Minutes of the 316th Meeting of the State Level Environment Impact Assessment Authority, UP (SEIAA) held on 08/11/2019

The meeting of 316th State Level Environment Impact Assessment Authority, UP (SEIAA) was held on 08/11/2019 at the Directorate of Environment. The following were present in the meeting:-

1. Prof. Rana Pratap Singh
2. Dr. (Smt.) Madhu Bhardwaj
3. Sri Ashish Tiwari

Chairman, SEIAA, U.P.
Member, SEIAA, U.P.
Member Secretary, SEIAA, U.P.

General note:-

The projects related to service sector mentioned in 6(b)- "isolated storage and handling of hazardous chemicals (as per threshold planning quantity indicated in column 3 of schedule 2 and 3 of MSHC Rules 1989 amended 2000)" of the EIA notification 2006(as amended) shall be treated as per the amendments issued by the Ministry of Environment, Forest and Climate Change New Delhi vide notification no. 1752 dated 13/06/2019 for the application of Environmental Clearance by all the concerned.

Agenda-A; Complaints/letters –Nil

Agenda-B; Replies/ Presentation case-Nil

Agenda- C- Minutes of 422nd SEAC Meeting Dated 26/09/2019

1. Sand stone Mining at Araj No.-37, Village-Dakahi, Tehsil-Chunar, Mirzapur., M/s Shiv Stone works., Area-1.21 ha. File No. 4861/Proposal No. SIA/UP/MIN/37550/2019

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.

 madhu Bhardwaj

 RPS

- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

2. Sand Stone Mining at Gata No./Araji No.-188mi, Village-Lahaura, Tehsil- Chunar, Mirzapur, U.P., M/ Om Sai Construction, Area -0.809 ha. File No. 5012/Proposal No. SIA/UP/MIN/40217/2019

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that the application is made for Gata No./Araji No.-188mi, Village-Lahaura, Tehsil- Chunar, Mirzapur whereas in DSR gata no. 188 mi is mentioned at many places with different areas. Hence SEIAA opined that the project proponent shall clarify the same and also submit the relevant documents with EIA. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

3. Sand Stone Mining at Gata No./Araji No.-1, Village- Ahirapur, Tehsil-Chunar, Mirzapur, U.P. (Leased Area -0.809 ha.), M/s Om Sai Construction. File No. 5013/Proposal No. SIA/UP/MIN/40208/2019

RPS:ph

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

4. Sand Stone Mining at Khasra No./Plot No./ Gata No-174, Khand No.-B/9, Village-Bangaliya, Tehsil- Meja, District-Prayagraj, U.P. Shri Varun Kumar, Leased Area - 4.048 ha. File No. 5014/Proposal No. SIA/UP/MIN/41819/2019

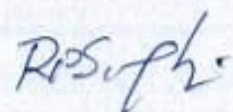

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that the application is made for Gata No-174, Khand No.-B/9, Village- Bangaliya, Tehsil- Meja, District-Prayagraj, U.P. Leased Area -4.048 ha whereas in DSR gata no. 174 of 39.9 ha is mentioned. Hence SEIAA opined that the project proponent shall clarify the same and also submit the relevant documents with EIA. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

5. Sand Mining from Ganga Riverbed at Khand No.-30, at Village-Paranipur-II & Amilaouti, Meja/ Handiya, Prayagraj.,M/s Mahip Construction, Area-5.0 ha. File No. 5015/Proposal No. SIA/UP/MIN/41869/2019

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

6. Gitti/ Patthar & Weathered Morrum Mine at Gata No.-35, Khand No.-03, Village-Sangrampur, Tehsil-Atarra, Banda, M/s Jai Shri Sankat Mochan Stone Mill, Area -2.0 ha. File No. 5016/Proposal No. SIA/UP/MIN/41400/2019

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that the application is made for at Gata No.-35, Khand No.-03, Village-Sangrampur, Tehsil-Atarra, Banda Area -2.0 ha. Whereas in DSR gata no. 35 of 24.5 ha is mentioned. Hence SEIAA opined that the project proponent shall clarify the same and also submit the relevant documents with EIA. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

7. Building Stone (Khanda, Gitti, Boulder) Mine at Gata No.-2451, Khand No.-02, at Village- Jarar, Tehsil- Naraini, District-Banda, U.P., (Leased Area -1.21 ha.) M/s Atharv Construction company. File No. 5017/Proposal No. SIA/UP/MIN/41384/2019

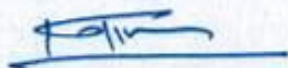

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that a DM letter no. 1374/Khaniz-30 Banda dated 13/08/2019 has been issued regarding amendment in DSR. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

8. Building Stone (Sand Stone) Mine at Gata No./Araji No.-730 , at Village- Bhagotidei , Tehsil- Chunar, Mirzapur, U.P., Shri Javed Ahmad . Area -1.01 ha. File No. 5018/Proposal No. SIA/UP/MIN/41382/2019

