**Subject:** Request for exemption of public consultation for Environmental Clearance of Modernization of Common Effluent Treatment Plant for tannery cluster at Jajmau, Kanpur, Uttar Pradesh.

**Reference:** MoM of 232th SEIAA held on 01.10.2018; File no.: 4445  
ToR LETTER No. 544/Parya/SEAC/445/2018 dated 30.11.2018

Dear Sir,

As per MoM of 232th SEIAA held on 01.10.2018, we have to submit the EIA to SPCB for conducting the Public hearing.

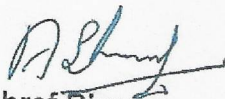

We wish to request for Public hearing exemption due to the following reasons:

1. As per the Gazette Notification no. 4170/1X-2-87-5I-L.A.(7)-86 of Uttar Pradesh dated 08.12.1987, this land is demarcated only for construction of Ganga Pollution Control Unit in Kanpur Nigam by U.P. Jal Nigam, Kanpur. Gazette Notification and Map mentioning said area counter signed by U.P. Jal Nigam is attached as Annexure-1. Existing Layout Plan of the area is also attached as Annexure-2
2. As per the 2021 Master plan of the Kanpur approved before EIA notification, 2006, the land is demarcated for large industry use only. Project boundary superimposed on Master plan of Kanpur is attached as Annexure-3.
3. The existing CETP of 36 MLD was established in 1993, when no EIA notification was applicable. Now new CETP of 20 MLD has been proposed. Thus, it is not an expansion project.
4. As per the para 3 of OM J-11013/36/2014-IA-I dated 04.04.2016 (attached as Annexure-4), public consultation may be exempted, as existing CETP is established in industrial area before the EIA Notification, 2006.
5. As per the above said OM, there is list of activities on which Public consultation is compulsory. CETP is not listed in the same, hence Public consultation can be exempted.

In view of all above, we request you to exempt us public hearing and continue our EIA preparation based on revised details. Also, request to grant ammended ToR letter.

Thanking You,  
Yours Faithfully

For Jajmau Tannery Effluent Treatment Association
