

# Agenda notes for SEIAA meeting dated 16.04.2022 etc. and minutes of the meeting

## Online Proposals

76<sup>th</sup> Meeting of SEIAA, Odisha dated 16.04.2022 and 19.04.2022, at 11.00 a.m.

Sl. No.	Proposed Category (B1, B2, B3, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z)	Project Sector and EIA notification Schedule.	Auto generated File No.	Name of the Applicant/Project Proponent	Title of the proposal	Date of receipt of the proposal online	Status indicated in the PARTIAL VESHPortal	Decisions of SEIAA in the previous meeting	Current Status and Agenda Note	Observations / Decisions of SEIAA Meeting
1.	B1, EC	3(b) Cement plants (Industry 1)	239038/25-IND/1-2021	The Ramco Cements Limited, M/s. Srinivasan, President	Expansion of existing stand-alone cement grinding unit from 0.90 MTPA to 1.80 MTPA (Line-II) by installation of an additional Cement mill of capacity 165 TPH by M/s The Ramco Cements Limited (TRCL) located at/PO: Handaspur, PS/Tehsil: Dhamasala, Dist-Jajpur, Odisha and the project proponent is M/s. Ramco Cements Ltd.	12.11.2021	Under examination of SEIAA after SEAEC.	This is an online proposal for EC.	This is regarding an Expansion proposal for Cement Grinding unit. The project has submitted at SEIAA under Category 'B' as the lease area is <100.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under S.No-3(b) - "Cement Plant". The project proponent has submitted proposal for grant of EC for Expansion of existing stand-alone cement grinding unit capacity from 0.90 MTPA to 1.80 MTPA (Line-II) by installation of an additional Cement mill of capacity 165 TPH by M/s The Ramco Cements Limited (TRCL) located at/PO: Handaspur, PS/Tehsil: Dhamasala, Dist-Jajpur, Odisha and the project proponent is M/s. Ramco Cements Ltd. The following documents have been received Form-2, PFR, EMP, Mining Plan and approval letter, land schedule, earlier EC copy and its certified compliance, CTO etc. The following deficiencies/commission have been noticed in the above documents. <ul style="list-style-type: none"> <li>Nil</li> </ul> <b>Other Points</b> <ol style="list-style-type: none"> <li>The project falls under schedule-3 (b) "Cement Plants. All Stand-Alone Grinding Unit, listed in the schedule as Category- B2 subject to the condition that transportation of raw material and finished products shall be primarily through railways; Vide MoEF O.M. J-13012/12/2013-(A-II (I), dt. 24.12.2013.</li> </ol>	Specific deadline of achieving full scale compliance of all partially complied / non-complied conditions shall be reported by PP to SEIAA on firm basis, including deadline for compliance of

Handwritten mark

	<p>Dharmasala, Dist: Jaipur, of The Ramco Cements Limited</p>	

2. The FIP has obtained EC earlier issued by SEEA, Odisha vide letter no. 3731/SE/IAA dt. 26.10.2017 production 0.9 MTPA capacity cement grinding unit of Ramco Cement Ltd at village Haridaspur, Jajapur.
3. The MoEF & CC regional Office, BBSR submitted certified EC compliance report with mentioning some non-compliance of EC condition to be comply by the PA as follows:
  - a. Partial protection for workers
  - b. The PA should make the entire road within the industry premises concrete and should have water sprinkling devices installed all along the roads for suppression of dust.
  - c. To be submitting details status report of compliance of recommendations made in the Corporate Responsibility for Environment Protection (CREP) to MoEF & CC office.
  - d. The project proponent shall provide LED lights in their offices and residential areas.
4. **Location and Connectivity** - Total land is 72.94 ha non-forest land and Geographical co-ordinates of the Project is latitude -20°44'43.9"N to 20°44'38.55"N and Longitude - 86°05'54"E to 86°07'209"E. Project site is falling in Survey of India Toposheet No - F45U1 & F45U2. Nearest national highway is NH-203 at 3 km and NH-5 at 2.5 km. Nearest Railway station is Haridaspur Railway Station- 2.8 km. Nearest airport is Biju Patnaik International Airport, Bhubaneswar at a distance of approximately 75.3 km. Nearest Reserve Forest is Bleschinta R.F. - 9.8 km. Nearest water body are Kumarda Nala - 3.2 Km and Brahmani River is at 4.9 km. Nearest habitation is Haridaspur - 1km. Nearty Industries are M/s. P. J. Resources Pvt Ltd - 1.3km and M/s. P. J. Minerals International Pvt Ltd - 1.5km.
5. The existing project was accorded environmental clearance vide Ref No. 3731/SE/IAA, dated 26.10.2017. Consent to Operate for the existing unit was accorded by State Pollution Control Board, Odisha vide Ir. No. 6296/ND-I-COM-6741, dated 26.03.2021. The validity of CTO is up to 31.03.2026.
6. The unit configuration and capacity of existing and proposed project is given as below.
7. The details of the raw material requirement for the proposed project/ expansion cum proposed project along with its source and mode of transportation is given as below:

