Letter No. 470/SEIAA

Dated- / September, 2020

Minutes of the 29th Meeting of SEIAA held on 14th & 15th September, 2020

The meeting was chaired by the Chairman, State Level Environment Impact Assessment Authority, Uttarakhand (SEIAA) Dr S.S. Negi and was attended by following:

- (i) Shri Sushanta Kumar Pattnaik, Member Secretary, SEIAA Uttarakhand.
- (ii) Shri Shailendra Singh Bist, Member, SEIAA Uttarakhand.

The meeting started with welcome note by the Chairman. The Member Secretary informed that total 11 proposals (B1 & B2) are under consideration for grant of EC. In the miscellaneous agenda item, there are 9 proposals under consideration for EC. These proposals are those which had been deferred earlier by the Authority for want of additional documents/clarification.

Following agenda items were discussed and decisions taken: -

 Envrionmental Clearance for Extraction of Soapstone by Shri Rajendra Prakash Upadhayay S/o Shri Prem Vallabh Upadhayay (R/o- Kholiyagaon) H.No-27, Jawaladevi, Ward No-7, Post, Tehsil & Dist.- Bageshwar at , Village - Kholiyagaon, Tehsil & Dist.-Bageshwar. (Area- 13.167 Ha.).

The Authority asked the PP to submit Original Ecological Sensitivity Certificate of 10 km radial distance from National Park/Sanctuary, to revisit the project cost, revised EMP including planting of 15,000 plants, details of planting site, details of backfilling including time bound plan and measures for protection of river bed/local water bodies and details of CER. The PP shall clarify regarding use of Govt waste land as part of mining site and whether Dolomite extracted (alongside Soapstone Excavation) from top soil would be used for backfilling or commercial use. The PP shall also resubmit original copy of cluster certificate, legible copy of LoI, concerned DFO certificate regarding local flora & fauna and conservation of Scheduled species/animal corridor as mentioned in the Conservation Plan. The proposal will be considered once these details are received.

2) Envrionmental Clearance for Extraction of Soapstone by M/s Golcha Minerals Pvt Ltd, Swire 40-B, Sardar Patel Marg, C-Scheme, District-Jaipur, State Rajasthan, at Village: Pranmati, Tehsil: Ghat, District: Chamoli. (Area-11.183 Ha.)

The Authority asked the PP to submit Original Ecological Sensitivity Certificate of 10 km radial distance from National Park/Sanctuary, to revisit the project cost, revised EMP including planting of 15,000 plants, details of planting site, details of backfilling including time bound plan and measures for protection of river bed/local water bodies and details of CER. The PP shall clarify regarding use of Govt waste land as part of mining site and whether Dolomite extracted (alongside Soapstone Excavation) from top soil would be used for backfilling or commercial use. The PP shall also resubmit original copy of cluster certificate, legible copy of Lol, concerned DFO certificate regarding local flora & fauna and conservation of Scheduled species/animal corridor as mentioned in the Conservation Plan. The proposal will be considered once these details are received.

And

3) Envrionmental Clearance for Extraction of Soapstone by Shri Ramesh Chandra Singh Gariya S/o Shri Padam Singh R/o- Gadera, Tehsil- Kapkot, Dist.- Bageshwar, at Village – Nayal Biladi (Nayal Dhapola), Tehsil & District- Bageshwar. (Area- 15.155 Ha.)

The Authority asked the PP to submit Original Ecological Sensitivity Certificate of 10 km radial distance from National Park/Sanctuary, to revisit the project cost, revised EMP including planting of 16,000 plants, details of planting site, details of backfilling including time bound plan and measures for protection of river bed/local water bodies and details of CER. The PP shall clarify regarding use of Govt waste land as part of mining site and whether Dolomite extracted (alongside Soapstone Excavation) from top soil would be used for backfilling or commercial use. The PP shall also resubmit original copy of cluster certificate, legible copy of Lol, concerned DFO certificate regarding local flora & fauna and conservation of Scheduled species/animal corridor as mentioned in the Conservation Plan. The proposal will be considered once these details are received.

4) Environmental Clearance for Installation of proposed manufacturing unit of Paper Chemical at Plot No. 7G, Sector 9, Khasra No. 210, IIE, SIDCUL, Phoolbagh, Rudrapur, Pantnagar, Dist- U.S. Nagar., By M/s IVAX Paper Chemicals Limited.

The Authority agreed with the recommendations of SEAC subject to submission of additional documents Fire NOC and Ground water extraction permission from CGWA. It decided to grant the Environment Clearance with the terms and conditions recommended by SEAC.

