

**MINUTES of 184th (Day-2) MEETING OF STATELEVEL ENVIRONMENT
IMPACT ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD ON
26.05.2022 AT VIJAYAWADA A.P.**

184th SEIAA

Day -2

सत्यमेव जयते

**MINUTES OF THE 184th MEETING OF STATELEVEL
ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA)
A.P., MEETING HELD ON 26.05.2022 AT VIJAYAWADA A.P.**

Present:

The following members were present. (Through Video Conference)

1.	Sri P.Venkata Rami Reddy, I.A.S, (Retired).	Chairman
2.	Dr.Thatiparthi Byragi Reddy Professor. Department of Environmental Sciences, Andhra University, Visakhapatnam	Member
3.	Dr. P.V.Chalapathi Rao, I.F.S Special Secretary to Govt., Environment, Forests, Sciences and Technology Department, Govt. of Andhra Pradesh & Member Secretary, SEIAA,A.P.	Member Secretary

27/05/2022

187.31 & 184.25	4.780 Ha, Ordinary Sand mine of Potharlanka-4 Sand Reach, Survey No. 507 of Potharlanka Village, Kolluru Mandal, Guntur District, Andhra Pradesh SIA/AP/MIN/267355/2022.
	<p>Recommendations of the SEAC on 17.05.2022. Category: B2.</p> <p>The proposed project is for mining of Ordinary Sand in the Krishna River at Potharlanka-4 Sand Reach, Survey No. 507 of Potharlanka Village, Kolluru Mandal, Guntur District, Andhra Pradesh in an area of 4.780Ha with a proposed production quantity of Ordinary Sand – 47,800 Cu.M/annum with a condition that the total production during one year should be limited to the approved quantity as per Mining plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of proponent and their consultant Sri N.V.S.P.L.Ravikanth, RQP have attended the meeting. The LOI was issued to the proposed mining on 01.04.2022.</p> <p>The Committee noted that as per cluster letter issued by the Assistant Director of Mines & Geology, Guntur vide Lr.No.3055/Sand/2019-1, dt.23-04-2022, there is no quarry lease existing and LOI issued within the radius of 500mts. This is a new mine.</p> <p>The Committee noted that the extent of proposed mine lease area is 4.780 Ha. The project falls under B2 category. Mine life 1 Year.</p> <p>The proponent volunteered to provide 1no of Ambulance for their each sand reach falling village(17 reaches in 4 villages) as a part of Corporate Social Responsibility (CSR).</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended for issue of Environmental clearance for Semi Mechanised method with the following conditions:</p> <ol style="list-style-type: none"> 1. There shall be no change in the production quantities approved in Environment Clearance order. 2. All the conditions and guidelines issued by MoEF&CC, Govt of India in respect of sand mining shall be followed. 3. The directions issued by the Hon'ble NGT, Southern Zone, Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated:14.12.2020 shall be scrupulously followed. 4. The boundary pillars shall be erected with geo co-ordinates marked on them. 5. No sand mining shall be done during the rainy season.

	<p>6. The ramp (i.e., approach road) shall be removed after sand mining is completed.</p> <p>7. The standard environmental conditions for sand mining specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed.</p> <p>8. The mine operator shall not carry mining more than 1 meter depth in compliance with AP WALTA Act.</p> <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
187.32 & 184.26	4.170 Ha, Ordinary Sand mine of Annavaram-3 Sand Reach, at Survey No. 315 of Annavaram Village, Kollipara Mandal, Guntur District, Andhra Pradesh SIA/AP/MIN/267373/2022
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category: B2.</p> <p>The proposed project is for mining of Ordinary Sand in the Krishna River at Annavaram-3 Sand Reach, at Survey No. 315 of Annavaram Village, Kollipara Mandal, Guntur District, Andhra Pradesh State in an area of 4.170 Ha with a proposed production quantity of Ordinary Sand – 41,700 m³/annum with a condition that the total production during one year should be limited to the approved quantity as per Mining plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of proponent and their consultant Sri N.V.S.P.L.Ravikanth, RQP have attended the meeting. The LOI was issued to the proposed mining on 01.04.2022.</p> <p>The Committee noted that as per cluster letter issued by the Assistant Director of Mines & Geology, Guntur vide Lr.No.3055/Sand/2019-1, dt.23-04-2022, there is no quarry lease existing and LOI issued within the radius of 500mts. This is a new mine.</p> <p>The Committee noted that the extent of proposed mine lease area is 4.170Ha. The project falls under B2 category. Mine life 1 Year.</p> <p>The proponent volunteered to provide 1no of Ambulance for their each sand reach falling village(17 reaches in 4 villages) as a part of Corporate Social Responsibility (CSR).</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended for issue of Environmental clearance for Semi Mechanised method with the following conditions:</p> <ol style="list-style-type: none"> 1. There shall be no change in the production quantities approved in Environment Clearance order. 2. All the conditions and guidelines issued by MoEF&CC, Govt of India in