90% of all finished products transport by rail, ETP & STP installation and zero discharge of waste water do not appear to be attended with seriousness, as also control of all fugitive dust emission. Specific undertaking on deadline for achieving all these compliances may be submitted by PP within 15 days before EC can be considered.

Raw material	Source	Transportation mode	Existing plant requirement TPD	Proposed plant requirement TPD	Total plant requirement (existing + proposed)	Distance in km
Clinker	TRCL, Jayanthipuram, Andhra Pradesh.	Rail	1,800	1,800	3,600	950
	TRCL, Arvalur & Alathiyur, Tamilnadu.					1700
	Imported, Paradeep, Odisha, Tista Steel BSL Limited, Kalinga Nagar, Odisha.					100
Flyash	Paradeep	Rail	1,050	1,050	2,100	35
Phospho gypsum	Paradeep Phosphates Ltd, Paradeep, Odisha	Rail	150	150	300	100
	Imported (Oceanic Trade Minerals Pvt. Ltd. Paradeep, Odisha, RINI, Vizag, Andhra					100
Slag	RINI, Vizag, Andhra	Rail	1,400	1,400	2,800	550

Enterpris es (Ltd). Paradeo P. Odisha				
---------------------------------------------------	--	--	--	--

8. **Water Requirement** – The water requirement for the project is estimated as 200 m<sup>3</sup>/day, out of which 100 m<sup>3</sup>/day of fresh water requirement will be obtained from ground water and the remaining requirement of 100 m<sup>3</sup>/day will be met from the Sagaria Nala. The permission for drawl of groundwater vide NOC letter no. CGWA/NOC/IND/REN/1/2021/5025, Dt. 27.03.2020 to 25.03.2023 from Central Ground Water Authority (CGWA) and Surface water nearby Sagaria Nalla permission of same obtained vide NOC. Lr.No. WT-135/104, dated 04.01.2020 from Jarakā Irrigation division.
9. **Power Requirement** – The power requirement for the project is estimated as 17,800 KVA, out of which 10000 KVA in 132 KVA supply system shall be met from NESCO Utility on chargeable basis. Vide Letter No. FC/CO/935/ 56040, dt. 23.07.2020. Also for standby operation 2. Nos of 6 MW DG- Sets installed. For Proposed expansion project power requirement of 7,100 Kwh i.e. 7,800 KVA, permission is under process.
10. **Waste Management** - The details of solid and hazardous waste generation along with its mode of treatment/disposal is furnished as below:

Sl. No.	Source of Generation	Source	Quantity	Management Plan
i)	Dust from APC Device		100 TPA	Will be completely reused in Cement manufacturing process.
ii)	Ash from HAG		5,000 TPA (approx.)	Will be completely reused in Cement manufacturing process.
iii)	Sludge from settlin		0.5 Ton	Will be used as manure in green belt development.

