F.1 (252)/SEAC (4)/ Meeting Notice/Mines/2023/ 315-329

Date: 13.07.2023

As per Annexure -A

**Subject:** Meeting Notice for the 5B.55<sup>th</sup> Meeting of the State Level Expert Appraisal Committee-2 (SEAC-2), Rajasthan scheduled to be held on 20<sup>th</sup> July, 2023.

Sir,

The meeting number 5B.55<sup>th</sup> of SEAC-2 is scheduled to be held on 20<sup>th</sup> July, 2023 at 10.30 AM in the Meeting Hall of the RSPCB, Institutional Area, Jhalana Doongri, Jaipur as per the annexed programme (Annexure A).

The documents such as Form-1, Pre-Feasibility Report, Environment Impact Assessment Report, Public Hearing Report, Action Plan on the issues raised during PH, queries (EDS and ADS) subsequently raised, if any, and your para-wise comments thereto etc., in accordance with Environment Impact Assessment Notification, 2006 are required to be forwarded to the Chairman/Members of the State Expert Appraisal Committee (SEAC 2) including details of the Court Matters/Orders of the Court pertaining to the project, if any. Accordingly, it is requested to forward a copy of each of these said documents by soft copy/e-mail to the Chairman/Members of the State Expert Appraisal Committee (details at Annexure B) within 5 days of issuance Meeting Notice.

In addition to the above, kindly also send additional documents/information as per Annexure A-1(for Mining proposal) and A-2 (for non-Mining proposal)(as applicable) along with the Power Point Presentation (PPT) containing salient features of the project to this Office as well as to the SEAC 2 members within 5 days of issuance Meeting Notice

This bears the approval of Chairman, SEAC-2

Yours sincerely,

(Amit Juyal)

Member Secretary, SEAC-2

Encl

- i. Annexure A(Detail of proposal for appraisal)
- ii. Annexure A1(Information for Mining proposal)
- iii. Annexure A2(Information for Non-Mining proposal)
- iv. Annexure B(List of the Members of SEAC-2, Rajasthan)
- v. Annexure C(Disclosure of Consultants Engaged)
- vi. Annexure D(Environmental Load Statement: For all Expansion Projects(If applicable)
- vii. Annexure E(Information to be submitted by all Mining Sector Projects)
- viii. Annexure E-Part (A) Land: Stage wise Land Use and Reclamation Area(ha.) (if applicable)
- ix. Annexure E-Part (B) Post Mining Plan (Conceptual) Land Pattern of ML Area (Ha.)
- x. Annexure E-Part (C) Ecology: Stage wise Cumulative Plantation
- xi. Annexure F (Statement of Commitments by the PP for Compliance during post EC period)
- xii. Annexure G
- xiii. Annexure H (For cases related to ToR)
- xiv. Annexure I (MoM dated 10.08.2022)

Copy forwarded to the following for kind information and necessary action-

- (i) Chairman/Members of SEAC-2, Rajasthan with the request to kindly make it convenient to attend the meeting as per programme
- (ii) Member Secretary, SEIAA, Rajasthan Aravli Bhawan, Institutional Area, Jhalana Doongri, Jaipur

13.07.23  
Member Secretary, SEAC-2

Meeting Notice for the 5B.55<sup>th</sup> Meeting of the State Level Expert Appraisal Committee-2 (SEAC-2), Rajasthan scheduled to be held on 20<sup>th</sup> July, 2023.