5) Environmental Clearance for Existing Two Wheeler Motor Vehicle Service Center established at Unit-41 Tilak Road near Nagar Palika, Rishikesh, Dist- Dehradun., By M/s Jai Sai Motors.

The Authority agreed with the recommendations of SEAC subject to submission of additional documents Fire NOC and Ground water extraction permission from CGWA. It decided to grant the Environment Clearance with the terms and conditions recommended by SEAC.

6) Environment Clearance for change in location and increase in production of the existing unit along with painting facility for assembling of Bicycles, Tricycles and Health Equipment's by M/s Ampa Cycles Pvt. Ltd. at Khata No. 735, Khasra no. 103Kha, 105, 80Gha, Chharba, Industrial Area (Langha Road) Tehsil Vikas Nagar, District Dehradun, Uttarakhand.

The Authority agreed with the recommendations of SEAC subject to submission of additional documents Fire NOC and Ground water extraction permission from CGWA. It decided to grant the Environment Clearance with the terms and conditions recommended by SEAC.

7) Envrionmental Clearance for Extraction of Sand, bajri, boulder by Shri Kawaljeet Singh, at , Village-Katkharra Teh-Kichcha Dist-U.S. Nagar. (Area- 5.0 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. However EC will be issued after list of villages where planting is to be done is provided, undertaking to increase the cost of EMP to rupees 10 lakhs (capital cost) is submitted and original copy of cluster certificate and Ecological sensitivity certificate regarding 10 KM radial distance from any protected area is submitted

8) Environmental Clearance for Extraction of Soapstone by Smt Asha Garia S/o Shri Anil Garia R/o- 48, Asdal Compound. Sukha Tal, Mallital, Dist.- Nainital, at, Village- Kurauli - Totigarh, Tehsil – Dug - Nakuri, Dist-Bageshwar. (Area- 4.196 Ha.).

The authority asked the PP to submit Original Ecological Sensitivity Certificate of 10 km radial distance from National Park/Sanctuary, to revisit the project cost, revised EMP including planting of 4500 plants, details of planting site, details of backfilling including time bound plan and measures for protection of river bed/local water bodies and details

My

of CER. The PP shall clarify regarding use of Govt waste land as part of mining site and whether Dolomite extracted (alongside Soapstone Excavation) from top soil would be used for backfilling or commercial use. The PP shall also resubmit original copy of cluster certificate, legible copy of LoI, concerned DFO certificate regarding local flora & fauna and conservation of Scheduled species/animal corridor as mentioned in the Conservation Plan. The proposal will be considered once these details are received.

 Envrionmental Clearance for Extraction of Soapstone by Shri Mohan Singh Rawat R/o-Village, Ghuni, Tehsil Ghat, Dist- Chamoli., at, Village - Ghuni, Tehsil - Ghat, Dist-Chamoli. (Area- 4.498 Ha.).

The authority asked the PP to submit Original Ecological Sensitivity Certificate of 10 km radial distance from National Park/Sanctuary, to revisit the project cost, revised EMP including planting of 5000 plants, details of planting site, details of backfilling including time bound plan and measures for protection of river bed/local water bodies and details of CER. The PP shall clarify regarding use of Govt waste land as part of mining site and whether Dolomite extracted (alongside Soapstone Excavation) from top soil would be used for backfilling or commercial use. The PP shall also resubmit original copy of cluster certificate, legible copy of Lol, concerned DFO certificate regarding local flora & fauna and conservation of Scheduled species/animal corridor as mentioned in the Conservation Plan. The proposal will be considered once these details are received.

10) Environmental Clearance for Manufacturing of Pharmaceutical Formulations at Khasra No. 1/19 Mauza Central Hopetown, Pargana Pachwa Doon, District - Dehradun., By M/s Ikon Pharmachem Pvt. Ltd.

The Authority asked the PP to submit MoU with TSDF, Muck Disposal Plan, details of storage of raw materials, details of green belt development and its maintanence. It also asked the PP to submit Fire NOC and Ground water extraction permission from CGWA. The matter will be taken up in next meeting.

11) Envrionmental Clearance for Extraction of Sand, bajri, boulder by Shri. Puneet Kumar Goyal S/o Shri Govind Kumar, R/o- Ward-3, Sitarganj, Distt- Udham Singh Nagar, at, Village-Sadhunagar, Sitarganj, Dist- U.S. Nagar. (Area- 3.024 Ha.

