OFFICE MEMORANDUM

Sub: Standard Operating Procedure [SOP] for dealing mining proposals under Ministry's OM dated 28.04.2023 on PARIVESH portal-reg.

The Ministry in Compliance to the order dated 07.12.2022 passed by Hon'ble NGT in O.A.142 of 2022 in the matter of Jayant Kumar vs. Ministry of Environment, Forests and Climate Change vide OM dated 28.04.2023 directed all concerned SEACs to re-appraise the ECs issued by DEIAAs between 15.01.2016 and 13.09.2018 and all fresh ECs in this regard shall be granted only by SEIAAs based on such appraisal.

2. To streamline the green clearances process with an objective to enhance access, Transparency, Efficiency and Effectiveness in Governance, Ministry has expanded the scope of existing PARIVESH, leveraging on emerging technologies such as GIS, Advance Data Analytics etc.

3. In order to enable users to complete the re-appraisal process more efficiently, the entire process flow needs to be automated, as the DEIAAs had previously issued the ECs in an offline manner before PARIVESH was launched. Therefore, in order to expedite the re-appraisal process with an efficiency and transparency, the Ministry has automated the entire work flow with onboarding of every DC office on the PARIVESH site.

4. Workflow to re-appraise such mining applications has been developed and rolled out on PARIVESH portal in accordance with the procedure outlined in Ministry's OM dated 28.04.2023. Henceforth, all such EC proposals shall be dealt in PARIVESH portal only. DC office shall scan all the EC files and upload on the PARIVESH portal, through their respective logins, for further consideration by the SEIAA.

5. On receipt of any such file, MS SEIAA, shall scrutinize the proposal for validity of EC. In case EC is valid, Project Proponent will be informed through email to submit Form 2, duly mentioning the unique Intimation number received in the email, to respective SEAC for their further consideration. **Detailed step by step work flow to be followed by all three users (DC office, SEIAA and Project Proponent) is given in the Annexure.**