	<p>respect of sand mining shall be followed.</p> <ol style="list-style-type: none"> 3. The directions issued by the Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated:14.12.2020 shall be scrupulously followed. 4. The boundary pillars shall be erected with geo co-ordinates marked on them. 5. No sand mining shall be done during the rainy season. 6. The ramp (i.e., approach road) shall be removed after sand mining is completed. 7. The standard environmental conditions for sand mining specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed. 8. The mine operator shall not carry mining more than 1 meter depth in compliance with AP WALTA Act. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
<p>187.33 & 184.27</p>	<p>4.910 Ha, Ordinary Sand mine of Bommuvanipalem-12 Sand Reach, at Survey No.128 of Bommuvanipalem Village, Kollipara Mandal, Guntur District, Andhra Pradesh SIA/AP/MIN/267387/2022</p>
	<p>Recommendations of the SEAC on 17.05.2022. Category: B2.</p> <p>The proposed project is for mining of Ordinary Sand in the Krishna River at Bommuvanipalem-12 Sand Reach, at Survey No.128 of Bommuvanipalem Village, Kollipara Mandal, Guntur District, Andhra Pradesh in an area of 4.910 Ha with a proposed production quantity of Ordinary Sand – 49,100 m³/annum with a condition that the total production during one year should be limited to the approved quantity as per Mining plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of proponent and their consultant Sri N.V.S.P.L.Ravikanth, RQP have attended the meeting. <p>187.43 & 184.37</p>	<p>4.840 Ha, Ordinary Sand mine of Ambadipudi-6 Sand Reach, at Survey No.1 of Ambadipudi Village, Atchampet Mandal, Guntur District, Andhra Pradesh SIA/AP/MIN/267470/2022</p>
	<p>Recommendations of the SEAC on 17.05.2022.</p>

Category: B2.

The proposed project is for mining of Ordinary Sand in the Krishna River at **Ambadipudi-6 Sand Reach, at Survey No.1 of Ambadipudi Village, Atchampet Mandal, Guntur District, Andhra Pradesh** in an area of 4.840 Ha with a proposed production quantity of Ordinary Sand – 48,400 m³/annum with a condition that the total production during one year should be limited to the approved quantity as per Mining plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of proponent and their consultant Sri N.V.S.P.L.Ravikanth, RQP have attended the meeting. The LOI was issued to the proposed mining on 10.01.2022.

The Committee noted that as per cluster letter issued by the Assistant Director of Mines & Geology, Guntur vide Lr.No.3055/Sand/2019-1, dt.23-04-2022, there is no quarry lease existing and LOI issued within the radius of 500mts. This is a new mine.

The Committee noted that the extent of proposed mine lease area is 4.840 Ha. The project falls under B2 category. Mine life 1 Year.

The proponent volunteered to provide 1no of Ambulance for their each sand reach falling village(17 reaches in 4 villages) as a part of Corporate Social Responsibility (CSR).