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. However EC will be issued after list of villages where planting is to be done is provided, undertaking to increase the cost of EMP to rupees 5 lakhs (capital cost) is submitted and original copy of cluster certificate, land ownership document and Ecological sensitivity certificate regarding 10 KM radial distance from any protected area is submitted.

- 12) The following miscellaneous cases were discussed for grant of EC:
 - (i) Environmental Clearance of proposal to establish a workshop/service centre, Paint Booth along with Powder Coating of four wheeler vechicles at Mothorowala, Cantonment Board, Dehradun by M/s Dehradun Premier Motors Pvt. Ltd.

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. However EC will be issued after submission of the copy of approved Map/Lay out plan from Cantonment Board.

(ii) Environmental Clearance for Lead Acid Battery Manufacturing Unit at Plot No. – 04, Sector – 12, IIE, SIDCUL, Hardwar by M/s Luminous Power Technologies Pvt. Ltd.

The Authority discussed the matter and agreed with the facts of SEAC and observed that the above projects category is not listed in any schedule of EIA Notification, 2006. Therefore the above project does not require Environmental Clearance.

(iii) Environmental Clearance for Manufacturing of Custom Organic Molecules for Research and Development at Plot No. 13, Sector-3A, SIDCUL, IIE, Haridwar, By M/s POI India Biotech Pvt. Ltd.

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it.

(iv) Environmental Clearance for Affordable Dhaulas Housing Project by M/s Mussoorie Dehradun Development Authority at Village – Dhaulas, Tehsil – Vikasnagar, Dehradun.

The Authority observed that the project site is 8.5 KM away from Binog Wildlife Sanctuary Mussoorie. Hence the PP should obtain the approval from National Board of Wildlife (NBWL).

(v) Environmental Clearance for Extraction of Sand, bajri, boulder by M/s Uttarakhand Forest Development Corporation (UKFDC), Aranya Vikas Bhawan, 73, Nehru Road, Dehradun at Village- Abdultapur & Rampur, Tehsil Vikasnagar District- Dehradun. (Area- 23.75 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it. The overall manpower will be restricted to 100. The green belt development plan and other details submitted vide letter No 209 dated 28.06.2020 will be part of the EC conditions.

(vi) Envrionmental Clearance for Extraction of Sand, bajri, boulder by M/s Satluj Jal Vidhyut Nigam Limited (SJVNL), VPO - Mori, Tehsil -Mori, District - Uttarkashi. at, Sandra Rage, Binol Beet, Compartment No- 15 & 16, VPO - Mori, Tehsil -Mori, District - Uttarkashi. (Area- 4.0 Ha.)

The Authority agreed with the recommendations of SEAC and decided to grant the Environment Clearance with the terms and conditions recommended by it.

(vii) Environmental Clearance for extension of Installation of Hot Mix Plant at Khasra No. 231, 232 and 233 in Mauza Attak Farm, Pargana-Pachhwadoon, Tehsil-Vikasnagar, District-Dehradun by M/s Himalayan Construction at 250, Sarthi Vihar, Dehradun.

It was observed that the Authority deliberated upon the application of E.C. No. 05-9(15)/2018 Dated 11th January, 2019 for Proposed Installation of Hot Mix Plant at Khasra No. 231, 232 and 233 in Mauza Attak Farm, Pargana-Pachhwadoon, Tehsil-Vikasnagar, District-Dehradun by M/s Himalayan Construction at 250, Sarthi Vihar, Dehradun. The P.P has requested vide letter dated 17-08-2020 for extention of validity of Environment Clearance. The area falls under Doon Valley Notified region and this activity is placed in Orange category requiring EC. The Authority agreed to extend the five years validity of Environment Clearance as per EIA Notification, 2006. With effect from 14th September, 2020. EC will be issued after submission of copy of CTO certificate from SPCB.

(viii) Amendment in the Existing Environmental Clearance granted by DEIAA, Haridwar for Picking of sand bajri and boulder and further construction of Pond at Khasra No. 263/0.3740, 130/0.2060 with (total lease area 0.5790 ha). Village-Nehandpur, Tehsil-Laksar, District-Haridwar.

