

**MINUTES of 219<sup>th</sup> MEETING OF STATELEVEL ENVIRONMENT  
IMPACT ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD  
ON  
17.07.2023 AT VIJAYAWADA A.P.**

**219<sup>th</sup> SEIAA**

**Day-1**

**17.07.2023**

**MINUTES OF THE 219<sup>th</sup> MEETING OF STATELEVEL ENVIRONMENT IMPACT  
ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD ON  
17.07.2023 AT VIJAYAWADA A.P.**

**Present:**

**The following members were present. (Through Video Conference)**

1.	Sri P.Venkata Rami Reddy, I.A.S, (Retired).	Chairman
2.	Dr.ThatiparthiByragi Reddy Professor. Department of Environmental Sciences, Andhra University, Visakhapatnam	Member
3.	Dr.P.V.ChalapathiRao, I.F.S Special Secretary to Govt., Environment, Forests, Sciences and Technology Department, Govt. of Andhra Pradesh & Member Secretary, SEIAA, A.P.	Member Secretary

Agenda Item No: 222.02 & 219.01	6.0 Ha of Mining of Road Metal & Building Stone Quarry of M/S SRI SAHASHRA STONE CRUSHER, at Sy. No. 149 Vedurlavalasa (V), Rolugunta(M) Anakapalli District (Earlier Visakhapatnam District), A.P - Environmental Clearance –Reg. SIA/AP/MIN/426326/2023
	<p>Recommendations of the SEAC on 27.06.2023.  <b>Category: B2 at par with B1 (Minor Mineral)</b></p> <p>The proposed project is for mining of <b>Road Metal &amp; Building stone</b> in an area of <b>6.0 Ha.</b> with a proposed production capacity of <b>55,612 m<sup>3</sup>/annum</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their, M/s. SV Enviro labs, have attended the meeting and presented the case. The SEAC committee observed that:</p> <ol style="list-style-type: none"> <li>a. The Department of Mines and Geology submitted Visakhapatnam DSR report-2018 and the same is reviewed in the SEAC meeting. The present project name is mentioned in the Draft DSR in S.No.290 and Page No.190.</li> <li>b. As per the approved mining plan, the total provided mineral reserves are 15,31,263 M<sup>3</sup>. The proponent proposed to excavate 55,612 m<sup>3</sup>/Annum and Life of the mine is 27.53 years.</li> <li>c. The project proponent has obtained violation TOR with Public Hearing on 03.02.2022. The public hearing was held on 25.11.2022.</li> <li>d. <b>Public Hearing Details:</b> Dust problems due to vehicular movements, impact on solar panels, pipe line issues and Road damages are the issues raised in the public hearing.</li> <li>e. <b>Reply of the proponent during the public hearing is as follows:</b> Sri Satyanarayana, Proponent has given commitment regarding local employment opportunities will be provided, trees are planted, medical plants developed, wetting of the roads carried out, medical camps will be conducted, overloading of vehicles will be avoided, speed limits will be implemented, Tarpaulin coverage for trucks and carryout vehicles maintenance. He requested that damaged water pipelines to be repaired.</li> <li>f. The base line data was collected from Feb, 2022 to April, 2022 and the predominant wind direction is observed to be South to North and South West to North East. The maximum concentration of SPM is observed to be 60.3µg/m<sup>3</sup>. The incremental concentration is 3.65 µg/m<sup>3</sup> and GLC of SPM will fall at a distance of 0.94Km towards North and North Eastern direction from the mine lease area.</li> <li>g. The proponent volunteered to provide <b>water treatment plant</b> to the Kovvuru village panchayat as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</li> <li>h. Under EMP budget the proponent has proposed following:</li> <li>i. Proposed to provide to trenches and Garland drains control surface runoff.</li> </ol>

- ii. Proposed to provide wet drilling & Wire saw cutting and Continuous water sprinkling through water tanker for Suppression the dust particles.
- iii. **S.O No 804 dt.14.03.2017 compliance:**
- iv. Credible action was initiated vide CC No 188/2023 in the court of Junior Civil courts of Narisipatnam on 07.03.2023.
- v. The project proponent submitted undertaking on 15.04.2021 stating that the violation will not be repeated.
- vi. The project proponent has submitted remediation and resource augmentation plan with a cost of **Rs. 2,30,021/-** and also uploaded the acknowledged BG submitted at APPCB, Regional office, Visakhapatnam on 10.04.2023.
- vii. The project proponent has submitted production dispatch letter issued by ADMG,(FAC)Anakapalli vide letter **dt.31.12.2022.**
- viii. The Penalty was calculated in compliance with SOP issued by MoEF&CCGoI vide OM dt. 07.07.2021 and the details is as follows:

S No	Name of the mine	Project cost in Rs.	Total production during violation period as reported by mining department letter dated 31.12.2022	Turnover during violation period in Rs as reported by the mining department vide letter dated 31.12.2022	1% of project cost in Rs	0.25 % of turnover during violation period in Rs.	Total penalty amount to be levied as per OM 07.07.2021 in Rs
1.	M/S SRI SAHASHRA STONE CRUSHER  SIA/AP/MIN/426326/2023	Rs.70,00,000/-	Mining Road metal & Building stone 25833 Cum	Rs.19,42,125/-	Rs.70,000/-	Rs. 4855/-	Rs. 74,855/-

vi. The project proponent has uploaded the acknowledged payment of penalty amount of **Rs.74,885/-** at APPCB Board Office Vijayawada on 17.04.2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, EIA report, PH minutes and detailed deliberations, recommended to issue Environmental Clearance with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water sprinkling.