2	B2, EC	1(a) Mining of minerals	2343 97/10 3-MINE 2/12-2021	Tahasildar, Basta	Proposal of EC of Mathani & Punsita Sand Sairat over an area of 3.08 Acres or 1,246 Ha at Village- Mathani & Punsita,	08.12.2021	Under examination of SEIAA after SEA	The proposal was placed in 70 <sup>th</sup> SEIAA meeting and it was	<p>employed for the expansion.</p> <p>13. Total Project Cost - The capital cost of the project is Rs 837.31 Crores and the capital cost for environmental protection measures is proposed as Rs 20 Crores. The annual recurring cost towards the environmental protection measures is Rs 0.45 Crores.</p> <p>14. The proponent along with the consultant M/s Visiontek Consultancy Services Pvt. Ltd, Bhubaneswar made a detailed presentation before the SEAC on the proposal on 07.12.2021. The project proponent has requested to consider the project as category B2 and exempt them for conducting detailed EIA study.</p> <p>15. SEAC recommended the proposal -Yes in its meeting held on 15.03.2022 with following conditions</p> <p>a) Transportation of raw material and finished products (both for existing and proposed expansion) shall be primarily through railways i.e. transportation by railways should not be less than 90% of the traffic (inward and outward put together) as proposed by the proponent as per MoEF&amp;CC, Govt. of India OM No. J-13012/12/2013-IA-II(I), dated 24th Dec. 2013. The proponent shall construct the additional railway corridor after obtaining permission from the railway authority if the existing railway corridor will not be adequate for the proposed expansion. In such case, the proponent shall go for production activity for proposed expansion after completion / operation of the additional railway corridor.</p> <p>b) Permission from WR Department, Government of Odisha shall also be obtained for ground water extraction of 100 cu.m/ day besides NOC from CGWA</p> <p>c) All the compliances submitted/ committed by PP (s) shall be strictly adhered to by them</p> <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p> <p>This is regarding a new proposal for mining of minor mineral Sand. The project has submitted at SEIAA under Category B2 as the lease area is &lt;math&gt;55.0\text{ Ha}&lt;/math&gt;. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No. 1(a) - "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Mathani &amp; Punsita River Sand Bed over a total lease area 1,246Ha/3.08 acre at Village-Mathani &amp; Punsita, Tahasil-Basta and District-Balasore and the project proponent is Tahasildar, Basta.</p> <p>The following documents have been received  Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order,</p>
---	--------	-------------------------	-----------------------------	-------------------	-----------------------------------------------------------------------------------------------------------------------	------------	--------------------------------------	----------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p>Tahasid - Basia, Dist- Balasore</p>	<p>C</p> <p>decided as follows: -Seek clarification from Tahasid on the location of this proposed sand source outside any river and its proximity to road &amp; road bridge.</p>	<p>maximum quantity permissible each 1200 cum per in the 1<sup>st</sup> year. Usual conditions apply.</p>
<p>3. B2, EC</p> <p>(a) Mining of mineral</p> <p>2460 98/14 5- MNB 2/12-2021</p> <p>Panchanan Pal</p> <p>Proposal of EC of Kharasrota River Sand Bed, Olchhandrapur over an area of 11.70 Acres or 4.73 Hectares in village Olchhandrapur under Binjharpur Tahasid of Jaipur district</p> <p>20.12.2021</p> <p>Under examination of SEIAA after SEIAA C</p> <p>The proposal was planned in 71<sup>st</sup> SEIAA meeting and it was decided as follows: -Let the mining progress of the approved mining plan. Let the</p>	<p>mining approval letter, mining plan, cluster clarification documents. The following deficiencies/omission have been noticed in the above documents. As per the google map it reveals, that the Sand will be extracted from a Nala of Jaisa River which is closed to road and 100m away from Road Bridge. Distance from nearest sanctuary/ESZ-Kudina WLS-41.14km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Manual River-Jaisa, depth of sand deposition-1.0m Distance from Nearest Road Bridge-0.55km, village road-0.8km Whether it is part of cluster - No Whether EC obtained earlier- No Production capacity per annum-4530 cum/year(max.), Geological reserve-12460 cum, Mineable (reserve)-4530 cum This is a B2 category project. Whether SEAC recommended the proposal -Yes The proposal was placed in 70<sup>th</sup> SEIAA meeting and it was decided as follows: -Seek clarification from Tahasid on the location of this proposed sand source outside any river, and its proximity to road &amp; road bridge. Accordingly, AOS letter issued by SEIAA with letter no. 4020/SEIAA dated 17.02.2022. Now the Tahasid has submitted the ARS vide letter no. 840 dated 26.03.2022. In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p> <p>This is regarding a New proposal for mining of minor mineral Sand. The project has submitted at SEIAA under Category B2 as the lease area is &lt;math&gt;55.0\text{ Ha}&lt;/math&gt; As per the EIA Notification, 2006, this project falls in the schedule under S.No-1(a) - "Mining of Mineral" of non-coal mining sector. The project proponent has submitted Proposal for Fresh EC of Kharasrota River Sand Bed, Olchhandrapur over an area of 11.70 Acres or 4.73 Hectares in village Olchhandrapur under Binjharpur Tahasid of Jaipur district. Odisha of Applicant-Sri Parthanan Pal and the IP is Sri Parthanan Pal. The following documents have been received: Checklist, Form-1, DSR, PFR, EMP, Topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. The following deficiencies/omission have been noticed in the above documents. * Two pages is missing in the mining plan/page no. 9 and 10) of geological reserve &amp; mineable reserve Distance from nearest sanctuary/ESZ-Bhirkhanika WLS-35.0km</p>	<p>EC may be given with usual conditions, including requirement of rate of replenishment study in the indicated method. Maximum</p>

