The Authority after detailed discussion and deliberation decided the following:

- Serial No. 1:** This proposal was deferred in the 5.116th meeting of SEIAA held on 21.3.2024 since the *proposed lease area falls within the 10 km radius of the Bassi WLS and PP had not given the submission receipt of the Conservation Plan from the Forest Department.*

Hence, the Authority accepted the recommendations and additional conditions of SEAC and decided to **approve EIA/EMP and grant EC** to these proposals with the condition that PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.

4. **Serial No. 4:** The proposal was deferred in the 5.115th meeting of SEIAA held on 20.3.2024 *till the authentic production certificate is received from the office of DMG as in this proposal, two production certificates for the year 2019-20 had been submitted with the proposal, stating different figures of production carried out in the year 2019-20.*

Now, PP has submitted production certificate dated 26.03.2024 issued by AME with production verifying that the production in the year 2019-20 had not been carried out in violation. Hence, the Authority accepted the recommendations and additional conditions of SEAC and decided to **approve EIA/EMP and grant EC** to this proposal.

5. **Serial No. 6:** The proposal was deferred in the 5.115th meeting of the Authority held on 20.3.2024 for *submission of an affidavit of PP regarding implementation of Cluster EMP.*
