Respected Sir,

**Sub:** Submission of replies for our "Building Stone Quarry" over an extent of 1-00 Acre at Sy. No. 72, Kajjari village, Ranebennur Taluk, Haveri District, Karnataka.

**Ref: Proposal No. : IA/KA/MIN/32515/2015**

Our Project is a "Building Stone Quarry" at Sy. No. 72, Kajjari village, Ranebennur Taluk, Haveri District, Karnataka. I have submitted our proposal to MoEF for Environmental clearance but you have suggested applying it to SEIAA stating that it is a category 'B' project. But we have applied it already to SEIAA vide no. SEIAA 190 MIN 2015 and the Hon'ble SEAC in the 138th SEAC meeting noted that the quarry site is very near to the Black Buck Sanctuary and many proposals from the same vicinity have appraised and recommended for EC. So, they have recommended submitting it to MoEF as the project attracts the General conditions i.e. the project area falls within 5kms from Wildlife Sanctuary. Combined sketch drawn on google map showing different quarry leases within 500m buffer is enclosed with this letter.

Ranebennur Wildlife Sanctuary is 1 Kms west from the Project site as per the Forest Department letters vide no. A5/S/A/S/A.PRA/13-14 dated 8-10-2013 which is enclosed with this letter. So, kindly consider our proposal and do the needful.

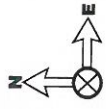

Thanking You,  
Yours faithfully