4	B2, EC	1(a) Mining of minerals	2609 8/1/23 D-MINE 2003-2022	Sri. Kailasa Chandra Parjara	Proposal of Sri. Kailasa Chandra Parjara for EC of Kalachua New Building Stone Quarry (Tha).35/18, Dangarapada Over an area of 4.894 Acres or 1.990 Ha in Village- Dangarapada, Tahasil Begunia, District	11.03.2022	Undertaking of examination of SEIAA after SEA C	This is a online proposal for EC	describe the method to be applied for study of title rate of replacement of sand at the site. Let him also undertake that there shall be no mechanisation for sand mining and proper maintenance of the village road which is close by	Whether the lease area coming in D.L.C. report- No Whether the lease area reflecting in DSR-Yes Method of mining- Manual River- Kharasrota, depth of sand deposit-2.0m Distance from Nearest Road Bridge-0.77km, village road-0.50km Whether it is part of cluster - No Whether EC obtained earlier- No Production capacity per annum-13812 cum/annum(max) This is a B2 category project. Whether SEAC recommended the proposal -Yes	depth of digging is 0.5m. Maximum quantity for extraction in the 1 <sup>st</sup> year 5000 cum.
<p>The proposal was placed in 71<sup>st</sup> SEIAA meeting and it was decided as follows: 'Let him submit the missing pages of the approved mining plan. Let him also describe the method to be applied for study of the rate of replenishment of sand at the site. Let him also undertake that there shall be no mechanisation of sand mining, and proper maintenance of the village road which is close by'.</p> <p>Accordingly, ADS letter issued by SEIAA vide letter no. 4115/SEIAA dated 02.03.2022.</p> <p>Now the Tahasildar has submitted the ADS vide letter no. 2021 dated 14.03.2022, and submitted the approved mining plan. In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p> <p>This is regarding a new proposal for mining of minor mineral Stone. The project has submitted at SEIAA under Category 'B1' as the lease area is &lt;math&gt;25.0\text{ Ha}&lt;/math&gt;. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) - "mining of mineral" of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Kalachua new building stone quarry (Tha) 35/18, over an area of 1.990 ha or 4.894 ac (coming under cluster-3 of Sri Jagannath Temple Office, Puri having total lease area-49.840 Ha) in village Dangarapada under Begunia Tahasil and Khordha district Odisha and the project proponent is Sri Kailasa Chandra Parjara.</p> <p>The following documents have been received Form-1, Form-2, PFR, checklist, EMP, Mining Plan and approval letter, D.L.C., DSR, Village sheet, Cluster certificate, topomap etc.</p> <p>The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> <li>• Nil</li> </ul> <p>Distance from nearest sanctuary/ESZ-Chardaska W.S-16.77km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes. Method of mining- Semi-Mechanized</p>											
<p>EC may be given with usual conditions for stone quarries. This is an individual application for a lease area which is part of an approved cluster.</p> <p><i>Handwritten notes:</i> Cluster not from 1st to 4th 1st to 4th 1st to 4th 1st to 4th 1st to 4th</p>											