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public

hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

9. Granite (Khanda, Gitti & Boulder) Mine at Gata No.-2450, Khand No.- 01, Village-Jarar, Tehsil-Naraini, Banda, U.P., (Leased Area -2.0 ha.) Shri Brijmohan Kirar. File No. 5019/Proposal No. SIA/UP/MIN/41456/2019

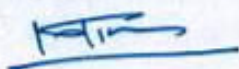

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that the application is made for at Gata No.-2450, Khand No.- 01, Village-Jarar, Tehsil-Naraini, Banda, U.P., (Leased Area -2.0 ha.) whereas in DSR gata no. 2450 of 14.94 ha is mentioned. Hence SEIAA opined that the project proponent shall clarify the same and also submit the relevant documents with EIA. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

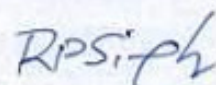

10. Khanda, Gitti & Boulder Mine at Gata No.-2451, Khand No.-01, Village-Jarar, Naraini, Banda, M/s Eureka Mines & Minerals LLP, Area-2.50 ha. File No. 5020/Proposal No. SIA/UP/MIN/41570/2019

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that a DM letter no. 1374/Khaniz-30 Banda dated 13/08/2019 has been issued regarding amendment in DSR. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.

- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

11. Khanda, Gitti & Boulder Mine at Gata No.-356, Khand No.-01, Village-Dudaiyani, Tehsil & District-Mahoba, U.P., Shri Beependra Singh. Area -1.214 ha. File No. 5021/Proposal No. SIA/UP/MIN/41573/2019

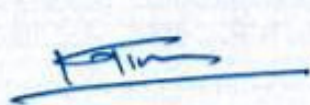

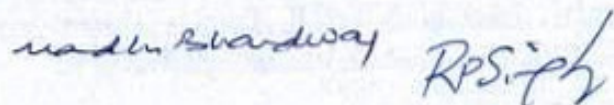

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

12. Building Stone (Khanda, Gitti & Boulder) at Gata No.-84, at Village- Khalari, Tehsil-Naraini, Banda, U.P., M/s P.P. Pandey Infrastructure Pvt. Ltd. Leased Area -3.01 ha. File No. 5022/Proposal No. SIA/UP/MIN/42034/2019

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that the application is made for Gata No.-84, at Village- Khalari, Tehsil-Naraini, Banda, Leased Area -3.01 ha. Whereas in DSR of Banda gata no. 84, 45,144,238 lease area 21.35 ha is mentioned. Hence SEIAA opined that the project proponent shall clarify the same and also submit the relevant documents with EIA. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.

Minutes of the 316th Meeting of the SEIAA, UP held on 08/11/2019

- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

13. Sand/Morrum Mining at Burma River Bed, Khand No.-3, Gata No.- 468/14 & 1111, at Village-Dulara & Tolpatara, Kulpahad, Mahoba. Smt. Usha Rajput. Area-10.695 ha. File No. 5023/Proposal No. SIA/UP/MIN/42032/2019

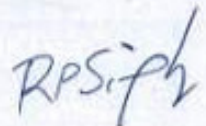

SEIAA noted that SEAC has recommended additional ToRs to the above project. SEIAA gone through file and document and found that in amended letter of DSR of Mahoba dated 28/08/2018 the gata no. is mentioned as 468, 1111 and not 468/14 and 1111. Hence SEIAA opined that the project proponent shall clarify the same and also submit the relevant documents with EIA. The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

14. Khanda, Gitti & Boulder at Gata No.-587 & 588, Khand No.-09, Village-Nahari, Naraini, Banda., M/s P.P. Pandey Infrastructure Pvt. Ltd., Area -2.0 ha. File No. 5025/Proposal No. SIA/UP/MIN/42061/2019

madan Pandey

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

15. Sand Mining on Ganga Riverbed at Gata No.-704, 705,706, Khand No.-01, Village-Chandpurluk Ehatmali, Tehsil-Dalmau, Raebareli., M/s Baba Construction Company (Leased Area: 13.750 Ha). File No. 5026/Proposal No. SIA/UP/MIN/42093/2019

SEIAA agreed with the recommendation of SEAC that the file shall not be treated as pending at SEAC since the project proponent did not appear for presentation. The matter will be discussed only after submission of online request on prescribed online portal.