	<p>6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.</p> <p>7. The project proponent shall not use village road for mineral transportation purpose.</p> <p>8. The project proponent shall provide <b>water treatment plant</b> to the Kovvuru village panchayat as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>9. The project proponent shall adopt for controlled blasting as the agricultural lands and Solar panels are nearby the mine.</p> <p>10. The project proponent shall comply with the commitment / assurances given to the surrounding villages in the Public Hearing.</p> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item No: 222.03 &amp; 219.02</p>	<p>11.287 Ha. Mining of Colour Granite of M/s. SGS Mines &amp; Industries Pvt. Ltd, at Sy.No:84, Kaijola Village, Nandigama Mandal of Srikakulam District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/426635/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p><b>Category: B2 at par with B1 (Minor Mineral)</b></p> <p>The proposed project is for mining of <b>Colour Granite</b> in an area of <b>11.287 Ha.</b> with a proposed production capacity of <b>10291.0 m<sup>3</sup>/annum</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their, M/s. VVN Technologies Pvt Ltd., have attended the meeting and presented the case. The SEAC committee observed that:</p> <p>The Department of Mines and Geology has submitted Srikakulam DSR report-2021 and the same is reviewed in the SEAC meeting. The present project name is not mentioned in the Draft DSR as the proposed project is new mine lease. Hence, committee identified deposition of mineral by consideration of adjacent village name ie., Savararamakrishnapuram and this village is about 1.4Km to proposed mine lease.</p> <ol style="list-style-type: none"> <li>As per the approved mining plan, the total provided mineral reserves are <b>1323765M<sup>3</sup></b>. The proponent proposed to excavate 10291 m<sup>3</sup>/Annum and <b>Life of the mine is 128 years.</b></li> <li>The project proponent has obtained TOR with Public on 12.04.2022. The public hearing was held on 10.03.2023.</li> <li>Public Hearing Details: Cattle Grazing issues, loosing of soapberries if management start mining, surrounding agricultural damages and inadequate rainfalls are the issues raised in the public hearing.</li> <li>The majority of the people in the public hearing opposed the establishment of the mine and also a habitation namely Madanapuram Village at about 400 mts. in south-west &amp; residential buildings at about 250 mts are existing</li> </ol>

	<p>in Eastern direction.Hence, the committee recommended to constitute a subcommittee to verify the issues raised in the public hearing and also impacts of the mine in the nearby habitations.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&amp;CC Notifications &amp; OMs and detailed deliberations, recommended to constitute a subcommittee with a) Prof. G. Gnana Mani, b) Prof. U. Shameem and C) Dr. M.Sunandana Reddy to visit the proposed site of the mine to verify the issues raised in the public hearing and also impacts of the mine in the nearby habitations.</p> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC.</p>
Agenda Item No: 222.06 & 219.03	<p>13.265 Ha. Mining of Road Metal &amp; Building Stone, Ordinary Earth (Gravel) of M/s. V.R.M Stone Crushers at SY.NO: 335/1, 336 &amp; 350 of Kalpanayunicheruvu Village, Ramapuram Mandal, YSR Kadapa District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/427166/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p><b>Category: B2 at par with B1 (Minor Mineral)</b></p> <p>The proposed project is for mining of <b>Road Metal, Building stone and Gravel</b> in an area of <b>13.265 Ha.</b> with a proposed production capacity of <b>Road metal and Building -1,03,284 m<sup>3</sup>/annum and Gravel- 22,920 M<sup>3</sup>/annum</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant, M/s. Ecomen Laboratories Pvt Ltd., have attended the meeting and presented the case. The SEAC committee noted that:</p> <ol style="list-style-type: none"> <li>The Department of Mines and Geology submitted Y.S.R. Kadapa DSR report-2021 and the same is reviewed in the SEAC meeting. The present project name is not mentioned in the DSR as the proposed project is new mine lease and also there is no cluster mine lease details in DSR.</li> <li>As per the approved mining plan, the total provided mineral reserves are 39,50,786 M<sup>3</sup>. The proponent proposed to excavate 1,03,284 m<sup>3</sup>/Annum and Life of the mine is 38.25 years.</li> <li>The project proponent has obtained Standard TOR with Public hearing on 09.02.2022. The public hearing was held on 15.02.2023.</li> <li>Public Hearing Details: There are no specific issues raised in the public hearing.</li> <li>Reply of the proponent during the public hearing is as follows: Sri T Brahmaiah, environmental Consultant has responded on behalf of the management stated that, the local people will be provided 85% of the employment in the mine as per the Government norms, greenbelt will be developed in 10% of mine lease area and 23% to 25% additional area of greenbelt development will be done along the roads, vacant places in the</li> </ol>

