

Minutes of 911th SEAC-1 Meeting Dated 28/01/2025

The 911th meeting of SEAC-1 was held in the Directorate of Environment, U.P. through dual-mode (physically/virtually) at 11:00 AM on 28/01/2025. Following members participated in the meeting:

- | | | |
|----|-----------------------------|--------------------------|
| 1. | Shri Rajive Kumar, | Chairman, SEAC |
| 2. | Dr. Ratan Kar, | Member, SEAC-1 |
| 3. | Shri Om Prakash Srivastava, | Member, SEAC-1 |
| 4. | Dr. Brij Bihari Awasthi, | Member, SEAC-1 |
| 5. | Shri Sushant Sharma, IFS, | Member-Secretary, SEAC-1 |

The Chairman welcomed the members to the 911st SEAC-1 meeting which was conducted via dual-mode (virtually/physically). Nodal Officer, SEAC-1 informed the committee that the agenda has been approved by the Member Secretary, SEAC-1/Director, Directorate of Environment.

1. Ordinary Earth Mining Project” at Gata No.- 373 Ka, 378, 384, 408, 316 Aa, 316 Ba, 386, 375 Village: Jagdishpur, Tehsil: Purwa, District- Unnao, Uttar Pradesh, Area -2.592 Ha., 9554/SIA/UP/MIN/509179/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Green Enviro Engineers Pvt. Ltd, Kanpur. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Ordinary Earth Mining Project” at Gata No.- 373 Ka, 378, 384, 408, 316 Aa, 316 Ba, 386, 375 Village: Jagdishpur, Tehsil: Purwa, District- Unnao, Uttar Pradesh, (Lease Area: 2.592 Ha.)
2. Salient features of the project as submitted by the project proponent:

1.	On-line proposal No.	SIA/UP/MIN/509179/2024																
2.	File No. allotted by SEIAA, UP	9554																
3.	Name of Proponent	Shri Chandra Pal Singh S/o Shri Shiv Pal Singh																
4.	Full correspondence address of Proponent	R/o- Plot No-38, Arazi No-1101, Bairi, Akbarpur, Kachar, Kanpur Nagar.																
5.	Name of Project	Ordinary Earth/Soil Excavation/Mining Project																
6.	Project Location (Plot. Khasra/Gata No.)	373 Ka, 378, 384, 408, 316 Aa, 316 Ba, 386, 375																
7.	Name of Village	Jagdishpur																
8.	Tehsil	Purwa																
9.	District	Unnao																
10.	Name of Minor Mineral	Ordinary Earth/Soil																
11.	Sanctioned Lease Area (in Ha.)	2.592																
12.	Max. & Min mRL within lease area	The highest level is 142.0mRL The lowest level is 139.9mRL

14.	Total Geological Reserves	54432m ³	
15.	Total Mineable Reserve	35148 m ³	
16.	Total Proposed Production (in five year)	35148 m ³ only for 3.0 Months period	
17.	Proposed Production /year	NA	
18.	Sanctioned Period of Mine lease	03 Months	
19.	No. of worker	20	
20.	Type of Land	Private land./Non Forest Land	
21.	Ultimate of Depth of Mining	2.10 m (as per Mining Plan)	
22.	Nearest metallad road from site	0.40km	
23.	Water Requirement	PURPOSE	
		Drinking	- 0.10 KLD
		Suppression of dust	- 2.40 KLD
		Plantation	- 0.10 KLD
		Others (if any)	- 0.00 KLD
		Total	- 2.60KLD
24.	Name of QCI Accredited Consultant with QCI No and period of validity.	Green Enviro Engineers Pvt. Ltd, Kanpur NABET/EIA/2124/IA0086	
25.	Any litigation pending against the project or land in any court	No	
26.	Details of 500 m Cluster Certificate verified by Mining Officer	Letter No.-1994 /2024-25, Dated-25/11/2024	
27.	Details of Lease Area in approved DSR	NA	
28.	Proposed EMP cost	0.90 Lacs	
29.	Length and breadth of Haul Road	Length-400m, Breadth-6 m	
30.	No. of Trees to be Planted	20	
31.	Monitoring Period	NA	

3. Action Plan as per Ministry's O.M. dated 30/09/2020:

- In order to improve the quality of life of the nearby villagers of the project site, project proponent has to spent a sum of 2% of the total cost of the project under this plan.
- Project cost – Rs-15.0/- lacs for 3 Month plan period.
- CER Cost @ 2%-Rs-30,000/-

- Taoesy 1200W Solar Lights Outdoor, 120000 LM LEDs Solar Powered Commercial Street Lights Outdoor IP65 Waterproof with Remote Control Dusk to Dawn Security Led Light for Yard,Garden,Pathway,Playground Near Aadarsh Talaab of Village Jagdishpur with consultation of Gram Pradhan which cost is Rs- 30526/Piece-
 - 10 Plant of Ficus religiosa (Peepal) will be proposed in Peripheri of Aadarsh Talaab of Village Jagdishpur, with consultation of Gram Pradhan
4. The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
 5. This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
 6. The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
 7. There is no litigation pending in any court regarding this project.
 8. The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 23/01/2025 mentioning is as follows:

1. I, Chandra shekhar Ajad S/o Shri Radhey Shyam is EIA Coordinator of Green Enviro Engineers Pvt. Ltd, Kanpur.
2. I have prepared EMP report for the proposal (EC) in File No.-9554, Proposal No.-SIA/UP/MIN/509179/2024, Name-Shri Chandra Pal Singh S/o Shri Shiv Pal Singh, R/o- Plot No-38, Arazi No-1101, Bairi, Akbarpur, Kachar, Kanpur Nagar.of “Ordinary Earth/Soil Excavation/mining Project” located at Gata No.-373 Ka, 378, 384, 408, 316 Aa, 316 Ba, 386, 375Village:Jagdishpur, Tehsil: Purwa, District- Unnao, Uttar Pradesh”with my team.
3. I have personally visited the site of proposal and certify that no Mining activity has been undertaken on the project site for the present proposal.
4. I have satisfied with that all the necessary data/information required for EMP preparations are true and correct.
5. I certify that this project has been uploaded for the first time on Parivesh Portal. In case the project has been uploaded for the 2nd time that is only after the withdrawal of previous project has been accepted by SEIAA, UP on Parivesh Portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.
7. The EMP report for the proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 01

The committee discussed the matter and recommended grant of environmental clearance for the project proposal along with general and specific conditions as annexed at Annexure-1 to these minutes.

2. **Sand/Morrum Mining Project from Ken River at Gata No.- 721,722 & 723, Village-Kolawalraipur, Tehsil - Naraini, District- Banda, Uttar-Pradesh, M/s A.K. Singh Contractor, Area- 20.00 ha., 9555/9008/SIA/UP/MIN/516190/2024**

RESOLUTION AGAINST AGENDA NO. 02

The project proponent/consultant vide letter dated 28/01/2025 has requested to defer the matter in next SEAC meeting, therefore, the committee agreed with the request made by the project proponent and decided to defer the matter in upcoming SEAC meeting.

3. “Ordinary Soil Excavation Project” at Gata No.-492d, 493, 497, 502, 507, 508, 510, 511, 512, 513, Village-Barakhera ZA (Mustahkam), Tehsil-Etawah, District-Etawah, Uttar Pradesh. (Lease Area: 3.2044Ha.), 9556/SIA/UP/MIN/516271/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Geogreen Enviro House Pvt. Ltd. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for “Ordinary Soil Excavation Project” at Gata No.-492d, 493, 497, 502, 507, 508, 510, 511, 512, 513, Village-Barakhera ZA (Mustahkam), Tehsil-Etawah, District-Etawah, Uttar Pradesh. (Lease Area: 3.2044 Ha.).
2. Salient features of the project as submitted by the project proponent:

1.	On-line proposal No.	SIA/UP/MIN/516271/2024		
2.	File No.allotted by SEIAA, UP	9556		
3.	Name of Proponent	Shri Shivam Sharma S/o Shri Munish Chand

Description	Amount (in Rupees)
Solar Light*2 (Near Panchayat Bhawan, Near School, Near Village Connecting Road after Consultation With Gram Pradhan)	29,500/-
Total	29,500/-

4. The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
5. This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
6. The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
7. There is no litigation pending in any court regarding this project.
8. The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 27/01/2025 mentioning is

as follows:

1. I, Dr. Vijay Kumar Mishra is EIA Coordinator of M/s Geogreen Enviro House Pvt. Ltd., Lucknow, U.P.
2. I have prepared EIA/EMP report for the Proposal EC in Name of Shri Shivam Gupta S/o Shri Munish Chand with my team.
3. I have personally visited the site of proposal and certify that no Mining/construction activity has been undertaken on the project site for the present proposal.
4. I am satisfied that all the necessary data/ information submitted along with Application /EIA/EMP are true and correct.
5. I certify that this project proposal has been uploaded for the first time on Parivesh Portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.

RESOLUTION AGAINST AGENDA NO. 03

The committee discussed the matter and recommended grant of environmental clearance for the project proposal along with general and specific conditions as annexed at Annexure-1 to these minutes.

4. “Ordinary Soil Excavation Project” at Gata No.– 1128/2, 1155, 1150/2, 1138/1, 1151/2, 1129 & 1126 Mi in Village - Bhaipur, Tehsil- Thakurdwara & District- Moradabad, Uttar Pradesh Area: 2.265 Ha., 9557/SIA/UP/MIN/516111/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Ind Tech House Consult. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Ordinary Soil Excavation Project at Gata No.-1128/2, 1155, 1150/2, 1138/1, 1151/2, 1129, 1126mi, Village- Bhaipur, Tehsil –Thakurdwara District- Moradabad, Uttar Pradesh ,(Lease Area: 2.265 Ha.).
2. Salient features of the project as submitted by the project proponent:

1.	On Line Proposal No.	SIA/UP/MIN/516111/2024									
2.	File No. allotted by SEIAA,UP	9557									
3.	Name of Proponent	Shri Pushpendra Singh S/o Shri Harphool Singh									
4.	Full correspondence address of proponent and mobile no.	R/o Village- Rahmapur, Udham Singh Nagar, Jaspur, Uttarakhand									
5.	Name of Project	Ordinary Soil Excavation Project at Gata No.– 1128/2, 1155, 1150/2, 1138/1, 1151/2, 1129, 1126mi in the Village- Bhaipur, Tehsil –Thakurdwara, District- Moradabad, Uttar Pradesh Area: 2.265 Ha.									
6.	Project Location(Plot.Khsra/Gata/Araji No.)	Gata No.-1128/2, 1155, 1150/2, 1138/1, 1151/2, 1129, 1126mi									
7.	Name of Village	Bhaipur									
8.	Tehsil	Thakurdwara									
9.	District	Moradabad									
10.	Name of Minor Mineral	Ordinary Soil

1 no's of Solar Lights	10,000* 01=	10,000 Rs.
02 No's of Bicycle for Girls to nearby Govt. School of village Bhaipur	5000* 02=	10,000 Rs.
2 no's of Sewing Machine to nearby Govt. Girls School of village Bhaipur	3,000* 02=	6,000 Rs.
Total (Approx 25.00 Thousand)		26,000/- Rs.

