Sir,

Sub: Application for Environmental Clearance for expansion of storage capacity by addition 2 x 900MT capacity at Bahadarabad Industrial Area, Gata No: 17,18,19,36,37,38,42,43,44,53,54,59,61, Jamalpur Village, Haridwar (Tehsil & District), Uttarakhand State –Reg

Ref: ToR File No: J-11011/184/2016-IA II (I) Dt: 25.10.2016

We are proposing to take up expansion of storage capacity with 2x900 MT Mounded Bullets at existing LPG Bottling Plant at Bahadarabad Industrial Area, Gata No: 17.18.19.36.37.38.42.43.44.53.54.59.61, Jamalpur Village, Haridwar (Tehsil & District), Uttarakhand State.

The proposed LPG Plant will be constructed within IOCL, LPG plant premises with capacity 2 x 900 MT mounded storage vessels.

The subject proposal is listed under Category 6 (b) projects and hence Environmental Clearance is required from State Environment Impact Assessment Authority as per EIA notification 2006. But our industry is located within 5km radius of National Park (Rajaji National Park), hence applying our EC application under Category –A.

In this regard, we are enclosing following documents for your kind perusal.

1. Form 1 for EC
2. EIA Report

Kindly review our application and accord approval for Environmental Clearance for the proposed expansion of LPG Bottling Plant at Haridwar.

Thanking you,
Yours Faithfully

For Indian Oil Corporation Ltd