	<p>surroundings. He informed that sign boards will be placed as suggested as there are sharp turnings on the roads. He expressed that VTC skill training will be imparted while employing workers in the mine. Health camps will be conducted at schools and villagers periodically once a year and the suggestion to provide transportation will be deliberated by the management and decision will be taken.</p> <p>f. The base line data was collected from Oct, 2021 to Dec, 2021 and the predominant wind direction is observed to be North East to South West. The maximum concentration of SPM is observed to be <math>61.3\mu\text{g}/\text{m}^3</math>. The incremental concentration is <math>5.20\mu\text{g}/\text{m}^3</math> and GLC of SPM will fall at a distance about 400m towards West and South West direction from the mine lease area.</p> <p>g. The proponent volunteered to provide water treatment plant to the Kalpanayunicheruvu village panchayat as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>h. Under EMP budget the proponent has proposed following:</p> <p>i. Proposed to provide to trenches, silt traps and Garland drains control surface runoff.</p> <p>ii. Proposed to provide Continuous water sprinkling through water tanker for the dust Suppression during the vehicle movement.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&amp;CC Notifications &amp; OMs, EIA report, PH minutes and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> <li>1. The proponent shall comply with the proposals furnished in the Environmental management plan.</li> <li>2. The project proponent shall develop greenbelt of 2km along approach roads &amp; village Road sides.</li> <li>3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.</li> <li>4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.</li> <li>5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water sprinkling.</li> <li>6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.</li> <li>7. The project proponent shall not use village road for mineral transportation purpose.</li> <li>8. The proponent volunteered to provide water treatment plant to the Kalpanayunicheruvu village panchayath as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</li> <li>9. The project proponent shall remove de-siltation yearly from nearby Check dam and shall strengthen the check dam.</li> <li>10. The project proponent shall comply with the commitment / assurances given to the surrounding villages in the Public Hearing.</li> </ol> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
Agenda	8.00 Ha. Mining of Quartz Sri P Koteswara Reddy, at Sy. No. 1308 (Old

Item No:221.07&219.04	Sy.No.1/P) (Govt. Land) of Chilekampalli Village, Chakrayapeta Mandal, Y.S.R Kadapa District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/ 427242 /2023
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p>Category: B2 at par with B1 (Minor Mineral)</p> <p>The proposed project is for mining of <b>Quartz</b> in an area of <b>8.0 Ha.</b> with a proposed production capacity of – <b>Quartz- 77,253 TPA</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant, M/s. Ecomen Laboratories Pvt Ltd., have attended the meeting and presented the case. The SEAC committee noted that:</p> <ol style="list-style-type: none"> <li>The Department of Mines and Geology submitted Y.S.R. Kadapa DSR report-2021 and the same is reviewed in the SEAC meeting. The present project name is not mentioned in the DSR as the proposed project is new mine lease. Hence, committee identified deposition of mineral by consideration chakraypetamandal at S.No.13 of page No.116 of the DSR report.</li> <li>As per the approved mining plan, the total provided mineral reserves are 19,54,052 TPA . The proponent proposed to excavate 77,253 TPA and Life of the mine is 25.59 years.</li> <li>The project proponent has obtained Standard TOR with Public hearing on 08.10.2021 and also obtained TOR amendment on 26.04.2022. The public hearing was held on 13.10.2022.</li> <li>Public Hearing Details: There are no specific issues raised in the public hearing.</li> <li>Reply of the proponent during the public hearing is as follows: Sri T Brahmaiah, environmental Consultant has responded on behalf of the management stated that, as per the Government rules the local people will be given opportunity in 75% of the jobs available in the proposed mine and wages will be paid as per DGMS rules and the labor Act. The hired employees will be imparted GVK training prior to the joining the duties. He informed that, water treatment plant is proposed to be provided under CSR activity and regarding 33% of greenbelt development he informed that the management will develop 10% greenbelt in the mine and the remaining 23% greenbelt will be developed by planting medicinal value plants in vacant government lands, along roads and schools. He informed that, wet drilling and control sequence blasting will be adopted and provide a trench along the boundary with bund to avoid overflow of rainwater from mine into nearby agricultural fields.</li> <li>The base line data was collected from Oct, 2021 to Dec, 2021 and the predominant wind direction is observed to be North East to South West. The maximum concentration of SPM is observed to be <math>63.7 \mu\text{g}/\text{m}^3</math>. The incremental concentration is <math>3.12 \mu\text{g}/\text{m}^3</math> and GLC of SPM will fall at a distance about 600m towards West and South West direction from the mine</li> </ol>

	<p>lease area.</p> <p>g. The proponent volunteered to provide Medical equipment's and infrastructure to the Chilekampalli PHC panchayath as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>h. Under EMP budget the proponent has proposed following:</p> <p>i. Proposed to provide to retention walls, toe drain silt traps and Garland drains control surface runoff.</p> <p>ii. Proposed to provide Continuous water sprinkling through water tanker for Suppression the dust particles.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&amp;CC Notifications &amp; OMs, EIA report, PH minutes and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> <li>1. The proponent shall comply with the proposals furnished in the Environmental management plan.</li> <li>2. The project proponent shall develop greenbelt of 2km along approach roads &amp; village Roadsides.</li> <li>3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.</li> <li>4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.</li> <li>5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water sprinkling.</li> <li>6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.</li> <li>7. The project proponent shall not use village road for mineral transportation purpose.</li> <li>8. The proponent volunteered to provide Medical equipment's and infrastructure to the Chilekampalli PHC panchayath as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</li> <li>9. The project proponent shall provide trench along with Silt trap pond of 800m [1.5mts width X 1.5mts depth] around the lease boundary to prevent surface runoff.</li> <li>10.The project proponent shall comply with the commitment / assurances given to the surrounding villages in the Public Hearing.</li> </ol> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item No: 222.09&amp; 219.05</p>	<p>29.226 Ha. Mica, Quartz and Feldspar mine of M/s. Sublime Mica Exports, Sy. No. 295, 296, 490/A, 492, 493, 494, 495, 496, 497, 498, 508, 509/P &amp; 510/P of Turimerla Village, Sydapuram Mandal, SPSR Nellore District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/426789/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p>Category: B2 at par with B1 (Minor Mineral)</p> <p>The proposed project is for mining of <b>Mica, Quartz and Feldspar</b> in an area of <b>13.265 Ha.</b> with a proposed production capacity of <b>43,880 TPA</b> with a condition</p>

that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals ( $\leq 250$  ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant, M/s. Global Enviro Labs have attended the meeting and presented the case. The SEAC committee noted that:

The Department of Mines and Geology submitted S.P.S.R. Nellore DSR report - 2021 and the same is reviewed in the SEAC meeting. The present project name is not mentioned in the Draft DSR as the proposed project is new mine lease and Hence, committee identified deposition of mineral by consideration of M/s. Seetharama Mining company at sl.no.13 of page no.120 which is in the same village of the mine namely Turimerla village.