- The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
- This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
- The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
- There is no litigation pending in any court regarding this project.
- The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 28/01/2025 mentioning is as follows:

- I, am Manish Kumar Shukla is EIA Coordinator of M/s Ind Tech House Consult.
- I have prepared the Form-1, PFR & EMP report for the proposal Ordinary Soil Excavation Project at Gata No.-1128/2, 1155, 1150/2, 1138/1, 1151/2, 1129, 1126mi, Village- Bhaipur, Tehsil – Thakurdwara District- Moradabad, Uttar Pradesh ,(Lease Area: 2.265 Ha.) with my team.
- I have personally visited the site of proposal and certify that no Mining/construction activity has been undertaken on the project site for the present proposal.
- I am satisfied that all the necessary data/ information submitted along with Application /EIA/EMP are true and correct.
- I certify that this project proposal has been uploaded for the first time on Parivesh Portal.
- I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.
- The Form-1, PFR & EMP report for the proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 04

The committee discussed the matter and recommended grant of environmental clearance for the project proposal along with general and specific conditions as annexed at Annexure-1 to these minutes.

5. Commercial Building at Plot No.- C-02, Sector- Alpha-II (Commercial Belt) Greater Noida, District-Gautam Budha Nagar, Uttar Pradesh., 9558/SIA/UP/INFRA2/516374/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Ind Tech House Consult, Delhi. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Commercial Building at Plot No.- C-02, Sector- Alpha-II (Commercial Belt) Greater Noida, District-Gautam Budha Nagar, Uttar Pradesh.
2. Plot Area of the project is 11,288 m² and total built-up area will be 83,837.9 m².
3. Number of Building blocks will be 3 and Maximum No. of Floors will be 2B+LG+G+27.
4. Maximum height of the building (upto OHT) will be 105.2 m.
5. Expected population will be 9424 number.
6. Estimated cost of the total project will be Rs. 260 Cr.
7. Salient features details:

Sl. No.	Description	Quantity	Unit
GENERAL			
1.	Total Plot Area	11288	SQMT
2.	Proposed Built Up Area	83837.9	SQMT
3.	Max Height of Building (Upto OHT)	105.2	M
4.	Max No of Floors	2B+LG+G+27	No.
5.	Expected Population	9424	No.
6.	Cost of Project	260	CR

4.	Providing skill development courses in Rajkiya Prathamik School village Jaitpur.	70	20	30	20
	Total	400	140	140	120

13. The project proposal falls under category-8(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 28/01/2025 mentioning is as follows:

1. I, Manish Kumar Shukla, S/o Shri S.K. Shukla is EIA Coordinator of M/s Ind Tech House Consult, Delhi.
2. I, have prepared the Form-1, 1A, conceptual plan for the proposal Commercial Building at Plot No.- C-02, Sector- Alpha-II (Commercial Belt) Greater Noida, District-Gautam Budha Nagar, Uttar Pradesh with my team.
3. I have personally visited the site of proposal and certify that no construction activity has been undertaken on the project site for the present proposal.
4. I am satisfied with that all the necessary data/information required submitted along with Application of Form-1, 1A, conceptual plan report are true and correct.
5. I certify that this project has been uploaded for this first time on Parivesh portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and hard copy/presentation submitted which will be submitted after acceptance of application.
7. The Form-1, 1A, conceptual plan report for the Proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 05

The committee discussed the matter and recommended grant of environmental clearance for the proposal as above alongwith standard environmental clearance conditions prescribed by MoEF&CC, GoI and following specific conditions:

Specific Conditions:

1. Project proponent is advised to explore the possibility and getting the cement in a closed container rather through the plastic bag to prevent dust emissions at the time of loading/unloading.
2. Project proponent should ensure that there will be no use of "Single use of Plastic" (SuP).
3. In compliance to Hon'ble Supreme Court order dated 13/01/2020 in IA no. 158128/2019 and 158129/2019 in Writ petition no. 13029/1985 (MC Mehta Vs. GoI and others) anti-smog guns shall be installed to reduce dust during excavation.
4. The project proponent will comply the use of fuel for backup power as per guidelines issued by CPCB from time to time.
5. The project proponent will ensure that there is no mismatch/deviation between the project proposal submitted to SEIAA for environmental clearance and maps/drawings were approved by concerned development authority. In case of any mismatch/deviation, amended environmental clearance will be obtained by project proponent. In case of failure, the granted environmental clearance shall automatically deem to be cancelled.
6. The project proponent shall ensure that the project site does not attract/infringe any buffer zone, wetland zone etc. of no activity identified/declared under law.
7. Criteria/ norms provided by competent Authority regarding the seismic zone are followed for construction work. Provision of alarm system, to timely notify the residents, in case of occurrence of earthquake/other natural disasters/fire should be provided. A well defined evacuation plan should also be prepared and regular mock drills should be arranged for the residents. Rise of stairs should be constructed in a way, so that it should provide smooth movement.
8. The project proponent should develop green belt in the said project as per the plan submitted and also follow the guidelines of CPCB/Development authority for green belt as per the norms. The project proponent will prepare working plan of plantation/green belt development showing type of plant species and their spacing in consultation with subject expert/ forest department and submit to the forest department and concerned regulatory authority and ensure their survival and sustainability.
9. The proponent should provide electric vehicle charging facility as per the requirements at ground level and allocate the safe and suitable place in the premises for the same.
10. Project proponent should invest the CER amount as per the proposal and submit the compliance report regularly to the concerned authority/Directorate of environment.
11. Proponent shall provide the dual pipeline network in the project for utilization of treated water of STP for different purposes and also provide the monitoring mechanism for the same. STP treated water not to be discharged outside the premises without the permission of the concerned authority.
12. The project proponent will ensure full exploitation of potential of rain water harvesting for storage and recharging and also treated wastewater in order to reduce the withdrawal of fresh water and accordingly use the three sources of water supply namely stored rain water, treated wastewater and the fresh water. The project proponent shall also provide a flow measuring device along with flow integrator for monitoring the various sources of water supply namely fresh water, treated waste water and stored harvested rain water.
13. The project proponent will ensure the quality of construction water as per standards and specifications of relevant codes in order to prevent possible corrosion in concrete, reinforcements and other structural components in order to avoid adverse social and environmental impacts.
14. The project proponent will ensure exploitation of maximum possible potential of solar energy generation in the proposed project area and prefer to use it instead of conventional electricity in order to reduce the Green House Gas Emission causing climate change.
15. The project proponent will make necessary arrangement to get Structural auditing conducted by an expert institution once in 05 years during life span of the building to ensure safe life of the residents and prevent environmental and social hazards.
16. The project proponent shall plan for storm water management drained with appropriate slope and length so that the flood water could get a passage to release in a short span of time.

6. **“Sand/Morrum Mining Project”, at Gata No.- 317Mi, Khand No. 05, Village/Ghat-Kurauna, Tehsil- Orai, Distt- Jalaun, StateUttar Pradesh, Area-12.12 Ha., 9559/SIA/UP/MIN/515178/2024**

RESOLUTION AGAINST AGENDA NO. 06

The project proponent/consultant did not appear. The committee discussed and deliberated that the project file should be closed and be opened only after request from the project proponent. The file shall not be treated as pending at SEAC. The matter will be discussed only after submission of online requests on prescribed online portal.

7. **“Ordinary Sand removal from Bhumidhari/ Agricultural land/Private land” at Gata No. - 587, Village- Patti Kalan, Tehsil- Suar, District- Rampur, Uttar Pradesh. (Lease Area: 0.4000 Ha.), 9560/SIA/UP/MIN/516439/2024**

The project proponent/consultant informed the committee that in Original Application No. 462/2023 with O.A. No. 481/2023 (IA No. 490/2024, IA No. 93/2024, IA No. 70/2024) Raja Ram Singh Vs. State of U.P. pending before Hon’ble National Green Tribunal, New Delhi. Hon’ble NGT passed an order dated 04/10/2024 which as follows:

“...

4. In the meantime, we also clarify that no mining operations shall be allowed by issuing permission in the name of short term permit, long term permit, mining lease, mining license etc. by any authority unless compliance of Environment Impact Assessment Notification dated 14.09.2006, as amended from time to time, is observed and Environmental Clearance is obtained by concerned Proponent(s).”

In view of above decision, the project proponent submitted the short term permit application for grant of environmental clearance through online Parivesh Portal.

During the presentation the project proponent/consultant informed the committee that District Survey Report (DSR) for short term mining lease area is not available in such type of cases. The committee discussed the matter and observed that in the absence of District Survey Report (DSR) they cannot take decision in the matter.

The committee further opined that the joint meeting of SEAC, SEIAA and Mining Department should be organized for developing strategy in disposing environment clearance of such short term permit application.

8. **“Ordinary Soil Mining Project” at Gata No.- 336 Mi, Village- Musawali (Mustahkam),Tehsil- Etawah, District-Etawah, Uttar Pradesh. (Lease Area: 3.2038Ha.), 9562/SIA/UP/MIN/516507/2024**

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Geogreen Enviro House Pvt. Ltd. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for “Ordinary Soil Excavation Project” at Gata No.-336 Mi, Village- Musawali (Mustahkam), Tehsil- Etawah, District- Etawah, Uttar Pradesh.(Lease Area: 3.2038 Ha.)
2. Salient features of the project as submitted by the project proponent:

1.	On-line proposal No.	SIA/UP/MIN/516507/2024
2.	File No. allotted by SEIAA, UP	9562
3.	Name of Proponent	Shri Abhishek Kumar S/o Shri Satish Chandra

31.	Monitoring Period	NA			

3. Action Plan as per Ministry's O.M. dated 30/09/2020:

Description	Amount (in Rupees)
Solar Light*2 (Near Panchayat Bhawan, Near School, Near Village Connecting Road after Consultation With Gram Pradhan)	29,900/-
Total	29,900/-

4. The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.

5. This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
6. The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
7. There is no litigation pending in any court regarding this project.
8. The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 27/01/2025 mentioning is as follows:

1. I, Dr. Vijay Kumar Mishra is EIA Coordinator of M/s Geogreen Enviro House Pvt. Ltd., Lucknow, U.P.
2. I have prepared EIA/EMP report for the Proposal EC in Name of Shri Abhishek Kumar S/o Shri Satish Chandra with my team.
3. I have personally visited the site of proposal and certify that no Mining/construction activity has been undertaken on the project site for the present proposal.
4. I am satisfied that all the necessary data/ information submitted along with Application /EIA/EMP are true and correct.
5. I certify that this project proposal has been uploaded for the first time on Parivesh Portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.

RESOLUTION AGAINST AGENDA NO. 08

The committee discussed the matter and recommended grant of environmental clearance for the project proposal along with general and specific conditions as annexed at Annexure-1 to these minutes.

