

168th SEIAA, A.P.

20.12.2021

**MINUTES OF TNT AUTHORITY (SEIAA) A.P., MEETING HELD ON
20th December, 2021 AT VIJAYAWADA A.P.**

Present:

The following members were present.

1.	Sri P.Venkata Rami Reddy, I.A.S, (Retired).	Chairman
2.	Dr. Thatiparthi Byragi Reddy Professor. Department of Environmental Sciences, Andhra	Member

	University, Visakhapatnam	
3.	Dr. P.V.Chalapathi Rao, I.F.S Special Secretary to Govt., Environment, Forests, Sciences and Technology Department, Govt. of Andhra Pradesh & Member Secretary, SEIAA,A.P.	Member Secretary

21/12/202

1

<p>Agenda Item Nos: 171.01&168.01, 171.02&168.02,</p>	<p>Sand Reaches -M/s. Jai Prakash Power Ventures Limited, Srikakulam District., Andhra Pradesh requested the Environmental Clearance to operate through semi-mechanized method for sand mining to new sand reaches in Andhra Pradesh- Reg.</p>
<p>171.03&168.03, 171.04&168.04,</p>	<p>M/s. Jai Prakash Power Ventures Limited, Srikakulam District, in Andhra Pradesh has requested for the Environmental Clearance to operate through semi-mechanized method for sand mining as the modified Mining Plan was approved as "<i>The thickness of sand is above 3 meters in the Sand Reaches as reported by the Asst. Director of Mines & Geology. The reach shall be proposed to be operated through Semi mechanized mode</i>".</p>
<p>171.05&168.05,</p>	<p>The Committee noted that MoEF&CC, GoI, New Delhi issued Notification vide S.O.No.141 dt:15.01.2016.</p>
<p>171.06&168.06,</p>	<p>For sand mining the District Survey Report is to be prepared as per the prescribed procedure for sand mining or river bed mining and mining of other minor minerals is given in Appendix- X of as per the S.O.No.141 dt:15.01.2016.</p>
<p>171.11&168.07,</p>	<p>The MoEF&CC, GoI, New Delhi issued guidelines in 2016 for sand mining "<i>Sustainable Sand Mining Management Guidelines, 2016</i>"</p>
<p>171.12&168.08</p>	<p>and stated that for Identification and preparation of Mining Sites- (i) <i>Mining should be done only in area / stretch identified in the District Level Survey Report suitable for mining and so certified by the Sub Divisional Level Committee after site visit. (ii)Mining should begin only after pucca pillar marking the boundary of lease area is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee.</i></p>
	<p>The Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No.47 of 2016(SZ) & 177 of 2016(SZ), Order dated:14.12.2020 issued directions</p> <p><i>The State of Andhra Pradesh must scrupulously follow the directions issued by the Principal Bench recently in ANUMOLU GANDHI VS. STATE OF A.P (O.A.935/2018 dated 24.8.2020) and also the guidelines provided by the MoEF&CC in Sustainable Sand Mining Management Guidelines, 2016 Enforcement and Monitoring Guidelines for Sand Mining issued in January, 2020 while undertaking such process.</i></p>
	<p>The issue of EC to the Sand Reaches in A.P., was discussed in the SEAC, A.P., meeting held on 06.12.2021 & 07.12.2021.</p>
	<p>Now, the project proponent M/s. Jai Prakash Power Ventures</p>

	<p>Limited, Srikakulam District has applied afresh for EC applications through online on 23rd November 2021 and 24th November 2021</p>
	<p>Now, M/s. Jai Prakash Power Ventures Limited, Srikakulam District in Andhra Pradesh has furnished the District Survey Report prepared by the Andhra Pradesh Space Application Centre (APSAC), Modified Mining Plan with other documents and requested for the Environmental Clearance to operate through semi-mechanized method for sand mining.</p>
	<p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Srikakulam District and their RQP, Sri. P Vijay Kumar have attended the meeting and submitted the District Survey Report and Modified Mining Plan.</p>
	<p>171.01: Proposal No. 240417: 2.93 Ha Proposed Ordinary Sand Mine, Annavaram-III Sand Reach at Annavaram Village, Palakonda Mandal, Srikakulam District, Andhra Pradesh.</p> <p>Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 2.93 Ha with a proposed production quantity of Ordinary Sand Mine - 29,300 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Srikakulam District Sri Rajesh Kumar and their RQP, Sri. P. Vijay Kumar have attended the meeting.</p> <p>The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Srikakulam, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Annavaram Village as a part of Corporate Social Responsibility (CSR) activity.</p>

171.02: Proposal No. 240421:3.02 Ha Proposed Ordinary Sand Mine, Chittarapuram Sand Reach at Chittarapuram Village, Santhakaviti Mandal, Srikakulam District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **3.02 Ha** with a proposed production quantity of **Ordinary Sand Mine - 30,200m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Srikakulam District** Sri Rajesh Kumar and their RQP, Sri. P. Vijay kumar have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, **Srikakulam**, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone sand Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Chittarapuram** Village as a part of Corporate Social Responsibility (CSR) activity.

171. 03: Proposal No. 240427: 3.86 Ha Proposed Ordinary Sand Mine, K. Venkatapuram-II SandReach at K.Venkatapuram Village, R.Amadalavalasa Mandal, Srikakulam District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **3.86 Ha** with a proposed production quantity of **Ordinary Sand Mine – 38,600m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Srikakulam District** Sri Rajesh Kumar and their RQP, Sri. P.vijay Kumar have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Srikakulam, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **K.Venkatapuram** Village as a part of Corporate Social Responsibility (CSR) activity.

