Letter No— 393 / SEIAA

Dated- 08<sup>th</sup> July, 2020

**Minutes of the 27<sup>th</sup> Meeting of SEIAA held on 7<sup>th</sup> & 8<sup>th</sup> July, 2020**

The meeting was chaired by the Chairman, State Level Environment Impact Assessment Authority, Uttarakhand (SEIAA) Dr S.S. Negi and was attended by following:

- Shri Shailendra Singh Bisht, Member, SEIAA, Uttarakhand.
- Shri G.S. Pande, Member Secretary, SEIAA

The meeting started with welcome remarks by Chairman, SEIAA.

Following agenda items were discussed and decisions taken: -

**7<sup>th</sup> July, 2020, 11:AM**

**1) Consideration of following proposals for E.C, received after appraisal by SEAC:-**

- 1) Environmental Clearance for Extraction of Sand, bajri, boulder by M/s Uttarakhand Shram Samvita Sahkari Samiti Ltd Vill- Jakhani, Tehsil & District- Pithoragarh at , Village - Majirkanda, Tehsil & District – Pithoragarh (Area- 0.546 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. The Authority directed that haulage of the mineral from quarry site will be done by mules. PP agreed to implement CER plan upto 4 % and afforestation with 1000 plants of native species in the near by Van Panchyat. This will form part of additional conditions of EC.

- 2) Environmental Clearance for Extraction of Sand, bajri, boulder by Shri Vijendra Singh S/o Shri Vikram Singh, Village- Dewal, P.O.-Nainisaini, Tehsil & District- Pithoragarh at , Village - Majri Kanda, Tehsil & District – Pithoragarh (Area- 0.488 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. The PP agreed to implement CER plan upto 4 % and afforestation with 1000 plants of native species in the near by Van Panchyat. The Authority directed the PP to use Dust suppression equipments for sprinkling. Authority also observed that the Jhoola Ghat town is near by the mine site, so the PP was directed to leave 25 % area from the river bank sides. The Authority also directed the PP to submit NOC from Irrigation Department for mining purpose. This will form part of additional conditions of EC.

- 3) Environmental Clearance for Extraction of Sand, bajri, boulder by Shri Mohan Lal S/o Shri Pitambar Datt R/o- Village- Khadari Khadak Maaf, Tahsil- Rishikesh, District- Dehradun at , village - Dumate, Tehsil - Vikasnagar, District – Dehradun. (Area- 0.810 Ha.)

In the absence of required documents to be submitted by PP, the Authority decided to defer the matter.

- 4) Environmental Clearance for Extraction of Soapstone by M/s Shiv Shakti Mines & Minerals Mandal Shera, Post-Bageshwar, District-Bageshwar.at , Village - Biladi, Tehsil & District-Bageshwar. (Area- 4.996 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. PP will raise plantation with 5000 plants of native species in the near by Van Panchyat. The Authority

directed the PP to submit Photographs of Dust Suppression using dust suppression equipments. This will form part of additional conditions of EC.

- 5) Environmental Clearance for Extraction of Soapstone by Shri Harish Chandra Kandpal S/o Trilochan Kandpal & Sri Kailash Chandra Bhatt, S/o Shri Eswari Dhatt Bhatt, Patharkhani, Post- Dhaulchina, Dist- Almora at , Village- Jagthali & Bajeena, Tehsil- Kanda, District- Bageshwar. (Area- 3.687 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. The Authority directed that haulage of the mineral from quarry site will be done by mules. PP will implement CER plan upto 4 % of project cost and afforestation with 5000 plants of native species in the near by Van Panchyat. PP will revise EMP to Rs 4.7 Lakh/Year. This will form part of additional conditions of EC.

- 6) Environmental Clearance for Extraction of Soapstone by Shri. Gopal Ram S/o Shri. Laccha Ram, Village - Bheruchaubatta Tehsil & District – Bageshwar at Village - Bheruchaubatta Tehsil & District – Bageshwar. (Area- 4.156 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it.

