

A Joint meeting was held in SEIAA office on 18.12.2021 with Secretary, SEAC and other concerned members of SEAC on the appraisal of Sum Hospital and Sum Ultimate Proposals. In the meeting, it was decided to appraise both the proposals covering the following aspects.

- 1) List of the buildings built before 14.9.2006 i.e. coming into force of the EIA Notification, 2006 and their built up area of each.
- 2) List of buildings covered by the EC granted on 19.12.2013 for 50,553 sqmtr. of built up area. Classify these buildings into hospital buildings and educational institute / hostel buildings.
- 3) List of the buildings subsequently constructed after 22.12.2014. Classify the buildings into hospital buildings and educational institute/hostel buildings. Identify the buildings from this list which are the hospital buildings covered by the EC granted in 2013.
- 4) List of buildings constructed after 22.12.2014 but not covered by the EC of 2013.

Accordingly, the project proponent was requested to furnish the desired information for both proposals in prescribed format suggested by the SEIAA, Odisha. The proponent has furnished the desired information in the prescribed format for both the proposals and it was appraised in the SEAC meeting held on 22.12.2021. It was decided to forward the desired information to SEIAA, Odisha with a request to take further action for both the proposals for grant of Environmental Clearance.