171.04: Proposal No. 240433: 1.88 Ha Proposed Ordinary Sand Mine, Thotada Sand Reach at Thotada Village, Amadalavalasa Mandal, Srikakulam District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **1.88 Ha** with a proposed production quantity of **Ordinary Sand Mine - 18,800 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of project proponent Sri Rajesh Kumar and their RQP, Sri P. Vijay Kumar have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Srikakulam, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Thotada** Village as a part of

	<p>Corporate Social Responsibility (CSR) activity.</p> <p>171.05: Proposal No. 240524: 3.50 Ha Proposed Ordinary Sand Mine, Liviri Sand Reach at Liviri Village, Bhamini Mandal, Srikakulam District, Andhra Pradesh.</p> <p>Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 3.50 Ha with a proposed production quantity of Ordinary Sand Mine - 35,000m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Srikakulam District Sri Rajesh Kumar and their RQP, Sri. Vijay Kumar have attended the meeting.</p> <p>The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Srikakulam, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The Proposed sand reach is a standalone Reach.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Liviri Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>171.06: Proposal No. 240561: 2.10 Ha Proposed Ordinary Sand Mine, Nulakajodu-neradi Sand Reach at Nulakajodu Village, Bhamini Mandal, Srikakulam District, Andhra Pradesh.</p> <p>Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 2.10 Ha with a proposed production quantity of Ordinary Sand Mine - 21,000m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine</p>
--	---

lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Srikakulam District** Sri Rajesh Kumar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Srikakulam, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Nulakajodu** Village as a part of Corporate Social Responsibility (CSR) activity.

171.11 Proposal No. 240478: 4.50 Ordinary Sand Mine in Parlam 4 Sand Reach of parlam Village, jalumuru Mandal, Srikakulam District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.50 Ha** with a proposed production quantity of **Ordinary Sand Mine - 45,000 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Srikakulam District** Sri Rajesh Kumar and their RQP, Sri. Vijay Kumar have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Srikakulam, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and

development of village roads in the **Parlam** Village as a part of Corporate Social Responsibility (CSR) activity.

171.12 Proposal No. 240502: 1.63 Ha Ordinary Sand Mine in Pothayyavalasa Sand Reach of sy. No: 140 of Pothayyavalasa Village, Narasannapeta Mandal, Srikakulam District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **1.63 Ha** with a proposed production quantity of **Ordinary Sand Mine -16,300 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Srikakulam District** Sri Rajesh Kumar and their RQP, Sri. Vijay Kumar have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Srikakulam, vide Letter dated: 17.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Pothayyavalasa** Village as a part of Corporate Social Responsibility (CSR) activity.

The committee recommended the EC for the above sand reaches without prejudice to the directions issued by the Honb'le NGT, Southern Zone, Chennai in O.A.No. 187 of 2021 (SZ).

Further, the Committee recommended for issue of Environmental Clearances for Semi-Mechanized Mining Method to the above new Sand Reaches (08 Nos.), duly stipulating the following conditions::

- i. There shall be no change in the production quantities approved in this Environment Clearance orders.
- ii. All the conditions and guidelines issued by MoEF&CC, Govt of India (2016) in respect of sand mining shall be followed.
- iii. The directions issued by the Honb'le NGT, Southern Zone,

	<p>Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated :14.12.2020 shall be scrupulously followed.</p> <p>iv. The boundary pillars shall be erected with geo co-ordinates marked on them.</p> <p>v. No sand mining shall be done during the rainy season.</p> <p>vi. The ramp (i.e., approach road) shall be removed after sand mining is completed.</p> <p>vii. The standard environmental conditions for sand mining specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed.</p> <p>All the above conditions shall be followed.</p> <p>Decision of SEIAA:-Agreed with the recommendation of the SEAC for issue of Environmental Clearance for Semi-Mechanized Mining Method to the above Sand Reaches (8 Nos) duly stipulating the conditions recommended by SEAC, A.P.</p>
<p>Agenda Item Nos:</p> <p>171.14& 168.09,</p> <p>171.15& 168.10,</p> <p>171.16& 168.11,</p> <p>171.17& 168.12,</p> <p>171.18& 168.13,</p> <p>171.19& 168.14</p>	<p>Sand Reaches -M/s. Jai Prakash Power Ventures Limited, Chittoor District,Andhra Pradesh requested the Environmental Clearance to operate through semi-mechanized method for sand mining to new sand reaches in Andhra Pradesh</p> <p>M/s. Jai Prakash Power Ventures Limited, Chittoor District, in Andhra Pradesh has requested for the Environmental Clearance to operate through semi-mechanized method for sand mining as the modified Mining Plan was approved as "<i>The thickness of sand is above 3 meters in the Sand Reaches as reported by the Asst. Director of Mines & Geology. The reach shall be proposed to be operated through Semi mechanized mode</i>".</p> <p>The Committee noted that MoEF&CC, GoI, New Delhi issued Notification vide S.O.No.141 dt:15.01.2016.</p> <p>For sand mining the District Survey Report is to be prepared as per the prescribed procedure for sand mining or river bed mining and mining of other minor minerals is given in Appendix- X of as per the S.O.No.141 dt:15.01.2016.</p> <p>The MoEF&CC, GoI, New Delhi issued guidelines in 2016 for sand mining "<i>Sustainable Sand Mining Management Guidelines, 2016</i>" and stated that for Identification and preparation of Mining Sites- (i) <i>Mining should be done only in area / stretch identified in the District Level Survey Report suitable for mining and so certified by the Sub Divisional Level Committee after site visit.</i> (ii)<i>Mining should begin only after pucca pillar marking the boundary of lease area is erected at the cost of the lease holder after certification by</i></p>

