

**MINUTES of 185th (Day-3) MEETING OF STATELEVEL ENVIRONMENT
IMPACT ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD ON
21.06.2022 AT VIJAYAWADA A.P.**

185th SEIAA, A.P.

(Day-3)

**MINUTES OF THE 185th MEETING OF STATELEVEL ENVIRONMENT IMPACT
ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD ON
21.06.2022 AT VIJAYAWADA A.P.**

Present:**The following members were present. (Through Video Conference)**

1.	Sri P.Venkata Rami Reddy, I.A.S, (Retired).	Chairman
2.	Dr.Thatiparthi Byragi Reddy Professor. Department of Environmental Sciences, Andhra University, Visakhapatnam	Member
3.	Dr. P.V.Chalapathi Rao, I.F.S Special Secretary to Govt., Environment, Forests, Sciences and Technology Department, Govt. of Andhra Pradesh & Member Secretary, SEIAA,A.P.	Member Secretary

22/06/2022

188.53 & 185.32	4.721 Ha Mining of Colour Granite (With Inclusion of Gravel, Road Metal & Waste Boulders) of M/s. Dhanalakshmi Granites and Exports at Sy. No: 2/P, Devavaram Village, Darsi Mandal, Prakasam District, Andhra Pradesh – Environmental Clearance – Reg.
SIA/AP/ MIN/ 272930 / 2022	Recommendations of the SEAC on 03.06.2022. Category: B2. The proposed project is for mining of Gravel, Colour Granite & Road Metal & Waste Boulders mine in an area of 4.721 Ha with a proposed production quantity of Gravel – 27381 m ³ /annum Colour Granite – 18254 m ³ /annum Road Metal & Waste Boulders – 27381 m ³ /annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan. The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease). The project proponent and their M/s. SV Enviro Labs & Consultants have attended the meeting. The project falls under B2 category. The life of mine is 20 years. The Committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Markapur vide Letter dt.11.04.2022 there are no mine leases and One LoIs granted within the radius of 500 m area. Hence, the total cluster

	<p>area is < 5 Ha.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Devavaram a Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The Committee after perusing the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental clearance for the production quantity of Gravel – 27381 m3/annum Colour Granite – 18254 m3/annum Road Metal & Waste Boulders – 27381 m3/annum with following conditions.</p> <ol style="list-style-type: none"> 1. The project proponent shall leave 15m road buffer zone from Geo-coordinate Point No. C to D on southern side. 2. The project proponent shall take dust suppression control measures and road side plantation. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue Environmental Clearance.</p>
<p>188.55 & 185.33</p>	<p>Construction/development of Fishery Harbour at Kothapatnam, Prakasam District Andhra Pradesh – Environmental Clearance –Reg.</p>
<p>SIA/AP/MIS / 26062/2018</p>	<p>Recommendations of the SEAC on 03.06.2022.</p> <p>Category:B.</p> <p>The proposed project is for Construction/development of Fishingharbour with a proposed fish catch and handing capacity of 28,700 TPA.</p> <p>The proposed project falls under Item No. 7 (e)≥10,000 TPA of fish handling capacity.</p> <p>The Committee noted that the fisheries Department, Government of Andhra Pradesh is proposing to establish and develop a fishing harbour in Kothapatnam, Prakasam District. The proposed project comes under category B project.</p> <p>Earlier, ADS was raised for want of Latest analysis reports of water , air & Noise and upload land documents in online and the project proponent replied.</p> <p>The committee noted that CRZ clearance was issued on 13.12.2021</p> <p>TOR was issued on 23.08.2018 and public hearing held on 17.10.2020. In Public hearing most of the participants requested to conduct medical camps and give employment to the local villagers.</p> <p>The representative of proponent i.e., joint director , fisheries dept and their consultant WAPCOS Limited have attended the meeting on 03.06.22 and informed that they have replied ADS and further submitted that they could not carry latest analysis owing to prevailing corona conditions. It is also informed that there will not be significant change in analysis as there was no environmental intervention change in ground level during this period and assured to conduct the same at the earliest with a request to consider the application. Sri PravinKumar.,I.A.S, Collector & District Magistrate, Prakasam</p>

