Respected Sir,

Sub : NHAI, PIU, Chennai - Chennai - Salem Corridor (NH-179B & 179A) - **Submission of Form-1, PFR & Standard ToR for development of Tambaram to Harur Section of NH-179B, Harur to Salem Section of NH-179A, Chengalpattu to Kancheepuram Section of NH-132B, Semmampadi to Chetpet Section of NH-179D and Polur to Tiruvannamalai Section of NH-38 - reg.**

The Government of India has taken up development of Economic Corridors, Inter Corridors, Feeder Corridors and National Corridors (GQ and NS-EW Corridors) to improve the efficiency of Freight Movements in India under Bharatmala Pariyojana.

2. The National Highways Authority of India (NHAI) acting on behalf of Government of India is applying for Environment Clearance of subjected project under LOT 6/Package 1, in Tamil Nadu State. The scope of the project is to develop 8 lane Green-field highway connecting Chennai and Salem of 277.300 km long including portion Salem Ring Road and three Spurs (Kanchipuram to Changelpattu Spur of 30.000 km, Chetpet Spur of 4.7 km and Tiruvannmalai Spur of 16 km).

[Contd.....2]

National Highways Authority of India

..2..

3. In pursuance of the above, we wish to seek Environmental Clearance for the subject project, for which the prescribed Form-1 duly filled, along with proposed ToR for EIA Study and other relevant details of the project are enclosed herewith.

4. We would also like to inform you that we have started the baseline data generation in the project vicinity for the period of Pre-monsoon season i.e. April to June as per MoEFCC Circular No. J-11013/41/2006-IA-II (I) (PART) dated 29.08.2017. Monitoring Team has already been mobilized at site on 1st week of April.

5. We request you to kindly peruse the proposal being submitted and issue the ToR for the EIA Study on an early date.

Encl: As above

Yours sincerely,

19/4/18
(P.T.Mohan)
Project Director,
PIU-Chennai