	<p><i>the mining official and its geo coordinates are made available to the District Level Committee.</i></p> <p>The Hon'ble NGT, Southern Zone, Chennai in the matter of O.A.No.47 of 2016(SZ) & 177 of 2016(SZ), Order dated:14.12.2020 issued directions</p> <p><i>The State of Andhra Pradesh must scrupulously follow the directions issued by the Principal Bench recently in ANUMOLU GANDHI VS. STATE OF A.P (O.A.935/2018 dated 24.8.2020) and also the guidelines provided by the MoEF&CC in Sustainable Sand Mining Management Guidelines, 2016 Enforcement and Monitoring Guidelines for Sand Mining issued in January, 2020 while undertaking such process.</i></p> <p>As per the recommendations of the Committee on Sand Reaches, the Assistant Director of Mines and Geology, Chittoor District was requested to submit the following information to the SEAC, A.P. for further processing :</p> <ol style="list-style-type: none"> 1. The District Survey Report (DSR) for minor mineral of the District with a special reference to sand occurrence, replenishment and excavation. 2. Modified mining plan as per Sustainable Sand Guidelines 2016 incorporating sand monitoring guidelines 2020. <ol style="list-style-type: none"> i. Method of mining. ii. Demarcation of red line. iii. Plan - RLs on 10 meters grid of the sand reaches. iv Machinery used for sand mining v. 1 meter depth as per WALTA Act. 3. Compliance with all Hon'ble NGT/Court orders on sand mining. 4. Commitment letter on that there shall not be any sand mining during monsoon season.
	<p>The issue of EC to the Sand Reaches in A.P., was discussed in the SEAC, A.P., meeting held on 06.12.2021 & 07.12.2021.</p>
	<p>Now, the project proponent M/s. Jai Prakash Power Ventures Limited, Chittoor District has applied afresh for EC application through online on 24thNovember2021& 1 & 2nd December 2021</p>
	<p>Now, the M/s. Jai Prakash Power Ventures Limited, Chittoor District in Andhra Pradesh has furnished the District Survey Report prepared by the Andhra Pradesh Space Application Centre (APSAC), Modified Mining Plan with other documents and requested for the Environmental Clearance to them to operate</p>

	through semi-mechanized method for sand mining.
	The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Chittoor District Sri Rakesh and their RQP, Sri.Harindra have attended the meeting and submitted the District Survey Report, Modified Mining Plan.
	<p>171.14: Proposal No. 240826: 4.520 Ha Ordinary Sand Mine in Ananthapuram Sand Reach of Sy.No.408 of Ananthapuram Village, Chittoor Mandal, Chittoor District, Andhra Pradesh. Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 4.520 Ha with a proposed production quantity of Ordinary Sand Mine - 45,200 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Chittoor District Sri Rakesh and their RQP, Sri.Harindra have attended the meeting.</p> <p>The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Chittoor, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The Proposed Sand reach is a standalone Sand Reach.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance with a condition that the proponent shall submit the details of depth of sand i.e Redline and Mine closure plan.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Ananthapuram Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>171.15: Proposal No. 240836: 4.640 Ha Ordinary Sand Mine in B.N.R.Peta Sand Reach of Sy.No.315 of B.N.R.Peta Village, Chittoor Mandal, Chittoor District, Andhra Pradesh. Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of</p>

	<p>4.640 Ha with a proposed production quantity of Ordinary Sand Mine - 46,400 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Chittoor District Sri Rakesh and their RQP, Sri.Harindra have attended the meeting.</p> <p>The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Chittoor, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The Proposed Sand reach is a standalone Sand Reach.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance with a condition that the proponent shall submit the details of depth of sand i.e Redline and Mine closure plan.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the B.N.R.Peta Village as a part of Corporate Social Responsibility (CSR) activity</p> <p>171.16: Proposal No. 240841: 3.970 Ha Ordinary Sand Mine in Govindavaram Sand Reach of Govindavaram Village, Yerpedu Mandal, Chittoor District, Andhra Pradesh.</p> <p>Category : B2</p> <p>The project proposal is for mining of Ordinary Sand Mine in an area of 3.970 Ha with a proposed production quantity of Ordinary Sand Mine - 39,700 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. project cost for providing amenities to the local school / PHCs and development of village roads in the **Chemuru** Village as a part of Corporate Social Responsibility (CSR) activity.

171.18: Proposal No. 240873: 4.750 Ha Proposed Ordinary Sand Mine, S.N.Kandriga (Karani-2) Sand Reach at Karani Village, Subbanaidu Kandriga Panchayath, Nagalapuram Mandal, Chittoor District, Andhra Pradesh
Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.750Ha** with a proposed production quantity of **Ordinary Sand Mine - 47,500 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Chittoor District** Sri Rakesh and their RQP, Sri.Harindra have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, **Chittoor**, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed Sand reach is a standalone Sand Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance with a condition that the proponent shall submit the details of depth of sand i.e Redline and Mine closure plan.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Chemuru** Village as a part of Corporate Social Responsibility (CSR) activity.

171.19: Proposal No. 240878: 4.940 Ha Ordinary Sand Mine in Vikruthamala Sand Reach of Vikruthamala Village, Yerpedu Mandal, Chittoor District, Andhra Pradesh.

The project proposal is for mining Ordinary Sand Mine in an area of **4.940 Ha** with a proposed production quantity of **Ordinary Sand Mine - 49,400 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

	<p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Chittoor District Sri Rakesh and their RQP, Sri.Harindra have attended the meeting.</p> <p>The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Chittoor, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The Proposed Sand reach is a standalone Sand Reach.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance with a condition that the proponent shall submit the details of depth of sand i.e Redline and Mine closure plan.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Vikruthamala Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The committee recommended the EC for the above sand reaches without prejudice to the directions issued by the Honb'le NGT, Southern Zone, Chennai in O.A.No. 187 of 2021 (SZ).</p> <p>Further, the Committee recommended for issue of Environmental Clearances for Semi-Mechanized Mining Method to the above new Sand Reaches (06 Nos.), duly stipulating the following conditions:</p> <ol style="list-style-type: none"> i. There shall be no change in the production quantities approved in this Environment Clearance orders. ii. All the conditions and guidelines issued by MoEF&CC, Govt of India (2016) in respect of sand mining shall be followed. iii. The directions issued by the Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated :14.12.2020 shall be scrupulously followed. iv. The boundary pillars shall be erected with geo co-ordinates marked on them. v. No sand mining shall be done during the rainy season. vi. The ramp(i.e., approach road) shall be removed after sand mining is completed. vii. The standard environmental conditions for sand mining
--	---