- a. As per the approved mining plan, the total provided mineral reserves are **8,77,021 TPA**. The proponent proposed to excavate **43,880 TPA** and Life of the mine is 19.98 years.
- b. The project proponent has obtained Standard TOR with Public on 19.09.2023. The public hearing was held on 18.03.2023.
- c. **Public Hearing Details:** There are no specific issues raised in the public hearing.
- d. **Reply of the proponent during the public hearing is as follows: Sri Murali Krishna**, Environmental Consultant responded on behalf of the management stated that, Management is ready to clear the path after the commencement of the mining activity and they will keep the path as useful for the convenience of the villagers: assured that the technical & Non-technical job preference will be given to the surroundings villagers, i.e., Turimerala & Kalichedu villagers. He has given assurance that the management will follow all the suggestions and opinions as expressed in the meeting after the commencement of the mining activity and continue the mining.
- e. The base line data was collected from Oct, 2022 to Dec, 2022 and the predominant wind direction is observed to be North West to South East. The maximum concentration of SPM is observed to be  $58 \mu\text{g}/\text{m}^3$ . The incremental concentration is  $3.2 \mu\text{g}/\text{m}^3$  and GLC of SPM will fall within the mine lease area.
- f. The project proponent has submitted mining plan as per the NGT norms by leaving (4.977 Ha) 200m from villager side i.e., North East side.
- g. The proponent volunteered to provide Medical equipment's and infra structures to Sydapram PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- h. Under EMP budget the proponent has proposed following:
  - i. Proposed to provide to retention walls, trenches, silt traps and Garland drains control surface runoff.
  - ii. Proposed to provide Continuous water sprinkling through dedicated water tanker for Suppression of the dust particles during vehicular movement.

The Committee after examining the project proposals, presentations, mining plan,

	<p>MoEF&amp;CC Notifications &amp; OMs, EIA report, PH minutes and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> <li>1. The proponent shall comply with the proposals furnished in the Environmental management plan and EIA report.</li> <li>2. The project proponent shall analyze the mine discharge waste water and in case of expedience, the project proponent shall treat the mine discharge water for removal of heavy metals.</li> <li>3. The project proponent shall develop greenbelt of 2km along approach roads &amp; village Road sides.</li> <li>4. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.</li> <li>5. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.</li> <li>6. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water sprinkling.</li> <li>7. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.</li> <li>8. The project proponent shall not use village road for mineral transportation purpose.</li> <li>9. The project proponent shall provide Medical equipment's and infra structure to Sydapram PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</li> <li>10.The project proponent shall lay separate road for agricultural lands.</li> <li>11.The project proponent should treat the mine discharge water for removal of heavy meals.</li> <li>12.The project proponent shall comply additional TOR conditions.</li> <li>13.The project proponent shall comply with the commitment / assurances given to the surrounding villages in the Public Hearing.</li> </ol> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item No:222.1 0&amp; 219.06</p>	<p>7.00 Ha, Mica, Quartz and Feldspar Mine of M/s. Sublime Mica Exports, Sy. No. 499/P, 500, 501/P and 502/P of Turimerla Village, Sydapuram Mandal, SPSR Nellore District, Andhra Pradesh – Environmental Clearance– Reg. SIA/AP/MIN/427626/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p>Category: B2 at par with B1 (Minor Mineral)</p> <p>The proposed project is for mining of <b>Mica, Quartz, and Feldspar</b> in an area of <b>7.0 Ha.</b> with a proposed production capacity of <b>31,528 TPA</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant, M/s. Global Enviro Labs have attended</p>

the meeting and presented the case. The SEAC committee observed that:

The Department of Mines and Geology submitted S.P.S.R. Nellore DSR report - 2021 and the same is reviewed in the SEAC meeting. The present project name is not mentioned in the Draft DSR as the proposed project is new mine lease and Hence, committee identified deposition of mineral by consideration of M/s. Seetharama Mining company at sl.no.13 of page no.120 which is in the same village of the mine namely Turimerla village.

- a. As per the approved mining plan, the total provided mineral reserves are 6,31,440 TPA. The proponent proposed to excavate 31,528 TPA and **Life of the mine is 19.98 years.**
- b. The project proponent has obtained Standard TOR with Public hearing on 19.09.2022. The public hearing was held on 18.03.2023.
- c. Public Hearing Details: There are no specific issues raised in the public hearing.
- d. Reply of the proponent during the public hearing is as follows: Sri Murali Krishna, Environmental Consultant has responded on behalf of the management has given assurance that the management will follow all the suggestions and opinions as expressed in the meeting after the commencement of the mining activity.
- e. The base line data was collected from Oct, 2022 to Dec, 2022 and the predominant wind direction is observed to be North West to South East. The maximum concentration of SPM is observed to be  $58 \mu\text{g}/\text{m}^3$ . The incremental concentration is  $3.2 \mu\text{g}/\text{m}^3$  and GLC of SPM will fall within the mine lease area.
- f. The proponent volunteered to provide Medical equipment's and infra structures to Turimerla PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- g. Under EMP budget the proponent has proposed following:
  - i. Proposed to provide to retention walls, trenches, silt traps and Garland drains control surface runoff.
  - ii. Proposed to provide wet irand Continuous water sprinkling through water tanker for Suppression the dust particles.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, EIA report, PH minutes and detailed deliberations, recommended to issue Environmental Clearance with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan and EIA report.
2. The project proponent shall analyze the mine discharge waste water and in case of expedience, the project proponent shall treat the mine discharge water for removal of heavy metals.
3. The project proponent shall develop greenbelt of 2km along approach roads & village Roadsides.
4. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
5. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.

