Compliance Conditions

General Conditions

Legal status of the diverted forest land shall remain unchanged.

Remarks by	Remarks	Date	Action
Project Proponent	complied	10/04/2023	

complied Upload pdf (Max 5 MB)

Standard Conditions

Forest land shall not be used for any kind of quarrying and muck to be generated during the laying of water pipeline shall be dumped with the permitted RoW. The User Agency shall ensure that after laying of water pipe line the muck generated is back filled and the area should be restored to its natural state by undertaking plantation of suitable tree species in consultation with the State Forest Department. After receipt of a report on the compliance of conditions no ...and undertakings, duly authenticated by the competent authority in the State Government, in respect of all other conditions, from the State Government, formal approval will be considered in this regard under Section-2 of the Forest (Conservation) Act, 1980. Transfer of forest land to the User Agency shall not be affected by the State Government till formal order approving the diversion of forest land is issued by the Central Government.
