User Manual
for
Stage I Clearance IRO Level

Updated on January 03, 2022

Purpose of the manual

This manual aims at providing step-by-step instructions that would aid in navigating through the TO, AIG, DIG and IRO Functionalities. It intends to simplify the overall process for the users by providing them with a snapshot of every step. It also covers detailed information about operations, standards & guidelines, and functionalities of the envisaged PARIVESH portal, as presented to the DFO, Nodal Officer, and State Secretary.

ABOUT PARIVESH

PARIVESH is a web based, role based workflow application which has been developed for online submission and monitoring of the proposals submitted by the proponents for seeking Environment, Forest, Wildlife and CRZ Clearances from Central, State and district level authorities. It automates the entire tracking of proposals which includes online submission of a new proposal, editing/updating the details of proposals and displays status of the proposals at each stage of the workflow.