	<p>6. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water sprinkling.</p> <p>7. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.</p> <p>8. The project proponent shall not use village road for mineral transportation purpose.</p> <p>9. The project proponent shall provide Medical equipment's and infra structures to Turimerla PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>10.The project proponent shall lay separate road for agricultural lands.</p> <p>11.The project proponent shall comply additional TOR conditions.</p> <p>12.The project proponent shall comply with the commitment / assurances given to the surrounding villages in the Public Hearing.</p> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item No: 222.12&amp; 219.07</p>	<p>2.480 Ha. Road Metal &amp; Building Stone Quarry of Smt. B. Anjinamma, Sy. No. 55, East Kodipalli Village, Kalyanadurg Mandal, Anantapuramu District, Andhra Pradesh - Environmental Clearance – Reg. SIA/AP/MIN/428152/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p>Category: B2 (Minor Mineral)</p> <p>The proposed project is for mining of <b>Road Metal &amp; Building stone</b> in an area of 2.480Ha.with a proposed production capacity of <b>15,025 m<sup>3</sup>/annum</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their, M/s. SV Enviro labs, have attended the meeting and presented the case. The SEAC committee noted that:</p> <ol style="list-style-type: none"> <li>a. The Department of Mines and Geology submitted Visakhapatnam DSR report-2018 and the same is reviewed in the SEAC meeting. The present project name is mentioned in the DSR in S.No.53 of Page N0.99 of the DSR report.</li> <li>b. As per the approved mining plan, the total provided mineral reserves are 3,18,547 M<sup>3</sup>. The proponent proposed to excavate 15,025 m<sup>3</sup>/Annum and Life of the mine is 21.20 years.</li> <li>c. The project proponent has obtained violation TOR without Public Hearing on 15.01.2023.</li> <li>d. The base line data was collected from Dec, 2022 to Feb, 2023 and the predominant wind direction is observed to be East to West . The maximum concentration of SPM is observed to be 61.7 <math>\mu\text{g}/\text{m}^3</math>. The incremental concentration is 2.27 <math>\mu\text{g}/\text{m}^3</math>and GLC of SPM will fall at a distance of 0.44Km towards western direction from the mine lease area.</li> <li>e. The proponent volunteered to provide water treatment plant to the Kodipalli</li> </ol>

village panchayat as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

- f. Under EMP budget the proponent has proposed following:
- i. Proposed to provide to trenches and Garland drains control surface runoff.
  - ii. Proposed to provide wet jacket drilling & Gunny bags Continuous water sprinkling through water tanker for Suppression the dust particles.
- g. S.O No 804 dt.14.03.2017 compliance:
- i. Credible action was initiated vide CC No 217/2023 in the court of Junior Civil courts of Ananthapur on 09.03.2023.
  - ii. The project proponent submitted undertaking on 29.11.2022 stating that the violation will not be repeated.
  - iii. The project proponent has submitted remediation and resource augmentation plan with a cost of **Rs.2,32,606/-** and also uploaded the acknowledged BG submitted at APPCB, Regional office, Ananthapur on 20.04.2023.
  - iv. The project proponent has submitted production dispatch letter issued by ADMG,(FAC)Anathapuram vide letter **dt.10.04.2023**
  - v. The Penalty was calculated in compliance with SOP issued by MoEF&CCGoI vide OM dt.07.07.2021 and the details is as follows:

S No	Name of the mine	Project cost in Rs.	Total production during violation period as reported by mining department letter dated <b>10.04.2023</b>	Turnover during violation period in Rs as reported by the mining department vide letter dated <b>10.04.2023</b>	1% of project cost in Rs	0.25 % of turn over during violation period in Rs.	Total penalty amount to be levied as per OM 07.07.2021 in Rs
1.	<b>Smt. B. Anjinamma</b> , SIA/AP/MI N/428152/2023	Rs.57,00,000/-	Mining Road metal & Building stone 1986 Cum	Rs. 3,97,200/-	Rs.57,000/-	Rs. 993/-	Rs. 57,993/-

- vii. The project proponent has uploaded the acknowledged copy for the payment of penalty amount of **Rs.57,993/-** at APPCB Board Office Vijayawada on 24.04.2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, EIA report and detailed deliberations, recommended to issue Environmental Clearance with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.