- 2) Authority decided to issue letter to following project proponents for submission of compliance reports:-

S.No.	Name of Project & Adress	Letter No. & Date of Granting E.C	Category
1.	Extraction of Soapstone in Village - Maholi, Tehsil - DUG - Nakuri, Dist- Bageshwar. (Area 2.469 Ha) By Shri Surendra Singh Bhoryal, R/o- Village Kurauli, Po- Saneti, Tehsil- Dug nakuri, Dist.- Bageshwar.	EC. No-61-01-(51)/2018 Dated- 6.12.2019	Soapstone
2.	Extraction of Soapstone in Village – Ramani, Tehsil & Dist – Chamoli. (Area 4.216 ha) By Shri Ranjit Singh, Village - Ramni, Tehsil & Dist- Chamoli	EC. No-62-01-(41)/2018 Dated- 6.12.2019	Soapstone
3.	Extraction of Soapstone in Village - Teekh, Tehsil - Kapkot, Dist- Bageshwar. (Area 2.044 Ha) By Smt. Rajani Shahi, R/o-Village Ason, Tehsil- Kapkot, Dist- Bageshwar.	EC. No-63-01-(34)/2018 Dated- 6.12.2019	Soapstone
4.	Extraction of Soapstone in Village- Losari, Tehsil- Tharali, Distt - Chamoli. (Area 4.326 Ha) By Shri Kailash Chandra Pant (Owner), Shri Kailash Chandra Pant (Owner), Village- Selkhola, Tehsil – Tharali, Dist.- Chamoli.	EC. No-64-01-(14)/2018 Dated- 6.12.2019	Soapstone
5.	Extraction of Soapstone in Village - Kande, Kanyal, Tehsil & P.O - Kanda, District – Bageshwar. (Area 1.925 Ha) By Shri Ginish Chandra Petshali, S/o Shri Jugal Kishore Petshali, R/o- Village & Post - Chitai, Tehsil & District – Almora.	EC. No-65-01-(67)/2019 Dated- 6.12.2019	Soapstone
6.	Soapstone in Extraction of Soapstone in Village - Rai, Garhsyari, Tehsil - Didihat, District – Pithoragarh (Area 1.41 Ha) By	EC. No-66-01-(66)/2019 Dated- 6.12.2019	Soapstone

	Shri Lalit Mohan Petshall, R/o- Village & Post - Chitai, Tehsil & District - Almora.		
7.	Picking of sand, bajri and boulders in Village- Kandi Talli, Tehsil- Nainbag, Distt- Tehri (Area 0.600 Ha) <b>By</b> Sh. Birendra Singh S/o Sh. Ratan Singh, Village- Kandi Malli, Patti-Silvaar, Tehsil- Nainbag, Distt- Tehri Garhwal.	EC. No-67-01-(109)/2019 Dated- 6.12.2019	R.B.M.
8.	Picking of sand, bajri and boulders in Village- Jaula (Unibagar Tok), Tehsil- Tharali, Distt. Chamoli (Area 0.375Ha) <b>By</b> Sh. Birendra Singh S/o Sh. Ratan Singh, Village- Pali, Tehsil- Tharali, District- Chamoli.	EC. No-68-01-(102)/2019 Dated- 6.12.2019	R.B.M.

-----	--	---	---------------------------------

**3) Miscellaneous Matters: -**

- 1) Authority deliberated the previous compliance reports of Soapstone mining in Bageshwar and it was decided to request D.M. Bageshwar to review compliance of the stipulated conditions of ECs.
- 2) Comments on Six monthly Compliance Reports of two Mining proposals of Forest Development Corporation of Uttarakhand (UKFDC)-

These were discussed and it was decided to seek comments of UKFDC as per comments below:

**I- Dabka River Mining Project in District Nanital, Uttarakhand**

Divisional Manager (Mining) Forest Corporation of Uttarakhand vide its letter dated 21.11.2019 has submitted the Six-monthly Compliance Report (April 2019 to September 2019) for Dabka River Mining Project in District Nanital, Uttarakhand to Regional Office MOEF&CC, Dehradun and a copy has also been sent to SEIAA for information and necessary action.

After going through, the Six-monthly Compliance Report, following points have been observed: -

1. Environmental Clearance for Dabka River Mining project in District Nanital, Uttarakhand was accorded by MOEF&CC GOI, New Delhi vide its letter No J-11015/359/2009-IA. II (M) dated 15th April 2011.
2. The Forest Clearance was obtained vide letter no 8-61/1999-FC (pt-II) dated 15.02.2013 for 10 years and copy of the same is enclosed with the Compliance Report.
3. Consent to operate has been obtained from UEPPCB by Letter No UEPPCB /HO/Con/U-86/2019 /2023 dated 05.03.2019 (copy enclosed with the C.R).
4. Under the condition No (iv) of Environment Clearance letter of MoEF&CC, requisite prior clearance from Standing Committee of the National Board for Wildlife was to be obtained by the project proponent because location of Jim Corbett National Park is in the buffer zone of mine and location of Shivalik Elephant Reserve is within the core zone and buffer zone of the mine. All the conditions stipulated by the Standing Committee shall have to be effectively implemented.