The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended for issue of Environmental clearance for Semi Mechanised method with the following conditions:

1. There shall be no change in the production quantities approved in Environment Clearance order.
2. All the conditions and guidelines issued by MoEF&CC, Govt of India in respect of sand mining shall be followed.
3. The directions issued by the Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated:14.12.2020 shall be scrupulously followed.
4. The boundary pillars shall be erected with geo co-ordinates marked on them.
5. No sand mining shall be done during the rainy season.
6. The ramp (i.e., approach road) shall be removed after sand mining is completed.
7. The standard environmental conditions for sand mining specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed.
8. The mine operator shall not carry mining more than 1 meter depth in compliance with AP WALTA Act.

	Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.
187.44 & 184.38	4.830 Ha, Ordinary Sand mine of Ambadipudi-7 Sand Reach, at Survey No.1 of Ambadipudi Village, Atchampet Mandal, Guntur District, Andhra Pradesh SIA/AP/MIN/267479/2022

The total cluster area is < 5.0 Ha.</p> <p>This is a standalone mine. The project falls under B2 category as per the MoEFCC Notification No. S.O.2269(E),dated 1st July, 2016. Life of mine is 27 years.</p> <p>Earlier, ADS was raised for want of new cluster letter andproponent reply on 28.04.2022 and submitted cluster letter dt.12.01.2022.</p> <p>The proponent volunteered to allocate funds atleast 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Bommagondanahalli Village under Corporate Social Responsibility (CSR).</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue environmental clearance with the following conditions.</p> <ol style="list-style-type: none"> 1. The project proponent shall excavate 500m trench on East, North and South side of the boundary lease area to prevent surface runoff into agricultural lands. 2. The project proponent shall increase EMP budget to control dust suppression with at least minimum of Rs 1.50 Lakhs. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
187.51 & 184.44	<p>M/s. Octum Life sciences Private Limited, Sy. No.300-P, 301-1 and 302, Rudravaram Village, Kota Mandal, SPSR Nellore District, Andhra Pradesh SIA/AP/IND3/238398/2021</p>
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category : B2</p> <p>The Proposal of M/s. Octum Life Sciences Private Limited is for Environmental Clearance for production of various bulk drugs& Intermediates – 150.03 TPM.</p> <p>The representative of the project proponent and their Consultant Pridhvi Envirotech Pvt. Ltd., have attended the meeting.</p> <p>The MoEF&CC, GoI, New Delhi issued notification vide S.O. No. 1223(E), dated 27.03.2020 and MoEF&CC Office Memorandum dated 13.04.2020, wherein " All proposals for projects or activities in respect of Active Pharmaceutical Ingredients (API), received up to the 30th September 2020, shall be appraised , as Category 'B2' projects provided that any subsequent amendment or expansion or change in product mix, after the 30th September 2020, shall be considered as per the provisions in force at that time." Further it is extended up to 30th March, 2021 vide S.O. No. 3636(E), dated 15.10.2020, also further extended upto 31st December, 2021 vide S.O.2859(E), dated 16.07.2021.</p> <p>The proposed project falls under Item 5(f)- API of the schedule of the EIA Notification 2006- Synthetic organic chemicals industry (dyes & dye intermediates & bulk drug and intermediates).</p>

