavated or not and to appraise with OMs, Notifications issued on violation by MoEF&CC, New Delhi, orders of the Hon'ble NGT and Hon'ble Supreme Court of India."
- j) Again, this proposal was placed in 252nd SEAC meeting and then the committee noted that:
- a. The committee observed working pits in the mine lease area and which is prior to Lol issued and working details were mentioned in the approved mining plan.
 - b. Working pit details(1359.38 Sq.m) mentioned at plate No.III of Approved Mining plan.
- k) This proposal was placed in the 252nd SEAC meeting and then the Committee after re-examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended SEIAA to issue Environmental Clearance for the mining of Road metal & Building stone- 77,102m³/annum over a period of 14 years, covering an area of 3.0 hectares, in favor of Sri M Sashibhusan Sy.no: 31/P of Kekathi Village, Gudibanda Mandal, Sri Satya Sai

Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant, M/s. **SV Enviro Labs & Consultants** have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of **Annamayya** District. The same is reviewed in the SEAC meeting and observed that the subject mine details mentioned at Page No 65 of DSR Report.
- b. The Department of Mines and Geology issued letter of Intent (LOI) vide order dt. 31.01.2024 for a period of 20 years subject to submission of Approved Mining Plan, EC and CFE within a period upto 03 years.
- c. The Committee noted that as per the cluster letter dt 31.01.2025 issued by the Department of Mines & Geology, there are 02 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 5.0 Ha.
- d. As per the approved mining plan dt. 22.03.2024, the total available mineral reserves are $1,20,331 \text{ m}^3$. The Life of the mine is 30 years.
- e. The project proponent informed that they have allocated Rs. 4.9 Lakhs as capital cost and Rs. 4.67 Lakhs as a recurring cost budget for the EMP. The proponent volunteered to provide Medical camps conducted to **Boggitivaripalli** village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- f. The committee noted that Arantlapalle RF is existing at distance about 310m from the subject mine.
- g. The DFO of Annamayya, Rajampet, issued an NOC dated 15.12.2022 to the Tahsildar, Mandanapalli for Sy. No. 559/Part in Valasapalli Village, Madanapalli Mandal, Annamayya District. Therefore, the committee has opined that no further Forest NOC is required for the specific project.

Member Secretary
SEAC

Chairman
SEAC

h. The committee noted that there is about 80% of granite waste will be generated. Hence, committee directed the project proponent acquire 0.5 Ha additional land for waste disposal.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended **SEIAA for issue** of Environmental Clearance for mining of **Colour Granite - 4003 m³/annum** over a period of mine is **30** years, covering an area of **3.146** hectares, in favour of **Sri H.M. Muralidhara, at Sy.No. 559/Part of Valasapalli Village, Madanapalli Mandal, Annamayya District**. The recommendation is subject to the following additional conditions with following conditions:

1. The project proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt along approach roads & village Roads.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/ canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to avoid road damages and dust nuisance to surroundings.

	10. The project proponent shall follow the conditions stipulated in Forest NoC dt.15.12.2022.
Agenda Item: 252.10 & 256.25	Grain Based Distillery Plant (120 KLPD) along with Co-generation Power Plant (5 MW) of M/s. RJC AGROS LIMITED at Sy. Nos.195 &200 Village Rekulakunta, Mandal Bukkarayasamudram, District Ananthapuram, Andhra Pradesh- ADS Reply - Extension of EC -Reg.
SIA/AP/I ND2/519 802/202 5	<p>The Authorized person of the project and their consultant M/s. Pioneer Enviro Consultants Private Limited., have attended the meeting and presented the proposal. The SEAC committee noted that:</p> <ol style="list-style-type: none"> The MoEF&CC, Gol., vide order dt. 30.01.2015 issued Environmental Clearance for Grain based Distillery Plant (120 KLPD) along with Cogeneration Power Plant (5 MW). The applicant applied for extension of validity of EC on 26/01/2025. The committee observed that the project proponent has uploaded the KML boundaries for the mine lease area instead of the industrial project area boundaries. Consequently, the committee recommended to ADS for uploading of corrected KML file. This proposal was placed in 252nd SEAC meeting and then the Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to raise ADS for uploading of corrected KML file. Accordingly, the proponent submitted corrected KML through ADS Reply on 12.02.2025. <p>The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to SEIAA for issue of EC Extension order with validity upto 30.01.2027.</p>
Agenda Item: 256.26	29.70 Ha Cement Grade Lime Stone mining of M/s. Ultra Tech Cement Limestone, at Sy.No. 894 to 901,904, 907 to 913 of

Member Secretary

	Petinikota Village, Kolimigundla Mandal, Kurnool District, Andhra Pradesh - Extension of EC -Reg.
SIA/AP/ MIN/523 512/202 5	The authorized person of the project attended the meeting, but their consultant did not. The committee recommends deferring the decision for ADS to seek an explanation for the authorised consultant's absence. Additionally, the case should only be considered once the consultant and project proponent request that the SEAC place their proposal on the agenda for a future SEAC meeting.
Agenda Item: 256.27	2.173 Ha Road Metal & Building Stone of Sri. K.Raja Sekhar Reddy at Sy. No. 1191/2 (Old Sy. No. 120/P) of Mallela Village, Thondur Mandal, Y.S.R Kadapa District, Andhra Pradesh - Corrigendum of EC - Reg.
SIA/AP/ MIN/523 675/202 5	<p>The project proponent and their consultant M/s. Ecomen Mining Pvt Ltd., have attended the meeting and presented the proposal. The SEAC committee noted that:</p> <ol style="list-style-type: none"> The SEIAA, A.P., vide order dt. 09.03.2022 issued Environmental Clearance to subject mine for mining of Road Metal & Building Stone - 29,097 m³ /annum and which is valid for 14 years. Now the project proponent applied for Corrigendum of EC order for correction in life of the mine and removal of condition The proponent Bank Guarantee should be submitted for Rs. 4.10 lakhs The EC issued by SEIAA, AP, In Page No 3 Part A. Special Conditions: point iv mention as a: "The proponent Bank Guarantee should be submitted for Rs. 4.10 lakhs". The committee verified the previous application & present application and recommended SEIAA to correct the application according to the proponents request. <p>The Committee after examining the project amendment proposal, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to SEIAA for issue of Corrigendum to the EC order dt. 09.03.2022 and stipulating all other conditions remains the same.</p>

The project proponent and their consultant, M/s. **VVN Technologies Pvt Ltd**, have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The SEIAA, A.P., vide order dt. 11.12.2007 issued Environmental Clearance to Subject mine, for mining of Iron Ore -1,20,000 TPA. This order is valid for a period of 8.5 years as the life of the mine is 8.5 years only. i.e., EC order valid upto 10.06.2016.
- b. The Department of Mines and Geology vide order dt. 07.01.2008 issued execution proceedings to Subject mine for a period of 20 years i.e., upto 06.01.2028.
- c. The committee verified KML map plan and observed no mine leases within 500m radius lease.
- d. As per the Indian Bureau of mines (IBM) approved mining plan, dated 21.03.2024, the estimated/minable reserves are 521,630.71 tons. The proposed production is 70,288 tons per annum(Maximum), with an anticipated mine life of 4.34 years.
- e. During, the meeting the project proponent requested the committee to issue ToR with exemption Public hearing as they have already conducted Public hearing on 05.11.2007 for mine lease area, mine lease is continuous and they have not going for any production expansion and production is reduced. The committee agreed for exemption public hearing.
- f. Further, the project proponent informed that they have collected the baseline data during the Dec,2024 to Feb,2025.

The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to **issue** Standard Terms Reference

Member Secretary