The project was discussed by the Standing Committee of NBWL on March 20th 2013 (Copy of minutes enclosed with the Compliance Report at Annexure III) wherein Member Secretary informed that the proposal was 10.71kms. Away from Corbett Tiger Reserve and has been recommended by the State Board for Wildlife. One expert was of the view that though the project is outside of the jurisdiction of the Standing Committee of NBWL, this proposal requires to be discussed due to the fact that it lies in the prime tiger habitat and therefore should not be permitted. The committee therefore decided to adopt a special resolution to be conveyed to the State Government that work of mining of minor minerals from Dabka, Nanital must not be pursued on ecological considerations.

From above it appears that the proposal of Dabka River Mining was not agreed upon by the Standing Committee of NBWL on the basis of ecological considerations.

5. Project proponent has submitted a letter dated 08.12.210 of Chief Wildlife Warden Uttarakhand vide which he has issued No Objection Certificate with reference to Environment Clearance Letter dated 3.12.2010 for six mining proposals wherein Dabka river mine is mentioned at Serial No 3. Actually, the Environmental Clearance for Dabka River Mining project in District Nanital, Uttarakhand was accorded by MOEF&CC GOI, New Delhi vide its letter No J-11015/359/2009-IA. II(M) dated 15th April 2011. So, it's not understood how NOC was issued to the project in year 2010 by the State Wildlife Warden.

6. The Standing Committee meeting of NBWL was held on 20th March 2013 and its minutes have been released vide letter dated 27.05.2013 and No objection certificate of

Chief Wildlife Warden was issued prior to this on December 8th 2010(Copy enclosed in CR).

7. The MOEF&CC Environment Clearance letter condition no (vi) says the clearance is subject to obtaining Wildlife Clearance from the competent Authority. If further clearance was obtained then the same may be informed and documents may be submitted.

8. Plantation has said to be undertaken by forest department for which the project proponent (UKFDC) has deposited Rs 90,21,229 with the State Forest department. It's not clear from the letter that the amount mentioned, is for Dabka mine or for Dabka and Kosi mines or for all the mines in that region. This should be clarified and photographs of the plantation area along with name and number of species planted against Dabka mining project be submitted. Name of the range where this degraded area has been selected for plantation should also be informed.

9. Letter from CMO of Health department, wherein the dates of Health Check camps along with the financial expenditure incurred may be submitted.

10. Photographs of the temporary rest shelters and first aid facilities constructed for labourers has to be submitted.

11. The progress of Digital Processing of the entire lease area the progress of the same may be intimated.

12. As per the Point No (xix) of EC precautionary measures were to be taken for conservation and protection of endangered flora and fauna during the mining operation in that area for which Action plan for conservation was to be prepared in consultation with the State Forest and Wildlife Department.

With reference to above it has been mentioned by the project proponent in the compliance report that there are no such types of species found in the nearby area. But if any such species are found then precautionary measures will be taken for conservation. It is worth mentioning here that as per the minutes of Standing Committee meeting of NBWL held on 20th March 2013 the project lies in the prime tiger habitat. As per the condition No (iv) of Environment Clearance the location of Jim Corbett National Park is in the buffer zone of mine and location of Shivalik Elephant Reserve within the core zone and buffer zone of the mine. The condition for conservation of flora and fauna in the EC is usually prescribed after thorough examination/ discussion of the proposal by the members of Environmental Appraisal Committee of MoEF&CC. So, Action plan for conservation is required to be prepared and financial provisions may be made as per the condition in consultation with the Wildlife wing and be submitted.

13. Photographs of the four Ambient Air Quality monitoring stations selected by the project proponent may be submitted.

14. Environment Management Cell has been formed for all the rivers falling in Reserve forests in Uttarakhand wherein for mining of minor minerals the Environment Clearance has been obtained and Annexed as Annexure XI. The duties of this cell should be specified and financial provision for implementation of Environmental safe guards/conditions be earmarked.

#### **II-Kosi River Mining Project in District Nanital,Uttarakhand**

Divisonal Manager (Mining) Forest Corporation of Uttarakhand vide its letter dated 21.11.2019 has submitted the Six-monthly Compliance Report (April 2019 to September 2019) of Kosi River Mining Project in District Nanital, Uttarakhand to Regional Office MOEF&CC, Dehradun and a copy has also been sent to SEIAA for information and necessary action.

