

**Minutes of the 39th Meeting of State Environment Impact Assessment Authority (SEIAA), Odisha,
held on 10.11.2020, 11.11.2020 and 12.11.2020 at 11.30 AM**

The 39th meeting of the SEIAA, Odisha was held under the Chairmanship of Shri S.C Mohanty, on 10.11.2020, 11.11.2020 and 12.11.2020 in the office chamber of the Chairman. The following members were present in the meeting.

Members Present:

1. Shri S.C Mohanty, Chairman
2. Dr. S.P. Das, Member;
3. Shri Suresh Pant, Member Secretary

Discussions were held as per agenda circulated earlier and decisions /orders /observations in regard to grant of EC emerged as follows:

1. Proceeding of SEAC meeting held on 12.10.2020, 14.10.2020 and 16.10.2020 forwarded through online.

Sl. No.	Date of online receipt of the proposal	a) Date of sending E-mail to PP for seeking additional information, if any after preliminary scrutiny by MS/ Env. Engr. / b) Date of asking for submission of hard copy of the proposal / c) Date of receipt of hard copy of the proposal for TOR / for EC. d)Date of dispatch of acceptance letter	Proposal File No. (auto generated in MoEF & CC website)	Category of the proposal	Project / Activity applied for	Name of the proposal	Name of the project proponent along with contact details	District / Tahasil	Date of Send to SEAC	Gist of appraisal report / Communication received from SEAC / Present Status	Observations / Minutes of SEIAA meeting (To be uploaded to relevant website of MoEF & CC, and communicated to concerned quarters by post)

18.	27.12.2019	Nil 31.12.2019 03.01.2020	39494/ 14- MINB1 /12- 2019	Non Coal Mining	1(a)	Proposal for EC for Production of 90043 TPA of Iron ore from Nangalsila Iron ore Mines over an area of 45.333 ha is located in village Nangalsila & Murumdihi, under Rairangpur Tahsil Dist-Mayurbhanj.	Sri Gouri Shankar Choubey	Mayurbhanj	7767 / 27.01.2020	The SEAC in its meeting held on 12.10.2020 has observed that this is a violation case and operated the mines without EC after 1994-95 till 2008-09. They have also not applied for EC in the violation portal during the stipulated time. Moreover, the proponent has requested not to consider the proposal as a violation case as they have already paid the compensation raised by the State Govt. and also a case has already been registered against them by the SDJM Court, Rairangpur under the provisions of Section-19 of the E(P) Act, 1986. The SEAC is not aware about non-considering the case as a violation case as per above request of the proponent as MoEF&CC, Govt. of India has not issued any guidelines for the same. After detail discussion, the SEAC recommended the following: a) The proponent shall be requested to give example of similar type of proposal if consider by MoEF&CC, Govt. of India. b) The SEIAA, Odisha to be requested to write a letter to MoEF&CC, Govt. of India to clarify about the claim of the proponent not to consider the case as violation case as above. The proposal is placed for consideration.	Defer to the next meeting.

1.	20.12.2019	Nil 20.12.2019 21.12.2019	13256 8/14- MIS/1 2-2019	Building & Construction	8(a)- B2	EC of proposed "Nilamadhav Awas yojana an in-situ slum redevelopment project on Public Private Partnership (PPP) model at Chandrasekhar pur, Bhubaneswar, Dist- Khordha, over an area of 5.317 acres with built up area of 40723.29 Sqmt.	M/s Zish SPV Pvt Ltd.; Mr. Tapan Kumar Mohanty, Director	Khordha	7767 / 27.01.2020		The proposal was placed in the 32 nd meeting of SEIAA and was decided that we may address a letter to BDA informing them of the standard conditions stipulated by MoEF for such projects, and also the undertaking proposed by SEAC in regard to disposal of waste water. EC will be contingent upon their agreeing to abide by these stipulations. Now the BDA has submitted a clarification to the query raised by SEIAA. The proposal is put up for consideration of EC.	

Decision of SEIAA: The SEIAA vide letter no. 9014 dated 24.09.2020 have decided that grant of EC for the project will be contingent upon the project proponent agreeing to abide the stipulation mentioned therein.

1. Installation of Sewage Treatment Plant with capacity to treat 100% waste water to be generated; and provision of recycling part of the treated waste water within the project premises in works like flushing, washing, gardening & lawn maintenance, etc.
2. The operation of JICA sewage line to which the surplus treated waste water of the project is proposed to be released has to be synchronized with the proposed building project becoming ready for operation, and in case of delay in the JICA project, the operation of proposed building project shall not be allowed.
3. The project proponent shall pay attention to augmenting the green space and parking space to the maximum extent possible.

The BDA vide letter no. 18520 dated 06.11.2020 has submitted the compliance to the above stipulations and have furnished the required undertaking for linking the sewerage output of the Housing Complex Project to JICA Sewerage line and for treatment of sewerage in STP thereon. In view of this, EC may be granted with conditions recommended by SEAC.

6. Fifteen nos. of New B1 category projects received online by SEIAA (Scrutiny prior to sending to SEAC).
