

report. A presentation to this effect should be made before SEAC at the time of EIA-EMP presentation.

- 19- The project proponent shall submit along with EIA the details of School in the vicinity of project area in which rooftop solar plant, toilets will be constructed specially girl school under CER activities.
- 20- These TORs shall be subject to any order from any court/tribunal or any guidelines issued by MOEFCC.

20. Transfer of Environmental Clearance for Granite & Dolostone Ballast Gitti at Gata No.- 356K Khand No.-03, Village- Dudhaiyan, Tehsil- Mahoba, District- Mahoba, U.P. (Area- 1.2140 ha.) of Shri Sudhir Singh S/o Late Maan Singh., 5520/4914/SIA/UP/MIN/552130/2025

SEIAA examined the minutes of SEAC and the online application submitted for transfer of Environmental Clearance. It was observed that the geo-coordinates mentioned in the approved Mining Plan and those provided in the EC proposed for transfer are different.

In view of the above, SEIAA opined that the Project Proponent shall submit a clarification from the competent authority explaining the discrepancy in the geo-coordinates.

21. "Sand/Morrum Mine" located at Gata No. -169/9 (Khand- 07), Village – Hirapur Divara, Tehsil – Kalpi & District - Jalaun (U.P.).Director- Shri Prashant Kumar Malviya., Area of 15.00 ha., 9706/SIA/UP/MIN/554080/2025.

SEIAA noted that the above proposal has been appraised and recommended by SEAC for amendment in the Terms of Reference. SEIAA examined the relevant records and the online application and concurred with the recommendation of SEAC to amend the point no. 30 of TOR letter dated 29/04/2025 as "Monitoring period (1st March 2025 to 31st May 2025)" in TOR Identification No. TO25B0107UP5440209N, dated 29/04/2025. All the other contents mentioned in the TOR letter dated 29/04/2025 shall remain the same. Accordingly, SEIAA agreed to amend the ToR as recommended.

22. "Khandas-Boulder /Gitti-Ballast Mining Project" at Gata No. :669, Khand No.:06, Village: Khailar, Tehsil: Sadar, District: Jhansi, State: Uttar Pradesh, Area: 2.0 Ha., 8574/6385/SIA/UP/MIN/455372/2023.

SEIAA noted the comments of SEAC.

23. "Building Stone or Granite Khanda, Boulder, Ballast (Gitty)" at Gata/Arazi No- 339 (Khand no.-38), Village– Daharra, Tehsil- Sadar, District– Mahoba, Uttar Pradesh Project Proponent- M/s V.R. Infrabuild India Pvt. Ltd. (Shri Jitendra Singh Bhadoriya)., Area of 1.619 ha., 8189/SIA/UP/MIN/440122/2023

SEIAA noted that the above proposal has been appraised and recommended for grant of ToR by SEAC. SEIAA also examined the letter of Additional District Magistrate (F/R), District Mahoba dated 04-08-2025, regarding corrections in geo coordinates. SEIAA opined to brought this matter in knowledge DGM, UP to ensure non-re-occurrence and take corrective actions in general. Accordingly, SEIAA decided to grant ToR to the subject proposal for conducting the EIA studies with the following additional conditions:

- 1- The project proponent shall comply all orders/directions/guidelines/OM of the Hon'ble Supreme Court, Hon'ble National Green Tribunal (NGT), Hon'ble High Court,

- Govt. of India and Govt. of UP. The project proponent shall obtain all the necessary permissions/ approvals from the concerned Govt. Departments/ Authorities/Organizations.
- 2- SEIAA noted that in approved DSR the said lease is under existing leases. The project proponent shall submit documents related to erstwhile approved DSR when Lol was sanctioned.
 - 3- EIA and EMP shall be conducted as per applicable provisions of EIA Notification, 2006 (as amended) in order to capture all the possible externalities.
 - 4- Technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
 - 5- The address of the lease area and production per annum should match with that mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per EIA notification, 2006 (as amended) and the address of lease area and production per annum shall be as mentioned in DSR and Lol.
 - 6- Detailed Mine Reclamation plan and Plan for using the mine void for productive use in consultation with local administration and gram-panchayat should be submitted along with EIA-EMP.
 - 7- The project proponent shall submit obtain permission of CGWA for using ground water or submit proposal for obtaining water from alternative legal source of fresh water along with EIA-EMP.
 - 8- Latest KML file for the area and mining lease area should be provided.
 - 9- The project proponent shall comply with all the criteria issued by MoEFCC from time to time regarding siting of Industries.
 - 10- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
 - 11- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
 - 12- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
 - 13- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
 - 14- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.

- c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 15- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out should be mentioned in EIA-EMP report.
 - 16- DSR formulation is done by a sub-committee formed at District level and representative of Forest Department is a member in this sub-committee, so it is expected that they examine the issue of distance of forest area from the mining lease as well as distance of protected area from the mining lease. Hence, a certificate signed by an officer not below the rank of ACF shall be submitted along with EIA-EMP that no forest land is involved in mining or as a route for mineral transportation and does not lie within any Protected area, National Park, Sanctuary and ESZ. If forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Van Sanrakshan evam Samvardhan Adhinyam, 2023.
 - 17- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. Also, the coordinates of area earmarked for plantation should be clearly spelt out. Survival of plants should be as per GoUP norms.
 - 18- The project proponent shall submit details of nearby water bodies and plan to ensure that these water bodies do not get polluted due to mining activity.
 - 19- Along with the EIA-EMP report, PP / consultant will also submit in tabular form as to how they have addressed entire ToR while preparing draft EIA-EMP report for PH. Further, PP / consultant will submit in tabular form as to how they have addressed issues raised during public hearing and have incorporated the same in final EIA-EMP report. A presentation to this effect should be made before SEAC at the time of EIA-EMP presentation.
 - 20- The project proponent shall submit along with EIA the details of School in the vicinity of project area in which rooftop solar plant, toilets will be constructed specially girl school under CER activities.
 - 21- Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
 - 22- Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
 - 23- Project Proponent in consultation with UPSPCB will establish required number of CAAQMS within a period of one year and submit geo-referenced map of these stations along with data on six-monthly basis.
 - 24- These TORs shall be subject to any order from any court/tribunal or any guidelines issued by MOEFCC.