	<p>The committee noted that M/s. Octum Life Sciences Private Limited located at Sy. No.300-P, 301-1 and 302, Rudravaram Village, Kota Mandal, Tirupathi District (SPSR Nellore District). Now the industry proposes to include Active Pharma Ingredients (Bulk drugs and Intermediates) manufacturing facility.</p> <p>Earlier, the issued was placed in the 179th SEAC meeting and ADS was raised for want of following information:</p> <ol style="list-style-type: none"> 1. Analysis report of surface water nearer to the site. 2. Modelling for GLC for boiler emissions. 3. Affidavit for tsdf membership. 4. Commitment for ZLD system. 5. Land conversion documents. <p>The representative of the project proponent and their Consultant M/s Pridhvi Envirotech Pvt. Ltd., have attended the meeting and presented the case depicting the above ADS points and uploading the land conversion documents.</p> <p>The Committee after examining the project proposals, presentations, certified compliance report, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental clearance.</p> <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
<p>187.52 & 184.45</p>	<p>2.265 Ha of Lime Kankar and Lime Stone Slabs Mine of M/s Sesha Sayee Mineral Industries, Sy. No. 248/1 & 248/2 of Nanadavaram Village, Banaganapalli Mandal, Kurnool District, A.P SIA/AP/MIN/271753/2022</p>
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category: B2.</p> <p>The project proposal is for mining Lime Kankar and Lime Stone Slabs in an area of 2.265Ha. with a proposed production quantity of Lime Kankar- 60000 TPA& Lime Stone Slabs Black60000 TPAwith a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant Global Enviro Labshave attended the meeting and presented their case to the committee.</p> <p>The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Kurnool, vide Lr. No.753/QL/2021, dated:25.01.2022 there are two existing quarry leases within the radius from 500 mtrs area and one LOI issued and these two quarry leases were granted before 09.09.2013. The total cluster area is < 5.0 Ha. A small Shivalayam</p> <p>The project falls under B2 category as per the MoEFCC Notification No. S.O.2269(E),dated 1st July, 2016. Life of mine is 15 years for Lime stone slabsand 5 years for Kankar.</p> <p>The proponent volunteered to allocate funds atleast 10% of the project cost for</p>

	<p>providing amenities to the local school / PHCs and development of village roads and installation of RO plant for the nearest village under Corporate Social Responsibility (CSR).</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental clearance with the following conditions.</p> <ol style="list-style-type: none"> a. The mine operator shall not carryout drilling and blasting operations and as such manual mining only permitted. b. The project proponent shall develop greenbelt all along the approach roads. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
<p>187.53 & 184.46</p>	<p>2.153 Ha of Lime Kankar and Lime Stone Slabs mine of Ms Sesha Sayee Mineral Industries, Sy. No. 192/P1,191/5P,194,195,196/6A & 196/6B Of Palkur Village, Banaganapalli Mandal, Kurnool District, Andhra Pradesh SIA/AP/MIN/271751/2022</p>
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category: B2.</p> <p>The project proposal is for mining Lime Kankar and Lime Stone Slabs in an area of 2.153 Ha with a proposed production quantity of Lime Kankar- 60000 TPA & Lime Stone Slabs Black60000 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant Global Enviro Labs have attended the meeting and presented their case to the committee.</p> <p>The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Kurnool, vide Lr. No.753/QL/2021, dated:25.01.2022 there are three existing quarry leases within the radius from 500 mtrs area and one LOI issued and these three quarry leases were granted before 09.09.2013. The total cluster area is < 5.0 Ha.</p> <p>The project falls under B2 category as per the MoEFCC Notification No. S.O.2269(E),dated 1st July, 2016. Life of mine is 15 years.</p> <p>The proponent volunteered to allocate funds atleast 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Palkur Village under Corporate Social Responsibility (CSR).</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental clearance with the following conditions.</p>

	<p>a. The mine operator shall not carryout drilling and blasting operations and as such manual mining only permitted.</p> <p>b. The project proponent shall develop greenbelt all along the approach roads.</p> <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
<p>187.54 & 184.47</p>	<p>4.641 Ha. of Lime Kankar and Limestone Slabs Black Quarry of Sri Y. Kiran Kumar Reddy, Survey No. 100/6, 101/1 & 102/P, Palkur Village, Banaganapalli Mandal, Kurnool District, Andhra Pradesh SIA/AP/MIN/60761/2021</p>
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category : B2 at par with B1</p> <p>The proposed project is for mining of Lime Kankar and Limestone Slabs Black in an area of 4.641Ha. with a proposed production capacity of LimeKankar- 60016 TPA (max) and Limestone Slabs – 6,58,652 TPAwith a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Plantation development in the buffer zone of the mine lease area. 2. Garland drain shall be converted as a trench all along the boundary.