9. Soil Mining Project (category B2) from Gata No.- 146/3 Village Badaudi Fatehullapur, Tehsil Kanth, District- Moradabad, U.P. (Area- 1.990 ha)., 9563/SIA/UP/MIN/516585/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Rian Enviro Private Limited. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Soil Mining Project (category B2) from Gata No.- 146/3, Village-Badaudi Fatehullapur, Tehsil -Kanth, District- Moradabad, U.P. (Leased Area- 1.990 ha).
2. Salient features of the project as submitted by the project proponent:

On-line proposal No.	SIA/UP/MIN/516585/2024
File No .allotted by SEIAA,UP	9563
Name of Proponent	Satveer Singh
Full correspondence address of proponent and mobile no.	S/O Genda Singh, Abhanpur Narauli, District- Moradabad, U.P
Name of Project	Badaudi Fatehullapur Soil Mining Project
Project location (Plot/ Khasra /Gata No.)	Khasra No-146/3
Name of Village	Badaudi Fatehullapur,
Tehsil	Kanth
District	Moradabad
Name of Minor Mineral	Ordinary soil
Sanctioned lease Area (in Ha.)	1.990 ha

Max.& Min mRL within lease area	240m & 238m		
Pillar Coordinates(Verified by OMO)		Latitude	Latitude

	Total	6.175	
Name of QCI Accredited Consultant with QCI No and period of validity.	Rian Enviro Private Limited 202, 204, Mangal market, Raza Bazar Sheikhpura Patna, Bihar Valid till: 11/03/2025		
Any litigation pending against the project or land in any court	No		
Details of 500 m Cluster Map & certificate issued by Mining Officer	Letter No. 517/khanij/2024 dated 28/12/2024		
Details of Lease Area in approved DSR	NA		
Proposed EMP cost	1.965 Lakh		
Length and breadth of Haul Road.	1200 Length & 6m width		
No. of Trees to be Planted	1100		
Monitoring Period	NA		

3. Action Plan as per Ministry's O.M. dated 30/09/2020:

- A Total budget of 2% of the project cost is allocated for CER activities in the area. Project cost is 15 lakh so the budget is of 30,000 Rs. will be used for the CER activities.
 - It is proposed to provide funds in Primary School Nigo Nagla about 1.3 km in SW direction for installation of water cooler and its maintenance.
4. The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
 5. This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
 6. The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
 7. There is no litigation pending in any court regarding this project.
 8. The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 28/01/2025 mentioning is as follows:

1. I, Muzaffar Ahmad, S/o Shri Iqbal Ahmad is EIA Coordinator of M/s Rian Enviro Private Limited

2. I have prepared EIA/EMP report for the Proposal EC in Name of Soil Mining Project (category B2) from Gata No.- 146/3, Village-Badaudi Fatehullapur, Tehsil -Kanth, District- Moradabad, U.P. (Leased Area- 1.990 ha) with my team.
3. I have personally visited the site of proposal and certify that no Mining/construction activity has been undertaken on the project site for the present proposal.
4. I am satisfied that all the necessary data/ information submitted along with Application /EIA/EMP are true and correct.
5. I certify that this project proposal has been uploaded for the first time on Parivesh Portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.

RESOLUTION AGAINST AGENDA NO. 09

The committee discussed the matter and recommended grant of environmental clearance for the project proposal along with general and specific conditions as annexed at Annexure-1 to these minutes.

10. Soil Mining Project (category B2) from Gata No.- 187sa, 193sa Village- Latura, Tehsil - Firozabad, District- Firozabad, U.P. (Area- 1.4630 ha)., 9564/SIA/UP/MIN/516579/2024

RESOLUTION AGAINST AGENDA NO. 10

During the presentation the committee observed that a Writ Petitions(s) (Civil) No(s): 13381/1984 M.C. Mehta Vs. Union of India & Ors pending before Hon'ble Supreme Court of India. The committee has gone through the order dated 14/10/2024 passed by Hon'ble Supreme Court and opined that a Writ Petition pending before Hon'ble Supreme Court, therefore, the matter will be discussed only after further order passed by Hon'ble Supreme Court in the matter.

11. Ordinary Soil Excavation project at Gata No.- 461, Village - Sardar Nagar, Tehsil & District- Moradabad, Uttar Pradesh, Area-0.905 Ha., 9565/SIA/UP/MIN/516646/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Ind Tech House Consult. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Ordinary Soil Excavation project at Gata No.- 461 in Village - Sardar Nagar, Tehsil & District- Moradabad, Uttar Pradesh, (Leased Area: 0.905 Ha.).
2. Salient features of the project as submitted by the project proponent:

1.	On Line Proposal No.	SIA/UP/MIN/516646/2024
2.	File No. allotted by SEIAA,UP	9565
3.	Name of Proponent	Shri Imran Ali S/o Shri Bhoora Haji
4.	Full correspondence address of proponent and mobile no.	R/o Village- Barbara Manjhra, Post- Bhaisiya Tehsil & District- Moradabad, Uttar Pradesh.
5.	Name of Project	Proposed "Ordinary Soil Excavation" Project named Imran Ali at Gata No.- 461 in Village - Sardar Nagar, Tehsil & District- Moradabad, Uttar Pradesh Area: 0.905 Ha.

- There is no litigation pending in any court regarding this project.
- The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 28/01/2025 mentioning is as follows:

1. I, Manish Kumar Shukla, S/o Shri S.K. Shukla is EIA Coordinator of M/s Ind Tech House Consult, Delhi.
2. I, have prepared the Form-1, PFR & EMP report for the proposal Ordinary Soil Excavation project at Gata No.- 461 in Village - Sardar Nagar, Tehsil & District- Moradabad, Uttar Pradesh, (Leased Area: 0.905 Ha.). with my team.
3. I have personally visited the site of proposal and certify that no construction activity has been undertaken on the project site for the present proposal.
4. I am satisfied with that all the necessary data/information required submitted along with Application are true and correct.
5. I certify that this project has been uploaded for this first time on Parivesh portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and hard copy/presentation submitted which will be submitted after acceptance of application.
7. The Form-1, PFR & EMP report for the Proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 11

The committee discussed the matter and recommended grant of environmental clearance for the project proposal along with general and specific conditions as annexed at Annexure-1 to these minutes.

12. Sand/Morrum Mine from Riverbed of Baghein River at Gata No.-3257, 3276 Mi & 3278, Village- Itwan, Tehsil- Baberu, District- Banda, Uttar Pradesh, Project Proponent- Shri Anand Kumar Gupta, , LeaseD Area – 8.152 ha., 9566/9193/SIA/UP/MIN/516618/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s AWS Envirotech (OPC) Pvt. Ltd.

During the presentation the project proponent/consultant shown the drone videography of the project site in compliance of point mentioned in terms of reference letter.

Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for “Sand/Morrum Mining” from Riverbed of Baghein River at Village- Itwan, Gata No.- 3257, 3276 मि. & 3278, Tehsil- Baberu, District- Banda, Uttar Pradesh, Shri Anand Kumar Gupta, (Leased Area- 8.152 ha.),
2. The Terms of Reference in the matter were issued by SEIAA, U.P vide Letter No. TO23B0107UP5599980N, dated 15/10/2024.
3. The Public Hearing was organized on 11/12/2024. Final EIA report submitted by the project proponent on 30/12/2024.
4. Salient features of the project as submitted by the project proponent:

1.	On-line proposal No.	SIA/UP/MIN/516618/2024
2.	File No. allotted by SEIAA, U.P.	9566/9193
3.	Name of Proponent	Shri Anand Kumar Gupta S/o Shri Laxmi Narayan Gupta
4.	Full correspondence address of proponent	R/o- Maharajpur, Disrict- Kanpur Nagar, U.P. E-mail Id- anandkumarg836@gmail.com
5.	Name of Project	“Sand/Morrum Mining” from Riverbed of Baghein River at Village- Itwan, Gata No.- 3257, 3276 मि & 3278, Lease Area- 8.152 ha. (20.14 Acres), Tehsil- Baberu, District- Banda, Uttar Pradesh, Project Proponent- Shri Anand Kumar Gupta
6.	Project Location (Plot/Khasra/Gata No.)	Gata No.- 3257, 3276 मि & 3278, Village- Itwan, Tehsil-

Year	Details of work to be taken up	Amount allocated in Lakhs (Rs.)
In 6 months period	Installation of 3 solar street light in village Itwan, 03 handpump along village road & 01 free health check-up camp for residents of Itwan Village	Total- Rs. 2.4 Lakhs (Rs. 40000/- Solar light assembly, Rs. 25000/-Per hand pump, & Rs. 45000/- Health check up camp)

- The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
- This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
- The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
- There is no litigation pending in any court regarding this project.
- The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 30/12/2024 mentioning is as follows:

- I, Sandeep Kumar S/o Sri R.K. Verma is EIA coordinator of M/s AWS Envirotech (OPC) Pvt. Ltd. Lucknow.
- I have prepared the EIA report for the Proposal, "Sand/Morrum Mine" located at 3257, 3276 मि & 3278, Lease Area- - 8.152 ha. (20.14 Acres), Village- Itwan, Tehsil- Baberu, District- Banda, Uttar Pradesh (Project Proponent- Shri Anand Kumar Gupta) with my team.
- I have personally visited the site of proposal and certify that no mining/construction activity has been undertaken on the project site for the present proposal.
- I am satisfied that all the necessary data/information submitted along with EIA/EMP are true and correct.
- I certify that this project has been uploaded for the first time on Parivesh Portal.
- I certify that there will be no mismatch between information/data provided on online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.
- I state that all the TOR Points have been complied and all the issues raised during Public Hearing have been properly addressed in EIA report.
- The EIA/EMP report for the Proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 12

The committee discussed the matter and recommended grant of environmental clearance for the proposal as above alongwith standard environmental clearance conditions prescribed by MoEF&CC, Govt. of India. The committee also stipulated following specific conditions:

Specific Conditions:

1. The environmental clearance will be co-terminus with the validity of the lease period mentioned in the LoI or co-terminus with the validity of current mine plan whichever is earlier, after this period the EC will automatically become null and void.
2. The quantity mentioned in LoI or quantity mentioned in replenishment study, whichever is less, would be maximum quantity which project proponent may extract. It will be ensured by District Administration and Geology and Mining Department. Directorate of Geology and Mining will ensure conduct of replenishment study from reputed institution for subsequent years in compliance of Hon'ble NGT orders.
3. NOC from Irrigation Department/ Concerning Authority regarding river bed mining to be obtained before start of mining activity.
4. No mining activity should be carried out in-stream channel as per SSMMG, 2016.
5. The mining work will be open-cast and manual/semi mechanized (subject to orders). Heavy machine such as excavator, scooper etc. should not be employed for mining purpose. No drilling/blasting should be involved at any stage.
6. An Environmental Audit should be annually carried out during the operational phase and submitted to the SEIAA.
7. Project Proponent should submit working plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or District plantation committee, for planting at least (as per the project) plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provisions for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
8. The project proponent shall install solar lights in their project area to minimise the consumption of electricity.
9. During the submission of 6 monthly compliance reports, the project proponent should make sure that the periodically taken site photographs should also be annexed along with the compliance report.
10. Preference should be given to indigenous local species as per the consultation of the local district Forest Officer Expert Agency in this field
11. Link Road from the quarry site to the main road shall be constructed as an all-weather road with blacktopping and maintained by the project proponent.
12. Vehicular emissions should be kept under control and regularly monitored. Suitable measures shall be taken for proper maintenance of vehicles used in a quarry operation and transportation.
13. The project proponent should explore the possibilities of rainwater harvesting in the premises of project area
14. Agreement/ Consent between project proponent and competent authority/ landowner for haulage road from lease site to link road.
15. Latest technology (water sprinklers/ tankers) to be adopted for mitigating dust at source points in lease area and haulage road during operational activity/vehicular movement.
16. As per the proposed plan, plantation with area specific plant species, number of plants to be planted and report of green belt development to be submitted to the concerning department. Selection of plants for green belt should be on the basis of pollution removal index. Project proponent should ensure survival of tree saplings. Mortality should be replaced from time to time.

17. Water requirement details along with source of water and the permission/ agreement with the concerning authority/ water supplying agencies to be submitted.
18. Submit the Hydrological study report of lease area that the quantity given in LoI will be mined without affecting the geo-hydrology of the River.
19. Environment management in according to environmental status and impact of the project.
20. During the school opening and closing time transportation of minerals will be restricted.
21. Pakkamotorable haul road to be maintained by the project proponent.
22. A separate Environmental Management Cell with suitable qualified personnel shall be set-up under the control of a Senior Executive, who will report directly to the Head of the Organization.
23. The capacity of trucks/tractor for loading purpose will be in tonnes as per Transport Department applicable norms and standard fixed by the Government.
24. Provision for two toilets and hand pumps should be made at mining site.
25. Mining should be done by Bar scalping methods extraction (typically 0.3 -0.6 m or 1 - 2 ft) as per sustainable sand mining management guidelines 2016.
26. If in future this lease area becomes part of cluster of equal to or more than 05 ha. then additional conditions based on the EIA shall be imposed. The lease holder shall mandatorily follow cluster conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per law shall be initiated against the authority issuing the cluster certificate.
27. In case it has been found that the E.C. obtained by providing incorrect information, submitting that the distance between the two adjoining mines is greater than 500mt. and area is less than 05 ha, but factually the distance is less than 500 mt and the mine is located in cluster of area equal or more than 05 ha, the E.C issued will stand revoked.
28. The MoEF&CC/SEIAA or any other competent authority may alter/modify the above conditions or stipulate any further condition in the interest of environment protection.
29. A width of not less than 50 meter or 10% width of river can be restricted for mining activities from river bank. A condition can be imposed that mining will be done from river activities from river bank.
30. Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 11 of the National Environment Appellate Authority Act, 1997.