	<p>District has addressed a letter dt.29.01.2022 to CCLA to accord permission for advance possession of land as the it is govt land. It is under process at CCLA . The site is recommended by CICEF. Fresh water consumption is 151 KLD and waste water generation is 50KLD. Project cost is 325.16 crores.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Kothapatnam Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs, detailed deliberations and Final EIA Report, recommended to issue EC for fish catch and handling capacity of 28,700 TPA with following conditions.</p> <ol style="list-style-type: none"> 1. The proponent shall scrupulously comply with the promises and assurances made to public in the public hearing. 2. The proponent shall acquire land in their favour before starting construction activity 3. The proponent shall scrupulously comply with CRZ permission conditions. 4. The proponent shall provide waste water treatment plant for treating the waste water generated in the harbor. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue Environmental Clearance with a condition that the proponent shall comply with the issues raised / commitment made in the public hearing.</p>
<p>188.56 & 185.34</p>	<p>Construction of Fishery harbour at Budagatlapalem in Srikakulam District, Andhra Pradesh – Environmental Clearance –Reg.</p>
<p>SIA/AP/MIS / 22166/2018</p>	<p>Recommendations of the SEAC on 03.06.2022. Category: B</p> <p>The proposed project is for Construction/development of Fishing harbour with a proposed fish catch and handing capacity of 24800 TPA.</p> <p>The proposed project falls under Item No. 7 (e) $\geq 10,000$ TPA of fish handling capacity.</p> <p>The representative of proponent and their consultant Wapcos Limited have attended the meeting.</p> <p>The Committee noted that the fisheries Department, Government of Andhra Pradesh is proposing to establish and develop a fishing harbour in budagatlapalem village Etechrla Mandal, Srikakulam District. The proposed project comes under category B project.</p> <p>Earlier TOR with public hearing was issued on 23.08.2018 with additional TOR condition that the project proponent shall obtain the CRZ Clearance from MoEFCC, New Delhi as per CRZ Notification, 2011. Public hearing held on 02.09.2020. In Public hearing most of the participants requested to conduct medical camps, give employment to the local villagers and many of them requested to completed project as possible as early.</p>

	<p>The committee noted that CRZ clearance was issued on 13.12.2021</p> <p>Earlier, ADS was raised for want of Latest analysis reports of water , air & Noise and upload land documents in online and details of allocated land documents of proposed project and the project proponent replied.</p> <p>The representative of proponent i.e., joint director , fisheries dept and their consultant WAPCOS Limited have attended the meeting on 03.06.22 and informed that they have replied ADS and further submitted that they could not carry latest analysis owing to prevailing corona conditions. It is also informed that there will not be significant change in analysis as there was no environmental intervention change in ground level during this period and assured to conduct the same at the earliest with a request to consider the application. The District Collector & District Magistrate, Srikakulam District has addressed a letter dt.02.09.21to CCLA to accord permission for advance possession of land as the it is govt land. It is under process at CCLA . The site is recommended by CICEF. Fresh water consumption is 141 KLD and waste water generation is 50KLD. Project cost is 332.09 crores.</p> <p>The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Budagatlapalem village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The Committee after re-examining the project proposals, presentations, MoEF&CC' Notifications & OMs, detailed deliberations and Final EIA Report, recommended to issue EC for fish catch and handling capacity of 24800 TPA with following conditions.</p> <ol style="list-style-type: none"> 1. The proponent shall scrupulously comply with the promises and assurances made to public in the public hearing. 2. The proponent shall acquire land in their favour before starting construction activity 3. The proponent shall scrupulously comply with CRZ permission conditions. 4. The proponent shall provide waste water treatment plant for treating the waste water generated in the harbor. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue Environmental Clearance with a condition that the proponent shall comply with the issues raised / commitment made in the public hearing.</p>
<p>188.57 & 185.35</p>	<p>3.0 Ha Mining of Road metal of M/s. SSNR Projects Pvt. Ltd. located at Sy. No: 90, Tirupathammapeta (V), Rowthulapudi (M), East Godavari District, Andhra Pradesh– Environmental Clearance – Reg.</p>
<p>SIA/AP/ MIN/58621 /2020</p>	<p>Recommendations of the SEAC on 03.06.2022. Category: B2 at par with B1</p> <p>The proposed project is for mining of Road metal mine in an area of 3.0 Ha. with a proposed production quantity of Road metal – 67122 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA</p>

Notification 2006 and its amendments thereof - (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

The Committee noted that as per cluster letter issued by Asst. Director of Mines & Geology, Rajamahendravaram, vide Lr. dated: 10.06.2020, the total cluster area is > 5.0 Ha... Life of mine is 38 years

Earlier, TOR issued on 07.07.2021 and Public hearing (PH) held on 16.03.2022. At the time of PH the majority of the people requested the mine operator to provide employment, greenbelt development, dust suppression measures and village Amenities. The project proponent has submitted final EIA report 25.04.2022.