Annexure A

Mining Proposals

1. Form - 1
2. Affidavit on non-judicial Stamp Paper of Rs. 100 , duly attested by Notary Public, stating that:-
  - (i) In case of New Projects, "No activity relating to the proposed project (i.e. name of the project) has been undertaken at site and that no activity has been carried out in violation to MoEF Notification dated 14.3.2017 and 8.3.2018. This shall be supported by submitting self attested current photographs viewing towards the project area from all the four directions to the latitude, longitude, time and the date of photographs taken, the direction from which it is taken, name of the project and signature of PP along with the stamp, in order to ensure that no activity in violation of the provision of the EIA Notification dated 8.3.2018 has taken place at the site.
  - (ii) In case of Existing Projects requesting for expansion-"No expansion/ modernization activity has been undertaken in violation of the provision of EIA notification" (Please submit current pictures as indicated at para 1(i) above) related to the proposed project for which prior EC is being sought. In case of the "Expansion Projects" also provide the Environmental Load Statement (Annex-D). Details of Expansion / activity, if any, undertaken in violation of the EIA Notification, be also submitted along with photographs, and point-wise compliance report of the conditions of earlier EC and details of earlier EC (if any) /CTE/CTO/NOC of RPCB & details of Notices received from RPCB and compliance thereof as per MoEF, O.M. no. J-11013/41/2006-IA.II (I) dt. 01.07.2011, certified copies of such compliance report from competent authority as per MOEF directions be essentially submitted.
  - (iii) In case of both new and existing projects it shall be categorically declared by the Project Proponent that, "There is no litigation pending against the project and/or land in which the project is proposed to be set up (please give name & ownership etc. of the project) and that for any such litigation whatsoever, the sole responsibility will be borne by the Project Proponent."
  - (iv) In all cases submitted for appraisal, an affidavit by the PP stating that, "(a) I hereby give undertaking that the data and information given in the application, enclosures and other documents are true to the best of my knowledge and belief and I am aware that if any part of the data and information submitted is found to be false or misleading at any stage, the project will be rejected and clearance given, if any to the Project will be revoked at our risk and cost. (b) I hereby also submit this undertaking as part of the EIA Report, owning the contents (information and data) of the EIA Report". Another affidavit by the consultant, if any, stating "(a) that the prescribed ToRs have been complied with (to be deleted if not applicable) and (b) and that all the details and data presented are factually correct" (as per OM dated 4 August 2009), along with other information is also to be submitted. Contents of the affidavit in the form other than that mentioned above shall not be acceptable and shall be construed as an act of misleading the Committee.
3. A GT sheet showing location of the project site along with physical features mentioned under Environment Sensitivity in Form no. 1 on an appropriate scale. The exact distance of the physical features mentioned in the Form no. 1 under Environment Sensitivity within 15 Kms. should necessarily be mentioned in the Form. Names of village, there population (including the village where the project is located) & distance from the project site should clearly be mentioned. If general condition is applicable, details thereof. The PP shall also submit/ circulate to the members of SEAC duly filled up Form-2 as per the circular of MoEF& CC.
4. In cases of Mining Projects: (i) Provide information in Annexure-E (Part-A, B & C), It should be noted that the plantation under 33% area of the total mine area should be completed within 3 years time; (ii) Certificate regarding mine lease area not falling in the Aravali Hills to be issued by the Mining Engineer/ Assistant Mining Engineer in the prescribed format, as per the instructions contained in the letter no. DMG/ADM/Env/EC/F11/06/17-76 dt. 17.01.2011 (as amended) issued by the Director, Department of Mines and Geology, GoR, Udaipur, and copy be submitted with other required documents.(iii) For Existing mines, the year wise production of all minerals should be submitted from 1994 , duly authenticated by ME/AME.
5. Complete lease history with copy of related documents and production details (soft and hard copy) compulsory.
6. Old EC details with certified compliance report details.
7. Cluster Certificate of the mine.
8. Complete lease history with relevant documents, Earlier EC, if any, with certified compliance report and production details of existing lease (old leases).
9. The PP shall give an affidavit on a non judicial stamp paper of Rs 100/- to the following affect:
  - (i) That the project /activity pertaining to the mining lease has not been in violation of the order dated 2.8.2017 of the Hon'ble Supreme Court in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause vs UOI.
  - (ii) That no activity has been undertaken in violation of the provisions of Section 21(5) of the Mines and Minerals ( Development and Regulation) Act, 1957 at .....(state location, ML No. and area of the mining lease)