After going through the, six monthly Compliance Report, the following points have been observed: -

- (i) Environmental Clearance for Kosi River Mining project in District Nanital, Uttarakhand was accorded by MOEF&CC GOI, New Delhi vide its letter No J-11015/360/2009-IA. II(M) dated 13th April 2011.
- (ii) The Forest Clearance was obtained vide letter no 8-61/1999-FC (pt-I) dated 15.02.2013 for 10 years and copy of the same is annexed as Annexure- IA with the Compliance Report.
- (iii) Consent to operate has been obtained from UEPPCB vide Letter No 39152 Env Cell 2019-20 dated 12.09.2018 (copy enclosed as Annexure -I in CR).
- (iv) Under the condition No (iv)of Environment Clearance letter of MoEF&CC, requisite prior clearance from Standing Committee of the National Board for Wildlife was to be obtained by the project proponent because location of Jim Corbett National Park in the buffer zone of mine and location of Shivalik Elephant Reserve within the core zone and buffer zone of the mine. All the conditions stipulated by the Standing Committee shall have to be effectively implemented.

The project was discussed by the Standing Committee of NBWL on March 20th of 2013 (Copy enclosed with the Compliance Report at Annexure III) wherein Member Secretary informed that the proposal has been recommended by the State Board for Wildlife. One expert was of the view that the state would make efforts to revive the crucial Gola Corridor and for this a monitoring committee be constituted by Centre and State governments. After discussion, the committee agreed to the suggestion of committee member and decided to recommend the proposal subject to such conditions

as may be prescribed by the State Chief Wildlife Warden and centre would work out with the State Government to take efforts to protect the Gola corridor and constitution of Committee.

- (v) Plantation has said to be undertaken by forest department for which the project proponent (UKFDC) has deposited Rs 90,21,229 with the State Forest department. It's not clear from the letter that the amount mentioned, is for Dabka mine or for Dabka and Kosi mines or for all the mines in that region. This should be clarified and photographs of the plantation area along with name and number of species planted against Kosi mine project be submitted. Name of the range where this degraded area has been selected for plantation should also be informed.
- (vi) Letter from CMO of Health department, wherein the dates of Health Check camps along with the financial expenditure incurred may be submitted.
- (vii) Photographs of the temporary rest shelters and first aid facilities for labours to be submitted.
- (viii) The progress of Digital processing of the entire lease area may be informed.
- (ix) As per the Point No (xix) of EC precautionary measures were to be taken for conservation and protection of endangered flora and fauna during the mining operation in that area for which Action plan for conservation was to be prepared in consultation with the State Forest and Wildlife Department.

With reference to above it has been informed by the project proponent in the compliance report that there are no such types of species found in the nearby area. But if any such species are found then precautionary measures will be taken for conservation. It has been mentioned in the condition that location of Jim Corbett National Park is in the buffer zone of the mine and Shivalik Elephant Reserve is within the core zone and buffer zone of the mine. The condition for conservation of flora and fauna in the EC is usually prescribed after thorough examination/ discussion of the proposal by the members of Environmental Appraisal Committee of MOEF&CC. So, Action Plan along with the financial provisions for conservation measures is required to be prepared as per the condition in consultation with the Wildlife Division and submitted.

- (x) Photographs of the four Ambient Air Quality monitoring stations selected by the project proponent may be submitted.
  - (xi) Environment Management Cell has been formed for all the rivers falling in Reserve forests in Uttarakhand wherein for mining of minor minerals, Environment Clearance has been obtained and Annexed as Annexure XI. The duties of this cell should be specified and financial provision for implementation of Environmental safe guards/conditions be earmarked.
- 3) Authority considered the request letter of Additional Chief Secretary, Mining submitted vide letter No-659/VII-A-1/2020/5(11)20 DATED 16-06-2020. The matter was discussed in the meeting and it was decided that it is not possible to extend the mining period of mining during monsoon season as per The Indian Meteorological Department, Nagpur letter no-NAGPUR RMC/CS-312 dated 18<sup>th</sup> January, 2016 as indicated in Sustainable Sand Mining Guidelines-2016 and Enforcement and Monitoring Guideline for Sand Mining-2020.
- 4) The Authority considered the letter of Director Geology, Mining submitted vide letter No-17 Muk/141/Bage/Khanan/Bhu/Khni/E/2010-11/2019. The matter was discussed in the meeting and it was decided that EC should be revised accordingly. However, before revised EC is issued, satisfactory compliance reports may be obtained, if mining has been started.

**8<sup>th</sup> July, 2020, 11:00 AM**

- 1) Environmental Clearance for Proposed Unit for Manufacturing of LPG Cylinders at Plot No. 122/48 Mi, Central Hope Town, Selaqui, Dehradun By M/s Sai Globe Packaging (Unit – II)

The Authority discussed the matter and agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. Revised Afforestation Plan and CER details as submitted by PP will form part of additional conditions of EC.
