Minutes of the 499th Meeting of the State Level Environment Impact Assessment Authority, UP (SEIAA) held on 06.10.2021

The meeting of 499th State Level Environment Impact Assessment Authority, UP (SEIAA) was held on-line on 06.10.2021 at the Directorate of Environment. The following were present in the meeting:-

1. Dr. Rajiv Kumar Garg
2. Shri Paras Nath
3. Shri Ajay Kumar Sharma

- Chairman, SEIAA, U.P
Member, SEIAA, U.P
Member Secretary, SEIAA, U.P

Agenda-A: -Complaints/letters –Nil

Agenda-B: -Replies–Nil

Agenda-C: Minutes of 560th SEAC-1 Meeting Dated 17/08/2021

1. **(11) Sand/Morrum Mining at Arazi No.- 824 Kh, Khand No.-04, Village Agori Khas, Tehsil-Obra, District-Sonbhadra., M/s Sudhakar Pandey and Associates., Area: 12.368 ha File No. 6321 Proposal No. SIA/UP/MIN/ 63643/2021**

SEIAA noted that SEAC has recommended ToR for the above project. SEIAA also noted that SEAC has also commented that the two complaint letters of Shri Vikas Pandey S/o Om Prakash Pandey; Dakshin Gautam Nagar, Fatehpur, UP and of Shri Sanjay Tiwari S/o Dwarika Tiwari; Village-Barisavan, Barsaun, Bhojpur, Bihar respectively have been received. Hence SEIAA opined to refer the complaints to DM, Sonbhadra for comments.

Agenda-C: Minutes of 563rd SEAC-1 Meeting Dated 25/08/2021

1. **Stone Mining at Gata No.-1619, Khand No.-03, Village- Rauni, Tehsil Mauranipur, Jhansi, U.P., Shri Pawan Kumar Seth., area-1.618 ha. File No. 6095 Proposal No. SIA/UP/MIN/ 189715/2020**

SEIAA noted that SEAC has recommended to grant EC to the above project. SEIAA gone through file, documents and Letter No-214/30M.M.C./2020-21 dated 09/06/2021 regarding amendment in DSR. SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC adding following specific condition as follows:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.

3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
 4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
 5. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
 6. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
 7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
 8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
2. Stone Mining at Gata No.-562, at Village-Dadhira, Tehsil-Sadar, District Mahoba, U.P., Smt. Shivkumari Devi, Area -0.8090 ha File No 6183 Proposal No.SIA/UP/MIN/197353/2021

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC but the SEIAA replaces the specific condition regarding cluster certificate as "If in future during the progressive mining this lease area becomes part of cluster i.e. area equal to or more than 5 ha., limited to B-1 category, then additional conditions based on the EIA conducted by the concerned lease holders shall be imposed and joint EMP shall be implemented. The lease holder shall mandatorily follow all the imposed conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per the law shall be initiated against the authority issuing the cluster certificate". And adding following conditions:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
2. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.

3. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
4. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
5. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
6. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
7. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 1,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.

3. Sand Stone Mine at Gata No./Araji No.- 997 mi, Village- Sindhora, Tehsil Sadar, Mirzapur, U.P., M/s Bol Bam Ent Bhatta, Area-0.809 ha.File No. 5079 Proposal No SIA/UP/MIN/43261/2019

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC but the SEIAA replaces the specific condition regarding cluster certificate as "If in future during the progressive mining this lease area becomes part of cluster i.e. area equal to or more than 5 ha., limited to B-1 category, then additional conditions based on the EIA conducted by the concerned-lease holders shall be imposed and joint EMP shall be implemented. The lease holder shall mandatorily follow all the imposed conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per the law shall be initiated against the authority issuing the cluster certificate". And adding following conditions:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
2. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
3. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.

Sw AP delk 21.5.21

4. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
 5. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
 6. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
 7. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 1,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
 8. Project Proponent / Consultant has given an affidavit that the project area doesn't fall within the boundary of Critically Polluted Area (CPA). If the affidavit given by PP / Consultant is found to be false then EC will be cancelled and legal actions will be initiated against them. Further, mining should not commence without obtaining certificate from concerned RO, UPSPCB that area doesn't attract CPA and a copy of the same should be submitted to SEIAA.
4. Stone & Red Morrum Mining at Gata No.-585, Khand No.-01, Village Bhandra, Tehsil- Mauranipur, District Jhansi, U.P. Area-2.0 ha., File No. 5904 Proposal No. SIA/UP/MIN/176811/2020
- SEIAA agreed with the recommendation of SEAC that the matter shall be discussed after submission of online information on prescribed portal.
5. Stone Mining at Gata No./Araji No.-02, Village-Sariya, Tehsil- Chunar, District- Mirzapur., Shri Abhay Kumar Singh., Area -0.809 ha File No. 5033 Proposal No. SIA/UP/MIN/42353/2019
- SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC adding following specific condition as follows:-
1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
 2. Directions/suggestions given during public hearing and commitment made by the project proponent should be strictly complied.
 3. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
 4. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining

activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.

5. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
6. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
7. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
8. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 1,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
9. Project Proponent / Consultant has given an affidavit that the project area doesn't fall within the boundary of Critically Polluted Area (CPA). If the affidavit given by PP / Consultant is found to be false then EC will be cancelled and legal actions will be initiated against them. Further, mining should not commence without obtaining certificate from concerned RO, UPSPCB that area doesn't attract CPA and a copy of the same should be submitted to SEIAA.

6. Soil Mine at Khasra/Gata No.-356, 357, 358 & 359, Village- Hadha, Tehsil & District- Unnao, U.P., Shri Akshat Singh, Area-1.2335 Ha File No. 6356 Proposal No. SIA/UP/MIN/215451/2021

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC but the SEIAA replaces the specific condition regarding cluster certificate as "If in future during the progressive mining this lease area becomes part of cluster i.e. area equal to or more than 5 ha., limited to B-1 category, then additional conditions based on the EIA conducted by the concerned lease holders shall be imposed and joint EMP shall be implemented. The lease holder shall mandatorily follow all the imposed conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per the law shall be initiated against the authority issuing the cluster certificate". And adding following conditions:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
2. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.

21.3.21

3. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
4. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
5. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.

Though EC has been approved but EC to be issued only after Project Proponent has submitted either notarized true legible copy or original copy of the agreement between the PP and title holder of the land.

7. Soil Mining at Gata No.-435, 449, 455, Village-Faridnagar, Tehsil-Thakur Dwara, Moradabad., Shri Sameer Khan, Area-1.518 Ha File No. 6357 Proposal No. SIA/UP/MIN/215403/2021

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC but the SEIAA replaces the specific condition regarding cluster certificate as "If in future during the progressive mining this lease area becomes part of cluster i.e. area equal to or more than 5 ha., limited to B-1 category, then additional conditions based on the EIA conducted by the concerned lease holders shall be imposed and joint EMP shall be implemented. The lease holder shall mandatorily follow all the imposed conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per the law shall be initiated against the authority issuing the cluster certificate". And adding following conditions:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
2. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
3. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
4. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
5. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either

on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.

Though EC has been approved but EC to be issued only after Project Proponent has submitted either notarized true legible copy or original copy of the agreement between the PP and title holder of the land.

8. Stone Mining at Gata No.-41 & 42, Khand No.-03, Village-BaruwaSyodha, TehsilNaraini, Banda. ShriNarendra Kumar Singh, Area-2.0 ha.,File No. 6360 Proposal No. SIA/UP/MIN/63931/2021

SEIAA agreed with the recommendation of the SEAC to issue the additional ToR to the title proposal for conducting EIA studies. SEIAA also added following points to ToR-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.

Sw

AR

deek

21/3/21

- 11- In case of expansion / renewal of earlier EC, following information should be submitted
- a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
9. Stone Mine at Araj No./Plot No.- 642, 644, at Village- Sikikalan, Tehsil- Meja, Prayagraj. Shri Alok Tiwari, Area-4.084 ha., File No. 6361 Proposal No. SIA/UP/MIN/ 63975/2021
- SEIAA noted that SEAC has recommended to issue ToR. SEIAA gone through file and documents and found that application is made for araji no. 642 and 644 of Area- 4.084 ha whereas in DSR araji no. 642 and 644 Mi of area 9 ha is mentioned. Hence SEIAA opined that the project proponent shall submit the clarification, duly issued by competent authority, in this regard.
- A reference should also be sent to concerned SEAC, that before evaluating mining projects it should be ensured that project is clearly identifiable in the DSR to concerned district. If not so, then letter issued by authority competent to approve DSR should be sought before evaluating such projects.
10. Stone Mine at Gata No.-142, at Village- Naigawan, Tehsil-Sadar, Mahoba., M/s Amar Singh & Man Singh Pahadi Pattedharak ., Area-1.485 ha., File No. 6363 Proposal No. SIA/UP/MIN /212127/2021

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC but the SEIAA replaces the specific condition regarding cluster certificate as "If in future during the progressive mining this lease area becomes part of cluster i.e. area equal to or more than 5 ha., limited to B-1 category, then additional conditions based on the EIA conducted by the concerned lease holders shall be imposed and joint EMP shall be implemented. The lease holder shall mandatorily follow all the imposed conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per the law shall be initiated against the authority issuing the cluster certificate". And adding following conditions:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.