13. Commercial Building at Plot No.- C-1 In Plot No.- TS-01, Sector -22A, Yamuna Expressway, YEIDA City, District-Gautam Budha Nagar, Uttar Pradesh., 9567/SIA/UP/INFRA2/516778/2024

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Ind Tech House Consult, Delhi. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Commercial Building at Plot No.- C-1 In Plot No.- TS-01, Sector -22A, Yamuna Expressway, YEIDA City, District-Gautam Budha Nagar, Uttar Pradesh., M/s Three C Homes Pvt. Ltd.
2. The total Plot area of the project is 20,243.0 m² and the built-up area will be 66,082.8 m².
3. Expected population will be 6,762.
4. Maximum number of floors will be B+G+17 and maximum height of the building will be 65.7 m (TOS of Terrace).
5. Estimated cost of project is Rs.351.28 Crores.
6. Salient features of the project:

Sl. No.	Description	Quantity	Unit
GENERAL			
1	Plot Area to be developed	20243	SQMT

2	Proposed Built Up Area	66082.8	SQMT
3	Max Height of Building (TOS of Terrace)	65.7	M
4	Max No of Floors	B+G+17	No.
5	Expected Population	6762	No.
6	Cost of Project	351.28	CR
Proj Activity: Commercial Retail, with F&B Services & Service Apartments			
AREAS			
7	Permissible Ground Coverage Area	8097.2	SQMT
8	Proposed Ground Coverage Area	7938.68	SQMT
9	Total Permissible FAR Area	40486	SQMT

9. Water requirement details:

Sr.No.	Source	Quantity (kld)
1.	Fresh water from water supply authority of YEIDA	172
2.	Recycle of treated water from onsite STP	223
	Total water	395
	Surplus Treated water required	06

10. Landscape Plan details:

Plot Area	20243 m ²
Proposed Green Area (37.44 % of plot area)	7578.94 m ²
Required No of Trees	253 Nos.
Proposed No. of trees	255 Nos.

11. Solid Waste Generation Details:

Waste Category	Quantity	Unit
Municipal Solid Waste Generation	1.43	TPD
Bio Degradable waste	0.67	TPD
Quantity of Sludge Generated from STP	21.05	KG/DAY

12. Action Plan as per Ministry's O.M. dated 30/09/2020:

S. No.	Expenditure	Amount (lacs.)	2025	2026	2027
1.	Adoption of primary school of village Saini.	140	40	50	50
2.	Development of smart classes in primary school of village Saini.	130	30	50	50
3.	Installation of solar lights in primary school of village Saini.	130	30	50	50
4	Scholarship to BPL students of primary school of village Saini.	130	30	50	50
	Total	530	130	200	200

13. The project proposal falls under category-8(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 28/01/2025 mentioning is as follows:

1. I, Manish Kumar Shukla, S/o Shri S.K. Shukla is EIA Coordinator of M/s Ind Tech House Consult, Delhi.
2. I, have prepared the Form-1, 1A, conceptual plan for the proposal Commercial Building at Plot No.- C-1 In Plot No.- TS-01, Sector -22A, Yamuna Expressway, YEIDA City, District-Gautam Budha Nagar, Uttar Pradesh., M/s Three C Homes Pvt. Ltd. with my team.
3. I have personally visited the site of proposal and certify that no construction activity has been undertaken on the project site for the present proposal.
4. I am satisfied with that all the necessary data/information required submitted along with Application of Form-1, 1A, conceptual plan report are true and correct.
5. I certify that this project has been uploaded for this first time on Parivesh portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and hard copy/presentation submitted which will be submitted after acceptance of application.
7. The Form-1, 1A, conceptual plan report for the Proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 13

The committee discussed the matter and recommended grant of environmental clearance for the proposal as above alongwith standard environmental clearance conditions prescribed by MoEF&CC, GoI and following specific conditions:

Specific Conditions:

1. Project proponent is advised to explore the possibility and getting the cement in a closed container rather through the plastic bag to prevent dust emissions at the time of loading/unloading.
2. Project proponent should ensure that there will be no use of "Single use of Plastic" (SuP).
3. In compliance to Hon'ble Supreme Court order dated 13/01/2020 in IA no. 158128/2019 and 158129/2019 in Writ petition no. 13029/1985 (MC Mehta Vs. GoI and others) anti-smog guns shall be installed to reduce dust during excavation.
4. The project proponent will comply the use of fuel for backup power as per guidelines issued by CPCB from time to time.
5. The project proponent will ensure that there is no mismatch/deviation between the project proposal submitted to SEIAA for environmental clearance and maps/drawings were approved by concerned development authority. In case of any mismatch/deviation, amended environmental clearance will be obtained by project proponent. In case of failure, the granted environmental clearance shall automatically deem to be cancelled.
6. The project proponent shall ensure that the project site does not attract/infringe any buffer zone, wetland zone etc. of no activity identified/declared under law.
7. Criteria/ norms provided by competent Authority regarding the seismic zone are followed for construction work. Provision of alarm system, to timely notify the residents, in case of occurrence of earthquake/other natural disasters/fire should be provided. A well defined evacuation plan should also be prepared and regular mock drills should be arranged for the residents. Rise of stairs should be constructed in a way, so that it should provide smooth movement.
8. The project proponent should develop green belt in the said project as per the plan submitted and also follow the guidelines of CPCB/Development authority for green belt as per the norms. The project proponent will prepare working plan of plantation/green belt development showing type of plant species and their spacing in consultation with subject expert/ forest department and submit to the forest department and concerned regulatory authority and ensure their survival and sustainability.
9. The proponent should provide electric vehicle charging facility as per the requirements at ground level and allocate the safe and suitable place in the premises for the same.
10. Project proponent should invest the CER amount as per the proposal and submit the compliance report regularly to the concerned authority/Directorate of environment.
11. Proponent shall provide the dual pipeline network in the project for utilization of treated water of STP for different purposes and also provide the monitoring mechanism for the same. STP treated water not to be discharged outside the premises without the permission of the concerned authority.
12. The project proponent will ensure full exploitation of potential of rain water harvesting for storage and recharging and also treated wastewater in order to reduce the withdrawal of fresh water and accordingly use the three sources of water supply namely stored rain water, treated wastewater and the fresh water. The project proponent shall also provide a flow measuring device along with flow integrator for monitoring the various sources of water supply namely fresh water, treated waste water and stored harvested rain water.
13. The project proponent will ensure the quality of construction water as per standards and specifications of relevant codes in order to prevent possible corrosion in concrete, reinforcements and other structural components in order to avoid adverse social and environmental impacts.
14. The project proponent will ensure exploitation of maximum possible potential of solar energy generation in the proposed project area and prefer to use it instead of conventional electricity in order to reduce the Green House Gas Emission causing climate change.
15. The project proponent will make necessary arrangement to get Structural auditing conducted by an expert institution once in 05 years during life span of the building to ensure safe life of the residents and prevent environmental and social hazards.
16. The project proponent shall plan for storm water management drained with appropriate slope and length so that the flood water could get a passage to release in a short span of time.

14. Cement Grinding unit(Capacity 1200 TPD) at Plot No.- D-22, Industrial Area and Khasra No.- 130C & 130P, Sikandarabad, District- Bulandshahr,M/s Durgashree Bricks Pvt. Ltd., 2336/SIA/UP/IND1/514466/2024

RESOLUTION AGAINST AGENDA NO. 14

The committee has gone through the EIA Notification dated 14/09/2006 (as amended) and observed that regarding transfer of environmental clearance following provision has been made:

“A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written “no objection” by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.”

In view of above provision, the committee is of the opinion that the SEIAA may take decision as per EIA Notification dated 14/09/2006.

15. Cement manufacturing unit Capacity 1,80,000 TPA (600 TPD) at Plot No.- C-57, UPSIDC Industrial Area Sikandarabad, District- Bulandshahr., 1146/SIA/UP/IND1/514349/2024

RESOLUTION AGAINST AGENDA NO. 15

The committee has gone through the EIA Notification dated 14/09/2006 (as amended) and observed that regarding transfer of environmental clearance following provision has been made:

“A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written “no objection” by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.”

In view of above provision, the committee is of the opinion that the SEIAA may take decision as per EIA Notification dated 14/09/2006.

16. Sand/Morrum Mining project from Ken River of at Gata No.- 165, 166 & 174, Village- Padoharakhadar, Tehsil- Pailani, District- Banda, Uttar-Pradesh. Sanctioned Lease Area- 14.00 ha, M/s Delving Mining Pvt. Ltd., Director- Shri Rishi Kant Tiwari., 9568/9015/SIA/UP/MIN/516893/2025

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s ENV Development Assistance Systems (I) Pvt. Ltd. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Sand/Morrum Mining project from Ken River of at Gata No.- 165, 166 & 174, Village- Padoharakhadar, Tehsil- Pailani, District- Banda, Uttar-Pradesh. Sanctioned Lease Area- 14.00 ha, M/s Delving Mining Pvt. Ltd.

2. The Terms of Reference in the matter were issued by SEIAA, U.P vide Letter No. TO24B0107UP5800008N, dated:16/10/2024.
3. The Public Hearing was organized on 30/12/2024. Final EIA report submitted by the project proponent on 01/01/2025.
4. Salient features of the project as submitted by the project proponent:

1.	On-line proposal No.	SIA/UP/MIN/516893/2025																																																																																																																					
2.	File No. allotted by SEIAA, UP	9568/9015																																																																																																																					
3.	Name of Proponent	M/s Delving Mining Pvt. Ltd. Shri Rishi Kant Tiwari																																																																																																																					
4.	Full correspondence address of proponent and mobile no.	M/s Delving Mining Pvt. Ltd. Shri Rishi Kant Tiwari S/o Shri Shiv Charan Tiwari R/o Village & Post- Kalauli Teer, Kalauli Teer Danda, District- Hamirpur, Uttar Pradesh-210301																																																																																																																					
5.	Name of Project	Sand/Morrum Excavation																																																																																																																					
6.	Project location (Plot/Khasra/Gata No.)	Gata No. 165,166,174																																																																																																																					
7.	Name of Village	Padoharakhadar																																																																																																																					
8.	Tehsil	Pailani																																																																																																																					
9.	District	Banda																																																																																																																					
10.	Name of Minor Mineral	Sand/Morrum																																																																																																																					
11.	Sanctioned Lease Area (in ha)	14.0 ha																																																																																																																					
12.	Max. & Min mRL within lease area	107 mRL and 110 mRL																																																																																																																					
13. 14.	Total Geological Reserves	2,80,000 m ³			
15.	Total Mineable Reserves in LOI	1,00,784 m ³ in 6 Months			
16.	Total Proposed Production	1,00,784 m ³ in 6 Months			
17.	Proposed Production/year	1,00,784 m ³			
18.	Sanctioned Period of Mine lease	06 Months			
19.	No. of workers	Approximately 50 labours			
20.	Type of Land	Non – Agricultural, Government Waste Land (Revenue land)			
21.	Ultimate Depth of Mining	0.72 m			
22.	Nearest metalled road from site	MDR 40B (Tindwari Pailani-Jaspura Sumerpur Road)- 5.6 km* (E)			
23.	Water Requirement	4.25 KLD			
24.	Name of QCI Accredited Consultant with QCI No and period of validity.	ENV Development Assistance Systems (I) Pvt. Ltd. NABET/EIA/2124/RA 0218_Rev 01 and Valid till 12.04.2025.			
25.	Any litigation pending against the project or land in any court	None			
26.	Details of 500 m Cluster Map & certificate verified by Mining Officer	Cluster certificate issued by District Mines Officer, Banda Letter No. 1202/Khanij-30, Banda dated 15.12.2023			
27.	Details of Lease Area in approved DSR	Page No 61 , S. No. 71 (As per DSR approved by SEIAA dated: 07.08.2024)			
28.	Proposed EMP cost/ Total Project Cost	Rs.9.58 Lakhs			
29.	Length and Width of Haul Road	Unpaved Length 0.40 km and 6 m width			
30.	No. of Trees to be Planted	300 saplings			
31.	Baseline Monitoring period	Winter season (1 st December 2023 –29 th February, 2024)			