The Authority deliberated upon the application and observed that the District Environment Impact Assessment Authority (DEIAA), Haridwar has granted Environment Clearance to Shri. Satendra S/o Shri Rishipal Singh, R/o Village-Bharuwala, Pargana Gordhanpur, Tehsil-Laksar, District-Haridwar Vide letter No. 690/Khanan-2017-18 Dated-27-07-2017 for picking of sand bajri and boulder and further construction of Pond at Khasra No. 263/0.3740, 130/0.2060 with (total lease area 0.5790 ha). Village-Nehandpur, Tehsil-Laksar, District-Haridwar. The authority

discussed the matter and agreed for amendment of the EC for method of mining as prescribed in the approved mining plan.

(ix) Amendment in the Existing Environmental Clearance granted by DEIAA, Haridwar, to M/s Tatsat Hareram Enterprises, Bhikkampur Jeetpur, Tehsil Laksar, Haridwar, for Extraction/Collection Minor mineral i.e., sand bajri and boulder from Ban Ganga for widening and Reconciliation of NH-72A (Mine area-1.112 hectare) at Village-Musahibpur Majri, Tehsil-Laksar, District-Haridwar.

The Authority deliberated upon the application and observed that District Environment Impact Assessment Authority (DEIAA), Haridwar has granted Environment Clearance to M/s Tatsat Hareram Enterprises, Bhikkampur Jeetpur, Tehsil Laksar, Haridwar, for Extraction/Collection Minor mineral i.e., sand bajri and boulder from Ban Ganga for widening and Reconciliation of NH-72A (Mine area-1.112 hectare) at Village-Musahibpur Majri, Tehsil-Laksar, District-Haridwar., Vide letter No. 1035/Khanan Sah/2018 Dated-28-08-2018. The authority discussed the matter and agreed for extension of validity of EC for a period of one year with effect from 27.05.2020. The Authority Also recommended for method of mining as prescribed in the approved mining plan.

13) The following Miscellaneous cases were discussed and deliberated upon regarding the compliance of cases granted EC by this Authority earlier -

S.No	Name of the Project Proponent	E.C letter	Category	Period of Compliance status	Observations/Addition al informations to be obtained
1	Proposed Installation of Green Insulated DG Set and Establishm ent of Food Cooking facility (Mid-Day Meal) at Khasra No – 801 Sudhowala , Vikasnagar , Dist - Dehradun. By M/s Akshaya Patra Foundation, Sudhowla, Teh- Vikasnagar, Dist- Dehradun.	EC.No-38- 09- (25)/2019 Dated- 09.07.2019	Industrial	July 2019 to 31 December, 2019	 Copy of advertisement not attached with your compliance report. Photographs of rain water harvesting system, ETP, DG Set and height of stack. Copy of letter of Nagar Palika parishad not attached with your compliance report. Details of compliance of Corporate Environment Responsibility (CER). Copy of NOC regarding Fire safety. Details of Hazardous Chemicals used and their handling. Photographs of the top soil. Photographs of the waste water treatment plant. What is the process of prevented gaseous emission

				·	and particular matter from kitchen. Photographs of labour gave with PPE kitchen. Photographs of No of toilets. Contact details of person in charge of Environment Management Cell. Photographs of green belt and names of the species planted.
2	Proposed Installation of Green insulated DG Set and Enhancem ent of Man Power for manufactur ing of Shoes in existing Complex. By M/s Shutec, Khasra No. 205 Old Khasra No. 1, Dhalwala Industrial Area, Tehsil-Narendra Nagar, District-Tehri Garhwal.	EC.No-56- 07-(8)/2019 Dated- 9.10.2019	Industrial	Not mentioned	 Photographs of rain water harvesting system, ETP, DG Set height of stack. Copy of NOC regarding Fire safety Details of implementation of Corporate Environment Responsibility (CER) Details of Hazardous Chemicals used and their handling. Report of Ambient Air Quality, Noise be obtained. Details of measures implemented. Photographs of RO and drinking water. Contact details of person in charge of Environment Management Cell. Photographs and Details of pits. Copy of the aggreement number and name of the species to be planted.

And

3	Modernizat	EC.No-2-	Industrial	Sept. 2019	•	Photographs of
	ion of mash Poultry Feed to Palletizatio n and Installation of Wood Fired Boiler of 750 Kg per hour capacity and DG set By M/s Venkeys India Ltd.	9(18)/2018 Dated- 11.01.2019		ending		rain water harvesting system, ETP, DG Set height of stack. Details of implementation of Corporate Environment Responsibility (CER) Details of Hazardous Chemicals used and their handling. Time frame and testing of ground water samples. Time frame completion. Photographs of dust extactor. Details of sanitation facility and drinking water. Photographs of green belt area. What about fuel to work force. Report should be proposed while maintaining a space between conditions and reply or given in a table. What about the ash generated from boiler which is 32 kg/day how will it be disposed off.
4	Amendmen t in existing Environme ntal Clearance for Proposed bulk drug and intermediat es manufactur ing plant at plot 14-15- 16, and 55- 56-57 sector -5 IIE Pant Nagar	EC.No-46- 05- (04)/2019 Dated- 26.09.2019	Industrial	November, 2019 to April, 2020	•	The six monthly progress report has not been submitted in detail only 4 points have been covered. Nearly a year has passed and the implentations of conditions has not yet been initiated. Have the consent has been obtained by there.