	<p>3. Water conservation measures shall be implemented. 4. Blasting should be done as per the provisions of director of Mines safety. 5. Approach road maintenance shall be carried out.</p> <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
<p>187.57 & 184.50</p>	<p>8.693 Ha. Silica sand of M/s. Saphagiri Minerals, Sy. No. 696 of Momidi Village, Chillakur Mandal, SPSR Nellore District, of Andhra Pradesh SIA/AP/MIN/76899/2022</p>
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category : B1.</p> <p>The proposed project is for mining of Silica sand in an area of 8.693Ha. with a proposed production capacity of Silica sand- 35302 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The proponent and their consultant Ashwath Narayana attended the meeting and presented their case to the committee.</p> <p>The Committee noted that LoI was issued on 14.03.2022 and as per cluster letter issued by the Assistant Director of Mines & Geology (FAC), Nellore has issued a letter vide Lr.No.3330/P/2018, dt.16.04.2022 there are three quarry lease existing within the radius of 500mts and all 3 quarry leases were granted prior to 09.09.2013.Total cluster area is > 5.0 Ha.</p> <p>The project falls under B1.category as per the MoEFCC Notification No. S.O.2269 (E),dated 1st July, 2016. This is new mine. Mine life is 7 years.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue standard TOR with Public hearing with the following conditions:</p> <ol style="list-style-type: none"> 1. Cluster EIA & EMP taking consideration of production quantities of neighboring silica sand mining. 2. Measures to monitor ground water table. 3. The mine proponent shall submit letter from ground water department on the status of ground water table at the site before coming for EC. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of standard TOR with Public hearing.</p>
<p>187.58 & 184.51</p>	<p>4.991 Ha. Dolomite & Calcite Mine of M/s. RushiaSrunga Reddy Mines, Sy. No. 412 of Chagallu Village, Peddapappuru Mandal, Anantapuramu District, Andhra Pradesh SIA/AP/MIN/271087/2022</p>

	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category : B2 .</p> <p>The proposed project is for mining of Dolomite & Calcite in an area of 4.991 Ha. with a proposed production capacity of Dolomite – 22000 TPA& Calcite – 8000 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The proponent and their RQP G Harendra Global Enviro Labs have attended the meeting and presented their case to the committee.</p> <p>The Committee noted that TOR letter was issued on 14.03.2022 and as per cluster letter issued by the Assistant Director of Mines & Geology, Tadipatri has issued a letter vide Lr.No.347/QL/2019, dt.12.04.2022 there is No quarry lease existing within the radius of 500mts ..Total cluster area is <5.0 Ha.</p> <p>The project falls under B2category as per the MoEFCC Notification No. S.O.2269 (E),dated 1st July, 2016. This is new mine. Mine life is 70 years.</p> <p>The proponent volunteered to allocate funds atleast 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Chagallu Village under Corporate Social Responsibility (CSR).</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental clearance with the following conditions.</p> <ol style="list-style-type: none"> 1. All the conditions stipulated in the Forest NOC Lr dated 17.01.2022 shall be strictly implemented. 2. Rock checkdam shall be provided for water conservation. 3. RO plant shall be provided to the Chikkepalli Government school, Chikkepalli village. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.</p>
187.59 & 184.52	3.5 Ha. Colour granite (Minor mineral) of Dr. Chatti Hanumantha Rao, Sy.No: 27, Meelasathiwada Village, Tekkali Mandal, Srikakulam District, Andhra PradeshSIA/AP/MIN/76441/2022
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category : B2.</p> <p>The proposed project is for mining of Colour granite in an area of 3.5Ha. with a proposed production capacity of Colour granite- 3600 CuM/ Annum with a condition that the total production during a scheme should be limited to the</p>