	<p>specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed.</p> <p>All the above conditions shall be followed.</p> <p>Decision of SEIAA:-Agreed with the recommendation of the SEAC for issue of Environmental Clearance for Semi-Mechanized Mining Method to the above Sand Reaches (6 Nos) duly stipulating the conditions recommended by SEAC, A.P.</p>
<p>Agenda Item Nos: 171.08& 168.15, 171.13& 168.16, 171.20& 168.17, 171.21& 168.18, 171.22& 168.19, 171.23& 168.20, 171.24& 168.21, 171.25& 168.22</p>	<p>Sand Reaches -M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District, Andhra Pradesh requested the Environmental Clearance to operate through semi-mechanized method for sand mining to new sand reaches in Andhra Pradesh</p> <p>M/s. Jai Prakash Power Ventures Limited, Kadapa District, in Andhra Pradesh has requested for the Environmental Clearance to operate through semi-mechanized method for sand mining as the modified Mining Plan was approved as "<i>The thickness of sand is above 3 meters in the Sand Reaches as reported by the Asst. Director of Mines & Geology. The reach shall be proposed to be operated through Semi mechanized mode</i>".</p> <p>The Committee noted that MoEF&CC, GoI, New Delhi issued Notification vide S.O.No.141 dt:15.01.2016.</p> <p>For sand mining the District Survey Report is to be prepared as per the prescribed procedure for sand mining or river bed mining and mining of other minor minerals is given in Appendix- X of as per the S.O.No.141 dt:15.01.2016.</p> <p>The MoEF&CC, GoI, New Delhi issued guidelines in 2016 for sand mining "<i>Sustainable Sand Mining Management Guidelines, 2016</i>" and stated that for Identification and preparation of Mining Sites- (i) <i>Mining should be done only in area / stretch identified in the District Level Survey Report suitable for mining and so certified by the Sub Divisional Level Committee after site visit.</i> (ii) <i>Mining should begin only after pucca pillar marking the boundary of lease area is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee.</i></p> <p>The Hon'ble NGT, Southern Zone, Chennai in the matter of O.A.No.47 of 2016(SZ) & 177 of 2016(SZ), Order dated:14.12.2020 issued directions</p> <p><i>The State of Andhra Pradesh must scrupulously follow the</i></p>

	<i>directions issued by the Principal Bench recently in ANUMOLU GANDHI VS. STATE OF A.P (O.A.935/2018 dated 24.8.2020) and also the guidelines provided by the MoEF&CC in Sustainable Sand Mining Management Guidelines, 2016 Enforcement and Monitoring Guidelines for Sand Mining issued in January, 2020 while undertaking such process.</i>
	The issue of EC to the Sand Reaches in A.P., was discussed in the SEAC, A.P., meeting held on 06.12.2021& 07.12.2021.
	Now, the project proponent M/s. Jai Prakash Power Ventures Limited, Srikakulam District has applied afresh for EC application through online on 24 th November2021& 26 th November 2021
	Now, the M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District in Andhra Pradesh has furnished the District Survey Report prepared by the Andhra Pradesh Space Application Centre (APSAC), Modified Mining Plan with other documents and requested for the Environmental Clearance to them to operate through semi-mechanized method for sand mining.
	The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting and submitted the District Survey Report, Modified Mining Plan.
	<p>171.08: Proposal No. 240617: 3.488 Ha Proposed Ordinary Sand Mine, Konduru Sand Reach at Konduru Village, Pendlimarri Mandal, YSR Kadapa District, Andhra Pradesh</p> <p>Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 3.488 Ha with a proposed production quantity of Ordinary Sand Mine - 34,880 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting.</p> <p>The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, YSR Kadapa, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of</p>

500 mtrs area.

The Proposed sand reach is a Standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Konduru** Village as a part of Corporate Social Responsibility (CSR) activity

171.13: Proposal No. 240417: 3.380 Ha Ordinary Sand Mine in Jyothi Sand Reach-II of Jyothi Village, Sidhout Mandal, YSR Kadapa District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **3.380Ha** with a proposed production quantity of **Ordinary Sand Mine - 33,800 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District** Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Yerraguntla, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a Standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Jyothi** Village as a part of Corporate Social Responsibility (CSR) activity.

171.20: Proposal No. 240417: 4.987 Ha Proposed Ordinary Sand Mine of V sand reach, Yerraballi Village, Kamalapuram Mandal and Y.S.R. Kadapa District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.987Ha** with a proposed production quantity of **Ordinary Sand Mine - 49,870 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District** Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Yerraguntla, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a Standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Yerraballi** Village as a part of Corporate Social Responsibility (CSR) activity.

171 .21: Proposal No. 240997: 4.620 Ha Proposed Ordinary Sand Mine of Venkaiahkalva sand reach, Venkaiahkalva Village, Kondapuram Mandal and Y.S.R. Kadapa District, AndhraPradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.620Ha** with a proposed production quantity of **Ordinary Sand Mine - 46,200 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District** Sri Praveen

Kumar and their RQP, Sri. T Brahmaiah have attended the meeting. The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Yerraguntla, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The proposed sand reach is a Standalone sand Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance with below conditions:**

I. 7.5 mts buffer zone at station No.1 should be left.

II. The conditions in the DFO letter should be followed.

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Venkaiahkalva** Village as a part of Corporate Social Responsibility (CSR) activity.

171.22: Proposal No. 241020: 4.875 Ha Proposed Ordinary Sand Mine of Vedururu sand reach-II, Vedururu Village, ChapaduMandal and Y.S.R. Kadapa District, AndhraPradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.875Ha** with a proposed production quantity of **Ordinary Sand Mine - 48,750 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District** Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Yerraguntla, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The proposed sand reach is a Standalone sand Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations,

recommended for issue of Environmental Clearance.

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Vedururu** Village as a part of Corporate Social Responsibility (CSR) activity.

171.23: Proposal No. 240906: 3.00Ha Proposed Ordinary Sand Mine of Kanneluru Sand Reach-II, Kanneluru Village, Jammalamadugu Mandal and YSR Kadapa District, AndhraPradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **3.00Ha** with a proposed production quantity of **Ordinary Sand Mine - 30,000 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District** Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Yerraguntla, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The proposed sand reach is a Standalone sand Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Kanneluru** Village as a part of Corporate Social Responsibility (CSR) activity.

171.24: Proposal No. 240918: 4.810 Ha Proposed Ordinary Sand Mine of Jangalapalli sand reach-III, Jangalapalli Village, Sidhout Mandal and YSR Kadapa District, AndhraPradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.81Ha** with a proposed production quantity of **Ordinary Sand**

Mine - 48,100 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District** Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Yerraguntla, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The proposed sand reach is a Standalone sand Reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Jangalapalli** Village as a part of Corporate Social Responsibility (CSR) activity.