5	Rudrapur, US Nagar. By M/s Naari Pharma Pvt. Ltd, Pantnagar, Rudrapur, U.S.Nagar. Picking of sand, bajri and boulders in Devta range, Bhasla Compartm ent Nos. 1,2 & 3, Village - Bhasla, Tehsil- Mori, Dist- Uttarakashi By M/s Satluj Jal Vidhyut Nigam Limited (SJVNL), VPO- Mori,	EC.No-47- 01- (73)/2018 Dated- 26.09.2019	R.B.M.	Period of Ending March, 2020	Photographs of preparation of Plantation to be obtained. Copy of advertisement Details of implementation of Corporate Environment Responsibility (CER) Be obtained. Copy of CTE/CTO still not obtained.
	Tehsil- Mori, Dist- Uttarakashi				
6	Environme ntal Clearance for proposed Installation of DG set and enhancem ent of Manpower along with painting facility at, DDPM Tower, Haridwar By Pass Road, Ajabpur Khurd, Dehradun. By M/s Patricia Holdings Pvt. Ltd, DDPM	EC.No-49- 09- (13)/2018 Dated- 9.10.2019	Industrial	July to December, 2019	 Photographs of Rain harvesting system, DG set stack of height, green belt area Copy of Fire NOC Details of implementation of Corporate Environment Responsibility (CER) Be obtained. Details of Hazardous Chemicals used and their handling. Copy of CTE/CTO still not obtained. It seems that the PP has not both and to implement the conditions stipulated in the E.C. Process of treatment of waste water.

	Tower, Haridwar By Pass Road, Ajabpur Khurd, Dehradun.				•	Report of Ambient Air Quality, Noise be obtained. Provide the details of Raw materials. Details of plantation species.
7	Proposed Installation of DG Set & Enhancem ent of Manpower in existing Assemblin g Unit of Roof Mounted Air Conditioner , Electric Panel, Heat Convectors and Water Cooler for Railways at F-89 Village-Selaqui, Tehsil-Vikas Nagar, Dist-Dehradun. By M/s Intec Corporatio n F-89, Selaqui Industrial Area, Dehradun.	EC.No-52- 09- (33)/2019 Dated- 9.10.2019	Industrial	Not mentioned		Details of implementation of Corporate Environment Responsibility (CER) Be obtained. Photographs of Rain harvesting system, DG set, green belt area. Details of Hazardous Chemicals used and their handling. Copy of CTE/CTO still not obtained. Details of utilisation of waste water. Contact details of person in charge of Environment Management Cell. Photographs and name of the plant species planted with year. Details and name of villages/toilets.
8	Installation of DG set and enhancem ent of manpower along with painting facility for car service and repairing Center in the existing area at,	EC.No-86- 09- (39)/2019 Dated- 6.12.2019	Industrial	Not mentioned	•	Photographs of Rain harvesting system, DG set height of stack, green belt area Copy of Fire NOC. Details of implementation of Corporate Environment Responsibility (CER) Be obtained. Details of Hazardous

15) The Member Secretary informed Authority that due to acute shortage of manpower in this office, the regular examination of records, documents, compliance reports by technically competent person is not being done effectively. It is also required that competent person in the office should prepare notes and case study for SEIAA and SEAC for consideration during appraisal process of various proposals received for EC. The Authority was also appraised about the ongoing NGT cases and monitoring being done by Regional Office MoEFCC, Govt of India from time to time. The Authority deliberated and agreed to engage Qualified Competent Person3 as Coordinator for SEIAA and SEAC till the Staff structure of this Authority is approved by the State Govt or coterminus with the tenure of this Authority whichever is earlier.

The meeting ended with thanks by Chairman, SEIAA.

(Dr. S.S. Negi) Chairman, SEIA

(Sushanta Kumar Pattnaik) Member Secretary, SEIAA, Uttarakhand