- (iii) That no illegal mining activity has been or is being carried out in the mining lease in violation of the Mines and Minerals (Development and Regulation) Act, 1957, Water (Prevention and Control of Pollution) Act, 1974, Air (Prevention and Control of Pollution) Act, 1981, Environment (Protection) Act, 1986 and other relevant laws and timely permissions, clearances and approvals for the mining lease as per their applicability to such permissions, clearances and approvals.
10. The PP shall specifically state whether the mining lease is an individual mining lease or it falls in cluster as defined in para 6 of Appendix XI of the EIA Notification Dated 14.9.2006 as amended from time to time. If the mining lease is a part of cluster, the PP should clearly state the size of the cluster.
  11. The PP shall ensure that the cluster certificate issued in terms of Notification dated 15.01.2016 and 01.07.2016 of the MoEF& CC is not older than six months on the date of presentation of the project.
  12. In case the mining lease is surrounded by a cluster and the PP claims it to be not a part of the cluster, having regard to the amendment dated 1.7.2016 in para 6 of the Schedule XI to the EIA Notification then the PP shall also give the reasons thereof along with the authenticated documentary support.
  13. The PP shall mention the distance of the project if it is situated within 1 Km from the boundary of the National Park or wild life sanctuary.
  14. The PP shall mention if project is located within the eco sensitive Zone in the State.
  15. In all cases, the land ownership documents along with latest position/status regarding title of land shall be submitted with other documents required for ToRs/EC. Land document/agreement letter shall be duly registered and submitted. Any deficiency regarding the title of the land (either whole or part), ownership (either whole or part), and violation of agreement condition of land allotment/sale deed shall be specifically mentioned/ highlighted by the PP and/or Consultant. In case of agreement letter, the document shall be registered. In all cases, the land ownership documents along with latest position/status regarding title of land shall be submitted with other documents required for ToRs/EC. Land document/agreement letter shall be duly registered and submitted.
  16. Each page of the proposal including all the relevant documents (prepared as per the notification and guidelines available on the website of the MoEF, GoI) and the affidavit/undertaking shall be duly numbered and signed by the same person i.e. either the PP or his duly authorized Representative) (copy of the Authorization Letter along with copy of the resolution passed by the Company in favour of the Authorized Signatory, for the specific project in such case, be submitted).
  17. (a) The resume and nature of the consultant/disclosure of Consultant engaged for the project shall be provided with their telephone numbers and e-mail addresses as per the format in EIA Notification dt. 14.9.2006 and related circulars (Annex-C), indicating status of accreditation by QCI/ NABET (quoting the accreditation number). The Consultants and the PP shall ensure that the Consultant/RQP qualifies for the presentation for the proposed project sector as per the QCI Circulars/ Mining Department issued from time-to-time. Ineligible consultant/RQP shall not appear for presentation. Provision as per MoEF Notification dated 01.07.2016 (as amended) should be complied with.
    - (b) The consultant shall mention the serial no. at which his name appears in the latest list available on the website of the MoEF. The accredited consultant shall also submit a copy of accreditation letter issued by MoEF/QCI/ NABET indicating approval of sectors and experts and period of validity. Similarly RQPs shall submit their valid registration No.
    - (c) The consultants shall abide by the restricted limit of number of cases laid down by the QCI/NABET that can be presented by them. The consultant shall confirm this by adding a statement in the affidavit regarding data being factually true.
  18. A statement of commitments related to the proposed project, for compliance during post EC. period shall be submitted in the format prescribed at Annex-“F” within specified time to the related agencies.
  19. The Pre-Feasibility Report shall be prepared strictly in the prescribed format as per the instructions in the guidelines issued by the MoEF vide circular no. J-11013/41/2006-IA.II (I) dt. 30.12.2010 (as updated) and be submitted with other required documents to the SEAC office and to all Members of the Committee.
  20. Each page of all documents, including reports, statements, annexure, appendices, maps, plans, diagrams, plates etc. shall be serially / properly numbered for ready reference during presentation. In the beginning of the documents, “Contents / Index” shall serially list the items included in the report, indicating the page no./annexure no./appendix no./map no./plate no. etc. Each page of all the documents including photographs (displaying date of photo taken) shall be signed, dated & stamped by the proponent as well as the consultant. Unsigned / unstamped documents shall be construed as not submitted. Un-necessary splitting of the report in volumes shall be avoided.
  21. The cover page of the documents submitted shall contain following information only.
    - (i) Title of the project and its location, (ii) Capacity per annum (in case of mining project the lease area and lease validity) and in case of increase in capacity the existing and proposed capacity, (iii) Objective of the project report (whether “for ToR” or “for EC appraisal”), (iv) The period of study, (v) In case more than one documents are submitted, Vol. No and total number of pages with its content shall be mentioned, (vi) Name and address of proponent and project in-charge, e-mail address, Fax no. telephone/mobile no., (vii) Project cost, (viii) Dispatch number and date of issue of work order to consultant by PP, (ix) If different fonts are used, font used for the title be the largest one. (x) Information as per MoEF office Memorandum no. J-11013/41/2006-IA II (I) dt. 04.08.2009 and others as issued thereafter.

