SEIAA took note of the Legal Opinion, which opine that *“it is not permissible and in case would not be just and proper for expert committee and the statutory authority to ignore the directives of the Ministry and proceed to apprise a proposed mining project and/or grant environmental clearance without availability of DSR. In our view, SEAC should refrain from appraising any project for mining activity till availability of approved DSR and make its recommendation only after studying the DSR along with the other material. Similarly, SEIAA should avoid taking up for consideration any project for mining activity till the approved DSR become available”*.
