YSR Kadapa District, Andhra Pradesh.

M/ s.Rayalaseema Environ Care :

Thus, out of three proponents M/s. Rayalaseema Environ Care is proposed at Mega Industrial Park, Phase-1, Kopparthi, YSR Kadapa District and made an application within the parameters of S.0.1142(E) Ministry of Environment and Forests Notification dated 17.04.2015 as prescribed under Rule 7(da) and proposed the said project in the Industrial Zone. That apart, the M/s. Rayalaseema Environ Care alone is the project run by a woman under the definition of Women empowerment and Entrepreneurship. The said proponent's consultant is Ramky Enviro Services Private Limited, Ramky Grandiose, Ramky Towers Complex, Gachibowli, Hyderabad-500032. This proponent's site is in the industrial Zone and well connected with rail and road transportation in accordance with the proposed terms of reference (TOR). That apart, along with the proponent's application, the proponent placed the subject land as enclosure as defined under Rule 7 (d) of EIA Notification 2006 (MoEFCC) and the intending part and the document enclosed along with the application of Plot No.66 at Industrial Park MIP, Kopparthi, Phase-I Kadapa District measuring 4835 Sq,mts on Out Right Sale (ORS). That gives the healthy competition and the spirit to run the CBMWTF for the larger public interest. Hence Considered.

M/s AWM Consulting Limited:

Then, coming to the 2nd one of M/s. AWM Consulting Limited and proposed Common Bio-Medical Waste Treatment Facility at Kurnoothala Village, Lakkireddipalle Mandal, YSR Kadapa District, Andhra Pradesh and made an application within the parameters of S.0.1142(E) Ministry of Environment and Forests Notification dated 17.04.2015 as prescribed under Rule 7 (da) and proposed the said project in Kurnoothala Village, Lakkireddipalle Mandal, YSR Kadapa District, Andhra Pradesh with an intention that they can pick bio-medical waste in both the districts of YSR Kadapa and Chittoor respectively. Their consultant is also Ramky. This proponent's location is 36KMs from Kadapa City. The additional information so interestingly furnished by this proponent and confirmed that he is a litigant and placed the order copy in WP,No.20059 of 2015 dated 10.07.2015. This proponent also placed another order of Appeal No.131 of 2016 (SZ) Southern Bench NGT docket order dated 02.06.2016. That shows, he is a litigant rather than service provider. That apart, he addressed that he intends to clear all the bio-medical waste from two district in his application being a proponent and this is contrary to the stand taken by the Andhra Pradesh Pollution Control Board through its workshop on 18.09.2018 titled as "Issues and Challenges in Safe Disposal of Bio Medical Waste", and was decided that the APPCB shall encourage establishment of at least one CBMWTF in each district. Thus, it is contrary to the concept of having one CBMWTF in each district, unlike the 1st proponent M/s Rayalaseema Environ Care confined to YSR Kadapa District. This proponent failed to submit the land documents, which is mandatory under Proposed

Terms of Reference (TOR) as contemplate under Rule 7D and also TOR. Hence not considered.

Teja's Enviro Care:

This proponent is also proposed at Sy.No.1125 Suddamalla village, Ramapuram Mandal, YSR Kadapa District, Andhra Pradesh, and made an application within the parameters of S.O.1142(E) Ministry of Environment and Forests Notification dated 17.04.2015 as prescribed under Rule 7(da) and proposed the said project in Suddamala Village, Ramapuram Mandal, YSR Kadapa District is 25 KM from Kadapa City. This proponent is a Managing Partner of Teja's Enviro Care and the PARTNERSHIP deed is not placed along with the proponent's application. That shows, the lack of sheer interest alongside failed to place the land documents to appraise the SEIAA. If the other partners do have any sort of problems due to their Partnership Firm then the Public at large will suffer. This proponent's application appears to be half hearted. Hence not considered.

SHORTLISTING as per my legal opinion:

I strongly canvass through this legal opinion that, M/s. Rayalaseema Environ Care proponent is Smt.Kodathala Jayalakshmi being a woman. The Union of India and also the State of Andhra Pradesh is encouraging the WOMEN EMPOWERMENT IN DEVELOPING NATIONS through entrepreneurship. In India, it is lower side in comparison with the African Nations and other developing nations. The proponent M/s. Rayalaseema Environ Care intending to purchase the land under the terms of Proposed Terms of Reference (TOR). The 1st criterion under the said TOR is placed hereunder for appreciation:

"1.Reasons for selecting the site with details of alternative sites examined/rejected/selected on merit with comparative statement and reasons/basis for selection. The examination should justify site suitability in terms of environmental damages, resources, sustainability associated with selected site as compared to rejects site. The analysis should include parameters considered along with weightage criteria for short-listing selected site."

Thus, I am giving this legal opinion on sound principles of law that, M/s. Rayalaseema Environ Care alone do have merit other than the two as discussed above in all aspects and M/s. Rayalaseema Environ Care Entrepreneur is a Woman Entrepreneur and it would be a plus point for the said proponent in comparison with the other two proponents of M/s. AWM Consulting Limited and M/s.Teja's Enviro Care respectively.

