**CONSIDERATION OF COUNTRY LIQUOR PROPOSALS:**

The committee verified the documents furnished along with checklist of 22 nos. of country liquor proposals. The case-wise proceedings and observations of the committee are detailed in Table as per **Annexure - I**. The recommendations of the committee are as follows:

No. of proposal	Recommendation of the committee
06	The committee considered the proposals as B2 category as these units are generating waste water less than 100 KLD and recommended for Environmental Clearance.
14	The Committee decided to take decision on the proposal after receipt of documents / clarification from the proponent.
02	The SEAC decided to defer the proposal to next meeting as it requires detailed analysis of documents due to higher capacity.