SV

A

hills

21.5.21

2. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
3. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
4. Three tier green shelter belt of 7.5m width should be developed on the periphery of mine lease area. Local and native species should be planted in consultation with Forest/Horticulture Department/Agriculture University.
5. Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
6. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.
7. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.

With the permission of Chairman:-

- 1- Stone Crusher at Khasra No.-54 & 254, Village- BarthaKorsi, Paragana-Faizabad, Tehsil-Behat, Saharanpur., M/s Sanjay Construction. File No. 5838

SEIAA noted that the above project was taken in its meeting dated 26.08.2021 in which SEIAA opined that a request shall be send to MoEF&CC to issue an OM regarding Hon'ble National Green Tribunal, New Delhi order dated 19/07/2017 in the matter of OA No. 479/2016 (MA No. 902/2016) to include stone crusher in the schedule of EIA notification 2006 (as amended) so that applications can be processed online. A letter has been send but no reply has been received yet. Hence SEIAA opined to agree with the recommendation of SEAC dated 08.07.2021 to remove the "Khand No. 51/1 & 51/2.

Rest all the contents mentioned in environmental clearance letter no. 780/Parya/SEIAA/5838/2020 dated 02/03/2021 shall remain the same.

- 2- Stone Crusher at Khasra No.-57/1 & 51/2, Village-Said Mohammadpur, Paragana-Faizabad, Tehsil-Behat, Saharanpur., M/s Neelkanth Stone. File No. 5839

SEIAA noted that the above project was taken in its meeting dated 26.08.2021 in which SEIAA opined that a request shall be send to MoEF&CC to issue an OM regarding Hon'ble National Green Tribunal, New Delhi order dated 19/07/2017 in the matter of OA No. 479/2016 (MA No. 902/2016) to include stone crusher in the schedule of EIA notification 2006 (as amended) so that applications can be processed online. Minutes of the 499th Meeting of the SEIAA, UP held on 06.10.2021

no reply has been received yet. Hence SEIAA opined to agree with the recommendation of SEAC dated 08.07.2021 to amend the environmental clearance letter dated 02/03/2021 as per details given below:

1. Details of proposed amendment in environmental clearance letter dated 02/03/2021:

S.N	Item	Details
1.	File No.	5839
2.	Name of the project	Stone Crusher Unit of M/s Neelkanth Stone Products located at Khand No. 51/1 & 51/2, Village- Said Mohammadpur, Pargana- Faizabad, Tehsil- Behat, District- Saharanpur (U.P.)
3.	Name of the applicant and registered address	Shri Anil Kumar S/o Shri Gyan Chand R/o 165, Khizarabad East, Yamuna Nagar, Haryana-135021
4.	Sl. No. in the schedule	Not covered in the schedule of EIA Notification 2006 (as amended)
5.	Category of Project i.e. 'A' or 'B'	Not applicable as it is not in the schedule of EIA Notification 2006 (as amended)
6.	Proposed capacity	Storage capacity- 1,00,000 MT on 03.12.2018. Production capacity: Boulder- 240 MT/day, Core Sand- 30 MT/day, Bajri- 30 MT/day, River Stone & Riverbed Material- 300 MT/day
8.	Area of the Crusher Plant	17,560 m ² /4.34acres/ 1.75 ha
9.	Geographical location of the crusher unit	Latitude - 30°15'7.60"N Longitude - 77°32'27.00"E
10.	Nearest Railway station/airport	Kalanour Railway Station- 27 Km*(SW) Sarsawa Airport- 31 Km*(SW)
11.	Highways	SH6A – 5.5 km*(E) NH73A – 5.5 km*(NW)
12.	Interstate boundary	Uttar Pradesh-Haryana: 1.2 km* (W)
13.	Water body	Yamuna River flowing at 1.2 km* (W)

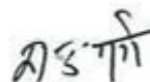

Rest all the contents mentioned in environmental clearance letter no. 781/Parya/SEIAA/ 5839/2020 dated 02/03/2021 shall remain the same.