22. It may be noted in explicit terms that the correct e-mail address of the PPs should be mentioned clearly on the cover page, form 1 and letterheads to avoid delay in communication. The consultant would be responsible for delay (if any) due to this reason. Matter would be reported to the MoEF if consultants do not comply with the condition.
23. Projects not mentioning Khasra no. in Form-I at appropriate point would be viewed seriously. The PP shall make the road pakkai.e. metalled road/ CC road starting from the mine/stone crusher to the road head to contain air pollution. Such roads shall not include roads made under the Pradhan Mantri / Chief Minister Gram Sadak Yojana as same are not meant for heavy vehicles specially trucks carrying mineral more than 15 to 20 tons at a time. A proposal in this regard along with detailed map and budgetary provision be submitted at the time of appraisal for the EC.
24. Changes if any, in the information that has already been submitted shall be clearly spelt out along with reasons / clarifications thereof and it shall be informed at the beginning of the presentation as well.
25. In case any letter / document/maps/drawings are illegible, an attested legible typed copy of the same shall be submitted along with its main copy.
26. The PP should send the KML /shape files of the mining lease area through e mail to all the members along with other documents, to show the present status of the mining lease as well as the KML file be sent to this Office in a separate pen drive .
27. The PP shall incorporate, captive crusher/mineral grinding unit/any other source of pollution , if any associated with the mine with the proposal seeking Environmental Clearance.
28. The source of monitoring data, specifications of equipments used, details of agency if outsourced, date and time of collection of data, latitude and longitude of sampling points (Air/Water/Soil/Noise etc.) shall be clearly mentioned. The monitoring should be through an NABL/MoEF approved laboratory. Filter papers which were used for carrying out (Air monitoring) along with photographs of the site showing Air / Water / Noise/ Soil sampling / monitoring activity / equipment being used at each station (giving latitude and longitude of each sampling points) shall be submitted. Copies of all analysis reports shall be submitted in original (whether own or outsourced) and its page number be given at each reference in the report.
29. Regarding source of water, following information shall be categorically submitted:
  - (i) Does the area fall under the CGWA notified zone or not.
  - (ii) If yes, information regarding the source & necessary approval from related agency for procuring water from a legal source shall be submitted.
  - (iii) Status permission for CGWA if any.
30. A separate site lay out plan indicating the number and location of existing well / bore-well / tube-well (if any) in the proposed project shall be submitted giving details of the year of digging of each of the well and its present use. Photographs of each of such wells shall be enclosed mentioning date of photographs. In case there does not exist any well / tube well / bore well it shall be specifically stated in the affidavit.
31. In case the Project falls under A Category as per MoEF Notification dated 14.8.2018 & amendments, then the PP should inform this Office accordingly.
32. Details of construction/production activity including date of starting of construction work and investment incurred till date along with photographs and in case of industries / mining, the quantity of products produced so far, shall be essentially mentioned by the PP / Consultant, indicating whether it was in violation of the EIA Notification or not.
33. Following information regarding the work order/agreement issued by the PP to the Consultant (Accredited from QCI/ NABET for proposed project (Notification dated 03.03.2016)) shall be submitted:-
  1. Dispatch No. of the work order/agreement.
  2. Date of issue of work order.
  3. Date of start of air/water/other monitoring work (as applicable during period of year permitted by MoEF))
  4. Postal address/ Email Address/ Fax Number/ Mobile Number and Landline Number of the PP/Consultant/RQP (for B2 cat. mines).
34. The email Id for correspondence should be strictly of the PP. Additionally an alternate Id may also be submitted to ensure delivery of correspondence in time. The submission of incorrect e-mail Id would be taken seriously.
35. Details of activity to be taken under EMP shall be submitted along with proposed budget provision.
36. Details of the facilities provided for the labours like shelter, health facility, safe drinking water, sanitation facility, fuel for cooking, education for their children, crèche, recreation etc. shall be separately given along with budgetary provision and commitment thereof. Details and registration no of registered labours and ESI registration shall be submitted.
37. The PP shall submit correct key information regarding the project in the word document to the Secretary SEAC at email address seacseac2@gmail.com and members of SEAC at their respective e mail addresses, as per Annexure G within 7 days of issuance of Meeting Notice.
38. A separate appendix as Check List mentioning point wise information on each of the above points of this meeting notice indicating the page no. on which the related information is available shall be submitted along with the documents submitted as above to the Chairman, Member Secretary & Members of SEAC, within 7 days of issuance of Meeting Notice. Non-submission of check

- list/partially filled check list/check list with misleading / incorrect information would be the responsibility of both the consultant/ RQP and the PP.
39. The PP. shall ensure and confirm that an identical copy of all the documents (as submitted to SEAC) in pen drive as soft copy and copy of presentation have been received by the members in time for critical examination by them within 7 days of issuance of Meeting Notice. For easy access to the details of the information in the pen drive pertaining to all the projects, the PP shall mention the serial no. of the agenda and the file no. on the first page of the report in the pen drive. If the documents, complete in all respect are not received within the specified date, the case may not be discussed in the meeting at all. The reply to the ADS/ query letters (issued if any) shall be submitted online through portal within in the specified time to all the members
  40. For all future correspondence/ submission of documents/reply to queries, the PP must write the FILE NO. of the project under reference for quick correlation of the documents to the respective file.
  41. Delivery of documents by hand and seeking meeting with Chairman/Members of SEAC in this regard shall be strictly avoided.
  42. Submission of the project document and other records shall be the responsibility of the Project Proponent, who would be accountable for any misinformation / errors occurring therein irrespective of who prepared them. Deliberate and willful concealment and/or submission of false or misleading information or data shall make the application liable for rejection, and cancellation of prior environmental clearance granted on that basis.
  43. Please print on both sides of the paper and avoid the use of plastic material in the documents to be submitted to SEAC.
  44. The Consultant and PP shall ensure submission of the documents and clarification strictly in compliance of minutes of meeting dated 10.08.2022 (Annexure I)
  45. A copy of this meeting notice should be enclosed as a reference while mailing the documents to the Chairman / Members.