171.25: Proposal No. 241031: 1.500 Ha Proposed Ordinary Sand Mine of S.Rajampeta Sand reach, S.Rajampeta Village, Sidhout Mandal and YSR Kadapa District, AndhraPradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **1.500Ha** with a proposed production quantity of **Ordinary Sand Mine - 15,000 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, YSR Kadapa District** Sri Praveen Kumar and their RQP, Sri. T Brahmaiah have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Yerraguntla, vide Letter dated: 23.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

	<p>The proposed sand reach is a Standalone sand Reach. The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016. The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance. 	The issue of EC to the Sand Reaches in A.P., was discussed in the SEAC, A.P., meeting held on 06.12.2021& 07.12.2021
	Now, the project proponent M/s. Jai Prakash Power Ventures Limited, East Godavari District has applied afresh for EC application through online on 24 th November 2021 & 1,2 nd December 2021
	Now, the M/s. Jai Prakash Power Ventures Limited, East Godavari District in Andhra Pradesh has furnished the District

	<p>Survey Report prepared by the Andhra Pradesh Space Application Centre (APSAC), Modified Mining Plan with other documents and requested for the Environmental Clearance to them to operate through semi-mechanized method for sand mining.</p>
	<p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, East Godavari District Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting and submitted the District Survey Report, Modified Mining Plan.</p>
	<p>171.07: Proposal No. 240615: 4.47 Ha Proposed Ordinary Sand Mine, :Gopalapuram/2021-21 Sand Reach at Gopalapuram Village, Ravulapalem Mandal, East Godavari District, Andhra Pradesh.</p> <p>Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 4.47Ha with a proposed production quantity of Ordinary Sand Mine - 44,700 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, District East Godavari District Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.</p> <p>The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, Rajamahendravaram, vide Letter dated: 22.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The proposed Sand Reach is a standalone sand reach.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Gopalapuram Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>171.09: Proposal No. 240656: 4.24 Ha Proposed Ordinary Sand Mine, Gopalapuram/2021-20 Sand Reach at Gopalapuram Village, Ravulapalem Mandal, East Godavari District, Andhra Pradesh.</p>

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.24Ha** with a proposed production quantity of **Ordinary Sand Mine - 42,400 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 22.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Gopalapuram** Village as a part of Corporate Social Responsibility (CSR) activity.

171.10: Proposal No. 240667: 1.80 Ha Proposed Ordinary Sand Mine, Gopalapuram/2021-22 Sand Reach Gopalapuram Village, Ravulapalem Mandal, East Godavari District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **1.80Ha** with a proposed production quantity of **Ordinary Sand Mine - 18.000 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst.

Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 22.11.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Gopalapuram** Village as a part of Corporate Social Responsibility (CSR) activity.

171.32: Proposal No. 242007: 4.88 Ha Proposed Ordinary Sand Mine, Jonnada/2021-12 Sand Reach at Jonnada Village, Alamuru Mandal, East Godavari District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.88 Ha** with a proposed production quantity of **Ordinary Sand Mine - 48.800 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 01.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Jonnada** Village as a part of Corporate Social Responsibility (CSR) activity.

171.33: Proposal No. 242020: 3.75 Ha Proposed Ordinary Sand Mine, Vemagiri-Kadiyapulanka/2021-15 Sand Reach at Vemagiri-Kadiyapulanka Village, Kadiyam Mandal, East Godavari District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **3.75Ha** with a proposed production quantity of **Ordinary Sand Mine - 37,500 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 01.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed sand reach is a standalone sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Vemagiri –Kadiyapulanka** Village as a part of Corporate Social Responsibility (CSR) activity.

171.34: Proposal No. 242025: 4.73 Ha Proposed Ordinary Sand Mine, Jonnada/2021-13 Sand Reach at Jonnada Village, Alamuru Mandal, East Godavari District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.73Ha** with a proposed production quantity of **Ordinary Sand Mine - 47,300 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 01.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Jonnada** Village as a part of Corporate Social Responsibility (CSR) activity.

171.35: Proposal No. 242029: 4.69 Ha Proposed Ordinary Sand Mine, Vemagiri-Kadiyapulanka/2021-16 Sand Reach Vemagiri-Kadiyapulanka Village, Kadiyam Mandal, East Godavari District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.69 Ha** with a proposed production quantity of **Ordinary Sand Mine - 46,900 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 01.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and

development of village roads in the **Vemagiri-Kadiyapulanka** Village as a part of Corporate Social Responsibility (CSR) activity.

171.53: Proposal No. 242245: 4.56 Ha Proposed Ordinary Sand Mine, Gopalapuram Village, Ravulapalem Mandal and East Godavar District, AndhraPradesh – Environmental Clearance - Reg.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.56 Ha** with a proposed production quantity of **Ordinary Sand Mine - 45,600 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, District East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 01.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Gopalapuram** Village as a part of Corporate Social Responsibility (CSR) activity.

171.54: Proposal No. 242103: 3.10 Ha Proposed Ordinary Sand Mine, Gopalapuram Village, Ravulapalem Mandal and East Godavar District, AndhraPradesh – Environmental Clearance - Reg. Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **3.10 Ha** with a proposed production quantity of **Ordinary Sand Mine - 31,000 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of

mining lease area in respect of non-coal mine lease).
 The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.
 The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 01.12.2021 there are no existing sand reaches within the radius of 500 mtrs area. The proposed Sand Reach is a standalone sand reach.
 The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.
 The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**
 The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Gopalapuram** Village as a part of Corporate Social Responsibility (CSR) activity.

171.55: Proposal No. 242391: 4.16 Ha Proposed Ordinary Sand Mine, GOPALAPURAM/2021-18 SAND REACH Gopalapuram Village, Ravulapalem Mandal and East Godavar District, Andhra Pradesh – Environmental Clearance - Reg. Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.16 Ha** with a proposed production quantity of **Ordinary Sand Mine - 41,600 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, East Godavari District** Sri Sudhakar and their RQP, Sri. P. Vijay Kumar have attended the meeting.