5. Action Plan as per Ministry's O.M. dated 30/09/2020:

S. No.	Concerns raised during the Public Hearing	Physical activity to be done	Unit of measurement			Tentative Budget (inRs.)
			1st Year	2nd Year	3rd Year	
1	Social Welfare	Renovation of School	Village: Kukuwa Pah	--	--	3,08,000
		Drinking water facility in nearby school.		Village: Kukuwa Khas		50,000
2	Health	Awareness camps about Blood Pressure, Oral Hygeine, Diabetes, Vaccine and medicine distribution		--	(Village-Kukuwa Khas)	60,000
		Distribution of wheel chair and stretcher in hospital	--	Wheel Chair- 5 Nos. Stretcher –5 Nos. (PHC,)	--	50,000
3	Infrastructure	Installation of Solar lights in nearby villages	Village: Kukuwa Khas		Village: Kukuwa Pah	40,000
Total CER Cost			5,08,000			

6. The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
7. This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
8. The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
9. There is no litigation pending in any court regarding this project.
10. The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 27/01/2025 mentioning is as follows:

1. I, Dr. Ritu Pandey, D/o Shri Shiv Kumar Pandey am EIA Coordinator of M/s ENV Development Assistance Systems (I) Pvt. Ltd.
2. I have prepared EIA report for the Sand/Morrum Mining project from Ken River of at Gata No.- 165, 166 & 174, Village- Padoharakhadar, Tehsil- Pailani, District- Banda, Uttar-Pradesh. Sanctioned Lease Area- 14.00 ha, M/s Delving Mining Pvt. Ltd. Proposal No. SIA/UP/MIN/516893/2025, (File No. 9568/9015) with my team.
3. I have personally visited the site of proposal and certify that no Mining activity has been undertaken on the project site for the present proposal.
4. I have satisfied with that all the necessary data/information required for Final EIA presentations are true and correct.
5. I certify that this project proposal has been uploaded for the first time on Parivesh Portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.
7. The EIA/EMP report for the proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 16

The committee discussed the matter and recommended grant of environmental clearance for the proposal as above alongwith standard environmental clearance conditions prescribed by MoEF&CC, Govt. of India. The committee also stipulated following specific conditions:

Specific Conditions:

1. The environmental clearance will be co-terminus with the validity of the lease period mentioned in the LoI or co-terminus with the validity of current mine plan whichever is earlier, after this period the EC will automatically become null and void.
2. The quantity mentioned in LoI or quantity mentioned in replenishment study, whichever is less, would be maximum quantity which project proponent may extract. It will be ensured by District Administration and Geology and Mining Department. Directorate of Geology and Mining will ensure conduct of replenishment study from reputed institution for subsequent years in compliance of Hon'ble NGT orders.
3. NOC from Irrigation Department/ Concerning Authority regarding river bed mining to be obtained before start of mining activity.
4. No mining activity should be carried out in-stream channel as per SSMMG, 2016.
5. The mining work will be open-cast and manual/semi mechanized (subject to orders). Heavy machine such as excavator, scooper etc. should not be employed for mining purpose. No drilling/blasting should be involved at any stage.
6. An Environmental Audit should be annually carried out during the operational phase and submitted to the SEIAA.

7. Project Proponent should submit working plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or District plantation committee, for planting at least (as per the project) plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provisions for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
8. The project proponent shall install solar lights in their project area to minimise the consumption of electricity.
9. During the submission of 6 monthly compliance reports, the project proponent should make sure that the periodically taken site photographs should also be annexed along with the compliance report.
10. Preference should be given to indigenous local species as per the consultation of the local district Forest Officer Expert Agency in this field
11. Link Road from the quarry site to the main road shall be constructed as an all-weather road with blacktopping and maintained by the project proponent.
12. Vehicular emissions should be kept under control and regularly monitored. Suitable measures shall be taken for proper maintenance of vehicles used in a quarry operation and transportation.
13. The project proponent should explore the possibilities of rainwater harvesting in the premises of project area
14. Agreement/ Consent between project proponent and competent authority/ landowner for haulage road from lease site to link road.
15. Latest technology (water sprinklers/ tankers) to be adopted for mitigating dust at source points in lease area and haulage road during operational activity/vehicular movement.
16. As per the proposed plan, plantation with area specific plant species, number of plants to be planted and report of green belt development to be submitted to the concerning department. Selection of plants for green belt should be on the basis of pollution removal index. Project proponent should ensure survival of tree saplings. Mortality should be replaced from time to time.
17. Water requirement details along with source of water and the permission/ agreement with the concerning authority/ water supplying agencies to be submitted.
18. Submit the Hydrological study report of lease area that the quantity given in LoI will be mined without affecting the geo-hydrology of the River.
19. Environment management in according to environmental status and impact of the project.
20. During the school opening and closing time transportation of minerals will be restricted.
21. Pakkamotorable haul road to be maintained by the project proponent.
22. A separate Environmental Management Cell with suitable qualified personnel shall be set-up under the control of a Senior Executive, who will report directly to the Head of the Organization.
23. The capacity of trucks/tractor for loading purpose will be in tonnes as per Transport Department applicable norms and standard fixed by the Government.
24. Provision for two toilets and hand pumps should be made at mining site.
25. Mining should be done by Bar scalping methods extraction (typically 0.3 -0.6 m or 1 - 2 ft) as per sustainable sand mining management guidelines 2016.
26. If in future this lease area becomes part of cluster of equal to or more than 05 ha. then additional conditions based on the EIA shall be imposed. The lease holder shall mandatorily follow cluster conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per law shall be initiated against the authority issuing the cluster certificate.
27. In case it has been found that the E.C. obtained by providing incorrect information, submitting that the distance between the two adjoining mines is greater than 500mt. and area is less than 05 ha, but factually the distance is less than 500 mt and the mine is located in cluster of area equal or more than 05 ha, the E.C issued will stand revoked.
28. The MoEF&CC/SEIAA or any other competent authority may alter/modify the above conditions or stipulate any further condition in the interest of environment protection.

29. A width of not less than 50 meter or 10% width of river can be restricted for mining activities from river bank. A condition can be imposed that mining will be done from river activities from river bank.
30. Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 11 of the National Environment Appellate Authority Act, 1997.

17. “Ordinary Earth Mining Project” at Gata No.- 736 Village: Kushahari, Tehsil: Hasanganj, District- Unnao, Uttar Pradesh, Area 2.428 Ha., 9570/SIA/UP/MIN/515484/2025

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Green Enviro Engineers Pvt. Ltd, Kanpur. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for “Ordinary Earth Mining Project” at Gata No.- 736 Village: Kushahari, Tehsil: Hasanganj, District- Unnao, Uttar Pradesh, (Leased Area: 2.428 Ha.).
2. Salient features of the project as submitted by the project proponent:

2. Sanction features of the project as submitted by the project Proponent.																
1.	On-line proposal No.	SIA/UP/MIN/515484/2025														
2.	File No. allotted by SEIAA, UP	9570

30.	No. of Trees to be Planted	20	
31.	Monitoring Period	NA	

3. Action Plan as per Ministry's O.M. dated 30/09/2020:

- In order to improve the quality of life of the nearby villagers of the project site, project proponent has to spent a sum of 2% of the total cost of the project under this plan.
- Project cost – Rs-15.0/- lacs for 3 Month plan period.
- CER Cost @ 2%-Rs-30,000/-
- Taoesy 1200W Solar Lights Outdoor, 120000LM LEDs Solar Powered Commercial Street Lights Outdoor IP65 Waterproof with Remote Control Dusk to Dawn Security Led Light for Yard,Garden,Pathway,Playground Near Aadarsh Talaab of Village Kushahari with consultation of Gram Pradhan which cost is Rs- 30526/Piece-
- 10 Plant of Ficus religiosa (Peepal) will be proposed in Peripheri of Aadarsh Talaab of Village Kushahari, with consultation of Gram Pradhan .

4. The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
5. This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
6. The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
7. There is no litigation pending in any court regarding this project.
8. The project proposal falls under category–1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 23/01/2025 mentioning is as follows:

1. I, Chandra Shekhar Ajad, S/o Shri Radhey Shyam is EIA Coordinator of Green Enviro Engineers Pvt. Ltd, Kanpur.
2. I have prepared EMP report for the proposal (EC) in File No.-9570, Proposal No.-SIA/UP/MIN/515484/2025, Name-Mohammad Mumtaz S/o Mubarak Ali, Add- Banthara, Sikandarpur, District-Lucknow, Uttar Pradesh-227101of “Ordinary Earth/Soil Excavation/mining Project” located at Gata No.-736Village:Kushahari, Tehsil: Hasanganj, District- Unnao, Uttar Pradesh”with my team.
3. I have personally visited the site of proposal and certify that no Mining activity has been undertaken on the project site for the present proposal.
4. I have satisfied with that all the necessary data/information required for EMP preparations are true and correct.

5. I certify that this project has been uploaded for the first time on Parivesh Portal. In case the project has been uploaded for the 2nd time that is only after the withdrawal of previous project has been accepted by SEIAA, UP on Parivesh Portal.
6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.
7. The EMP report for the proposal is prepared by my team as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 17

The committee discussed the matter and recommended grant of environmental clearance for the project proposal along with general and specific conditions as annexed at Annexure-1 to these minutes.

18. Sand/ Morrum Mining from Betwa River at Araj No.- 01, Village: Luhargaon, Tehsil: Tahrauli, District: Jhansi, State: Uttar Pradesh, Area: 12.140 Ha., 8499/SIA/UP/MIN/452893/2023

The Secretariat informed the committee that the matter was earlier listed in 856th SEAC-1 meeting dated 27/05/2024 and in the light of Hon'ble NGT order dated 09/05/2024 in Original Application No. 747/2023 (IA No. 877/2023, IA No. 876/2023, IA No. 119/2024 & IA No. 115/2024), Raj Kumar Vs Ministry of Environment, Forests and Climate Change & Ors., the committee withholds its recommendation. The project proponent submitted their request through online Parivesh Portal and the matter was listed in 911th SEAC meeting dated 28/01/2025.