**Non-Mining Proposal**

1. Form - 1
2. Affidavit on non-judicial Stamp Paper of Rs. 100 , duly attested by Notary Public, stating that:-
  - (i) In case of New Projects, "No activity relating to the proposed project (i.e. name of the project) has been undertaken at site and that no activity has been carried out in violation to MoEF Notification dated 14.3.2017 and 8.3.2018. This shall be supported by submitting self attested current photographs viewing towards the project area from all the four directions to the latitude, longitude, time and the date of photographs taken, the direction from which it is taken, name of the project and signature of PP along with the stamp, in order to ensure that no activity in violation of the provision of the EIA Notification dated 8.3.2018 has taken place at the site.
  - (ii) In case of Existing Projects requesting for expansion- "No expansion/ modernization activity has been undertaken in violation of the provision of EIA notification" (Please submit current pictures as indicated at para 1(i) above) related to the proposed project for which prior EC is being sought. In case of the "Expansion Projects" also provide the Environmental Load Statement (Annex-D). Details of Expansion / activity, if any, undertaken in violation of the EIA Notification, be also submitted along with photographs, and point-wise compliance report of the conditions of earlier EC and details of earlier EC(if any) /CTE/CTO/NOC of RPCB & details of Notices received from RPCB and compliance thereof as per MoEF, O.M. no. J-11013/41/2006-IA.II (I) dt. 01.07.2011, certified copies of such compliance report from competent authority as per MOEF directions be essentially submitted.
  - (iii) In case of both new and existing projects it shall be categorically declared by the Project Proponent that, "There is no litigation pending against the project and/or land in which the project is proposed to be set up (please give name & ownership etc. of the project) and that for any such litigation whatsoever, the sole responsibility will be borne by the Project Proponent."
  - (iv) In all cases submitted for appraisal, an affidavit by the PP stating that, "(a) I hereby give undertaking that the data and information given in the application, enclosures and other documents are true to the best of my knowledge and belief and I am aware that if any part of the data and information submitted is found to be false or misleading at any stage, the project will be rejected and clearance given, if any to the Project will be revoked at our risk and cost. (b) I hereby also submit this undertaking as part of the EIA Report, owning the contents (information and data) of the EIA Report". Another affidavit by the consultant, if any, stating "(a) that the prescribed ToRs have been complied with (to be deleted if not applicable) and (b) and that all the details and data presented are factually correct" (as per OM dated 4 August 2009), along with other information is also to be submitted. Contents of the affidavit in the form other than that mentioned above shall not be acceptable and shall be construed as an act of misleading the Committee.
3. A GT sheet showing location of the project site along with physical features mentioned under Environment Sensitivity in Form no. 1 on an appropriate scale. The exact distance of the physical features mentioned in the Form no. 1 under Environment Sensitivity within 15 Kms. should necessarily be mentioned in the Form. Names of village, there population (including the village where the project is located) & distance from the project site should clearly be mentioned. If general condition is applicable, details thereof. The PP shall also submit/ circulate to the members of SEAC duly filled up Form-2 as per the circular of MoEF& CC.
4. Project history with copy of related documents and production details.
5. Old EC details with certified compliance report details.
6. The PP shall mention the distance of the project if it is situated within 1 Km from the boundary of the National Park or wild life sanctuary, WLS and ESZ.
7. The PP shall mention if project is located within the eco sensitive zone in the State.
8. In all cases, the land ownership documents along with latest position/status regarding title of land shall be submitted with other documents required for ToRs/EC. Land document/agreement letter shall be duly registered and submitted. Any deficiency regarding the title of the land (either whole or part), ownership (either whole or part), and violation of agreement condition of land allotment/sale deed shall be specifically mentioned/ highlighted by the PP and/or Consultant. In case of agreement letter, the document shall be registered.
9. Each page of the proposal including all the relevant documents (prepared as per the notification and guidelines available on the website of the MoEF, GoI) and the affidavit/undertaking shall be duly numbered and signed by the same person i.e. either the PP or his duly authorized Representative) (copy of the Authorization Letter along with copy of the resolution passed by the Company in favour of the Authorized Signatory, for the specific project in such case, be submitted).
10. (a) The resume and nature of the consultant/disclosure of Consultant engaged for the project shall be provided with their telephone numbers and e-mail addresses as per the format in EIA Notification dt. 14.9.2006 and related circulars (Annex-C), indicating status of accreditation by QCI/ NABET (quoting the accreditation number). The Consultants and the PP shall ensure that the Consultant/RQP qualifies for the presentation for the proposed project sector as per the QCI Circulars/ Mining