The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, **Rajamahendravaram**, vide Letter dated: 01.12.2021 there are no existing sand reaches within the radius of 500 mtrs area. The proposed Sand Reach is a standalone sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

	<p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Gopalapuram Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The committee recommended the EC for the above sand reaches without prejudice to the directions issued by the Honb'le NGT, Southern Zone, Chennai in O.A.No. 187 of 2021 (SZ).</p> <p>Further, the Committee recommended for issue of Environmental Clearances for Semi-Mechanized Mining Method to the above new Sand Reaches (10 Nos.), duly stipulating the following conditions:</p> <ol style="list-style-type: none"> i. There shall be no change in the production quantities approved in this Environment Clearance orders. ii. All the conditions and guidelines issued by MoEF&CC, Govt of India (2016) in respect of sand mining shall be followed. iii. The directions issued by the Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated :14.12.2020 shall be scrupulously followed. iv. The boundary pillars shall be erected with geo co-ordinates marked on them. v. No sand mining shall be done during the rainy season. vi. The ramp(i.e., approach road) shall be removed after sand mining is completed. vii. The standard environmental conditions for sand mining specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed. <p>All the above conditions shall be followed.</p> <p>Decision of SEIAA:-Agreed with the recommendation of the SEAC for issue of Environmental Clearance for Semi-Mechanized Mining Method to the above Sand Reaches (10 Nos) duly stipulating the conditions recommended by SEAC, A.P.</p>
<p>Agenda Item Nos: 171.68& 168.34, 171.69& 168.35, 171.70& 168.36,</p>	<p>Sand Reaches -M/s. Jai Prakash Power Ventures Limited, Guntur District,Andhra Pradesh requested the Environmental Clearance to operate through semi-mechanized method for sand mining to new sand reaches in Andhra Pradesh</p> <p>M/s. Jai Prakash Power Ventures Limited, Guntur District, in Andhra Pradesh has requested for the Environmental Clearance to them to operate through semi-mechanized method for sand mining as the modified Mining Plan was approved as "<i>The thickness of sand is above 3 meters in the Sand Reaches as reported by the Asst. Director of Mines & Geology. The reach shall be proposed to be operated</i></p>

171.71&168.37,	<p><i>through Semi mechanized mode".</i></p> <p>The Committee noted that MoEF&CC, GoI, New Delhi issued Notification vide S.O.No.141 dt:15.01.2016.</p>
171.72&168.38, 171.73&168.39,	<p>For sand mining the District Survey Report is to be prepared as per the prescribed procedure for sand mining or river bed mining and mining of other minor minerals is given in Appendix- X of as per the S.O.No.141 dt:15.01.2016.</p>
171.74&168.40,	<p>The MoEF&CC, GoI, New Delhi issued guidelines in 2016 for sand mining " <i>Sustainable Sand Mining Management Guidelines, 2016</i>" and stated that for Identification and preparation of Mining Sites- (i) <i>Mining should be done only in area / stretch identified in the District Level Survey Report suitable for mining and so certified by the Sub Divisional Level Committee after site visit. (ii)Mining should begin only after pucca pillar marking the boundary of lease area is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee.</i></p>
171.75&168.41,	
171.76&168.42,	
171.77&168.43,	<p>The Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No.47 of 2016(SZ) & 177 of 2016(SZ), Order dated:14.12.2020 issued directions</p>
171.78&168.44,	<p><i>The State of Andhra Pradesh must scrupulously follow the directions issued by the Principal Bench recently in ANUMOLU GANDHI VS. STATE OF A.P (O.A.935/2018 dated 24.8.2020) and also the guidelines provided by the MoEF& CC in Sustainable Sand Mining Management Guidelines, 2016 and Enforcement and Monitoring Guidelines for Sand Mining issued in January, 2020 while undertaking such process.</i></p>
171.81&168.47	<p>The issue of EC to the Sand Reaches in A.P., was discussed in the SEAC, A.P., meeting held on 06.12.2021& 07.12.2021.</p>
	<p>Now, the project proponent M/s. Jai Prakash Power Ventures Limited, Guntur District has applied afresh for EC application through online on 5th December 2021 6th December 2021</p>
	<p>Now, the M/s. Jai Prakash Power Ventures Limited, Guntur District in Andhra Pradesh has furnished the District Survey Report prepared by the Andhra Pradesh Space Application Centre (APSAC), Modified Mining Plan with other documents and requested for the Environmental Clearance to them to operate through semi-mechanized method for sand mining.</p>
	<p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Guntur District Sri Senthil kumar and</p>

	<p>their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting and submitted the District Survey Report, Modified Mining Plan.</p>
	<p>171.68: Proposal No. 243118: 4.950 Ha Proposed Ordinary Sand Mine, Amaravathi-V SandReach at Amaravathi Village, Amaravathi Mandal, Guntur District, Andhra Pradesh Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 4.950 with a proposed production quantity of Ordinary Sand Mine - 49500 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Guntur District Sri Senthil Kumar and their RQP, Sri.N.V.S.P.L Ravikanth attended the meeting.</p> <p>The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Guntur, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for the issue of Environmental Clearance.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Amaravathi Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>171.69: Proposal No. 243138: 4.880 Ha Proposed Ordinary Sand Mine, Attalurivaripalem-5 SandReach at Sy.No. 702 of Attalurivaripalem Village, Kollipara Mandal, Guntur District, Andhra Pradesh Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 4.880 with a proposed production quantity of Ordinary Sand Mine - 48,800 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash</p>

Power Ventures Limited, Guntur District Sri Senthil Kumar and their RQP, Sri.N.V.S.P.L Ravikanth, attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Attalurivaripalem** Village as a part of Corporate Social Responsibility (CSR) activity.

171.70: Proposal No. 243144: 4.950 Ha Proposed Ordinary Sand Mine, Attalurivaripalem-6 SandReach at Krihna River Bed, near Attalurivaripalem H/o Vallabhapuram Village limits, Kollipara Mandal, Guntur District Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.950** with a proposed production quantity of **Ordinary Sand Mine - 49,500 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil Kumar and their RQP, Sri.N.V.S.P.L Ravikanth, attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Attalurivaripalem** Village as a

part of Corporate Social Responsibility (CSR) activity.