The project proponent did not present during the presentation of the project proposal only consultant present during the meeting and a presentation was made by the consultant M/s Globus Environment Engineering Services. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The terms of reference is sought for Sand/Morrum Mining from Betwa River at Araj No. 01, Village: Luhargaon, Tehsil: Tahrauli, District: Jhansi, State: Uttar Pradesh, Area: 12.140 Ha., (Leased Area: 12.140 ha.).
2. Salient features of the project as submitted by the project proponent:

1.	On-line proposal No.	SIA/UP/MIN/452893/2023		
2.	File No. allotted by SEIAA,UP	8499		
3.	Name of Proponent	Shri Harsh Shahu S/o Shri Vinod Kumar Shahu		
4.	Full correspondence address of proponent	940/15,Near Sita Hotel, Civil Line, Jhansi District: Jhansi, Uttar Pradesh		
5.	Name of Project	Sand/Morrum Mining from Betwa Riverbed		
6.	Project location(Plot/Khasra/Gata No.)	Araji No.01		
7.	Name of Village	Luhargaon		
8.	Tehsil	Tahrauli		
9.	District	Jhansi		
10.	Name of Minor Mineral	Sand/Morrum		
11.	Sanctioned Lease Area (in Ha.)	12.140 Ha.		
12.	Max. & Minm RLwith in lease area	Highest Point : 179.0 mRL Lowest Point : 176.0 mRL

		Plantation	12.0 KLD	
		Total	19.01 KLD	
24.	Name of QCI Accredited Consultantwith QCI No and period of validity.	GLOBUS ENVIRONMENT ENGINEERING SERVICES Certificate No.: NABET/EIA/2124/RA0245, Validity Extension upto: March 29, 2025.		
25.	Any litigation pending against the project or land in any court	No		
26.	Details of 500m Clustercertificate Verified by Mining Officer	Letter No. 925/ 30 एम. एम. सी /2023-24, Date 02/09/2023		
27.	Details of Lease Area in approved DSR	SEIAA Approval Letter No.648/पर्या./सामान्य/2023, Date: 17/10/2024, DSR Page No. 7, Sr. No. 7		
28.	Proposed EMP cost	Rs. 40.75 Lakhs		
29.	Length and breadth of Haul Road.	Haul Road Length 980 m & Width 7 m		
30.	No. of Trees to be Planted	65 Nos.		
31.	Monitoring Period	March to May 2025 (Summer Season)		

3. The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
4. This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
5. The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
6. There is no litigation pending in any court regarding this project.
7. The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 25/05/2024 mentioning is as follows:

1. I Mr. Akhilesh Gupta S/o Sri. Omkar Gupta is EIA Coordinator of M/s Globus Environment Engineering Services.
2. I have prepared the TOR report for the Proposal (SIA/UP/MIN/452893/2023) in Name Sand/ Morrum Mining from Riverbed of Betwa at Araj No.- 01, Area: 12.140 Ha, Village: Luhargaon, Tehsil: Tahrauli, District: Jhansi, State: Uttar Pradesh.
3. I have visited the site of proposal and certify that no Mining activity has been undertaken on the project site for the present proposal.
4. I am satisfied that all the necessary data/ information submitted along with Application are true and correct.
5. I certify that this project proposal has been uploaded for the first time on Parivesh Portal.

6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.
7. I state that all the TOR Points have been complied and all the issues raised during Public Hearing have been properly addressed in EIA report. (If and as required): Not Applicable.
8. The TOR report for the Proposal is prepared by me as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 18

The committee discussed the matter and recommended to issue the standard terms of reference for the preparation of EIA report. The committee also stipulated following additional TOR Points:

Additional TOR:

1. Details of workable and non workable area along with geo coordinates and area verified by District Administration.
2. Videography of baseline monitoring period with date, time and geo coordinates should be attached in EIA report and also presented during the EIA presentation.
3. Raw data of all the baseline monitoring parameters will be provided as an annexure to the EIA Report.
4. Project proponent should present latest drone videography of the project site mentioning the date, time and geo coordinates at the time of EIA presentation.
5. NOC from Irrigation Department/Concerning Authority regarding river bed mining to be submitted at the time of EIA presentation.
6. To ensure proper monitoring, the project proponent/consultant should provide evidence in form of (A) Logbook of their site visit along with activities carried out during monitoring (B) Real time photographs showing monitoring machine, public, lab person etc.
7. Proprietor/proprietor representative should be present at the time of monitoring and monitoring should be conducted as per CPCB SOP/NABET/QCI guidelines. Lab responsible person should be present at the time of EIA presentation.
8. EIA coordinator & FAE should give a notarized affidavit during EIA presentation that they have personally visited the site & they have also taken all the mitigating measures for any critical issues involved in the project.
9. The project proponent will have to inform the schedule of monitoring/data collection programme to the SEIAA/SEAC, UP and UPPCB before start of data collection. In case of failure, the collected baseline monitoring data will be treated as null and void.
10. The details of equipment used for baseline monitoring alongwith its photograph mentioning date, time and geo coordinates for preparation of EIA report should be clearly displayed to the people present during public hearing and the complete details related to monitoring period must be mentioned in the minutes of public hearing.
11. Original lab analysis report of the project proposal along with EIA report should be uploaded on Parivesh Portal.
12. Combined KML of all mines in a cluster should be submitted at the time of EIA.
13. The project proponent/Consultant should identify the core & buffer zone (2.5 km) of the mining site.
14. Agreement/ Consent between project proponent and competent authority/ landowner for haulage road from lease site to link road to be submitted at the time of EIA presentation.
15. Proponent/ Consultant should submit the plan/information along with technology (photographs of water sprinklers/ tankers) to be implemented for mitigating dust at source points in lease area and haulage road during operation activity/vehicular movement. Technology should be displayed at the time of EIA presentation.

16. Proposed plantation working with area specific plant species, number of plants to be planted and place of plantation along with a proper map to be submitted at the time of EIA presentation.
17. Water requirement details along with source of water and the permission/ agreement with the concerning authority/ person to be submitted at the time of EIA presentation.
18. Proponent/consultant shall present TOR specific/additional conditions compliance, observation/suggestions raised during the public hearing and commitment made by the project proponent in a tabular form with a time bound plan at the time of EIA presentation.
19. Corporate Social Responsibility (CSR) to be prepared as per the MoEF guidelines and present it at the time of EIA presentation.
20. Submit the hydrological study report of lease area that the quantity given in LoI will be mined without affecting the geo-hydrology of the River.

19. Ordinary Sand Mining from Ramganga River at Gata No. 219 mi, 220 mi, 221 mi, 236 mi , Village: Gautara, Tehsil: Meerganj, District: Bareilly, State: Uttar Pradesh, Area: 7.70 Ha, 8326/SIA/UP/MIN/446631/2023

The Secretariat informed the committee that the matter was earlier listed in 856th SEAC-1 meeting dated 27/05/2024 and in the light of Hon'ble NGT order dated 09/05/2024 in Original Application No. 747/2023 (IA No. 877/2023, IA No. 876/2023, IA No. 119/2024 & IA No. 115/2024), Raj Kumar Vs Ministry of Environment, Forests and Climate Change & Ors., the committee withholds its recommendation. The project proponent submitted their request through online Parivesh Portal and the matter was listed in 911th SEAC meeting dated 28/01/2025.

The project proponent did not present during the presentation of the project proposal only consultant present during the meeting and a presentation was made by the consultant M/s Globus Environment Engineering Services. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The terms of reference is sought for Ordinary Sand Mining from Ramganga River at Gata No.- 219 mi, 220 mi, 221 mi, 236 mi, Village: Gautara, Tehsil: Meerganj, District: Bareilly, State: Uttar Pradesh, (Leased Area: 7.70 ha.).
2. Salient features of the project as submitted by the project proponent:

1.	On-line proposal No.	SIA/UP/MIN/446631/2023															
2.	File no. allotted by SEIAA,UP	8326															
3.	Name of Proponent	ShriAbhishekYadav S/o Shri Sadhu Ram Yadav															
4.	Full correspondence address of proponent and mobile no.	29,Khailar, Jhansi District: Jhansi (U.P.)															
5.	Name of Project	Ordinary Sand Mining from Ramganga Riverbed															
6.	Project location (Plot/Khasra/Gata No.)	Gata No. 219 mi, 220 mi, 221 mi, 236 mi															
7.	Name of Village	Gautara															
8.	Tehsil	Meerganj															
9.	District	Bareilly (U.P.)															
10.	Name of Minor Mineral	Ordinary Sand (Category - II)															
11.	Sanctioned Lease Area (in Ha.)	Total Lease Area: 7.70 Ha.															
12.	Max. & Min mRL within lease area	Highest Point : 188 mRL Lowest Point : 184 mRL															
13.	Pillar Coordinates (Verified by DMO)	Sanction Lease Area Co-ordinate															
		<table border="1"> <thead> <tr> <th>Pillars</th><th>Latitudes (N)</th><th>Longitudes (E)</th></tr> </thead> <tbody> <tr> <td>A</td><td>28°23'33.30"N</td><td>79°18'35.40"E</td></tr> <tr> <td>B</td><td>28°23'28.90"N</td><td>79°18'32.00"E</td></tr> <tr> <td>C</td><td>28°23'17.83"N</td><td>79°18'35.94"E</td></tr> <tr> <td>D</td><td>28°23'25.10"N</td><td>79°18'43.00"E</td></tr> </tbody> </table>	Pillars	Latitudes (N)	Longitudes (E)	A	28°23'33.30"N	79°18'35.40"E	B	28°23'28.90"N	79°18'32.00"E	C	28°23'17.83"N	79°18'35.94"E	D	28°23'25.10"N	79°18'43.00"E

15.	Total Mineable Reserves	1,15,500 m ³															

16.	Total Proposed Production (in five years)	5,77,500 m ³
17.	Proposed Production/year	1,15,500 m ³
18.	Sanctioned Period of Mine lease	05 Year
19.	No. of Workers	50
20.	Type of Land	State Government Land
21.	Ultimate Depth of Mining	2.91 m (188mRL – 185.09mRL) (Source: Approved Mining Plan)
22.	Nearest metalled road from site	330 m
23.	Water Requirement	Purpose
		Requirement (KLD)
		Drinking
		Suppression of Dust
		Plantation
		Total
24.	Name of QCI Accredited Consultant with QCI No. and period of validity.	GLOBUS ENVIRONMENT ENGINEERING SERVICES Certificate No.: NABET/EIA/2124/RA0245, Validity Extension upto: March 29, 2025.
25.	Any litigation pending against the project or hand in any court	No
26.	Details of 500 m Cluster Map & certificate issued by Mining Officer	Letter No. 836/खनन-2023, Date 20.06.2023
27.	Details of Lease Area in approved DSR	DSR approved by SEIAA,U.P.,DSR Page No. 13, Sr.No.1 DSR Amendment Letter No. 1591/ खनन – डीएसआर /2024, Date : 24.01.2025
28.	Proposed EMP Cost	Rs. 41.76 Lakhs
29.	Length and width of Haul Road	Haul Road Length 330 m & Width 7 m
30.	No. of Trees to be Planted	8000 Trees
31.	Monitoring Period	October to December 2023 (Post Monsoon Season)

- The mining would be restricted to unsaturated zone only above the phreatic water table and will not intersect the ground water table at any point of time.
- This project does not attract any of the general conditions applicable on mining projects specified in EIA Notification 14/09/2006.
- The mining operation will not be carried out in safety zone of any bridge or embankment or in eco-fragile zone such as habitat of any wild fauna.
- There is no litigation pending in any court regarding this project.
- The project proposal falls under category-1(a) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 17/10/2023 mentioning is as follows:

- I, Mr. Akhilesh Gupta S/o Sri. Omkar Gupta is EIA Coordinator of M/s Globus Environment Engineering Services.
- I have prepared the TOR report for the Proposal (SIA/UP/MIN//446631/2023) in Name Ordinary Sand Mining from Ramganga River at Gata No. 219 mi, 220 mi, 221 mi, 236 mi , Village: Gautara, Tehsil: Meerganj, District: Bareilly, State: Uttar Pradesh, (Leased Area: 7.70 Ha.) with my team.
- I have visited the site of proposal and certify that no Mining activity has been undertaken on the project site for the present proposal.
- I am satisfied that all the necessary data/ information submitted along with Application are true and correct.
- I certify that this project proposal has been uploaded for the first time on Parivesh Portal.