- Department issued from time-to-time. Ineligible consultant/RQP shall not appear for presentation. Provision as per MoEF Notification dated 01.07.2016 (as amended) should be complied with.
- (d) The consultant shall mention the serial no. at which his name appears in the latest list available on the website of the MoEF. The accredited consultant shall also submit a copy of accreditation letter issued by MoEF/QCI/ NABET indicating approval of sectors and experts and period of validity. Similarly RQPs shall submit their valid registration No.
  - (e) The consultants shall abide by the restricted limit of number of cases laid down by the QCI/NABET that can be presented by them. The consultant shall confirm this by adding a statement in the affidavit regarding data being factually true.
11. A statement of commitments related to the proposed project, for compliance during post EC. period shall be submitted in the format prescribed at Annex-"F" within specified time to the related agencies.
  12. The Pre-Feasibility Report shall be prepared strictly in the prescribed format as per the instructions in the guidelines issued by the MoEF vide circular no. J-11013/41/2006-IA.II (I) dt. 30.12.2010 (as updated) and be submitted with other required documents to the SEAC Office and to all Members of the Committee.
  13. Each page of all documents, including reports, statements, annexure, appendices, maps, plans, diagrams, plates etc. shall be serially / properly numbered for ready reference during presentation. In the beginning of the documents, "Contents / Index" shall serially list the items included in the report, indicating the page no./ annexure no./ appendix no./ map no./plate no. etc. Each page of all the documents including photographs (displaying date of photo taken) shall be signed, dated & stamped by the proponent as well as the consultant. Unsigned / unstamped documents shall be construed as not submitted. Un-necessary splitting of the report in volumes shall be avoided.
  14. The cover page of the documents submitted shall contain following information only.
    - (i) Title of the project and its location, (ii) Capacity per annum (in case of mining project the lease area and lease validity) and in case of increase in capacity the existing and proposed capacity, (iii) Objective of the project report (whether "for ToR" or "for EC appraisal"), (iv) The period of study, (v) In case more than one documents are submitted, Vol. No and total number of pages with its content shall be mentioned, (vi) Name and address of proponent and project in-charge, e-mail address, fax no. telephone/mobile no., (vii) Project cost, (viii) Dispatch number and date of issue of work order to consultant by PP, (ix) If different fonts are used, font used for the title be the largest one. (x) Information as per MoEF office Memorandum no. J-11013/41/2006-IA II (I) dt. 04.08.2009 and others as issued thereafter.
  15. It may be noted in explicit terms that the correct e-mail address of the PPs should be mentioned clearly on the cover page, Form 1 and letterheads to avoid delay in communication. The consultant would be responsible for delay (if any) due to this reason. Matter would be reported to the MoEF if consultants do not comply with the condition.
  16. Changes if any, in the information that has already been submitted shall be clearly spelt out along with reasons / clarifications thereof and it shall be informed at the beginning of the presentation as well.
  17. In case any letter / document/maps/drawings are illegible, an attested legible typed copy of the same shall be submitted along with its main copy.
  18. The PP should send the KML /shape files of the mining lease area through e mail to all the members along with other documents, to show the present status of the mining lease as well as the KML file be sent to this Office in a separate pen drive .
  19. The source of monitoring data, specifications of equipments used, details of agency if outsourced, date and time of collection of data, latitude and longitude of sampling points (Air/Water/Soil/Noise etc.) shall be clearly mentioned. The monitoring should be through an NABL/MoEF approved laboratory. Filter papers which were used for carrying out (Air monitoring) along with photographs of the site showing Air / Water / Noise/ Soil sampling / monitoring activity / equipment being used at each station (giving latitude and longitude of each sampling points) shall be submitted. Copies of all analysis reports shall be submitted in original (whether own or outsourced) and its page number be given at each reference in the report.
  20. Regarding source of water, following information shall be categorically submitted:
    - (i) Does the area fall under the CGWA notified zone or not.
    - (iv) If yes, information regarding the source & necessary approval from related agency for procuring water from a legal source shall be submitted.
    - (v) Status permission for CGWA if any.
  21. A separate site lay out plan indicating the number and location of existing well / bore-well / tube-well (if any) in the proposed project shall be submitted giving details of the year of digging of each of the well and its present use. Photographs of each of such wells shall be enclosed mentioning date of photographs. In case there does not exist any well / tube well / bore well it shall be specifically stated in the affidavit.
  22. In case the Project falls under A Category as per MoEF Notification dated 14.8.2018 & amendments, then the PP should inform this Office accordingly.
  23. Details of construction/production activity including date of starting of construction work and investment incurred till date along with photographs and in case of industries / mining, the quantity of

