SEAC Resolution 26/34:

The proposal asking extension of EC for mining of Stone from “Mairapur P.P land Stone Permit Area” under Kamrup East Division proposed by Sri Pradip Boro is placed before the SEAC for appraisal and discussion. Apprised the proposal and verification of the documents is made. Detailed discussion is held on the proposal. After detailed discussion and considering the approved mining plan and recommendation of the concerned DFO, the committee recommended approving the *extension of the EC for 1(one) year to extract balance 7779 cu.m. stone* from the proposed mining site. The proponent shall have to strictly follow all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Kamrup East Division will ensure due surveillance to check occurrences of irregularities during the mining operation. He will also ensure that the mining be permitted in the proposed site only and compliance of the terms and condition contained therein is done by the proponent.

SEIAA Resolution 21/20:

Approved for issuance of EC.

21. **Proposal extension of EC for mining of Stone & Earth from “Maragdola Stone MPA (Tunnel No.3) under Kamrup East Division proposed by Bhartia Infra Projects Ltd. SEIAA.1854/2021, (SIA/AS/MIN/232208/2021)**

SEAC Resolution 26/35:

The proposal asking extension of EC from mining of stone and earth from “Maragdola Stone MPA (Tunnel No.3) under Kamrup East Division proposed by Bhartia Infra Projects Ltd. is placed before the SAC for appraisal and detail discussion. Apprised the proposal and documents including the earlier EC dt. 26-9-2018 and approved mining plan is discussed. It is seen that the mining is required for construction of tunnel on the Railway track which is in progress. Considering all the relevant records and recommendation of the concerned DFO, the committee recommended the extension proposal to *extract 50000 cu. stone and 235000 cu.m earth from the proposed location within two years*. Thus, *annually the proponent is allowed to extract 25000 cu. m stone and 117500 cu. earth* from the mine site strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Kamrup East Division is requested to mount strict surveillance on the mining operation to check occurrences of irregularities during the mining period. He will further ensure that all the terms and condition laid down in the approved mining plan are duly complied by the proponent in course of mining operation.