6. I certify that there will be no mismatch between information/data provided on the online application submitted on Parivesh Portal and the hard copy/presentation which will be submitted after acceptance of application.
7. I state that all the TOR Points have been complied and all the issues raised during Public Hearing have been properly addressed in EIA report. (If and as required): Not Applicable.
8. The TOR report for the Proposal is prepared by me as per guidelines laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA NO. 19

The committee discussed the matter and recommended to issue the standard terms of reference for the preparation of EIA report. The committee also stipulated following additional TOR Points:

Additional TOR:

1. Details of workable and non workable area along with geo coordinates and area verified by District Administration.
2. Videography of baseline monitoring period with date, time and geo coordinates should be attached in EIA report and also presented during the EIA presentation.
3. Raw data of all the baseline monitoring parameters will be provided as an annexure to the EIA Report.
4. Project proponent should present latest drone videography of the project site mentioning the date, time and geo coordinates at the time of EIA presentation.
5. NOC from Irrigation Department/Concerning Authority regarding river bed mining to be submitted at the time of EIA presentation.
6. To ensure proper monitoring, the project proponent/consultant should provide evidence in form of (A) Logbook of their site visit along with activities carried out during monitoring (B) Real time photographs showing monitoring machine, public, lab person etc.
7. Proprietor/proprietor representative should be present at the time of monitoring and monitoring should be conducted as per CPCB SOP/NABET/QCI guidelines. Lab responsible person should be present at the time of EIA presentation.
8. EIA coordinator & FAE should give a notarized affidavit during EIA presentation that they have personally visited the site & they have also taken all the mitigating measures for any critical issues involved in the project.
9. The project proponent will have to inform the schedule of monitoring/data collection programme to the SEIAA/SEAC, UP and UPPCB before start of data collection. In case of failure, the collected baseline monitoring data will be treated as null and void.
10. The details of equipment used for baseline monitoring alongwith its photograph mentioning date, time and geo coordinates for preparation of EIA report should be clearly displayed to the people present during public hearing and the complete details related to monitoring period must be mentioned in the minutes of public hearing.
11. Original lab analysis report of the project proposal along with EIA report should be uploaded on Parivesh Portal.
12. Combined KML of all mines in a cluster should be submitted at the time of EIA.
13. The project proponent/Consultant should identify the core & buffer zone (2.5 km) of the mining site.
14. Agreement/ Consent between project proponent and competent authority/ landowner for haulage road from lease site to link road to be submitted at the time of EIA presentation.
15. Proponent/ Consultant should submit the plan/information along with technology (photographs of water sprinklers/ tankers) to be implemented for mitigating dust at source points in lease area and haulage road during operation activity/vehicular movement. Technology should be displayed at the time of EIA presentation.

16. Proposed plantation working with area specific plant species, number of plants to be planted and place of plantation along with a proper map to be submitted at the time of EIA presentation.
17. Water requirement details along with source of water and the permission/ agreement with the concerning authority/ person to be submitted at the time of EIA presentation.
18. Proponent/consultant shall present TOR specific/additional conditions compliance, observation/suggestions raised during the public hearing and commitment made by the project proponent in a tabular form with a time bound plan at the time of EIA presentation.
19. Corporate Social Responsibility (CSR) to be prepared as per the MoEF guidelines and present it at the time of EIA presentation.
20. Submit the hydrological study report of lease area that the quantity given in LoI will be mined without affecting the geo-hydrology of the River.

20. Nirala Aspire (Group Housing) at Plot No. GH-03, Sector-16, Greater Noida, Uttar Pradesh by M/s Nirala Housing Pvt. Ltd., 8498/7794/SIA/UP/INFRA2/452890/2023

The project proponent/consultant informed the committee that the matter was earlier discussed in 820th SEAC-2 meeting dated 28/12/2022 and decided as follows:

‘The committee technically appraised the proposal and noted that the project proponent submit the Environmental Damage remediation plan, community resource augmentation plan and penalty proposed as per Office Memorandum dated 7th July, 2021 before the committee, but during the preparation of meeting of minutes it has come to the notice that Hon’ble Supreme Court of India passed an order dated 02/01/2024 in Writ Petition(s) (Civil) No(s). 1394/2023 Vanashakti Vs. Union of India regarding Standard Operating Procedure (SOP) dated 7th July 2021 for identification and handling of violation cases under EIA Notification, 2006. The operative part of the order is as follows:

“...

- 1. Issue notice returnable in four weeks.*
- 2. Until further orders, there shall be stay of operation of the office memorandum dated 7th July, 2021 and 28th January, 2022 issued by the Ministry of Environment, Forest and Climate Change.”*

In compliance of above Hon’ble Supreme Court order Ministry of Environment, Forest and Climate Change, Govt. of India issued an Office Memorandum no. F.No. IA3-3/4/2024-IA.III [E 230791] dated 08/01/2024 for information and necessary action.

The committee has gone through above orders and opined that the matter will be processed after further order of Hon’ble Supreme Court.”

The project proponent also informed the committee that Hon’ble Supreme Court, New Delhi passed an order dated 17/12/2024 in Writ Petition(s) (Civil) No(s). 1394/2023 Vanashakti Vs. Union of India and the operative part of the order as follows:

“...This Court is examining the validity of the Office Memorandum dated 7th July, 2021. This Court has stayed the operation of the Office Memorandum dated 7th July, 2021. Therefore, the applications made under clause 10(iii) of the Office Memorandum dated 7th July, 2021 cannot be entertained so long as the order of stay continues to operate. If the applicants have made applications under a provision other than clause 10(iii) of the Office Memorandum dated 7th July, 2021, it is obvious that the interim order does not come in the way of the applicants. To put it differently, no one can act upon the said Office Memorandum. If the case of the applicants is covered by clauses 5 to 7 of the order dated 2nd

February, 2024 passed by this Court, it will be always open for the applicants to invite attention of the concerned authorities to the said fact.

The committee has gone through above Hon'ble Supreme Court order dated 27/12/2024 and after in depth discussion the committee opined that SEIAA may like to refer the matter to MoEF&CC, Govt. of India for clarification or alternatively SEIAA may like to take legal opinion in the matter.

21. "Sand/Morrum Mining" from Riverbed of Betwa River at Gata No.- 25/26, Village-Ichhaura Jitkari, Tehsil- Sarila, District- Hamirpur, Uttar Pradesh Project Proponent M/s S.S. Infratech (Prop. Shri Rajkumar Sharma),(Area- 20.740 ha.),. 8145/SIA/UP/MIN/441154/2023

The Secretariat informed the committee that the matter was earlier discussed in 760th SEIAA meeting dated 29/09/2023 wherein:

"SEIAA noted that SEAC has recommended to issue additional ToR. SEIAA gone through file and document and found that KML submitted shows area submerged in water. SEIAA opined that the project proponent shall submit certificate from DM Office regarding submergence of lease area to SEAC. Hence the project is referred back to SEAC for review."

As per the decision of SEIAA, the matter was listed in 805th SEAC meeting dated 02/11/2023. The committee has gone through the comments recorded by SEIAA and opined that the project proponent should submit letter from District Magistrate, Hamirpur regarding submerged area, workable and non workable area of the mining lease.

The project proponent submitted the letter dated 28/10/2023 issued by Mining Officer, Hamirpur wherein:

“ ...

ग्राम-इछौरा जितकारी के खण्ड संख्यर-25/26 में स्थित बेतवा नदी में मानसून सत्र (जुलाई, अगस्त व सितम्बर) में नदी में जलभराव रहता है। मानसून सत्र पश्चात् माह अक्टूबर से नदी अपने वास्तविक स्वरूप में आ जाती हैं नदी की जलधारा में स्वाभाविक रूप से समय-समय पर परिवर्तन होता रहता है, जिसके कारण माइनिंग प्लान बनाने के समय हो सकता है खनन क्षेत्र में पानी भरा हो, परन्तु प्रस्तावित खनन क्षेत्र में लेटर ऑफ इन्टेंट (LoI) दिनांक 21-02-2023 में उल्लिखित उपखनिज बालू/मौसम की मात्रा 3,31,799 घन मीटर उपयुक्त मात्रा में उपलब्ध है।”

The project proponent also submitted the details of workable and non workable area along with geo coordinates which as follows:

Coordinates of the sanctioned lease area-		
PILLAR NO.	LATITUDE	LONGITUDE
A	25°53'0.52"N	79°33'54.53"E
B	25°53'1.88"N	79°33'42.90"E
C	25°53'13.57"N	79°33'47.96"E
D	25°53'6.68"N	79°34'12.11"E
E	25°53'3.46"N	79°34'12.11"E
F	25°53'1.18"N	79°34'02.88"E
Workable Area Co-ordinates (Area 12.3413 ha)		
Pillar No.	Latitude(N)	Longitude(E)
A	25°53'0.52"N	79°33'54.53"E
B	25°53'1.88"N	79°33'42.90"E
B1	25°53'10.73"N	79°32'31.09"E
E	25°53'3.46"N	79°34'12.11"E
F	25°53'1.18"N	79°34'02.88"E
Non-workable Area Co-ordinates (Area 06.8226 ha)		
Pillar No.	Latitude(N)	Longitude(E)

B1	25°53'10.73"N	79°32'31.09"E
C	25°53'13.57"N	79°33'47.96"E
D	25°53'06.68"N	79°34'12.11"E
E	25°53'03.46"N	79°34'12.11"E

The committee has gone through the reply submitted by project proponent and opined that the reply submitted by the project proponent seems to be satisfactory. Therefore, the committee recommended to grant the terms of reference for the project proposals as earlier prescribed in 780th SEAC meeting dated 01/09/2023.