Reply furnished by the management to the issues raised in Public hearing:

Sri K. Sreenivasa Rao, Assistant General Manager-Legal: He stated that the main issue raised is on the measures proposed to control dust pollution and noise pollution arises during blasting and mining operations.

He clarified that they carry controlled blasting only for a depth of 1 5 mts., to 2 mts., to avoid noise pollution and flying of rocks He also informed that there were no agricultural fields nearby to the proposed mine area and damage of agricultural lands due to run off water from the mine area does not arise. They will take measures for water conservation by providing rain water harvesting system.

To control dust pollution. he assured that the vehicles will be transported by covering the material with tarpaulins Regular water sprinkling will be carried out Green belt will be developed with long term measures by discussing with other mining units located nearby.

Regarding employment to the local people he informed that as it is semi mechanized mining operations, employment is limited to 20 b 25 persons only. However Employment will be provided to the Local people in their sister concerned projects. He further informed that under CSR activities which are required as per IT Act, they proposed to provide RO Plant for the school and they would support other village development works.

The representative of proponent and their consultant SV Enviro Labs & Consultants have attended the meeting.

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the Tirupathammappeta Village as a part of Corporate Social Responsibility (CSR) activity.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs, EIA report, detailed deliberations recommended to issue Environmental clearance for the production quantity of Road metal – 67122 m³/annum with following additional conditions:

1. The proponent shall scrupulously comply with the promises and Assurances made to public in the public hearing.

	<p align="center">2. Greenbelt development and dust suppression measures to be strictly Implemented.</p> <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue Environmental Clearance with a condition that the proponent shall comply with the issues raised / commitment made in the public hearing.</p>
<p>188.58 & 185.36</p>	<p>M/s. SPN Industries, established at Sy. No. 245/10, 11, 12, Dharmavaram Village & post, S.KotaMandal, Vizianagaram District, Andhra Pradesh for the manufacture of plywood and flush doors – Environmental Clearance – Reg.</p>
<p>SIA/AP/ IND3/ 274015 / 2022</p>	<p>Recommendations of the SEAC on 03.06.2022. Category –B2.</p> <p>The Proposal of M/s. SPN Industries(P) Ltd., is for Environmental Clearance for production quantities of the Phenol Formaldehyde Resin/Urea Formaldehyde Resin/Melamine Urea Formaldehyde Resin/Melamine Formaldehyde Resin – 3.5 Tons/Day (or) 1000 Tons/annum.</p> <p>The proposed project falls under Item No.5 (f) of the schedule of the EIA Notification 2006 and its amendments thereof - 5(f)- basic organic chemicals, other synthetic organic chemicals and chemical intermediates.</p> <p>MoEF&CC vide F.No.22-93/2017-IA.III, dated 10 th April,2019 issued clarification regarding Exemption of Environmental Clearance for making in-house resin by plywood and panel industries that the process of manufacturing of Resin, was of the opinion that this activity may be listed under Category 'B2' and the procedure required for Category 'B2' may be followed for the production of resin not exceeding 1000 tons per annum (4 tons per day) by captive manufacturing and utilization in plywood.</p> <p>The project proponent and their consultant, M/s. SV Enviro Labs & Consultants have attended the meeting. The project proponent informed that they require resin for captive utilization in plywood manufacturing based on the current production and future demand.</p> <p>The proponent volunteered to allocate funds of Rs.2.0 Lakhs for providing amenities to the local school / PHCs and development of village roads in the Dharmavaram Village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended for issue of Environmental Clearance to this proposal for manufacturing of Phenol Formaldehyde Resin/Urea Formaldehyde Resin/Melamine Urea Formaldehyde Resin/Melamine Formaldehyde Resin not exceeding 1000 Tons/annum (3.5 tons per day) for captive utilization in the manufacturing of plywood only stipulating additional condition :</p> <ol style="list-style-type: none"> 1. The industry shall comply with CFO order conditions 2. The industry shall not use wood for boiler as industrial fuel without