171.71: Proposal No. 243150: 4.977 Ha Proposed Ordinary Sand Mine, Bommuvanipalem -11 Sand Reach at Bommuvanipalem Village, Kollipara Mandal, Guntur District, Andhra Pradesh.

Category : B2

The project proposal is for mining **Ordinary Sand Mine** in an area of **4.977** with a proposed production quantity of Ordinary Sand Mine - **49,770 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil Kumar and their RQP, Sri.N.V.S.P.L Ravikanth, attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Guntur, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Bommuvanipalem** Village as a part of Corporate Social Responsibility (CSR) activity.

171.72: Proposal No. 243067: 4.930 Ha Proposed Ordinary Sand Mine, Chintampalli-1 Sand Reach Chintapalli Village, Atchamepeta Mandal, Guntur District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.930Ha** with a proposed production quantity of **Ordinary Sand Mine - 49,300 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and

their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.
 The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.
 The Proposed Sand reach is a standalone Sand reach.
 The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.
 The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**
 The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Chintapalli** Village as a part of Corporate Social Responsibility (CSR) activity.

171.73: Proposal No. 243159:4.920 Ha Proposed Ordinary Sand Mine, Dharanikota-14 Sand Reach Dharanikota Village, Amaravathi Mandal, Guntur District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.920Ha** with a proposed production quantity of **Ordinary Sand Mine - 49,200 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Dharanikota** Village as a part of Corporate Social Responsibility (CSR) activity.

171.74: Proposal No.243154:4.940 Ha Proposed Ordinary Sand

Mine, Gundemeda-2 Sand Reach, Gundemeda Village, Tadepalli Mandal, Guntur District, Andhra Pradesh Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.940Ha** with a proposed production quantity of **Ordinary Sand Mine- 49,400 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Sandeep and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Guntur, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Dharanikota** Village as a part of Corporate Social Responsibility (CSR) activity.

171.75: Proposal No.243134:4.970 Ha Proposed Ordinary Sand Mine, Ipuru-I sand Reach,Ipuru Village, Kollur Mandal and Guntur District, AndhraPradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.970Ha** with a proposed production quantity of **Ordinary Sand Mine - 49,700 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021

there are no existing sand reaches within the radius of 500 mtrs area. The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Ipuru** Village as a part of Corporate Social Responsibility (CSR) activity.

171.76: Proposal No.243142:3.93 Ha Proposed Ordinary Sand Mine, Ipuru-III, Ipuru Village, Kollur Mandal and Guntur District, Andhra Pradesh.

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **3.90Ha** with a proposed production quantity of **Ordinary Sand Mine - 39,300 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area. The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E), dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Ipuru** Village as a part of Corporate Social Responsibility (CSR) activity.

171.77: Proposal No.243162:4.770 Ha Proposed Ordinary Sand Mine, Kastala-IV, Kastala Village, Atchampet Mandal and Guntur District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.770Ha** with a proposed production quantity of **Ordinary Sand Mine - 47,700 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area. The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Kastala** Village as a part of Corporate Social Responsibility (CSR) activity.

171.78: Proposal No.243124:4.980 Ha Proposed Ordinary Sand Mine, Konuru-VII Sand Reach, Konuru Village, Atchampet Mandal and Guntur District, AndhraPradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.980Ha** with a proposed production quantity of **Ordinary Sand Mine - 49,800 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021

there are no existing sand reaches within the radius of 500 mtrs area. The Proposed Sand reach is a standalone Sand reach. The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016. The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.** The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Konuru** Village as a part of Corporate Social Responsibility (CSR) activity.

**171.79: Proposal No.243124:4.614 Ha Proposed Ordinary Sand Mine, Munnangi-IV Sand Reach,Munnangi Village, Kollipara Mandal and Guntur District, AndhraPradesh
Category : B2**

The project proposal is for mining Ordinary Sand Mine in an area of **4.614 Ha** with a proposed production quantity of **Ordinary Sand Mine - 46,140m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area. The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Munnangi** Village as a part of Corporate Social Responsibility (CSR) activity.

**171.80: Proposal No.243160:3.740 Ha Proposed Ordinary Sand Mine,PEDALANKA-I Sand Reach, PEDALANKA Village, Kollur Mandal and Guntur District, AndhraPradesh
Category : B2**

The project proposal is for mining Ordinary Sand Mine in an area of **3.740 Ha** with a proposed production quantity of **Ordinary Sand Mine - 37,400m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **PEDALANKA** Village as a part of Corporate Social Responsibility (CSR) activity.

171.81: Proposal No.4.930 Ha Proposed Ordinary Sand Mine, Potharlanka 14 Sand Reach, Potharlanka Village, Kollur Mandal and Guntur District, Andhra Pradesh

Category : B2

The project proposal is for mining Ordinary Sand Mine in an area of **4.930 Ha** with a proposed production quantity of **Ordinary Sand Mine - 49,300m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Guntur District** Sri Senthil kumar and their RQP, Sri.N.V.S.P.L Ravikanth have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Guntur**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The Proposed Sand reach is a standalone Sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

	<p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for the issue of Environmental Clearance.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Potharlanka Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The committee recommended the EC for the above sand reaches without prejudice to the directions issued by the Honb'le NGT, Southern Zone, Chennai in O.A.No. 187 of 2021 (SZ).</p> <p>Further, the Committee recommended for issue of Environmental Clearances for Semi-Mechanized Mining Method to the above new Sand Reaches (14 Nos.), duly stipulating the following conditions:</p> <ul style="list-style-type: none"> i. There shall be no change in the production quantities approved in this Environment Clearance orders. ii. All the conditions and guidelines issued by MoEF&CC, Govt of India (2016) in respect of sand mining shall be followed. iii. The directions issued by the Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated :14.12.2020 shall be scrupulously followed. iv. The boundary pillars shall be erected with geo co-ordinates marked on them. v. No sand mining shall be done during the rainy season. vi. The ramp(i.e., approach road) shall be removed after sand mining is completed. vii. The standard environmental conditions for sand mining specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed. <p>All the above conditions shall be followed.</p> <p>Decision of SEIAA:-Agreed with the recommendation of the SEAC for issue of Environmental Clearance for Semi-Mechanized Mining Method to the above Sand Reaches (14 Nos) duly stipulating the conditions recommended by SEAC, A.P.</p>
<p>Agenda Item Nos: 171.95& 168.48, 171,96&</p>	<p>Sand Reaches -M/s. Jai Prakash Power Ventures Limited, Krishna District,Andhra Pradesh requested the Environmental Clearance to operate through semi-mechanized method for sand mining to new sand reaches in Andhra Pradesh</p>