- products produced so far, shall be essentially mentioned by the PP / Consultant, indicating whether it was in violation of the EIA Notification or not.
24. Following information regarding the work order/agreement issued by the PP to the Consultant (Accredited from QCI/ NABET for proposed project (Notification dated 03.03.2016)) shall be submitted:-
    1. Dispatch No. of the work order/agreement.
    2. Date of issue of work order.
    3. Date of start of air/water/other monitoring work (as applicable during period of year permitted by MoEF)
    4. Postal address/ Email Address/ Fax Number/ Mobile Number and Landline Number of the P.P/Consultant/ RQP (for B2 cat. mines).
  25. The email Id for correspondence should be strictly of the PP. Additionally an alternate Id may also be submitted to ensure delivery of correspondence in time. The submission of incorrect e-mail Id would be taken seriously.
  26. Details of activity to be taken under EMP shall be submitted along with proposed budget provision.
  27. Details of the facilities provided for the labours like shelter, health facility, safe drinking water, sanitation facility, fuel for cooking, education for their children, crèche, recreation etc. shall be separately given along with budgetary provision and commitment thereof. Details and registration no of registered labours and ESI registration shall be submitted.
  28. The PP shall submit correct key information regarding the project in the word document to the Secretary SEAC at email address seacseac2@gmail.com and members of SEAC at their respective e mail addresses, as per Annexure G within 7 days of issuance of Meeting Notice.
  29. A separate appendix as Check List mentioning point wise information on each of the above points of this meeting notice indicating the page no. on which the related information is available shall be submitted along with the documents submitted as above to the Chairman, Member Secretary & Members of SEAC, within 7 days of issuance of Meeting Notice. Non-submission of check list/partially filled check list/check list with misleading / incorrect information would be the responsibility of both the consultant/RQP and the PP.
  30. The PP. shall ensure and confirm that an identical copy of all the documents (as submitted to SEAC) in pen drive as soft copy and copy of presentation have been received by the members in time for critical examination by them within 7 days of issuance of Meeting Notice. For easy access to the details of the information in the pen drive pertaining to all the projects, the PP shall mention the serial no. of the agenda and the file no. on the first page of the report in the pen drive. If the documents, complete in all respect are not received within the specified date, the case may not be discussed in the meeting at all. The reply to the ADS / query letters (issued if any) shall be submitted online through portal within in the specified time to all the members .
  31. For all future correspondence/ submission of documents/reply to queries, the PP must write the FILE NO. of the project under reference for quick correlation of the documents to the respective file.
  32. Delivery of documents by hand and seeking meeting with Chairman/Members of SEAC in this regard shall be strictly avoided.
  33. Submission of the project document and other records shall be the responsibility of the Project Proponent, who would be accountable for any misinformation / errors occurring therein irrespective of who prepared them. Deliberate and willful concealment and/or submission of false or misleading information or data shall make the application liable for rejection, and cancellation of prior environmental clearance granted on that basis.
  34. Please print on both sides of the paper and avoid the use of plastic material in the documents to be submitted to SEAC.
  35. The Consultant and PP shall ensure submission of the documents and clarification strictly in compliance of minutes of meeting dated 10.08.2022 (Annexure I)
  36. A copy of this meeting notice should be enclosed as a reference while mailing the documents to the Chairman / Members.

Secretariat of the State Level Expert Appraisal Committee Rajasthan

4, Jhalana, Institutional Area, Jaipur-302004

F1(7)/SEAC/2022/SJSB

Date:- 23/08/2022

Minutes of Meeting

A meeting of SEAC was convened on 10<sup>th</sup> August 2022 at 11.00 AM in presence of Member Secretary, SEAC-1 and SEAC-2 at the SEAC Meeting Hall of the Rajasthan State Pollution Control Board, 4 institutional Area Jhalana Doongri Jaipur for discussion and standardization of practice of documents/appraisal of proposals. List of participants is available in Annexure A.

At the outset of the meeting Member Secretary, SEAC welcomed all the participants and summarized the procedure adopted by the SEAC office for disposal of the received proposal from SEIAA for appraisal.