24. Sand/morrum Mine from Riverbed of Yamuna River, Gata No. Part of 50/2k, 52/1, 53, 55, Part of 56, 58, 59 & Part of 60 /1/3, at Village- Sadimadanpur, Tehsil- Pailani, District- Banda, Uttar Pradesh Proposed by M/s J.S. Enterprises (Prop- Jyoti Sachan), (Area-17.50 Ha.) 8188/SIA/UP/MIN/442240/2023

SEIAA noted that the above proposal has been appraised and recommended for grant of ToR by SEAC. SEIAA also examined the letter of District Magistrate, District Banda 11-04-2025, regarding corrections of Gata no. Accordingly, SEIAA decided to grant ToR to the subject proposal for conducting the EIA studies with the following additional conditions:

- 1- Proposed production per annum shall be as per approved replenishment study report and this report should be submitted to SEIAA, UPPCB and IRO, MoEFCC.
- 2- The project proponent shall comply all orders/directions/guidelines/OM of the Hon'ble Supreme Court, Hon'ble National Green Tribunal (NGT), Hon'ble High Court, Govt. of India and Govt. of UP. The project proponent shall obtain all the necessary permissions/ approvals from the concerned Govt. Departments/ Authorities/Organizations.
- 3- SEIAA noted that in approved DSR the said lease is under existing leases. The project proponent shall submit documents related to erstwhile approved DSR when Lol was sanctioned.
- 4- EIA and EMP shall be conducted as per applicable provisions of EIA Notification, 2006 (as amended) in order to capture all the possible externalities.
- 5- Technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 6- The address of the lease area and production per annum should match with that mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per EIA notification, 2006 (as amended) and the address of lease area and production per annum shall be as mentioned in DSR and Lol.
- 7- Latest KML file for the area and mining lease area should be provided.
- 8- The project proponent shall comply with all the criteria issued by MoEFCC from time to time regarding siting of Industries.
- 9- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 10- In case project proponent intends to temporarily store mined out material or any tools, equipment's or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 11- Road network to be used by the project should be clearly shown on Survey of India topo sheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 12- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.

- (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 13- In case of expansion / renewal of earlier EC, following information should be submitted
- a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 14- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out should be mentioned in EIA-EMP report.
- 15- DSR formulation is done by a sub-committee formed at District level and representative of Forest Department is a member in this sub-committee, so it is expected that they examine the issue of distance of forest area from the mining lease as well as distance of protected area from the mining lease. Hence, a certificate signed by an officer not below the rank of ACF shall be submitted along with EIA-EMP that no forest land is involved in mining or as a route for mineral transportation and does not lie within any Protected area, National Park, Sanctuary and ESZ. If forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Van Sanrakshan evam Samvardhan Adhinyam, 2023.
- 16- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. Also, the coordinates of area earmarked for plantation should be clearly spelt out. Survival of plants should be as per GoUP norms.
- 17- The project proponent shall submit details of nearby water bodies and plan to ensure that these water bodies do not get polluted due to mining activity.
- 18- Along with the EIA-EMP report, PP / consultant will also submit in tabular form as to how they have addressed entire ToR while preparing draft EIA-EMP report for PH. Further, PP / consultant will submit in tabular form as to how they have addressed issues raised during public hearing and have incorporated the same in final EIA-EMP report. A presentation to this effect should be made before SEAC at the time of EIA-EMP presentation.
- 19- The project proponent shall submit along with EIA the details of School in the vicinity of project area in which rooftop solar plant, toilets will be constructed specially girl school under CER activities.
- 20- Number of mining projects are coming up in district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.
- 21- Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
- 22- These TORs shall be subject to any order from any court/tribunal or any guidelines issued by MOEFCC.

25. **Building Stone “Khanda-Boulder /Gitti-Ballast Mining Project” at Gata No - 669 (Khand No - 31), Village: Khailar, Tehsil: Sadar, District-Jhansi, State: Uttar Pradesh, Area: 2.023 Ha., 8562/6425/SIA/UP/MIN/454328/2023.**

SEIAA noted that the above proposal has been appraised and recommended by SEAC for grant of Environmental Clearance. Upon examination of the records and the online application, SEIAA observed certain discrepancies in the project details. It was noted that the Letter of Intent issued on 06.02.2021 mentions Gata No. 669 (Khand No. 31), whereas the approved District Survey Report records the Gata number as 669 Mi (Khand No. 31). Further, in the SEAC Minutes of Meeting, the project title reflects Gata No. 669 (Khand No. 31), while the corresponding table in the same Minutes mentions Gata No. 669 Mi (Khand No. 31). SEIAA also observed that the status of the lease in the DSR is indicated as “under process”.

In view of the above inconsistencies, SEIAA opined that the proposal be referred back to SEAC for review and necessary clarification.