168.49,	
	<p>M/s. Jai Prakash Power Ventures Limited, Krishna District, in Andhra Pradesh has requested for the Environmental Clearance to them to operate through semi-mechanized method for sand mining as the modified Mining Plan was approved as "<i>The thickness of sand is above 3 meters in the Sand Reaches as reported by the Asst. Director of Mines & Geology. The reach shall be proposed to be operated through Semi mechanized mode</i>".</p> <p>The Committee noted that MoEF&CC, GoI, New Delhi issued Notification vide S.O.No.141 dt:15.01.2016.</p> <p>For sand mining the District Survey Report is to be prepared as per the prescribed procedure for sand mining or river bed mining and mining of other minor minerals is given in Appendix- X of as per the S.O.No.141 dt:15.01.2016.</p> <p>The MoEF&CC, GoI, New Delhi issued guidelines in 2016 for sand mining "<i>Sustainable Sand Mining Management Guidelines, 2016</i>" and stated that for Identification and preparation of Mining Sites- (i) <i>Mining should be done only in area / stretch identified in the District Level Survey Report suitable for mining and so certified by the SubDivisional Level Committee after site visit.</i> (ii) <i>Mining should begin only after pucca pillar marking the boundary of lease area is erected at the cost of the lease holder after certification by the mining official and its geo coordinates are made available to the District Level Committee.</i></p> <p>The Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No.47 of 2016(SZ) & 177 of 2016(SZ), Order dated:14.12.2020 issued directions</p> <p><i>The State of Andhra Pradesh must scrupulously follow the directions issued by the Principal Bench recently in ANUMOLU GANDHI VS. STATE OF A.P (O.A.935/2018 dated 24.8.2020) and also the guidelines provided by the MoEF& CC in Sustainable Sand Mining Management Guidelines, 2016 and Enforcement and Monitoring Guidelines for Sand Mining issued in January, 2020 while undertaking such process.</i></p>
	The issue of EC to the Sand Reaches in A.P., was discussed in the SEAC, A.P., meeting held on 06.12.2021 & 07.12.2021.
	Now, the project proponent M/s. Jai Prakash Power Ventures Limited, Krishna District has applied afresh for EC application through online on 07 December 2021
	Now, the M/s. Jai Prakash Power Ventures Limited, Krishna District in Andhra Pradesh has furnished the District Survey Report prepared by the Andhra Pradesh Space Application Centre (APSAC), Modified Mining Plan with other documents and requested for the Environmental Clearance to them to operate through semi-mechanized method for sand

	mining.
	The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Krishna District and their RQP, Sri. G. Harendra have attended the meeting and submitted the District Survey Report, Modified Mining Plan.
	<p>171.95: Proposal No. 243417: 4.99 Ha Proposed Ordinary Sand Mine, Ganiathkur-1 Sand Reach, at Ganiathkur Village, Kanchikacherla Mandal, Krishna District, Andhra Pradesh</p> <p>Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 4.99 Ha with a proposed production quantity of Ordinary Sand Mine - 49,900 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project proponent of M/s. Jai Prakash Power Ventures Limited, Krishna District their RQP, G.Harendra have attended the meeting.</p> <p>The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Vijayawada, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.</p> <p>The proposed sand reach is a standalone sand reach.</p> <p>The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for the issue of Environmental Clearance.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Ganiathkur Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>171.96: Proposal No. 243441: 4.99 Ha Proposed Ordinary Sand Mine, Ganiathkur-2 Sand Reach, at Ganiathkur Village, Kanchikacherla Mandal, Krishna District, Andhra Pradesh</p> <p>Category : B2</p> <p>The project proposal is for mining Ordinary Sand Mine in an area of 4.99 Ha with a proposed production quantity of Ordinary Sand Mine - 49,900 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/plan.</p>

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 thereof Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent of **M/s. Jai Prakash Power Ventures Limited, Krishna District** their RQP, G.Harendra have attended the meeting.

The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, **Vijayawada**, vide Letter dated: 04.12.2021 there are no existing sand reaches within the radius of 500 mtrs area.

The proposed Sand reach is a standalone sand reach.

The project falls under B2 category as per the MoEF&CC Notification No. S.O.2269(E),dated 1st July, 2016.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended for the issue of Environmental Clearance.**

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Ganiathkur** Village as a part of Corporate Social Responsibility (CSR) activity.

The committee recommended the EC for the above sand reaches without prejudice to the directions issued by the Honb'le NGT, Southern Zone, Chennai in O.A.No. 187 of 2021 (SZ).

Further, the Committee recommended for issue of Environmental Clearances for Semi-Mechanized Mining Method to the above new Sand Reaches (02 Nos.), duly stipulating the following conditions:

- i. There shall be no change in the production quantities approved in this Environment Clearance orders.
- ii. All the conditions and guidelines issued by MoEF&CC, Govt of India (2016) in respect of sand mining shall be followed.
- iii. The directions issued by the Honb'le NGT, Southern Zone, Chennai in the matter of O.A.No. 47 of 2016 (SZ) & 177 of 2016 (SZ), Order dated :14.12.2020 shall be scrupulously followed.
- iv. The boundary pillars shall be erected with geo co-ordinates marked on them.
- v. No sand mining shall be done during the rainy season.
- vi. The ramp(i.e., approach road) shall be removed after sand mining is completed.
- vii. The standard environmental conditions for sand mining specified in the Sustainable Sand Mining Guidelines, issued by MoEF&CC, Govt of India, 2016 shall be followed.

All the above conditions shall be followed.

Decision of SEIAA:-Agreed with the recommendation of the SEAC for issue of Environmental Clearance for Semi-Mechanized Mining Method

	to the above Sand Reaches (02 Nos) duly stipulating the conditions recommended by SEAC, A.P.