	<ol style="list-style-type: none"> <li>4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.</li> <li>5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water sprinkling.</li> <li>6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.</li> <li>7. The project proponent shall not use village road for mineral transportation purpose.</li> <li>8. The project proponent shall provide water treatment plant to the Kovvuru village panchayat as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</li> <li>9. The project proponent shall provide trench with rocky bund to prevent surface runoff.</li> <li>10.The project proponent shall adopt for controlled blasting in the mine lease area.</li> <li>11.The project proponent shall comply with the commitment / assurances given to the surrounding villages in the Public Hearing.</li> </ol> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item No:222.13&amp; 219.08</p>	<p>1.819 Ha. Mica, Quartz and Feldspar of M/s.Bala Tripura Sundari Mines and Minerals at Sy.No. 147-1B of Nellatur Village, Gudur Mandal, S.P.S.R Nellore District, Andhra Pradesh– Environmental Clearance – Reg. SIA/AP/MIN/428429/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.  Category: B2 (Minor Mineral)  The proposed project is for mining of <b>Mica, Quartz and Feldspar</b> in an area of 1.819 with a proposed production capacity of <b>30,779 TPA</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.  The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine lease).  The project proponent and their RQP, Santhosh Kumar, have attended the meeting and presented the case. The SEAC committee noted that:</p> <ol style="list-style-type: none"> <li>a. The Department of Mines and Geology submitted Nellore DSR report - 2021 and the same is reviewed in the SEAC meeting. The present project name is not mentioned in the DSR as the proposed project is new mine lease and Hence, committee identified deposition of mineral by consideration of Gudur Mandal at page no.122 of the DSR report as propose mine is also in the same Revenue Mandal.</li> <li>b. The Committee noted that there are no Existing quarry leases within the radius of 500mts area and the total cluster area is <math>&lt; 5.0</math> Ha as per cluster letter issued by Asst. Director of Mines &amp; Geology, Nellore, vide Lr. dated:13.04.2023.</li> <li>c. As per the approved mining plan, the total provided mineral reserves are 3,07,580T. The proponent proposed to excavate 30,779 TPA and <b>Life of the mine is 9.99 years.</b></li> </ol>

	<p>d. Nellatur water tank is at a distance about 40m in southern direction in the proposed mine.</p> <p>e. The proponent volunteered to provide Medical equipment's and Infra Structures to Nellatur PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</p> <p>f. Under EMP budget the proponent has proposed following:</p> <p>i. Proposed to provide Garland Drain and trench with bund walls to control surface runoff.</p> <p>ii. Proposed to provide Continuous water sprinkling through water tanker for Suppression the dust particles.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&amp;CC Notifications &amp; OMs and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> <li>1. The proponent shall comply with the proposals furnished in Environmental management plan.</li> <li>2. The project proponent shall develop greenbelt of 1km along approach roads &amp; village Road sides.</li> <li>3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.</li> <li>4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.</li> <li>5. The proponent shall carryout suppression of dust generated due to transport vehicles by water spraying tankers continuously.</li> <li>6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.</li> <li>7. The project proponent shall not use village road for mineral transportation purpose.</li> <li>8. The project proponent shall provide Medical equipment's and Infra Structures to Nellatur PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.</li> <li>9. The project proponent shall not use water tank bund road for mineral transportation purpose.</li> <li>10. The project proponent shall provide 500m trench with rocky bund towards South and Eastern side to prevent surface runoff entering into the water tank.</li> </ol> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item No: 222.14&amp; 219.09</p>	<p>10.0 Ha. Mining of Colour Granite of Sri L.Srinivas at Sy. No. 01, Sontinuru Village, Nandigam Mandal, Srikakulam District, Andhra Pradesh – EC Amendment – Reg. SIA/AP/MIN/300188/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p>The project has obtained EC in the name of L. Srinivas vide order no: Dt. 13.07.2021 for mining of colour granite – 25,272 M<sup>3</sup>/Annum and the validity period of EC is for 20 years i.e., up to 12.07.2041.</p> <p>Now the proponent applied EC Amendment for inclusion of Granite waste as Road</p>

	<p>Metal and Building Stone &amp; Gravel in addition of minerals with capacity of Road Metal, Building Stone - 75,861 m<sup>3</sup>/Annum and Gravel - 25,272 m<sup>3</sup>/Annum.</p> <p>As per modified mining plan the availability of colour granite waste is 36,95,595 m<sup>3</sup> and is proposed to be dumped within the mine lease area. The project proponent has proposed to utilize this granite waste as a Road Metal and Building stone &amp; Gravel.</p> <p>The DM&amp;G, Ibrahimpatnam, accorded permission to the project proponent for inclusion of Granite Waste as Road metal and Building Stone and Gravel as additional mineral to Colour Granite vide Letter No: 4518/D1-1/2023, Date: 17.03.2023.</p> <p>The committee verified the application, modified mining plan dt.25.04.2023, EMP, EC order dt.013.07.2021 and recommended to issue EC amendment for inclusion of colour granite waste as a Road Metal, Building Stone - 75861 m<sup>3</sup>/Annum and Gravel - 25272 m<sup>3</sup>/Annum to the EC order dt 13.07.2021 as the granite waste is proposed to be used without dumping in the mine lease area.</p> <p>The Committee after examining the project proposals, presentations, MoEF&amp;CC Notifications, &amp; OMs and detailed deliberations, recommended <b>to issue amendment</b> to EC order by including colour granite waste as a Road metal and building stone – 75,861 m<sup>3</sup>/ Annum and Gravel 25,272 m<sup>3</sup>/ Annum in-addition to Colour granite –25,272 m<sup>3</sup>/Annum with following additional conditions.</p> <ol style="list-style-type: none"> <li>1. The project proponent shall maintain village road.</li> </ol> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Amendment to Environmental Clearance.</p>
<p>Agenda Item No:222.15 &amp; 219.10</p>	<p>6.0 Ha. Mining of Colour Granite of M/s. Anantha Padmanabha Granites, Sy.No.1, Sontinuru Village, Nandigama Mandal, Srikakulam District Andhra Pradesh –EC Amendment – Reg. SIA/AP/MIN/300506/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p>The project has obtained EC in the name of <b>M/s. Anantha Padmanabha Granites</b> vide order Dt. 28.01.2015 for colour granite – 1,800 M<sup>3</sup>/Annum and the validity period of EC is for 20 years i.e., 27.01.2035.</p> <p>Now the proponent applied EC Amendment for inclusion of Granite waste as Road Metal and Building Stone &amp; Gravel in addition of minerals with capacity of Road Metal, Building Stone - 5,400 m<sup>3</sup>/Annum and Gravel - 1,800 m<sup>3</sup>/Annum.</p> <p>The DM&amp;G, Ibrahimpatnam, accorded permission for inclusion of Granite Waste as Road metal and Building Stone &amp; Gravel as additional mineral to Colour Granite quarry lease vide Letter No: 4519/D1-1/2023, Date: 17.03.2023.</p> <p>The committee verified the application, modified mining plan dt.25.04.2023 EMP,</p>