22. Development of Bulk Drug Pharma Park at Village- Saidpur, Koranda, Mehrauni, Tehsil, District - Lalitpur, Uttar Pradesh, M/s Uttar Pradesh State Industrial Development Authority (UPSIDA), 9597/9179/SIA/UP/INFRA1/517400/2025

The consultant informed the committee that they are strictly following the rules, regulations and other instructions of QCI/NABET. A presentation was made by the project proponent along with their consultant M/s Assystem India Limited, Hyderabad Telangana. Based on the documents submitted and presentation made by the project proponent along with the consultant, the following facts have emerged: -

1. The environmental clearance is sought for Development of Bulk Drug Pharma Park at Village-Saidpur, Koranda, Mehrauni, Tehsil, District -Lalitpur, Uttar Pradesh, M/s Uttar Pradesh State Industrial Development Authority (UPSIDA).
2. The terms of reference in the matter were issued by SEIAA, U.P. vide ToR Identification No. TOR24B3102UP5153257N, dated 19/09/2024.
3. The public hearing was organized under the chairmanship of Additional District Magistrate, Lalitpur on 20/12/2024. Final EIA report submitted by the project proponent on 10/01/2025.
4. Earlier, the land was in ownership of Animal Husbandry Department which is allotted to UPSIDA Vide Letter No. 53/2023/3340/77-6-2023-05 (M)/17TC-3 (1) dated October 17, 2023. UPSIDA is in the possession of 1472.33 Acres of land for development of Bulk Drug Pharma Park in Phase wise manner.
5. Area details of the proposed project:
 - Total area: 142.81 ha (352.91 Acre)
 - Target Sector: Formulation & Bulk drug (Chemical Synthesis & Fermentations)
 - Zoning has been done conforming to UPSIDA guidelines.
 - Total 225.85 Acres (63.9%) is proposed for industrial use and remaining for supporting structure, Greenbelt, open area etc.
6. Categorization of the plots:
 - Small Plot: 0.7 to 5.0 Ha
 - Medium Plots: 5.01 to 20.0 Ha
 - Big Plots: 20.01 to 50.80 Ha
7. Water requirement details:
 - Total water requirement: ~10.62 MLD (Fresh: ~6.51 MLD & Treated: ~4.11 MLD)
 - Fresh water will be sourced from Jamni Reservoir which is at ~22 km
 - Fresh water is allotted from WRD, GoUP Vide Letter No. 1279/Irrigation Works Board/P-3/Bulk Drug Park dated Oct. 08, 2024
 - CETP of 4.57 MLD Capacity is proposed having High TDS & Low TDS Streams
 - High TDS stream involved Striper, MEE & ATFD units (Capacity: 0.73 MLD)
 - Low TDS stream involved Physico-chemical treatment followed by Secondary and Tertiary Treatment (Capacity: 3.84 MLD)

- Treated effluent will reuse back in Industrial area which will help to reduce fresh water consumption
- Total 4.11 MLD Treated Wastewater will be reuse back in the BDP
- Separate drainage system has been proposed for Storm water and Effluent conveyance

8. Rain water harvesting details:

S. No	Structure	Roof area in sq.m	intensity mm/hr	Qty m ³ /hr	No. of pits	size Dia X H
1	Admin building	1288	128.5	128.2	2	4x1.75
2	FF&SS	579	128.5	59.5	2	4x1.75
3	R&D	3851	128.5	445.3	2	4x1.75
4	Warehouse	1539	128.5	158.2	2	4x1.75
	Total	7257		791.2		

9. Environmental sensitivity around the project site:

- The land is identified by UPSIDA for development of Bulk Drug Pharma Industrial Park considering all the environmental aspects.
- Land is in ownership of UPSIDA. No R&R Involved.
- No Forest Land Involved. No NP, WLS with 15 km radius area.
- Site approachable by Rail & Road connectivity
- Water & power supply is available in feasible distance.
- No settlement with 500 m from project site
- No Litigation pending against the site and project.
- Total 1472.3 Acre of land of Animal Husbandry Department has been allotted to UPSIDA for development of Bulk Drug Pharma Parks in phase wise manner.

10. Land use breakup of the project site:

S. No	Type of LULC	Area in Acres	%
1	Formulation	76.10	21.6
2	Bulk Drug (Chemical Synthesis & Fermentation)	139.85	39.6
3	Support Industry	9.90	2.8
4	Facilities / ICC	9.21	2.6
5	Multi-Utilities / Facilities	31.14	8.8
6	Green Space	14.35	4.1
7	Greenbelt	31.41	8.9
8	Commercial	2.57	0.7
9	Residential	2.30	0.7
10	Parking	3.71	1.1
11	Roads	31.28	8.9
12	Water body	1.09	0.3
	Total	352.91	100.00

11. Landscape plan:

- Project site does not falling in the Critically Polluted area.
- 15 m green belt is proposed around the periphery of the project site and between industrial & Other Land use which accounts to 31.41 Acres (8.9%).
- Additionally, 14.35 Acres (4.1%) is reserved under Open/Green spaces.
- A total of 45.76 Acres (12.9%) greenery is provided as per UPSIDA guidelines.
- A total of 33% greenery is to provide in overall master plan which should be achieved by additionally proposing Green/ Open Spaces in the industrial plots.

12. Solid waste generation details:

- Total quantity of Solid Waste to be generated: 3.53 TPD
- Area allocated for SWM Facility: 2.07 acres

- Two Organic Waste Converter (OWC) of 1 TPD capacity each is proposed.
13. The project proposal falls under category-7(c) of EIA Notification, 2006 (as amended).

The consultant (EIA Coordinator) also submitted an affidavit dated 10/01/2025 mentioning is as follows:

1. I, Ratheesh B. S/o R. Balaraman is EIA Coordinator of M/s Assystem India Limited, Hyderabad Telangana.
2. I have prepared EIA/EMP report for the proposed Development of Bulk Drug Pharma Park at Village- Saidpur, Koranda, Mehrauni, Tehsil, District -Lalitpur, Uttar Pradesh, M/s Uttar Pradesh State Industrial Development Authority (UPSIDA) with my team.
3. I have personally visited the site of proposal and certify that no construction activity has been undertaken on the project site for the present proposal.
4. I am satisfied with that all the necessary data/information submitted along with EIA/EMP are true and correct.
5. I certify that this project proposal has been uploaded for the first time on Parivash Portal.
6. I certify that there is no mismatch between information/data provided on the online application submitted on Parivash Portal and hard copy which will be submitted after acceptance of application.
7. I state that all the TOR points have been complied and all the issues raised during public hearing have been properly addressed in EIA report.
8. The EIA/EMP report for the Proposal is prepared by my team as per guideline laid down by QCI/NABET.

RESOLUTION AGAINST AGENDA No. 22

The committee discussed the matter and recommended grant of environmental clearance on the proposal as above along with standard environmental clearance conditions prescribed by MoEF&CC, GoI. The committee also stipulated following specific conditions:

1. The KML file presented by the project proponent indicates that a canal passing through the proposed project area, therefore, the project proponent shall submit the NOC from Irrigation Department before issuance of environmental clearance.
2. Under the project, different purposes of area/land has been allotted, separate Environmental Clearance shall be taken for the project/activity having built-up area more than 20,000 sqm and any type of industry/activity covered under the provision of EIA Notification 2006, (as amended).
3. Zone wise industries will be established. Category wise buffer zone between the industries should be maintained as green belt.
4. UPSIDA should ensure that 33% area of the total plot area should be developed as green area with native place while allotting the land to the individual unit. UPSIDA should ensure its compliance.
5. The project proponent shall ensure that the project site does not attract/infringe any buffer zone, wetland zone etc. of no activity identified/declared under law.
6. Project proponent is advised to explore the possibility and getting the cement in a closed container rather through the plastic bag to prevent dust emissions at the time of loading/unloading.
7. Project proponent should ensure that there will be no use of "Single use of Plastic" (SuP).
8. In compliance to Hon'ble Supreme Court order dated 13/01/2020 in IA no. 158128/2019 and 158129/2019 in Writ petition no. 13029/1985 (MC Mehta Vs. GoI and others) anti-smog guns shall be installed to reduce dust during excavation.

9. The project proponent will ensure that there is no mismatch/deviation between the project proposal submitted to SEIAA for environmental clearance and maps/drawings were approved by concerned development authority. In case of any mismatch/deviation, amended environmental clearance will be obtained by project proponent. In case of failure, the granted environmental clearance shall automatically deem to be cancelled.

MoM prepared by Secretariat in consultation with
Chairman & Members on the basis of decisions
taken by SEAC-1 during the meeting.

Annexure-1

General and Specific Conditions for Soil Earth Mining Projects:-

General condition:

1. This environmental clearance does not create or verify any claim of applicant on the proposed site/activity.
2. Any mining activity shall be undertaken only after valid permission from Mining Department/District Administration and written agreement with land owner from where earth excavation is proposed.
3. No change in mining technology and scope of working shall be made without approval of Authority.
4. Personnel working in dusty areas shall be provided with protective respiratory devices and they shall also be imparted adequate training and information on safety and health aspects.
5. The Authority reserves the right to revoke the clearance if conditions stipulated are not implemented. The Authority will also be entitled to impose additional environmental conditions or modify the existing ones, if necessary.
6. In case of any deviation or alteration in the project proposed from those submitted to this Authority for clearance, a fresh reference should be made to the Authority to assess the adequacy of the condition(s) imposed and to add additional environmental protection Measures required, if any.
7. Concealing factual data or submission of false/fabricated data and failure to comply with any of the conditions mentioned above may result in withdrawal of this clearance and attract action under the provisions of Environment (Protection) Act, 1986.

Specific Conditions:

1. The Environmental clearance will be co-terminus with the agreement/mining plan whichever is earlier.
2. Environment management should be in accordance with the present environment status of the project.
3. Approach kaccha road should be made motorable and maintained periodically.
4. Transportation of soil should be undertaken in covered containers.
5. Rehabilitation plan with planting of trees to be submitted along with the closure plan.
6. Land to be leveled and handed over to the owners after completion of excavation work.
7. A valid NOC from State Pollution Control Board shall be obtained for the Brick kiln prior to operation as per law and all guidelines must be followed, if applicable.
8. The mining operations shall be strictly limited to the proposed mining sites and proposed purpose.
9. Top soil should be adequately preserved and should be used for landscaping.
10. Excavated soil should be properly stored in a manner not to increase surrounding air pollution level.
11. Water sprinkling should be exercised during excavation and storage of soil for suppression of fugitive dust.
12. Excavated area should be properly reclaimed and ensured that no open bore hole is left.
13. Safety measures for the people working at the site shall be duly taken care of as per law.
14. The excavation work shall be done in day time only.
15. The project boundary shall be properly covered to restrict dust dispersion.
16. Precautionary measures during soil excavation for conservation and protection of rare and endangered flora and fauna found in the study area.
17. Noise level shall be maintained as per standards for both day and night.
18. The route map for soil transportation from excavation plots to work site should be firmed up and necessary permissions shall be sought from District Administration.
19. Vehicles hired for the transportation should be in good condition and should have Pollution Check Certificate and should conform to applicable air and noise emission standards.

20. Personnel exposure monitoring for respirable mineral dust shall be carried out for the workers and records maintained including health records of the workers. Awareness program for workers on impact of mining on their health and precautionary measures like use of personal protective equipments etc. shall be carried out periodically. First aid facilities and adequate sanitary facility in the form of temporary toilets/septic tanks.
21. Solid waste material viz gutkha rappers, plastic bags, glasses etc. to be generated during project activity will be separately stored in bins and managed as per Solid Waste Management Rules.
22. Project proponent should maintain daily register for information of (a) collection of soil/clay, (b) manpower & (c) transportation purpose.
23. Soil mining shall strictly be undertaken as per rules and regulations/permissions obtained from District Administration/Mining Department.
24. Corporate Environmental Responsibility (CER) shall be prepared by the project proponent and the details of the various heads of expenditure to be submitted as per the guidelines provided in the recent CER notification No. 22-65/2017-IA.III dated 01/05/2018. A copy of resolution as above shall be submitted to the authority along with list of beneficiaries with their mobile nos./address.
25. The borrowing/excavation activity shall be restricted to a maximum depth of 2 m. below general ground level at the site.
26. The borrowing/excavation activity shall be restricted to 2 m. above the ground water table at the site.
27. The borrowing/excavation activity shall not alter the natural drainage pattern of the area.
28. The borrowed/excavated pit shall be restored by the project proponent for useful purpose(s).
29. Appropriate fencing all around the borrowed/excavated pit shall be made to prevent any mishap.
30. Measures shall be taken to prevent dust emission by covering of borrowed/excavated earth during transportation.
31. Safeguards shall be adopted against health risks on account of breeding of vectors in the water bodies created due to borrowing/excavation of earth.
32. Workers/labourers shall be provided with facilities for drinking water and sanitation.
33. A berm shall be left from the boundary of adjoining field having a width equal to at least half the depth of proposed excavation.
34. A minimum distance of 15 m from any civil structure shall be kept from the periphery of any excavation area.