16. Granite (Khanda, Gitti & Boulder) at Gata No.-332, Khand No.-03, Village-Badokhar Khurd, Tehsil-Naraini, District-Banda, U.P., Shri Deepak Singh. Area -0.56 ha. File No. 5028/Proposal No. SIA/UP/MIN/42081/2019

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToR;s to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- Copy of all the analysis reports signed by analyst approved by NABL or MoEF&CC shall be annexed with the EIA report and original analysis reports should be presented at the time of presentation.
- 3- MOU signed between the project proponent and the consultant should be submitted.
- 4- The project proponent shall obtain the forest clearance and permission of Central and State Government as per law under the provisions of Forest (conservation) Act, 1980 and submit along with EIA.
- 5- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment

Madan Bhandari

RPSiph

letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

17. Diaspore Pyrophyllite Mining at Khasra No.-1340, 1344, 1345, 1339, 1328, and Bawal Tanda 421, 422, at Village-Palar, Bawal & Tanda, Tehsil & District-Jhansi, U.P., (Leased Area:72.50 Ha), M/s J.K. Minerals. File No. 5030/Proposal No. SIA/UP/MIN/41485/2019

SEIAA noted that SEAC has recommended additional ToR to the above project. SEIAA gone through file and documents and found that Khasra No.-1340, 1344, 1345, 1339, 1328, and Bawal Tanda 421, 422, at Village-Palar, Bawal & Tanda, Tehsil & District-Jhansi, U.P., Leased Area:72.50 Ha is not present in the DSR Jhansi. Hence SEIAA opined that the project proponent shall submit the clarification along with the relevant documents.

18. Sand/Morrum Mining from Betwa Riverbed at Khand No.-24/9, Village- Chikasi, Tehsil- Sarila, District-Hamirpur, U.P., Lease Area-36.437 Ha, M/s Satyam Constructions. File No. 4437/Proposal No. SIA/UP/MIN/28562/2018

SEIAA noted that the project proponent was granted EC vide letter no. 526/parya/SEAC/4437/2018 dated 24/11/2018 and now the project proponent has submitted a request for the amendment along with form 4 stating that –“....After the EC was granted to the project at the time of demarcation of lease before execution of lease deed, Officials of Revenue Department and DGM, UP noted that about 25 ha of sanctioned lease area comes under jurisdiction of District Jalaun and part of the same (Khand No. 24/9) i.e 11 ha only remains to the District Hamirpur without any change in earlier site.

On the recommendation of the report prepared by joint survey team, DM, Hamirpur has issued the revised Letter of Intent (LOI) dated 12.08.2018 in favor of M/s Satram Construction with reduced area of 11 ha and excavation of sand/morrum Limiting to 2, 19, 970 m3/ year.

As per the provision laid down in EIA notification, 2006, and the fact that the sanctioned lease area is not substantially decreased and subsequently the volume has also been reduced & impact on the environment due to project activity will also be lowered; the EC needs to be amended.”....

SEIAA also noted the recommendations of SEAC stating that “that the project proponent has informed that at the time of allotment of lease (pre-monsoon) the water channel was found to be towards north – west of the lease where for mining operation no river crossing was required. After the monsoon the river course has changed and will only be able to approach our mining area after crossing the water channel. The project proponent requested to amend the specific condition no. 22 of environmental clearance letter dated 24/11/2018 and allow the project proponent to construct temporary bridge for the transportation of minerals. In view of above, the committee opined that the specific condition no. 22 mentioned in environmental clearance letter dated 24/11/2018 should be replace is as follows:

“If any alternative haulage route is being proposed across the river, the project proponent should ensure that the flow of the river is not obstructed due to mining

Madan Bhardwaj

RPS:ph

operation and no stream should be diverted from the purpose of sand mining and prior permission for this route will be taken from the competent authority.".....

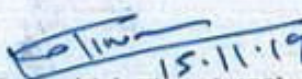

After discussion SEIAA opined that SEAC has not commented on all the points requested by the project proponent and has only commented on haulage route. Hence SEIAA opined that the case shall be referred back to SEAC.

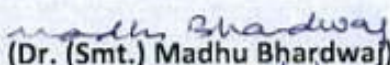

19. Expansion of Group Housing-6 at DA-1, High-tech City, District-Allahabad, U.P., M/s Pancham Realeon Pvt. Ltd. File No. 4929/Proposal No. SIA/UP/MIS/111215/2019

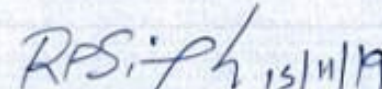

SEIAA agreed with the recommendation of SEAC to discuss the matter after submission of certified compliance report in online prescribed portal.

20. "Cement Grinding Unit" at Araj No.-469 MI & 470/1, Village-Dhauhan, Pargana-Sakteshgarh, Tehsil- Chunar, District- Mirzapur., U.P., M/s Uddyam Cement Pvt. Ltd. File no. 4184.

SEIAA noted that the above project is under violation category and SEAC has recommended EC along with conditions. SEIAA gone through file and documents and found that public hearing for the above project is not available in the file. SEIAA opined that nodal SEIAA shall obtain public hearing minutes from UPPCB.