	<p>Permission from forest department.</p> <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue Environmental Clearance.</p>
188.59 & 185.37	<p>M/s. Hetero Labs Limited – Unit-III at Sy. No: 119, 126, , 120, 125 (P), 138 (P), Narasapuram Village, Nakkapalli Mandal, Visakhapatnam District, Andhra Pradesh – EC Amendment – reg.</p>
SIA/AP/IND3/263017 / 2022	<p>Recommendations of the SEAC on 03.06.2022. Category : B2-5(f)-API</p> <p>The Proposal of M/s.Hetero Labs Limited–Unit-III., is for amendment in Environmental Clearance dt 20.01.22 for break up production quantities of the bulk drug & Intermediates and for deletion of ZLD Condition.</p> <p>MoEF&CC, GoI, New Delhi issued notification vide S.O. No. 1223(E), dated 27.03.2020 and MoEF&CC Office Memorandum dated 13.04.2020, wherein " <i>All proposals for projects or activities in respect of Active Pharmaceutical Ingredients (API), received up to the 30th September 2020, shall be appraised , as Category 'B2' projects provided that any subsequent amendment or expansion or change in product mix, after the 30th September 2020, shall be considered as per the provisions in force at that time.</i>" Further it is extended up to 30th March, 2021 vide S.O. No. 3636(E), dated 15.10.2020. Further extended up to 31st December, 2021 vide S.O. No. 2859(E), dated 16.07.2021.</p> <p>The proposed project falls under Item 5(f) of the schedule of the EIA Notification 2006- Synthetic organic chemicals industry (dyes & dye intermediates & bulk drug and intermediates).</p> <p>The Committee noted that the proponent could not offer convincing explanation as to why staggering of products is required and ZLD condition to be deleted. At present as per the latest CRZ clearance , 1040 KLD only permitted quantity for marine disposal. Hence suggested to go for ZLD for remaining waste water treatment.</p> <p>The representative of the project proponent and their Consultant M/s. SV Enviro Labs & Consultants., have attended the meeting. Further informed that they have applied for CRZ permission for discharge of 2200 KLD effluent into sea through marine discharge and clearance is awaited. The project proponent has informed that they already obtained the EC&CRZ clearances for the existing units of M/s. Hetero Labs Ltd, Unit-III & transfer of EC of M/s.Hetero Drugs Ltd., Unit-VI to M/s.Hetero Labs Ltd.,the total permitted quantity of effluents for marine disposal is 1326 KLD. At present as per CFOs , the existing disposal of effluents for marine disposal of M/s. Hetero Labs Ltd, Unit-III is 293 KLD. After proposed expansion of M/s. Hetero Labs Ltd, Unit-III , the quantity of effluent disposal is 1216.50 KLD i.e., from 293 KLD to 1216.50 KLD., which is less than the permitted quantity – 1326 KLD.</p> <p>Proponent expressed willingness to withdraw application and will approach after obtaining CRZ clearance.</p>