	<p>approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The proponent and their consultant SriV.Vijay Kumar, B. S Envi Tech have attended the meeting.</p> <p>The Committee noted that as per cluster letter issued by the Assistant Director of Mines & Geology, Tekkali, Srikakulam has issued a letter vide Lr.No.1065/Q/2021, dt.29.04.2022 there arefourteen quarry lease existing within the radius of 500mts.Total cluster area is< 5.0 Ha.</p> <p>The project falls under B2category as per the MoEFCC Notification No. S.O.2269 (E),dated 1st July, 2016.</p> <p>The proponent informed that the lease was executed in the favour of him vide Mines & Geology Department proceedings No.1105/Q/2003 dated 16.08.2003 in respect of 3.5 Ha in Sy.No.27 of Meelisathivada village, Tekkali Mandal of Srikakulam district, Andhra Pradesh for a period of 15 years from 18.08.2003 to 17.08.2018. Further, he has informed that he applied for renewal of lease period one year prior to expiry of mine lease.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications, OM dated 07.07.2020& OMs and detailed deliberations, recommended to issue Violation TOR without public hearing as the total cluster area is 3.5 Ha which is less than 5.0 Ha.</p> <p>Decision of SEIAA:- Decided to seek clarification from MoEF&CC on the representation of the proponent received by the Chairman SEIAA,AP.</p>
<p>187.60 & 184.53</p>	<p>Beneficiation of Beach sand minerals of M/s. Trimex Sands Private Limited at Vatsavalasa Village, GaraMandal, Srikakulam District, Andhra Pradesh SIA/AP/IND/69360/2021</p>
	<p>Recommendations of the SEAC on 17.05.2022.</p> <p>Category : 2(b)</p> <p>M/s. Trimex Sands Private Limited at Vatsavalasa Village, Gara Mandal, Srikakulam District, Andhra PradeshStateapplied for EC for Mineral Separation Plant (MSP).</p> <p>The project proponent and their consultant, M/s. Pioneer Enviro Labs have attended the meeting and appraised the proposal.</p> <p>The proponent informed that MSP is already established in 2009-10 as part of the integrated Mining cum Beneficiation project for beach sand minerals, for which EC was obtained from MoEF&CC after conducting public hearing. The project has undergone expansion in 2015 and fresh EC for expansion was also obtained after conducting PH. The policy decision of the GOI in 2019 to permit only Govt</p>

companies in the mining of beach sand minerals resulted in the stoppage of the MSP, though it is situated outside the ML area. To facilitate restarting of the MSP operations by sourcing mineral concentrate from India/abroad, the proponent submitted application for grant of TOR and also requested for exemption from Public Hearing.

The Committee further noted that public hearing has been conducted in the year 2003 as per EIA notification 1994 for integrated proposal of Beach sand mining of 2 MTPA & Mineral Separation Plant (MSP) of 0.63 MTPA and EC was obtained in 2004. Thereafter, for expansion proposal, PH has been again conducted on 29.12.2012 as per EIA notification 2006 for 6.0 MTPA mining and 0.93 MTPA MSP and obtained EC in 2015. Now applying fresh EC for MSP of 0.44 MTPA only, which is less than 50% capacity for which PH been conducted & EC issued.

The Mining Lease was valid till 2034. The EC granted in 2015 based on the PH conducted was also valid till 2034. The change in policy of the GOI in 2019 only resulted in the stoppage of the mining and thereby MSP. No mining is proposed now.

The issue was placed in the 172nd SEAC and recommended for issue of Standard TOR with EIA & Public Hearing. accordingly, TOR issued on 12.04.2022. Now, the unit has applied for EC.

Further, the SEIAA has reviewed in 169th meeting, the Committee Referred to SEAC to examine in the light of request letter dt. 20.12.2021 submitted by the proponent. The SEAC again reviewed the case in the 179th SEAC meeting and recommended to SEIAA for the TOR without Public Hearing. SEIAA in its meeting held on 177th SEIAA meeting agreed with 179th SEAC meeting recommendations. Accordingly, TOR was issued.

The Proponent and their consultant M/s. Pioneer Enviro Consultant have attended the meeting and appraised the case.

The Committee noted that this is a mineral beneficiation unit wherein the water used for jigging and extraction purposes is proposed to be recycled and the entire process will be under wet condition. The source of air pollution from the proposed unit is emissions generated from the burning of fuel in the boiler, in generators and fugitive emission dust from the movement of vehicles. The Proponent has proposed air pollution control equipment to the boiler. The proponent shall obtain necessary approvals in case of processing of radio active minerals viz., monazite from the department of atomic energy. The proponent proposed to provide mineral water plant in the surrounding villages.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance with conditions specified in the earlier EC order accorder by MoEF& CC.

Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue of Environmental Clearance.
