Agenda Item 1.

Actions on the recommendations of 49<sup>th</sup> Meeting of SEAC held on 19<sup>th</sup> November, 2022.

1. **Proposal of EC for mining of Stone from “Beldenga Stone Mahal” at Modartoli village in Hojai District under Nagaon Forest Division proposed by Sri Bishnuram Bordoloi. (SEIAA.1785/2021,(SIA/AS/MIN/ 245934/2021).**

SEAC Resolution 49/2:

The project proposal asking EC for mining of stone from “Beldenga Stone Mahal” at Modartoli village in Hojai District under Nagaon Forest Division proposed by Sri Bishnuram Bordoloi is placed before the SEAC for appraisal, review and deliberation. Area of project is 5.0 hect and falls within Doboka Reserved Forest under Nagaon Forest Division. The proposal was placed earlier in the 34<sup>th</sup> SEAC meeting and subsequently in 42 SEAC meeting and detailed deliberation held. Replies submitted on both EDS and ADS were discussed thoroughly. The Mining Plan approved by the DGM, Assam dated 8<sup>th</sup> Dec 2021 and report of the concerned DFO dated 25<sup>th</sup> Oct. 2021 have been discussed. The DFO, Nagaon Forest Division reported that since past few years no movement of wild elephant is reported over the area vide letter No. FNGT/B/74 (Part)/Beldnga Stone Mahal/2022/7923 dated 1<sup>st</sup> Nov. 2022. The report of the DFO is deliberated in the meeting. *The committee after thorough deliberation recommended the project proposal approving to extract 250000 cu.m stone from the proposed mine site within a period of 5 (Five) years subject to the condition that (a) the proponent shall have to pass the information immediately to the concerned Range Officer /DFO, Nagaon if movement of wild elephant is noticed over the area of Doboka RF (Part). (b) The proponent will temporarily suspend mining operation till the elephant moves back from the locality and (c) on receipt of such information of presence of elephant the concerned DFO shall have to take immediate measures in preventing harm to both the wild elephant as well as workers engaged in the mining site. The proponent is permitted to extract 50000 cu.m stone (rock) from the proposed mine site annually strictly following all other terms and condition laid down in the approved mining plan. Further, Forest Clearance Certificate from the competent Authority shall have to be furnished by the proponent before actual mining operation as the proposed site falls within the limit of Doboka Reserved Forest.*

The Divisional Forest Officer, Nagaon Forest Division is requested to ensure necessary surveillance to avoid occurrences of irregularities during the mining operation. The DFO is also requested to ensure to mark the approved mining site on the ground fixing required pillars before allowing actual mining operation as mining is allowed within the approved mining site and not beyond the limit of the same. The DFO is also requested to ensure compliance by the proponent of all the terms and condition laid down in the EC. Last but not the least; the DFO will take immediate requisite measures to avoid man animal conflict on receipt of information, if any relating to movement of elephant on the said part of the Reserved Forest.

8. **Proposal of EC for mining of Sand & Gravel from “Sand & Gravel Mahal at Basugaon Champa Bridge to Bhutiapara Area under Chirang Forest Division, Kajalgaon proposed by Sri Jayanta Brahma. SEIAA. 3185/2022, (SIA/AS/MIN/ 405111/2022).**

SEAC Resolution 49/9:

The project proposal asking EC for mining of sand & gravel from “**Sand & Gravel Mahal at Basugaon Champa Bridge to Bhutiapara Area**” under Chirang Forest Division, Kajalgaon proposed by **Sri Jayanta Brahma** is placed before the SEAC for scrutiny, appraisal and discussion. Scrutinized the proposal along with documents furnished thereon. Area of the project is 3.65 hect. It is seen that the mining plan approved by the DGM, Assam dated 23<sup>rd</sup> Sept 2022 estimated larger quantity of minable materials whereas recommended comparatively less quantity for extraction. Recommendation of the concerned DFO is discussed. Contract period is mentioned seven years and mining plan recommended for five years for such low quantity of minable materials. Thorough deliberation is held on the above issues. Considering the above and after due discussion the committee **recommended** the proposal approving to extract **11400 cu.m sand and gravel for two years from the proposed mining site. The proponent is allowed to extract 3700 cu.m sand and 2000 cu.m gravel (total 3700 cu.m sand + 2000 cu.m gravel = 5700 cu.m sand/gravel) from the proposed location per year with the condition that (i) at least 500 meters distance from the Champa Bridge has to be kept as non mining zone and (ii) maximum mining depth is permitted two meters from the unmined surface.** The proponent shall have to strictly follow all other terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Chirang Forest Division, Kajalgaon, BTAD is requested to ensure necessary surveillance to avoid occurrences of irregularities during the mining operation. The DFO is also requested to ensure to mark the approved mining site on the ground fixing required pillars before allowing actual mining operation as mining is allowed within the approved mining site and not beyond the limit of the same. The DFO is also requested to ensure compliance by the proponent of all the terms and condition laid down in the EC. The validity of the EC is allowed for two years and the proponent shall have to extract the approved minable materials with the same validity period.

SEIAA Resolution 42/8:

**Approved for issuance of EC as per condition laid down by SEAC.**

9. **Proposal of EC for mining of Sand & Stone from “Upper Subansiri Sonapur Govt. Permit Area” under Dhemaji Forest Division proposed by Shivam Bhartia JV. SEIAA. 3190/2022, (SIA/AS/MIN/405870/2022)**

SEAC Resolution 49/10:

The project proposal asking EC for mining of Sand & Stone from “**Upper Subansiri Sonapur Govt. Permit Area**” under Dhemaji Forest Division proposed by **Shivam Bhartia JV** is placed before the SEAC for appraisal and discussion. The project area is 3.0 hect and falls under B<sub>2</sub> category. Necessary documents are scrutinized and appraised accordingly. The Mining Plan approved by the DGM, Assam dated 21<sup>st</sup> Oct. 2022 and concerned DFO recommendation dated 21<sup>st</sup> Nov.2022 is discussed in detailed. Due deliberation is held. The committee after thread bare discussion recommended the project proposal approving to extract **36000 cu.m Sand and 10000 cu.m. river bad stone from the proposed mining site within a period of two (2) years. The proponent is permitted to extract 18000 cu.m sand and 5000 cu.m river bed stone annually strictly following al the terms and condition laid down in the approved Mining Plan with the condition that the maximum mining depth is approved two (2) meters from the unmined ground surface.**

The Divisional Forest Officer, Dhemaji Forest Division is requested to ensure necessary surveillance to avoid occurrences of irregularities during the mining operation. The DFO is also requested to ensure to mark the approved mining site on the ground fixing required pillars before allowing actual mining operation as mining is allowed within the approved mining site and not beyond the limit of the same. The DFO is also requested to ensure compliance by the proponent of all the terms and condition laid down in the EC.