After deliberation, the following was decided, -

1. Projects falling in the TTZ as per Hon'ble Supreme Court order dated 08.12.2021 must be clearly mentioned in Environment Sensitivity of FORM-1 (i.e. matters related to national legislation).
2. A brief of Air modeling methodology considering the worst scenario, probable environment accidents, the highest peak of pollutants, etc. along with all the input files, and output files of the modeling shall be submitted.
3. All mining proposals where blasting is proposed in the Approved Mining Plan must be accomplished with a Vibration Study conducted/approved by a competent agency or authority. The report must contain the effect of vibration due to blasting on nearby structures, waterbodies, habitation, etc, and mitigation measures
4. All the filter papers, used during the air monitoring conducted in support of the EIA study, shall be submitted to the SEAC office within 07 days from the issuance of the Agenda notice.
5. The Certified Compliance Report must contain clear information regarding the status of the compliance of the condition in terms of complied, not complied, or under process (details shall be shared in the case where conditions are being reported to be under process).
6. Compliance Report with valid documents/clarifications as per appraisal of the project by SEAC must be submitted with the proposal.
7. Compliance of specific/additional conditions of LOI letter issued by the Mining Department must be submitted at the time of final presentation.
8. It was intimated that many SEACs, EAC, and Ministry are accepting the proposals where the date of monitoring is before the date of submission of application for ToR/ EC. It was

**For cases related to TORs:**

- 1) Why the proposed area has been identified [The cultural map of the area be prepared]
- 2) Socio-economic composition of population of the area:
  - (1)Caste (2) Tribe(3)Religion(4) Sex(5) Literacy(6) Educational achievement(7)Child Sex Ratio( 8) Marriageable age(9) Occupation(10) Sex-ratio(11) Class status(12)size of family(13) Income/wages(14)land holding(15)Age
  - Number of Schools, dispensaries and their nature.
  - Nature of roads and houses. Nature of other public buildings.
  - Nature of diseases and its consequences in the area in the last five years.Mortality rate (child,girl)
  - Material assets of family (5% to 10 5 of the family of various nature)\
  - Resources of water and its social use.
- 3) Local Resources, local Knowledge, Local history.
- 4) Peoples' expectations [five in terms of preference]  
[These expectations will be based on diverse population and will find place in CSR/ESR activities]
- 5) The kind of technology support to local occupations extended by project owner be identified.
- 6) Employability, livelihood and new occupational and professional arrangement [if possible]
- 7) Any developmental activity suggested by project owner.
  - Inputs from government studies, related secondary resources, pictorial support, photographs and record and minutes of meetings.

**For others:**

Small study of one day can be conducted on the same lines based on 2% of the population/family or 20 families of the area.

decided that some of such cases may be examined by SEAC for deciding the further course of action.

9. The existing DCF certificate being submitted in respect of protected areas (Wild life sanctuary, national park, critical tiger habitats, etc) must also contain information regarding the distance of the project site from the nearest forest area/land.
10. The information regarding the number of cases processed/presented by each Environment Consultant/Environment Coordinator during the surveillance year (as per the NABET certificate) under B1 and B2 category must also be submitted along with circulated information and also be displayed during the presentation.
11. PP must submit sanctioned order issued from Mining Department for clarification of validity of LOI for the cases where EC has been granted by SEIAA under B2 category and before registration the mining lease is considered under the purview of B1 category as per EIA notification 2006 and PP have to apply for EC under B1 category.
12. Relevant information to all the members along with SEAC office shall be circulated within 07 days from the issuance of agenda notice.
13. ADS (Additional Information Sought) shall be issued for any additional information or explanation or query raised during the appraisal of the project. ADS/reply shall ONLY BE submitted online through the PARIVESH portal. Appraisal of such cases/proposals shall be strictly on the priority of the date of uploading the reply/ ADS.
14. Relevant documents in support of exemption from the Public Hearing shall be provided (if applicable)
15. The proposal related to the industries proposed in the notified industrial area, details pertaining to the date of notification, copy of EC of that industrial area, etc., shall also be provided to conclude whether public hearing is required.
16. The presentation (PPT) for appraisal by the committee shall strictly be in accordance to the format prescribed by MoEF & CC. The presentation shall also be circulated within 07 days from the issuance of the Agenda notice.
17. The Form-1 submitted on the PARIVESH portal shall be considered the final document. No change in Form-1 shall be accepted. If Form-1 requires a change in the basic project profile, then it will be accepted through only the PARIVESH portal.

Meeting ended with a vote of thanks to all the participants.

(Amit Jyoti)  
MS, SEAC-2

(Rakesh Gupta)  
Member Secretary, SEAC-1