Conclusion:

Thus, on the foot of the records placed before me and on the strength of the supporting laws, I am giving this opinion that M/ s Rayalaseema Environ Care may be considered for establishing a Common Bio-Medical Waste Treatment Facility in YSR Kadapa District. Hence this Opinion."

Subsequently the issue was examined by the SEAC in its meeting held 08.10.2020. The Committee observed the following:

"The project proposal is for establishment of the Common Bio-medical Waste Treatment Facility (CBMWTF) by M/s. Rayalaseema Environ Care at Plot No.66, Mega Industrial Park, Koppaathy, YSR Kadapa District, Andhra Pradesh.

The Committee noted that new CBMWTF is proposed at an industrial estate designated the APIIC i.e., Plot No.66, Mega Industrial Park, Koppaathy, Kadapa, YSR Kadapa District, A.P. Presently, there is no CBMWTF in the YSR Kadapa District, Andhra Pradesh.

The Revised Guidelines for Common Bio-medical Waste Treatment and Disposal Facilities - issued by the CPCB, Delhi on 21st December, 2016- Rule 6(a) states that " A CBWTF shall preferably be developed in an notified industrial area without any requirement of buffer zone"

The APPCB " Guidelines for Common Bio-medical Waste Treatment and Disposal Facilities" Rule 2(a) states that " Atleast one CBMWTF shall be allowed in each and every district of Andhra Pradesh for disposal of Bio-medical waste File No.APPCB-11/44/2020-TEC-EC-APPCB-Part(1) considering the increased bed strength in future, coverage of veterinary hospitals under BMW Rules, reduction of the cost of the transport, biological waste & discarded medicines from the industries and better administrative control over the CBMWTFs.

" Further CPCB, Delhi issued Guidelines for Handling, Treatment and Disposal of Waste Generated during Treatment/Diagnosis/ Quarantine of COVID-19 Patients- Rev.4 on 21st July, 2020.

New CBMWTFs are to be encouraged and the issuance of prior environmental clearance is to be expedited so as to ensure the proper collection and disposal of COVID-19 waste to reduce the impact of Novel Corona Virus(COVID-19) and also as per the guidelines issued by CPCB under BMW, Rules, 2016.

The entrepreneurs namely M /s.AWM Consulting Limited, Kurnoothala Village, Lakkireddy Mandal , YSR District; M/s.Teja's Envirocare, Suddamalla Village, Ramapuram Mandal and M/s. Rayalaseema Environ Care, Plot No.66, Phase-I, Mega Industrial Park, Koppaathy, Kadapa have come up with proposals for setting up CBMWTF in YSR Kadapa District, Andhra Pradesh.

In this regard, SEIAA, A.P., obtained the legal opinion. The Standing Counsel vide letter No.Legal Opinion-EC-No.7/2020, dated 06.10.2020 has given the legal opinion that "M/s.Royalaseema Environ Care may be considered for establishing a Common Bio-Medical Waste Treatment Facility in YSR Kadapa District.

Hence, the Committee after detailed deliberations recommended for issue Standard Terms of References (TOR) without public hearing to M/s. Rayalaseema Environ Care, for establishment of CBMWTF at Plot No.66, Phase-I, Mega Industrial Park, Koppaathy, Kadapa, YSR District, Andhra Pradesh."

Earlier the project proponent submitted the TOR application through online on 24.02.2020 and requested for issue of TOR. The issue was examined by the SEAC in its meeting held 11.03.2020. The Committee observed the following:

The Committee noted that new CBMWTF is proposed at an industrial estate designated the APIIC i.e., Plot No.66,Mega Industrial Park, Kopporthy,Kadapa,YSR Kadapa District,A.P. Presently, there is no CBMWTF in the YSR Kadapa Distric, Andhra Pradesh.

The Revised Guidelines for Common Bio-medical Waste Treatment and Disposal Facilities - issued by the CPCB, Delhi on 21st December, 2016- Rule 6(a) states that " A CBWTF shall preferably be developed in an notified industrial area without any requirement of buffer zone"

The APPCB " Guidelines for Common Bio-medical Waste Treatment and Disposal Facilities" Rule 2(a) states that " Atleast one CBMWTF shall be allowed in each and every district of Andhra Pradesh for disposal of Bio-medical waste File No.APPCB-11/44/2020-TEC-EC-APPCB-Part(1)considering the increased bed strenght in future, coverage of veterinary hospitals under BMW Rules, reduction of the cost of the transport, biological waste & discarded medicines from the industries and better administrative control over the CBMWTFs.

" Further CPCB, Delhi issued Guidelines for Handling, Treatment and Disposal of

Waste Generated during Treatment/Diagnosis/ Quarantine of COVID-19 Patients-Rev.4 on 21st July, 2020.

New CBMWTFs are to be encouraged and the issuance of prior environmental clearance is to be expedited so as to ensure the proper collection and disposal of COVID-19 waste to reduce the impact of Noval Corona Virus(COVID-19) and also as per the guidelines issued by CPCB under BMW, Rules, 2016.
