### **Minutes of the 529<sup>th</sup> Meeting of the State Level Environment Impact Assessment Authority, UP (SEIAA) held on 22.11.2021**

The meeting of 529<sup>th</sup> State Level Environment Impact Assessment Authority, UP (SEIAA) was held on-line on 22.11.2021 at the Directorate of Environment. The following were present in the meeting:-

1. Dr. Rajiv Kumar Garg
2. Shri Paras Nath
3. Shri Ajay Kumar Sharma

- Chairman, SEIAA, U.P  
Member, SEIAA, U.P  
Member Secretary, SEIAA, U.P

Nodal Officer SEIAA placed the agenda approved by MS, SEIAA and placed files and documents related to below mentioned meetings of SEAC-1 before the SEIAA.

#### **Agenda-A: -Complaints/letters –Nil**

#### **Agenda-C: Minutes of 595th SEAC-1 Meeting Dated 22/11/2021**

1. **Stone Mining at Gata No.- 39, Khand No.-21, New 32 Old, Village- Daharra, Tehsil -Sadar, Mahoba, Smt. Amita Singh, Area -1.619 ha. File No. 6570/6170/Proposal No. SIA/UP/MIN/ 67355/2021**

SEIAA noted that the project has already been taken in its 521<sup>st</sup> meeting in which SEIAA has granted ToR to the above project.

2. **Stone Mining at Gata No.-478/2, Khand No.-02 New, at Village- Bilbai, District-Mahoba., Shri Dinesh Chandra Gupta, Area -2.024 ha File No. 6571/6178/ Proposal No. SIA/UP/MIN/ 67349/2021**

SEIAA noted that the project has already been taken in its 521<sup>th</sup> meeting.

3. **Sand Mining from Betwa River Bed at Khand No.- 22/05, Village- RiruaBasaria, Tehsil- Sarila, Hamirpur, Shri Ajit Singh Malhotra, Area: 23.0 ha File No. 6572/5669/ Proposal No. SIA/UP/MIN/ 67589/2020**

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project, but it will be issued only after the above lease is included in the DSR from the competent authority or under his approval along with all the

general and specific conditions as suggested by the SEAC adding following specific condition as follows:-

1. In the absence of replenishment study, keeping in mind various orders issued by Hon'ble NGT and development works in the State, EC is granted for a period of one year.
2. Permissible mining of river bed material (sand / bajri) shall be strictly limited to quantity and area mentioned in LOI or mining plan, whichever is lesser, and maximum mineable depth will be limited to as the approved mining plan. The permissible mineable material will be valid till one year from the date of transfer of the EC.
3. For subsequent period, PP shall submit fresh annual replenishment study to SEIAA, UP for amendment in EC for mineable quantity and maximum permissible depth for mining based on scientific findings of replenishment study. Such study shall be placed before SEAC for appraisal for next three years to assess rate of deposition and accordingly, mineable production capacity and depth can be prescribed based on trends analysis, provided it is found scientifically satisfactory by the SEAC. The placing of the study report SEAC is mandatory for initial three years.
4. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
5. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
6. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 23,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
9. Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental

components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.

10. Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
  11. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.
4. Stone Mining at Gata No.-669, Khand No.-15, Village- Khailar, Tehsil- Sadar, District- Jhansi, Shri SagarParecha,, area-2.023 ha., File No. 6574/ Proposal No. SIA/UP/MIN/ 67639/2021

SEIAA agreed with the recommendations of the SEAC to grant ToR to the proposed project, but it will be issued only after the above lease is included in the DSR from the competent authority or under his approval. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khand along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
  - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.

- (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
- a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
  - b. Copy of CTE and CTO issued by SPCB.
  - c. Status of submission of six-monthly compliance report to EC granted earlier
  - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC conditions.
- 14- Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.

5. Stone Mining at Gata No.-669, Khand No.-33, Village-Khailar, Tehsil- Sadar, District-Jhansi, Shri Raj Kumar Parecha, area-2.023 ha. File No. 6575 Proposal No. SIA/UP/MIN/ 67647/2021  
SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project, **but it will be issued only after the above lease is included in the DSR from the competent authority or under his approval.** The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from

Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.

- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
  - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
  - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
  - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
  - b. Copy of CTE and CTO issued by SPCB.
  - c. Status of submission of six-monthly compliance report to EC granted earlier
  - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC conditions.
- 14- Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.

**6. Soil Excavation at Gata No.-757, Village- Kurohi, Tehsil- Sarojani Nagar, Lucknow., Ram Kishor Pal., area-0.7160 ha. File No. 6576/ Proposal No. SIA/UP/MIN/225813/2021**

SEIAA noted that the above project was taken in its 525<sup>th</sup> meeting in which the above project was granted EC. Hence no action is required now.

**7. Granite Mining at Gata No.-714, Khand No.04, Village-Gonda,Karwai, Chitrakoot, Shri Narendra Kumar, M/S Ashind I.T. Solutions Pvt. Ltd., Area -2.0241 ha, File No. 6579/6002/ Proposal No. SIA/UP/MIN/ 58785/2020**

SEIAA noted that SEAC has recommended to grant EC to the above project. SEIAA gone through the file and documents and found that in mining plan approval letter and LOI, Production /year is mentioned as 75000 m<sup>3</sup> where as EIA-EMP and application for seeking EC is as per the details for 5 years. SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project, **but it will be issued only after the above lease is included in the DSR from the competent authority or under his approval** along with all the general and specific conditions as suggested by the SEAC but the SEIAA replaces the specific condition regarding cluster certificate as "If in future during the progressive mining this lease area becomes part of cluster i.e. area equal to or more than 5 ha., limited to B-1 category, then additional conditions based on the EIA conducted by the concerned lease holders shall be imposed and joint EMP shall be implemented. The lease holder shall mandatorily follow all the imposed conditions otherwise it will amount to

A

violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per the law shall be initiated against the authority issuing the cluster certificate" and adding following conditions:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
  2. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
  3. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
  4. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
  5. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
  6. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
  7. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
  8. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.
8. Non-Agro Warehouse (Industrial Shed) and logistic facility at Khasra No.- 8477, 74, 64, 66, 67, 73, 72, 70, 71, 76, 69, 68, 65 situated in Village-Bani and Khasra No.-313, 314, situated in Village-Sarai Shehzadi, Post-Bijnor, Tehsil-Sarojini Nagar, Lucknow., M/s BG Link Infrastructure LLP File No. 6413/ Proposal No. SIA/UP/MIS/214363/2021

SEIAA agreed with the recommendation of SEAC that the matter shall be discussed after submission of online information on prescribed portal.

9. Stone Mining at Gata No.-68, 69, 70, at Village- Damaura, Tehsil - Sadar, Mahoba., area-2.631 ha., M/s Shri MaaSaraswati Associates File No. 6311 Proposal No. SIA/UP/MIN/213199/2021

SEIAA noted that the project has already been taken in its 521<sup>st</sup> meeting in which SEIAA has granted EC to the above project.

10. Sand Stone Mining at Gata No./Araji No.-997mi, Village-Sindhora, Tehsil-Sadar, District-Mirzapur, Shri AlokDharDubey Area -1.82 ha File No. 6365/5119/ Proposal No. SIA/UP/MIN/ 63569/2019

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project for along with all the general and specific conditions as suggested by the SEAC adding following specific condition as follows:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
5. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
6. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
7. Project Proponent / Consultant has given an affidavit that the project area doesn't fall within the boundary of Critically Polluted Area (CPA). If the affidavit given by PP / Consultant is found to be false then EC will be cancelled and legal actions will be

initiated against them. Further, mining should not commence without obtaining certificate from DM, Mirzapur that area doesn't attract CPA and a copy of the same should be submitted to SEIAA.

8. Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
9. Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
10. Department of Geology and Mines, Government of Uttar Pradesh and / or concerned district administration, before releasing the security deposit to Project Proponent will ensure that Project Proponent has fully complied with the EC conditions. Non-compliance, if any, should be reported to UPSPCB for appropriate legal action and recovery of compensation.
11. Sand/Morrum Mining at Khand No.-1030 to 1034, Village- Bhakhanda, Tehsil-Manjhanpur, Kaushambi., M/s Anuradha Construction., Area-21.50 Ha File No. 6380/ Proposal No. SIA/UP/MIN/ 64065/2021  
SEIAA noted that committee has recommended to grant EC to the above project where as application is made for ToR. Hence SEIAA opined to refer back the project to SEAC for clear recommendation.
12. Sand/Morrum Mining from Yamuna Riverbed at Gata No.- 78 to 120, 124 to 133, 153 to 162, Village- Oti Composite, Tehsil & District- Fatehpur, U.P., Shri Madan Gupta, Area: 50.0 ha File No. 5954/ Proposal No. SIA/UP/MIN/ 57603/2020

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 5- KML file for the area and mining lease area should be provided.

- 6- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 7- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 8- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 9- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
  - (iii) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
  - (iv) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 10- In case of expansion / renewal of earlier EC, following information should be submitted
  - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
  - b. Copy of CTE and CTO issued by SPCB.
  - c. Status of submission of six-monthly compliance report to EC granted earlier
  - d. Court cases, if any.
- 11- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 12- Replenishment study, duly approved by the competent authority for approving DSR for the district should be submitted.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 50,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
- 14- Project Proponent will submit plan for conservation and management of river ecology of River Yamuna for the entire stretch flowing through district Fatehpur. Plan duly approved by the district level environment committee and funds earmarked for the implementation should be deposited in a separate account maintained by district environment committee, Fatehpur. Details should be presented at the time of EIA-EMP appraisal.

**13. Sand/Morrum Mining at Guruwal Composite at Gata No.- 53 to 71, 74 to 86, 91, 132 to 134, Khand no. 01, Village- Guruwal, Tehsil- Khaga, Fatehpur, Shri Somesh Bhardwaj, M/s Ambey Granite, Area: 50.00 Ha. File No.6597/5924/ Proposal No. SIA/UP/MIN/67911/2020**

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project, **but it will be issued only after the above lease is included in the DSR from the competent authority or under his approval**, for along with all the general and specific conditions as suggested by the SEAC adding following specific condition as follows. :-

1. In the absence of replenishment study, keeping in mind various orders issued by Hon'ble NGT and development works in the State, EC is granted for a period of one year.
2. Permissible mining of river bed material (sand / bajri) shall be strictly limited to quantity and area mentioned in LOI or mining plan, whichever is lesser, and maximum mineable depth will be limited to as the approved mining plan. The permissible mineable material will be valid till one year from the date of transfer of the EC.
3. For subsequent period, PP shall submit fresh annual replenishment study to SEIAA, UP for amendment in EC for mineable quantity and maximum permissible depth for mining based on scientific findings of replenishment study. Such study shall be placed before SEAC for appraisal for next three years to assess rate of deposition and accordingly, mineable production capacity and depth can be prescribed based on trends analysis, provided it is found scientifically satisfactory by the SEAC. The placing of the study report SEAC is mandatory for initial three years.
4. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
5. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
6. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 50,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of

plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.

9. Project Proponent will submit plan for conservation and management of at least five significant water bodies, falling in the catchment of river Yamuna to be selected by District Environment Committee, in district Fatehpur. Plan duly approved by the district level environment committee and funds earmarked for the implementation should be deposited in a separate account maintained by district environment committee, Fatehpur. Details should be presented at the time of EIA-EMP appraisal.

14. Stone (Khanda, Boulder, Bailast (Gitti) Project at Gata No.-19 (Khand No.- 01 New), Village- Ganj, Tehsil- Mahoba, District- Mahoba, U.P. M/s Prem Enterprises, Shri Saurav Sharma S/o Shri Prem Nath Sharma, Area- 1.619 ha.) File No.6650/6287/ Proposal No. SIA/UP/MIN/68683/2020

SEIAA noted that the project has already been taken in its 521<sup>st</sup> meeting in which SEIAA has granted EC to the above project.