	<p>EC order dt.28.01.2015and recommended to issue EC amendment for inclusion of colour granite waste as a Road Metal, Building Stone - 5,400 m<sup>3</sup>/Annum and Gravel - 1,800 m<sup>3</sup>/Annum to the EC order dt 28.01.2015 as the granite waste is proposed to be used without dumping in the mine lease area.</p> <p>The Committee after examining the project proposals, presentations, MoEF&amp;CC Notifications, &amp; OMs and detailed deliberations, recommended <b>to issue</b> amendment to EC order by including colour granite waste as a Road metal and building stone – Road Metal, Building Stone - 5,400 m<sup>3</sup>/Annum and Gravel - 1,800 m<sup>3</sup>/Annum in-addition to Colour granite –1,800 Cum/ Annum with following additional conditions.</p> <p>1. The project proponent shall maintain the village road.</p> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue Amendment to Environmental Clearance.</p>
<p>Agenda Item No: 222.16&amp; 219.11</p>	<p>4.853 Ha. Mining of Colour Granite of M/s. Stone Plus at Survey No. 41, Ravivalasa Village, Tekkali Mandal, Srikakulam District Andhra Pradesh – EC Amendment– Reg. SIA/AP/MIN/300531/2023</p>
	<p>Recommendations of the SEAC on 27.06.2023.</p> <p>The project has obtained EC in the name of M/s. Stone Plus vide order dt. 31.08.2021 for colour granite – 51,774 M<sup>3</sup>/Annum and the validity period of EC is for 7.35 years</p> <p>Now the proponent applied EC Amendment for inclusion of Granite waste as Road Metal and Building Stone in addition of minerals with capacity of Road Metal, Building Stone - 41,419 m<sup>3</sup>/Annum.</p> <p>The DM&amp;G, Ibrahimpatnam, accorded permission for inclusion of Granite Waste as Road metal and Building Stone &amp; Gravel as additional mineral to Colour Granite quarry lease vide Letter No: 4519/D1-1/2023, Date: 20.09.2021.</p> <p>The committee verified the application, modified mining plan dt.21.12.2022 EMP, EC order dt. 31.08.2021and recommended to issue EC amendment for inclusion of colour granite waste as aRoad Metal, Building Stone - 41,419 m<sup>3</sup>/Annum to the EC order dt.31.08.2021 as the granite waste is proposed to be used without dumping in the mine lease area.</p> <p>The Committee after examining the project proposals, presentations, MoEF&amp;CC’ Notifications, &amp; OMs and detailed deliberations, recommended to issue amendment to EC order by including colour granite waste as a Road metal and building stone – 41,419 m<sup>3</sup>/Annum in-addition to Colour granite –51,774 m<sup>3</sup>/Annum with following additional conditions.</p> <p>1. The project proponent shall maintain the village road.</p> <p><b>Decision of SEIAA:-</b>Agreed with the recommendations of SEAC to issue Amendment to Environmental Clearance.</p>

Agenda Item No:222.2 & 219.12	4.517 Ha. Colour Granite Quarry of M/s M.S.P. Granites at Sy. No. 71 of Lingalavalasa Village, TekkaliMandal, SrikakulamDistrict, Andhra Pradesh – TOR Expansion – Reg.SIA/AP/MIN/428048/2023
	<p>Recommendations of the SEAC on 27.06.2023.  <b>Category: B2 (Minor Mineral).</b></p> <p>The project has obtained EC in the name of <b>M/s M.S.P. Granites</b> vide order dt. 25.10.2013 for colour granite – 1,871 M<sup>3</sup>/Annum and the validity period of EC is for a period of 20 years.</p> <p>Now, the project proponent proposed for enhancement of mining of <b>Colour Granite Quarry</b> in the existing mining lease area of 4.517 Ha. for increasing production capacity from 1,871 m<sup>3</sup>/Annum to 12,129 m<sup>3</sup>/Annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their Consultant, M/s.GlobalEnviro Labs, have attended the meeting and presented the case. The SEAC committee noted that:</p> <p>The Geo-coordinates mentioned in the approved Mining plan and DGPS survey are not matching with uploaded KML file. Hence, committee recommended to <b>reject the TOR expansion</b> application and directed the proponent to apply with proper Geo-coordinates as per the DGPS sketches.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&amp;CC Notifications &amp; OMs and detailed deliberations, <b>recommended to reject the TOR expansion application</b> and directed the proponent to apply with proper Geo-coordinates as per the DGPS sketches.</p> <p><b>Decision of SEIAA:-</b>Agreed with the recommendations of SEAC to Reject the TOR Expansion application.</p>
Agenda Item No:222.3 & 219.13	2.00 Ha. Mining of Road Metal and Building Stone of Smt. M.Vakula Devi, Sy.No.231/P of Chiyvedu Village, Ananthapuramu Mandal, Ananthapuramu District, Andhra Pradesh – Violation TOR – Reg.SIA/AP/MIN/428967/2023
	<p>Recommendations of the SEAC on 27.06.2023  <b>Category: B2</b></p> <p>The proposed project is for mining of <b>Road Metal &amp; Building stone</b> in an area of <b>2.0 Ha.</b> with a proposed production quantity of <b>50,000 m<sup>3</sup>/annum</b> with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA</p>