5.	B1, EC	(1a) Mining of minerals	2633 32/54 B-MINB 1/02-2022	SH Muthu njay Deo	Proposal for EC for Bichhakhandi Black Stone Quarry-21 over lease area 1.618 Ha/4.03 acres 16 nos. of quarries coming (under cluster-4 total lease area 36.65 Ha for which already submitted EIA/EMP report and recommended by SEAC and accordingly letter issued by SEIAA vide letter no 2334/SEIAA dt. 31.08.2021 for individual application) in village- Bichhakhandi	22.02.2022	Under examination of SEIAA after SEA/C	This is a online proposal for EC	<p>Distance from Nearest Road Bridge-5.5km, village road-0.9km</p> <p>Whether it is part of cluster -Yes, the lease area comes under Cluster-3 of Sri Jagannath Temple Office, Puri having total lease area-49.840 Ha. The EIA/EMP report under cluster approach has already been approved by SEAC for the B1-category project. Now, the PP has applied individual EC application. Whether EC obtained earlier- No</p> <p>Production capacity per annum-10052cum/annum (max.), Geological reserve-332785 cum, Mineable reserve-204177 cum.</p> <p>This is a B1 category project</p> <p>Whether SEAC recommended the proposal -Yes</p> <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p> <p>This is regarding a new proposal for mining of minor mineral Stone. The project has submitted at SEIAA under Category 'B1' as the lease area is 25.0 Ha. As per the EIA Notification, 2006, the project falls in the schedule under S.I.No-1(b), "mining of mineral" of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Bichhakhandi Black Stone quarry no-21 over 4.00 ac. or 1.618 hecto/coming under cluster of Bichhakhandi Hillocks over an lease area of 90.562 Acres), in village Bichhakhandi under Chermasala Taluk of Jajpur District, Odisha and the project proponent is Sh Mridunjesy Das.</p> <p>The following documents have been received</p> <p>Form-1, Form-2, FRN, checklist EMP, Mining Plan and approval letter, D.L.C., DSR, Village sheet, Cluster certificate, topomap etc.</p> <p>The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> <li>• Nil</li> </ul> <p>Distance from nearest sanctuary/RESZ-Bhitarakanika WL-5-86.0km</p> <p>Whether the lease area coming in D.L.C. report-No</p> <p>Whether the lease area reflecting in DSR-Yes</p> <p>Method of mining- Semi-Mechanized</p> <p>Distance from Nearest Road Bridge-5.5km, village road-1.9km</p> <p>Whether it is part of cluster -Yes, the lease area comes under coming under cluster of Bichhakhandi Hillocks over a lease area of 90.562 Acres. The EIA/EMP report under cluster approach has already been approved by SEAC for the B1-category project and the SEIAA Odisha recommended the proposal vide letter no 2334/SEIAA dt. 31.08.2021 for individual application as per SEAC recommendation. Now, the PP has applied individual EC application. Whether EC obtained earlier- No</p> <p>Production capacity per annum-12628 cum/annum (max.), Geological reserve-216072 cum, Mineable reserve-109388 &amp; cum</p> <p>This is a B1 category project</p> <p>Whether SEAC recommended the proposal -Yes</p>	<p>The case has to be seen in the context of the rampant quarrying activity within this Hill block beyond the proposed cluster of lease areas, as is apparent from an inspection of the google map of this area. As per appraisal note and recommendation of SEAC, EC in this instant case may be issued with all usual conditions applied to stone quarry operation involving blasting with the following further stipulation. Whether it is a fact that there has</p>

7.	B1, EC	1(a) Mining of minerals	2574 3354 7- MINB 1/02- 2022	Sri Shaila bala Rout	Proposal for EC of Bichhakhandi Black stone quarry No -11 over 7.50 acres or 3.035 hect (under cluster-4 total lease area 36.65 Ha for which already submitted EIA/EEMP report and recommended by SEAC and accordingly letter issued by SEIAA vide letter no 2334/SEIAA dt. 31.08.2021 for individual application) in village Bichhakhandi under Dharmasala Tahasil of Jajpur	19.02.2022	Under examination of SEIAA after SEA C	This is a online proposal for EC.	This is regarding a new proposal for mining of minor mineral Stone. The project has submitted at SEIAA under Category 'B1' as the lease area is 25.0 Hs. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) -mining of mineral* of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Bichhakhandi Black stone quarry No -11 over 7.50 acres or 3.035 hect.(coming under cluster of Bichhakhandi Hilllocks over a lease area-30) 582 acres in cluster-04) in village Bichhakhandi under Dharmasala Tahasil of Jajpur dist, Odisha and the project proponent is Sri Shailabala Rout. The following documents have been received Form-1, Form-2, PFR, checklist, EMP, Mining Plan and approval letter, D.L.C., DSR, Village sheet, Cluster certificate, topomap etc. The following deficiencies/omission have been noticed in the above documents. • Nil Distance from nearest sanctuary/ESZ-Kapilash WLS-22.70km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Semi-Mechanized Distance from Nearest Road Bridge-6.0km, village road-1.9km Whether it is part of cluster -Yes, the lease area comes under coming under cluster of Bichhakhandi Hilllocks over a lease area of 90 582 Acres in cluster-04. The EIA /EMP report under cluster approach has already been approved by SEAC for the B1-category project and the SEIAA Odisha recommended the proposal vide letter no. 2334/SEIAA dt. 31.08.2021 for individual application as per SEAC recommendation. Now, the EP has applied individual EC application. Whether EC obtained earlier- No Production capacity per annum-39669 cum/yannum (max.). Geological reserve-638112 cum, Mineable reserve-419456 cum This is a B1 category project.	Steps to be taken in case of any such wanton over-exploitation of quarry material for restitution of the environment of the hill and the surrounding villages may be worked out in detail. The case has to be seen in the context of the rampant quarrying activity within this Hill block beyond the proposed cluster of lease areas as is apparent from an inspection of the google map of this area. As per appraisal note and recommendation of SEAC, EC in this instant case may be issued with all usual condition applied to stone quarry operation involving blasting with the following further stipulation. Whether it is a fact that there has