	Decision of SEIAA:- Agreed with the recommendation of the SEAC.						
188.60 & 185.38	16.19 Ha Quartz mining of Smt. V.Vijaya Lakshmi, Sy.No.562 Gavarapalem Village, K.Kotapadu Mandal, Visakhapatnam district, Andhra Pradesh – TOR Amendment – reg.						
SIA/AP/ MIN/ 273213 / 2022	<p>Recommendations of the SEAC on 03.06.2022. Category:B1</p> <p>Previously the above case is taken-up in the SEAC meeting and recommended to issue TOR with Public hearing for quartz mining with production capacity – 225000 TPA . Accordingly TOR issued on 12.04.22 with a validity period of 3 years</p> <p>The proponent informed that even though their mine consists of quartz and quartzite mineral deposits, at present they are planning for production of quartzite – 202500 TPA only and accordingly preparing mining plan and EIA.</p> <p>The proponent requested the following amendment in TOR for the product and production quantity.</p> <table border="1"> <tr> <td>As per TOR</td> <td>To be corrected</td> </tr> <tr> <td>Mining of quartz</td> <td>Mining of quartzite</td> </tr> <tr> <td>Production capacity- 225000 TPA</td> <td>Quartzite production capacity- 202500 TPA.</td> </tr> </table> <p>The Committee after examining the project proposals, presentations, MoEF&CC’ Notifications & OMs, EIA report, detailed deliberations recommended to accept and approve the above amendment to TOR dt.12.04.22 keeping all other conditions mentioned in TOR shall remains same.</p> <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC</p>	As per TOR	To be corrected	Mining of quartz	Mining of quartzite	Production capacity- 225000 TPA	Quartzite production capacity- 202500 TPA.
As per TOR	To be corrected						
Mining of quartz	Mining of quartzite						
Production capacity- 225000 TPA	Quartzite production capacity- 202500 TPA.						
188.61 & 185.39	Construction of Integrated Residential Township Project by M/s. VPR Projects (The Capital Luxx) – Phase – I located at Sy. No. 428/2, Rushikonda Layout, Madhurawada Village, Zone – II, Div. No. 6, GVMC Limits, Visakhapatnam District, Andhra Pradesh – Environmental Clearance – Reg.						
SIA/AP/ MIS/27341 0 /2022	<p>Recommendations of the SEAC on 03.06.2022. Category: B2</p> <p>The proposed project is for construction of Integrated Residential Township project (Phase -1) will have a total site area of 130417.75 Sq. m (32.20 Acres)with built up area 113785.40 Sq.M with 138 no of villas (Ground + 2 upper floors) and one club House (2 Basements + Ground+ 3 upper floors). The total area is 50 acres.</p> <p>The project falls under Item No. 8 (a) of the schedule of the EIA Notification 2006 and its amendments thereof – >20000 sq.mtrs and <1,50,000sq.mtrs. of built-up area</p> <p>The representative of proponent and their consultant M/s. SV ENVIRO LABS & CONSULTANTS have attended the meeting. The representative of the proponent submitted that the existing Gedda is natural formation in adjacent</p>						

	<p>sy.no. 336 and not mentioned in the revenue records. However, the management will construct the compound wall by leaving 9m wide buffer zone for taking care of the Gedda.</p> <p>The committee noted that the 175 KLD water required for the proposal will be supplied by GVMC as per permission accorded by GVMC vide letter dt 13.04.22. proponent proposed to provide 160KLD sewage treatment plant for treating 157KLD of domestic waste water that generate on commissioning. Treated waste water is proposed to be used for gardening purpose and excess, if any , into municipal drain after treating to irrigation standards. About 500kgs of garbage is expected to generate for which the proponent proposed to provide garbage suite to ensure the disposal as per solid management rules 2016, Also perused the hard copies of field measurement sketch of the proposed site, soil test report conclusions with respect to depth of foundation and notarised affidavit stating that no court cases pending against the said proposed site. And also directed the proponent to upload the above hard copies in theParivesh Portal. The committee appraised the application from the Environmental point of view only with respect to liquid, solid and air pollution managements. Zonal regulations, soil mechanics and other aspects are not considered The respective departments viz., Revenue, Fire, Town planning etc. shall take care of the environmental issues that arises at the time of disaster as per the rules in vogue.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs, detailed deliberations, recommended to issue EC with the following additional conditions.</p> <ol style="list-style-type: none"> 1. The proponent shall construct and commission STP along with commissioning of project , treat the effluents to meet irrigation standards at any point of time before using for gardening purpose or disposal into municipal drain 2. The proponent shall comply with solid waste management rules 2016. 3. The proponent shall ensure sustainable environmental management, solid and liquid wastes and implement environmental conditions given at Appendix-XIV of EIA notification 2006 and its amendments thereof. 4. The proponent shall harvest rainwater from the roof tops of the buildings and storm water drains to recharge the groundwater and utilize the same within the premises. 5. The proponent shall construct compound wall duly leaving 9m wide buffer zone from the gedda located at Sy.No.336 adjacent to the proposed site and also maintain set back distance from the compound wall in compliance with GVMC G.O Ms No. 119. <p>Decision of SEIAA:- Agreed with the recommendation of the SEAC to issue Environmental Clearance.</p>
<p>188.62 & 185.40</p>	<p>5.0 Ha Road Metal, Building stone & Gravel of Sri N. Uma Maheswara Rao, Sy.No: 801 Paritala (V), Kanchikacherla (M), Krishna District, Andhra Pradesh – TOR– Violation – Reg.</p>