Notification 2006 and its amendments thereof - (i). Mining of minerals ( $\leq 250$  ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent and their M/s. VVN Laboratories have attended the meeting and presented their proposal: The SEAC committee noted that:

- a. The Department of Mines and Geology has submitted Anantapur DSR report-2021 and the same is reviewed in the SEAC meeting. The present mine lease details is mentioned at S.No. 247 of page No.171 in the DSR.
- b. The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Anathpuram(FAC), dated: 29.04.2023 there are no existing quarry leases within the radius from 500 mtrs area. The total cluster area is  $< 5.0$  Ha.
- c. This is an existing lease area and obtained first renewal grant order on 11.08.2017 for a period of 10 years.
- d. The Hon'ble Supreme Court vide order dated the 27<sup>th</sup> February, 2012 in I.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15<sup>th</sup> January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
- e. NGT order in OA No 136 of 2017 (SZ) : So under these circumstances, the application can be disposed of, giving the following directions: (i)The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. 81 (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEIAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- f. The committee noted that the proponent operated mine from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.

The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue specific **(Violation) Terms of Reference without Public Hearing and following conditions:**

1. The project proponent shall prepare cluster EIA& EMP.
2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for greenbelt.

	<ol style="list-style-type: none"> <li>3. The project proponent shall obtain buffer zone removal permission from Mines and Geology department.</li> <li>4. The project proponent shall submit surface runoff prevention measures plan.</li> <li>5. The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.</li> <li>6. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.</li> <li>7. Credible action to be initiated through concerned Regional office, APPCB under section 15 read with section 19 of E(P) Act 1986.</li> <li>8. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.</li> <li>9. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.</li> <li>10. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.</li> <li>11. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2<sup>nd</sup> August 2017 in writ petition (Civil) No.144 of 2014 in the matter of common cause verse union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.</li> <li>12. The project proponent shall submit proof of Bank Guarantee submission as per S.O.No.804 (E) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.</li> </ol> <p><b>Decision of SEIAA:-</b> Agreed with the recommendations of SEAC to issue specific (Violation) Terms of Reference without Public Hearing.</p>
<p>Agenda Item No:219.14</p>	<p>10.926Ha/8.010Ha. Dolomite Mine of Sri M. Anil Kumar at Sy. No: 14/P of Kristipadu Village, PeddavadugurMandal, Anatapur District, Andhra Pradesh – Transfer of EC – Reg. SIA/AP/MIN/296619/2023</p>
	<p><b>Decision of SEIAA:-</b>Agreed to Transfer of EC from Sri M. Anil Kumar to M/s. Sri. Hanuman Minerals, Proprietor. Sri.K. Krishnaiah..</p>

Agenda Item No: 219.15	20.235 Ha. Silica Sand of Sri B. Visweswar Reddy at Sy.No: 550/C of Orvakal Village & Mandal, Kurnool District, Andhra Pradesh – Transfer of EC – Reg. SIA/AP/MIN/299301/2023
	<b>Decision of SEIAA:-</b> The mining lease was transferred from Sri B. Visweswar Reddy to M/s. Sagar Minerals vide G.O.Ms.No.71, dt.21.07.2011 but the proponent applied for transfer of EC on 11.04.2023. The proponent is requested to clarify whether the mine is in operation from 2011 or not, if operated whether it is operated by Sri B. Visweswar Reddy or by M/s. Sagar Minerals.
Agenda Item: 219.16	2.0 Ha for Black Granite Mine of Sri Suresh Jain at Sy.No:691 of Madanapalli Village, MadanapalliMandal, Chittoor District, Andhra Pradesh– Transfer of EC – Reg. SIA/AP/MIN/299366/2023
	<b>Decision of SEIAA:-</b> Agreed to transfer the EC from Sri Suresh Jain to Sri. Anil Srinivasa.
Agenda Item: 219.17	4.0 Ha. Road Metal, Building Stone & Gravel Mine of M/s. Sterling Minerals at Sy.No: 45 of Pedadungada Village, VepadaMandal, Vizianagaram District, Andhra Pradesh– Transfer of EC – Reg.SIA/AP/MIN/299471/2023
	<b>Decision of SEIAA:-</b> Agreed to transfer the EC from M/s. Sterling Minerals, Partner: Sri. A.Abhinay Reddy to M/s. Chirla Rama Reddy & Co., Managing Partner: Sri. ChirlaSantoshiPavani.
Agenda Item: 219.18	3.60 Ha. Quartz Mine of M/s. Sumanth Minerals at Sy.No: 884 of Appecherla Village, PeddavaduguruMandal, Ananthapuramu District, Andhra Pradesh– Transfer of EC – Reg.SIA/AP/MIN/299512/2023
